This conveyance of the Property and all covenants and warranties contained herein are made expressly subject to such limitations, restrictions, easements, government planning, building and zoning regulations as may affect the premises.

THIS CONVEYANCE IS MADE IN TRUST for the following uses and trusts, and for no other purpose: To secure payment of an Installment Deed Note in the original amount of $42,937.50, sometimes hereinafter referred to as the "Secured Indebtedness", of even date herewith executed by GRANTOR, payable to the order of J.D. Stevens, Trustee, hereinafter referred to as "BENEFICIARY", to which reference is made for terms and conditions of same.

THE MAXIMUM PRINCIPAL INDEBTEDNESS FOR TENNESSEE RECORDING TAX PURPOSES IS $42,937.50.

Transfer of the Property. In the absence of prior written consent of the BENEFICIARY, if all or any part of the Property or any interest therein is sold, transferred, encumbered or restricted, including without limitation, (i) the creation of a lien, charges, restriction or encumbrance against the Property whether or not subordinate to this Installment Deed, (ii) the execution of a contract to transfer or otherwise dispose of all, part of, or any interest in the beneficial or equitable title to the Property (iii) the transfer or other disposition of all, part of, or any interest in the beneficial or equitable title to the Property or (iv) the filing of any tax lien, judgment lien or any other type of lien against the Property, BENEFICIARY may at any time after BENEFICIARY acquires actual knowledge of such actual or attempted sale, assignment, conveyance, transfer, disposition, encumbrance or restriction, declare all Secured Indebtedness to be immediately due and payable. Said consent is totally within the discretion of BENEFICIARY, and BENEFICIARY is under no obligation to grant such consent; any consent granted being subject to such terms and conditions as BENEFICIARY may require. No consent or approval, if given, by BENEFICIARY shall cause GRANTOR to be released from liability for payment of the Secured Indebtedness unless BENEFICIARY expressly consents in writing to such release.

Events of Default and Acceleration. The occurrence of any of the following events shall constitute an "Event of Default" hereunder:

(a) The non-payment of the principal and/or interest on the Secured Indebtedness or any portion thereof when and as the same shall become due and payable;

(b) GRANTOR's failure to perform any of the obligations hereunder, or a default or Event of Default shall occur under the

Promissory Note, this Installment Deed, or any other instrument or document now or hereafter further evidencing, securing or otherwise related to the Secured Indebtedness or any portion thereof;

(c) GRANTOR shall abandon the Property;

(d) GRANTOR or any other person or entity now or hereafter liable to pay all or any portion of the Secured Indebtedness shall fail to pay or shall admit in writing that it is generally not paying its debts as they become due, or make a general assignment for the benefit of creditors or commit any act of bankruptcy; or a receiver, trustee or other custodian shall be appointed for GRANTOR; or any proceedings under bankruptcy laws or other laws of general application to creditors shall be brought by or against GRANTOR, or any subsequent Obligor; or GRANTOR, or any subsequent Obligor shall file for any form of reorganization or arrangement under any bankruptcy law;

(e) Should any representation or warranty of GRANTOR, herein contained, or contained in the instrument, transfer, conveyance, assignment or other agreement given with respect to the Secured Indebtedness, reasonably appear to be untrue or misleading in any material aspect;

(f) Should any federal tax lien, judgment lien or claim of lien for labor or material be claimed or filed of record against GRANTOR or the Property and not be removed by payment or bond within thirty (30) days from date of notice of claim or of recording;

(g) If the said GRANTOR fails to make any payment due on any indebtedness or security or any event shall occur or any condition shall exist in respect of any indebtedness or security of GRANTOR or under any agreement securing or relating to such indebtedness or security, the effect of which is to cause or to permit any holder of such indebtedness or other security or a trustee to cause (whether or not such holder or trustee elects to cause) such indebtedness or security, or a portion thereof, to become due prior to its stated maturity or prior to its regularly scheduled dates of payment.

