(2) That Albert O. Payne died without a will.

(3) That no children were born to Albert O. Payne during his entire lifetime either while married to the affiant or to his first wife, Fannie Mai Payne.

(4) That Albert O. Payne had two brothers, one of which died unmarried while very young and the other brother who is also deceased did marry but had no children.

(5) Affiant states that at the time of Albert O. Payne's death, she was married to him and that he had no relatives surviving him. Thus she claims through this affidavit to be his only heir at law.
