Deeds of Michigan real estate, or any interest therein, are generally subject to the tax imposed by Act 134, Public Acts of 1966, as amended. The tax is computed at the rate of 55 cents for each $500.00 of the consideration paid. The tax is upon the grantor, and is to be paid in the county where the land is located.

If a deed is not subject to tax, it must refer to the statutory subsection under which exemption is claimed. If a deed does not state the total consideration, an affidavit giving this information must be furnished. Forms of affidavit can be obtained from registers of deeds. A deed may not be recorded by the register of deeds without payment of this tax, if applicable.

When a deed conveys lands located in two or more counties, the tax applicable to each parcel conveyed must be paid in the county where that parcel is situated.

Act 134, Public Acts of 1966, as amended does not provide for deducting mortgages or other liens assumed by the grantee when computing payment of the tax. 5-1-
