LAST WILL AND TESTAMENT

OF

ADDIE MAE CRAIG.

[illegible] 0101 CASH 12.00

I, ADDIE MAE CRAIG, residing at 918 15th Avenue South, Nashville, Davidson County, Tennessee, do hereby make, declare and publish this, my Last Will and Testament, hereby revoking all other wills heretofore made by me.

I.

I direct that all of my just debts, funeral expenses, any indebtedness incurred during my last illness, the costs of administration of my estate, and any succession or inheritance taxes that may be assessed against my estate, or any beneficiary thereunder, be paid by my Executrix out of my general estate and out of the first moneys coming into her hands.

II.

I have many relatives and descendants, all of whom I love and admire. It has been my privilege and p leasure to rear and maintain in my home my four (4) great-grandchildren and one great-great grandchild. The great-grandchildren are (1) Johnetta Edmondson, now of lawful age, (2) Anita Edmondson, now of lawful age, (3) Angela Edmondson, now 13 years of age, and (4) Janet Edmondson, now 12 years of age. The mother of these four grandchildren is dead; their father has contributed nothing to their support, and I have provided a home for them. (5) My great-great-grandchild is Tracey M. Edmondson, now 10 years of age, and also has been maintained in my home.

III.

I, therefor, give, devise and bequeath to DOROTHY CRAIG MILLER, 911 Villa Place, Nashville, Tennessee, 37212, as Trustee for said Johnetta Edmondson, Anita Edmondson, Angela Edmondson, Janet Edmondson, and Tracey M. Edmondson, after payment of the charges set out in Item I of my will, all the rest, residue and remainder of my property and estate, real, personal and mixed, of every nature and kind, and wheresoever located, in trust for the following uses and purposes, to wit:

1. I am now receiving social security and welfare funds for the support of the minor beneficiaries of this trust; and I request that Dorothy Craig Miller, as trustee, make application for, receive and use such funds for this purposes of this trust, supplementing from my trust estate the necessary funds for the purposes herein set out.

2. I direct that my said Trustee shall provide a good home for the three beneficiaries, Angela Edmondson, Janet Edmondson, and Tracey M. Edmondson, during their minority, and to pay for their necessary food, clothing, health, maintenance, support and lodging in such amounts, and at such times as in her absolute discretion may be deemed necessary or proper.

3. Two of my great-grandchildren, namely: Johnetta Edmondson and Anita Edmondson, being of lawful age, I expect them to be self-supporting, but it is my desire that they continue to live in the home with the minor beneficiaries, and they shall have that right and privilege.

4. My Trustee may have my home maintained for said purposes, or she may board said minors in a home she considers proper and desirable. If said minor should be placed elsewhere she may rent my home until she effects a sale thereof. While my home is being occupied for said purposes, or while rented, my Trustee shall pay all taxes, insurance, maintenance and repairs from the trust estate.

5. My said trustee shall also have the power and authority to sell my home by deed, at either public or private sale, at such price, on such terms, and at such time as in her absolute discretion she may deem or consider proper; and she is authorized, empowered and directed to execute in her name as Trustee a deed conveying title to the purchaser. I anticipate that she will sell the home prior to the time that the youngest beneficiary attains legal age, but if not previously sold at the time of closing my estate, I direct that my Trustee then sell the same, converting same into cash, so that distribution of any net funds in the trust estate may be made in cash. The net funds from the sale of my home shall be used for the purposes set out in Item III-(2) above; and until so used my trustee shall invest the same in income yielding securities or in savings accounts in order that interest may accrue.

6. During the period of this trust, the trustee is authorized, directed and empowered to spend what sum or sums may be necessary for each beneficiary during minority; however, should any adult beneficiary of this trust require medical, hospital, or other emergency treatment, or become destitute, then the trustee is authorized and empowered to use from the trust fund sufficient amounts for said purposes as in her discretion may be deemed property, but the trust is created principally for the beneficiaries during minority, and to enable them to obtain a good education.

7. It is probable that certain funds from social security and welfare may require the appointment of a guardian for the minor children; if so, it is my desire that Dorothy Craig Miller be permitted to qualify.

8. In order that said children may be promptly provided for immediately after my death, my Executrix is hereby given all the powers, duties and authority herein granted to my Trustee, while my probate estate is being administered.

9. When any of said minor children, a beneficiary of this trust, attain the age of eighteen (18) years, then this trust shall terminate as to the duty of the trustee to furnish food, clothing, maintenance and support, as I expect such beneficiary to then be self-sustaining, but with the right to reside in said home unless previously sold, but will continue for said purposes for the remaining beneficiaries under eighteen (18) years of age.

10. This trust shall terminate when the last of said beneficiaries attains the age of eighteen (18) years, unless exhausted by the above use of said trust funds, previously. If there is any balance in the trust funds, including moneys from the sale of my home by my trustee, shall then be distributed in equal shares to the beneficiaries then living; and if any beneficiary has predeceased leaving issue surviving the share of any such deceased beneficiary shall pass to its issue per stirpes; and the shares of the surviving beneficiaries will be increaased should any beneficiary die without issue surviving.

Addie Mae. Craig.

(11) I realize the income from the c orpus of my trust estate will be insuffient to carry out the purposes of this trust; and the trustee from either corpus or income, at such times and in such amounts may use corpus or income funds for said purposes, in her absolute discretion. Being of advanced age I expect the trust fund to be exhausted prior to the time the youngest beneficiary attains legal age.

(12) Should all the beneficiaries herein named be of legal age at the time of my death, then and in that event I authorize, empower and direct my Executrix to sell my home, upon terms hereinbefore stated in Item III-(5), and that final distribution upon the closing of my probate estate being made as provided in Item III-(10), and I give and bequeath the rest, residue and remainder of my estate to the beneficiaries as set out and described in said Item III-(10).

IV.

I hereby nominate and appoint DOROTHY CRAIG MILLER as the Executriz of this my Last Will and T stament, and as the Trustee of my Trust Estate, and she is expressly excused from making bond either as Executrix or as Trustee.

IN WITNESS WHEREOF, I have hereunto signed my name at Nashville, Tennessee, this 27 day of May, 1981.
