W I T N E S S E T H:

WHEREAS, by Deed of record in Book 7273, page 571, Register's Office for Davidson County, Tennessee, WILLIAMS became vested with title, in fee simple, to certain real property in Davidson County, Tennessee, containing 18.78 acres, more or less, to which deed reference is hereby made for a more complete and accurate description of the metes and bounds of said property; and,

WHEREAS, by survey dated December 9, 1987, and revised on August 23, 1988, by Charles B. Moseley, Jr., Registered Land Surveyor, No. 778, a copy of which is attached hereto as Exhibit "A", WILLIAMS subdivided the said property into four (4) separate tracts, identified as Tracts 1, 2, 3 and 4, each tract being more specifically and particularly described in Exhibit "B" attached hereto and incorporated herein by reference; and,

WHEREAS, Tract 1 was separately subdivided by Plat of record in Plat Book 6200, page 699, Register's Office for Davidson County, Tennessee; and,

WHEREAS, WILLIAMS constructed a dwelling house on Tract 2 and currently uses Tract 2 as WILLIAMS' homeplace; and,

WHEREAS, WILLIAMS, as Seller, entered into a contract with CRAWFORD, as Buyer, for the sale and purchase of Tract 4; and,

WHEREAS, WILLIAMS, as Seller, entered into a contract with ZOPPEL, as Buyer, for the sale and purchase of Tract 3; and,

WHEREAS, the parties have heretofore entered into certain agreements for Restrictive Covenants to be applied to Tracts 1, 2, 3 and 4 as covenants running with the land for a term of twenty-five (25) years and for the dedication, maintenance and repair of a roadway serving Tracts 2, 3 and 4; and,

WHEREAS, the parties desire that their agreements be reduced to writing.

NOW, THEREFORE, for and in consideration of the premises shown, and other good and valuable considerations, the receipt of all of which are hereby acknowledged, the parties agree as follows:

A. The parties agree that the following covenants and restrictions shall be covenants running with the land and shall apply to the owners of Tracts 1, 2, 3 and 4 as set forth and described in Exhibit "B" attached and shall be binding upon the parties hereto and on all parties claiming under them:

(1) Each tract shall be used for residential purposes only, and not otherwise. All houses shall be single family dwellings. No duplexes or multi-family dwellings shall be permitted.

(2) No store, shop, boarding house or other commercial building or enterprise shall be built, erected or maintained on any tract, except that WILLIAMS shall be allowed to operate the present existing recording studio on Tract 2.

(3) No residence dwelling shall be built or erected having an interior floor area of less than 1,800 square feet, exclusive of porches, garages or basements.

(4) No tract shall be further subdivided.

(5) No more than one (1) outbuilding shall be erected on any tract and such outbuilding shall contain no more than 800 square feet. All outbuildings shall be constructed of the same material or a similar material as the principal dwelling house on each tract and shall conform to the general architecture of the principal dwelling house, except that all of the property owners may grant a waiver of this provision.

(6) No dwelling house or outbuilding shall be located on Tract #4 within 100 feet of the south property line (the adjoining property line with Tract #2) or within

50 feet of the north property line (the common property line with Tract #3).

(7) No dwelling house or outbuilding shall be located on Tracts 1 and 3 within 50 feet of any boundary line on each of the said tracts.

(8) The construction of any dwelling house shall be completed within twelve (12) months from the date of the commencement of such construction.

(9) All tracts shall be maintained in a generally natural condition with as much vegetation, trees, etc. as may be practicable, to prevent soil erosion. The owner of each tract shall be solely responsible for grading, landscaping, seeding and planting such tract so as to prevent soil erosion or the flowage of water onto any adjoining tract or tracts. Any owner or owners of any tract violating these provisions shall be liable for any damages incurred by any owner of any other tract by reason of such violation.

(10) No noxious or offensive activity shall be carried on upon any tract, nor shall anything be done thereon which shall become an annoyance or nuisance to any owner of any other tract.

