(r) "Unit" means an enclosed space consisting of one or more rooms occupying all or part of a floor or floors in the Buildings, which enclosed space is not owned in common with Unit Owners of other Units. Each Unit is numbered as shown on the Plat. The Boundaries of each Unit shall be and are the unfinished interior surfaces of its perimeter walls, floors and ceilings, and a Unit includes both the portion of the Buildings so described and the air space so encompassed, excepting Common

Elements. It is intended that the term "Unit" as used in this Master Deed shall have the same meaning as the term "Apartment" as used in the Act.

(s) "Unit Owner" means the person or persons whose estates or interests, individually or collectively, aggregate fee simple ownership of a Unit and of the undivided interest in the Common Elements appurtenant thereto, and shall be deemed the same as "co-owner" under the Act. No person or persons who hold an interest in a Unit solely for the purpose of securing an obligation shall be deemed to be a Unit Owner hereunder. Unless specifically provided otherwise herein, Developer shall be deemed a Unit Owner so long as it is the legal title holder of any Unit.

2. Submission of Property to the Act. Developer does hereby submit and subject the Parcel and the Property to the provisions of the Horizontal Property Act of the State of Tennessee, and does hereby establish a horizontal property regime to be known as Clayton Place Condominiums.

3. Plat. The Plat sets forth the number and location of each Unit and other data as required by the Act.

4. Units. The legal description of each Unit shall consist of the identifying number of each Unit as shown on the Plat. Every deed, estate, lease, mortgage, deed of trust, or other instrument shall legally describe a Unit by its identifying number as shown on the Plat and every description shall be deemed good and sufficient for all purposes, as provided in the Act. Except as provided in the Act, no Unit Owner shall, by deed, plat, court decree or otherwise, subdivide or in any other manner cause his Unit to be separated into any tracts or parcels different from the whole Unit as shown on the Plat.

5. (a) Association of Unit Owners and Administration and Operation of the Property. There has been or will be formed an Association having the name "Clayton Place Homeowners' Association., Inc.," which Association shall

be the governing body for all Unit Owners, and shall be operated to provide for the mainetnance, repair, replacement, administration and operation of the Property, as provided in the Act, and this Master Deed, and the By-Laws for the Association shall be the By-Laws attached to this Master Deed as Exhibit D and made a part hereof. The Board of Directors of the Association shall be elected and serve in accordance with the provisions of the By-Laws. The fiscal year of the Association shall be determined by the Board, and may be changed from time to time as the Board deems advisable. The Association shall not be deemed to be conducting a business of any kind. All activities undertaken by the Association shall be for the sole benefit of the Unit Owners, and all funds received by the Association shall be held and applied by it for the use and benefit of Unit Owners, in accordance with the provisions of this Master Deed and By-Laws. A Unit Owner's membership shall automatically terminate when he ceases to be a Unit Owner. Upon the conveyance or transfer of a Unit Owner's ownership interest to a new Unit Owner, the new Unit Owner shall simultaneously succeed to the former Unit Owner's membership in the Association. Each Unit shall have one vote.

(b) Management of Property. The Board shall have the authority to engage the services of an agent (herein sometimes referred to as the "Managing Agent") to maintain, repair, replace, administer and operate the Property, or any part thereof, to the extent deemed advisable by the Board, provided, however, that such contract shall not exceed a period of three (3) years, and shall provide for termination by either party without cause and without payment of a termination fee on ninety (90) days or less written notice. The Board shall require that such Managing Agent have fidelity

bond coverage on its employees handling Association funds. The cost of such services shall be a common expense, as defined in paragraph 11 hereof.

(c) Use by Developer. During the period of sale by Developer of any Units, Developer, and Developer's agents, employees, contractors and subcontractors, and their respective agents and employees, shall be entitled to access, ingress to and egress from the Buildings and Property as may be required for purposes of sale of Units. While Developer owns any of the Units and until each Unit sold by it is occupied by the Purchasers, Developer and its employees may use and show one or more of such unsold or unoccupied Units as a model Unit or Units and may use one or more of such unsold or unoccupied Units as a sales office, and may maintain customary signs in connection therewith. During the period of construction of any Units or development of any Common Elements, Developer shall have the right to keep and maintain on the Common Elements one or more trailers and storage facilities for use as construction offices and for the storage and maintenance of equipment and supplies, and shall have the right to store and maintain equipment and supplies in open and uncovered areas on the Common Elements, and in Units the possession of which have not been delivered to Purchasers.

(d) Non-Liability of Directors and Officers. To the extent permitted by law, neither the directors nor officers of the Association shall be personally liable to Unit Owners for any mistake of judgment or for any other acts or omissions of any nature whatsoever as such directors or officers, except for any acts or omissions found by a court to constitute gross negligence or fraud. Unit Owners shall indemnify and hold harmless each of the directors or officers and

their respective heirs, executors, administrators, successors and assigns in accordance with the provisions of Article VIII by the By-Laws.

6. Board's Determination Binding. In the event of any dispute or disagreement between any Unit Owners relating to the Property, or any questions of interpretation or application of the provisions of this Master Deed or By-Laws, the determination thereof by the Board shall be final and binding on all Unit Owners.

