The Association shall not be deemed to be conducting a business of any kind. All activities undertaken by the Association shall be held and applied by it for the use and benefit of Owners in accordance with the provisions of the Declaration and By-Laws. Each Owner shall be a member of the Association so long as he is an Owner. An Owner's membership shall automatically terminate when he ceases to be an Owner. Upon the conveyance or transfer of an Owner's ownership interest to a new Owner, the new Owner shall simultaneously succeed to the former Owner's membership in the Association. SECTION 4. Board's Determination Binding; Arbitration in the Event of Disagreement. In the event of any dispute or disagreement

between any Owners relating to the Property, or any questions of interpretation or application of the provisions of the Declaration or By-Laws, the determination thereof by the Board shall be final and binding on each and all such Owners. If the Board cannot agree unanimously, then the parties agree that they will submit the matter to arbitration, according to the rules and regulations of the American Arbitration Association ("AAA") and that they shall be bound by the determination of three AAA arbitrators, subject to the rules and regulations of the AAA. The two Board Members who are Unit Owners shall each select an arbitrator from a list supplied by the AAA, and those two arbitrators shall select the third arbitrator.

SECTION 5. Ownership of the Association. Each Owner shall be entitled to fifty (50%) percent of the ownership in the Association. The percentages of ownership interests shall remain constant unless amended pursuant to the reservation set forth herein, or unless hereafter changed by recorded amendment to this Declaration as provided for herein or consented to in writing by the necessary Owners and first mortgagees, except for obvious scrivener's mistakes, which Declarants may correct without joinder of others. Said ownership interest in the Association shall be represented by a membership certificate, and the Association shall be owned by the Owners in accordance with their respective percentages of ownership. The ownership of each Unit shall not be conveyed separate from the percentage of ownership in the Association corresponding to said Unit. The ownership in the Association corresponding to any Unit shall be deemed conveyed or encumbered with that Unit, even though the legal description in the instrument conveying or encumbering said Unit may refer only to the fee title to that Unit.

SECTION 6. Use of the Common Elements. Each Owner shall have the right to use the Common Elements in common with all other Owners, as may be required for the purposes of access, ingress to, egress from, use, occupancy and enjoyment of the respective Unit owned by such Owner. Such right to use the Common Elements shall extend to not only each Owner, but also to his agents, servants, tenants, family members, customers, invitees and licensees. Such rights to use the Common Elements shall be subject to and governed by the provisions of the Declaration, By-Laws and rules and regulations of the Association. In addition, the Association shall have the authority to lease, grant concessions or grant easements with respect to parts of the Common Elements, subject to the provisions of the Declaration and By-Laws. All income derived by the Association from leases, concessions or other sources shall be held and used for the benefit of the members of the Association, pursuant to such rules, resolutions or regulations as the Board may adopt or prescribe.

SECTION 7. (a) Common Expenses. Each Owner shall pay his proportionate share of the expenses of the administration and

operation of the Common Elements and of any other expenses incurred in conformance with the Declaration and By-Laws (which expenses are herein sometimes referred to as "common expenses"), including, but not limited to, the maintenance and repair thereof and any and all replacements and additions thereto. Such proportionate share of the common expenses for each Owner shall be in accordance with his percentage of ownership in the Association. Payment of common expenses, including any prepayment thereof required by contract for a sale of a Unit, shall be in such amounts and at such times as determined in the manner provided in the By-Laws. No Owner shall be exempt from payment of his proportionate share of the common expenses by waiver or non use or enjoyment of the Common Elements or by abandonment of his Unit. If any Owner shall fail or refuse to make any such payment of the common expenses when due in advance on the first day of each month, then (i) a late charge of $10, plus $1 for each day thereafter that such payment has not been made or (ii) the Board may, by resolution or rule, increase the said late payment charge to a reasonable amount, considering the time and circumstances involved. The Board's decision as to reasonableness shall be binding upon all parties, and such payment, together with such late payment charge (the "indebtedness"), shall constitute a lien on the interest of such Owner in the Property.

(b) Enforcement of Lien. FOR AND IN CONSIDERATION of the privileges, protections, mutual enjoyment and use of the Common Elements and the premises contained herein, the receipt of which is hereby acknowledged and any assumption of the obligations by transferees as required hereunder, and to secure the payment of said Common Expenses, principal, interest, and attorney fees, a lien is expressly retained by the Association on each and every Owner's Unit and prorata interest in the Association (referred to in this subparagraph 7(b) as "property").

