And now, for the purpose of better and more effectually securing the payment of said lien indebtedness, rendering unnecessary court proceedings for the enforcement of said lien in the event of the non-payment of said indebtedness and all installments thereof as they mature and the performance of all covenants herein provided, and for the consideration of One Dollar paid in cash, the receipt of which is acknowledged, Stephen C. Hunt and wife, Barbara Hunt, (GRANTEES) hereby transfer and convey unto Richard D. Bird, Trustee, his successors and assigns, the said real estate in Davidson County, Tennessee hereinbefore described, with the appurtenances, estate, title and interest thereunto belonging upon the following uses and trusts:

1. Payment of Debt. GRANTEES shall promptly pay the indebtedness secured hereby and comply fully with the terms of said promissory note and this Installment Deed.

2. Payment of Taxes and Assessments. GRANTEES shall pay all taxes and assessments of any kind that have been or may be hereafter levied or assessed against the property, the said note, or upon the interest of TRUSTEE and GRANTORS in the property, when due and before delinquent. GRANTEES shall procure and deliver to GRANTORS the official receipt of the collecting official showing timely payment of all such taxes and assessments. GRANTEES will not be required to pay such taxes or special assessments if the amount, applicability or validity thereof shall currently be contested in good faith by appropriate proceedings and further, that arrangements satisfactory to GRANTORS have been made to secure payment upon the exhaustion of remedies and relief sought.

3. Other Liens. GRANTEES shall keep the property free from all liens of any kind which may in any way impair the security of this instrument, including, but not limited to, liens for labor performed and materials furnished, levies, charges, fines and taxes by any governmental authority, and all charges made by utility companies for utilities and services to the premises.

4. Insurance. GRANTEES shall keep the improvements now existing or hereafter erected on the premises insured against losses and damages covered by a standard fire insurance company with extended coverages including vandalism and malicious mischief in the amount equal to the insurable value of the property. All insurance shall be underwritten by reputable insurance companies in good standing, licensed and qualified to do business in the State of Tennessee. GRANTEES shall deliver certified copies of said policies of insurance to GRANTORS, and all such insurance shall contain a standard mortgage endorsement extending the benefit of all coverages to GRANTORS with proceeds for losses payable to GRANTEES and GRANTORS as their interest may appear. All such insurance shall be renewed and evidence thereof furnished to GRANTORS at least twenty (20) days prior to expiration, and in all instances, all policies shall stipulate reasonable notice to GRANTORS before cancellation.

5. Related Documents. The lien of this Installment Deed is to secure the payments due under that certain Installment Deed Note executed by GRANTEES, payable to the order of GRANTORS, of even date herewith and more particularly described hereinabove, and which note shall be a related document to which specific reference is here made and any default or omission in the terms and provisions of said Note shall constitute a default under this instrument.

6. Maintenance of Premises. GRANTEES shall operate and maintain the premises in good condition and repair and will not commit or permit any waste thereon, reasonable wear and tear excepted; and shall comply with all laws, ordinances, rules and regulations by any governmental authority affecting the said premises and the uses thereon.

Further, GRANTEES shall operate and maintain the premises so as not to vitiate or impair the insurance coverages on the improvements.

7. Condemnation. GRANTEES shall promptly notify GRANTORS of the institution of any proceedings of any nature under the rights of eminent domain affecting the premises secured hereby, or any part thereof, and any condemnation monies awarded GRANTEES or received as a result of such proceedings are hereby assigned and shall be paid to GRANTORS to be applied toward the balance of sums secured by this instrument. GRANTORS shall have a lien on any money, judgment or award given or made to or in favor of GRANTEES as a result of any such condemnation proceedings, whether the same may be the subject of court proceedings or not.

A waiver by GRANTORS of any of their rights hereunder, whether allowing the GRANTEES to use a portion of the proceeds for restoration or modification of the premises as may be required as a result of such proceedings or otherwise, shall not be construed as a waiver of any right or interest of beneficiary in a subsequent proceeding.

If GRANTORS or TRUSTEE be made a party to such proceedings, TRUSTEE and GRANTORS shall have the right to defend the same in the same manner as the GRANTEES, and all expenses reasonably incurred in connection therewith shall be an additional lien on the premises and shall be secured by this Installment Deed.

8. Bankruptcy or Insolvency. If proceedings be instituted by or against GRANTEES under any bankruptcy or insolvency law, or any other law for the benefit of creditors, or should title or possession of the said premises pass to any receiver, trustee, or assignee for the benefit of creditors, the entire indebtedness secured hereby shall, without notice, become immediately due and payable at the option of the GRANTORS.

9. Priority of Lien. It is understood and agreed that the lien of this Installment Deed shall have priority at all times over any and all mechanics', furnishers' and materialmen's liens, and GRANTORS or the holder of the note secured hereby, do not consent to any contract for labor or materials within the applicable provisions of Tennessee Code Annotated relating to such liens. No contract for labor or materials shall be let by GRANTEES except with the expressed stipulation that the mechanics' and materialmen's liens shall at all times be subordinated to the lien of this Installment Deed.

10. Granting of Easements, etc. GRANTEES shall not grant any easements, party wall rights, additional rights of ingress and egress in, to or upon the premises without the prior approval of GRANTORS, which approval will not be unreasonably or arbitrarily withheld.

11. Additional Documents. GRANTEES agree that they will not unreasonably withhold their consent to modification of this Installment Deed or the execution of additional documents as may be reasonably requested from time to time by GRANTORS.

