PROPERTIES SUBJECT TO THIS DECLARATION

Section 1. Initial Properties Subject to Declaration. The property which is and shall be held, transferred, sold, conveyed and occupied subject to this Declaration is located in Davidson County, Tennessee, and is more particularly described and shown on Exhibit "A" attached hereto and made a part hereof by this reference. Camden Woods is to be built in two or more Phases. Construction of Phases I and II consisting of 102 Lots is anticipated to be completed as of July 1, 1989. All of the real property shown on Exhibit "A" and designated as Tract I shall be submitted to these Restrictions.

Section 2. Additional Phases. Without further assent or permit, Developer and any Successor Developer hereby reserves the right, exercisable from time to time but not later than twenty (20) years after the date hereof, to subject all or part of other, contiguous real property described as Tract II on Exhibit "B" to the restrictions set forth herein, in one or more Additional Phases, in order to extend the scheme of this Declaration to such property to be developed as part of Camden Woods and thereby to bring such additional contiguous Properties within the jurisdiction of the Association. In no event shall the number of Lots created on Tract II exceed 51 lots nor shall any property other than Tract II or some severable portion thereof be submitted to this Declaration as a part of Camden Woods.

Section 3. Supplementary Declarations. The additions herein authorized shall be made by filing of record one or more Supplementary Declarations in respect to the creation of Additional Phases or the addition of other Properties to be then subject to this Declaration and which shall extend the jurisdiction of the Association to such property and thereby subject such addition to assessment for its just share of the Association's expenses and shall also require the filing of such additional plats as are required for such sections in the Register's Office for Davidson County, Tennessee. Each supplementary Declaration must subject the added property or additional Lots to the covenants, conditions and restrictions contained herein.

Section 4. Consent to Rezoning. Every Owner shall be deemed to have consented to any rezoning of Tract II that may be necessary to the development of such property as part of Camden Woods. Owners of any Lots in the additional property shall succeed to all of the rights and obligations of membership in the Association.

Section 5. Extension of Development Rights to Adjacent Property. The Developer and any Successor Developer shall have the rights described in this Paragraph 2 of Article II, exercisable without approval of the Association or any other person or entity. The Developer or such Successor Developer shall have the voting rights as specified hereinafter with respect to any added Lots, subject to the original limitations as to duration of weighted voting.

Section 6. Compatibility of Construction. Developer or any Successor Developer warrants that any additional Lots to be constructed on Tract II together with any Common Areas to be added hereunder shall be compatible in style and quality of construction with the remainder of Camden Woods.

Section 7. Association Rights. The Association may not assert as a reason to object to the new development plan the fact that existing Association facilities will be additionally burdened by the property to be added by the new development.

ARTICLE III

ARCHITECTURAL, MAINTENANCE, AND USE RESTRICTIONS

Section 1. Single-Family Residential Construction. No building shall be erected, altered or permitted to remain on any Lot other than one (1) single-family residential dwelling not to exceed two and one-half (2 1/2) stories in height, which may have an attached private garage for not more than two (2) cars which structures shall not exceed the main dwelling in height.

Section 2. Approval of Plans.

(a) No construction, reconstruction, remodeling, alteration, or addition of or to any structure, building, fence, wall, drive, or improvement of any nature shall be constructed without obtaining prior written approval of Developer as to the location, plans, and specifications therefor. As a prerequisite to consideration for approval, and prior to the commencement of the contemplated work, two (2) complete sets of building plans and specifications shall be submitted. Developer shall be the sole arbiter of such plans and may withhold its approval for any reasons, including purely aesthetic reasons. Upon giving approval, construction shall be started and prosecuted to completion promptly and in strict conformity with such plans.

(b) At such time as Developer divests itself of all Lots within the development, the right of approval of plans for further construction, reconstruction, remodeling, alterations, and additions shall thereafter vest exclusively in the Association and in its Board of Directors, or such committees of the Association as shall he appointed by its Board of Directors.