7. Ownership of the Common Elements. Each Unit is hereby allocated an undivided interest in the Common Elements as set forth on Exhibit C attached hereto and made a part hereof as though fully set forth herein. The assigned percentages of interest set forth on Exhibit C shall remain constant unless hereafter changed by recorded amendment to this Master Deed consented to in writing by Unit Owners, in accordance with paragraph 20 hereof. The ownership of a Unit shall not be conveyed separate from the undivided ownership in the Common Elements appurtenant to such Unit. The undivided interest in the Common Elements appurtenant to any Unit shall be deemed conveyed or encumbered with that Unit, even though the legal description in the instrument conveying or encumbering such Unit may refer to the fee title to that Unit.

8. Use of the Common Elements. Each Unit Owner shall have the right to use the Common Elements (except the Limited Common Elements and portions of the Property subject to leases made by or assigned to the Board) in common with all other Unit Owners, as may be required for the purposes of access, ingress to, egress from, use, occupancy and enjoyment of the respective Unit owned by such Unit Owner. Such right to use the Common Elements shall extend not only to each Unit Owner, but also to his agents, servants, tenants, family members, customers, invitees and licensees. However, each Unit Owner shall have the right to the exclusive use and possession of the Limited Common Elements contiguous to and serving such Unit alone or with adjoining Units. Such rights to use the Common Elements, including the Limited Common Elements, shall be subject to and governed by the provisions of the Act, Master Deed, By-Laws, and rules and regulations

of the Association. In addition, the Association shall have the authority to lease, grant concessions or grant easements with respect to parts of the Common Elements, subject to the provisions of this Master Deed and By-Laws. All income derived by the Association from leases, concessions or other sources shall be held and used for the benefit of the members of the Association, pursuant to such rules, resolutions and regulations as the Board may adopt or prescribe.

9. Parking Space and Storage Areas. Parking spaces, carports, and storage areas on the Property, except those which are Limited Common Elements and such storage areas as are inside the Units, shall be part of the Common Elements, and may be allocated and reallocated, from time to time, to the respective Unit Owners, and shall be used by such Unit Owners subject to the rules and regulations of the Association, and parking spaces, carports, and storage areas not so used by Unit Owners may be rented or otherwise used in such manner as the Board may prescribe. The parking on the Property of all boats, vans, campers, recreational vehicles, motorcycles, and all other vehicles similarly shall be subject to such restrictions, rules, and regulations, including the prohibition thereof, as shall be prescribed by the Board.

10. (a) Common Expenses. Each Unit Owner shall pay his proportionate share of the expenses of the administration and operation of the Common Elements and of any other expenses incurred in conformance with this Master Deed and By-Laws (which expenses are herein sometimes referred to as "common expenses"), including, but not limited to, the maintenance and repair of the Property and any and all replacements and additions thereto. Except for its responsibilities as a Unit Owner, as provided herein, Developer shall not have any responsibility for the maintenance, repair or replacement of any part of the Common Elements after the date this Master Deed is recorded; provided, however, in the event Developer expends any of its own funds for the

repair, replacement or maintenance of any of the Common Elements, Developer shall be entitled to a credit for such sums against any common expenses Developer might be required to pay by virtue of being a Unit Owner. Each Unit Owner shall be responsible for paying an equal share of the common expenses. Assessments shall occur upon the conveyance by Developer of the first Unit. No Unit Owner shall be exempt from payment of his proportionate share of the common expenses by waiver of enjoyment or non-use of the Common or Limited Common Elements or by abandonment of his Unit. If any Unit Owner shall fail to make such payment of assessments for common expenses when due, the amount thereof together with any reasonable late charges established by the Board, and together with interest at the highest lawful rate permitted when the assessment is due and payable shall constitute a continuing lien on the Unit against which the assessment is made, as provided in the Act. Each Unit owner shall be personally liable for his portion of each assessment made while he is the owner of a Unit. The sale or conveyance of a Unit shall in all cases be subject to all unpaid assessments against the Unit Owner, and if not paid prior to sale or conveyance, shall be a lien against the Unit and shall be paid by the new Owner.

(b) Mortgage and Deed of Trust Protection. The lien for assessments payable by a Unit Owner shall be subordinate to the lien of a recorded first Mortgage or Deed of Trust on the interest of such Unit Owner, except for the amount of the proportionate share of common expenses which become due and payable from and after the date on which the Mortgagee or Beneficiary thereunder either takes possession of the Unit encumbered thereby, accepts a conveyance of any interest therein (other than as security), or forecloses its Mortgage or Deed of

Trust. This subparagraph (b) shall not be amended, changed, modified or rescinded without the prior written consent of all Mortgagees and Beneficiaries of record.

11. Mortgages. Each Unit Owner shall have the right, subject to the provisions herein, to mortgage his Unit together with his respective ownership interest in the Common Elements. No Unit Owner shall have the right or authority to mortgage or place a lien on the Property or any part thereof, except to the extent of his own Unit and its appurtenant interest in the Common Elements.

12. Separate Real Estate Taxes. Real estate taxes shall be separately taxed to each Unit Owner for his Unit and its appurtenant interest in the Common Elements, as provided in the Act. In the event that such taxes for any year are not separately taxed to each Unit Owner, but rather are taxed on the Property as a whole, then each Unit Owner shall pay his proportionate share thereof in accordance with his respective percentage of ownership in the Common Elements, and, in said event, such taxes shall be a common expense.

