During the continuation of this trust, I expressly authorize my said Trustee to encroach on the corpus thereof whenever, in its sole discretion, such may be in the best interest of my said sister, and without any limit whatsoever on the right to encroach.

Upon the death of my said sister, my said Trustee shall pay over the trust assets then in its hands, income and corpus, to such beneficiary or beneficiaries as my sister may appoint in her Last Will and Testament.

estate in such investments, securities or property as the Trustee deems prudent, without restrictions to legal investments for trustees, and without diversification, and from time to time may pay or expend the whole or any part thereof in the manner hereinabove provided.

The interest of the beneficiary of the trust herein created shall not be subject or liable in any manner to or for her or any of her anticipations, assignments, pledges, debts, contracts, engagements, or liabilities, or subject or liable to attachment or seizure, execution or sequestration, under any legal, equitable or other process, or subject to the marital rights of any spouse.

take; may employ agents and attorneys and compensate them; may keep at the risk of the Trustee any assets in the name of the nominee or nominees without mention of the fiduciary relationship in any instrument of ownership; may make, execute, deliver all assignments, transfers, deeds, documents and other legal instruments, either necessary or convenient for exercising the Trustee's power, or for conveying property free of trust and without liability on any person dealing with the Trustee to inquire into the Trustee's authority, or to see to the application of any money or thing of value delivered to the Trustee, and without the necessity of court action.

If my said Trustee shall receive the proceeds of any life insurance contracts on my life, which shall pass through my estate, I direct that it shall receive, hold, invest, reinvest, and distribute same as a part of the assets of this trust, and subject to the terms and conditions herein set out.

If, during the continuation of this trust, my said sister shall determine that it is to the best interest of said trust estate that a substitute trustee be appointed, I authorize and empower her to so do by an instrument in writing, to be recorded in the Register's Office for Daivdson County, Tennessee, but said substitute Testamentary Trustee shall be a banking institution whose combined capital and surplus shall be not less than ten million dollars. Any such substitute Testamentary Trustee appointed pursuant hereto shall have all the rights, powers, and authority herein granted my said Trustee.