(c) Developer, the Association and the individual members thereof shall not be liable for any act or omission in performing or purporting to perform the functions delegated hereunder. In the event that Developer or the Association fails to indicate its approval or disapproval within thirty (30) days after the receipt of the required documents, approval will not be required and the related covenants set out herein shall be deemed to have been fully satisfied. Approval or disapproval by Developer or the Association shall not be deemed to constitute any warranty or representation by it including, without limitation, any warranty or representation as to fitness, design or adequacy of the proposed construction or compliance with applicable statutes, codes and regulations. Anything contained in this Article III, Section 3, or elsewhere in this Declaration to the contrary notwithstanding, Developer and the Association are hereby authorized and empowered, at their sole and absolute discretion, to make and permit reasonable modifications or deviations from any of the requirements of this Declaration relating to the type, kind, quantity or quality of the building materials to be used in the construction of any building or improvement on any Lot and of the size and location of any such building or improvement when, in their sole and final judgment, such modifications and deviations in such improvements will he in harmony with existing structures and will not materially detract from the aesthetic appearance of the Properties and the improvements as a whole; provided, however, such modifications and deviations must remain within all applicable ordinances and regulations established by the Metropolitan Government of Nashville and Davidson County, Tennessee.

Developer or the Association, as the case may be, may require the submission to it of such documents and items, including as examples, but without limitation, written requests for and description of the variances requested, plans, specifications, plot plans and samples of material(s), as either of them shall deem appropriate, in connection with its consideration of a request for a variance. If Developer or the Association shall approve such request for a variance, it shall evidence such approval, and grant its permission for such variance, only by written instrument, addressed to the Owner of the Lot(s) relative to which such variance has been requested, describing the applicable restrictive covenant(s) and the particular variance requested, expressing its decision to permit the variance, describing (when applicable) the conditions on which the variance has been approved (including as examples, but without limitation, the type of alternate materials to be permitted, and alternate fence height approved or specifying the location, plans and specifications applicable to an approved outbuilding), and signed by Developer or the Association, as the case may be. Any request for a variance shall be deemed to have been disapproved for the purposes hereof in the event of either (i) written notice of disapproval from Developer or the Association or (ii) failure by Developer or the Association to respond to the request for variance. In the event Developer or the Association or any successor to the authority thereof shall not then be functioning, no variances from the covenants herein contained shall be permitted, it being the intention of Developer that no variances be available except at its discretion or that of the Association. Neither Developer nor the Association shall have the authority to approve any variance except as expressly provided in this Declaration.

Section 3. Structural Compliance. All structures shall be built in substantial compliance with the plans and specifications therefor, approved by Developer or the Association as provided in Section 3 above.

Section 4. Minimum Square Footage within Improvements. (a) No building or structure, or any part thereof, shall be located on any Lot nearer to the front line, the rear line, or any side line than the minimum building setback lines required by the Metropolitan Government of Nashville and Davidson County, and as may he shown on the recorded plans. For purposes of determining compliance with this requirement, porches, wing walls, eaves, and steps extending beyond the outside wall of a structure shall be considered as a part thereof. No encroachment upon any utility easements reserved on the Plat shall be authorized or permitted.

(b) To provide for uniformity and proper utilization of the building area within the Detached Homes Lots, dwellings or appurtenant structures on a Lot shall not be less than ten (10) feet from the Lot line between and contiguous Lot(s).

(c) The side wall of the dwelling or appurtenant structure built on a zero setback line shall be constructed using permanent low-maintenance material, the appearance and materials of which shall be approved by the Association; and such walls shall satisfy all local building codes and regulations as to fire resistance. The Owner of any adjacent Lot shall not attach anything to a side wall or fence located upon the zero setback line; nor shall the Owner of any adjacent Lot alter in any manner, i.e., structure, color, material or otherwise, a side wall or fence located upon the zero setback line without the prior written approval of both the Owner of such structure and of the Association.