13. Insurance. The Board shall obtain insurance for the Common Elements against loss or damage by fire, vandalism, malicious mischief and such other hazards as are covered under standard extended coverage provisions, for the full insurable replacement cost of the Common Elements, and against such other hazards and for such amounts as the Board may deem advisable. Insurable replacement cost shall be deemed the cost of restoring the Common Elements, or any part therof, to substantially the same condition in which they existed prior to damage or destruction. Such insurance coverage shall be written in the name of, and the proceeds thereof shall be payable to, the Board, as the trustee for the Unit Owners in proportion to the Unit Owners' respective percentages of ownership in the Common Elements, as set forth in this Master Deed, and for the holders of mortgages on the Units, if any. The policy of insurance should also contain, if possible, a waiver of subrogation rights by the insurer against the Unit Owners. The premiums for such insurance shall be a common expense. However, at the option of the Board, and upon written notice to all Unit Owners, premiums for such insurance shall be separately

billed to Unit Owners based upon their respective percentages of ownership in the Common Elements.

Each Unit Owner shall be responsible for obtaining his own insurance against loss or damage by fire, vandalism, malicious mischief and such other hazards as are covered under standard extended coverage provisions on his Unit, the Limited Common Elements serving his Unit, as well as his additions and improvements thereto, and those parts of the Unit for which the responsibility of maintenance and repair is that of the Unit Owner, for the full insurable replacement cost thereof, to be payable to the Unit Owner, the Mortgagee, if any, and to the Board, and for the contents of his Unit and the Limited Common Elements, decoarations, furnishings, and personal property therein, and personal property stored elsewhere on the Property, if any, in such amounts as he may deem advisable. In the event any Unit Owner fails or refuses to obtain adequate insurance coverage on his Unit, the Limited Common Elements serving his Unit, or his additions and improvements thereto, the Board reserves the right to obtain such insurance for him and to charge the premium for such insurance to the Unit Owner. In addition, in the event a Unit Owner desires to insure against his personal liability and loss or damage by fire or other hazards above and beyond the extent that his liability, loss, or damage is covered by the liability insurance and insurance against loss or damage by fire and other such hazards obtained by the Board for all of the Unit Owners as part of the common expenses, as provided herein, said Unit Owner may, at his option and expense, obtain additional insurance.

In the event of damage to or destruction of any Buildings or Common Elements as a result of fire or other casualty covered by insurance proceeds (unless more than 2/3 of all Buildings require reconstruction), the Board shall, in its sole and absolute discretion, determine and without intervention of any Unit Owner arrange for the prompt repair and restoration of the damaged portions of all Units, Buildings and Common Elements substantially in accordance with the original plans and specifications therefor. Where the insurance indemnity is insufficient to cover the cost of such repairs and

restoration, the deficit shall be paid by all Unit Owners with each Unit Owner to bear a proportion thereof based upon his percentage of ownership in the Common Elements. The Board shall not be responsible for the repair, replacement or restoration of furniture, furnishings, fixtures, appliances or equipment installed in the Unit by a Unit Owner or Occupant unless insurance therefor is specifically provided for in the insurance policy obatined by the Board.

The Board also shall obtain comprehensive public liability insurance, in such amounts as it deems desirable, and workmen's compensation insurance and other liability insurance in such amounts as it deems desirable, insuring each Unit Owner, mortgagee of record, the Association, its officers, directors and employees, Developer, and the Managing Agent, if any, from liability in connection with the Property. The premiums for such insurance shall be a common expense. However, at the option of the Board, and upon written notice to all Unit Owners, premiums for such insurance shall be separately billed to each Unit Owner with each Unit Owner to bear a proportion thereof based upon his percentage of ownership in the Common Elements. The Board shall retain in safekeeping any such public liability policy for six (6) years after the expiration date of the policy.

All insurance policies obtained by the Board shall provide that they may not be cancelled or substantially modified without at least ten (10) days prior written notice to the Association and to each holder of a first mortgage on a Unit.

The Board shall also obtain such other insurance as it deems desirable, in such amounts, from such sources and in such forms as it deems desirable, insuring the Property and each member of the Board and officer of the Association, and each member of any committee appointed pursuant to the By-Laws of the Association, from liability arising from the fact that said person is or was a director or officer of the Association, or a member of such a committee. The Board shall require such fidelity bond coverage as necessary for any person or Board member handling Association funds. The premiums for such insurance and bonds shall be a common expense.

14. Maintenance, Repairs and Replacements. Each Unit Owner, at his own expense, shall furnish and be responsible for all maintenance of, repairs to and replacements within his Unit. Except to the extent hereinafter set forth, maintenance of, repairs to and replacements within the Common Elements shall be the responsibility of and shall be furnished by the Association, and the cost thereof shall be part of the common expense, subject to the By-Laws, and rules and regulations of the Association. The responsibility and the expenses for the maintenance, repair or replacement of a Unit's exterior walls, foundations, roofs, water heater, furnace, air conditioner, heating and air-conditioning ducts, plumbing and electrical wiring serving only such Unit, and all other Limited Common Elements serving that unit, shall be borne by the owner of the Unit to which such Limited Common Elements are appurtenant. In the event a Unit Owner shall fail to make such repairs and replacements or perform such maintenance as is required, the Board, in its sole discretion, reserves the right to do such maintenance, repair, and replacement for and on behalf of the Unit Owner, which Unit Owner shall be assessed for the expense thereby incurred by the Board. If, in order to maintain, repair, or replace the electrical wiring, plumbing, or other utilities of a Unit, it shall become necessary to gain entry to another Unit, it shall be the rseponsiblity of the Association to provide such maintenance, repair, or replacement, but the cost of such maintenance, repair, or replacement may be assessed to the Unit Owners benefited thereby, as hereinabove provided.

