(r) "Unit Owner" means the person or persons whose estates or interests, individually or collectively, aggregate fee simple ownership of a Unit and of the undivided interest in the Common Elements appurtenant thereto and shall be deemed the same as a "co-owner" under the Act. Unless specifically provided otherwise herein, the Developer shall be deemed a Unit Owner so long as it is the legal title holder of any Unit. No person or persons who hold an interest in a Unit solely for the purpose of securing an obligation shall be deemed to be a Unit Owner hereunder.

2. Submission of Property to the Act. The Developer, as the legal title holder in fee simple of the Parcel, expressly intends to, and by recording this Master Deed does hereby, submit and subject the Parcel and the Property to the provisions of the Horizontal Property Act of the State of Tennessee.

3. Plat. The Plat, whether recorded now or incrementally, shall set forth the numbers, areas, locations and other data, as required by the Act.

4. Units. The legal description of each Unit shall consist of the identifying number or symbol of such Unit as shown on the Plat. Every deed, lease, mortgage, deed of trust or other instrument shall legally describe a Unit by its identifying number or symbol as shown on the Plat and every such description shall be deemed good and sufficient for all purposes, as provided in the Act. Except as provided by the Act, no Unit Owner shall, by deed, plat, court decree or otherwise, subdivide or in any other manner cause his Unit to be separated into any tracts or parcels different from the whole Unit as shown on the Plat.

5. (a) Association of Unit Owners and Administration and Operation of the Property. There has been or will be formed an Association having the name "33rd Avenue Townhomeowners' Association", a Tennessee corporation, which Association shall be the governing body for all of the Unit Owners, for the maintenance, repair, replacement, administration and

operation of the Property, as provided in the Act, this Master Deed and the By-Laws. The By-Laws for the Association shall be the By-Laws attached to the Master Deed as Exhibit A and made a part hereof. The Board of Directors of the Association shall be elected and shall serve in accordance with the provisions of the By-Laws. The fiscal year of the Association shall be determined by the Board, and may be changed from time to time as the Board deems advisable. The Association shall not be deemed to be conducting a business of any kind. All activities undertaken by the Association shall be held and applied by it for the use and benefit of Unit Owners in accordance with the provisions of the Master Deed and By-Laws. Each Unit Owner shall be a member of the Association so long as he is a Unit Owner. A Unit Owner's membership shall automatically terminate when he ceases to be a Unit Owner. Upon the conveyance or transfer of a Unit Owner's ownership interest to a new Unit Owner, the new Unit Owner shall simultaneously succeed to the former Unit Owner's membership in the Association. The aggregate number of votes for all members of the Association shall be one hundred (100) and shall be divided among the respective Unit Owners in accordance with their respective percentages of ownership interest in the Common Elements.

(b) Non-Liability of the Directors, Board, Officers, and Developer. Neither the directors, Board, officers of the Association, nor the Developer shall be personally liable to the Unit Owners for any mistake of judgment or for any other acts or omissions of any nature whatsoever as such directors, Board, officers, or Developer, except for any acts or omissions found by a court to constitute gross negligence or fraud. Anything herein to the contrary notwithstanding, the Developer shall not be released for his liability with regard to faulty construction. The Unit Owners shall indemnify and hold harmless each of the directors, Board, officers, or Developer, and their respective heirs, executors, administrators, successors and assigns in accordance with the provisions of Article VIII of the By-Laws.

6. Board's Determination Binding. In the event of any dispute or disagreement between any Unit Owners relating to the Property, or any questions of interpretation or application of the provisions of the Master Deed or By-Laws, the determination thereof by the Board shall be final and binding on each and all such Unit Owners.

7. Ownership of the Common Elements. Each Unit Owner shall be entitled to his percentage of ownership in the Common Elements as designated on the Plat. Said ownership interest in the Common Elements shall be an undivided interest, and the Common Elements shall be owned by the Unit Owners as tenants in common in accordance with their respective percentages of ownership. The ownership of each Unit shall not be conveyed separate from the percentage of ownership in the Common Elements corresponding to said Unit. The undivided percentage of ownership in the Common Elements corresponding to any Unit shall be deemed conveyed or encumbered with that Unit, even though the legal description in the instrument

conveying or encumbering said Unit may refer only to the fee title to that Unit. Each Unit Owner waives any right of court partition or dissolution of his interest in the Common Elements.

8. Use of the Common Elements. Each Unit Owner shall have the right to use the Common Elements (except the Limited Common Elements) in common with all other Unit Owners, as may be required for the purposes of access, ingress to, egress from, use, occupancy and enjoyment of the respective Unit owned by such Unit Owner. Such right to use the Common Elements shall extend to not only each Unit Owner, but also to his agents, servants, tenants, family members, customers, invitees and licensees. However, each Unit Owner shall have the right to the exclusive use and possession of the Limited Common Elements contiguous to and serving such Unit alone or with adjoining Units. Such rights to use the Common Elements, including the Limited Common Elements, shall be subject to and governed by the provisions of the Act, Master Deed, By-Laws and rules and regulations of the Association. In addition, the Association shall have the authority to lease, grant concessions or grant easements with respect to parts of the Common Elements, subject to the provisions of the Master Deed and By-Laws. All income derived by the Association from leases, concessions or other sources shall be held and used for the benefit of the members of the Association, pursuant to such rules, resolutions or regulations as the Board may adopt or prescribe.

9. (a) Common Expenses. Each Unit Owner, including the Developer, shall pay his proportionate share of the expenses of the administration and operation of the Common Elements and of any other expenses incurred in conformance with the Master Deed and By-Laws (which expenses are herein sometimes referred to as "common expenses"), including, but not limited to, the maintenance and repair thereof and any and all replacements and additions thereto. Except for its responsibilities as a Unit Owner, as provided herein, Developer shall not have any responsibility for the maintenance, repair or replacement of any part of the Common Elements after the date this Master Deed is recorded. Such proportionate share of the common expenses for each Unit Owner shall be in accordance with his percentage of ownership in the Common Elements. Payment of common expenses, including any prepayment thereof required by contract for a sale of a Unit, shall be in such amounts and at such times as determined in the manner provided in the By-Laws. No Unit Owner shall be exempt from payment of his proportionate share of the common expenses by waiver or non use or enjoyment of the Common or Limited Common Elements or by abandonment of his Unit. If any Unit Owner shall fail or refuse to make any such payment of the common expenses when due, the amount thereof together with interest thereon at the rate of 12% per annum, or such greater percentage as may then be permitted under the law of the State of Tennessee, after said common expenses become due and payable, shall constitute a lien on the interest of such Unit Owner in his Unit and in the Property as provided in the Act.

(b) Enforcement of Lien. FOR AND IN CONSIDERATION of the privileges, protections, mutual enjoyment and use of the Common Elements and the premises contained herein, the receipt of which is hereby acknowledged and any assumption of the obligations by transferees as required hereunder, and to secure the payment of said Common Expenses, principal, interest, and attorney fees, a lien is expressly retained by the Association on each and every Unit Owner's Unit and prorata interest in the Common Elements (referred to in this subparagraph 9(b) as "property").

And now, for the purpose of better and more effectually securing the payment of said lien indebtedness; rendering unnecessary court proceedings for the enforcement of said lien in the event of the non-payment of said indebtedness and payments thereof, as they become due, and for the consideration of one dollar paid in cash, receipt of which is acknowledged, the said Unit Owners, their heirs, administrators, and assigns, hereinafter referred to as trustors, hereby transfer and convey unto A. Harrison Johnson, Trustee, his successors and assigns, the property hereinbefore described, with the appurtenances, estate, title and interest thereto belonging upon the following uses and trusts:

Trustors agree to pay their prorata share of Common Expenses when due and further agree to pay all taxes and assessments thereon, general or special, and to pay them when due, and, upon demand of said trustee or the lawful owner and holder of said indebtedness, to pay, discharge, or remove, any and all liens (except a First Mortgage or Deed of Trust) which may be hereafter placed against said property and which shall adversely affect the lien of this instrument or enforcement of the terms and provisions hereof; to keep the improvements on said property in good repair and preservation, and in case the trustee or his successors or the lawful owner and holder of said indebtedness shall hereafter be required to appear in any court or tribunal to enforce, or defend the title to, or possession of, said property, or the lien of this instrument, or appear in any court to prove the above indebtedness, all the costs and expenses of such appearance or proceedings, together with a reasonable attorney's fee, shall be allowed, and be payable by trustors upon demand of the trustee or lawful owner or holder of said indebtedness, and, upon failure to do any of these things, then said trustee, or the lawful owner and holder of said indebtedness may do any or all of these things and the amounts so paid shall bear 12% interest from the date of payment and shall be and become a part of the indebtedness secured hereby.