12. Due on Sale. GRANTEES shall not convey nor enter into any contract to convey title to all or any part of the real property without the prior written consent of GRANTORS. A conveyance or a contract to convey without the prior written consent of GRANTORS shall constitute a default under the terms of this Installment Deed entitling GRANTORS to declare the entire indebtedness immediately due and payable at GRANTORS' option.

13. Right to Inspect Premises. GRANTEES agree that GRANTORS, their attorneys and representatives, shall have the continuing right during the terms of this trust, during regular business hours, to enter upon and inspect the premises, which right of inspection shall not be used unreasonably.

14. Right of GRANTORS To Cure Defaults. In the event of any default hereunder, in addition to all other rights and remedies available to GRANTORS, GRANTORS may, but are not obligated to, make any payments or perform any acts herein required of GRANTORS in any form and manner deemed expedient and may, but are not required, to make full or partial payment of any taxes, liens, assessments, insurance premiums, fees and permits, lease payments and obligations of any other kind or nature not timely performed by GRANTEES. All such monies paid for any of the purposes herein authorized, and all expenses paid or accrued in connection therewith, including reasonable attorneys fees, and all other monies advanced by GRANTORS to protect the premises and the security of the lien of this Installment Deed, shall be additional indebtedness secured hereby, and such amounts shall become immediately due and payable without notice and will bear interest at the highest legal rate allowable under the laws of the State of Tennessee. Inaction by GRANTOR to cure any default or make any such payments shall not in any instance be considered a waiver of any right accruing to them on account of any default on the part of the GRANTEES.

15. Applicable Law. This agreement has been delivered in the State of Tennessee and shall in all parts and for all purposes be construed according to the laws of the State of Tennessee.

16. Performance by GRANTEES. If GRANTEES shall well and truly perform all of the terms, conditions and provisions of this Installment Deed and the related documents, and shall pay the note secured hereby and interest according to its terms, and pay any and all other sums becoming the obligation of GRANTEES under this and the related documents, then this conveyance shall be released upon the satsifactory performance and payment of the indebtedness at the cost and upon the request of GRANTEES.

17. Default. If, however, there shall be a default under this Installment Deed or under the Installment Deed Note secured hereby, and such defaults are not timely cured, all sums owing by GRANTEES to GRANTORS under this Installment Deed and the note secured hereby, shall immediately, without further notice to GRANTEES, become due and payable at the option of GRANTORS, and the TRUSTEE is hereby empowered and authorized upon advertising for twenty (20) days by three (3) weekly notices in a newspaper published in Davidson County, Tennessee, or otherwise as provided by law, sell the property at public outcry at the time, place and upon terms so noticed to the highest and best bidder and in bar of all equities of redemption, homestead, dower, courtesy, and all other exemptions of every kind, all of which are hereby expressly waived by GRANTEES. Any person, including GRANTORS, theirs assigns and distributees, may purchase at such sale.

Upon default, TRUSTEE shall be entitled to occupy the premises and have possession of the property and any rights of occupancy and continued possession by GRANTEES shall be at the sufferance of TRUSTEE, and upon assertion by TRUSTEE of his right of possession, GRANTEES shall peaceably surrender same. TRUSTEE may, at any time after default, enter and take possession of the property, but in the event TRUSTEE fails to do so, the purchaser at the TRUSTEE'S sale shall be entitled to immediate possession of the premises and of the property upon the delivery of TRUSTEE'S deed to purchaser.

18. Redemption. GRANTEES do hereby expressly waive and relinquish all rights and benefits under any statute or law now or hereafter in force providing for the redemption of land sold under deeds of trust, security agreements, and mortgages.

19. Duties of TRUSTEE. Upon taking possession of the premises and property, TRUSTEE shall be obligated only to account for the net rents, proceeds, and accounts actually received by him.

The proceeds of any sale shall be applied to the TRUSTEE as follows:

(a) to the payment of all costs, charges, and expenses of executing this trust and enforcing the lien as herein provided, including reasonable attorneys fees for advice in the premises;

(b) the cost of instituting or defending any litigation which may arise on account of the execution of powers and duties under this conveyance;

(c) the cost of insurance and all other expenses and charges reasonably incident and necessary for the protection and preservation of the property;

(d) cost of effecting the sale and reasonable compensation to the TRUSTEE;

(e) to the payment of all taxes, liens, and charges which may be unpaid upon the premises;

(f) to the payment of the indebtedness secured hereby including all accrued interest thereon and any additional sums owing to the GRANTORS pursuant to this Installment Deed and related documents;

(g) the residue, if any, shall be paid to GRANTEES, their order, successors or assigns.

20. Substitute TRUSTEE. The death, disability or failure to act by the TRUSTEE shall in no way limit or adversely affect the rights and interest of GRANTORS under the terms of this Installment Deed. The GRANTORS, their assigns, distributees or the holders of the Installment Deed Note secured hereby, or any of them having a majority in interest therein, may at any time and without notice to GRANTEES or TRUSTEE, replace the TRUSTEE named herein and appoint his successor by an instrument in writing recorded in the Register's office for Davidson County, Tennessee. The appointment of the substitute TRUSTEE shall be effective upon recording in the Register's office and such shall, unless specifically limited therein, confer upon the TRUSTEE so named, all of the rights, titles and powers granted herein and shall be subject to all of the same obligations and duties as if he were the original TRUSTEE.

21. Waiver of Bond. All parties in interest hereby waive the necessity of the TRUSTEE making oath, filing inventory, or giving bond as security for the execution of this trust.

22. Severability of Provisions. It is agreed that all paragraphs and provisions of this Installment Deed are severable and that if any part hereof shall be deemed illegal or unenforceable, such shall not affect or diminish all of the terms, provisions and agreements herein.