If, due to the act or neglect of a Unit Owner, or his agent, servant, tenant, family member, invitee, licensee or household pet, damage shall be caused to the Common Elements or to a Unit or Units owned by others, or maintenance, repairs or replacements are required which would otherwise be a common expense, then such Unit owner shall pay for such damage or such maintenance, repairs and replacements, as may be determined by the Board, to the extent not covered by the Association's insurance.

The Authorized representatives of the Association, Board, or of the Managing Agent with approval of the Board, shall be entitled to

reasonable access to the individual Units and Limited Common Elements as may be required in connection with the preservation of any individual Unit or Limited Common Elements in the event of an emergency, or in connection with maintenance of, repairs to, or replacements within the Common Elements, Limited Common Elements, or any equipment, facilities or fixtures affecting or serving other Units, Common Elements and Limited Common Elements, or to make any alteration required by any governmental authority.

15. Alterations, Additions or Improvements. Except as provided in Section 16 herein, no alteration of any Common Elements, or any additions or improvements thereto, shall be made by any Unit Owner without the prior written approval of the Board. The Board may authorize and charge as common expenses alterations, additions, and improvements of the Common Elements as provided in the By-Laws. Any Unit Owner may make alterations, additions or improvements within his Unit without the prior written approval of the Board, but such Unit Owner shall be responsible for any damage to other Units, the Common Elements, the Property, or any part thereof, resulting from such alterations, additions or improvements.

16. Decorating. Each Unit Owner, at his own expense, shall furnish and be responsible for all decorating within his Unit and Limited Common Elements serving his Unit, as may be required from time to time, including painting, wallpapering, washing, cleaning, paneling, floor covering, draperies, window shades, curtains, lighting, and other furnishings and decorating. Each Unit Owner shall be entitled to the exclusive use of the interior surfaces of the perimeter walls, floors and ceilings of his Unit, and such Unit Owner shall maintain said interior surfaces in good condition at his sole expense, as may be required from time to time. Said maintenance and use of interior surfaces shall be subject to the rules and regulations of the Association, but each Unit Owner shall have the right to decorate such interior surfaces from time to time as he may see fit and at his sole expense. Decorating of the Common Elements (other than interior surfaces within the Units as above provided and other than of Limited Common Elements) and any redecorating of Units, to the

extent such redecorating of Units is made necessary by damage to Units caused by maintenance, repair or replacement of the Common Elements by the Association, shall be furnished by the Association as part of the common expenses. All windows and screens forming part of a perimeter wall of a Unit shall be cleaned and washed, and any damage thereto repaired, at the expense of the Unit Owner of that Unit.

17. Encroachments. If any portion of the Common Elements shall actually encroach upon any Unit, or if any Unit shall actually encroach upon any portion of the Common Elements, or if any Unit shall actually encroach upon another Unit, as the Common Elements and Units are shown on the Plat, there shall be deemed to be mutual easements in favor of the owners of the Common Elements and the respective Unit Owners involved, to the extent of such encroachments, so long as the same shall exist.

18. Use and Occupancy Restrictions. Subject to the provisions of the By-Laws, no part of the Property may be used for purposes other than housing and the related common purposes for which the Property was designed and as allowed by municipal zoning laws. Each Unit shall be used as a residence or such other use permitted by this Master Deed, and for no other purpose, except that professional and quasi-professional people may use their residence (not in violation of municipal zoning laws) as an ancillary or secondary facility to an office established elsewhere. The foregoing restrictions as to residence shall not, however, be construed in such manner as to prohibit a Unit Owner from: (a) maintaining his personal professional library; (b) keeping his personal business or professional records or accounts; or (c) handling his personal business or professional telephone calls or correspond-ence. Such uses are expressly declared customarily incident to the principal residential use and not in violation of said restrictions.

The Common Elements shall be used only by Unit Owners and their agents, servants, tenants, family members, customers, invitees and licensees for access, ingress to and egress from the respective Units and for such other purposes incidental to use of the Units; provided, however, the laundry and utility areas, party rooms, storage areas,

and recreational facilities, if any, and other areas designed for a specific use shall be used for the purposes approved by the Board. The use, maintenance and operation of the Common Elements shall not be obstructed, damaged or unreasonably interfered with by any Unit Owner, and shall be subject to any lease, concession or easement, presently in existence or entered into by the Board at some future time, affecting any part or all of said Common Elements.

