Said Limited Common Elements shall include, but shall not be limited to the separate furnace, air conditioner and water heater located within or adjacent to a Unit and serving only such Unit, pipes, ducts, electrical wiring and conduits located entirely within a Unit and serving only such Unit, the walls, both exterior and interior, surrounding each Unit, including all beams, joists, floors, roofs, walls, foundations, and all patios and porches. Each Unit is numbered as shown on the Plat, and the boundaries of each Unit shall be and are the interior surfaces of its perimeter

walls, floor and ceilings and a Unit includes both the portion of the Buildings so described and the air space so encompassed, excepting Common Elements. Any Unit may be jointly or commonly owned by more than one person. It is intended that the term "Unit" as used in this Master Deed shall have the same meaning as the term "Apartment" as used in the Act.

(r) "Unit Owner" means the person or persons whose estates or interests, individually or collectively, aggregate fee simple ownership of a Unit and of the undivided interest in the common Elements appurtenant thereto and shall be deemed the same as a "co-owner" under the Act. Unless specifically provided otherwise herein, the Developer shall be deemed a Unit Owner so long as he is the legal title holder of any Unit.

2. Submission of Property to the Act. The Developer, as the legal title holder in fee simple of the Parcel, expressly intends to, and by recording this Master Deed does hereby submit and subject the Parcel and the Property to the provisions of the Horizontal Property Act of the State of Tennessee and hereby establishes a horizontal property regime to be known as Lynnbrook Place.

3. Plat. The Plat sets forth the numbers, areas, locations, and other data, as required by the Act.

4. Units. The legal description of each Unit shall consist of the identifying number or symbol of such Unit as shown on the Plat. Every deed, lease, mortgage, deed of trust or other instrument shall legally describe a Unit by its identifying number or symbol as shown on the Plat and every such description shall be deemed good and sufficient for all purposes, as provided in the Act. Except as provided by the Act, no Unit Owner shall, by deed, plat, court decree or otherwise, subdivide or in any other manner cause his Unit to be separated into any tracts or parcels different from the whole Unit as shown on the Plat.

5. (a) Association of Unit Owners and Administration and Operation of the Property. The Unit Owners will form an association having the name Lynnbrook Place Property Association, which may be a Tennessee non-profit corporation or may be unincorporated as provided in the Act. The Association shall be the governing body for all of the Unit Owners and shall be operated to provide for the maintenance, repair, replacement, administration, operation and care of such portions of the Property as provided in this Master Deed and Bylaws and shall have a function similar to the "council of co-owners" as defined in the Act. The Bylaws for the Association shall be the Bylaws attached to the Master Deed as Exhibit "B" and made a part hereof. The Board of the Association shall be elected and shall serve in accordance with the provisions of the Bylaws. The fiscal year of the Association shall be determined by the Board, and may be changed from time to

time as the Board deems advisable. The Association shall not be deemed to be conducting a business of any kind. All activities undertaken by the Association shall be held and applied by it for the use and benefit of Unit Owners in accordance with the provisions of the Master Deed and Bylaws. Each Unit Owner shall be a member of the Association so long as he is a Unit Owner. A Unit Owner's membership shall automatically terminate when he ceases to be a Unit Owner. Upon the conveyance or transfer of a Unit Owner's ownership interest to a new Unit Owner, the new Unit Owner shall simultaneously succeed to the former Unit Owner's membership in the Association. The aggregate number of votes for all members of the Association shall be eight (8) and shall be divided among the respective Unit Owners with one (1) vote granted to each Unit.

(b) Management of Property. The Board shall have the authority to engage the services of an agent (herein sometimes referred to as the "Managing Agent") or independent contractor to maintain, repair, replace, administer and operate such portions of the Property deemed advisable by the Board, subject to the provisions of subparagraph (c) below. The Board shall require that such Managing Agent have fidelity bond coverage on its employees handling Association funds. The cost of such services shall be a common expense, as defined in paragraph 10 below.

(c) Initial Management Contract. The First Board, appointed as provided herein, shall ratify and approve any Management Agreement or contract between the Developer, on behalf of the Association, and a management corporation or independent contractor to act as Managing Agent or contractor for the Property for a term commencing on or before April 1, 1984, and terminating not more than one (1) year thereafter.

(d) Use by Developer. During the period of sale and/or construction of Units by the Developer, the Developer's agents, employees, contractors and subcontractors, and their respective agents and employees, shall be entitled to access, ingress to and egress from said Buildings and across the Property as may be required for purposes of said sale of Units and construction of the same. While the Developer owns any of the Units and until each Unit sold by him is occupied by the purchasers, the Developer and his employees may use and show one or more of such unsold or unoccupied Units as a model Unit or Units and may use one or more of such unsold or unoccupied Units as a sales office, and may maintain customary signs in connection therewith.

(e) Non-Liability of the Directors, Board, Officers and Developer. Neither the directors, Board, officers of the Association, nor the Developer shall be personally liable

to the Unit Owners for any mistake of judgment or for any other acts or omissions of any nature whatsoever as such directors, Board, officers, or Developer, except for any acts or omissions found by a court to constitute gross negligence or fraud. The Unit Owners shall indemnify and hold harmless each of the directors, Board, officers, or Developer, and their respective heirs, executors, administrators, successors and assigns in accordance with the provisions of Article VIII of the Bylaws.

6. Board's Determination Binding. In the event of any dispute or disagreement between any Unit Owners relating to the Property, or any questions of interpretation or application of the provisions of the Master Deed or Bylaws, the determination thereof by the Board shall be final and binding on each and all such Unit Owners.

7. Ownership of the Common Elements. Each Unit Owner shall be entitled to a percentage of ownership in the Common Elements allocated to the respective Unit owned by such Unit Owner equal to twelve and one-half percent (12 1/2%). Said ownership interest in the Common Elements shall be an undivided interest, and the Common Elements shall be owned by the Unit Owners as tenants in common in accordance with their respective percentages of ownership. The ownership of each Unit shall not be conveyed separate from the percentage of ownership in the Common Elements corresponding to said Unit. The undivided percentage of ownership in the Common Elements corresponding to any Unit shall be deemed conveyed or encumbered with that Unit, even though the legal description in the instrument conveying or encumbering said Unit may refer only to the fee title to that Unit.

8. Use of the Common Elements. Except as hereinafter set forth, each Unit Owner shall have the right to use the Common Elements (except the Limited Common Elements and portions of the Property subject to leases made by or assigned to the Board) in common with all other Unit Owners, as may be required for the purposes of access, ingress to, egress from, use, occupancy and enjoyment of the respective Unit owned by such Unit Owner. Such right to use the Common Elements shall extend to not only each Unit Owner, but also to his agents, servants, tenants, family members, customers, invitees and licensees. However, each Unit Owner shall have the right to the exclusive use and possession of the Limited Common Elements contiguous to and serving such Unit alone or with adjoining Units. The right to use the Common Elements and Limited Common Elements shall be subject to and governed by the provisions of the Act, Master Deed, Bylaws and rules and regulations of the Association. In addition, the Association shall have the authority to lease, grant concessions or grant easements with respect to parts of the Common Elements, subject to the provisions of the Master Deed and Bylaws. All income derived by the

Association from leases, concessions or other sources shall be held and used for the benefit of the members of the Association, pursuant to such rules, resolutions or regulations as the Board may adopt or prescribe.

