DECLARATION OF COVENANTS, CONDITIONS, AND RESTRICTIONS

FOR

COTTONPORT PLANTATION

THIS DECLARATION OF COVENANTS, CONDITIONS, AND RESTRICTIONS is made this 16 day of AUGUST, 1988, by Radnor Homes, Inc., a Delaware corporation (hereinafter referred to as "Declarant");

Declarant is the owner of the real property described in Exhibit "A" attached hereto and incorporated herein by reference. Declarant intends by this Declaration to impose upon the Properties (as defined herein) mutually beneficial restrictions under a general plan of improvement for the benefit of all owners of residential property within the Properties. Declarant desires to provide a flexible and reasonable procedure for the overall development of the Properties, and to establish a method for the administration, maintenance, preservation, use and enjoyment of such Properties as are now or hereafter subjected to this Declaration;

Declarant hereby declares that all of the property described in Exhibit "A" and any additional property as is hereafter subjected to this Declaration by Supplemental Declaration (as defined herein) shall be held, sold, and conveyed subject to the following easements, restrictions, covenants, and conditions which are for the purpose of protecting the value and desirability of and which shall run with the real property subjected to this Declaration and which shall be binding on all parties having any right, title, or interest in the described Properties or any part thereof, their heirs, successors, successors-in-title, and assigns, and shall inure to the benefit of each owner thereof. This Declaration does not and is not intended to create a condominium within the meaning of the Tennessee Horizontal Property Act, Tenn. Code Ann. 64.2701, et seq.

Article I
Definitions

Section 1. "Area of Common Responsibility" shall mean and refer to the Common Area, together with those areas, if any, which by the terms of this Declaration or by contract

become the responsibility of the Association. The office of any property manager employed by or contracting with the Association, if located on the Properties, or any public rights-of-way within or adjacent to the Properties, may be part of the Area of Common Responsibility.

Section 2. "Articles of Incorporation" or "Articles" shall mean and refer to the Articles of Incorporation of Cottonport Plantation Homeowners Association, Inc., as filed with the Secretary of State of the State of Tennessee.

Section 3. "Association" shall mean and refer to Cottonport Plantation Homeowners Association, Inc., a Tennessee nonprofit corporation, its successors or assigns. The "Board of Directors" or "Board" shall be the elected body having its normal meaning under Tennessee corporate law.

Section 4. "Base Assessment" shall mean and refer to assessments levied against all Units in the Properties to fund Common Expenses.

Section 5. "By-Laws" shall mean and refer to the By-Laws of Cottonport Plantation Homeowners Association, Inc., attached hereto as Exhibit "C" and incorporated herein by reference, as they may be amended from time to time.

Section 6. "Class "B" Control Period" shall mean and refer to the period of time during which the Declarant, as the Class "B" Member, is entitled to appoint at least a majority of the members of the Board of Directors, as provided in Article III, Section 2(b), of the Declaration, and Article III, Section 2 of the By-Laws.

Section 7. "Common Area" shall mean all real and personal property which the Association now or hereafter owns or otherwise holds for the common use and enjoyment of all Owners. The initial Common Area shall be conveyed to the Association prior to the conveyance of a Unit to any Unit purchaser other than a builder or developer holding title for the purpose of development and resale.

Section 8. "Common Expenses" shall mean and include the actual and estimated expenses incurred by the Association for the general benefit of all Unit Owners, including any reasonable reserve, all as may be found to be necessary and appropriate by the Board pursuant to this Declaration, the By-Laws, and the Articles of Incorporation of the Association.

Section 9. "Community-Wide Standard" shall mean the standard of conduct, maintenance, or other activity generally prevailing throughout the Properties. Such standard may be more specifically determined by the Board of Directors and the New Construction Committee.

Section 10. "Declarant" shall mean and refer to Radnor Homes, Inc., a Delaware corporation, or its successors, successors-in-title or assigns who take title to any portion of the property described on Exhibits "A" or "B" for the purpose of development and sale and are designated as the Declarant hereunder in a recorded instrument executed by the immediately preceding Declarant.

Section 11. "Member" shall mean and refer to a Person entitled to membership in the Association, as provided herein.

Section 12. "Mortgage" shall mean and refer to a mortgage, a deed of trust, a deed to secure debt, or any other form of security deed.

Section 13. "Mortgagee" shall mean and refer to a beneficiary or holder of a Mortgage.

Section 14. "Mortgagor" shall mean and refer to any Person who gives a Mortgage.

Section 15. "Owner" shall mean and refer to one (1) or more Persons who hold the record title to any Unit which is part of the Properties, but excluding in all cases any party holding an interest merely as security for the performance of an obligation. If a Unit is sold under a recorded contract of sale, and the contract specifically so provides, then the purchaser (rather than the fee owner) will be considered the Owner.

Section 16. "Person" means a natural person, a corporation, a partnership, a trustee, or other legal entity.

Section 17. "Properties" shall mean and refer to the real property described in Exhibit "A" attached hereto, together with such additional property as is hereafter subjected to this Declaration by Supplemental Declaration.

Section 18. "Special Assessment" shall mean and refer to assessments levied in accordance with Article X, Section 4 of this Declaration.

Section 19. "Supplemental Declaration" shall mean an amendment or supplement to this Declaration which subjects additional property to this Declaration or imposes, expressly or by reference, additional restrictions and obligations on the land described therein, or both.

Section 20. "Unit" shall mean a portion of the Properties, whether developed or undeveloped, intended for development, use, and occupancy as a detached residence for a single family. The term shall include all portions of the lot owned, including any structure thereon.

In the case of a parcel of vacant land or land on which improvements are under construction, the parcel shall be deemed to contain the number of Units planned for such parcel until such time as a certificate of occupancy is issued on all or a portion thereof by the local government entity having jurisdiction, after which the portion designated in the certificate of occupancy shall constitute a separate Unit or Units as determined above and the number of Units on the remaining land, if any, shall continue to be determined in accordance with this paragraph.

Article II
Property Rights

Every Owner shall have a right and easement of enjoyment in and to the Common Area, subject to this Declaration as it may be amended from time to time and to any restrictions or limitations contained in any deed conveying such property to the Association. Any Owner may delegate his or her right of enjoyment to the members of his or her family, tenants and social invitees, as applicable, subject to reasonable regulation by the Board and in accordance with procedures it may adopt. An Owner who leases his or her Unit shall be deemed to have delegated all such rights to the Unit's lessee.

Declarant reserves the right to amend this Declaration unilaterally at any time, without prior notice and without the consent of any Person, for the purpose of removing certain portions of the Properties then owned by the Declarant or its affiliates or the Association from the provisions of this Declaration to the extent originally included in error or as a result of any changes whatsoever in the plans for Cottonport Plantation desired to be effected by the Declarant, provided such withdrawal is not unequivocably contrary to the overall, uniform scheme of development for Cottonport Plantation.

Article III
Membership and Voting Rights

Section 1. Membership. Every Owner, as defined in Article I, shall be deemed to have a membership in the Association.

No Owner, whether one (1) or more Persons, shall have more than one (1) membership per Unit owned. In the event the Owner of a Unit is more than one (1) Person, votes and rights of use and enjoyment shall be as provided herein. The rights and privileges of membership may be exercised by a Member or the Member's spouse, subject to the provisions of this Declaration and the By-Laws. The membership rights of a Unit owned by a corporation or partnership shall be exercised by the individual designated by the Owner in a written instrument provided to the Secretary, subject to the provisions of this Declaration and the By-Laws.

Section 2. Voting. The Association shall have two (2) classes of membership, Class "A" and Class "B", as follows:

(a) Class "A". Class "A" Members shall be all Owners with the exception of the Class "B" Member, if any.

Class "A" Members shall be entitled to one (1) equal vote for each Unit in which they hold the interest required for membership under Section 1 hereof; there shall be only one (1) vote per Unit.

In any situation in which more than one (1) Person holds the interest in a Unit required for membership, the vote for such Unit shall be exercised as those Persons determine among themselves and advise the Secretary of the Association in writing prior to any meeting. In the absence of such advice, the Unit's vote shall be suspended if more than one (1) Person seeks to exercise it.

(b) Class "B". The Class "B" Member shall be the Declarant. The rights of the Class "B" Member, including the right to approve actions taken under this Declaration and the By-Laws, are specified elsewhere in the Declaration and the By-Laws. The Class "B" Member shall be entitled to, in its sole discretion, appoint the members of the Board of Directors during the Class "B" Control Period, subject only to Article III, Section 6, of the By-Laws. For a period of one (1) year after the date of termination of the Class "B" Control Period, the Declarant shall have the right to participate in the decision-making process and the right to disapprove all

actions of the Board of Directors and any committee as provided in Article III, Section 3, of the By-Laws. The Class "B" Control Period shall terminate, and the Class "B" membership shall terminate and become converted to Class "A" membership, upon the earlier of.

(i) when seventy-five (75%) percent of the Units planned for the property described on Exhibits "A" and "B" of the Declaration have certificates of occupancy issued thereon and have been conveyed to Persons other than the Declarant or builders holding title solely for purposes of development and sale;

(ii) January 1, 1998; or

(iii) when, in its discretion, the Class "B" Member so determines.

Notwithstanding any provision to the contrary contained in this Declaration or the By-Laws, during the Class "B" Control Period, any action, policy or program of the Association requiring approval by the vote of the Members of the Association shall not be taken or adopted until also approved in writing by the Class "B" Member.

Article IV
Maintenance

Section 1. Association's Responsibility. The Association shall maintain and keep in good repair the Area of Common Responsibility, such maintenance to be funded as hereinafter provided, subject to any insurance then in effect. This maintenance shall include, but need not be limited to, maintenance, repair, and replacement of all landscaping and other flora, structures, and improvements situated upon the Common Areas. Maintenance may also include such portions of any additional property included within the Area of Common Responsibility as may be dictated by this Declaration, or by a contract or agreement for maintenance thereof by the Association.

Except as otherwise specifically provided herein, all costs associated with maintenance, repair and replacement of Common Areas shall be a Common Expense to be allocated among all Units as part of the Base Assessment.

The Association may maintain property which it does not own, including, without limitation, property dedicated to

the public, if the Board of Directors determines that such maintenance is necessary or desirable to maintain the Community-Wide Standard.

Section 2. Owner's Responsibility. Each Owner shall maintain his or her Unit and all structures, exterior surfaces of the Unit, parking areas, fences and other improvements comprising the Unit in a manner consistent with the Community-Wide Standard and all applicable covenants, unless such maintenance responsibility is otherwise assumed by or assigned to the Association. If any Owner fails properly to perform his or her maintenance responsibility, the Association may perform it and assess all costs incurred by the Association against the Unit and the Owner thereof in accordance with Article X, Section 4 of this Declaration; provided, however, except when entry is required due to an emergency situation, the Association shall afford the Owner reasonable notice and an opportunity to cure the problem prior to entry.