Now, if trustors shall pay their prorata share of Common Expenses aforesaid when due, and pay any and all sums when due, as aforesaid, then this trust conveyance shall be of no further force or effect. But if said indebtedness, or any payment thereof, or interest thereon, is not paid promptly when due,

or if, failing to pay said other sums when due, as herein provided, trustors fail to reimburse the trustee, or lawful owner and holder of said indebtedness for all sums, with interest, so expended by said trustee, or lawful owner and holder of said indebtedness, within thirty days from date of such payment, this trust conveyance shall remain in full force and effect, and the said trustee, or his successor in trust, is hereby authorized and empowered, upon giving twenty (20) days' notice by three publications in any newspaper, daily or weekly, published in Davidson County, Tennessee, to sell said property at the front door of the Court House in said County to the highest bidder for cash, at public outcry, free from the equity of redemption, homestead, dower and all other exemptions of every kind, which are hereby expressly waived; and the said trustee, or his successor in trust, is authorized and empowered to execute and deliver a deed to the purchaser. The Association may bid at any sale under this trust conveyance. The Trustee may, at any time after default in the payment of any of said indebtedness, enter and take possession of said property, and shall only account for the net rents actually received by him. It is further agreed that, in the event the trustee fails, before selling said property, as herein provided, to enter and take possession thereof, the purchaser shall be entitled to immediate possession thereof upon the delivery to him by the trustee of a deed for said property. In case of sale hereunder, the proceeds will be applied by the trustee as follows:

1st. To the payment of all costs, charges and expenses of executing this conveyance and enforcing said lien as herein provided; also reasonable attorney's fees for advice in the premises, or for instituting or defending any litigation which may arise on account of the execution of this conveyance, or the enforcement of said lien; also the expenses of any such litigation.

2nd. To the payment of all taxes which may be unpaid on said premises.

3rd. To the payment of all unpaid indebtedness herein secured, and any and all sums expended in the protection of said property, as herein authorized.

4th. The residue, if any, will be paid to trustors, their order, representatives or assigns.

In case of the death, absence, inability, or refusal to act of said trustee at any time when action under the foregoing power and trusts may be required or for any other reason, the lawful owner and holder of said lien is hereby authorized and empowered to name and appoint a successor to execute this trust by an instrument in writing to be recorded in the Register's

Office for Davidson County, Tennessee, and the title herein conveyed to the above named trustee shall be vested in said successor.

The word "Trustors" when used herein shall apply to parties both singular and plural.

(c) Mortgage and Deed of Trust Protection. The lien for common expenses payable by a Unit Owner shall be subordinate to the lien of a recorded First Mortgage or Deed of Trust on the interest of such Unit Owner, except for the amount of the proportionate share of common expenses which become due and payable from and after the date on which the Mortgagee or Beneficiary thereunder either takes possession of the Unit encumbered thereby, accepts a conveyance of any interest therein (other than as security) or forecloses its Mortgage or Deed of Trust. This subparagraph (c) shall not be amended, changed, modified or rescinded without the prior written consent of all Mortgagees and Beneficiaries of record.

10. Mortgages and Deeds of Trust. Each Unit Owner shall have the right, subject to the provisions herein, to make separate mortgages and deeds of trust for his respective Unit together with his respective ownership interest in the Common Elements. No Unit Owner shall have the right or authority to make or create, or cause to be made or created from the date hereof, any mortgage, deed of trust or other lien on or affecting the Property or any part thereof, except only to the extent of his own Unit and the respective percentage interest in the Common Elements corresponding thereto.

11. Separate Real Estate Taxes. Real estate taxes shall be separately taxed to each Unit Owner for his Unit and his corresponding percentage of ownership in the Common Elements, as provided in the Act. In the event that such taxes for any year are not separately taxed to each Unit Owner, but rather are taxed on the Property as a whole, then each Unit Owner shall pay his proportionate share thereof in accordance with his respective percentage of ownership interest in the Common Elements, and, in said event, such taxes shall be a common expense.

12. Insurance. Each Unit Owner shall obtain insurance for his Unit and the Limited Common Elements attributable to his Unit, against loss or damage by fire, vandalism, malicious mischief and such other hazards as are covered under standard extended coverage provisions for the full insurable replacement cost thereof, and against such other hazards and for such amounts as the Board may deem advisable. Insurable replacement cost shall be deemed the cost of restoring the said Unit and the Limited Common Elements attributable to that Unit, or any part thereof to substantially the same condition in which it existed prior to damage or destruction. Such insurance coverage shall be written in the name of, and the proceeds thereof shall be payable to, each Unit Owner and for the holders of mortgages on his Unit, if any. The policy of insurance should also contain, if possible, a waiver of subrogation rights by the insurer against individual Unit Owners. The premiums for such insurance shall be an individual expense.

In the event of damage to or destruction of any building as a result of fire or other casualty covered by insurance proceeds (unless more than 2/3rds of any Building or Buildings requires reconstruction) each directly affected Unit Owner shall arrange for the prompt repair and restoration of the damaged portions of all Units, Buildings and Common Elements substantially in accordance with the original plans and specifications therefor. Where the insurance indemnity is insufficient to cover the cost of such repairs and restoration, the deficit shall be paid by all Unit Owners directly affected by the damage, in the proportion of the damage to their Units, such proportion to be determined by the Board in a reasonable manner. The affected Unit Owners shall be deemed to be those Unit Owners who suffer damage from the aforementioned casualty.

Reconstruction shall not be compulsory where the whole or more than two-thirds (2/3) of any Building is destroyed or damaged by fire or other casualty, as determined by the Board. In such case, and unless otherwise unanimously agreed upon by the Unit Owners directly affected, the net proceeds of insurance policies shall be divided among all the Unit Owners directly affected by the casualty and the insurance proceeds shall be delivered to the Unit Owners or their Mortgagees, as their interests may appear.

The Board shall also have authority to and shall obtain comprehensive public liability insurance, in such amounts as it deems desirable, and workmen's compensation insurance and other liability insurance as it deems desirable, insuring each Unit Owner, mortgagee of record, if any, the Association, its officers, directors, Board and employees, the Developer, and the Managing Agent, if any, from liability in connection with the Common Elements. The premiums for such insurance shall be a common expense. However, at the option of the Board, and upon written notice to all Unit Owners, premiums for such insurance shall be separately billed to each Unit Owner for his corresponding percentage of ownership in the Common Elements. The Board shall retain in safe-keeping any such public liability policy for twenty-three (23) years after the expiration date of the policy.

The Board shall also have authority to and may obtain such insurance as it deems desirable, in such amounts, from such sources and in such forms as it deems desirable, insuring the Property and each member of the Board and officer of the Association, and member of any committee appointed pursuant to the By-Laws of the Association from liability arising from the fact that said person is or was director or officer of the Association, or a member of such a committee. The premiums for such insurance shall be a common expense.

Each Unit Owner shall be responsible for obtaining his own insurance on his own Unit and the Limited Common Elements serving his Unit, as well as his additions and improvements thereto, decorating, furnishing and personal property therein, and personal property stored elsewhere on the Property. In addition, in the event a Unit Owner desires to

insure against his personal liability and loss or damage by fire or other hazards above and beyond the extent that his liability, loss or damage is covered by the liability insurance and insurance against loss or damage by fire and such other hazards obtained by the Board for all of the Unit Owners as part of the common expenses, as above provided, said Unit Owner may, at his option and expense, obtain additional insurance.