9. Parking Spaces. Parking spaces within the Parcel shall be part of the Common Elements, and shall be used by such Unit Owners in such manner and subject to such rules and regulations as the Board may prescribe.

10. (a) Common Expenses. Each Unit Owner shall pay his proportionate share of the expenses of the administration and operation of the Common Elements and of any other expenses incurred in conformance with the Master Deed and Bylaws (which expenses are herein sometimes referred to as "common expenses"), including, but not limited to, the maintenance and repair thereof and any and all replacements and additions thereto. Developer shall not be required to expend from his own funds any sums of money for maintenance, replacements, or any other expenses of the administration of the Common Elements. Any sums so expended by Developer shall be credited against any proportionate share of the common expenses owed by Developer after commencement of payment of the Unit Owner's respective proportionate share of the common expense. The Board shall determine when such payments shall begin. The proportionate share of the common expenses for each Unit Owner shall be twelve and one-half percent (12 1/2%). Payment of common expenses shall be in such amounts and at such times as determined in the manner provided in the Bylaws. No Unit Owner shall be exempt from payment of his proportionate share of the common expenses by waiver or non-use or enjoyment of the Common Elements or Limited Common Elements, or by abandonment of his Unit. If any Unit Owner shall fail or refuse to make any such payment of the common expenses when due, the amount thereof, together with interest thereon at the rate of ten percent (10%) per annum, or such greater percentage as may then be permitted under the laws of the State of Tennessee, after said common expenses become due and payable, shall constitute a lien on the interest of such Unit Owner in the Property as provided in the Act.

(b) Enforcement of Lien. For and in consideration of the privileges, protections, mutual enjoyment and use of the Common Elements and the premises contained herein, the receipt of securing the payment of said lien indebtedness; rendering unnecessary court proceedings for the enforcement of said lien in the event of the non-payment of said indebtedness and payments thereof, as they become due, and for the consideration of One Dollar ($1.00) paid in cash, receipt of which is acknowledged, the said Unit Owners, their heirs, administrators, and assigns, hereinafter referred to as trustors, hereby transfer and

convey unto Ervin M. Entrekin, Trustee, his successors and assigns, the real estate described above in this Mater Deed, with the appurtenances, estate, title and interest thereto belonging unto the following uses and trusts:

Trustors agree to pay their prorata share of common expenses when due and further agree to pay all taxes and assessments thereon, general or special, and to pay them when due, and, upon demand of said trustee or the lawful owner and holder of said indebtedness, to pay, discharge or remove any and all liens (except a first mortgage or deed of trust) which may be hereafter placed against the property and which shall adversely affect the lien of this instrument or enforcement of the terms and provisions hereof; to keep the improvements on said property in good repair and preservation, and in case the trustee or his successors or the lawful owner and holder of said indebtedness shall hereafter be required to appear in any court or tribunal to enforce, or defend the title to, or possession of, said property, or the lien of this instrument, or appear in any court to prove the above indebtedness, all the costs and expenses of such appearance or proceedings, together with a reasonable attorney's fee, shall be allowed, and be payable by trustors upon demand of the trustee or lawful owner or holder of said indebtedness, and, upon failure to do any of these things, then said trustee, or the lawful owner and holder of said indebtedness may do any or all of these things and the amounts so paid shall bear interest from the date of payment at the highest contract rate permitted by the laws of the State of Tennessee and shall be and become a part of the indebtedness secured hereby.

Now, if trustors shall pay their prorata share of the common expenses aforesaid when due, and pay any and all sums when due, as aforesaid, then this trust conveyance shall be of no further force or effect. But if said indebtedness, or any payment thereof, or interest thereon, is not paid promptly when due, or if, failing to pay said other sums when due, as herein provided, trustors fail to reimburse the trustee, or lawful owner and holder of said indebtedness, within thirty (30) days from date of such payment, this trust conveyance shall remain in full force and effect, and the said trustee, or his successor in trust, is hereby authorized and empowered, upon giving twenty (20) days' notice by three (3) publications in any newspaper, daily or weekly, published in Davidson County, Tennessee, to sell said property at the front door of the courthouse in said County to the highest bidder for cash, at public outcry, free from the equity of redemption, homestead, dower and all other exemptions of every kind, which are hereby expressly waived; and the said trustee, or his successor in trust, is authorized and empowered to execute and deliver a deed to the purchaser. The Association may bid at any sale under this trust conveyance. The Trustee

may, at any time after default in the payment of any of said indebtedness, enter and take possession of said property, and shall only account for the net rents actually received by him. It is further agreed that, in the event the trustee fails, before selling said property as herein provided, to enter and take possession thereof, the purchaser shall be entitled to immediate possession thereof upon the delivery to him by the trustee of a deed for said property. In case of sale hereunder, the proceeds will be applied by the trustee as follows:

1. To the payment of all costs, charges and expenses of excuting this conveyance and enforcing said lien as herein provided; also reasonable attorneys' fees for advice in the premises, or for instituting or defending any litigation which may arise on account of the execution of this conveyance, or the enforcement of said lien; also the expenses of any such litigation.

2. To the payment of all taxes which may be unpaid on said premises.

3. To the payment of all unpaid indebtedness herein secured, and any and all sums expended in the protection of said property, as herein authorized.

4. The residue, if any, will be paid to trustors, their order, representatives or assigns.

In case of the death, absence, inability, or refusal to act of said trustee at any time when action under the foregoing power and trusts may be required or for any other reason, the lawful owner and holder of said lien is hereby authorized and empowered to name and appoint a successor to execute this trust by an instrument in writing to be recorded in the Register's Office of Davidson County, Tennessee, and the title herein conveyed to the above named trustee shall be vested in said successor.

The word "Trustors" when used herein shall apply to parties both singular and plural.

(c) Mortgage and Deed of Trust Protection. The lien for common expenses payable by a Unit Owner shall be subordinate to the lien of a recorded first mortgage or deed of trust on the interest of such Unit Owner, except for the amount of the proportionate share of common expenses which become due and payable from and after the date on which the mortgageee or beneficiary thereunder either takes possession of the Unit encumbered thereby, accepts a conveyance of any interest therein (other than as security) or forecloses its mortgage or deed of trust. This subparagraph (c) shall not be amended, changed, modified or rescinded without the prior written consent of all first mortgagees and beneficiaries of record.

11. Mortgages and Deeds of Trust. Each Unit Owner shall have the right, subject to the provisions herein, to make separate mortgages and deeds of trust for his respective Unit together with his respective ownership interest in the Common Elements. No Unit Owner shall have the right or authority to make or create, or cause to be made or created, from the date hereof, any mortgage, deed of trust or other lien on or affecting the Property or any part thereof, except only to the extent of his own Unit and the respective percentage interest in the Common Elements corresponding thereto.