Article V
Insurance and Casualty Losses

Section 1. Insurance. The Association's Board of Directors, or its duly authorized agent, shall have the authority to and shall obtain blanket all-risk insurance, if reasonably available, for all insurable improvements on the Common Area. If blanket all-risk coverage is not reasonably available, then at a minimum an insurance policy providing fire and extended coverage shall be obtained. This insurance shall be in an amount sufficient to cover one hundred (100%) percent of the replacement cost of any repair or reconstruction in the event of damage or destruction from any insured hazard.

In addition to casualty insurance on the Common Area, the Association may, as a Common Expense, but shall not under any circumstances be obligated to, obtain and continue in effect adequate blanket all-risk casualty insurance, if reasonably available, and if not reasonably available, fire and extended coverage, in such form as the Board of Directors deems appropriate for one hundred (100%) percent of the replacement cost of all structures located on Units.

The Board shall also obtain a public liability policy covering the Common Area, the Association and its Members for all damage or injury caused by the negligence of the Association or any of its Members or agents. The public liability policy shall have at least a One Million ($1,000,000.00) Dollar single person limit as respects bodily

injury and property damage, a Three Million ($3,000,000.00) Dollar limit per occurrence, if reasonably available, and a Five Hundred Thousand ($500,000.00) Dollar minimum property damage limit.

Premiums for all insurance shall be Common Expenses of the Association and shall be included in the Base Assessment, as defined in Article I and as more particularly described in Article X, Section 1. The policy may contain a reasonable deductible, and, in the case of casualty insurance, the amount thereof shall be added to the face amount of the policy in determining whether the insurance at least equals the full replacement cost. The deductible shall be paid by the party who would be liable for the loss or repair in the absence of insurance and in the event of multiple parties shall be allocated in relation to the amount each party's loss bears to the total.

All insurance coverage obtained by the Board of Directors shall be written in the name of the Association as trustee for the respective benefitted parties, as further identified in (b) below. Such insurance shall be governed by the provisions hereinafter set forth:

(a) All policies shall be written with a company licensed to do business in Tennessee which holds a Best's rating of A or better and is assigned a financial size category of XI or larger as established by A. M. Best Company, Inc., if reasonably available, or, if not available, the most nearly equivalent rating.

(b) All policies shall be for the benefit of the Association and its Members and their Mortgagees, as their interests may appear.

(c) Exclusive authority to adjust losses under policies obtained by the Association on the Properties shall be vested in the Association's Board of Directors; provided, however, no Mortgagee having an interest in such losses may be prohibited from participating in the settlement negotiations, if any, related thereto.

(d) In no event shall the insurance coverage obtained and maintained by the Association's Board of Directors hereunder be brought into contribution with insurance purchased by individual Owners, occupants, or their Mortgagees.

(e) All casualty insurance policies shall have an inflation guard endorsement, if reasonably available, and an

agreed amount endorsement with an annual review by one or more qualified persons, at least one of whom must be in the real estate industry and familiar with construction in the Davidson County, Tennessee, area.

(f) The Association's Board of Directors shall be required to make every reasonable effort to secure insurance policies that will provide for the following:

(i) a waiver of subrogation by the insurer as to any claims against the Association's Board of Directors, its manager, the Owners, and their respective tenants, servants, agents, and guests;

(ii) a waiver by the insurer of its rights to repair and reconstruct, instead of paying cash;

(iii) a statement that no policy may be cancelled, invalidated, suspended, or subject to nonrenewal on account of the actions of any one or more individual Owners;

(iv) a statement that no policy may be cancelled, invalidated, suspended, or subject to nonrenewal on account of the conduct of any director, officer, or employee of the Association or its duly authorized manager without prior demand in writing delivered to the Association to cure the defect and the allowance of a reasonable time thereafter within which the defect may be cured by the Association, its manager, any Owner, or Mortgagee;

(v) that any "other insurance" clause in any policy exclude individual Owners' policies from consideration; and

(vi) that the Association will be given at least thirty (30) days' prior written notice of any cancellation, substantial modification, or non-renewal.

In addition to the other insurance required by this Section, the Board shall obtain, as a common expense, worker's compensation insurance, if and to the extent required by law, directors' and officers' liability coverage, if reasonably available, a fidelity bond or bonds on directors, officers, employees, and other Persons handling or responsible for the Association's funds, if reasonably available, and flood insurance, if required. The amount of fidelity coverage shall be determined in the directors' best business judgment but, if reasonably available, may not be less than three (3) months' assessments on all Units, plus reserves on hand. Bonds shall

contain a waiver of all defenses based upon the exclusion of persons serving without compensation and shall require at least thirty (30) days' prior written notice to the Association of any cancellation, substantial modification, or non-renewal.

Section 2. Individual Insurance. By virtue of taking title to a Unit subject to the terms of this Declaration, each Owner covenants and agrees with all other Owners and with the Association that each Owner shall carry blanket all-risk casualty insurance on the Unit(s) and structures constructed thereon meeting the same requirements as set forth in Section 1 of this Article V for insurance on the Common Area, unless the Association carries such insurance (which they are not obligated to do hereunder). Each Owner further covenants and agrees that in the event of a partial loss or damage and destruction resulting in less than total destruction of structures comprising his Unit, the Owner shall proceed promptly to repair or to reconstruct the damaged structure in a manner consistent with the original construction or such other plans and specifications as are approved in accordance with Article XI of this Declaration. The Owner shall pay any costs of repair or reconstruction which is not covered by insurance proceeds. In the event that the structure is totally destroyed the Owner may decide not to rebuild or to reconstruct, in which case the Owner shall clear the Unit of all debris and return it to substantially the natural state in which it existed prior to the beginning of construction and thereafter the Owner shall continue to maintain the Unit in a neat and attractive condition consistent with the Community-Wide Standard.

Section 3. Damage and Destruction.

(a) Immediately after damage or destruction by fire or other casualty to all or any part of the Properties covered by insurance written in the name of the Association, the Board of Directors or its duly authorized agent shall proceed with filing and adjusting all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed Properties. Repair or reconstruction, as used in this paragraph, means repairing or restoring the Properties to substantially the same condition in which they existed prior to the fire or other casualty, allowing for any changes or improvements necessitated by changes in applicable building codes.

(b) Any damage or destruction to the Common Area shall be repaired or reconstructed unless the Members representing at least seventy-five (75%) percent of the total

vote of the Association, shall decide within sixty (60) days after the casualty not to repair or reconstruct. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not made available to the Association within said period, then the period shall be extended until such information shall be made available; provided, however, such extension shall not exceed sixty (60) days. No Mortgagee shall have the right to participate in the determination of whether the damage or destruction to Common Area shall be repaired or reconstructed.

(c) In the event that it should be determined in the manner described above that the damage or destruction to the Common Area shall not be repaired or reconstructed and no alternative improvements are authorized, then and in that event the affected portion of the Properties shall be restored to their natural state and maintained by the Association in a neat and attractive condition consistent with the Community-Wide Standard.

Section 4. Disbursement of Proceeds. If the damage or destruction for which the proceeds of insurance policies are paid is to be repaired or reconstructed, the proceeds, or such portion thereof as may be required for such purpose, shall be disbursed in payment of such repairs or reconstruction as herein provided. Any proceeds remaining after defraying such costs of repair or reconstruction to the Common Area shall be retained by and for the benefit of the Association and placed in a capital improvements account. In the event no repair or reconstruction is made, any proceeds remaining after making such settlement as is necessary and appropriate with the affected Owner or Owners and their Mortgagee(s) as their interests may appear, shall be retained by and for the benefit of the Association and placed in a capital improvements account. This is a covenant for the benefit of any Mortgagee of a Unit and may be enforced by such Mortgagee.

Section 5. Repair and Reconstruction. If the damage or destruction to the Common Area is to be repaired or reconstructed, and such proceeds are not sufficient to defray the cost thereof, the Board of Directors shall, without the necessity of a vote of the Members, levy a special assessment against all Owners on the same basis as provided for Base Assessments. Additional assessments may be made in like manner at any time during or following the completion of any repair or reconstruction.

Article VI
No Partition

Except as is permitted in the Declaration or amendments thereto, there shall be no physical partition of the Common Area or any part thereof, nor shall any Person acquiring any interest in the Properties or any part thereof seek any judicial partition unless the Properties have been removed from the provisions of this Declaration. This Article shall not be construed to prohibit the Board of Directors from acquiring and disposing of tangible personal property nor from acquiring title to real property which may or may not be subject to this Declaration.

Article VII
Condemnation

Whenever all or any part of the Common Area shall be taken (or conveyed in lieu of and under threat of condemnation by the Board acting on the written direction of Members representing at least two-thirds (2/3) of the total Association vote and the Declarant, as long as the Declarant owns any property described on Exhibits "A" or "B") by any authority having the power of condemnation or eminent domain, each Owner shall be entitled to notice thereof. The award made for such taking shall be payable to the Association as trustee for all Owners to be disbursed as follows:

If the taking involves a portion of the Common Area on which improvements have been constructed, then, unless within sixty (60) days after such taking the Declarant, so long as the Declarant owns any property described in Exhibits "A" or "B" of this Declaration, and Members representing at least seventy-five (75%) percent of the total vote of the Association shall otherwise agree, the Association shall restore or replace such improvements so taken on the remaining land included in the Common Area to the extent lands are available therefor, in accordance with plans approved by the Board of Directors of the Association. If such improvements are to be repaired or restored, the above provisions in Article V hereof regarding the disbursement of funds in respect to casualty damage or destruction which is to be repaired shall apply. If the taking does not involve any improvements on the Common Area, or if there is a decision made not to repair or restore, or if there are net funds remaining after any such restoration or replacement is completed, then such award or net funds shall be disbursed to the Association and used for such purposes as the

Board of Directors of the Association shall determine.

Article VIII
Annexation of Additional Property

Section 1. Annexation Without Approval of Class "A" Membership. As the owner thereof, or if not the owner, with the consent of the owner thereof, Declarant shall have the unilateral right, privilege, and option, from time to time at any time until all property described on Exhibit "B" has been subjected to this Declaration or January 1, 1998, whichever is earlier, to subject to the provisions of this Declaration and the jurisdiction of the Association all or any portion of the real property described in Exhibit "B", attached hereto and by reference made a part hereof. Such annexation shall be accomplished by filing in the public records of Williamson County and Davidson County, Tennessee, an amendment to this Declaration annexing such property. Such Supplemental Declaration shall not require the consent of Members. Any such annexation shall be effective upon the filing for record of such Supplemental Declaration unless otherwise provided therein. Declarant shall have the unilateral right to transfer to any other Person the said right, privilege, and option to annex additional property which is herein reserved to Declarant, provided that such transferee or assignee shall be the developer of at least a portion of the real property described in Exhibits "A" or "B" and that such transfer is memorialized in a written, recorded instrument executed by the Declarant.