13. Maintenance, Repairs and Replacements. Each Unit Owner, at his own expense, shall furnish and be responsible for all maintenance of, repairs to and replacements within his own Unit and to Limited Common Elements appurtenant to his Unit. Maintenance of, repairs to and replacements within the Common Elements (except such Limited Common Elements) shall be the responsibility of and shall be furnished by the Association. The cost of maintenance of, repairs to and replacements within the Common Elements shall be part of the common expenses, subject to the By-Laws, rules and regulations of the Association. The expenses for the maintenance, repair or replacement of a Unit's water heater, furnace, air conditioner, and heating and air conditioning ducts shall be borne by the owner of the Unit to which such Limited Common Elements are appurtenant and at the discretion of the Board, maintenance of, repairs to and replacements within the other Limited Common Elements may be assessed in whole or in part to Unit Owners benefitted thereby, and, further, at the discretion of the Board, the Board may direct Unit Owners who stand to be benefitted by such maintenance of, repairs to and replacement within the Limited Common Elements to arrange for such maintenance, repairs and replacement in the name and for the account of such benefitted Unit Owners, pay the cost thereof with their own funds, and procure and deliver to the Board such lien waivers and contractor's and subcontractor's sworn statements as may be required to protect the Property from all mechanics' or materialmen's lien claims that may arise therefrom.

If, due to the act or neglect of a Unit Owner, or of his agent, servant, tenant, family member, invitee, licensee or household pet, damage shall be caused to the Common Elements or to a Unit or Units owned by others, or maintenance, repair or replacement are required which would otherwise be a common expense, then such Unit Owner shall pay for such damage or such maintenance, repair and replacements, as may be determined by the Association, to the extent not covered by the Association's insurance or sufficient proceeds are not collected from the insurance carrier.

The authorized representatives of the Association, Board or of the Managing Agent with approval of the Board shall be entitled to reasonable access to the individual Units and Limited Common Elements as may be required in connection with the preservation of any individual Unit or Limited Common Elements in the event of an emergency, or in connection with maintenance of, repairs or replacements within the Common Elements, Limited Common Elements or any equipment, facilities or fixtures affecting or serving other Units, Common

Elements and Limited Common Elements or to make any alteration required by any governmental authority.

14. Alterations, Additions or Improvements. Except as provided in Paragraph 18 herein, no alteration of any Building or Common Elements, or any additions or improvements thereto, shall be made by any Unit Owner without the prior written approval of the Board. The Board may authorize and charge as common expenses alterations, additions and improvements of the Common Elements as provided in the By-Laws. Any Unit Owner may make alterations, additions or improvements within the Unit of the Unit Owner without the prior written approval of the Board, but such Unit Owner shall be responsible for any damage to other Units, the Common Elements, the Property, or any part thereof, resulting from such alterations, additions or improvements.

15. Decorating. Each Unit Owner, at his own expense, shall furnish and be responsible for all decorating within his own Unit and Limited Common Elements serving his Unit, as may be required from time to time, including painting, wall papering, washing, cleaning, paneling, floor covering, draperies, window shades, curtains, lighting and other furnishings and decorating. Each Unit Owner shall be entitled to the exclusive use of the interior and exterior surfaces of the perimeter walls, roof, foundation, floor and ceilings of his Unit, and such Unit Owner shall maintain said surfaces in good condition at his sole expense, as may be required from time to time. Said maintenance and use of surfaces shall be subject to the rules and regulations of the Association, but each such Unit Owner shall have the right to decorate interior surfaces from time to time as he may see fit and at his sole expense.

16. Encroachments. If any portions of the Common Elements shall actually encroach upon any Unit, or if any Unit shall actually encroach upon any portions of the Common Elements, or if any Unit shall actually encroach upon another Unit, as the Common Elements and Units are shown by the Plat, there shall be deemed to be mutual easements in favor of the owners of the Common Elements and the respective Unit Owners and mortgagees involved, to the extent of such encroachments, so long as the same shall exist. Easements are hereby reserved on the Parcel described above to the extent the same are shown on the Plat. These cross-easements pertain to drives, public utility service facilities, parking area, and sidewalks shown on the Plat.

17. Transfer of a Unit--First Option to Association.

A. Unrestricted Transfers. Subject to subparagraph B, below, a Unit Owner may, without restriction under this Master Deed, sell, give, devise, lease or otherwise transfer his Unit, or any interest therein, to his spouse, or to his child, parent, brother, sister, grandchild or descendant or to any one or more of them, or to any trustee of a trust, the sole beneficiary of which is the Unit Owner or his spouse, child,

parent, brother, sister, grandchild or descendant or any one or more of them. Notice of any such unrestricted transfer shall be given to the Board within five (5) days following consummation of such transfer.

B. Limit on Term of Lease. No Unit, or interest therein, shall be leased by a Unit Owner for a term greater than one year. A copy of every such lease, as and when executed, shall be furnished to the Board. The lessee under every such lease shall be bound by and subject to all of the obligations, under the Master Deed and By-Laws, of the Unit Owner making such lease and the lease shall expressly so provide. The Unit Owner making such lease shall not be relieved thereby from any of said obligations. Upon the expiration or termination of such lease, or in the event of any attempted subleasing thereunder, the provisions below with respect to the Association's right of first option shall again apply to said Unit.

C. Notice to Association of Certain Transfers. Whenever a Unit Owner shall propose to sell, give, devise, lease or otherwise transfer his Unit, or any interest therein, to any person or entity other than a person or entity described in subparagraph A, above, said Unit Owner shall give the Association not less than thirty (30) days prior written notice of the proposed transfer, which notice shall briefly describe the type of transfer proposed by the Unit Owner and shall state the name, address and financial and character references of the proposed transferee. The notice shall also include a copy of the proposed lease, contract for sale or other documents, if any effecting said transfer.

D. Association's First Option.

(a) If Proposed Transfer is a Sale or Lease. If a Unit Owner proposes to sell or lease his Unit, or any interest therein, to any person or entity other than a person or entity described in subparagraph A, above, for a period of thirty (30) days following the date notice of said proposed transfer is given to the Association, the Association shall have the first right, at its option, to purchase or lease such Unit from said Unit Owner (the "transferring party") upon the terms described in said notice.

(b) If Proposed Transfer is a Gift. If a Unit Owner proposes to make a gift of his Unit, or any interest therein, to any person or entity other than a person or entity described in subparagraph A, above, for a period of thirty (30) days following the date notice of said proposed transfer is given to the Association, the Association shall have the first right, at its option, to purchase such Unit. The price to be paid by the Association for

said Unit, or interest therein, shall be agreed upon by said Unit Owner (the "transferring party") and the Association, or, if not promptly agreed upon, shall be determined in accordance with the procedure set forth in subparagraph E, below.

(c) If Proposed Transfer is Upon the Death of a Unit Owner. If a Unit Owner dies and under applicable law his Unit, or any interest therein, is subject to a probate proceeding, then during a period of six (6) months after appointment of a personal representative of said deceased Unit Owner, the Association shall have the first right, at its option, to purchase said Unit either from the devisee thereof named in the deceased Unit Owner's will, if any, or from the appointed personal representative of such deceased Unit Owner who is empowered or authorized to sell the Unit (the "transferring party"). However, the foregoing option shall not apply to any such transfer upon the death of a Unit Owner to a person or entity described in subparagraph A, above. The price to be paid by the Association for said Unit, or interest therein, shall be agreed upon by the Association and said transferring party, or, if not promptly agreed upon, shall be determined in accordance with the procedure set forth in subparagraph E, below.