12. Separate Real Estate Taxes. Real estate taxes shall be separately taxed to each Unit Owner for his Unit and his corresponding percentage of ownership in the Common Elements, as provided in the Act. In the event that such taxes for any year are not separately taxed to each Unit Owner, but rather are taxed on the Property as a whole, then each Unit Owner shall pay his proportionate share thereof in accordance with his respective percentage of ownership interest in the Common Elements, and, in said event, such taxes shall be a common expense.

13. Insurance. Each Unit Owner shall obtain insurance for his Unit and the Limited Common Elements attributable to his Unit against loss or damage by fire, vandalism, malicious mischief and such other hazards as are covered under standard extended coverage provisions for the full insurable replacement cost thereof, and against such other hazards and for such amounts as the Board may deem advisable. Insurable replacement cost shall be deemed the cost of restoring the Common Elements, Units or any part thereof to substantially the same condition in which they existed prior to damage or destruction. Such insurance coverage shall be written in the name of, and the proceeds thereof shall be payable to, each Unit Owner and the holders of deeds of trust on his Unit, if any. The policy of insurance should also contain, if possible, a waiver of subrogation rights by the insuror against individual Unit Owners. The premiums for such insurance shall be an individual expense of each Unit Owner.

In the event of damage to or destruction of any Buildings or Limited Common Elements as a result of fire or other casualty covered by insurance proceeds (unless more than two-thirds (2/3) of any Building or Buildings requires reconstruction), each directly affected Unit Owner shall arrange for the prompt repair and restoration of the damaged portions of such Unit and Limited Common Elements substantially in accordance with the original plans and specifications therefor. Where the insurance indemnity is insufficient to cover the cost of such repairs and restoration, the deficit shall be paid by all Unit Owners directly affected by the damage. In the event of a dispute as to which Unit Owners are

directly affected, the Board shall have the power, in its sole discretion, to determine which Unit Owners are affected.

Reconstruction shall not be compulsory where the whole or more than two-thirds (2/3) of a Building is destroyed or damaged by fire or other casualty, as determined by the Board. In such case, and unless otherwise unanimously agreed upon by the Unit Owners and their mortgagees, the insurance proceeds shall be delivered to the Unit Owners or their mortgagees, as their interests may appear.

The Board shall also have authority to and shall obtain comprehensive public liability insurance, in such amounts as it deems desirable, and workmen's compensation insurance and other liability insurance as it deems desirable, insuring each Unit Owner, mortgagee of record, if any, the Association, its officers, directors, Board and employees, the Developer, and the Managing Agent, if any, from liability in connection with the Common Elements.

Each Unit Owner shall be responsible for obtaining his own insurance on the contents of his own Unit, as well as his additions and improvements thereto, decorations, furnishings and personal property therein, and personal property stored elsewhere on the Property. In addition, in the event a Unit Owner desires to insure against his personal liability and loss or damage by fire or other hazards above and beyond the extent that his liability, loss or damage is covered by the liability insurance and insurance against loss or damage by fire and such other hazards obtained by the Board for all of the Unit Owners as part of the common expenses, as above provided, said Unit Owner may, at his option and expense, obtain additional insurance.

14. Maintenance, Repairs and Replacements. Each Unit Owner, at his own expense, shall furnish and be responsible for all maintenance of, repairs to and replacements within his own Unit and all maintenance of, repairs to and replacements of all Limited Common Elements of such Unit Owner's Unit. The cost of maintenance of, repairs to and replacements within the Common Elements shall be part of the common expenses, subject to the Bylaws, rules and regulations of the Association. To the extent not covered by the Association's insurance, the expenses for the maintenance, repair or replacement of a Unit's water heater, furnace, air conditioner, and heating and air conditioning ducts shall be borne by the owner of the Unit to which such Limited Common Elements are appurtenant. At the reasonable discretion of the Board, the Board may cause to be made maintenance of, repairs to and replacements within any Limited Common Elements which if not made would result in damage to any adjoining Unit or its Limited Common Elements, after first giving the Unit

Owner ten (10) days written notice, unless in the reasonable opinion of the Board such maintenance of, repairs to or replacements must be made to avoid immediate harm to any adjoining Unit or its Limited Common Elements, in which case no notice shall be necessary. The cost of such maintenance, repairs or replacements shall be assessed to the Unit Owner(s) benefited thereby, and such Unit Owner shall pay the cost thereof with his own funds either to the contractors and/or subcontractors performing the work or shall reimburse the Board upon demand, and failure of said Unit Owner to pay for the cost of such work upon demand by the Board shall constitute a violation of this Master Deed by said Owner. The Board shall have all remedies available hereunder and under the Act.

If, due to the act or neglect of a Unit Owner, or of his agent, servant, tenant, family member, invitee, licensee or household pet, damage shall be caused to the Common Elements or to a Unit or Units owned by others, or maintenance, repair or replacement are required which would otherwise be a common expense, then such Unit Owner shall pay for such damage or such maintenance, repair and replacements, as may be determined by the Association, to the extent not covered by the Association's insurance or sufficient proceeds are not collected from the insurance carrier.

The authorized representatives of the Association, Board or of the Managing Agent with approval of the Board shall be entitled to reasonable access to the individual Units, their Limited Common Elements as may be required in connection with the preservation of any individual Unit or its Limited Common Elements in the event of an emergency, or in connection with maintenance of, repairs or replacements within the Common Elements or Limited Common Elements made under the authority of this Master Deed, or to make any alteration required by any governmental authority.

15. Alterations, Additions or Improvements. Except as provided in paragraph 19 herein, no alteration of any Common Elements, or any additions or improvements thereto, shall be made by any Unit Owner without the prior written approval of the Board. The Board may authorize and charge as common expenses alterations, additions and improvements of the Common Elements as provided in the Bylaws. Any Unit Owner may make alterations, additions or improvements within the Unit of the Unit Owner without the prior written approval of the Board, but such Unit Owner shall be responsible for any damage to other Units, the Common Elements, the Property, or any part thereof, resulting from such alterations, additions or improvements.

16. Decorating. Each Unit Owner, at his own expense, shall furnish and be responsible for all decorating within his own Unit as may be required from time to time,

including painting, wall papering, washing, cleaning, paneling, floor covering, draperies, window shades, curtains, lighting and other furnishings and decorating. Each Unit Owner shall be entitled to the exclusive use of the interior surfaces of the walls, floor and ceilings of his Unit, and such Unit Owner shall maintain said interior surfaces in good condition at his sole expense, as may be required from time to time. Said maintenance and use of interior surfaces shall be subject to the rules and regulations of the Association, but each such Unit Owner shall have the right to decorate such interior surfaces from time to time as he may see fit and at his sole expense.

17. Encroachments. If any portions of the Common Elements shall actually encroach upon any Unit, or if any Unit shall actually encroach upon any portions of the Common Elements, or if any Unit shall actually encroach upon another Unit, as the Common Elements and Units are shown by the Plat, there shall be deemed to be mutual easements in favor of the owners of the Common Elements and the respective Unit Owners involved, to the extent of such encroachments, so long as the same shall exist.