Upon the occurrence of any Event of Default described in subparagraph (d) hereof, the Secured Indebtedness shall be immediately due and payable in full; and upon the occurrence of any other Event of Default described above, BENEFICIARY, at any time thereafter may, at BENEFICIARY'S option, accelerate the maturity of the Secured Indebtedness; all without notice of any kind.

Remedies. Upon the occurrence of any Event of Default and the acceleration of the maturity of the Secured Indebtedness, BENEFICIARY, or any other agent of BENEFICIARY, or the TRUSTEE may take any one or more of the following actions:

(a) Enter upon and take possession of the Property without applying for or obtaining the appointment of a receiver;

(b) Employ a managing agent of the Property and let the same, either in TRUSTEE's own name, in the name of BENEFICIARY, or in the name of the GRANTOR, receive the rents, incomes, issues and profits of the Property and apply the same, after payment of all necessary charges and expenses, on account of the Secured Indebtedness;

(c) Pay any sums in any form or manner deemed expedient by BENEFICIARY to protect the security of this Installment Deed or to cure any Event of Default other than payment of interest or principal on the Secured Indebtedness;

(d) Foreclose this Installment Deed. The TRUSTEE hereunder, or his agent or successors, at the request of BENEFICIARY or the representatives or assigns of BENEFICIARY, after giving notice of the time and place of sale by publication of such at least three (3) different times in some newspaper published in the County in which the Property is primarily situated, the first of which publication shall be

at least twenty (20) days previous to said sale, shall, at the date and time stated in the notice, and at the door of the County Courthouse in said County at which foreclosure sales are customarily held or, at the election of BENEFICIARY, at the Property, proceed to sell the Property at public auction for cash (or for credit against the Secured Indebtedness if BENEFICIARY is the highest bidder) or upon such other terms that are satisfactory to the TRUSTEE and BENEFICIARY, and in bar of the statutory right of redemption set forth in Tennessee Code Annotated, Section 66-8-101, et. seq., homestead, dower, elective share, rights of appraisement or valuation, and all other rights and exemptions of every kind, including equity of redemption, all of which are hereby waived. TRUSTEE shall apply the proceeds from such sale - first to the payment of all costs and expenses of such sale, including attorney and TRUSTEE fees and expenses incurred in connection with the sale and GRANTOR's default; second, to the payment of the Secured Indebtedness, including any and all advances made under the terms hereof with interest thereon; third, the surplus, if any, to the parties legally entitled thereto.

In the event the TRUSTEE cannot determine the person or persons to whom the surplus should be paid or a controversy exists with respect to the surplus, the TRUSTEE may pay the surplus into a court of competent jurisdiction in an interpleader action and all expenses of such action, including legal fees incurred by BENEFICIARY or TRUSTEE, shall be paid from the surplus or, if the surplus is insufficient, by the GRANTOR.

The foreclosure sale may be adjourned from time to time by TRUSTEE, or his agent or successors, at the place of sale on the date the same is originally set, or on the date of any adjournment thereof, and may be reset at a later date or dates, by announcement without any additional publication.

BENEFICIARY or BENEFICIARY'S designees may purchase the Property at any sale. In the event BENEFICIARY purchases the Property at the TRUSTEE's sale, to the extent BENEFICIARY'S bid price exceeds the Secured Indebtedness, BENEFICIARY shall pay the TRUSTEE cash equal to such excess.

The Property or any part thereof may be sold in one (1) parcel or in such parcels, manner or order as BENEFICIARY in BENEFICIARY'S sole discretion may elect, and one or more exercises of the power herein granted shall not extinguish or exhaust the power unless the entire Property is sold or the Secured Indebtedness paid in full.

Following a TRUSTEE's sale of the Property, TRUSTEE shall deliver to purchaser a TRUSTEE's Deed conveying the Property so sold without any covenant or warranty, express or implied. The recitals in the TRUSTEE's Deed shall be prima facie evidence of the truth of statements made therein.

The GRANTOR further agrees that in case of any sale hereunder, it will at once surrender possession of the Property, and if GRANTOR fails to surrender possession, GRANTOR will from that moment become and be the tenant at will of the purchaser, and removable by process as upon a forcible and unlawful detainer suit, hereby agreeing to pay such purchaser the reasonable rental value of the Property after such sale plus all expenses, including legal fees, incurred by the purchaser.

