Nash. Land Impt Co. To Lease Nash & West Nash. Ry Co.

Registered January 21. 1889.

State of Tennessee } This agreement between the Nashville Land
Davidson County } Improvement Co and the Nashville and West
Nashville Railway Co both Corporations organized and existing under the laws of the State of Tennessee and having each its principal place of business in Davidson County Tennessee. Witnesseth That the Nashville Land Improvement Co. have leased to the Nashville and West Nashville Railway Company for the term of ninety nine (99) years commencing on the first day of January 1889 and ending on the 31st day of December 1988 a certain Lot of Land in the 12th Civil District of Davidson County Tennessee described as follows to wit: A circular piece of Land (235 7/10) two hundred thirty five & six tenths feet in diameter containing one acre the said circle including the four Sulphur Springs known as Cherokee Springs near the present terminus of the Rail Road of said Company. Said Circular tract embraces and includes all the said Springs known as the Cherokee Springs within the boundary of a tract of about (83) eighty three acres of land sold and conveyed by deed of the same date as this lease by the Nashville Land Improvement Co. to said Rail Road Company and the center of the circle is about three hundred feet measured at right angles from the Morrow road. The consideration for this lease is as follows. First One dollar per annum payable on the 31st day of December of each year during the continuance of this lease. Second that said lessee shall keep and maintain two convenient and easy approaches for persons on foot or in vehicles, shall be made and maintained through and over the eighty three acres of land sold by the Nashville Land Improvement Company to said Nashville and West Nashville Railway Company as aforesaid connecting with the property of the Nashville