18. Use and Occupancy Restrictions. Subject to the provisions of the Bylaws, no part of the Property may be used for purposes other than housing and the relating common purposes for which the Property was designed and as allowed by municipal zoning laws. Each Unit shall be used as a residence or such other use permitted by this Master Deed, and for no other purpose, except that professional and quasi-professional people may use their residence (not in violation of municipal zoning laws) as an ancillary or secondary facility to an office established elsewhere. Provided, further, no ancillary or secondary office use by any Owner will be permitted which includes daily or regular visits to the subject Unit by such Owner's customers and clients. The foregoing restrictions as to residence shall not, however, be construed in such manner as to prohibit a Unit Owner from: (a) maintaining his personal professional library; (b) keeping his personal business or professional records or accounts; or (c) handling his personal business by professional telephone calls or correspondence. Such uses are expressly declared customarily incident to the principal residential use and not in violation of said restrictions or municipal zoning law.

The Common Elements shall be used only by the Unit Owners and their agents, servants, tenants, family members, customers, invitees and licensees for access, ingress to and egress from the respective Units and for such other purposes incidental to use of the Units; provided, however, any areas designed for a specific use shall be used for the purposes approved by the Board. The use, maintenance and operation of the Common Elements shall not be obstructed, damaged or unreasonably interfered with by any Unit Owner, and shall be

subject to any lease, concession or easement, presently in existence or entered into by the Board at some future time, affecting any part or all of said Common Elements.

19. Remedies. In the event of any violation of the provisions of the Act, Master Deed, Bylaws or rules and regulations of the Board or Association by any Unit Owner (either by his own conduct or by the conduct of any other Occupant of his Unit) the Association, or its successors or assigns, or the Board, or its agent, shall have each and all of the rights and remedies which may be provided for in the Act, Master Deed, Bylaws, or said rules and regulations, or which may be available at law or in equity, and may prosecute an action or other proceeding against such defaulting Unit Owner and/or others for enforcement of any lien and the appointment of a receiver for the Unit and ownership interest of such Unit Owner, or for damages or injunction or specific performance, or for judgment for payment of money and collection thereof, or the right to take possession of the Unit and to sell the same as provided in paragraph 10(b) and as provided hereinafter in this paragraph 20, or for any combination of remedies, or for any other relief. All expenses of the board in connection with any such actions or proceedings, including court costs and attorneys' fees and other fees and expenses and all damages, liquidated or otherwise, together with interest thereon at the rate of twelve percent (12%) per annum until paid, shall be charged to and assessed against such defaulting Unit Owner, and shall be added to and deemed part of his respective share of the common expenses, and the Board shall have a lien for all of the same, as well as for nonpayment of his respective share of the common expenses, upon the Unit and ownership interest in the Common Elements of such defaulting Unit Owner and upon all of his additions and improvements thereto and upon all of his personal property in his Unit or located elsewhere on the Property, provided, however, that such lien shall be subordinate to the lien of a recorded first mortgage or deed of trust on the interest of such Unit Owner, except for the amount of the proportionate share of said common expenses which become due and payable from and after the date on which the said mortgage or deed of trust owner or holder either takes possession of the Unit, accepts a conveyance of any interest therein (other than as a security) or files suit to foreclose its mortgage or deed of trust. In the event of any such default by any Unit Owner, the Board and the manager or Managing Agent, if so authorized by the Board, shall have the authority to correct such default, and to do whatever may be necessary for such purpose and all expenses in connection therewith shall be charged to and assessed against such defaulting Unit Owner. Any and all such rights and remedies may be exercised at any time and from time to time, cumulatively or otherwise, by the Board. This paragraph shall not be amended, changed,

modified or rescinded without the prior consent of all holders of record of mortgage and deed of trust liens against Units in the Building.

The violation of any restriction or condition or regulation adopted by the Board or the breach of any covenant or provision herein contained, shall give the Board the right, in addition to any other rights provided for in this Master Deed; (a) to enter (either peaceably or forceably without liability to such Unit Owner for such entry) upon the Unit, or any portion of the Property upon which, or as to which such violation or breach exists and to summarily abate and remove, at the expense of the defaulting Unit Owner, any structure, thing or condition that may exist thereon contrary to the intent and meaning of the provisions hereof, and the Board, or its employees or agents, shall not thereby be deemed guilty in any manner of trespass; or (b) to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any breach; or (c) to take possession (either peaceably or forceably without liability to such Unit Owner for such entry) of such Unit Owner's interest in the property and to maintain an action for possession of such unit in the manner provided by law.

If any Unit Owner (either by his own conduct or by the conduct of any other occupant of his Unit) shall violate the Act, or any of the covenants or restrictions or provisions of this Master Deed or the regulations adopted by the Board, and if such default or violation shall continue for ten (10) days after notice to the Unit Owner in writing from the Board, or shall occur repeatedly during any ten (10) day period after such written notice or request to cure such violation from the Board, then the Board shall have the power to issue to said defaulting Owner a notice in writing terminating the rights of the said defaulting Owner to continue as a Unit Owner and to continue to occupy, use or control his Unit, and thereupon an action in equity may be filed by the Board against said defaulting Owner for a decree of mandatory injunction against such defaulting Owner or Occupant, or in the alternative, for a decree declaring the termination of said defaulting Owner's right to occupy, use or control the Unit owned by him on account of said violation, and ordering that all the right, title and interest of said defaulting Owner in the Property shall be sold (subject to the lien of any existing deed of trust or mortgage) at a judicial sale upon such notice and terms as the court shall determine, except that the court shall enjoin and restrain the said defaulting Owner from reacquiring his interest at such judicial sale. The proceeds of any such judicial sale shall first be paid to discharge court costs, court reporter charges, reasonable attorneys' fees and all other expenses of the proceeding and sale, and all such items shall be taxed against said defaulting Owner in said decree. Any balance of proceeds,

after satisfaction of such charges and any unpaid assessments hereunder or any liens, shall be paid to said defaulting Owner. Upon the confirmation of such sale, the purchaser shall thereupon be entitled to a deed to the Unit and the Unit Owner's corresponding percentage of ownership in the Common Elements, and to immediate possession of the Unit sold and may apply to the court for a writ of assistance for the purpose of acquiring such possession, and it shall be a condition of any such sale, and the decree shall so provide that the purchaser shall take the interest in the Unit Ownership sold subject to this Master Deed.

In addition to the other remedies provided for herein, in the event of a default by a Unit Owner in the payment of such Unit Owner's respective share of the common expenses which default continues for a period of ninety (90) days, the Board shall have the power and authority to place such Unit Owner's name on a list of delinquent Unit Owners, which list may be posted in the clubhouse at a place designated by the Board for notices. In the event a Unit Owner's default continues for a period of one hundred twenty (120) days, the Board shall have the power and authority to sever all utility connections of such Unit, which connections are within the Common Elements. The remedy shall be in addition to all other remedies provided herein.

20. Amendment. The provisions of this Master deed may be changed, modified or rescinded by an instrument in writing, setting forth such change, modification or rescission, signed by Unit Owners owning not less than two-thirds (2/3) of the total Units and acknowledged, provided, however, that all lien holders of record have been notified by certified mail of such change, modification or rescission, and an affidavit by the secretary of the Association certifying to such mailing is made a part of such instrument.