Section 2. Annexation With Approval of Class "A" Membership. Subject to the consent of the owner thereof, the Association may annex real property other than that described on Exhibit "B", and following the expiration of the right in Section 1, any property described on Exhibit "B", to the provisions of this Declaration and the jurisdiction of the Association. Such annexation shall require the affirmative vote of Members representing a majority of the Class "A" votes of the Association (other than those held by Declarant) present at a meeting duly called for such purpose and of the Declarant, so long as Declarant owns property subject to this Declaration or which may become subject hereto in accordance with Section 1 of this Article.

Annexation shall be accomplished by filing of record in the public records of Williamson County and Davidson County, Tennessee, a Supplemental Declaration describing the property being annexed. Any such Supplemental Declaration shall be

signed by the President and the Secretary of the Association, and by the owner of the property being annexed, and any such annexation shall be effective upon filing unless otherwise provided therein. The relevant provisions of the By-Laws dealing with regular or special meetings, as the case may be, shall apply to determine the time required for and the proper form of notice of any meeting called for the purpose of considering annexation of property pursuant to this Section 2 and to ascertain the presence of a quorum at such meeting.

Section 3. Acquisition of Additional Common Area. Declarant may convey to the Association additional real estate, improved or unimproved, located within the properties described in Exhibits "A" or "B" which upon conveyance or dedication to the Association shall be accepted by the Association and thereafter shall be maintained by the Association at its expense for the benefit of all its Members.

Section 4. Amendment. This Article shall not be amended without the prior written consent of Declarant, so long as the Declarant owns any property described in Exhibits "A" or "B" hereof.

Article IX
Rights and Obligations of the Association

Section 1. Common Area. The Association, subject to the rights of the Owners set forth in this Declaration, shall be responsible for the exclusive management and control of the Common Area and all improvements thereon (including, without limitation, furnishings and equipment related thereto and common landscaped areas), and shall keep it in good, clean, attractive, and sanitary condition, order, and repair, pursuant to the terms and conditions hereof and consistent with the Community-Wide Standard.

Section 2. Personal Property and Real Property for Common Use. The Association, through action of its Board of Directors, may acquire, hold, and dispose of tangible and intangible personal property and real property. The Board, acting on behalf of the Association, shall accept any real or personal property, leasehold, or other property interests within the Properties conveyed to it by the Declarant.

Section 3. Rules and Regulations. The Association, through its Board of Directors, may make and enforce reasonable rules and regulations governing the use of the Properties, which rules and regulations shall be consistent with the rights

and duties established by this Declaration. Sanctions may include reasonable monetary fines and suspension of the right to vote and the right to use the recreational facilities. The Board shall, in addition, have the power to seek relief in any court for violations or to abate nuisances. Imposition of sanctions shall be as provided in the By-Laws of the Association.

The Association, acting through the Board, by contract or other agreement, shall have the right to enforce county ordinances or permit Williamson County and Davidson County, Tennessee, to enforce ordinances on the Properties for the benefit of the Association and its Members.

Section 4. Implied Rights. The Association may exercise any other right or privilege given to it expressly by this Declaration or the By-Laws, and every other right or privilege reasonably to be implied from the existence of any right or privilege given to it herein or reasonably necessary to effectuate any such right or privilege.

Article X
Assessments

Section 1. Creation of Assessments. There are hereby created assessments for Association expenses as may from time to time specifically be authorized by the Board of Directors to be commenced at the time and in the manner set forth in Section 7 of this Article. There shall be two (2) types of assessments: (a) Base Assessments to fund Common Expenses for the benefit of all Members of the Association; and (b) Special Assessments as described in Section 4 below.

Base Assessments shall be levied equally on all Units. Special Assessments shall be levied as provided in Section 3 below. Each Owner, by acceptance of his or her deed or recorded contract of sale, is deemed to covenant and agree to pay these assessments.

All assessments, together with interest at a rate not to exceed ten (10%) percent or the highest rate allowed by Tennessee law as computed from the date the delinquency first occurs, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the Unit against which each assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the Person who was the Owner of such Unit at the time the assessment arose, but his or

her grantee shall not be jointly and severally liable for such portion thereof as may be due and payable at the time of conveyance unless the obligation is expressly assumed by them. No first Mortgagee who obtains title to a Unit pursuant to the remedies provided in the Mortgage shall be liable for unpaid assessments which accrued prior to such acquisition of title.

The Association shall, upon demand at any time, furnish to any Owner liable for any type of assessment a certificate in writing signed by an officer of the Association setting forth whether such assessment has been paid as to any particular Unit. Such certificate shall be conclusive evidence of payment to the Association of such assessment therein stated to have been paid. The Association may require the advance payment of a processing fee not to exceed Fifty ($50.00) Dollars for the issuance of such certificate.

Assessments shall be paid in such manner and on such dates as may be fixed by the Board of Directors which may include, without limitation, acceleration of the annual Base Assessment for delinquents, including Owners delinquent in the payment of fines imposed in accordance with Article III, Section 22, of the By-Laws. Unless the Board otherwise provides, the Base Assessment shall be paid in monthly installments.

No Owner may waive or otherwise exempt himself from liability for the assessments provided for herein, including, by way of illustration and not limitation, by non-use of Common Areas or abandonment of the Unit. The obligation to pay assessments is a separate and independent covenant on the part of each Owner. No diminution or abatement of assessment or set-off shall be claimed or allowed by reason of any alleged failure of the Association or Board to take some action or perform some function required to be taken or performed by the Association or Board under this Declaration or the By-Laws, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or from any action taken to comply with any law, ordinance, or with any order or directive of any municipal or other governmental authority.

So long as the Declarant has an option unilaterally to subject additional property to this Declaration, the following shall apply: unless assessments have commenced, pursuant to Section 7 below, on all Units subject to this Declaration as of the first day of any fiscal year, the Declarant shall be obligated for the difference between the amount of assessments levied on all Units subject to assessment and the amount of

actual expenditures required to operate the Association during the fiscal year. This obligation may be satisfied in the form of a cash subsidy or by "in kind" contributions of services or materials, or a combination of these.

The Association is specifically authorized to enter into subsidy contracts or contracts for "in kind" contribution of services or materials or a combination of services and materials with Declarant or other entities for the payment of some portion of the Common Expenses.

Section 2. Computation of Base Assessment. It shall be the duty of the Board, at least sixty (60) days before the beginning of each fiscal year, to prepare a budget covering the estimated Common Expenses of the Association during the coming year. The budget may include a capital contribution establishing a reserve fund in accordance with a capital budget separately prepared. The Base Assessment to be levied for the coming year against each Unit subject to assessment under Section 7 below shall be computed by dividing the budgeted Common Expenses by the total number of Units subject to assessment as of sixty (60) days before the end of the current fiscal year. The Board shall cause a copy of the Common Expense budget and notice of the amount of Base Assessment to be levied against each Unit for the following year to be delivered to each Owner at least thirty (30) days prior to the beginning of the fiscal year. Such budget and assessment shall become effective unless disapproved at a meeting of the Members by the vote of Members representing at least a majority of the total Class "A" vote in the Association, and by the Class "B" Member, if such exists. There shall be no obligation to call a meeting for the purpose of considering the budget except on petition of the Members as provided for special meetings in Article II, Section 4, of the By-Laws.

Notwithstanding the foregoing, however, in the event the proposed budget is disapproved or the Board fails for any reason so to determine the budget for any year, then and until such time as a budget shall have been determined as provided herein, the budget in effect for the immediately preceding year shall continue for the current year.

Section 3. Special Assessments. In addition to the assessments authorized in Section 1 of this Article, the Association may levy a Special Assessment or Special Assessments from time to time; provided, such assessment shall have the affirmative vote or written consent of Members representing at least fifty-one (51%) percent of the total vote in the Association and the written consent of the Class "B"

Member, if such exists. Special Assessments shall be payable in such manner and at such times as determined by the Board, and may be payable in installments extending beyond the fiscal year in which the Special Assessment is approved, if the Board so determines.

The Board may also levy a Special Assessment against any Member, without the necessity of a vote of the Members, to reimburse the Association for costs incurred in bringing a Member and his Unit into compliance with the provisions of the Declaration, any amendments thereto, the Articles, the By-Laws, and the Association rules, which Special Assessment may be levied upon the vote of the Board after notice to the Member and an opportunity for a hearing.

Section 4. Lien for Assessments. Upon recording of a notice of lien on any Unit, there shall exist a perfected lien for unpaid assessments prior and superior to all other liens, except (1) all taxes, bonds, assessments, and other levies which by law would be superior thereto, and (2) the lien or charge of any first Mortgage of record (meaning any recorded Mortgage with first priority over other Mortgages) made in good faith and for value.

Such lien, when delinquent, may be enforced by suit, judgment, and foreclosure.

The Association, acting on behalf of the Owners, shall have the power to bid for the Unit at foreclosure sale and to acquire and hold, lease, mortgage, and convey the same. During the period in which a Unit is owned by the Association following foreclosure: (a) no right to vote shall be exercised on its behalf; (b) no assessment shall be assessed or levied on it; and (c) each other Unit shall be charged, in addition to its usual assessment, its equal pro rata share of the assessment that would have been charged such Unit had it not been acquired by the Association as a result of foreclosure. Suit to recover a money judgment for unpaid common expenses and attorney's fees shall be maintainable without foreclosing or waiving the lien securing the same.

Section 5. Capital Budget and Contribution. The Board of Directors may annually prepare a capital budget to take into account the number and nature of replaceable assets, the expected life of each asset, and the expected repair or replacement cost. The Board may set the required capital contribution, if any, in an amount sufficient to permit meeting the projected capital needs of the Association, as shown on the capital budget, with respect both to amount and timing by

annual assessments over the period of the budget. The capital contribution required, if any, shall be fixed by the Board and included within and distributed with the budget and assessment, as provided in Section 2 of this Article.

Section 6. Date of Commencement of Annual Assessments. The assessments provided for herein shall commence as to all Units upon conveyance of the first Unit to a person other than a builder or developer holding title solely for purposes of development and/or resale. Assessments shall be due and payable in a manner and on a schedule as the Board of Directors may provide. The first annual assessment shall be adjusted according to the number of days remaining in the fiscal year at the time assessments commence on the Unit.

Section 7. Subordination of the Lien to First Mortgages. The lien of assessments, including interest, late charges (subject to the limitations of Tennessee law), and costs (including attorney's fees) provided for herein, shall be subordinate to the lien of any first Mortgage upon any Unit. The sale or transfer of any Unit shall not affect the assessment lien. However, the sale or transfer of any Unit pursuant to judicial or nonjudicial foreclosure of a first Mortgage shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Unit from lien rights for any assessments thereafter becoming due. Where the Mortgagee holding a first Mortgage of record or other purchaser of a Unit obtains title pursuant to remedies under the Mortgage, its successors and assigns shall not be liable for the share of the common expenses or assessments by the Association chargeable to such Unit which became due prior to the acquisition of title to such Unit by such acquirer. Such unpaid share of common expenses or assessments shall be deemed to be common expenses collectible from Owners of all the Units, including such acquirer, its successors and assigns.