19. Remedies. In the event of any violation of the provisions of the Act, this Master Deed, By-Laws, or rules and regulations of the Association by any Unit Owner (either by his own conduct or by the conduct of any Occupant of his Unit), the Association, or its successors or assigns, and any aggrieved Unit Owner, shall have each and all of the rights and remedies which may be provided for in the Act, this Master Deed, By-Laws, or said rules and regulations, or which may be available at law or in equity, and may prosecute an action or other proceeding against such defaulting Unit Owner and/or others for enforcement of any lien and the appointment of a receiver for the Unit and ownership interest of such Unit Owner, or for damages or injunction or specific performance, or for judgment for payment of money and collection thereof, or the right to take possession of the Unit and to sell the same as provided hereinafter in this paragraph 19, or for any combination of remedies, or for any other relief. All expenses of the Board in connection with any such actions or proceedings, including court costs and attorney's fees and other fees and expenses and all damages, liquidated or otherwise, together with interest thereon at the rate of ten (10%) percent per annum or such other uniform lawful rate as the Board shall determine, until paid, shall be charged to and assessed against such defaulting Unit Owner, and shall be added to and deemed part of his respective share of the common expenses, and the Board shall have a lien for all of the same, as well as for nonpayment of common expenses, upon the Unit, and its appurtenant interest in the Common Elements, of such defaulting Unit Owner and upon all of his additions and improvements thereto and upon all of his personal property in his Unit or located elsewhere on the Property; provided, however, that such lien shall be subordinate to

the lien of a recorded first mortgage or deed of trust on the Unit, to the extent hereinabove set forth in paragraph 10(b) hereof. In the event of any such default by any Unit Owner, the Board and the Manager or Managing Agent, if so authorized by the Board, shall have the authority to correct such default, and to do whatever may be necessary for such purpose and all expenses in connection therewith shall be charged to and assessed against such defaulting Unit Owner. Any and all such rights and remedies may be exercised at any time and from time to time, cumulatively or otherwise, by the Board. This paragraph shall not be amended, changed, modified or rescinded without the prior consent of all holders of record of mortgage and deed of trust liens against the Units.

The violation of any restriction or condition or regulation adopted by the Board or the breach of any covenant or provision herein contained, shall give the Board the right, in addition to any other rights provided for in this Master Deed: (a) to enter (without liability to such Unit Owner for such entry) upon the Unit, or any portion of the Property upon which or as to which such violation or breach exists, and by appropriate proceedings to abate and remove, at the expense of the defaulting Unit Owner, any structure, thing or condition that may exist thereon contrary to the intent and meaning of the provisions hereof, and the Board, or its employees, or agents, shall not thereby be deemed guilty in any manner of trespass; or (b) to enjoin, abate or remedy by appropriate legal proceedings either at law or in equity, the continuance of any breach; or (c) to take possession (either peaceably or forceably without liability to such Unit Owner for such entry) of such Unit Owner's interest in the Property and to maintain an action for possession of such Unit in the manner provided by law.

If any Unit Owner (either by his own conduct or by the conduct of any other Occupant of his Unit) shall violate the Act, or any of the covenants or restrictions or provisions of this Master Deed, the By-Laws, or the regulations adopted by the Board, and if such default or violation shall continue for ten (10) days after notice to the Unit Owner in writing from the Board, or shall occur repeatedly during any

ten (10) day period after such written notice or request to cure such violation from the Board, then the Board shall have the power to issue to said defaulting Owner a notice in writing terminating the rights of said defaulting Owner to continue as a Unit Owner and to continue to occupy, use, or control his Unit, and thereupon an action in equity may be filed by the Board against said defaulting Owner or Occupant, or in the alternative, for a decree declaring the termination of said defaulting Owner in the Property shall be sold (subject to the lien on any existing deed of trust or mortgage) at a judicial sale upon such notice and terms as the court shall determine, except that the court shall enjoin and restrain the said defaulting Owner from reacquiring his interest at such judicial sale. The proceeds of any such judicial sale shall first be paid to discharge court costs, court reporter charges, reasonable attorney's fees and all other expenses of the proceeding and sale, and all such items shall be taxed against said defaulting Unit Owner in said decree. Any balance of the proceeds, after satisfaction of such charges and any unpaid assessments hereunder, or any liens, shall be paid to said defaulting Unit Owner. Upon the confirmation of such sale, the purchaser shall thereupon be entitled to a deed of the Unit and the Unit Owner's corresponding percentage of ownership in the Common Elements, and to immediate possession of the Unit sold and may apply to the court for a writ of assistance for the purpose of acquiring such possession, and it shall be a condition of any such sale, and the decree shall so provide, that the purchaser shall take the interest in the Unit Ownership sold subject to this Master Deed.

20. Amendment. Unless otherwise provided in this Master Deed, the provisions of this Master Deed may be amended by an instrument in writing, setting forth such amendment, signed by Unit Owners owning not less than sixty (67%) percent of the Units; provided, however, that all lien holders of record have been notified by certified mail of such amendment, and an affidavit by the Secretary of the Association certifying to such mailing is made a part of such instrument.

However, if the Act, this Master Deed or the By-Laws require the consent or agreement of all Unit Owners or of all lien holders for any action specified in the Act or in this Master Deed, then any instrument amending any provision of this Master Deed with respect to such action shall be signed by all Unit Owners or all lien holders or both as required by the Act or this Master Deed. Further, without the prior written approval of sixty-seven (67%) percent of the first mortgagees (based upon one vote for each first mortgage owned), there shall not be, by act or omission of the Association, any abandonment or termination of the horizontal property regime, or any abandonment, partition, subdivision, encumbrance, sale, or transfer of the Common Elements (other than the granting of easements for public utilities or for other public purposes consistent with the intended use of the Common Elements). Any amendment shall be effective upon the recording of such instrument in the Office of the Register of Davidson County, Tennessee; provided, however, that no provision in this Master Deed may be amended so as to conflict with the provisions of the Act.