E. Determination of Disputed Purchase Price. If the price to be paid by the Association for a Unit or interest therein, pursuant to subparagraph D(b) and (c), above, is not promptly agreed upon, said price shall be equal to the fair market value of the Unit, as determined by an M.A.I. appraiser mutually agreed upon by the transferring party and the Association, and, in the event of no prompt agreement on said appraiser, by a majority decision of three M.A.I. appraisers, one chosen by the transferring party, one chosen by the Association and the third chosen by the two appraisers. The cost of said appraiser or appraisers shall be paid one-half by the transferring party and one-half by the Association as a common expense.

F. Election Not to Exercise First Option. The Board shall have authority, on behalf of and in the name of the Association, to elect not to exercise the Association's first option hereunder, and shall promptly give written notice of said election to the transferring party. Upon receipt of notice of a proposed transfer, the Board shall, within ten (10) days thereafter, hold a meeting of directors or poll all directors of the purpose of voting upon whether the Board shall elect not to exercise the Association's first option hereunder. The Association shall be deemed to have elected not to exercise its first option if either (i) the Association notifies the transferring party that

it has elected not to exercise its option, or (ii) the Association fails to notify the transferring party, before expiration of the applicable option period provided herein, that the Association elects to exercise its option.

If the Association elects not to exercise its first option, in the case of a proposed sale, lease or gift of a Unit, the transferring party may proceed to close said proposed transfer any time within forty-five (45) days after said election. Thereafter, said transfer of the Unit, or any interest therein, shall become again subject to the Association's right of first option, as herein provided.

A certificate executed by the President, Vice-President, Secretary or other duly authorized officer of the Association, certifying that the Association, by its Board, has elected not to exercise its first option, shall be conclusive evidence of such election and of a Unit Owner's compliance with the provisions hereof. Such a certificate shall be furnished to a Unit Owner upon his compliance with the provisions hereof, provided the Unit Owner requests such certificate from the Association in writing and pays the Association a reasonable fee for said certificate.

G. Election to Exercise First Option. The Board shall have authority to recommend to the Unit Owners that the Association elect to exercise its option. Upon receipt of notice of a proposed transfer, the Board shall, within ten (10) days thereafter, hold a meeting of directors or poll all directors for the purpose of voting upon whether the Board should make such recommendation. In the event the Board decides not to recommend that the Association elect to exercise its option, then notice of the Board's decision shall be promptly given to the transferring party.

In the event the Board shall decide to recommend to the Unit Owners that the Association elect to exercise its option, the Board shall call and hold a meeting of all the Unit Owners, within the twenty (20) days following its determination to recommend such election, for the purpose of voting upon whether the Association will elect to exercise its option. If Unit Owners owning not less than seventy-five percent (75%) of the total ownership of the Common Elements, by affirmative vote at such meeting or by written proxy or consent, elect to exercise the Association's option, then the Board shall promptly give written notice of said election to the transferring party.

The Association shall be deemed to have exercised its option hereunder if it tenders the required sum of money to the transferring party within the applicable option period provided herein.

H. Association's Right to Purchase at a Foreclosure Sale. The Board shall have the power and authority to bid and purchase, for and on behalf of the Association, any Unit, or interest therein, at a sale pursuant to a deed of trust or mortgage foreclosure, a foreclosure of the lien for common expenses under the Act, or an order or direction of a court, or at any other involuntary sale, upon the consent or approval of Unit Owners owning at least fifty percent (50%) of the total ownership of the Common Element. Such consent shall set forth a maximum price which the Board or its duly authorized agent may bid and pay for said Unit.

I. Financing of Purchase by Association. The Board shall have authority to make such mortgage arrangements and special assessments proportionately among the respective Unit Owners, and other such financing arrangements, as the Board may deem desirable, in order to close and consummate the purchase or lease of a Unit, or interest therein, by the Association. However, no such financing arrangement may be secured by an encumbrance on any interest in the Property other than the Unit, or interest therein, to be purchased or leased, and the percentage interest in the Common Elements appurtenant thereto.

J. Miscellaneous. (a) A transfer or lease of a Unit, or interest therein, by or to the Board, the Developer or the holder of any deed of trust or mortgage (or purchaser at foreclosure) on a Unit which comes into possession of the mortgaged Unit pursuant to remedies provided in such deed of trust or mortgage, or pursuant to foreclosure of such deed of trust or mortgage, or pursuant to a deed (or assignment) in lieu of foreclosure of such deed of trust or mortgage, shall not be subject to the provisions of this Paragraph 17. The provisions of this Paragraph 17 shall in no way impair the rights of a first mortgagee to any of the following:

1. Foreclose or take title to a condominium unit pursuant to the remedies provided in the mortgage, or

2. Accept a deed (or assignment) in lieu of foreclosure in the event of default by a mortgagor, or

3. Sell or lease a unit acquired by the mortgagee.

(b) The Association shall hold to or lease any Unit, pursuant to the terms hereof, in the name of the Association, or a nominee thereof delegated by the Board, for the sole benefit of all Unit Owners. The Board shall have the authority at any time to sell, lease or sublease said Unit on behalf of the Association upon such terms as the Board shall deem desirable, but in no event shall a Unit be sold for less than the

amount paid by the Association to purchase said Unit unless Unit Owners owning at least fifty percent (50%) of the total ownership of the Common Elements first authorize the sale for such lesser amount.

(c) All notices referred to or required under this Paragraph 17 shall be given in the manner provided in this Master Deed for the giving of notices.

(d) The provisions of this Paragraph 17 with respect to the Association's right of first option shall be and remain in full force and effect until the Property as a whole shall be sold or removed from the provisions of the Act, as provided therein, unless the provisions of this Paragraph 17 are sooner rescinded or amended by the Unit Owners.

(e) The Board may adopt rules and regulations, from time to time, not inconsistent with the provisions of this Paragraph 17, for the purpose of implementing and effectuating said provisions.

(f) If any transfer or lease of a Unit is made or attempted without complying with the provisions of this Paragraph 17, such transfer or lease shall be subject to each and all of the rights and options of, and remedies and actions available to, the Association hereunder and otherwise.

(g) In the event of any transfer of a Unit, or any interest therein, the transferee shall be jointly and severally liable with the transferor for all unpaid assessments of the transferor accrued and payable prior to the date of the transfer.

18. Use and Occupancy Restrictions. Subject to the provisions of the By-Laws, no part of the Property may be used for purposes other than housing and the related common purposes for which the Property was designed and as allowed by municipal zoning laws. Each Unit used together shall be used as a residence or such other use permitted by this Master Deed, and for no other purpose, except that professional and quasi-professional people may use their residence (not in violation of municipal zoning laws) as an ancillary or secondary facility to an office established elsewhere. The foregoing restrictions as to residence shall not, however, be construed in such manner as to prohibit a Unit Owner from: (a) maintaining his personal professional library; (b) keeping his personal business or professional records or accounts; or (c) handling his personal business or professional telephone calls or correspondence. Such uses are expressly declared customarily incident to the principal residential use and not in violation of said restrictions or municipal zoning law.

That part of the Common Elements separating and located between and exclusively serving two or more adjacent Units used together, (including, without limitation, portions of any hallway and any walls) may be altered to afford ingress and egress to and from such Units and to afford privacy to the Occupants of such Units when using such Common Elements, and that part of the Common Elements so altered may be used by the Unit Owner or Owners of such Units as a licensee pursuant to a license agreement with the Association, provided (a) the expense of making such alterations shall be paid in full by the Unit Owner or Owners making such alteration; (b) such Unit Owner or Owners shall pay in full the expense of restoring such Common Elements to their condition prior to such alteration in the event such Units shall cease to be used together, as aforesaid; (c) such alteration shall not interfere with use and enjoyment of the Common Elements (other than the aforesaid part of the Common Elements separating such adjacent Units), including without limitation, reasonable access and ingress to and egress from the other Units in the hallway affected by any such alteration.