Section 8. Capitalization of Association. Upon acquisition of record title to a Unit by the first purchaser thereof other than the Declarant or an owner who purchases solely for the purpose of constructing a dwelling thereon for resale, a contribution shall be made by or on behalf of the purchaser to the working capital of the Association in an amount equal to one-sixth (1/6) of the amount of the annual Base Assessment per Unit for that year as determined by the Board. This amount shall be deposited into the purchase and sales escrow and disbursed therefrom to the Association for use to cover operating expenses and other expenses incurred by the Association pursuant to the terms of this Declaration and the

Section 9. Exempt Property. Notwithstanding anything to the contrary herein, all Common Area shall be exempt from payment of Base Assessments, and Special Assessments.

Article XI
Architectural Standards

The Board of Directors shall have the authority and standing, on behalf of the Association, to enforce in courts of competent jurisdiction decisions of the committees established in Sections 1 and 2 of this Article XI. This Article may not be amended without the Declarant's written consent so long as the Declarant owns any land subject to this Declaration or subject to annexation to this Declaration.

No construction, which term shall include within its definition staking, clearing, excavation, grading, and other site work, and no plantings or removal of plants, trees, or shrubs shall take place except in strict compliance with this Article, until the requirements thereof have been fully met, and until the approval of the appropriate committee has been obtained.

Section 1. New Construction Committee. The New Construction Committee ("NCC") shall have exclusive jurisdiction over all original construction on any portion of the Properties. The NCC shall prepare and, on behalf of the Board of Directors, shall promulgate design and development guidelines and application and review procedures. Copies shall be available from the New Construction Committee for review. The guidelines and procedures shall be those of the Association, and the NCC shall have sole and full authority to prepare and to amend the guidelines and procedures. It shall make the guidelines and procedures available to Owners, builders, and developers who seek to engage in development of or construction upon all or any portion of the Properties and such Owners, builders and developers shall conduct their operations strictly in accordance therewith. Until one hundred (100%) percent of the Properties have been developed and conveyed to purchasers in the normal course of development and sale, the Declarant retains the right to appoint all members of the NCC, which shall consist of at least three (3), but no more than five (5), persons. There shall be no surrender of this right prior to that time except in a written instrument in recordable form executed by Declarant. Upon the expiration of such right, the Board of Directors shall appoint the members of

the NCC in the same manner as provided in Section 2 of this Article for the Modifications Committee.

Section 2. Modifications Committee. The Board of Directors may appoint a Modifications Committee ("MC") to consist of at least three (3) and no more than five (5) members, all of whom shall be appointed by the Board of Directors. The MC, if established, shall have exclusive jurisdiction over modifications, additions, or alterations made on or to existing Units or structures containing Units and the open space, if any, appurtenant thereto.

The Modifications Committee shall promulgate detailed standards and procedures governing its areas of responsibility and practice, consistent with the guidelines and procedures of the NCC. In addition thereto, the following shall apply. Plans and specifications showing the nature, kind, shape, color, size, materials, and location of such modifications, additions, or alterations, shall be submitted to the MC for approval as to quality of workmanship and design and as to harmony of external design with existing structures, location in relation to surrounding structures, topography, and finish grade elevation. No permission or approval shall be required to repaint in accordance with an originally approved color scheme, or to rebuild in accordance with originally approved plans and specifications. Nothing contained herein shall be construed to limit the right of an Owner to remodel the interior of his Unit, or to paint the interior of his Unit any color desired. In the event that the MC fails to approve or to disapprove such plans or to request additional information reasonably required within forty-five (45) days after submission, the plans shall be deemed approved.

Section 3. No Waiver of Future Approvals. The approval of either the NCC or MC of any proposals or plans and specifications or drawings for any work done or proposed, or in connection with any other matter requiring the approval and consent of such Committee, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications, drawings, or matters whatever subsequently or additionally submitted for approval or consent.

Section 4. Variance. The NCC may authorize variances from compliance with any of the provisions of its guidelines and procedures when circumstances such as topography, natural obstructions, hardship, aesthetic, or environmental considerations require, but only in accordance with duly adopted rules and regulations. Such variances may only be

granted, however, when unique circumstances dictate and no variance shall (a) be effective unless in writing, (b) be contrary to the restrictions set forth in the body of this Declaration, or (c) estop the Committee from denying a variance in other circumstances. For purposes of this Section, the inability to obtain approval of any governmental agency, the issuance of any permit, or the terms of any financing shall not be considered a hardship warranting a variance.

Article XII
Use Restrictions

The Properties shall be used only for residential, recreational, and related purposes (which may include, without limitation, offices for any property manager retained by the Association or business offices for the Declarant or the Association) as may more particularly be set forth in this Declaration or amendments hereto.

The Association, acting through its Board of Directors, shall have authority to make and to enforce standards and restrictions governing the use of the Properties, in addition to those contained herein, and to impose reasonable user fees for use of Common Area facilities. Such regulations and use restrictions shall be binding upon all Owners and occupants until and unless overruled, cancelled or modified in a regular or special meeting of the Association by the vote of Members representing a Majority of the total Class "A" votes in the Association and with the consent of the Class "B" member, so long as such membership shall exist.

Section 1. Signs. No sign of any kind shall be erected within the Properties without the written consent of the Board of Directors. The Board of Directors shall have the right to erect signs as it, in its discretion, deems appropriate.

No more than two (2) vehicles may be parked in any garage, and no more than two (2) vehicles may be parked in any driveway. No parking shall be permitted on any street, except temporarily for social gatherings or other functions held in a Unit as may be approved by the Board. Section 4. Animals and Pets. No animals, livestock, or poultry of any kind shall be raised, bred, or kept on any portion of the Properties, except that dogs, cats, or other usual and common household pets not to exceed a total of two (2) may be permitted in a Unit. However, those pets which are permitted to roam free, or, in the sole discretion of the Association, which endanger the health, make objectionable noise, or constitute a nuisance or inconvenience to the Owners of other Units or the owner of any portion of the Properties shall be removed upon request of the Board; if the owner fails to honor such request, the pet may be removed by the Board. No pets shall be kept, bred, or maintained for any commercial purpose. Dogs which are household pets shall at all times whenever they are outside a Unit be confined on a leash held by and under the physical control of a responsible person.

Section 5. Nuisance. No portion of the Properties shall be used, in whole or in part, for the storage of any property or thing that will cause it to appear to be in an unclean or untidy condition or that will be obnoxious to the eye; nor shall any substance, thing, or material be kept upon any portion of the Properties that will emit foul or obnoxious odors or that will cause any noise or other condition that will or might disturb the peace, quiet, safety, comfort, or serenity of the occupants of surrounding property. No noxious or offensive activity shall be carried on upon any portion of the Properties, nor shall anything be done thereon tending to cause embarrassment, discomfort, annoyance, or nuisance to any person using any portion of the Properties. There shall not be maintained any plants or animals or device or thing of any sort whose activities or existence in any way is noxious, dangerous, unsightly, unpleasant, or of a nature as may diminish or destroy the enjoyment of Properties.

Section 6. Unsightly or Unkempt Conditions. It shall be the responsibility of each Owner to prevent the development of any unclean, unhealthy, unsightly, or unkempt condition on his or her Unit. The pursuit of hobbies or other activities,

including specifically, without limiting the generality of the foregoing, the assembly and disassembly of motor vehicles and other mechanical devices which might tend to cause disorderly, unsightly, or unkempt conditions, shall not be pursued or undertaken on any part of the Properties.

Section 7. Antennas. No exterior antennas, aerials, satellite dishes, or other apparatus for the transmission of television, radio, or other signals of any kind shall be placed, allowed, or maintained upon any portion of the Properties, including any Unit, without the prior written consent of the Board or its designee. The Declarant and/or the Association shall have the right, without obligation, to erect an aerial, satellite dish, or other apparatus for a master antenna or cable system for the benefit of all or a portion of the Properties, should any such master system or systems be utilized by the Association and require any such exterior apparatus.

Section 8. Basketball Equipment, Clotheslines, Garbage Cans, Tanks, Etc. No basketball hoops and backboards, clotheslines, above-ground tanks, and other similar items shall be placed, allowed or maintained upon any portion of the Properties, including any Unit. All garbage cans shall be located or screened so as to be concealed from view of neighboring Units, streets, and property located adjacent to the Unit, except that garbage cans may be placed at curbside on days designated for trash pick-up for that particular Unit. All rubbish, trash, and garbage shall be regularly removed from the Properties and shall not be allowed to accumulate thereon.

Section 9. Subdivision of Unit. No Unit shall be subdivided or its boundary lines changed except with the prior written approval of the Board of Directors of the Association. Declarant, however, hereby expressly reserves the right to replat any Unit or Units owned by Declarant. Any such division, boundary line change, or replatting shall not be in violation of the applicable subdivision and zoning regulations.

Section 10. Guns. The discharge of firearms within the Properties is prohibited. The term "firearms" includes "B-B" guns, pellet guns, and other firearms of all types, regardless of size.

Section 11. Pools. No above-ground pools shall be erected, constructed or installed on any Unit.

Section 12. Tents, Trailers and Temporary Structures. Except as may be permitted by the NCC during

Section 13. Drainage and Septic Systems. Catch basins and drainage areas are for the purpose of natural flow of water only. No obstructions or debris shall be placed in these areas. No Person other than Declarant may obstruct or rechannel the drainage flows after location and installation of drainage swales, storm sewers, or storm drains. Declarant hereby reserves a perpetual easement across the Properties for the purpose of altering drainage and water flow. Septic systems are prohibited on the Properties.

Section 14. Tree Removal. Except as may be permitted by the NCC during initial construction within the Properties, no trees shall be removed, except for diseased or dead trees and trees needing to be removed to promote the growth of other trees or for safety reasons, and no trees may be added, unless approved in accordance with Article XI of this Declaration.

Section 15. Sight Distance at Intersections. All property located at street intersections shall be landscaped so as to permit safe sight across the street corners. No fence, wall, hedge, or shrub planting shall be placed or permitted to remain where it would create a traffic or sight problem.

Section 20. Mailboxes. All mailboxes shall satisfy applicable postal regulations and shall conform to specifications established by the Declarant or the MC.

Section 21. Energy Conservation Equipment. No solar energy collector panels or attendant hardware or other energy conservation equipment shall be constructed or installed unless it is an integral and harmonious part of the architectural design of a structure, as determined in the sole discretion of the appropriate committee pursuant to Article XI hereof.

Section 22. Leasing of Units.

(a) Definition. "Leasing," for purposes of this Declaration, is defined as regular, exclusive occupancy of a Unit by any person or persons other than the Owner for which the Owner receives any consideration or benefit, including, but not limited to a fee, service, gratuity, or emolument.