Section 6. Re-subdivision of Lots. No Lot shall be re-subdivided, nor shall any building be erected or placed on any such re-subdivided Lot, unless such re-subdivision is approved by the Association, as well as any governmental authority having jurisdiction. Developer, however, shall have the right, but not the obligation, to re-subdivide into Lots, by recorded plat or in any other lawful manner, all or any part of the Properties contained within the outer boundaries of the Plat, and such Lots, as replatted, shall he subject to this Declaration as if such Lots were originally included herein. Any such replat must comply with pertinent replatting ordinances, statutes, regulations and requirements.

Section 7. Walls, Fences and Hedges. No wall or fence shall be erected or maintained nearer to the front lot line than the front building line on such Lot, nor on corner lots nearer to the side Lot line than the building setback line parallel to the side street. No side or rear fence, wall or hedge shall be more than six (6) feet in height. Any wall, fence or hedge erected on a Lot shall be maintained by the Owner thereof. All fencing hall he constructed only of such materials and erected only on such Lots and in such a manner as shall he approved by the Association. No fence shall be constructed or maintained between the front building or setback line and the street; provided, however, the planting of hedges, shrubbery or evergreens in lieu of a fence, and extending to the front or sides of any Lot is permitted, provided such planting shall not he maintained at a height in excess of forty-two (42) inches.

Section 12. Signs and Advertisements. No sign, advertisement, billboard or advertising structure of any kind shall be erected upon or displayed or otherwise exposed to view on any Lot or any improvement thereon without the prior written

consent of the Association; provided that this requirement shall not preclude the installation by Developer of signs identifying the entire residential development and provided further that this requirement shall not preclude the placement by Owners of "For Sale" signs in the front of individual residences of such size, character, and number as shall from time to time be approved by the Association. The Association shall have the right to remove any such unapproved sign, advertisement, billboard or structure that is placed on said Lots, and in doing so shall not be subject to any liability for trespass or other tort in connection therewith or arising from such removal.

Section 13. Use of Temporary Structures. No structure of a temporary character, mobile home, camper, trailer, basement, tent, shack, garage, barn or other outbuilding shall be erected, moved onto any Lot and/or used at any time as a residence, nor shall any residence of a temporary charter be permitted. No structure of any kind except a dwelling house may be occupied as a residence, and the outside of any building so occupied must be completed before occupancy, including landscaping. No residence shall be built on any Lot unless it conforms to and is in harmony with the existing structures in Camden Woods subdivision and not more than one residence may be maintained on any Lot at the same time. Temporary structures may be used as building offices and for related purposes during the construction period. Freestanding antennae must be attached to and located behind the rear wall of the main residential structure. No antennae, either freestanding or attached, shall be permitted to extend more than ten (10) feet above the roof of the main residential structure on the Lot, or shall be erected on a wooden pole.

Section 17. Window Units. All supplements to the central air conditioning system must be used, erected, placed or maintained to the rear of the main residential structure. No window or wall type air conditioning units shall be permitted to be seen from the street view of any Lot.

The Owner or Occupant of each Lot shall at all times keep all weeds and grass thereon cut in a sanitary, healthful and attractive manner and all trees and shrubbery pruned and cut. No Lot shall be used for storage of material and equipment, except for normal residential requirements or incident to construction of improvements thereon as herein permitted. The accumulation of garbage, trash or rubbish of any kind and the burning (except as permitted by law) of any such materials is prohibited. In the event of default on the part of the Owner or Occupant of any Lot in observing the

above requirements or any of them, such default continuing after ten (10) days' written notice thereof, the Association may, subject to approval of its Board of Directors, enter upon said Lot, repair, maintain and restore the same, cut or prune or cause to be cut or pruned, such weeds, grass, trees and shrubbery and remove or cause to be removed, such garbage, trash and rubbish or do any other thing necessary to secure compliance with these restrictions and to place said Lot in a neat, attractive, healthful and sanitary condition. In so doing, the Association shall not be subject to any liability for trespass or otherwise. All costs incurred in any such repair, maintenance, restoration, cutting, pruning or removal shall be charged against the Owner of such Lot as the personal obligation of such Owner and as a lien upon the Lot, enforceable and collectible in the same manner and to the same extent as a maintenance assessment. Any Occupant of such Lot shall be jointly and severally liable with the Owner for the payment of such coats.

