TO HAVE AND TO HOLD the said tract or parcel of land, with the appurtenances, estate, title and interest thereto belonging to the said Historic Edgefield, Inc. _____, its heirs and assigns, ("its successors and assigns" if a corporation), forever.

And the Metropolitan Development and Housing Agency, the Grantor, does covenant with the said Historic Edgefield, Inc. _____, that it is lawfully seized and possessed of said land in fee simple, has a good right to convey it, and the same is unencumbered except for the restrictive covenants set forth hereinafter.

And the Metropolitan Development and Housing Agency, the Grantor, does further covenant and bind itself and its successors to warrant and forever defend the title to the said land to the said Historic Edgefield, Inc. _____, its heirs and assigns, ("its successors and assigns" if a corporation"), against the lawful claims of all persons, whomsoever.

1. GENERAL COVENANTS:

A. The within-described property is hereby conveyed subject to the restrictions which are hereby declared to be covenants running with the land and which shall be binding upon the Grantor and the Grantee and all subsequent purchasers, owners, lessees and successors in interest, set forth in the "Restrictive Covenants Running with the Land of the Metropolitan Development and Housing Agency in the East Nashville Urban Renewal Project", of record in Book 3368, Page 23, Register's Office of Davidson County, Tennessee, which are specifically made a part hereof by reference.

B. It is understood and agreed that one of the considerations moving to the Grantor in this transaction is the agreement on the part of the Grantee to redevelop to the satisfaction of Grantor the within-described property in accordance with the terms of Contract of Sale of Land entered into the 9th day of January, 19 81, by Grantor and Grantee, compliance with which by Grantee shall be evidenced by a certificate of the Grantor to that effect issued to the Grantee in a form eligible for registration.

C. The Grantee agrees for itself, its successors and assigns, to or of the property or any part thereof, that the Grantee and such successors or assigns shall:

(1) Not discriminate upon the basis of race, creed, color or national origin in the sale, lease, or rental or in the use or occupancy of the property or any improvements erected or to be erected thereon or on any part thereof; and this covenant shall be binding to the fullest extent permitted by law and equity, for the benefit and in favor of, and enforceable by (a) the Grantor, its successors and assigns, (b) the Metropolitan Government of Nashville and Davidson County, State of Tennessee, and any successor in interest to the property, or any part thereof, (c) the owner of any other land, or of any interest in such land, within the Project Area which is subject to the land use requirements and restrictions of the Urban Renewal Plan, and (d) the United States, against the purchaser, its successors and assigns and every successor in interest to the property, or any part thereof or interest therein, and any party in possession or occupancy of the property or any part thereof.

In amplification, and not in restriction of, the provisions of Sections 1-A and 1-C(1) it is intended and agreed that the Grantor and its successors and assigns shall be deemed beneficiaries of the covenants provided in Sections 1-A and 1-C(1) hereof, and the United States shall be deemed a beneficiary of the Covenant provided in Section 1-C(1) hereof, both for and in their or its own right and also for the purposes of protecting the interests of the community and other parties, public or private, in whose favor or for whose benefit such covenants have been provided. Such covenants shall run in favor of the Grantor and the United States, for the entire period during which such covenants shall be in force and effect, without regard to whether the Agency or the United States has at any time been, remains, or is an owner of any land or interest therein to or in favor of which such covenants relate. The Grantor shall have the right, in the event of any breach of any such covenants, and the United States shall have the right in the event of any breach of the covenant provided in Section 1-C(1) hereof, to exercise all the rights and remedies, and to maintain any actions or suits at law or in equity or other proper proceedings to enforce the curing of such breach of covenant, to which it or any other beneficiaries of such covenant may be entitled.