(b) General. Units may be rented only in their entirety; no fraction or portion may be rented. There shall be no subleasing of Units or assignment of leases unless prior written approval is obtained from the Board of Directors. No transient tenants may be accommodated in a Unit. All leases shall be in writing and shall be for an initial term of no less than six (6) months, except with the prior written consent of the Board of Directors. Notice of any lease, together with such additional information as may be required by the Board, shall be given to the Board by the Unit Owner within ten (10) days of execution of the lease. The Owner must make available to the lessee copies of the Declaration, By-Laws, and the rules and regulations.

(c) Compliance with Declaration, By-Laws and Rules and Regulations. Every Owner shall cause all occupants of his or her Unit to comply with the Declaration, By-Laws, and the rules and regulations adopted pursuant thereto, and shall be responsible for all violations and losses to the Common Areas caused by such occupants, notwithstanding the fact that such occupants of a Unit are fully liable and may be sanctioned for any violation of the Declaration, By-Laws, and rules and regulations adopted pursuant thereto.

Section 23. Parks. Any park or other areas or equipment furnished by the Association or erected within the Properties, if any, shall be used at the risk of the user, and the Association shall not be held liable to any Person for any claim, damage, or injury occurring thereon or related to use thereof.

No dog runs, animal pens or other similar type of fencing of any kind shall be permitted on any Unit except as approved in accordance with Article XI of this Declaration.

Section 25. Business Use. No trade or business may be conducted in or from any Unit, except that an Owner or occupant residing in a Unit may conduct business activities within the Unit so long as: (a) the existence or operation of the business activity is not apparent or detectable by sight, sound or smell from outside the Unit; (b) the business activity conforms to all zoning requirements for the Properties; (c) the business activity does not involve persons coming onto the Properties who do not reside in the Properties or door-to-door solicitation of residents of the Properties; and (d) the business activity is consistent with the residential character of the Properties and does not constitute a nuisance, or a hazardous or offensive use, or threaten the security or safety of other residents of the Properties, as may be determined in the sole discretion of the Board.

The terms "business" and "trade", as used in this provision, shall be construed to have their ordinary, generally accepted meanings, and shall include, without limitation, any occupation, work or activity undertaken on an ongoing basis which involves the provision of goods or services to persons other than the provider's family and for which the provider receives a fee, compensation, or other form of consideration, regardless of whether: (i) such activity is engaged in full or part-time; (ii) such activity is intended to or does generate a profit; or (iii) a license is required therefor. Notwithstanding the above, the leasing of a Unit in accordance with Section 23 of this Article shall not be considered a trade or business within the meaning of this section.

Article XIII
General Provisions

Section 1. Term. The covenants and restrictions of this Declaration shall run with and bind the Properties, and shall inure to the benefit of and shall be enforceable by the Association or the Owner of any Properties subject to this Declaration, their respective legal representatives, heirs, successors, and assigns, for a term of thirty (30) years from

the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years, unless an instrument in writing, signed by a majority of the then Owners, has been recorded within the year preceding the beginning of each successive period of ten (10) years, agreeing to change said covenants and restrictions, in whole or in part, or to terminate the same, in which case this Declaration shall be modified or terminated as specified therein.

Section 2. Amendment. Prior to the conveyance of the first Unit, Declarant may unilaterally amend this Declaration. After such conveyance, the Declarant may amend this Declaration so long as it has the unilateral right to annex owns property described in Exhibits "A" and "B" to this Declaration for development as part of the Properties and so long as the amendment has no material adverse effect upon any right of any Owner; thereafter and otherwise, this Declaration may be amended only by the affirmative vote (in person or by alternate) or written consent, or any combination thereof, of Members representing seventy-five (75%) percent of the total votes of the Association, and the written approval of the Class "B" Member so long as the Class "B" membership exists. So long as the Class "B" membership exists, any amendment to this Declaration shall also require the written consent of the U.S. Veterans Administration ("VA") if the VA has guaranteed the Mortgage on any Unit. However, the percentage of votes necessary to amend a specific clause shall not be less than the prescribed percentage of affirmative votes required for action to be taken under that clause. Any amendment to be effective must be recorded in the public records of Williamson County and Davidson County, Tennessee.

If an Owner consents to any amendment to this Declaration or the By-Laws, it will be conclusively presumed that such Owner has the authority so to consent and no contrary provision in any Mortgage or contract between the Owner and a third party will affect the validity of such amendment.

No amendment may remove, revoke, or modify any right or privilege of Declarant without the written consent of Declarant or the assignee of such right or privilege.

Section 3. Indemnification. The Association shall indemnify every officer, director, and committee member against any and all expenses, including counsel fees, reasonably incurred by or imposed upon such officer, director, or committee member in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if

approved by the then Board of Directors) to which he or she may be a party by reason of being or having been an officer, director, or committee member. The officers, directors, and committee members shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct, or bad faith. The officers and directors shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association (except to the extent that such officers or directors may also be Members of the Association), and the Association shall indemnify and forever hold each such officer and director free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein shall not be exclusive of any other rights to which any officer, director, or committee member, or former officer, director, or committee member may be entitled. The Association shall, as a common expense, maintain adequate general liability and officers' and directors' liability insurance to fund this obligation, if such insurance is reasonably available.

Section 4. Easements of Encroachment. There shall be reciprocal appurtenant easements of encroachment as between each Unit and such portion or portions of the Common Area adjacent thereto or as between adjacent Units due to the unintentional placement or settling or shifting of the improvements constructed, reconstructed, or altered thereon (in accordance with the terms of these restrictions) to a distance of not more than three (3) feet, as measured from any point on the common boundary between each Unit and the adjacent portion of the Common Area or as between said adjacent Units, as the case may be, along a line perpendicular to such boundary at such point; provided, however, in no event shall an easement for encroachment exist if such encroachment occurred due to willful and knowing conduct on the part of an Owner, tenant, or the Association.

Section 5. Easements for Utilities, Etc. There is hereby reserved unto Declarant, so long as the Declarant owns any property described on Exhibits "A" or "B", the Association, and the designees of each (which may include, without limitation, Williamson County and Davidson County, Tennessee, and any utility), blanket easements upon, across, over, and under all of the Common Area and, to the extent shown on any plat, over the Units for ingress, egress, installation, replacing, repairing, and maintaining cable television systems, master television antenna systems, security, and similar systems, roads, walkways, bicycle pathways, drainage systems, street lights, signage, and all utilities, including, but not

limited to, water, sewers, meter boxes, telephones, gas, and electricity.

Without limiting the generality of the foregoing, there are hereby reserved for the local water supplier easements across all Units on the Properties for ingress, egress, installation, reading, replacing, repairing, and maintaining water meter boxes.

Notwithstanding anything to the contrary contained in this Section, no sewers, electrical lines, water lines, or other utilities may be installed or relocated on the Properties, except as may be approved by the Association's Board of Directors or as provided by Declarant. Should any entity furnishing a service covered by the general easement herein provided request a specific easement by separate recordable document, the Board of Directors shall have the right to grant such easement on said Properties without conflicting with the terms hereof. The easements provided for in this Article shall in no way adversely affect any other recorded easement on the Properties.

The Board shall have, by a two-thirds (2/3) vote, the power to dedicate portions of the Common Area to Williamson County and Davidson County, Tennessee, or any other local, state, or federal governmental entity, subject to such approval requirements as may be contained in Article XIV, Section 2 of this Declaration.

Section 6. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions, which shall remain in full force and effect.

Section 7. Right of Entry. The Association shall have the right, but not the obligation, to enter into any Unit for emergency, security, and safety, which right may be exercised by the Association's Board of Directors, officers, agents, employees, managers, and all policemen, firemen, ambulance personnel, and similar emergency personnel in the performance of their respective duties. Except in an emergency situation, entry shall only be during reasonable hours and after notice to the Owner. This right of entry shall include the right of the Association to enter a Unit to cure any condition which may increase the possibility of a fire or other hazard in the event an Owner fails or refuses to cure the condition upon request by the Board.

Section 8. Perpetuities. If any of the covenants.

conditions, restrictions, or other provisions of this Declaration shall be unlawful, void, or voidable for violation of the rule against perpetuities, then such provisions shall continue only until twenty-one (21) years after the death of the last survivor of the now living descendants of Elizabeth II, Queen of England.

Section 9. Litigation. No judicial or administrative proceeding shall be commenced or prosecuted by the Association unless approved by a vote of seventy-five (75%) percent of the Members. This Section shall not apply, however, to (a) actions brought by the Association to enforce the provisions of this Declaration (including, without limitation, the foreclosure of liens), (b) the imposition and collection of assessments as provided in Article X hereof, (c) proceedings involving challenges to ad valorem taxation, or (d) counterclaims brought by the Association in proceedings instituted against it. This Section shall not be amended unless such amendment is made by the Declarant or is approved by the percentage votes, and pursuant to the same procedures, necessary to institute proceedings as provided above.

Section 10. Use of the Words "Cottonport" or "Cottonport Plantation." No Person shall use the words "Cottonport" or "Cottonport Plantation" or any derivative thereof in any printed or promotional material without the prior written consent of the Declarant. However, Owners may use the terms "Cottonport" or "Cottonport Plantation" in printed or promotional matter where such term is used solely to specify that particular property is located within the Cottonport Plantation community.

Article XIV
Mortgagee Provisions

The following provisions are for the benefit of holders of first Mortgages on Units in the Properties. The provisions of this Article apply to both this Declaration and to the By-Laws, notwithstanding any other provisions contained therein.

Section 1. Notices of Action. An institutional holder, insurer, or guarantor of a first Mortgage who provides written request to the Association (such request to state the name and address of such holder, insurer, or guarantor and the Unit number, therefore becoming an "eligible holder"), will be entitled to timely written notice of:

(a) any condemnation loss or any casualty loss which affects a material portion of the Properties or which affects any Unit on which there is a first Mortgage held, insured, or guaranteed by such eligible holder;

(b) any delinquency in the payment of assessments or charges owed by an Owner of a Unit subject to the Mortgage of such eligible holder, where such delinquency has continued for a period of sixty (60) days; provided, however, notwithstanding this provision, any holder of a first Mortgage, upon request, is entitled to written notice from the Association of any default in the performance by an Owner of a Unit of any obligation under the Declaration or By-Laws of the Association which is not cured within sixty (60) days;

(c) any lapse, cancellation, or material modification of any insurance policy maintained by the Association; or

(d) any proposed action which would require the consent of a specified percentage of eligible holders.