The Association shall contract with one (1) or more landscaping services to provide grass cutting, lawn maintenance, proper care for all trees, shrubbery and other landscaping, and other necessary maintenance services for the Common Areas, provision for which shall be made in the monthly or annual assessments.

(i) In the event of total destruction, the Owner shall promptly clear the Lot of debris and leave the same in a neat and orderly condition. Within 60 days of any insurance settlement, the Owner must commence to rebuild and reconstruct the structure. Any such rebuilding and reconstruction shall be accomplished in conformity with the plans and specifications of the original structure so destroyed, subject to any changes or modifications as approved by the Developer or the Association, as the case may be, in accordance with Article II hereof.

(ii) In the case of partial damage or destruction, the Owner shall, as promptly as an insurance adjustment may be made, cause the damage or destruction to be repaired and restored in a first class condition in accordance with the plans and specifications of the original structure and in conformity with its original exterior painting and decor. Any change or alteration must he approved by the Developer or the Association, as the case may be, in accordance with Article III hereof. In no event shall any damaged structure be left unrepaired and unrestored for in excess of sixty (60) days, from the date of the insurance adjustment.

(iii) If the correction of a maintenance or repair problem incurred on one Lot necessitates construction work or access on another Lot, both Owners shall have an easement on the property of the other for the purpose of this construction. Each party shall contribute to the cost of restoration thereof equally, unless such damage was caused by the fault of an Owner, in which event the Owners shall allocate the cost of restoration in proportion to the relative fault of the parties.

Section 22. Use of Premises. Each Lot shown on the Plat shall he used only for private, single-family residential purposes and not otherwise. Notwithstanding the foregoing, Developer may maintain, as long as it owns property in or upon such portion of the Properties as Developer may determine, such facilities as in its sole discretion may be necessary or convenient, including, but without limitation, offices, storage areas, model units and signs, and Developer may use, and permit builders (who are at the relevant time building and selling houses in the development) to use, residential structures, garages or accessory buildings for sales offices and display purposes, but all rights of Developer and of any builder acting with Developer's permission under this sentence, shall be operative and effective only during the construction and sales period within the area.

No animals, livestock, or poultry of any kind shall be raised, bred, pastured, or maintained on any Lot, except household pets such as small dogs and cats which may be kept thereon in reasonable numbers as pets for the sole pleasure of the Owner or Occupant, but not for any commercial use or purpose.

Section 24. Nuisances and Unsightly Materials. No house or other structure on any Lot shall be used for any business or commercial purpose. The foregoing shall not be construed to prohibit the temporary deposits of trash and other debris for pick-up by garbage and trash removal service units.

Section 25. Hobbies and Activities. The pursuit of any inherently dangerous activity or hobby, including, without limitation, the assembly and disassembly of motor vehicles or other mechanical devices, the shooting of firearms, fireworks, or pyrotechnic devices of any type or size, and other such activities shall not be pursued or undertaken on any part of any Lot or upon the Common Areas without the consent of the Association.

Section 26. Visual Obstruction at the Intersection of Public Streets. No object or thing which obstructs sight lines at elevations between two (2) feet and six (6) feet above the surface of the streets shall be placed, planted or permitted to remain on any corner Lot within the triangular area formed by the curb lines of the streets involved and a line running from curb line to curb line at points twenty-five (20) feet from the junction of the street curb lines. The same limitations shall apply on any Lot within ten (10) feet from the intersection of a street property line with the edge of a driveway.

Section 27. Governmental Restrictions. Each Owner shall observe all governmental building codes, health regulations, zoning restrictions, and other regulations applicable to his Lot. In the event of any conflict between any provision of any such governmental code, regulation, or restriction and any provisions of this Declaration, the more restrictive provision shall apply.

Section 28. Roads. ARTICLE IV

When two (2) or more persons hold an interest in any Lot as Owners thereof, all such persons shall be Members. The vote for such Lot shall be exercised by one (1) of such persons as proxy or nominee for all persons holding an interest as Owners in the Lot and in no event shall more than one (1) vote be cast with respect to any Lot, except as provided above with respect to Developer.