The Common Elements shall be used only by the Unit Owners and their agents, servants, tenants, family members, customers, invitees and licensees for access, ingress to and egress from the respective Units and for such other purposes incidental to use of the Units. The use, maintenance and operation of the Common Elements shall not be obstructed, damaged or unreasonably interfered with by any Unit Owner, and shall be subject to any lease, concession or easement, presently in existence or entered into by the Board at some future time, affecting any part of all of said Common Elements.

19. Remedies. In the event of any violation of the provisions of the Act, Master Deed, By-Laws or rules and regulations of the Board or Association by any Unit Owner (either by his own conduct or by the conduct of any other occupant of his Unit) the Association, or its successors or assigns, or the Board, or its agent, shall have each and all of the rights and remedies which may be provided for in the Act, Master Deed, By-Laws, or said rules and regulations, or which may be available at law or in equity, and may prosecute an action or other proceedings against such defaulting Unit Owner and/or others for enforcement of any lien and the appointment of a receiver for the Unit and ownership interest of such Unit Owner, or for damages or injunction or specific performance, or for judgment for payment of money and collection thereof, or the right to take possession of the Unit and to sell the same as provided in Paragraph 9(b) and as provided hereinafter in this Paragraph 19, or for any combination of remedies, or for any other relief. All expenses of the Board in connection with any such actions or proceedings, including court costs and attorneys' fees and other fees

and expenses and all damages, liquidated or otherwise, together with interest thereon at the rate of 12% per annum until paid, shall be charged to and assessed against such defaulting Unit Owner, and shall be added to and deemed part of his respective share of the common expenses, and the Board shall have a lien for all of the same, as well as for nonpayment of his respective share of the common expenses, upon the Unit and ownership interest in the Common Elements of such defaulting Unit Owner and upon all of his additions and improvements thereto and upon all of his personal property in his Unit or located elsewhere on the Property, provided, however, that such lien shall be subordinate to the lien of a recorded first mortgage or deed of trust on the interest of such Unit Owner, except for the amount of the proportionate share of said common expenses which become due and payable from and after the date on which the said mortgage or deed of trust owner or holder either takes possession of the Unit, accepts a conveyance of any interest therein (other than as a security) or files suit to foreclose its mortgage or deed of trust. In the event of any such default by any Unit Owner, the Board and the manager or managing agent, if so authorized by the Board, shall have the authority to correct such default, and to do whatever may be necessary for such purpose and all expenses in connection therewith shall be charged to and assessed against such defaulting Unit Owner. Any and all such rights and remedies may be exercised at any time and from time to time, cumulatively or otherwise, by the Board. This paragraph shall not be amended, changed, modified or rescinded without the prior consent of all holders of record of mortgage and deed of trust liens against Units in the Building.

The violation of any restriction or condition or regulation adopted by the Board or the breach of any covenant or provision herein contained, shall give the Board the right, in addition to any other rights provided for in this Master Deed; (a) to enter (either peaceably or forceably without liability to such Unit Owner for such entry) upon the Unit, or any portion of the property upon which, or as to which such violation or breach exists and to summarily abate and remove, at the expense of the defaulting Unit Owner, any structure, thing or condition that may exist thereon contrary to the intent and meaning of the provisions hereof, and the Board, or its employees or agents, shall not thereby be deemed guilty in any manner of trespass; or (b) to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any breach; or (c) to take possession (either peaceably or forceably without liability to such Unit Owner for such entry) of such Unit Owner's interest in the property and to maintain an action for possession of such Unit in the manner provided by law.

If any Unit Owner (either by his own conduct or by the conduct of any other occupant of his Unit) shall violate the Act, or any of the covenants or restrictions or provisions of this Master Deed or the regulations adopted by the Board, and if such default or violation shall continue for ten (10) days after notice to the Unit Owner in writing from the Board, or shall occur repeatedly during any ten (10) day period after such written notice or request to cure such violation from the Board, then the Board shall have the power to issue to said defaulting Owner a notice in writing terminating the rights of the said defaulting Owner to continue as a Unit Owner and to continue to occupy, use or control his Unit, and thereupon an action in equity may be filed by the Board against said defaulting Owner for a decree of mandatory injunction against such defaulting Owner or Occupant, or in the alternative, for a decree declaring the termination of said defaulting Owner's right to occupy, use or control the Unit owned by him on account of said violation, and ordering that all the right, title and interest of said defaulting Owner in the Property shall be sold (subject to the lien of any existing deed of trust or mortgage) at a judicial sale upon such notice and terms as the court shall determine, except that the court may enjoin and restrain the said defaulting Owner from reacquiring his interest at such judicial sale. The proceeds of any such judicial sale shall first be paid to discharge court costs, court reporter charges, reasonable attorneys' fees and all other expenses of the proceeding and sale, and all such items shall be taxed against said defaulting Owner in said decree. Any balance of proceeds, after satisfaction of such charges and any unpaid assessments hereunder or any liens, shall be paid to said defaulting Owner. Upon the confirmation of such sale, the purchaser shall thereupon be entitled to a deed to the Unit and the Unit Owner's corresponding percentage of ownership in the Common Elements, and to immediate possession of the Unit sold and may apply to the court for a writ of assistance for the purpose of acquiring such possession, and it shall be a condition of any such sale, and the decree shall so provide, that the purchaser shall take the interest in the Unit Ownership sold subject to this Master Deed.

20. Amendment. The provisions of this Master Deed may be changed, modified or rescinded by an instrument in writing, setting forth such change, modification or rescission, signed by Unit Owners owning not less than sixty-seven percent (67%) of the total ownership of Common Elements and acknowledged, provided, however, that all lien holders of record have been notified by certified mail of such change, modification or rescission, and an affidavit by the secretary of the Association certifying to such mailing is made a part of such instrument.

However, if the Act, the Master Deed or the By-Laws require the consent or agreement of all Unit Owners or of all lien holders for any action specified in the Act or in this Master Deed, then any instrument changing, modifying or rescinding any provision of this Master Deed with respect to such action shall be signed by all the Unit Owners or all lien holders or both as required by the Act or this Master Deed. The change, modification or rescission, whether accomplished under either of the provisions of the preceding two paragraphs, shall be effective upon recording of such instrument in the office of the Register of Deeds of Davidson County, Tennessee; provided, however, that no provisions in this Master Deed may be changed, modified or rescinded so as to conflict with the provisions of the Act.

21. Notices. Notices provided for in the Act, Master Deed or By-Laws shall be in writing, and shall be addressed to the Association or Board, or any Unit Owner, as the case may be, at their then current address as then listed in the telephone directory for Nashville, Tennessee, or at such other address as hereinafter provided. The Association or Board may designate a different address or addresses for notices to them, respectively, by giving written notice of such change of address to all Unit Owners. Any Unit Owner may designate a different address for notices to him by giving written notice to the Association. Notices addressed as above shall be deemed delivered when mailed by United States registered or certified mail, or when delivered in person with written acknowledgment of the receipt thereof.

Upon written request to the Board, the holder of any recorded mortgage or trust deed encumbering any Unit shall be given a copy of all notices permitted or required by this Master Deed to be given to the Owner or Owners whose Unit is subject to such mortgage or trust deed.

22. Severability. If any provision of the Master Deed or By-Laws, or any section, sentence, clause, phrase, word, or the application thereof in any circumstance, is held invalid, the validity of the remainder of this Master Deed and the By-Laws and of the application of any such provision, section, sentence, clause, phrase or word in any other circumstances shall not be affected thereby and the remainder of this Master Deed or the By-Laws shall be construed as if such invalid part was never included therein.

23. Perpetuities and Restraints on Alienation. If any of the options, privileges, covenants or rights created by this Master Deed shall be unlawful, void or voidable for violation of the rule against perpetuities, then such provision shall continue only until twenty-one (21) years after the death of the survivor of the now living descendants of the Governor of Tennessee, Lamar Alexander.