However, if the Act, the Master Deed or the Bylaws require the consent or agreement of all Unit Owners or of all lien holders for any action specified in the Act or in this Master Deed, then any instrument changing, modifying or rescinding any provision of this Master Deed with respect to such action shall be signed by all the Unit Owners or all lien holders or both as required by the Act or this Master Deed. The change, modification or rescission, whether accomplished under the provisions of the preceding paragraph, shall be effective upon recording of such instrument in the office of the Register of Deeds of Davidson County, Tennessee; provided, however, that no provision in this Master Deed may be changed, modified or rescinded so as to conflict with the provisions of the Act.

21. Notices. Notices provided for in the Act, Master Deed or Bylaws shall be in writing, and shall be addressed to the Association or Board, or any Unit Owner, as the case may be, at Post Office Box 15821, Nashville, Tennessee 37215, or at such other address as

hereinafter provided. The Association or Board may designate a different address or addresses for notices to them, respectively, by giving written notice of such change of address to all Unit Owners. Any Unit Owner may designate a different address for notices to him by giving written notice to the Association. Notices addressed as above shall be deemed delivered when mailed by United States registered or certified mail, or when delivered in person with written acknowledgment of the receipt thereof.

Upon written request to the Board, the holder of any recorded mortgage or trust deed encumbering any Unit shall be given a copy of all notices permitted or required by this Master Deed to be given to the Owner or Owners whose Unit is subject to such mortgage or trust deed.

22. Severability. If any provision of the Master Deed or Bylaws, or any section, sentence, clause, phrase, word, or the application thereof in any circumstance, is held invalid, the validity of the remainder of this Master Deed and the Bylaws and of the application of any such provision, section, sentence, clause, phrase or word in any other circumstances shall not be affected thereby and the remainder of this Master Deed or the Bylaws shall be construed as if such invalid part was never included therein.

23. Perpetuities and Restraints on Alienation. If any of the options, privileges, covenants or rights created by this Master Deed shall be unlawful, void or voidable for violation of the rule against perpetuities, then such provision shall continue only until twenty-one (21) years after the death of the survivor of the now living descendants of the President of the United States, Ronald Reagan, and Governor of Tennessee, Lamar Alexander.

24. Rights and Obligations. Each Grantee of the Developer, by the acceptance of a deed of conveyance, accepts the same subject to all restrictions, conditions, covenants, reservations, liens and charges, and the jurisdiction, rights and powers created or reserved by this Master Deed. All future Unit Owners and Occupants shall be subject to and shall comply with the provisions of this Master Deed. Any restrictions or rules in the Bylaws which are more than administrative in nature such as, but not limited to, reservations and future rights of the Developer, are hereby incorporated into and made a part of this Master Deed by reference. All rights, benefits and privileges of every character hereby imposed shall be deemed and taken to be covenants running with the land, and shall bind any person having at any time an interest or estate in said land, and shall inure to the benefit of such grantee in like manner as though the provisions of this Master Deed were recited and stipulated at length in each and every deed of conveyance or contract for conveyance.

All present and future Unit Owners, tenants and Occupants of a Unit shall be subject to, and shall comply with, the provisions of the Bylaws appended hereto and recorded herewith, pursuant to Tennessee Code Annotated, Section 64-2711, as they may be amended from time to time. The acceptance of a deed of conveyance, devise or of a lease to a Unit, or the entering into occupancy of any Unit shall constitute an agreement that the provisions of the said Bylaws and any rules and regulations promulgated thereunder, as they may be amended from time to time, are assumed, accepted and ratified by such Unit Owner, tenant or Occupant, and all of such provisions shall be deemed and taken to be covenants running with the land and shall bind any person having at any time any interest or estate in such Unit, as though such provisions were recited and stipulated at length in each and every deed, conveyance or lease thereof.

The terms and conditions of the Master Deed, Bylaws and rules and regulations may be incorporated by reference in, and become part of, the agreement between any first mortgagee and any present or future Unit Owner who enters into such an agreement with a first mortgagee. When so incorporated, any default in the terms and conditions of the Master Deed, Bylaws and rules and regulations may be considered as a default by the first mortgagee, whereupon said first mortgagee, after exercising its option to declare a default, shall then have all of the rights and privileges arising as a result of a default under its agreement with said Unit Owner.

25. Trustee as Unit Owner. In the event title to any Unit is conveyed to a land title holding trust, under the terms of which all powers of management, operation and control of the Unit remain vested in the trust beneficiary or beneficiaries, then the beneficiaries thereunder shall be considered Unit Owners for all purposes and they shall be responsible for payment of all obligations, liens, or indebtedness and for the performance of all agreements, covenants and undertakings chargeable or created under this Declaration against such Unit. No claim shall be made against any such title holder trustee personally for payment of any lien or obligation hereunder created and the trustee shall not be obligated to sequester funds or trust property to apply in whole or in part against such lien or obligation. The amount of any such lien or obligation shall continue to be a charge or lien upon the Unit and the beneficiaries of such trust, notwithstanding any transfers of the beneficial interest of any such trust or any transfer of title to such Unit.

26. Condemnation. In the event of a taking in condemnation or by eminent domain of a party of the Common Elements, the award made for such taking shall be payable to the Board for and on behalf of the Association and all mortgagees affected. If a

majority of the Board in their discretion, with written consent of a majority of the mortgagees affected, approve the repair and restoration of such Common Elements, the Board shall arrange for the repair and restoration of such Common Elements, and the Board shall disburse the proceeds of such award to the contractors engaged in such repair and restoration in appropriate progress payments. In the event that the Board and the Mortgagees do not approve the repair and commence restoration of such Common Elements within one hundred twenty (120) days after taking by the public or private authority, the Board shall disburse the net proceeds of such award on the basis of such Unit's percentage of ownership in the Common Elements to the Unit Owners and the Mortgagees as their interests may appear.

27. Rights Reserved. The Unit Owner's right of enjoyment in the property commonly owned by the Association as herein created shall be subject to:

(a) The right of the Association, as provided in its Bylaws, to suspend the enjoyment rights of any member for any period during which any assessment remains unpaid, and for such period as it considers appropriate for any infraction of its published rules and regulations.

(b) The right of the Association to charge reasonable fees for the use of the parts of the Common Elements.

(c) The right of the Association to diminish in any way or to dedicate or transfer all or any part of the Common Elements to any public agency or authority for such purposes and subject to such conditions as may be agreed to by the members entitled to vote thereon, provided that no such diminution or dedication or transfer, determination as to the purposes or as to the conditions thereof, shall be effective unless the Developer (his successors or assigns) and members of the Association entitled to cast ninety percent (90%) of the total votes of all classes of members entitled to vote has been recorded, agreeing to such dedication, transfer, purpose or condition.

(d) The right of the Association to grant such easements and rights-of-way to such utility companies or public agencies or authorities as it shall deem necessary for the proper servicing and maintenance of the Common Elements and the individual Units.

(e) The right and obligation of the Association to maintain all roads and paved areas designated for vehicular use and to deal with all governmental departments and agencies which provide utility services to the Property.