21. Perpetuities and Restraints on Alienation. If any of the options, privileges, covenants or rights created by this Master Deed shall be unlawful, void or voidable for violation of the rule against perpetuities, then such provision shall continue only until twenty-one (21) years after the death of the survivor of the now living descendents of the Governor of Tennessee, Lamar Alexander.

22. Rights and Obligations. Each Grantee of Developer, by the acceptance of a deed of conveyance, accepts the same subject to all restrictions, conditions, covenants, reservations, liens and charges, and the jurisdiction, rights and powers created or reserved by this Master Deed. All future Unit Owners and Occupants shall be subject to and shall comply with the provisions of this Master Deed. Any restrictions or rules in the By-Laws which are more than administrative in nature such as, but not limited to, reservations and future rights of Developer are hereby incorporated into and made a part of this Master Deed by reference. All rights, benefits and privileges hereby imposed shall be deemed to be covenants running with the land, and shall bind any person having at any time any interest or

estate in said land, and shall inure to the benefit of such grantee in like manner as though the provisions of this Master Deed were recited and stipulated at length in each and every deed of conveyance or contract for conveyance.

All present and future Unit Owners and Occupants of a Unit shall be subject to, and shall comply with, the provisions of the By-Laws appended hereto and recorded herewith, pursuant to Tennessee Code Annotated, § 66-27-111, as they may be amended from time to time. The acceptance of a deed of conveyance, devise, or lease to a Unit, or the entering into occupancy of any Unit shall constitute an agreement that the provisions of the By-Laws and any Rules and Regulations promulgated thereunder, as they may be amended from time to time, are assumed, accepted and ratified by such Unit Owner or Occupant, and all of such provisions shall be deemed and taken to be covenants running with land and shall bind any person having at any time any interest or estate in such Unit, as though such provisions were recited and stipulated at length in each and every deed, conveyance or lease thereof.

The terms and conditions of the Master Deed, By-Laws, and Rules and Regulations of the Association may be incorporated by reference in, and become part of, the agreement between any first mortgagee and any present or future Unit Owner who enters into such an agreement with a first mortgagee. When so incorporated, any default in the terms and conditions of this Master Deed, By-Laws, and Rules and Regulations may be considered by the first mortgagee as a default, whereupon said first mortgagee, after exercising its option to declare a default, shall then have all of the rights and privileges arising as a result of a default under its agreement with said Unit Owner.

23. Condemnation. In the event of a taking of part of the Common Elements in condemnation or by eminent domain, the award made for such taking shall be payable to the Association. If a majority of the Board in their sole and absolute discretion approve the repair and restortion of such Common Elements, the Board shall arrange for the repair and restoration of such Common Elements, and the Board shall disburse the proceeds of such award to the contractors engaged in such

repair and restoration in appropriate progress payments. In the event the Board does not approve the repair and commence restoration of such Common Elements within one hundred twenty (120) days after taking by the public or private authority, the Board shall disburse the net proceeds of such award on the basis of such Unit's percentage of ownership in the Common Elements. The Board shall represent the Association and the Unit Owner in any condemnation proceedings or in negotiations, settlements, and agreements with the condemning authority for acquisition of the common areas, or a part thereof.

24. Rights Reserved. Unit Owner's rights of enjoyment in the Common Elements shall be subject to:

(a) The right of the Association, as provided in its By-Laws or Rules and Regulations to suspend the enjoyment of any member for any period during which any assessment remains unpaid, and for such period as it considers appropriate for any infraction of its published Rules and Regulations, except that there may be no restrictions on any Unit Owner's right of ingress and egress to and from his or her Unit;

(b) The right of the Association to charge reasonable fees for the use of any part or parts of the Common Elements;

(c) The right of the Association to diminish in any way or to dedicate or transfer all or any part of the Common Elements to any public agency or authority for such purposes and subject to such conditions as may be agreed to by the members entitled to vote thereon, provided that no such diminution or dedication or transfer or determination as to the purposes or as to the conditions thereof, shall be effective unless members of the Association entitled to cast ninety (90%) percent of the total votes of the Association have agreed to such dedication, transfer, purpose, or condition;

(d) The right of Developer, at its sole expense, to relocate, expand, modify, reduce, or extend existing

driveways, parking areas and yard, and to construct, expand, enlarge or relocate sewers, utility liens or service connections, in order to serve the existing Buildings; and

(e) The right of the Association to grant such easements and rights-of-way to such utility companies or public agencies or authorities as it shall deem necessary for the proper servicing and maintenance of the Common Elements and the Units.

25. Trustee as Unit Owner. In the event title to any Unit is conveyed to a land title-holding trust, under the terms of which all powers of management, operation and control of the Unit remain vested in the trust beneficiaries, then the beneficiaries thereunder shall be considered Unit Owners for all purposes and they shall be responsible for payment of all obligations, liens, or indebtnedness and for the performance of all agreements, covenants, and undertakings chargeable or created under this Declaration against such Unit. No claim shall be made against any such title-holding trustee personally for payment of any lien or obligation hereunder created, and the trustee shall not be obligated to sequester funds or trust property to apply in whole or in part against such lien or obligation. The amount of any such lien or obligation shall continue to be a charge or lien upon the Unit and the beneficiaries of such trust, notwithstanding any transfers of the beneficial interest of any such trust or any transfer of title to such Unit.

