To whom it may concern:

This is to acknowledge and certify that the quitclaim deed from my mother, Elizabeth R. Hoppe to me, dated September 22, 1995 and recorded in Book 9810 page 849, Register's Office of Davidson County, Tennessee is incorrect, and I want it corrected.

By the deed my mother conveyed the entire ownership of the property at #6 Elysian Fields Road, to me, when we meant and intended to convey only a 50% interest.

My attorney, Hagerstown, will prepare a corrected deed as soon as possible, but I am going in the hospital tomorrow for surgery, and we are signing this statement today, and will correct the deed when I recover and feel like it.

If something should happen to me during this operation, I want my daughter to understand that the deed is incorrect. My mother and I were putting a 50% interest in this property for a very special reason, and the error was not discovered until recently.

I am signing this statement before Hagerstown, who is my mother and my attorney, and who is a Notary Public.

Dated 9, 1995

Elizabeth R. Hoppe