28. Federal Home Loan Mortgage Corporation Regulations. Notwithstanding anything to the contrary contained in this Master Deed, or in the Bylaws which are attached

hereto, all terms, conditions, regulations, guidelines and lending guides (collectively referred to as "regulations") which are now existing, or which may be amended from time to time, by the Federal Home Loan Mortgage Corporation pertaining to condominiums are hereby incorporated as terms and conditions of the Master Deed and Bylaws and such shall be governing upon the Property, the Developer, and the Association, so long as such terms or conditions are not inconsistent with the laws of the State of Tennessee as found in Tennessee Code Annotated, Section 64-2701, et. seq., as amended.

Specifically, without limitation upon the foregoing, the following declarations shall be fully effective and controlling over any terms of the Master Deed or Bylaws which are in conflict. Any portions of such Master Deed or Bylaws which are in conflict with this paragraph, or any portion of Federal Home Loan Mortgage Corporation regulations pertaining to condominiums, are hereby deleted and the following rights of mortgagees are itemized as follows:

(a) A first mortgagee under a condominium unit at his request is entitled to written notification from the Association of any default by the mortgagor of such Unit in the performance of such mortgagor's obligations under the Master Deed, Bylaws, or any of the condominium documents, which is not cured within sixty (60) days.

(b) Any first mortgagee of a condominium Unit who comes into possession of the Unit pursuant to the remedies provided in the mortgage, deed of trust, foreclosure of the mortgage or deed of trust, or deed in lieu of foreclosure shall take the property free of any claims for unpaid assessments or charges against the mortgaged Unit, which accrue prior to the time such holder comes into possession of the Unit.

(c) Unless two-thirds (2/3) of the first mortgagees (based upon one (1) vote for each mortgage owned), or owners (other than the Developer) of condominium Units have given their prior written approval, the Association shall not be entitled to:

(1) Change the percentage interests of ownership of all or any condominium Unit or Unit Owners.

(2) Partition or subdivide any Unit or the Common Elements.

(3) By act or omission seek to abandon the horizontal property regime of the Property, or encumber, sell or transfer the Common Elements.

(4) Use hazard insurance proceeds for losses to any condominium Property (whether to individual Units or Common Elements) for other than the repair, replacement, or reconstruction of such improvements, except as provided by Tennessee Code Annotated, Section 64-2718, in case of substantial loss to the Units and/or Common Elements to the condominium project.

(d) First mortgagees shall have the right to examine the books and records of the Association and/or the condominium project.

(e) An adequate reserve fund for maintenance, repair and replacement of Common Elements which must be replaced on a periodic basis will be established and funded by regular monthly payments rather than by special assessments.

(f) As set forth in Tennessee Code Annotated, Section 64-2720, all taxes, assessments and charges which may become liens prior to the first mortgage under the laws of the State of Tennessee shall relate only to the individual condominium Unit and not to the condominium project as a whole.

(g) No Unit Owner, or any other party shall have priority over any rights of the first mortgagees of condominium Units and/or Common Elements.

(h) Any agreement for professional management of the condominium project, whether it be by the Developer, his successors and assigns, or any other person or entity, may be terminated on ninety (90) days' written notice and the terms of any such contract shall so provide and shall not be of a duration in excess of three (3) years.

(i) The Association shall give to the Federal Home Loan Mortgage Corporation or any lending institution servicing such mortgages as are acquired by the Federal Home Loan Mortgage Corporation, notice in writing of any loss to or the taking of the Common Elements of the condominium project if such loss or taking exceeds Ten Thousand Dollars ($10,000.00). The Association may rely upon the information contained in the book entitled "Mortgages of Units" as must be established pursuant to the Bylaws, for a list of mortgagees to be notified hereby.

(j) The interest of a first mortgagee in a mortgaged Unit shall be superior to the interests of any other person, group, partnership, corporation or entity of any kind, including any interest the Board, the Developer or any Unit Owner may have in any portion of the premises, regardless of the nature of the interest or the manner in which it is acquired.

(k) Notwithstanding the above, any first mortgagee shall have all of the rights granted to a first mortgagee herein, and in addition shall have all of the rights granted to an institutional first mortgagee under its Deed of Trust, and under the laws of the State of Tennessee.

29. Cross-Easements for Electric Meters. Some Units shall have on an exterior wall the electric meter for the adjoining Unit. Peripheral cross-easements are declared to exist for the benefit of the adjoining Unit Owners so that said meters may be read, maintained and continue to remain in their original position.

IN WITNESS WHEREOF, the undersigned Developer has executed this Master Deed this 19th day of September, 1983.

BYLAWS

OF

LYNNBROOK PLACE

ARTICLE I

Members (Unit Owners)

Section 1. Eligibility. The members of the LYNNBROOK PLACE PROPERTY ASSOCIATION, a Tennessee non-profit corporation, shall consist of the respective Unit Owners of the Property known as LYNNBROOK PLACE established by the Master Deed to which these Bylaws are attached. The Lynnbrook Place Property Association shall be administered by these Bylaws. The words "member" or "members" as used in these Bylaws means and shall refer to "Unit Owner" or "Unit Owners," as the case may be, as defined in the Master Deed). If a Unit Owner is a trust, then the member shall be a beneficiary of such trust, and if a Unit Owner or such a beneficiary is a corporation or partnership, the member may be an officer, partner or employee of such Unit Owner or beneficiary.

Section 2. Succession. The membership of each Unit Owner shall terminate when he ceases to be a Unit Owner, and upon the sale, transfer or other disposition of his ownership interest in the Property, his membership in the Association shall automatically be transferred to the new Unit Owner succeeding to such ownership interest.

Section 3. Regular Meetings. The first regular annual meeting of Unit Owners (the "First Meeting") may be held, subject to the terms hereof, on any date, at the option of the Board. Provided, however, that said First Meeting shall be held not less than thirty (30) days and not more than one (1) year after Developer has sold and delivered its deed for all Units. At any time Developer may waive this restriction in writing addressed to the Board. Subsequent to the First Meeting, there shall be a regular annual meeting of Unit Owners held each year within fifteen (15) days of the anniversary of the First Meeting. All such meetings of Unit Owners shall be held at such place in Davidson County, Tennessee, and at such time as specified in the written notice of such meeting which shall be delivered to all Unit Owners at least ten (10) days prior to the date of such meeting.

Section 4. Special Meetings. Special meetings of the Unit Owners may be called by the President or by a majority of the directors of the Board, or by Unit Owners having at

least three-fifths (3/5) of the votes entitled to be at such meeting. Said special meetings shall be called by delivering written notice to all Unit Owners not less than ten (10) days prior to the date of said meeting, stating the date, time and place of said special meeting and the matters to be considered.

Section 5. Delivery of Notice of Meetings. Notices of meetings may be delivered either personally or by mail to a Unit Owner at the address given to the Board by said Unit Owner for such purpose, or to the Unit Owner's Unit, if no address for such purpose has been given to the Board.