26. Notices. Notices provided for in the Act, Master Deed or By-Laws shall be in writing, and shall be addressed to the Association or any Unit Owner, as the case may be at 3900 Woodlawn Drive, Nashville, Tennessee 37205, or at such other address as hereinafter provided. The Association may designate a different address or addresses for notices to it by giving written notice of such change of address to all Unit Owners. Any Unit Owner may designate a different address for notices to him by giving written notice to the Association. Notices addressed as above shall be deemed delivered when mailed by United States registered or certified mail, or when

delivered in person with written acknowledgement of the receipt thereof.

Upon written request to the Board, the holder of any recorded mortgage or trust deed encumbering any Unit shall be given a copy of all notices permitted or required by this Master Deed to be given to the Owner or Owners whose Unit is subject to such mortgage or trust deed.

27. Severability. If any provision of this Master Deed or By-Laws, or any section, sentence, clause, phrase, word, or the application thereof in any circumstance, is held invalid, the validity of the remainder of this Master Deed and the By-Laws and of the application of any such provision, section, sentence, clause, phrase or word in any other circumstances shall not be affected thereby, and the remainder of this Master Deed or the By-Laws shall be construed as if such invalid part was never included therein.

28. Captions. The captions herein are inserted only as a matter of convenience, and in no way define, limit or describe the scope of these provisions or the intent of any provision hereof.

29. Gender. Words of any gender used in this Master Deed and in the By-Laws shall be deemed to include any other gender, and the use of the singular shall be deemed to include the plural, and the use of the plural shall be deemed to include the singular, whenever the context so requires.

Section 11. Non-Delegation. Nothing in these By-Laws shall be considered to grant to the Board, the Association, or to the officers of the Association, any powers or duties which, by law, have been delegated to Unit Owners.

ARTICLE III

Officers

Section 1. Designation. At each regular annual meeting of the Board, the Directors present at such meeting shall elect the following officers of the Association by a majority vote.

(a) a President, who shall be a Director, who shall preside over meetings of the Board and of Unit Owners, and who shall be the chief executive officer of the Association;

Section 5. Compensation. The officers shall receive no compensation for their services as officers, unless expressly provided for in a resolution duly adopted by Unit Owners.

ARTICLE IV

Assessments

Section 1. Annual Budget. the Board shall cause to be prepared an estimated annual budget for each fiscal year of the Association. Such budget shall take into account the estimated common expenses and

cash requirements for the year, including, but not limited to, salaries, wages, payroll taxes, legal and accounting fees, working capital fund, supplies, materials, parts, services, maintenance, repairs, replacements, landscaping, insurance, fuel, power, and all other common expenses. To the extent that the assessments and other cash income collected from Unit Owners during the preceding year shall be more or less than the expenditures for such preceding year, the surplus or deficit, as the case may be, shall also be taken into account. The annual budget shall also take into account the estimated net available cash income for the year from the lease, operation or use of the Common Elements. The annual budget shall provide for a reserve for contingencies for the year and replacements, in reasonable amounts as determined by the Board.

Section 2. Assessments. The estimated annual budget for each fiscal year shall be approved by the Board, and copies thereof shall be furnished by the Board to each Unit Owner, not later than thirty (30) days prior to the beginning of such year. On or before the first day of the month and of each succeeding month of the year covered by the annual budget, each Unit Owner shall pay, as his respective monthly assessment for the common expenses, one-twelfth (1/12) of his proportionate share of the common expenses for such year as shown by the annual budget. In the event that the Board shall not approve an estimated annual budget or shall fail to determine new monthly assessments for any year, or shall be delayed in doing so, each Unit Owner shall continue to pay each month the amount of his respective monthly assessment as last determined. Each Unit Owner shall pay his monthly assessment on or before the first day of each month to the Managing Agent or otherwise as directed by the Board. No Unit Owner shall be relieved of his obligation to pay any assessment by abandoning or not using his Unit, the Common Elements, or the Limited Common Elements.

Section 3. Partial Year or Month. For the first year, the annual budget shall be as approved by the First Board. If such first fiscal year, or any succeeding fiscal year, shall be less than a full year, then the monthly assessments for each Unit Owner shall be

proportionate to the number of months and days in such period covered by such budget. Commencing with the date of occupancy of his Unit, each Unit Owner shall pay his assessment for the following month or fraction of a month, which assessment shall be in proportion to his respective ownership interest in the Common Elements and the number of months and days remaining of the period covered by the current annual budget, and which assessment shall be computed by the Board.

Section 4. Annual Report. Within ninety (90) days after the end of each fiscal year covered by an annual budget, or as soon thereafter as practicable, the Board shall cause to be furnished to each Unit Owner a statement for such year, showing the receipts and expenditures and such other information as the Board may deem desirable.

Section 5. Supplemental Budget. In the event that, during the course of any year, it shall appear to the Board that the monthly assessments, determined in accordance with the estimated annual budget for such year, are insufficient or inadequate to cover the estimated common expenses for the remainder of such year, then the Board shall prepare and approve a supplemental budget covering the estimated deficiency for the remainder of such year, copies of which supplemental budget shall be furnished to each Unit Owner, and thereupon a supplemental assessment shall be made to each Unit Owner for his proportionate share of such supplemental budget.