Section 2. Special FHLMC Provision. So long as required by the Federal Home Loan Mortgage Corporation, the following provisions apply in addition to and not in lieu of the foregoing. Unless at least two-thirds (2/3) of the first Mortgagees or Members representing at least two-thirds (2/3) of the total Association vote entitled to be cast thereon consent, the Association shall not:

(a) by act or omission seek to abandon, partition, subdivide, encumber, sell, or transfer all or any portion of the real property comprising the Common Area which the Association owns, directly or indirectly (the granting of easements for public utilities or other similar purposes consistent with the intended use of the Common Area shall not be deemed a transfer within the meaning of this subsection);

(b) change the method of determining the obligations, assessments, dues, or other charges which may be levied against an Owner of a Unit (A decision, including contracts, by the Board or provisions of any declaration subsequently recorded on any portion of the Properties shall not be subject to this provision where such decision or subsequent declaration is otherwise authorized by this Declaration.);

(c) by act or omission change, waive, or abandon any scheme of regulations or enforcement thereof pertaining to the architectural design or the exterior appearance and maintenance

of Units and of the Common Area (The issuance and amendment of architectural standards, procedures, rules and regulations, or use restrictions shall not constitute a change, waiver, or abandonment within the meaning of this provision.);

(d) fail to maintain insurance, as required by this Declaration; or

(e) use hazard insurance proceeds for any Common Area losses for other than the repair, replacement, or reconstruction of such property.

First Mortgagees may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against the Common Area and may pay overdue premiums on casualty insurance policies or secure new casualty insurance coverage upon the lapse of an Association policy, and first Mortgagees making such payments shall be entitled to immediate reimbursement from the Association.

Section 3. No Priority. No provision of this Declaration or the By-Laws gives or shall be construed as giving any Owner or other party priority over any rights of the first Mortgagee of any Unit in the case of distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of the Common Area.

Section 4. Notice to Association. Upon request, each Owner shall be obligated to furnish to the Association the name and address of the holder of any Mortgage encumbering such Owner's Unit.

Section 5. Amendment by Board. Should the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation subsequently delete any of their respective requirements which necessitate the provisions of this Article or make any such requirements less stringent, the Board, without approval of the Owners, may cause an amendment to this Article to be recorded to reflect such changes.

Section 6. Applicability of Article XIV. Nothing contained in this Article shall be construed to reduce the percentage vote that must otherwise be obtained under the Declaration, By-Laws, or Tennessee law for any of the acts set out in this Article.

Section 7. Failure of Mortgagee to Respond. Any Mortgagee who receives a written request from the Board to respond to or consent to any action shall be deemed to have

approved such action if the Association does not receive a written response from the Mortgagee within thirty (30) days of the date of the Association's request.

Article XV
Declarant's Rights

Any or all of the special rights and obligations of the Declarant may be transferred to other Persons, provided that the transfer shall not reduce an obligation nor enlarge a right beyond that contained herein, and provided further, no such transfer shall be effective unless it is in a written instrument signed by the Declarant and duly recorded in the public records of Williamson County and Davidson County, Tennessee. Nothing in this Declaration shall be construed to require Declarant or any successor to develop any of the property set forth in Exhibit "B" in any manner whatsoever.

Notwithstanding any provisions contained in the Declaration to the contrary, so long as construction and initial sale of Units shall continue, it shall be expressly permissible for Declarant to maintain and carry on upon portions of the Common Area such facilities and activities as, in the sole opinion of Declarant, may be reasonably required, convenient, or incidental to the construction or sale of such Units, including, but not limited to, business offices, signs, model units, and sales offices, and the Declarant shall have an easement for access to such facilities. The right to maintain and carry on such facilities and activities shall include specifically the right to use Units owned by the Declarant and any clubhouse or community center which may be owned by the Association, as models and sales offices, respectively.

So long as Declarant continues to have rights under this paragraph, no Person shall record any declaration of covenants, conditions and restrictions, or declaration of condominium or similar instrument affecting any portion of the Properties without Declarant's review and written consent thereto, and any attempted recordation without compliance herewith shall result in such declaration of covenants, conditions and restrictions, or declaration of condominium or similar instrument being void and of no force and effect unless subsequently approved by recorded consent signed by the Declarant.

This Article may not be amended without the express written consent of the Declarant. The rights contained in this

Article shall terminate only upon the recording by Declarant of a written statement that all sales activity has ceased and that Declarant releases such rights by express reference thereto.

IN WITNESS WHEREOF, the undersigned Declarant has executed this Declaration this 16th day of August, 1988.

OF

COTTONPORT PLANTATION HOMEOWNERS ASSOCIATION, INC.

Article I
Name, Principal Office, and Definitions

Section 1. Name. The name of the Association shall be Cottonport Plantation Homeowners Association, Inc. (hereinafter sometimes referred to as the "Association").

Section 2. Principal Office. The principal office of the Association in the State of Tennessee shall be located in the County of Davidson. The Association may have such other offices, either within or outside the State of Tennessee, as the Board of Directors may determine or as the affairs of the Association may require.

Section 3. Definitions. The words used in these By-Laws shall have the same meaning as set forth in that Declaration of Covenants, Conditions, and Restrictions for Cottonport Plantation, (said Declaration, as amended, renewed, or extended from time to time, is hereinafter sometimes referred to as the "Declaration"), unless the context shall prohibit.

Article II
Association: Membership, Meetings, Quorum, Voting, Proxies

Section 1. Membership. The Association shall have two (2) classes of membership, Class "A" and Class "B", as is more fully set forth in the Declaration, the terms of which pertaining to membership are specifically incorporated herein by reference.

Section 2. Place of Meetings. Meetings of the Association shall be held at the principal office of the Association or at such other suitable place convenient to the Members as may be designated by the Board of Directors either within the Properties or as convenient thereto as possible and practical.

Section 3. Annual Meetings. The first meeting of the Association, whether a regular or special meeting, shall be held within one (1) year from the date of incorporation of the

Association. Meetings shall be of the Members or their proxies. Subsequent regular annual meetings shall be set by the Board so as to occur at least ninety (90) but not more than one hundred twenty (120) days before the close of the Association's fiscal year on a date and at a time set by the Board of Directors.

Section 4. Special Meetings. The President may call special meetings. In addition, it shall be the duty of the President to call a special meeting of the Association if so directed by resolution of a majority of a quorum of the Board of Directors or upon a petition signed by Members representing at least ten (10%) percent of the total votes of the Association. The notice of any special meeting shall state the date, time, and place of such meeting and the purpose thereof. No business shall be transacted at a special meeting except as stated in the notice.

Section 5. Notice of Meetings. Written or printed notice stating the place, day, and hour of any meeting of the Members shall be delivered, either personally or by mail, to each Member entitled to vote at such meeting, not less than ten (10) nor more than fifty (50) days before the date of such meeting, by or at the direction of the President or the Secretary or the officers or persons calling the meeting.

In the case of a special meeting or when required by statute or these By-Laws, the purpose or purposes for which the meeting is called shall be stated in the notice. No business shall be transacted at a special meeting except as stated in the notice.

If mailed, the notice of a meeting shall be deemed to be delivered when deposited in the United States mail addressed to the Member at his address as it appears on the records of the Association, with postage thereon prepaid.

Section 6. Waiver of Notice. Waiver of notice of a meeting of the Members shall be deemed the equivalent of proper notice. Any Member may, in writing, waive notice of any meeting of the Members, either before or after such meeting. Attendance at a meeting by a Member shall be deemed waiver by such Member of notice of the time, date, and place thereof, unless such Member specifically objects to lack of proper notice at the time the meeting is called to order. Attendance at a special meeting shall also be deemed waiver of notice of all business transacted thereat unless objection to the calling or convening of the meeting, of which proper notice was not given, is raised before the business is put to a vote.

Section 7. Adjournment of Meetings. If any meeting of the Association cannot be held because a quorum is not present, a majority of the Members who are present at such meeting, either in person or by proxy, may adjourn the meeting to a time not less than five (5) nor more than thirty (30) days from the time the original meeting was called. At the reconvened meeting, if a quorum is present, any business which might have been transacted at the meeting originally called may be transacted. If a time and place for reconvening the meeting is not fixed by those in attendance at the original meeting or if for any reason a new date is fixed for reconvening the meeting after adjournment, notice of the time and place for reconvening the meeting shall be given to Members in the manner prescribed for regular meetings.

The Members present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment, notwithstanding the withdrawal of enough Members to leave less than a quorum, provided that Members or their alternates representing at least twenty-five (25%) percent of the total votes of the Association remain in attendance, and provided further that any action taken is approved by at least a majority of the Members required to constitute a quorum.

Section 8. Voting. The voting rights of the Members shall be as set forth in the Declaration, and such voting rights provisions are specifically incorporated herein.

Section 9. Proxies. Members may vote by proxy, provided the proxy is signed, dated and filed with the Secretary prior to the meeting for which it is valid..

Section 10. Majority. As used in these By-Laws, the term "majority" shall mean those votes, owners, or other group as the context may indicate totaling more than fifty (50%) percent of the total number.

Section 11. Quorum. Except as otherwise provided in these By-Laws or in the Declaration, the presence in person or by proxy of Members representing a majority of the total vote of the Association shall constitute a quorum at all meetings of the Association. Any provision in the Declaration concerning quorums is specifically incorporated herein.

Section 12. Conduct of Meetings. The President shall preside over all meetings of the Association, and the Secretary shall keep the minutes of the meeting and record in a minute book all resolutions adopted at the meeting, as well as a

record of all transactions occurring at the meeting.

Section 13. Action Without A Meeting. Any action required by law to be taken at a meeting of the Members, or any action which may be taken at a meeting of the Members, may be taken without a meeting if written consent setting forth the action so taken is signed by all of the Members entitled to vote with respect to the subject matter thereof, and any such consent shall have the same force and effect as a unanimous vote of the Members.

Article III
Board of Directors: Number, Powers, Meetings

A. Composition and Selection.

Section 1. Governing Body; Composition. The affairs of the Association shall be governed by a Board of Directors, each of whom shall have one (1) vote. Except with respect to directors appointed by the Declarant, the Directors shall be Members or spouses of such Members; provided, however, no person and his or her spouse may serve on the Board at the same time. In the case of an Owner which is a corporation or partnership, the person designated in writing to the secretary of the Association as the representative of such corporation or partnership shall be eligible to serve as a director.

Section 2. Directors During Class "B" Control. The Directors shall be selected by the Class "B" Member acting in its sole discretion, subject only to Article III, Section 6, hereof, and shall serve at the pleasure of the Class "B" Member until the first to occur of the following:

(a) when seventy-five (75%) percent of the Units planned for the property described on Exhibits "A" and "B" of the Declaration have certificates of occupancy issued thereon and have been conveyed to Persons other than the Declarant or builders holding title solely for purposes of development and sale;

(b) January 1, 1998; or

(c) when, in its discretion, the Class "B" Member so determines.

Within thirty (30) days thereafter, the Class "B" Member shall cause the Board to call a meeting, as provided in Article II, Section 4, of these By-Laws for special meetings,

to advise the membership of termination of the Class "B" Control Period.

Section 3. Declarant Participation. This Section 3 may not be amended without the express, written consent of the Declarant.