24. Rights and Obligations. Each Grantee of the Developer, by the acceptance of a deed of conveyance accepts the same subject to all restrictions, conditions, covenants, reservations, liens and charges, and the jurisdiction, rights and powers created or reserved by this Master Deed. All future Unit Owners and Occupants shall be subject to and shall comply with the provisions of this Master Deed. Any restrictions or rules in the By-Laws which are more than administrative in nature such as, but not limited to, reservations and future rights of the Developer are hereby incorporated into and made a part of this Master Deed by reference. All rights, benefit and privileges of every character hereby imposed shall be deemed and taken to be covenants running with the land, and shall bind any person having at any time any interest or estate in said land, and shall inure to the benefit of such grantee in like manner as though the provisions of this Master Deed were recited and stipulated at length in each and every deed of conveyance or contract for conveyance.

All present and future Unit Owners, tenants and Occupants of a Unit shall be subject to, and shall comply with, the provisions of the By-Laws appended hereto and recorded herewith, pursuant to the Act, as they may be amended from time to time. Anything herein to the contrary notwithstanding, the Act shall govern in the event of a conflict between the language thereof and hereof. The acceptance of a deed of conveyance, devise or of a lease to a Unit, or the entering into occupancy of any Unit shall constitute an agreement that the provisions of the said By-Laws and any Rules and Regulations promulgated thereunder, as they may be amended from time to time, are assumed, accepted and ratified by such Unit Owner, tenant or occupant, and all of such provisions shall be deemed and taken to be covenants running with the land and shall bind any person having at any time any interest or estate in such Unit, as though such provisions were recited and stipulated at length in each and every deed, conveyance or lease, thereof.

The terms and conditions of the Master Deed, By-Laws and Rules and Regulations may be incorporated by reference in, and become part of, the agreement between any first mortgagee and any present or future Unit Owner who enters into such an agreement with a first mortgagee. When so incorporated, any default in the terms and conditions of the Master Deed, By-Laws and Rules and Regulations may be considered as a default by the first mortgagee, whereupon said first mortgagee, after exercising its option to declare a default, shall then have all of the rights and privileges arising as a result of a default under its agreement with said Unit Owner.

25. Trustee as Unit Owner. In the event title to any Unit is conveyed to a land title

holding trust, under the terms of which all powers of management, operation and control of the Unit remain vested in the trust beneficiary or beneficiaries, then the beneficiaries thereunder shall be considered Unit Owners for all purposes and they shall be responsible for payment of all obligations, liens, or indebtedness and for the performance of all agreements, covenants and undertakings chargeable or created under this Declaration against such Unit. No claim shall be made against any such titleholding trustee personally for payment of any lien or obligation hereunder created and the trustee shall not be obligated to sequester funds or trust property to apply in whole or in part against such lien or obligation. The amount of any such lien or obligation shall continue to be a charge or lien upon the Unit and the beneficiaries of such trust, notwithstanding any transfers of the beneficial interest of any such trust or any transfer of title to such Unit.

26. Condemnation. In the event of a taking in condemnation or by eminent domain of a part of the Common Elements, as specifically shown on the plat, the award made for such taking shall be payable to the Board for and on behalf of the Association. If a majority of the Board in their sole and absolute discretion approve the repair and restoration of such Common Elements, the Board shall arrange for the repair and restoration of such Common Elements, and the Board shall disburse the proceeds of such award to the contractors engaged in such repair and restoration in appropriate progress payments. In the event that the Board does not approve the repair and commence restoration of such Common Elements within 120 days after taking by the public or private authority, the Board shall disburse the net proceeds of such award on the basis of each Unit's percentage of ownership in the Common Elements. Anything herein to the contrary notwithstanding, in the event of a condemnation of any Unit or the Limited Common Elements appurtenant to that Unit, the condemnation proceeds shall be payable to the Unit Owner directly affected by the condemnation, or to the Unit Owner's mortgagees of record, according to the rights of such mortgagees of record.

27. Rights Reserved. The Unit Owner's right of enjoyment in the property commonly owned by the Association as herein created shall be subject to:

(a) The right of the Association, as provided in its By-Laws, to suspend the enjoyment rights of any member in utilities, ingress and egress, and any other rights in the Common Elements for any period during which any assessment remains unpaid, and for such period as it considers appropriate for any infraction of its published rules and regulations; and

(b) The right of the Association to charge reasonable fees for the use of the parts of the Common Elements; and

(c) The right of the Association to diminish in any way or to dedicate or transfer all or any part of the Common Elements to any public agency or authority for such purposes and subject to such conditions as may be agreed to by the members entitled to vote thereon, provided that no such diminuition or dedication or transfer, determination as to the purposes or as to the conditions thereof, shall be effective unless the Developer, (its successors or assigns) and members of the Association entitled to cast 90% of the total votes of all members entitled to vote has been recorded, agreeing to such dedication, transfer, purpose or condition; and

(d) The right of the Association to grant such easements and rights-of-way to such utility companies or public agencies or authorities as it shall deem necessary for the proper servicing and maintenance of the Common Elements and the individual Units.

28. Federal Home Loan Mortgage Corporation Regulations. Notwithstanding anything to the contrary contained in this Master Deed, or in the By-Laws which are attached hereto, all terms, conditions and regulations which are now existing, or which may be amended from time to time, by the Federal Home Loan Mortgage Corp., the Federal Home Loan Bank Board, or the Federal Savings and Loan Insurance Corporation pertaining to horizontal property regimes are hereby incorporated as terms and conditions of the Master Deed and By-Laws and such shall be governing upon the Property, the Developer, and the Association, so long as such terms or conditions are not inconsistent with the laws of the State of Tennessee as found in T.C.A. 64-2701 et seq. as amended from time to time.

Specifically, without limitation upon the foregoing, the following declarations shall be fully effective and controlling over any terms of the Master Deed or By-Laws which are in conflict. Any portions of such Master Deed or By-Laws which are in conflict with this paragraph, or any portion of Federal Home Mortgage Corp. regulations pertaining to horizontal property regimes, are hereby deleted and the following rights of mortgagees are itemized and substituted therefor as follows:

(a) A first mortgagee under a horizontal property regime unit at his request is entitled to written notification from the Association of any default by the mortgagor of such Unit in the performance of such mortgagor's obligations under the Master Deed, By-Laws, or any of the regime documents, which is not cured within thirty (30) days.

(b) Any first mortgagee of a horizontal property regime Unit who comes into possession of the Unit pursuant to the remedies provided in the mortgage, deed of trust, foreclosure of the mortgage or deed of trust, or deed in lieu of foreclosure shall take the property free of any claims for unpaid assessments or charges against the mortgaged Unit, which accrue prior to the time such holder comes into possession of the Unit (except for claims for a prorata share of such assessments or charges resulting from a prorata reallocation of such assessments or charges to all Units including the mortgaged Unit).

(c) Unless at least seventy-five percent (75%) of the first mortgagees (based upon one (1) vote for each mortgage owned) of horizontal property regime Units have given their prior written approval, the Association shall not be entitled to:

(i) Change the prorata interest or obligations of any horizontal property regime Unit for (a) purposes of levying assessments or charges or allocating distributions of hazard insurance proceeds or condemnation awards and for (b) determining the prorata share of each Unit in appurtenant real estate and any improvements thereon, which are owned by the Unit Owners in the horizontal property regime project in undivided prorata interests ("Common Elements").

(ii) Use hazard insurance proceeds for losses to any horizontal property regime property (whether to individual Units or Common Elements) for other than the repair, replacement, or reconstructions of such improvements, except as provided by T.C.A. 64-2718 in case of substantial loss to the Units and/or Common Elements to the horizontal property regime project.

(d) First mortgagees shall have the right to examine the books and records of the Association and/or the horizontal property regime project.

(e) An adequate reserve fund for the replacement of Common Elements will be established and funded by regular monthly payments rather than by special assessments.

(f) As set forth in T.C.A. 64-2720, all taxes, assessments and charges which may become liens prior to the first mortgage under the laws of the State of Tennessee shall relate only to the individual horizontal property regime Unit and not to the horizontal property regime project as a whole.