Neither BENEFICIARY nor the TRUSTEE shall be required to give any notice of the foreclosure sale to the GRANTOR.

(e) Institute appropriate proceedings of foreclosure in equity or at law. Upon the institution of such proceedings, TRUSTEE shall, upon application therefor, without notice, be entitled to have a receiver appointed to take possession of the Property, and TRUSTEE or BENEFICIARY shall be entitled to all the rents, issues and profits arising therefrom during the pendency of any such foreclosure proceedings.

(f) Take any other action BENEFICIARY or TRUSTEE may be legally entitled to take to protect their rights.

It is further agreed that said TRUSTEE, or his successors, may execute the power of sale herein and other powers and rights without giving bond or taking oath.

Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to BENEFICIARY.

In the event of a total taking of the Property, the proceeds shall be applied to the Secured Indebtedness, whether or not then due, with any excess paid to the GRANTOR. In the event of a partial taking of the Property, unless the GRANTOR and BENEFICIARY otherwise agree in writing, the Secured Indebtedness shall be reduced by the amount of the proceeds.

If the Property is abandoned by the GRANTOR, or if, after notice by BENEFICIARY to the GRANTOR that the condemnor offers to make an award or settle a claim for damages, the GRANTOR fails to respond to BENEFICIARY within thirty (30) days after the date the notice is given, then BENEFICIARY is authorized to collect and apply the proceeds, at BENEFICIARY'S option, either to restoration or repair of the Property or to the Secured Indebtedness, whether or not then due.

Unless BENEFICIARY and the GRANTOR otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments hereunder or change the amount of such payments.

Insurable Value. The said GRANTOR does hereby agree to keep all buildings and/or improvements located on the Property insured with some reliable fire insurance company or companies, said insurance to be in a sum equal to the replacement value of the said improvements. Any payments for a loss under said policy shall be made payable to the said TRUSTEE, for the benefit of the lawful owner and holder of the Secured Indebtedness, as their interests may appear.

The GRANTOR further agrees to keep any improvements on said Property in good repair and preservation and to pay all taxes and assessments thereon, and to pay them when due; and in case GRANTOR fails to do either, then said TRUSTEE, or the lawful owner and holder of the Secured Indebtedness or any of them, may exercise any of the provisions outlined under the Default and Acceleration clause of this Installment Deed.

The lawful owner and holder of the Secured Indebtedness, at his option, is hereby authorized and empowered to remove TRUSTEE and name and appoint a successor trustee to execute this Trust by an instrument in writing to be recorded in the Register's Office for Davidson County, Tennessee, and the title herein conveyed to the TRUSTEE shall be vested in said successor trustee.

Said TRUSTEE shall execute this Trust without being required to give bond, and he shall not be required to file any account or settlement in relation to this Trusteeship.

Forbearance by Trustee or the lawful owner or holder of the indebtedness secured herein, in exercising any right or remedy hereunder, or any related right or remedy otherwise afforded by law, shall not be a waiver of, or preclude the subsequent exercise of any such right or remedy. The receipt by Trustee or the lawful holder and owner of said indebtedness of any past due installments or other late payments of the indebtedness shall not deprive Trustee or the lawful holder and owner of said indebtedness of the right to accelerate the maturity of the indebtedness or of any right of enforcement existing pursuant to the terms of this instrument. The procurement of insurance or the payment of taxes or other liens or charges by Trustee or the lawful holder and owner of said indebtedness shall not be a waiver of the right provided herein to accelerate the maturity of the indebtedness because of default hereunder.

Every right and remedy provided in this Installment Deed is distinct from and cumulative to every other right or remedy under this Installment Deed or afforded by law or equity. Every such right or remedy may be exercised concurrently, independently, or successively.