And now, for the purpose of better and more effectually securing the payment of said lien indebtedness; rendering unnecessary court proceedings for the enforcement of said lien in the event of the non-payment of said indebtedness and payments thereof, as they become due, and for the consideration of one dollar paid in cash, receipt of which is acknowledged, the said Owners, their heirs, administrators, and assigns, hereinafter referred to as trustors, hereby transfer and convey unto A. Harrison Johnson, Jr., Trustee, his successors and assigns, the real estate hereinbefore described, with the appurtenances, estate, title and interest thereto belonging upon the following uses and trusts:

> Trustors agree to pay their prorata share of Common Expenses when due and further agree to pay all taxes and assessments thereon, general or special, and to pay them when due, and, upon demand of said trustee or the lawful owner and holder of said indebtedness, to pay,

discharge, or remove, any and all liens (except a First Mortgage or Deed of Trust) which may be hereafter placed against said property and which shall adversely affect the lien of this instrument or enforcement of the terms and provisions hereof; to keep the improvements on said property in good repair and preservation, and in case the trustee or his successors or the lawful owner and holder of said indebtedness shall hereafter be required to appear in any court or tribunal to enforce, or defend the title to, or possession of, said property, or the lien of this instrument, or appear in any court to prove the above indebtedness, all the costs and expenses of such appearance or proceedings, together with a reasonable attorney's fee, shall be allowed, and be payable by trustors upon demand of the trustee or lawful owner or holder of said indebtedness, and, upon failure to do any of these things, then said trustee, or the lawful owner and holder of said indebtedness may do any or all of these things and the amounts so paid shall bear interest at the then highest maximum effective rate of interest per annum for home loans then legally collectible in Tennessee from the due date and shall be and become a part of the indebtedness secured hereby.

Now, if trustors shall pay their prorata share of Common Expenses aforesaid when due, and pay any and all sums when due, as aforesaid, then this trust conveyance shall be of no further force or effect. But if said indebtedness, or any payment thereof, or interest thereon, is not paid promptly when due, or if, failing to pay said other sums when due, as herein provided, trustors fail to reimburse the trustee, or lawful owner and holder of said indebtedness for all sums, with interest, so expended by said trustee, or lawful owner and holder of said indebtedness, within thirty days from date of such payment, this trust conveyance shall remain in full force and effect, and the said trustee, or his successor in trust, is hereby authorized and empowered, upon giving twenty days' notice by three publications in any newspaper, daily or weekly, published in Davidson County, Tennessee, to sell said property at the front door of the Court House in said County to the

highest bidder for cash, at public outcry, free from the equity or right (statutory or otherwise) of redemption, homestead, dower, spouse's elective share and all other rights and exemptions of every kind, which are hereby expressly waived; and the said trustee, or his successor in trust, is authorized and empowered to execute and deliver a deed to the purchaser. The Association may bid at any sale under this trust conveyance. The Trustee may, at any time after default in the payment of any of said indebtedness, enter and take possession of said property, and shall only account for the net rents actually received by him. It is further agreed that, in the event the trustee fails, before selling said property, as herein provided, to enter and take possession thereof, the purchaser shall be entitled to immediate possession thereof upon the delivery to him by the trustee of a deed for said property. In case of sale hereunder, the proceeds will be applied by the trustee as follows:

1st. To the full and complete satisfaction of the interest of the first mortgage holder, unless arrangements have been made for the assumption of the first mortgage by the subsequent purchaser.

2nd. To the payment of all costs, charges and expenses of executing this conveyance and enforcing said lien as herein provided; also reasonable attorney's fees for advice in the premises, or for instituting or defending any litigation which may arise on account of the execution of this conveyance, or the enforcement of said lien; also the expenses of any such litigation.

3rd. To the payment of all taxes which may be unpaid on said premises.

4th. To the payment of all unpaid indebtedness herein secured, and any and all sums expended in the

protection of said property, as herein authorized.

5th. The residue, if any, will be paid to trustor(s) legally entitled thereto, their order, representatives or assigns.

In case of the death, absence, inability, or refusal to act of said trustee at any time when action under the foregoing power and trusts may be required or for any other reason, the lawful owner and holder of said lien is hereby authorized and empowered to name and appoint a successor to execute this trust by an instrument in writing to be recorded in the Register's Office for Davidson County, Tennessee, and the title herein conveyed to the above named trustee shall be vested in said successor.

The word "Trustors" when used herein shall apply to parties both singular and plural.