After termination of the Class "B" Control Period, the Declarant shall have the right to participate in the decision-making process and the right to disapprove all actions of the Board and the Modifications Committee, as is more fully provided in this Section. These rights shall be exercisable only by the Declarant, its successors, and assigns who specifically take this power in a recorded instrument, and shall terminate one (1) year from the date of termination of the Class "B" Control Period. Declarant participation shall be as follows:

No action authorized by the Board of Directors or Modifications Committee shall become effective, nor shall any action, policy, or program be implemented until and unless:

(a) The Declarant shall have been given written notice of all meetings and proposed actions approved at meetings of the Board or any committee thereof by certified mail, return receipt requested, or by personal delivery at the address it has registered with the Secretary of the Association, as it may change from time to time, which notice complies as to the Board of Directors meetings with Article III, Sections 8, 9, and 10, of these By-Laws and which notice shall, except in the case of the regular meetings held pursuant to the By-Laws, set forth in reasonable particularity the agenda to be followed at said meeting; and

(b) The Declarant shall be given the opportunity at any such meeting to join in or to have its representatives or agents join in discussion from the floor of any prospective action, policy, or program to be implemented by the Board, any committee thereof, or the Association. The Declarant, its representatives or agents shall make its concerns, thoughts, and suggestions known to the members of the subject committee and/or the Board. The Declarant shall have the right to disapprove any policy or program authorized by the Board of Directors or any committee thereof, and any action to be taken by the Board, any committee thereof, the Association, or any individual member of the Association, if Board, committee, or Association approval is necessary for such action. This right may be exercised by the Declarant, its representatives, or agents at any time within ten (10) days following the meeting

held pursuant to the terms and provisions hereof. Notwithstanding any provision herein to the contrary, the Declarant shall not have the right to require any action or counteraction on behalf of any committee, the Board or the Association, and shall not exercise its rights hereunder to reduce the level of services which the Association is obligated to provide or to prevent capital repairs or any expenditure required to comply with applicable laws and regulations.

Section 4. Number of Directors. The number of directors in the Association shall be not less than three (3) nor more than five (5), as provided in Section 6 below. The initial Board shall consist of three (3) members as identified in the Articles of Incorporation.

Section 5. Nomination of Directors. Except with respect to directors selected by the Class "B" Member, nominations for election to the Board of Directors shall be made by a Nominating Committee. The Nominating Committee shall consist of a Chairman, who shall be a member of the Board of Directors, and three (3) or more Members of the Association. The Nominating Committee shall be appointed by the Board of Directors not less than thirty (30) days prior to each annual meeting of the Members to serve a term of one (1) year or until their successors are appointed, and such appointment shall be announced at each such annual meeting. The Nominating Committee shall make as many nominations for election to the Board of Directors as it shall in its discretion determine, but in no event less than the number of positions to be filled. Nominations shall also be permitted from the floor.

Section 6. Election and Term of Office. Notwithstanding any other provision contained herein:

(a) Within thirty (30) days after the time Class "A" Members, other than a builder holding title solely for purposes of development and sale, own twenty-five (25%) percent of the Units planned for the property described in Exhibits "A" and "B" or whenever the Class "B" Member earlier determines, the Association shall call a special meeting to be held at which Class "A" Members shall elect one (1) of the three (3) directors, who shall be an at-large director. The remaining two (2) directors shall be appointees of the Class "B" Member, and shall serve at the pleasure of the Class "B" Member. The director elected by the Class "A" Members shall not be subject to removal by the Class "B" Member acting alone and shall be elected for a term of two (2) years or until the happening of the event described in subsection (b) below, whichever is shorter. If such director's term expires prior to the

happening of the event described in subsection (b) below, a successor shall be elected for a like term.

(b) Within thirty (30) days after the time Class "A" Members, other than a builder holding title solely for purposes of development and sale, own fifty (50%) percent of the Units planned for the property described in Exhibits "A" and "B", or whenever the Class "B" Member earlier determines, the Board shall be increased to five (5) directors. The Association shall call a special meeting to be held at which Class "A" Members shall elect two (2) of the five (5) directors, who shall serve as at-large directors. The remaining three (3) directors shall be appointees of the Class "B" Member, and shall serve at the pleasure of the Class "B" Member. The directors elected by the Class "A" Members shall not be subject to removal by the Class "B" Member acting alone and shall be elected for a term of two (2) years or until the happening of the event described in subsection (c) below, whichever is shorter. If such directors' terms expire prior to the happening of the event described in subsection (c) below, successors shall be elected for a like term.

(c) Within thirty (30) days after the termination of the Class "B" Control Period, the Association shall call a special meeting to be held at which Class "A" Members shall elect three (3) of the five (5) directors, who shall serve as at-large directors. The remaining two (2) directors shall remain appointees of the Declarant and shall serve until the first annual meeting of the membership after the termination of the Class "B" Control Period. The directors elected by the Class "A" Members shall not be subject to removal by the Declarant acting alone and shall be elected for a term of one (1) year or until the happening of the event described in subsection (d) below, whichever is shorter. If such directors' terms expire prior to the happening of the event described in subsection (d) below, successors shall be elected for a like term.

(d) At the first annual meeting of the membership after the termination of the Class "B" Control Period and at each annual meeting of the membership thereafter, the directors shall be selected by vote of the membership. Each Class "A" Member shall be entitled to cast one (1) vote with respect to each vacancy to be filled.

At the expiration of the initial term of office of each member of the Board of Directors, a successor shall be elected to serve for a term of two (2) years. The Directors elected by the Members shall hold office until their respective

successors have been elected by the Association. Directors may be elected to serve any number of consecutive terms.

Section 7. Removal of Directors and Vacancies. Any director elected by the Class "A" Members may be removed, with or without cause, by the vote of Class "A" Members representing a majority of the votes entitled to be cast for the election of such director. Any director whose removal is sought shall be given notice prior to any meeting called for that purpose. A director who was elected at large solely by the votes of Class "A" Members may be removed from office prior to the expiration of his or her term only by the votes of a majority of Class "A" Members. Upon removal of a director, a successor shall then and there be elected by the Class "A" Members entitled to elect the director so removed to fill the vacancy for the remainder of the term of such director.

Any director elected by the Class "A" Members who has three (3) consecutive unexcused absences from Board meetings or who is delinquent in the payment of any assessment or other charge due the Association for more than thirty (30) days may be removed by a majority of the directors present at a regular or special meeting at which a quorum is present, and a successor may be appointed by the Board to fill the vacancy for the remainder of the term. In the event of the death, disability, or resignation of a director, a vacancy may be declared by the Board and it may appoint a successor.

B. Meetings.

Section 8. Organization Meetings. The first meeting of the Board of Directors following each annual meeting of the membership shall be held within ten (10) days thereafter at such time and place as shall be fixed by the Board.

Section 9. Regular Meetings. Regular meetings of the Board of Directors may be held at such time and place as shall be determined from time to time by a majority of the directors, but at least four (4) such meetings shall be held during each fiscal year with at least one (1) per quarter. Notice of the time and place of the meeting shall be communicated to directors not less than four (4) days prior to the meeting; provided, however, notice of a meeting need not be given to any director who has signed a waiver of notice or a written consent to holding of the meeting.

Section 10. Special Meetings. Special meetings of the Board of Directors shall be held when called by written notice signed by the President of the Association or by a

majority of directors. The notice shall specify the time and place of the meeting and the nature of any special business to be considered. The notice shall be given to each director by one of the following methods: (a) by personal delivery; (b) written notice by first class mail, postage prepaid; (c) by telephone communication, either directly to the director or to a person at the director's office or home who would reasonably be expected to communicate such notice promptly to the director; or (d) by telegram, charges prepaid. All such notices shall be given at the director's telephone number or sent to the director's address as shown on the records of the Association. Notices sent by first class mail shall be deposited into a United States mailbox at least four (4) days before the time set for the meeting. Notices given by personal delivery, telephone, or telegraph shall be delivered, telephoned, or given to the telegraph company at least seventy-two (72) hours before the time set for the meeting.

Section 11. Waiver of Notice. The transactions of any meetings of the Board of Directors, however called and noticed or wherever held, shall be as valid as though taken at a meeting duly held after regular call and notice if (a) a quorum is present, and (b) either before or after the meeting each of the directors not present signs a written waiver of notice, a consent to holding the meeting, or an approval of the minutes. The waiver of notice or consent need not specify the purpose of the meeting. Notice of a meeting shall also be deemed given to any director who attends the meeting without protesting before or at its commencement about the lack of adequate notice.

Section 12. Quorum of Board of Directors. At all meetings of the Board of Directors, a majority of the directors shall constitute a quorum for the transaction of business, and the votes of a majority of the directors present at a meeting at which a quorum is present shall constitute the decision of the Board of Directors. A meeting at which a quorum is initially present may continue to transact business, notwithstanding the withdrawal of directors, if any action taken is approved by at least a majority of the required quorum for that meeting. If any meeting of the Board cannot be held because a quorum is not present, a majority of the directors who are present at such meeting may adjourn the meeting to a time not less than five (5) nor more than thirty (30) days from the date the original meeting was called. At the reconvened meeting, if a quorum is present, any business which might have been transacted at the meeting originally called may be transacted without further notice.

Section 13. Compensation. No director shall receive any compensation from the Association for acting as such unless approved by Members representing a majority of the total vote of the Association at a regular or special meeting of the Association; provided any director may be reimbursed for expenses incurred on behalf of the Association upon approval of a majority of the other directors.

Section 14. Conduct of Meetings. The President shall preside over all meetings of the Board of Directors, and the Secretary shall keep a minute book of meetings of the Board of Directors, recording therein all resolutions adopted by the Board of Directors and all transactions and proceedings occurring at such meetings.

Section 15. Open Meetings. Subject to the provisions of Section 16 of this Article, all meetings of the Board shall be open to all Members, but Members other than directors may not participate in any discussion or deliberation unless permission to speak is requested on his or her behalf by a director. In such case, the President may limit the time any Member may speak.

Section 16. Action Without a Formal Meeting. Any action to be taken at a meeting of the directors or any action that may be taken at a meeting of the directors may be taken without a meeting if a consent in writing, setting forth the action so taken, shall be signed by all of the directors, and such consent shall have the same force and effect as a unanimous vote.

C. Powers and Duties.

Section 17. Powers. The Board of Directors shall be responsible for the affairs of the Association and shall have all of the powers and duties necessary for the administration of the Association's affairs and, as provided by law, may do all acts and things as are not by the Declaration, Articles, or these By-Laws directed to be done and exercised exclusively by the Members or the membership generally.

The Board of Directors shall delegate to one of its members the authority to act on behalf of the Board of Directors on all matters relating to the duties of the managing agent or manager, if any, which might arise between meetings of the Board of Directors.