A corporate Member's vote shall be cast by the President of the Member corporation or by any other officer or proxy appointed by the President or designated by the Board of Directors of such corporation. Amounts paid into the fund shall not be considered as advance payment of regular assessments. (The contribution to the working capital fund for each unsold Lot shall be paid to the Association within sixty (60) days after the date that the Developer shall cease to have four (4) votes for each Lot it owns pursuant to Section 1 above. The purpose of the fund is to insure that the Association will have cash available to meet unforeseen expenditures, or to acquire additional equipment or services deemed necessary or desirable by the Board of Directors.

Security may be provided at the Developer's discretion, and no Owner shall have any cause of action for failure to provide adequate security.

ARTICLE V

COMMON AREA PROPERTY RIGHTS AND MAINTENANCE ASSESSMENTS

Section 1. Common Areas. Each Owner shall have a non-exclusive right and easement of enjoyment in and to the Common Areas which shall be appurtenant to and shall pass with the title to each Lot as designated upon the Plats, subject only to the provisions of this Declaration and the Articles of Incorporation, By-Laws, and rules and regulations of the Association, including, but not limited to, the following;

1. the right of the Association to limit the use of the Common Areas to Owners or Occupants of Lots, their families and their guests and those persons entitled to membership privileges as set forth in the Bylaws which rights may be conferred by the Developer in the Developer's site discretion;

2. the right of the Association to suspend voting privileges and rights of use of the Common Areas for any Owner whose assessment against his Lot becomes delinquent; and

3. the right of the Association to dedicate or transfer all or any part of the Common Areas to any public agency, authority, or utility or to transfer or mortgage all or any part of the Common Areas for such purposes and subject to such conditions as may be agreed upon by the Members; provided that no such dedication, transfer, or mortgage shall be effective unless the Members entitled to cast at least two-thirds (2/3) of the votes agree by vote or written consent to such dedication, transfer or mortgage, and signify their agreement by a signed and recorded written document; and provided further that this paragraph shall not preclude the Board of Directors of the Association from granting easements for the installation and maintenance of electrical, telephone, cablevision, water and sewerage, utilities, and drainage facilities upon, over, under, and across the Common Areas without the assent of the membership when such easements are requisite for the convenient use and enjoyment of the Properties. In the event ingress or egress to any Lot is through the Common Areas, any conveyance or encumbrance of such area is subject to the easement of the Owner of such Lot.

Section 2. Assessment for Maintenance of Common Areas. For each Lot owned within the development, every Owner covenants and agrees, and each subsequent Owner of any such Lot, by acceptance of a deed therefor, shall be deemed to covenant and agree, to pay to the Association monthly or annual assessments or charges for the creation and continuation of a maintenance fund in amounts to be established from time to time by the Board of Directors of the Association in order to maintain, landscape, and beautify the Common Areas, to promote the health, safety, and welfare of the residents of the community, to pay taxes, if any, assessed against the Common Areas, to procure and maintain insurance thereon, to employ attorneys, accountants, and security personnel, and to provide such other services as are not readily available from governmental authorities having jurisdiction over the same. In addition, the Owner of each Lot and each subsequent Owner thereof, by acceptance of his deed, covenants and agrees to pay special assessments as approved by the membership in the manner hereinafter provided.