(g) No Unit Owner, or any other party shall have priority over any rights of the first mortgagees of horizontal property regime Units pursuant to their mortgages in the case of a distribution to horizontal property regime Unit Owners of insurance proceeds or condemnation awards for losses to or a taking of horizontal property regime Units and/or Common Elements.

(h) Any agreement for professional management of the horizontal property regime project, whether it be by the Developer, its successors and assigns, or any other person or entity, may be terminated on ninety (90) days written notice and the terms of any such contract shall so provide and shall not be of a duration in excess of three (3) years.

(i) The Association shall give to the Federal Home Loan Mortgage Corp. or any lending institution servicing such mortgages as are acquired by the Federal Home Loan Mortgage Corp., notice in writing of any loss to or the taking of, the Common Elements of the horizontal property regime project if such loss or taking exceeds Five Hundred Dollars ($500). The Association may rely upon the information contained in the book entitled "Mortgages of Units" as must be established pursuant to the By-Laws, for a list of mortgagees to be notified hereby.

(j) The interest of a first mortgagee in a mortgaged Unit shall be superior to the interests of any other person, group, partnership, corporation or entity of any kind, including any interest the Board, the Developer or any Unit Owner may have in any portion of the premises, regardless of the nature of the interest or the manner in which it is acquired.

(k) Notwithstanding the above, any first mortgagee shall have all of the rights granted to a first mortgagee herein, and in addition shall have all of the rights granted to an institutional first mortgagee under its Deed of Trust, and under the Laws of the State of Tennessee.

29. Perpetual Easement. Said Special Meetings shall be called by delivering written notice to all Unit Owners not less than twelve (12) days prior to the date of said meeting, stating the date, time and place of said Special Meeting and the matters to be considered.

SECTION 5. Delivery of Notice of Meetings. Notices of meetings may be delivered either personally or by mail to a Unit Owner at the address given to the Board by said Unit Owner for such purpose, or to the Unit Owner's Unit, if no address for such purpose has been given to the Board.

SECTION 6. Voting. The aggregate number of votes for all Unit Owners shall be one hundred (100) and each Unit Owner's vote shall be equal to his respective percentage of ownership interest in the Common Elements as designated on the Plat. If

any Unit Owner consists of more than one person, the voting rights of such Unit Owner shall not be divided but shall be exercised as if the Unit Owner consisted of only one person in accordance with the proxy or other designation made by the persons constituting such Unit Owner. The Developer may exercise the voting rights with respect to Units owned by it.

No Unit Owner who is in default in the payment of his assessments hereunder shall be entitled to exercise his right to vote hereunder until he has cured such default. A Unit Owner shall be deemed to be in default if he has not paid his assessments to the Board, or their agent, within fifteen (15) days after receipt of notice of assessment. A Unit Owner may protest the amount of the assessment, but it still must be paid during the pendency of the protest to the Board.

SECTION 7. Quorum. A quorum of Unit Owners for any meeting shall be constituted by Unit Owners represented in person or by proxy and holding a majority of the votes entitled to be cast at such meeting.

ARTICLE II

The Board of Directors of the Association (referred to in the Horizontal Property Act of the State of Tennessee as the "board of administrators," and sometimes referred to herein as the "Board") shall consist of three (3) members (hereinafter referred to as "directors"). Directors shall be elected at the regular annual meeting of Association members by the vote of Unit Owners, except that the first directors (hereinafter called "members of the First Board") shall be appointed by the Developer. Those candidates for election as director receiving the greatest number of votes cast either in person or by proxy at the meeting shall be elected. Every director, except for members of the First Board, shall hold office for the term of two (2) years and until his successor shall be elected and qualified. One (1) member of the First Board shall hold office until the first regular annual meeting of Association members, one (1) other member of the First Board shall hold office until the second regular annual meeting of Association members, and the third member of the First Board shall hold office until the third regular annual meeting of Association members.

If a Director shall cease to meet such qualifications during his term, he shall thereupon cease to be a director and his place on the Board shall be deemed vacant.

SECTION 3. Vacancies. Any vacancy occurring in the Board shall be filled by majority vote of the remaining members thereof, except that a vacant position on the Board which was last filled by a member of the First Board may be filled by a person appointed by the Developer. Special Meetings of the Board shall be held upon a call by the President or by a majority of the Board on not less than forty-eight (48) hours notice in writing to each director, delivered personally or by mail or telegram. Any director may waive notice of a meeting, or consent

to the holding of a meeting without notice, or consent to any action proposed to be taken by the Board without a meeting. A director's attendance at a meeting shall constitute his waiver of notice of said meeting.

SECTION 5. Removal. Any director may be removed from office for cause by the vote of two-thirds (2/3) of the total undivided ownership of the Common Elements.

SECTION 6. Compensation. Directors shall receive no compensation for their services as directors, unless expressly provided for in resolutions duly adopted by the Unit Owners.

(d) to formulate policies for the administration, management and operation of the Property and the Common Elements thereof;

(e) to adopt rules and regulations, with written notice thereof to all Unit Owners, governing the administration, management, operation and use of the Property and the Common Elements, and to amend such rules and regulations from time to time;

(g) to provide for the designation, hiring and removal of employees and other personnel, including accountants and attorneys, and to engage or contract for the services of others, and to make purchases for the maintenance, repair, replacement, administration, management and operation of the Property and the Common Elements, and to delegate any such powers to the Managing Agent (and any such employees or other personnel who may be the employees of a Managing Agent);

(h) to appoint committees of the Board and to delegate to such committees the Board's authority to carry out certain duties of the Board;

(i) to determine the fiscal year of the Association and to change said fiscal year from time to time as the Board deems advisable;

(j) to estimate the amount of the annual budget, and to provide the manner of assessing and collecting from the Unit Owners their respective shares of such estimated expenses, as hereinafter provided;

(m) to exercise all other powers and duties of the board of managers or Unit Owners as a group referred to in the Horizontal Property Act of the State of Tennessee, and all powers and duties of a board of managers or a board of directors referred to in the Master Deed or these By-Laws.

SECTION 9. Non-Delegation. Nothing in this Article or elsewhere in these By-Laws shall be considered to grant to the Board, the Association or to the officers of the Association any powers or duties which, by law, have been delegated to the Unit Owners.

ARTICLE III

Officers

SECTION 1. Designation. At each regular annual meeting, the directors present at said meeting shall elect the following officers of the Association by a majority vote:

(a) a President, who shall be a director and who shall preside over the meetings of the Board and of the Unit Owners, and who shall be the chief executive officer of the Association;

(b) a Secretary, who shall keep the minutes of all meetings of the Board and of the Unit Owners, and who shall, in general, perform all the duties incident to the office of Secretary, and who may be a representative of the Managing Agent;

(c) a Treasurer, who shall be responsible for financial records and books of account and the manner in which such records and books are kept and reported; the office of Secretary and Treasurer may be held by one person;

(d) such additional officers as the Board shall see fit to elect.

SECTION 2. Powers. The respective officers shall have the general powers usually vested in such officers; provided that the Board may delegate any specific powers to any other officer or impose such limitations or restrictions upon the powers of any officer as the Board may see fit.

SECTION 3. Term of Office. Each officer shall hold office for the term of one (1) year and until his successor shall have been appointed or elected and qualified.

SECTION 4. Vacancies. Vacancies in any office shall be filled by the Board by a majority vote of the remaining members thereof at a Special Meeting of said Board. Any director so elected to fill a vacancy shall hold office for a term equal to the unexpired term of the officer he succeeds. Any officer may be removed for cause at any time by vote of two-thirds (2/3) of the total membership of the Board at a Special Meeting thereof.

SECTION 5. Compensation. The officers shall receive no compensation for their services as officers, unless expressly provided for in a resolution duly adopted by the Unit Owners.

