Decree of Forfeiture

These three related cases are now before the Court on the motion of plaintiff United States for entry of a decree of forfeiture. Based on the government's motion and the entire record

This document was entered on the docket in compliance with Rule 58 and/or Rule 79(a) FRCP, on 2-14-92 By:

23

in this cause, the court finds that:

1. On April 11, 1991, three related forfeiture complaints were filed by the United States. The complaints alleged that the properties were used in violation of 18 U.S.C. § 1955, the federal gambling statue, and/or were involved in financial transactions in violation of 18 U.S.C. § 1956, one of the federal money laundering statutes. As such, the government contended, the properties were forfeitable pursuant to 18 U.S.C. § 1955 (d) and/or 18 U.S.C. § 981.

2. Warrants were duly issued by the Court and the defendant properties were arrested by the United States Marshal.

3. All parties of record interest received personal notice of the forfeiture action and notice of the action was also published, as required by law.

4. The only claims to the defendant properties or answers to the forfeiture complaints were filed by or on behalf of Shari Long, Judy Long, and the estate of Billy Joe Long.

5. These claims have now been withdrawn.

Accordingly, it is the ORDER of this Court that the defendant properties are now forfeited to the United States and that

no right, title or interest in the properties exist in any other person or entity.

It is so ORDERED this 7th day of February, 1992.

John T. Nixon
Chief Judge
United States District Court
Middle District of Tennessee