(11) No part of the said property shall be used or maintained as a dumping ground for rubbish. Trash, garbage or other waste shall be kept in sanitary containers.

(12) Satellite dishes and other such equipment may be installed at the rear of a dwelling house, with adequate screening (i.e., fencing) from adjacent properties.

(13) No hogs, chickens or goats shall be raised, bred or kept on any tract described in Exhibit "B" attached.

(14) No disabled vehicles or other unsightly objects are permitted to be stored on the property.

(15) The foregoing stipulations, covenants and conditions are and shall be binding and obligatory upon the owners of Tracts 1, 2, 3 and 4, described in Exhibit "B" attached, their respective heirs, successors and assigns for a period of twenty-five (25) years from the date these covenants are recorded, after which time said covenants shall be automatically extended for successive periods of ten (10) years unless instruments signed by all of the then owners of all of the said tracts have been recorded agreeing to change said covenants in whole or in part. These covenants shall not be modified or amended, except by written instrument executed by all of the owners of all of the tracts.

(16) If any owner of any tract, described in Exhibit "B" attached, violates these Restrictive Covenants, or any one of them, enforcement shall be by proceedings at law or in equity against any violating tract owner, either to restrain the violation or to recover damages, or both, and such proceedings may be brought by any owner of any tract described in Exhibit "B" attached, his, her or their personal representatives, heirs or assigns. Further, in the event of such violation, the violating party will pay to the complaining party, all of the complaining party's costs or expenses usual or incidental to such litigation, including but not limited to the complaining party's reasonable attorney's fees, deposition costs and court costs.

B. The parties agree that the following terms, conditions and provisions shall apply to the dedication, maintenance and upkeep of a roadway and water line easement 30 feet in width, serving Tracts 2, 3 and 4:

(1) The parties dedicate, each to the other, a permanent, perpetual easement for ingress, egress and regress and for a roadway to be constructed and maintained to serve the owners of Tract 2, Tract 3 and Tract 4, their heirs, personal representatives or assigns, together with a water line easement, said easements and roadway being more specifically and particularly set forth and described in Exhibit "C" attached hereto and incorporated herein by reference.

(2) Unless otherwise unanimously agreed, the said roadway shall be maintained as a gravel roadway and shall be kept and maintained, at all times, in a passable condition, without ruts, potholes, or other obstructions.

(3) The owners of Tracts 2, 3 and 4 will equally be responsible for all costs or expenses relating to the upkeep, maintenance and repair of the said roadway; however, any capital expense in excess of $1,200.00 ($400.00 payable by the owner of each tract) shall be incurred only with the unanimous consent of the owners of all three tracts.

(4) Each owner of Tracts 2, 3 and 4 will be solely responsible for the installation, maintenance, repair and upkeep of the water line serving such owner's property. The water line for each Tract, unless previously installed, shall be installed within the metes and bounds of the Roadway and Water Line Easement set forth and described in Exhibit "C" attached.

(5) Notwithstanding any provisions to the contrary, any damage to the said roadway caused by any act or omission of the owner of any tract, his, her or their employees, contractors or agents, during a period of construction, site preparation or otherwise shall be repaired at the sole cost and expense of that tract owner.

(6) In the event any owner of any tract fails or refuses to timely pay his, her or their prorata share of the cost of upkeep, maintenance and repair of the said roadway in a timely manner or the cost of repair to the said roadway for damage caused by an individual tract owner, his, her or their employees, contractors or agents, in a timely manner, any owner of any other tract may contribute such cost or expense and may thereafter place a lien for such cost or expense against the property of the delinquent tract owner and may thereafter sue the delinquent tract owner in the General Sessions Court, Circuit Court or Chancery Court for Davidson County, Tennessee, to recover such payment, in which case, the delinquent tract owner shall be solely responsible for the payment of all costs or expenses relating to such litigation, including but not limited to the attorney's fees, deposition costs, court costs and other litigation expenses incurred by the contributing tract owner.