ARTICLE IV

Assessments

SECTION 1. Annual Budget. The Board shall cause to be prepared an estimated annual budget for each fiscal year of the Association. Such budget shall take into account the estimated common expenses and cash requirements for the year including but not limited to salaries, wages, payroll taxes, legal and accounting fees, working capital fund, supplies, materials, parts, services, maintenance, repairs, replacements, landscaping, insurance, fuel, power, and all other common expenses. To the extent that the assessments and other cash income collected from the Unit Owners during the preceding year shall be more or less than the expenditures for such preceding year, the surplus or deficit, as the case may be, shall also be taken into account. The annual budget shall also take into account the estimated net available cash income for the year from the lease, operation or use of the Common Elements. The annual budget shall provide for a reserve for contingencies for the year and a reserve for replacements, in reasonable amounts as determined by the Board.

SECTION 2. Assessments. The estimated annual budget for each fiscal year shall be approved by the Board, and copies thereof shall be furnished by the Board to each Unit Owner, not later than thirty (30) days prior to the beginning of such year. On or before the first day of the first month and of each succeeding month of the year covered by the annual budget, each Unit Owner shall pay, as his respective monthly assessment for the common expenses, one-twelfth (1/12) of his proportionate share of the common expenses for such year as shown by the annual budget. Such proportionate share for each Unit Owner shall be in accordance with his respective ownership interest in the Common Elements. The Board may determine different allocations with respect to a part of such charges whenever it appears to the Board that such an allocation would be unfair. The allocations shall be applied uniformly to all Owners of like situations. The allocation of the Board shall be final and binding upon all parties. In the event that the Board shall not approve an estimated annual budget or shall fail to determine new monthly assessments for any year, or shall be delayed in doing so, each Unit Owner shall continue to pay each month the amount of his respective monthly assessment as last determined. Each Unit Owner shall pay his monthly assessment on or before the first day of each month to the Managing Agent or as may be otherwise directed by the Board. No Unit Owner shall be relieved of his obligation to pay his assessment by abandoning or not using his Unit, the Common Elements, or the Limited Common Elements.

SECTION 3. Partial Year or Month. For the first fiscal year, the annual budget shall be as approved by the First Board. If such first fiscal year, or any succeeding fiscal year, shall be less than a full year, then the monthly assessments for each Unit Owner shall be proportionate to the number of months and days in such period covered by such budget. Commencing with the date of occupancy of his Unit, each Unit Owner, shall pay his assessment for the following month or fraction of a month, which assessment shall be in proportion to his respective ownership interest in the Common Elements and the number of months and days remaining of the period covered by the current annual budget, and which assessment shall be as computed by the Board.

SECTION 4. Annual Report. Within forty-five (45) days after the end of each fiscal year covered by an annual budget, or as soon thereafter as shall be practicable, the Board shall cause to be furnished to each Unit Owner a statement for such year so ended, showing the receipts and expenditures and such other information as the Board may deem desirable.

SECTION 5. Supplemental Budget. In the event that during the course of any year, it shall appear to the Board that the monthly assessments, determined in accordance with the estimated annual budget for such year, are insufficient or inadequate to cover the estimated common expenses and limited common expenses for the remainder of such year, then the Board shall prepare and approve a supplemental budget covering the estimated deficiency for the remainder of such year, copies of which supplemental budget shall be furnished to each Unit Owner, and thereupon a supplemental assessment shall be made to each Unit Owner for his proportionate share of such supplemental budget.

SECTION 6. Expenditures. Except for expenditures and contracts specifically authorized by the Master Deed and By-Laws, the Board shall not approve any expenditure in excess of Five Thousand Dollars ($5,000.00) unless required for emergency repair, protection or operation of the Common Elements or Limited Common Elements, nor enter into any contract for more than three (3) years without a ninety (90) day cancellation clause without the prior approval of two-thirds (2/3) of the total ownership of the Common Elements, and without securing consents of mortgagees, if necessary.

SECTION 7. Lien. It shall be the duty of every Unit Owner to pay his proportionate share of the common expenses and limited common expenses, as provided in the Master Deed, and as assessed in the manner herein provided.

If any Unit Owner shall fail or refuse to make any such payment of the common expenses or limited common expenses when due, the amount thereof together with the interest thereon at the rate of 12% per annum or such greater percentage as may then be permitted under the laws of the State of Tennessee after said common expenses become due and payable, shall constitute a lien, as provided in the Act, enforceable by the Board, on the interest of such Unit Owner in the Property, provided, however, that such lien shall be subordinate to the lien of a recorded first mortgage or deed of trust on the interest of such Unit Owner, except for the amount of the proportionate share of common expenses and limited common expenses which are due and payable from and after the date on which such mortgage owner or holder either takes possession of the Unit, accepts a conveyance of any interest therein (other than as security), or files suit to foreclose its mortgage or deed of trust. The provisions of this paragraph of this Section 7 shall not be amended, changed, modified or rescinded in any way without the prior written consent of all such lien holders of record.

The Association or its successors and assigns, or the Board or its agents, shall have the right to enforce the lien as provided in Paragraph 9(b) of the Master Deed or to maintain a suit to foreclose any such lien, and there shall be added to the amount due the costs of said suit and other fees and expenses, together with legal interest and reasonable attorneys' fees to be fixed by the Court. Furthermore, if any Unit Owner shall fail or refuse to pay when due his proportionate share of the common expenses or limited common expenses and such Unit Owner withholds possession of his Unit after demand by the Board or the Association in writing setting forth the amount claimed, the Board or the Association shall have the right to possession of such Unit or halt or inhibit the use of drives, walks and utility services by such defaulting Unit Owner or Occupant. The Board or the Association shall have the authority to exercise and enforce any and all rights and remedies as provided for in the Horizontal Property Act, the Master Deed or these By-Laws, or as are otherwise available at law or in equity, for the collection of all unpaid assessments.

SECTION 8. Records and Statement of Account. The Board shall cause to be kept detailed and accurate records in chronological order of the receipts and expenditures affecting the Common Elements and Limited Common Elements, specifying and itemizing the common expenses and limited common expenses incurred. Payment vouchers may be approved in such manner as the Board may determine.

The Board shall, upon receipt of ten (10) days written notice to it or the Association and upon payment of a reasonable fee, furnish to any Unit Owner a statement of his account setting forth the amount of any unpaid assessments or other charges due and owing from such Owner.

SECTION 9. Discharge of Liens. The Board may cause the Association to discharge any mechanic's lien or other encumbrance which in the opinion of the Board may constitute a lien against the Property or the Common Elements, rather than a lien against only a particular Unit Ownership. When less than all the Unit Owners are responsible for the existence of any such lien, the Unit Owners responsible shall be jointly and severally liable for the amount necessary to discharge the same and for all costs and expenses, including attorneys' fees, incurred by reason of such lien.

SECTION 10. Holding of Funds. All funds collected hereunder shall be held and expended for the purposes designated herein, and (except for such special assessments as may be levied hereunder against less than all the Unit Owners and for such adjustments as may be required to reflect delinquent or prepaid assessments) shall be deemed to be held for the benefit, use and account of all the Unit Owners in the percentages of the Unit Owners as from time to time existing.

ARTICLE V

B. radio transmitters, or other equipment, fixtures or items of any kind, without the prior written permission of the Board. SECTION 2. Animals. No animals shall be raised, bred or kept in any Unit, except for dogs, household cats and small birds owned as household pets by a Unit Owner, provided that said pet is not kept for any commercial purpose, and provided that said pet shall be kept in strict accordance with the administrative rules and regulations relating to household pets from time to time adopted or approved by the Board, and provided that said pet shall not in the judgment of the Board constitute a nuisance to others.

SECTION 1. General. The Association shall indemnify and hold harmless each of its directors and officers, each member of any committee appointed pursuant to the By-Laws of the Association, and the Board and Developer, against all contractual and other liabilities to others arising out of contracts made by or other acts of such directors, Board, officers, committee members or Developer, on behalf of the Unit Owners, or arising out of their status as directors, Board, officers, committee members or Developer, unless any such contract or act shall have been made fraudulently or with gross negligence or criminal intent.