In addition to the duties imposed by these By-Laws or by any resolution of the Association that may hereafter be

adopted, the Board of Directors shall have the power to and shall be responsible for the following, in way of explanation, but not limitation:

(c) providing for the operation, care, upkeep, and maintenance of all of the Area of Common Responsibility;

(d) designating, hiring, and dismissing the personnel necessary for the maintenance, operation, repair, and replacement of the Association, its property, and the Area of Common Responsibility and, where appropriate, providing for the compensation of such personnel and for the purchase of equipment, supplies, and materials to be used by such personnel in the performance of their duties;

(e) collecting the assessments, depositing the proceeds thereof in a bank depository which it shall approve, and using the proceeds to administer the Association; provided, any reserve fund may be deposited, in the directors' best business judgment, in depositories other than banks;

(f) making and amending rules and regulations;

(g) opening of bank accounts on behalf of the Association and designating the signatories required;

(h) making or contracting for the making of repairs, additions, and improvements to or alterations of the Common Area in accordance with the other provisions of the Declaration and these By-Laws after damage or destruction by fire or other casualty;

(i) enforcing by legal means the provisions of the Declaration, these By-Laws, and the rules and regulations adopted by it and bringing any proceedings which may be

instituted on behalf of or against the Owners concerning the Association;

(n) permitting utility suppliers to use portions of the Common Area reasonably necessary to the ongoing development or operation of the Properties.

Section 18. Management Agent.

(a) The Board of Directors may employ for the Association a professional management agent or agents at a compensation established by the Board of Directors to perform such duties and services as the Board of Directors shall authorize. The Board of Directors may delegate to the managing agent or manager, subject to the Board's supervision, all of the powers granted to the Board of Directors by these By-Laws, other than the powers set forth in subparagraphs (a), (b), (f), (g), and (i) of Section 17 of this Article. The Declarant, or an affiliate of the Declarant, may be employed as managing agent or manager.

(b) No management contract may have a term in excess of one (1) year and must permit termination by either party without cause and without termination fee on ninety (90) days' or less written notice.

Section 19. Accounts and Reports. The following management standards of performance will be followed unless the

Board by resolution specifically determines otherwise:

(a) accrual accounting, as defined by generally accepted accounting principles, shall be employed;

(b) accounting and controls should conform to generally accepted accounting principles;

(c) cash accounts of the Association shall not be commingled with any other accounts;

(d) no remuneration shall be accepted by the managing agent from vendors, independent contractors, or others providing goods or services to the Association, whether in the form of commissions, finder's fees, service fees, prizes, gifts, or otherwise; any thing of value received shall benefit the Association;

(e) any financial or other interest which the managing agent may have in any firm providing goods or services to the Association shall be disclosed promptly to the Board of Directors;

(f) commencing at the end of the month in which the first Unit is sold and closed, financial reports shall be prepared for the Association at least quarterly containing:

(i) an income statement reflecting all income and expense activity for the preceding period on an accrual basis;

(ii) a statement reflecting all cash receipts and disbursements for the preceding period;

(iv) a balance sheet as of the last day of the preceding period; and

(v) a delinquency report listing all Owners who are delinquent in paying the monthly installments of assessments at the time of the report and describing the status of any action to collect such installments which remain delinquent (A monthly installment of the assessment shall be considered to be delinquent on the fifteenth (15th) day of each month unless otherwise determined by the Board of Directors);

(g) an annual report consisting of at least the

following shall be distributed to all Members within one hundred twenty (120) days after the close of the fiscal year: (1) a balance sheet; (2) an operating (income) statement; and (3) a statement of changes in financial position for the fiscal year. The annual report referred to above shall be prepared on an audited or reviewed basis, as determined by the Board, by an independent public accountant; provided, during the Class "B" Control Period, the annual report shall include certified financial statements.

Section 20. Borrowing. The Board of Directors shall have the power to borrow money for the purpose of maintenance, repair or restoration of the Area of Common Responsibility without the approval of the Members of the Association. The Board shall also have the power to borrow money for other purposes; provided, the Board shall obtain Member approval in the same manner provided in Article X, Section 4, of the Declaration for special assessments in the event that the proposed borrowing is for the purpose of modifying, improving, or adding amenities and the total amount of such borrowing exceeds or would exceed five (5%) percent of the budgeted gross expenses of the Association for that fiscal year.

Section 21. Rights of the Association. With respect to the Area of Common Responsibility, and in accordance with the Articles of Incorporation and By-Laws of the Association, the Association shall have the right to contract with any person for the performance of various duties and functions. Without limiting the foregoing, this right shall entitle the Association to enter into common management, operational, or other agreements with trusts, condominiums, or cooperatives, and other owners or residents associations, both within and without the Properties. Such agreements shall require the consent of two-thirds (2/3) of all Directors of the Association.

The Association shall not be bound, either directly or indirectly, by any contract, lease, or other agreement (including any management contract) executed during the Class "B" Control Period unless such contract, lease or other agreement contains a right of termination exercisable by either party without penalty at any time, with or without cause, upon not more than ninety (90) days notice to the other party.

Section 22. Enforcement. The Board shall have the power to impose reasonable fines against Owners or occupants, which shall be an assessment on the Unit, shall constitute a lien upon the property of the violating Owner, and may be collected in the same manner provided for the collection of assessments in Article X of the Declaration. The Board also

shall have the authority to suspend an Owner's right to vote, or to use the Common Area, for violation of any duty imposed under the Declaration, these By-Laws, or any rules and regulations duly adopted hereunder; provided, however, nothing herein shall authorize the Association or the Board of Directors to limit ingress and egress to or from a Unit. In the event that any occupant of the Unit violates the Declaration, By-Laws, or a rule or regulation and a fine is imposed, the fine shall first be assessed against the occupant; provided, however, if the fine is not paid by the occupant within the time period set by the Board, the Owner shall pay the fine upon notice from the Association. The failure of the Board to enforce any provision of the Declaration, By-Laws, or any rule or regulation shall not be deemed a waiver of the right of the Board to do so thereafter.

(a) Notice. Prior to imposition of any sanction hereunder, the Board or its delegate shall serve the alleged violator with written notice describing (i) the nature of the alleged violation, (ii) the proposed sanction to be imposed, (iii) a period of not less than ten (10) days within which the alleged violator may present a written request to the Covenants Committee, if any, or Board of Directors for a hearing; and (iv) a statement that the proposed sanction shall be imposed as contained in the notice unless a challenge is begun within ten (10) days of the notice. If a timely challenge is not made, the sanction stated in the notice shall be imposed.

(b) Hearing. If a hearing is requested in a timely manner, the hearing shall be held in executive session affording the Owner a reasonable opportunity to be heard. Prior to the effectiveness of any sanction hereunder, proof of proper notice shall be placed in the minutes of the meeting. Such proof shall be deemed adequate if a copy of the notice, together with a statement of the date and manner of delivery, is entered by the officer, Director, or agent who delivered such notice. The notice requirement shall be deemed satisfied if the alleged violator appears at the meeting. The minutes of the meeting shall contain a written statement of the results of the hearing and the sanction, if any, imposed. The Board of Directors or the Covenants Committee, if any, may, but shall not be obligated to, suspend any proposed sanction if the violation is cured within the ten (10) day period. Such suspension shall not constitute a waiver of the right to sanction future violations of the same or other provisions and rules by any Person.

(c) Appeal. Following a hearing before the Covenants Committee, if any, the violator shall have the right to appeal

the decision to the Board of Directors. To perfect this right, a written notice of appeal must be received by the manager, President, or Secretary of the Association within thirty (30) days after the hearing date.

(d) Additional Enforcement Rights. Notwithstanding anything to the contrary herein contained, the Association, acting through the Board of Directors, may elect to enforce any provision of the Declaration, these By-Laws, or the rules and regulations of the Association by self-help (specifically including, but not limited to, the towing of vehicles that are in violation of parking rules and regulations) or by suit at law or in equity to enjoin any violation or to recover monetary damages or both without the necessity of compliance with the procedure set forth above. In any such action, to the maximum extent permissible, the Owner or occupant responsible for the violation of which abatement is sought shall pay all costs, including reasonable attorney's fees actually incurred.

Section 6. Agreements, Contracts, Deeds, Leases, Checks, Etc. All agreements, contracts, deeds, leases, checks, and other instruments of the Association shall be executed by at least two (2) officers or by such other person or persons as may be designated by resolution of the Board of Directors.

Article V

Each committee shall operate in accordance with the terms of the resolution of the Board of Directors designating the committee or with rules adopted by the Board of Directors.

Section 2. Covenants Committee. In addition to any other committees which may be established by the Board pursuant to Section 1 of this Article, the Board of Directors may appoint a Covenants Committee consisting of at least five (5) and no more than seven (7) members. Acting in accordance with the provisions of the Declaration, these By-Laws, and resolutions the Board may adopt, the Covenants Committee, if established, shall be the hearing tribunal of the Association and shall conduct all hearings held pursuant to Article III, Section 22 of these By-Laws.

Article VI

Section 1. Fiscal Year. The fiscal year of the Association shall be set by resolution of the Board of Directors. In the absence of such a resolution, the fiscal year shall be the calendar year.

Section 2. Parliamentary Rules. Except as may be modified by Board resolution, Robert's Rules of Order (current edition) shall govern the conduct of Association proceedings when not in conflict with Tennessee law, the Articles of Incorporation, the Declaration, or these By-Laws.

Section 3. Conflicts. If there are conflicts between the provisions of Tennessee law, the Articles of Incorporation, the Declaration, and these By-Laws, the provisions of Tennessee law, the Declaration, the Articles of Incorporation, and the By-Laws (in that order) shall prevail.

(a) Inspection by Members and Mortgagees. The Declaration and By-Laws, membership register, books of account, and minutes of meetings of the Members, the Board, and committees shall be made available for inspection and copying by any Mortgagee, Member of the Association, or by his or her duly appointed representative at any reasonable time and for a purpose reasonably related to his or her interest as a Member at the office of the Association or at such other place within the Properties as the Board shall prescribe.

(c) Inspection by Directors. Every Director shall have the absolute right at any reasonable time to inspect all books, records, and documents of the Association and the physical properties owned or controlled by the Association. The right of inspection by a Director includes the right to

make extracts and a copy of relevant documents at the expense of the Association.

Section 5. Notices. Unless otherwise provided in these By-Laws, all notices, demands, bills, statements, or other communications under these By-Laws shall be in writing and shall be deemed to have been duly given if delivered personally or if sent by United States Mail, first class postage prepaid:

Section 6. Amendment. Prior to the conveyance of the first Unit, Declarant may unilaterally amend these By-Laws. After such conveyance, the Declarant may unilaterally amend these By-Laws so long as it has the unilateral right to annex property described in Exhibits "A" or "B" to the Declaration for development as part of the Properties and so long as the amendment has no material adverse effect upon any right of any Owner; thereafter and otherwise, these By-Laws may be amended only by the affirmative vote (in person or by proxy) or written consent, or any combination thereof, of Class "A" Members representing seventy-five (75%) percent of the total votes of the Association, and the written approval of the Class "B" Member, so long as the Class "B" membership exists.
