TO HAVE AND TO HOLD said real estate with the appurtenances, estate, title and interest thereto belonging to the said Grantees, their heirs and assigns forever. Grantor convenants that it is lawfully seized and possessed of said real estate in fee simple, has a good right to convey it, and that the same is unencumbered, except as hereinabove set out.

Grantor further convenants and binds itself and its successors and representatives to warrant and forever defend the title to said real estate to said Grantees, their heirs and assigns, against the lawful claims of all persons.

Grantees warrant and covenant that all payments, conditions, and provisions made and provided for in said prior Deed of Trust, and all other liens prior hereto, shall be performed promptly when due; but if Grantees suffer or permit default under said prior Deed of Trust or any prior lien, then the holder of the indebtedness secured hereunder may, at its option, immediately declare the indebtedness secured hereunder due and payable whether due according to its face or not and commence foreclosure proceedings. If default is suffered or permitted under said Deed of Trust or any prior lien by the Grantees, then the holder of the indebtedness secured hereunder may cure such default by making such payments or performing otherwise as the holder of the prior Deed of Trust or other lien may permit, or the holder of the indebtedness secured hereunder may purchase or pay in full such prior Deed of Trust or lien and all sums so expended by the holder hereof shall be secured hereunder or under such prior security lien instrument, deed of trust or mortgage; provided, however, such payment, performance or purchase by the holder hereof shall not be construed, for the purpose of this instrument, as satisfying the default of the Grantees hereunder or under said prior Deed of Trust or lien.

And now for the purpose of rendering court proceedings unnecessary for the enforcement of the lien herein retained by Grantor on the real estate hereinbefore described and to secure the prompt and faithful payment of the above described promissory note and to secure the prompt and faithful payment and performance by Grantees of their obligations as herein provided and further for the consideration of $1.00 to Grantees in hand paid, the receipt of which is hereby acknowledged, the Grantees do hereby transfer and convey unto William G. Now, if the Grantees shall pay the promissory note above described when due, according to its terms, and pay the taxes, keep up repairs, and keep said buildings insured as aforesaid, then this trust conveyance shall be of no further force or effect. But if Grantees fail to pay any installment, principal or interest, on said promissory note promptly when due, or if Grantees fail to pay taxes, keep up repairs or keep said premises insured as herein provided, or if Grantees fail to reimburse the Trustee or lawful owner and holder of said note for all sums, with interest, so expended by said Trustee, or lawful owner and holder of said notes, then this trust conveyance shall remain in full force and effect, and at the option of the lawful owner and holder of said promissory note, the entire unpaid balance, principal and interest, due on said note shall immediately become due and payable, without notice or demand, and the said Trustee, or his successors in trust, is hereby authorized and empowered upon giving twenty (20) days' notice of the time, terms and location of said sale by three (3) publications in any newspaper, daily or weekly, published in the county wherein the real estate is situated, to sell said real estate at the courthouse door in said county to the highest bidder for cash, at public outcry, free from the equity of redemption, homestead, dower and all other exemptions of every kind which are hereby expressly waived; and the said Trustee, or his successors in trust, is authorized and empowered to execute and deliver a deed to the purchaser. The Grantor and/or holder of the note secured hereunder may bid at any sale under this trust conveyance. Grantees agree, that the Trustee may, at any time after default in the payment of said note, enter and take possession of said real estate and shall only account for the net rents actually received by him. Grantees further agree that, in the event the Trustee fails, before selling said real estate, as herein provided, to enter and take possession thereof, the purchaser shall be entitled to immediate possession thereof upon the delivery to him by the Trustee of a deed for said real estate. In case of sale hereunder, the proceeds will be applied by the Trustee as follows:

1st. To the payment of all costs, charges and expenses of executing this conveyance and enforcing said lien as herein provided, including a reasonable Trustee's fee; also reasonable attorney's fees for advice in the premises, and representing the Trustee, or for instituting or defending any litigation which may arise on account of the execution of this conveyance, or the enforcement or protection of said lien; also the expenses of any such litigation.

2nd. To the payment of said promissory note herein secured, and any and all sums expended in the protection of said property, as herein authorized.

3rd. The residue, if any, will be paid to Grantees, their representatives or assigns.

Should the Trustee herein specifically named be unable to execute the foregoing trust because of death, disability, resignation or any other cause, or should the holder of the note herein secured desire that another or different trustee act hereunder, then the holder of said note herein secured is hereby authorized and empowered to name and appoint, by an instrument in writing recorded in the same register's office as this instrument, a successor trustee to execute this trust and the title herein conveyed to the above specifically named trustee shall be vested in said successor.

Grantees agree to pay all cost, including attorney's fee, incurred by the holder of the promissory note secured hereby in recording, protecting, preserving, defending, enforcing or releasing the lien of this instrument.

Said Trustee shall execute this trust without being required to give bond, and he shall not be required to file any account or settlement in relation to his trusteeship.