In the event that any provision or clause of this Installment Deed or said indebtedness conflicts with any applicable law, the other provisions of this Installment Deed and said indebtedness shall be given effect as fully as possible without the conflicting provision, and to this end the provisions of the Installment Deed and said indebtedness are declared to be severable.

As additional security for the repayment of the Indebtedness, Grantor hereby assigns to Holder all rents, income, or profits derived from the Property.

In connection with this Assignment of Rents, Grantor agrees to comply with all terms imposed upon it as Lessor under any leases covering any part of the property. Should Grantor default under any such lease, Beneficiary may take whatever action it deems desirable to prevent or cure the default by Grantor. Beneficiary shall have the right to enter upon the property as often as it desires in order to prevent or cure any such default. In attempting to prevent or cure any such default, Beneficiary may spend such sums of money as it deems necessary, and Grantor hereby agrees to pay Beneficiary immediately upon demand all sums so expended by Beneficiary, together with interest from the date of payment by Beneficiary at the highest lawful rate. Such sums, and the interest thereon, shall become additional indebtedness secured by this Installment Deed.

The covenants and agreements herein contained shall bind, and the rights hereunder shall inure to, the respective successors and assigns of the TRUSTEE and BENEFICIARY. The captions and headings of the paragraphs of this Installment Deed are for convenience only and are not to be used to interpret or define the provisions hereof.

Grantor, Trustee and Beneficiary, whenever used herein shall include all individuals, corporations (and if a corporation, its officers, employees, agents and/or attorneys) and any and all other persons or entities, and the respective heirs, executors, administrators, legal representatives, successors and assigns of the parties hereto, and all those holding under any of them, and the pronouns used herein shall include, when appropriate, either gender and both singular and plural.

WHEREAS, each Warranty Deed that conveyed the individual tracts to the Parties from Stevens included the legal description to the middle of the Private Roadway, but the deeds included language stating that each tract of land is subject to the joint use of the Parties for ingress and egress and utility easements; and

WHEREAS, as a result of the construction of the Private Roadway and the exceptions outlined in the Warranty Deeds mentioned above, the Parties have a non-exclusive right to use the Private Roadway for the purposes of ingress and egress and utility easements; and

WHEREAS, the Parties desire to more specifically set forth their obligations and responsibilities relative to said roadway and utilities.

NOW, THEREFORE, for and in consideration of the premises and the mutual covenants and understandings herein contained, the Parties agree as follows:

The Manager shall make available to the parties the cost of any maintenance, repair or resurfacing and the Parties will vote as to whether or not such maintenance, repair or resurfacing is needed and which company should be selected to perform the work. In the event of an emergency, the Manager shall have the right to call a meeting to discuss possible emergency repairs. A majority vote will govern all decisions as to whether or not maintenance, repair or resurfacing should be performed.

7. The covenants and requirements set forth in this Agreement shall run with the land and shall be binding upon the Parties, their heirs, successors and assigns, including but not limited to, any future purchasers of the individual tracts.

8. This Agreement may not be amended except by writing, signed by the owners of the 18 tracts of land herein described at such time. This Agreement contains the entire agreement between the Parties and shall be interpreted and construed according to the laws of the State of Tennessee.

9. Stevens has remained the owner of Tracts 7, 8, 9, 10 and 11, and has the right to combine any or all of those tracts so as to reduce the total number of tracts from eighteen to as few as fourteen tracts. In the event the tracts are combined so that the total project has less than eighteen tracts, it is understood by the Parties that the expenditures incurred to maintain, repair and resurface the Private Roadway, as described in this Agreement, shall be borne by the number of the overall tracts that are a part of this project. An example would be, if there are fifteen tracts, then each tract owner would be responsible for one-fifteenth (1/15) of the cost to upkeep, maintain, repair and resurface the Private Roadway. In the event Tracts 7, 8, 9, 10 and 11 are combined into fewer than five tracts, the Parties shall be notified in writing by Stevens, which notice shall inform the Parties of the total number of Tracts and resulting percentage of obligation of each tract owner for the upkeep, maintenance, repair and resurfacing of the Private Roadway.

10. This Agreement is governed by the laws of the State of Tennessee.