Section 6. Voting. The aggregate number of votes of all Unit Owners shall be eight (8) and shall be divided among the respective Unit owners with one (1) vote allocated to each Unit. If any Unit Owner consists of more than one person, the voting rights of such Unit Owner shall not be divided but shall be exercised as if the Unit Owner consisted of only one person in accordance with the proxy or other designation made by the persons constituting such Unit Owner. The Developer may exercise the voting rights with respect to Units owned by him.

No Unit Owner who is in default in the payment of his assessments hereunder shall be entitled to exercise his right to vote hereunder until he has cured such default. A Unit Owner shall be deemed to be in default if he has not paid his assessments to the Board, or their agent, within five (5) days after the date such assessments are due. A Unit Owner may protest the amount of the assessment, but it still must be paid during the pendency of the protest to the Board.

Section 7. Quorum. A quorum of Unit Owners for any meeting shall be constituted by Unit Owners represented in person or by proxy and holding a majority of the votes entitled to be cast at such meeting.

ARTICLE II

Board of Directors

Section 1. Number, Election and Term of Office. The Board of Directors of the Association (referred to in the Horizontal Property Act of the State of Tennessee as the "board of administrators," and sometimes referred to herein as the "Board") shall consist of three (3) members (hereinafter referred to as "directors"). Directors shall be elected at the regular annual meeting of Association members by the vote of Unit Owners. The First Meeting shall, among other business, elect the first Board of Directors ("First Board"). Those candidates for election as director receiving the greatest number of votes cast either in person or by proxy at the meeting shall be elected. Every director, except for members

of the First Board, shall hold office for the term of three (3) years and until his or her successor shall be elected and qualified. One (1) member of the First Board shall hold office until the first regular annual meeting of Association members, one (1) other member of the First Board shall hold office until the second regular annual meeting of Association members, and the third member of the First Board shall hold office until the third regular annual meeting of Association members.

Section 2. Qualification. Each director shall be a Unit Owner or the spouse of a Unit Owner (or, if a Unit Owner is a trustee of a trust, a director may be a beneficiary of such trust, and if a Unit Owner or such a beneficiary is a corporation or partnership, a director may be an officer, partner or employee of such Unit Owner or beneficiary). If a director shall cease to meet such qualifications during his term, he shall thereupon cease to be a director and his place on the Board shall be deemed vacant.

Section 3. Vacancies. Any vacancy occurring in the Board shall be filled by majority vote of the remaining members thereof. Any director so elected to fill a vacancy shall hold office for a term equal to the unexpired term of the director which he succeeds. In the event the mortgagee holding the largest number of mortgages or deeds of trust on Units does not desire to appoint a director, the Board shall by majority vote fill such vacancy for a term of one (1) year at a time.

Section 4. Meetings. A regular annual meeting of the Board shall be held within ten (10) days following the regular annual meeting of Unit Owners. Special meetings of the Board shall be held upon a call by the President or by a majority of the Board on not less than forty-eight (48) hours' notice in writing to each director, delivered personally or by mail or telegram. Any director may waive notice of a meeting, or consent to the holding of a meeting without notice, or consent to any action proposed to be taken by the Board without a meeting. A director's attendance at a meeting shall constitute his waiver of notice of said meeting.

Section 5. Removal. Any director may be removed from office for cause by the vote of three-fifths (3/5) of the total vote of the Unit Owners.

Section 6. Compensation. Directors shall receive no compensation for their services as directors, unless expressly provided for in resolutions duly adopted by the Unit Owners.

Section 7. Quorum. Three (3) directors shall constitute a quorum.

Section 8. Powers and Duties. The Board shall have the following powers and duties:

(a) To elect and remove the officers of the Association as hereinafter provided;

(b) To administer the affairs of the Association and the Property;

(c) To engage the services of an agent (hereinafter sometimes called the "Managing Agent") or independent contractor to maintain, repair, replace, administer and operate such portions of the Property for all of the Unit Owners, upon such terms and for such compenstion and with such authority as the Board may approve; provided, however, that the First Board, appointed as provided herein, shall ratify and approve the Management Agreement or beween the Developer, on behalf of the Association, and a management corporation or contractor to act as Managing Agent or contractor for the Property;

(d) To formulate policies for the administration, management and operation of the Property and the Common Elements thereof;

(e) To adopt rules and regulations, with written notice thereof to all Unit Owners, governing the adminsitration, managment, operation and use of the Property and the Common Elements, and to amend such rules and regulations from time to time;

(f) To provide for the maintenance, repair, and replacement of the Common Elements and payments therefor, and to approve payment vouchers or to delegate such approval to the officers or the manager or Managing Agent;

(g) To provide for the designation, hiring and removal of employees and other personnel, including accountants and attorneys, and to engage or contract for the services of others, and to make purchases for the maintenance, repair, replacement, administration, management and operation of the Property and the Common Elements, and to delegate any such powers to the Managing Agent (and any such employees or other personnel who may be the employees of a Managing Agent);

(h) To appoint committees of the Board and to delegate to such committees the Board's authority to carry out certain duties of the Board;

(i) To determine the fiscal year of the Association and to change said fiscal year from time to time as the Board deems advisable;

(j) To estimate the amount of the annual budget, and to provide the manner of assessing and collecting from the Unit Owners their respective shares of such estimated expenses, as hereinafter provided;

(k) Unless otherwise provided herein or in the Master Deed, to comply with the instructions of a majority of the Unit Owners (as said majority is defined in paragraph 1(i) of the Master Deed), as expressed in a resolution duly adopted at any annual or special meeting of the Unit Owners;

(l) To otherwise exercise all other powers and duties of the "board of administration" referred to in the Horizontal Property Act of the State of Tennessee.

Section 9. Non-Delegation. Nothing in this Article or elsewhere in these Bylaws shall be considered to grant to the Board, the Association or to the officers of the Association any powers or duties which, by law, have been delegated to the Unit Owners.

ARTICLE III

Officers

Section 1. Designation. At each regular annual meeting, the directors present at said meeting shall elect the following officers of the Association by a majority vote:

(a) A President, who shall be a director and who shall preside over the meetings of the Board and of the Unit Owners, and who shall be the chief executive officer of the Association;

(b) A Secretary, who shall keep the minutes of all meetings of the Board and of the Unit Owners, and who shall, in general, perform all the duties incident to the office of Secretary, and who may be a representative of the Managing Agent;

(c) A Treasurer, who shall be responsible for financial records and books of account and the manner in which such records and books are kept and reported; and

(d) Such additional officers as the Board shall see fit to elect.

Section 2. Powers. The respective officers shall have the general powers usually vested in such officers; provided that the Board may delegate any specific powers to any other officer or impose such limitations or restrictions upon the powers of any officer as the Board may see fit.

Section 3. Term of Office. Each officer shall hold office for the term of one (1) year and until his successor shall have been appointed or elected and qualified.

Section 4. Vacancies. Vacancies in any office shall be filled by the Board by a majority vote of the remaining members thereof at a special meeting of said Board. Any director so elected to fill a vacancy shall hold office for a term equal to the unexpired term of the officer he succeeds. Any officer may be removed for cause at any time by vote of three-fifths (3/5) of the total members of the Board at a special meeting thereof.