Section 6. Expenditures. Except for the Management Agreement described in Article II, Section 9(c) hereof and expenditures and contracts specifically authorized by the Master Deed and By-Laws, the Board shall not approve any expenditure in an amount in excess of ten (10%) percent of the annual budget for the current year, unless required for emergency repair, protection or operation of the Common Elements or Limited Common Elements, nor enter into any contract for more than three (3) years, without the prior approval of two-thirds (2/3) of the total ownership in the Common Elements.

Section 7. Lien. It shall be the duty of every Unit Owner to pay his proportionate share of the common expenses as provided in the Master Deed, and as assessed in the manner herein provided.

If any Unit Owner shall fail or refuse to make any such payment

of assessments when due, such delinquent payment shall be subject to a late charge in an amount established by the Board, and such delinquent payment shall also bear interest at the highest lawful rate per annum. Such delinquent payment, together with penalty and interest, shall constitute a lien, as provided in the Act, enforceable by the Board, on the interest of such Unit Owner in the Property.

The Association, or its successors and assigns, acting through the Board or its agents, shall have the right to maintain a suit to foreclose any such lien, and there shall be added to the amount due the costs of said suit and other fees and expenses, together with legal interest and reasonable attorney's fees to be fixed by the court. Furthermore, if any Unit Owner shall fail or refuse to pay when due his proportionate share of the common expenses, and such Unit Owner withholds payment thereof after demand by the Association in writing setting forth the amount claimed, the Association shall have the right to possession of such Unit. The Association, acting through the Board, shall have the authority to exercise and enforce any and all rights and remedies as provided for in the Horizontal Property Act, the Master Deed, or these By-Laws, or as are otherwise available at law or in equity, for the collection of all unpaid assessments.

Section 8. Records and Statement of Account. The Board shall cause to be kept detailed and accurate records in chronological order of its receipts and expenditures affecting the Common Elements, specifying and itemizing the common expenses incurred. Payment vouchers may be approved in such manner as the Board may determine.

The Board shall, upon receipt of ten (10) days written notice to the Association and upon payment of a reasonable fee, furnish to any Unit Owner a statement of his account setting forth the amount of any unpaid assessment or other charges due and owing from such Unit Owner.

Section 9. Discharge of Liens. The Board may cause the Association to discharge any mechanic's lien or other encumbrance which in the opinion of the Board may constitute a lien against the Property or the Common Elements, rather than a lien against a particular Unit. When less than all the Unit Owners are responsible

for the existence of any such lien, the Unit Owners responsible shall be jointly and severally liable for the amount necessary to discharge the same and for all costs and expenses, including attorney's fees, incurred by reason of such lien.

Section 10. Holding of Funds. All funds collected hereunder shall be held and expended for the purposes designated herein, and (except for such special assessments as may be levied hereunder against less than all the Unit Owners and for such ajustments as may be required to reflect delinquent or prepaid assessments) shall be deemed to be held for the benefit, use and account of all the Unit Owners in proportionate amounts.

ARTICLE V

Use and Occupancy Restrictions

Section 1. General. No unlawful, noxious or offensive activities shall be carried on in any Unit or elsewhere on the Property, nor shall anything be done therein or thereon which shall constitute a nuisance or which shall in the judgment of the Board cause unreasonable noise or disturbance to others.

Each Unit Owner shall maintain his Unit in good condition and in good order and repair, at his own expense, and shall not do or allow anything to be done in his Unit which may increase the cost or cause the cancellation of insurance on other Units or on the Common Elements. No Unit Owner shall display, hang, store or use any clothing, sheets, blankets, laundry or other articles outside his Unit, or which may be visible from the outside of his Unit (other than draperies, curtains, shades of a customary nature and appearance, subject to the Rules and Regulations of the Association), or paint or decorate or adorn the outside of his Unit, or install outside his Unit any canopy or awning, or outside radio or television antenna, or satellite dishes, or C.B. radio transmitters, or other equipment, fixtures or items of any kind, without the prior written permission of the Board or the written permission of the Managing Agent, acting in accordance with the Board's direction. The foregoing restrictions as to use and occupancy shall not be construed to prohibit a Unit Owner

from placing and maintaining outdoor furniture and decorative foliage of a customary nature and appearace on a patio which is a Limited Common Element appurtenant to his Unit. No Unit owner shall display, hang, store, or use any sign outside his Unit, in a hallway, or elsewhere, which may be visible from the outside of his Unit, without the prior written permission of the Managing Agent, acting in accordance with the Board's direction.

No structure of a temporary character, trailer, tent, shack, garage, barn, or other out-buildings shall be permitted on the Property at any time temporarily or permanently, except with the prior written consent of the Board; provided, however, that temporary structures may be erected for use in connection with the repair or rebuilding of the Buildings or any portion thereof.

Section 2. Trash. Trash, garbage and other waste shall be kept only in sanitary containers, and shall be disposed of in a clean and sanitary manner as prescribed from time to time by Rules and Regulations of the Association.

Section 3. Use by Developer. During the period of sale by Developer of any Units, Developer, and Developer's agents, employees, contractors and subcontractors, and their respective agents and employees, shall be entitled to access, ingress to and egress from the Buildings and Property as may be required for purposes of sale of Units.
