RESTRICTIONS

The premises conveyed in the annexed deed are sold and conveyed subject to the following covenants and restrictions, which are hereby agreed to and declared to be and constitute covenants running with the land, binding upon the Grantee, its heirs, successors and assigns, for a period of twenty-five (25) years from and after the date of said deed, to-wit:

1. The construction and design of all buildings and structures shall be of such kind and quality as to be in keeping with present-day construction methods in the immediate surrounding areas, and also in keeping with the construction quality of the Rivergate Mall Shopping Center. No construction or design of an obsolete nature shall be permitted. All buildings shall be of masonry or similar construction. No metal clad or frame construction shall be permitted, and all buildings shall be covered on all sides with brick veneer, stone, or better construction. No concrete block shall be exposed on the exterior of any building. No temporary buildings shall be permitted after August 1, 1971.

In addition, all buildings or other structures erected upon said premises shall be of a design, and height satisfactory to the Grantor. For this purpose, the Grantee, its successors or assigns, shall, prior to the commencement of construction, submit to the Grantor architectural plans for all buildings to be constructed, a site plan showing the location of the same, and complete details for the grading, drainage, paving, and exterior lighting. All such plans, including specifications and working drawings, shall be approved in writing by the Grantor prior to the commencement of construction or any other development of improvements upon said premises. All electrical wiring shall be placed underground.

2. Grantee shall cause to be prepared, by a professional landscaping architect, a detailed landscaping plan for the landscaping of the premises, which plan shall be submitted to the Grantor for its approval in writing, and upon such approval, such plan shall be carried out in detail. The development of landscaping plans for the premises, the quality and quantity of the same, will be at least comparable to that provided in the Rivergate Mall Shopping Center. The Grantee shall maintain the exterior of its premises and all landscaping at all times in a good, orderly, and neat condition.

3. Said premises may be used only for the operation of a commercial bank. No other use shall be permitted except upon the written approval of the Grantor.

4. No loading dock or platform shall be constructed, used or maintained on that portion of any building or the structure which faces any street.

5. All exterior signs shall be subject to the approval of the Grantor. All signs shall be located on the face of the buildings, except that one free-standing sign shall be permitted, if otherwise allowed by law. No other sign, billboard, or exterior form of advertisement shall be permitted.

6. No storage of scrap metal, refuse, garbage, building materials, or other like matter shall be permitted. No incinerators shall be kept, used, or maintained on any portion of the property. Trash, garbage, etc. shall be kept in closed containers and shall be removed from the premises at regular intervals to prevent any unnecessary accumulation thereof.

7. Adequate offstreet parking shall be provided on the premises for the employees, customers and invitees of the Grantee, as required by the off-street parking ordinances of the Metropolitan Government of Nashville and Davidson County, Tennessee, all in accordance with a parking plan to be submitted to the Grantor and approved by it in writing.

8. All access easements as shown on the recorded plan are private roadways, the same not having been dedicated to the public at the time of the execution and delivery of the deed to which these covenants are annexed. The cost for the construction of the "U" shaped driveway through the subdivision in which the premises are located shall be provided by the Grantor at its expense. Thereafter, the Grantee, acting jointly with the owners of other lots within the subdivision, shall be responsible for the maintenance of this driveway. The term "maintenance" shall include the entire cost of repair and maintenance to the paved surface, as well as all other expenses incidental to this driveway, including, without limiting the generality of the foregoing, all taxes levied thereon, liability insurance premiums, lighting, sweeping and cleaning, snow removal, traffic direction, and all other like costs. These maintenance expenses shall be the joint obligation of the lot owners and shall be shared on a pro rata basis with each lot owner being required to contribute that portion of the total cost of maintenance which the area of its property bears to the total land area within the subdivision. In order to implement these provisions, the lot owners within the subdivision shall elect at least annually, on or before the first day of each calendar year, one or more of their number by majority vote to act in their behalf in the making of arrangements for the maintenance of said driveway and for the allocation of costs on a pro rata basis among the lot owners. The Grantee shall contribute its pro rata of such maintenance from time to time as determined by the elected representatives of the lot owners.

9. The invalidation of any one of these covenants by judgment of any court of competent jurisdiction shall in no wise affect any of the other covenants, which shall remain in full force and effect for the remainder of the term hereof.