Section 5. Compensation. The officers shall receive no compensation for their services as officers, unless expressly provided for in a resolution duly adopted by the Unit Owners.

ARTICLE IV

Assessments

Section 1. Annual Budget. The Board shall cause to be prepared an estimated

annual budget for each fiscal year of the Association. Such budget shall take into account the estimated common expenses and cash requirements for the year, including but not limited to salaries, wages, payroll taxes, legal and accounting fees, working capital fund, supplies, materials, parts, services, maintenance, repairs, replacements, landscaping, insurance, fuel, power, and all other common expenses. To the extent that the assessments and other cash income collected from the Unit Owners during the preceding year shall be more or less than the expenditures for such preceding year, the surplus or deficit, as the case may be, shall also be taken into account. The annual budget shall also take into account the estimated net available cash income for the year from the lease, operation or use of the Common Elements. The annual budget shall provide for a reserve for contingencies for the year and a reserve for replacements, in reasonable amounts as determined by the Board.

Section 2. Assessments. The estimated annual budget for each fiscal year shall be approved by the Board, and copies thereof shall be furnished by the Board to each Unit Owner, not later than thirty (30) days prior to the beginning of such year. On or before the first day of the first month and of each succeeding month of the year covered by the annual budget, each Unit Owner shall pay, as his respective monthly assessment for the common expenses, one-twelfth (1/12) of his proportionate share of the common expenses for such year as shown by the annual budget. Such proportionate share for each Unit Owner shall be in accordance with his respective ownership interest in the Common Elements as set forth in the Master Deed. In the event that the Board shall not approve an estimated annual budget or shall fail to determine new monthly assessments for any year, or shall be delayed in doing so, each Unit Owner shall continue to pay each month the amount of his respective monthly assessment as last determined. Each Unit Owner shall pay his monthly assessment on or before the first day of each month to the Managing Agent or as may be otherwise directed by the Board. No Unit Owner shall be relieved of his obligation to pay his assessment by abandoning or not using his Unit, the Common Elements, or the Limited Common Elements.

Section 3. Partial Year or Month. For the first fiscal year and thereafter until the First Board is elected, the annual budget shall be prepared by the Developer. If such first fiscal year, or any succeeding fiscal year, shall be less than a full year, then the monthly assessments for each Unit Owner shall be proportionate to the number of months and days in such period covered by such budget. Commencing with the date that a certificate of occupancy from the Metropolitan Department of Codes Administration is issued for a Unit or the date of occupancy, whichever occurs last, the Unit Owner of such Unit shall pay his

assessment for the following month or fraction of a month, which assessment shall be in proportion to his respective ownership interest in the Common Elements and the number of months and days remaining of the period covered by the current annual budget, and which assessment shall be as computed by the Board.

Section 4. Annual Report. Within ninety (90) days after the end of each fiscal year covered by an annual budget, or as soon thereafter as shall be practicable, the Board shall cause to be furnished to each Unit Owner a statement for such year so ended, showing the receipts and expenditures and such other information as the Board may deem desirable.

Section 5. Supplemental Budget. In the event that during the course of any year, it shall appear to the Board that the monthly assessments, determined in accordance with the estimated annual budget for such year, are insufficient or inadequate to cover the estimated common expenses and limited common expenses for the remainder of such year, then the Board shall prepare and approve a supplemental budget covering the estimated deficiency for the remainder of such year, copies of which supplemental budget shall be furnished to each Unit Owner, and thereupon a supplemental assessment shall be made to each Unit Owner for his proportionate share of such supplemental budget.

Section 6. Expenditures. Except for the Management Agreement described in Article II, Section 8(c) hereof and expenditures and contracts specifically authorized by the Master Deed and Bylaws, the Board shall not approve any expenditure in excess of Five Thousand and No/100 Dollars ($5,000.00) unless required for emergency repair, protection or operation of the Common Elements or Limited Common Elements, nor enter any contract for more than three (3) years without the prior approval of three-fifths (3/5) of the vote of the Unit Owners.

Section 7. Lien. It shall be the duty of every Unit Owner to pay his proportionate share of the common expenses and limited common expenses, as provided in the Master Deed, and as assessed in the manner herein provided.

If any Unit Owner shall fail or refuse to make any such payment of the common expenses or limited common expenses when due, the amount thereof, together with interest thereon at the rate of twelve percent (12%) per annum or such greater percentage as may then be permitted under the laws of the State of Tennessee after said common expenses become due and payable, shall constitute a lien, as provided in the Act, enforceable by the Board, on the interest of such Unit Owner in the Property, provided, however, that such lien shall be subordinate to the lien of a recorded first mortgage or deed of trust on the interest of such Unit Owner, except for the amount of the proportionate share of common expenses

and limited common expenses which are due and payable from and after the date on which such mortgage owner or holder either takes possession of the Unit, accepts a conveyance of any interest therein (other than as security), or files suit to foreclose its mortgage or deed of trust. The provisions of this paragraph of this Section 7 shall not be amended, changed, modified or rescinded in any way without the prior written consent of all such lien holders of record.

The Association or its successors and assigns, or the Board or its agents, shall have the right to enforce the lien as provided in paragraph 10(b) of the Master Deed or to maintain a suit to foreclose any such lien, and there shall be added to the amount due the costs of said suit and other fees and expenses, together with legal interest and reasonable attorneys' fees to be fixed by the Court. Furthermore, if any Unit Owner shall fail or refuse to pay when due his proportionate share of the common expenses or limited common expenses and such Unit Owner withholds possession of his Unit after demand by the Board or the Association in writing setting forth the amount claimed, the Board or the Association shall have the right to possession of such Unit. The Board or the Association shall have the authority to exercise and enforce any and all rights and remedies as provided for in the Horizontal Property Act, the Master Deed or these Bylaws, or as are otherwise available at law or in equity, for the collection of all unpaid assessments.

Section 8. Records and Statement of Account. The Board shall cause to be kept detailed and accurate records in chronological order of the receipts and expenditures affecting the Common Elements and Limited Common Elements, specifying and itemizing the common expenses and limited common expenses incurred. Payment vouchers may be approved in such manner as the Board may determine.

The Board shall, upon receipt of ten (10) days' written notice to it or the Association and upon payment of a reasonable fee, furnish to any Unit Owner a statement of his account setting forth the amount of any unpaid assessments or other charges due and owing from such Unit Owner.

Section 9. Discharge of Liens. The Board may cause the Association to discharge any mechanic's lien or other encumbrance which in the opinion of the Board may constitute a lien against the Property or the Common Elements, rather than a lien against only a particular Unit Ownership. When less than all the Unit Owners are responsible for the existence of any such lien, the Unit Owners responsible shall be jointly and severally liable for the amount necessary to discharge the same and for all costs and expenses, including attorneys' fees, incurred by reason of such lien.

Section 10. Holding of Funds. All funds collected hereunder shall be held and expended for the purposes designated herein, and (except for such special assessments as may be levied hereunder against less than all the Unit Owners and for such adjustments as may be required to reflect delinquent or prepaid assessments) shall be deemed to be held for the benefit, use and account of all the Unit Owners in accordance with their respective ownership interests.

ARTICLE V