Section 3. Creation of Lien and Personal Obligation of Assessments. In order to secure payment of assessments, both monthly or annual and special, as the same become due, there shall arise a continuing lien and charge against each Lot, the amount of which shall include interest at the maximum effective rate allowed by law, costs, and reasonable attorney's fees to the extent permissible by law. Each such assessment, together with such interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of the Lot at the time the assessment became due; provided that this personal obligation shall not pass to successors in title unless expressly assumed by them. The lien provided for herein, however, shall be subordinate to the lien of any first deed of trust (sometimes hereinafter called "mortgage") on any Lot if, but only if, all such assessments made with respect to such Lot having a due date on or prior to the date such first mortgage is filed for record have been paid. The lien and permanent charge hereby subordinated is only such lien and charge as relates to assessments authorized hereunder having a due date subsequent to the date such first mortgage is filed of record and prior to the satisfaction, cancellation, or foreclosure of the same, or the transfer of the mortgaged property in lieu of foreclosure. The sale or transfer of any Lot shall not affect any assessment lien. The sale or transfer of any Lot that is subject to any first mortgage, pursuant to a foreclosure thereof or under power of sale or any proceeding in lieu of foreclosure thereof, shall extinguish the lien of such assessment, but not the personal obligation of any former title holder, as to payments that became due prior to such sale or transfer and subsequent to the recordation of the first mortgage that has been foreclosed, but the Association shall have a lien upon the proceeds from foreclosure or of sale junior only to the lien of the foreclosed first mortgage. No sale or transfer shall relieve such Lot from liability for any assessment thereafter becoming due or from the lien thereof.

Section 4. Levy of Assessments. The Board of Directors of the Association shall fix the commencement date for monthly or annual assessments on the first day of the month following the conveyance of the first Lot to an Owner and shall provide for a partial assessment between the commencement date and the end of the calendar year next following. Thereafter, monthly or annual assessments shall be levied by the Board of Directors of the Association, by action taken on or before December 1 of each year for the ensuing year. The Board, in its discretion, may provide for the

periodic payment of such assessments at some intervals other than monthly. Special assessments may be levied in any year for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Areas, if any, including fixtures and personal property related thereto; provided that the same are first approved by the Board of Directors of the Association, recommended to the membership, and subsequently approved by affirmative vote of Members entitled to cast at least two-thirds (2/3) of the votes at a meeting of the Members duly held for that purpose. Written notice of the monthly, annual or special assessment shall be mailed (by U.S. first class mail) to every Owner subject thereto. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid and the amount of any delinquencies. The Association shall not be required to obtain a request for such certificate signed by the Owner, but may deliver such certificate to any party who in the Association's judgment has a legitimate reason for requesting the same.

Section 5. Maximum Annual Assessment. Until otherwise established by the Board of Directors of the Association as set forth herein, the maximum annual assessment shall be Two Hundred Sixteen and No/100 Dollars ($216.00) per Lot. From and after one year from the date hereof, the maximum annual assessment may be increased each year by an amount up to, but not in excess of, fifteen percent (15%) of the maximum annual assessment for the previous year without a vote of the membership. In the event the Board of Directors determines that an increase in excess of such amount is required, the amount of assessment exceeding such limitation shall be automatically effective thirty (30) days after the Association sends written notice to each Owner of the amount and necessity of such increased assessment unless the Association receives written objection to such increased assessment by Members entitled to cast more than fifty percent (50%) of the percentage values of the votes eligible to be cast by Members of the Association within such thirty (30) day period or a special meeting of Members is called within such thirty (30) day period and the excess assessment is disapproved like vote of the Members at such meeting.

Section 6. Rate of Assessment. All Lots in the development shall commence to bear their applicable maintenance fund assessment simultaneously, and any such Lots owned by Developer shall he exempt from assessment. Lots which are owned by residents shall be subject to the annual assessment determined by the Board of Directors in accordance with the provisions of Sections 4 and 5 hereof. The rate of assessment for an individual Lot, within a calendar year, may change as the character of ownership and the status of occupancy by a resident changes, and the applicable assessment for such Lot shall be prorated according to the rate required during each type of ownership.

Section 7. Effect of Non-Payment of Assessments and Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the maximum effective rate then allowed by law. The Association, its agent or representative, may bring an action at law against the Owner personally obligated to pay the same or foreclose the lien against the Lot to which the assessment relates, and interest, costs, and reasonable attorney's fees for such action or foreclosure shall be added to the amount of such assessment to the extent allowed by law. No Owner may avoid liability for the assessments provided for herein by non-use of the Common Areas or abandonment of his Lot.

Section 8. Conveyance of Common Areas. Developer hereby conveys to the Association the Common Areas free and clear of all encumbrances.
