TO HAVE AND TO HOLD the said tract or parcel of land, with the appurtenances, estate, title and interest thereto belonging to the said Creighead Properties _____, their heirs and assigns, ("its successors and assigns" if a corporation), forever.

And the Metropolitan Development and Housing Agency, the Grantor, does covenant with the said Creighead Properties _____, that it is lawfully seized and possessed of said land in fee simple, has a good right to convey it, and the same is unencumbered except for the restrictive covenants set forth hereinafter.

And the Metropolitan Development and Housing Agency, the Grantor, does further covenant and bind itself and its successors to warrant and forever defend the title to the said land to the said Creighead Properties _____, their heirs and assigns, ("its successors and assigns" if a corporation), against the lawful claims of all persons, whomsoever, and the Metropolitan Development and Housing Agency, the Grantor, and Creighead Properties _____, the Grantee, further bind themselves as follows:

1. GENERAL COVENANTS:

A. The Grantee agrees for itself, and its successors and assigns, and every successor in interest to the Property, or any part thereof, that the Property, or any part thereof, will be devoted to, and only to and in accordance with, the uses specified in the Urban Renewal Plan, and the Contract of Sale of Land entered into between the parties hereto, for the purchase and redevelopment of the Property, dated the 19th day of December, 19 80, which is specifically made a part hereof by reference as though fully and completely set out herein.

B. The within-described Property is hereby conveyed subject to the restrictions which are hereby declared to be covenants running with the land and which shall be binding upon the Grantor and the Grantee and all subsequent purchasers, owners, lessees and successors in interest, set forth in Section C of the Urban Renewal Plan for the Edgehill Urban Renewal Project, Tenn. R-69 of record in Book 4220, page 723, in the Register's Office of Davidson County, Tennessee, which are specifically made a part hereof by reference, as though fully and completely set out herein.

C. This parcel of land, described herein, is located in an area designated by the Urban Renewal Plan for the Edgehill Urban Renewal Project, Tenn. R-69 for use as industrial and this conveyance is specifically made subject to the restrictions, terms and conditions of the said Plan. R. P. Map No. 2, known as the "Land Use Plan" is an excerpt from the Plan and is recorded, for reference purposes, in the office of the Metropolitan Clerk, said Map being specifically made a part hereof by reference as though fully and completely set out herein.

D. It is understood and agreed that one of the considerations moving to the Grantor in this transaction is the agreement on the part of the Grantee to redevelop to the satisfaction of Grantor the within-described Property in accordance with the terms of Contract for Sale of Land entered into the 19th day of December, 19 80, by Grantor and Grantee compliance with which by Grantee shall be evidenced by a "Certificate of Completion" from the Grantor to that effect issued to the Grantee and recorded in the Register's Office of Davidson County, Tennessee.

The "Certificate of Completion" issued by the Grantor shall be a conclusive determination of satisfaction and termination of the agreements and covenants in the Agreement and in the Deed with respect to the obligations of the Grantee, and its successors and assigns, to construct the improvements and the dates for the beginning and completion thereof.

The Grantee for itself, its successors and assigns, and every successor in interest to the Property, or any part thereof, agrees to promptly begin and diligently prosecute to completion the redevelopment of the Property, and that such construction or redevelopment shall in any event be begun within the period specified in Section 4 of Part 1 of said Contract for Sale of Land and be completed within the period specified in said Section 4 of Part 1. It is intended and agreed that such agreements and covenants shall be covenants running with the land and that they shall, in any event, and without regard to technical classification or designation, legal or otherwise, except only as otherwise specifically provided in the Agreement itself, be, to the fullest extent permitted by law and equity, binding for the benefit of the community and the Grantor and enforceable by the Grantor against the Grantee and its successors and assigns to or of the Property or any part thereof or any interest therein.

In the event of any default, failure, violation, or other actions or inaction by the Grantee, subsequent to this conveyance from the Grantor and prior to the issuance and recording of the "Certificate of Completion," to remedy, end, or abrogate such default, failure, violation, or other action or inaction, specified in subdivisions (a), (b), and (c) of Section 704 of Part 11 of said Contract for Sale of Land, the Grantor at its option may declare a termination in favor of the Grantor, of the title, and of all the rights and interest in and to the Property shall revert to the Grantor in accordance with and in the manner specified in said Contract for Sale of Land. Said subdivisions list, in part, non-compliance acts pertaining to the construction of improvements, failure to pay or have released liens or encumbrance, and violations pertaining to the transfer of the Property or change in the ownership or distribution of the stock of the Grantee.

E. The Grantee agrees for itself, its successors and assigns, and every successor in interest to the Property, to or of the Property or any part thereof, that the Grantee and such successors or assigns shall:

(1) Not discriminate upon the basis of race, creed, color, sex or national origin

in the sale, lease, or rental or in the use or occupancy of the Property or any improvements erected or to be erected thereon or on any part thereof; and this covenant shall be binding to the fullest extent permitted by law and equity, for the benefit and in favor of, and enforceable by (a) the Grantor, its successors and assigns, (b) the Metropolitan Government of Nashville and Davidson County, State of Tennessee, and any successor in interest to the Property, or any part thereof, (c) the owner of any other land, or of any interest in such land, within the Project Area which is subject to the land use requirements and restrictions of the Redevelopment Plan, and (d) the United States, against the purchaser, its successors and assigns and every successor in interest to the Property, or any part thereof or interest therein, and any party in possession or occupancy of the Property or any part thereof.

In amplification, and not in restriction of, all provisions of Sections 1-A, 1-B, 1-C, 1-D, 1-E and 1-E(1), it is intended and agreed that the Grantor and its successors and assigns shall be deemed beneficiaries of the covenants provided in said Section hereof, and the United States shall be deemed a beneficiary of the Covenant provided in Section 1-E(1) hereof, both for and in their or its own right and also for the purposes of protecting the interests of the community and other parties, public or private, in whose favor or for whose benefit such convenants have been provided. Such covenants shall run in favor of the Grantor and the United States, for the entire period during which such covenants shall be in force and effect, without regard to whether the Agency or the United States has at any time been, remains, or is an owner of any land or interest therein to or in favor of which such covenants relate. The Grantor shall have the right, in the event of any breach of any such covenants, and the United States shall have the right in the event of any breach of the covenant provided in Section 1-E(1) hereof, to exercise all the rights and remedies, and to maintain any actions or suits at law or in equity or other proper proceedings to enforce the curing of such breach or covenant, to which it or any other beneficiaries of such covenant may be entitled.
