TO HAVE AND TO HOLD the interest in said land, with the appurtenances, estate, title and interest thereto belonging to the said Grantee, his heirs, successors and assigns, forever. And we do covenant with the said Grantee that we are lawfully seized and possessed of an interest in said land, have a good right to convey it, and the same is unencumbered, except for 1983 property taxes and except as of record. And we do further covenant and bind ourselves, our heirs and representatives to warrant and forever defend the title to the said land to the said Grantee, his heirs, successors and assigns, against the lawful claims of all persons, whomsoever.

AND NOW, for the purpose of better and more effectually securing the payment of said lien note, and rendering unnecessary court proceedings for the enforcement of said lien in the event of the non-payment of said note, as it matures, as hereinafter provided, and for the consideration of ONE DOLLAR ($1.00), to us in hand paid, J. William Blevins, the said Grantee herein, does hereby transfer and convey unto SAM D. HODGES, III, Trustee, his successors and assigns, the real estate hereinbefore described, with the appurtenances, estate, title and interest thereto belonging, for the

purposes aforesaid, only. I, the said Grantee, do hereby agree to keep all buildings now on, or to be hereafter erected on said property insured in some reliable fire insurance company or companies for at least such sum as may be required by Grantor, until the note herein secured is fully paid, and to have the loss, if any, made payable on the policy or policies to said Trustee for the benefit of the lawful owner and holder of said note, as his interest may appear. I further agree to keep the improvements on said property in good repair and preservation, and to pay all taxes and assessments thereon, and to pay them when due; and in case I fail to do either, then the said Trustee, or the lawful owner and holder of said note, may do any or all of these things, and charge and treat the sum or sums so expended as part of the indebtedness secured therein, the same to bear interest from the date of such payment. Now, if I, the said Grantee, shall pay the note aforesaid when due, according to its terms, and pay taxes, keep up repairs, and keep said premises insured, as aforesaid, then this trust conveyance shall be of no further force or effect. But if I fail to pay any one of said notes or part thereof, promptly at maturity or if, failing to pay taxes, keep up repairs or keep said premises insured as herein provided; I fail to reimburse the Trustee or lawful owner and holder of said note for all sums, with interest so expended by said Trustee, or lawful owner and holder of said note, within 30 days from date of such payment, this trust conveyance shall remain in full force and effect, and at the option of the lawful owner and holder of said note, then past due and unpaid, said note shall become due and payable at once, without notice, and the said Trustee, or his successor in trust, is hereby authorized and empowered, upon giving 20 days' notice by three publications in any newspaper, daily or weekly, published in Davidson County, Tennessee, to sell said property at the front door of the Court House in said county to the highest bidder for cash, at public outcry, free from the equity of redemption, homestead, dower and all other exemptions of every kind, which are hereby expressly waived; and the said Trustee, or his successor in trust, is authorized and empowered to execute and deliver a deed to the purchaser. The creditor may bid at any sale under this conveyance. I agree that the Trustee may at any time, after default in the payment of said note, enter and take possession of said property, and shall only account for the net rents actually received by him. I further agree that in the event the Trustee fails, before selling said property, as herein provided, to enter and take possession thereof, the purchaser shall be entitled to immediate possession thereof upon the delivery to him by the Trustee of a deed for said property. In case of sale hereunder, the proceeds will be applied by the Trustee as follows:

FIRST To the payment of all costs, charges and expenses of executing this conveyance and enforcing said lien as herein provided; also reasonable attorney's fees for advise in the premises, or for instituting or defending any litigation which may arise on account of the execution of this conveyance, or the enforcement of said lien; also the expenses of any such litigation.

SECOND To the payment of all taxes which may be unpaid on said premises.

THIRD To the payment of all unpaid notes herein secured, and any and all sums expended in the protection of said property, as herein authorized.

FOURTH The residue, if any, will be paid to the grantee herein, his heirs, successors and assigns.

In case of the death, absence, inability or refusal to act of said Trustee at any time when action under the foregoing power and trusts may be required, the lawful owner and holder of said lien note is hereby authorized and empowered to name and appoint a successor to execute this trust by an instrument in writing to be recorded in the Register's Office for Davidson County, Tennessee, and the title herein conveyed to the said Trustee shall be vested in said successor.
