AFFIDAVIT OF HEIRSHIP
MAUDE L. VOORHIES BISSON

STATE OF TENNESSEE)

COUNTY OF DAVIDSON)

BOOK 5852 PAGE 89

The undersigned affiant makes oath that she is the daughter of Laura Voorhies who died intestate on September 26, 1954 and George W. Voorhies, Sr. who died intestate on December 24, 1961. Affiant further makes oath that her other brothers and sisters, being all of the heirs of George W. Voorhies, Sr., are as follows: Mary Agnes Voorhies Butler (Mrs. H. P. Butler), George W. Voorhies, Jr., Susie Voorhies Roberts (Mrs. Albert Roberts), Dr. McKinley Voorhies, and Grace Voorhies Hunt (Mrs. William Bradley Hunt). George W. Voorhies, Jr. died October 22, 1979, and his Will has been submitted for probate in the County of Ingham, Michigan. His Will names his widow, Willie Mae Voorhies, as his sole heir, except that his son who is institutionalized is named as beneficiary of one dollar ($1.00).

The survey attached here as Exhibit A, is that of the George W. Voorhies, Sr. tract in Davidson County and Williamson County, Tennessee, town of Brentwood, containing approximately seven or eight acres there shown as 7.78 acres $\pm$ and the metes and bounds as shown on the attached survey from the southern boundary to the boundary noted "apparent northerly limit of in use property of George Voorhies heirs property" is as I have always known the property to be and covers an area I have always known belonged to my father. I believe that the 2.14 acre tract and .59 acre tract of land was purchased by my father from W. W. Paige in exchange for cords of firewood. I believe that my father received a paper writing purporting to transfer this property to him but that this writing was not recorded. The Mapping Division of the Tax Assessor's Office of the Metropolitan Government has shown Parcel 19 on Map 171, since January 20, 1964 which is the date on which the Davidson County maps were matched with Williamson County maps.

My agent further advises that Ms. Joann Hicks, an employee in the Metropolitan Tax Assessor's office of Davidson County, Tennessee advised the Map 171, Parcel 19 property is shown on Davidson County records as owned by George Voorhies. Their records indicate George Voorhies has owned the property since 1899. Their records indicate the original portion of this tract was purchased by George Voorhies in 1899 and another portion was purchased thereafter.

My agent further advises the point indicated by the iron pin in the east boundary line of the 2.14 acre tract shown on said survey being S 5°57'46" W, 89.27

feet from the Northeast corner of the entire tract is the point of reference shown by the Metropolitan Tax Assessor's office as being the Northwest corner of a tract belonging to Lewis D. Pride, Trustee, by deed of record in Book 4705, page 338, Register's Office of Davidson County and thus clearly indicating that the limits of the "in use" portion of George S. Voorhies, Sr. property is accurately shown on this survey.

Both of the graveyards shown on this survey have always been considered located on property which belonged to my father, George W. Voorhies, Sr. ever since I can remember. I have personally paid the taxes on all of this property including taxes to the city of Brentwood, Williamson County, and Davidson County. When the Highway Department of the State of Tennessee acquired the right-of-way for the interstate highway (I-65), I participated in those negotiations and assisted them in understanding the limits in bounds of the property. I received compensation as did the other heirs for property taken in the area shown on the attached survey. I have never known of any outstanding adverse claims against the property identified on this survey within the specific 7.78 acre tract.

Affiant further makes oath that the property as surveyed and noted "in use" is the property owned by my father, George W. Voorhies, Sr., at his death, on December 24, 1961, and that the property was in use at the time of his death and my father and subsequently his heirs have paid taxes on all this property (7.78± acres) since before 1925 W.F.U.B., I have personally undertaken to pay or seen that all the taxes on all of this property including taxes to the city of Brentwood, Williamson County, and Davidson County were paid since my father's death in 1961.

Witness this 10 day of February, 1982.