This transfer and conveyance, and the lien for common expenses payable by an Owner which is secured by the transfer and conveyance shall both be subordinate to the lien of a recorded First Mortgage or Deed of Trust on the interest of such Owner, regardless of whether the First Mortgage or Deed of Trust was recorded before or after this instrument, except for the amount of the proportionate share of common expenses which become due and payable from and after the date on which the Mortgagee or Beneficiary accepts a conveyance of any interest therein (other than as security) or forecloses its Mortgage or Deed of Trust. While the lien for assessments may be extinguished, the personal indebtedness therefor shall remain and be the personal obligation of the Owner who owned the Unit when the assessment came due. Any delinquent assessments (after lien extinguishment) may be reallocated and assessed among all Units as a common expense. This subparagraph shall not be amended, changed, modified or rescinded without the prior written consent of all First Mortgagees and Beneficiaries of record.

SECTION 8. Mortgages and Deeds of Trust. Each Owner shall have the right, subject to the provisions herein, to make separate mortgages and deeds of trust for his respective Unit together with his respective ownership interest in the Association. No Owner shall have the right or authority to make or create, or cause to be made or created from the date hereof, any mortgage, deed of trust or other lien on or affecting the Property or any part thereof,

except only to the extent of his own Unit and the respective percentage interest in the Association corresponding thereto.

ARTICLE II

PROPERTY RIGHTS

SECTION 1. Owners' Easements of Enjoyment. Every Owner shall have a right and easement of enjoyment in and to the Common Area which shall be appurtenant to and shall pass with the title to every Unit, subject to the following provisions:

(a) the right of the Association (acting by the Board) to suspend the voting rights of an Owner for any period during which any assessment against his Unit remains unpaid; and for a period not to exceed 60 days for any infraction of its published rules and regulations;

(b) the right of the Association (acting by the Board) to dedicate or transfer all or any part of the Common Area to any public agency, authority, or utility for such purposes and subject to such conditions as may be agreed to by the Members. No such dedication or transfer shall be effective unless an instrument signed by all the Members, agreeing to such dedication or transfer, has been recorded; providing, however, that such consent shall not be required for the dedication of utility or service easements;

(c) The right of the Association (acting by the Board) to grant private access and/or private utility or drainage easements to private individuals or entities, to serve neighboring properties.

SECTION 2. Delegation of Use. Any Owner may delegate, in accordance with the By-Laws, his rights of enjoyment of the Common Area and facilities to the members of his family, his tenants, or contract purchasers who reside on the property. Membership in the Association may not be conveyed separate from ownership in the Unit.

SECTION 3. Association's Right of Entry. The authorized representatives of the Association or the Board shall be entitled to reasonable access to the individual Units as may be required to correct any existing violation of the provisions of this Declaration, or in connection with the preservation of any individual Unit or in the event of an emergency, or in connection with maintenance of, repairs or replacements within the Units or Common Elements, or any equipment, facilities or fixtures affecting or serving the other Unit or Common Elements, or to make any alteration required by any governmental authority.

ARTICLE III

MEMBERSHIP AND VOTING RIGHTS

SECTION 1. Every owner of a Unit which is subject to a lien for assessments shall be a Member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Unit which is subject to assessment.

SECTION 2. The Association shall have one class of voting membership.

ARTICLE IV

COVENANTS FOR MAINTENANCE ASSESSMENTS

SECTION 1. Creation of the Lien and Personal Obligation of Assessments. The Declarants, for each Unit owned within the Properties, hereby covenant, and each Owner for any Unit, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association:

(a) annual assessments or charges, and

(b) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided.

The annual and special assessments, together with interest, costs and reasonable attorney's fees, shall be a charge on the land, and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for the delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

SECTION 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents of the Properties, and in particular for the acquisition, improvement and maintenance of properties, services and facilities devoted to this purpose, or for the use and enjoyment of the Common Area, including but not limited to, the costs of repairs, replacements and additions, the cost of labor, equipment, materials, management and supervision, the payment of taxes assessed against the Common Area, the procurement and maintenance of insurance in accordance with the By-Laws, the

employment of attorneys to represent the Association when necessary, and such other needs as may arise.

SECTION 3. Maximum Annual Assessment. Until January 1, 1998, the maximum annual assessment shall be Two Hundred Forty ($240.00) Dollars per Unit.

(a) From and after January 1, 1998, the maximum annual assessment may be increased each year not more than 10% above the maximum assessment for the previous year without a vote of the membership.

(b) From and after January 1 of the year immediately following the conveyance of the first Unit to an Owner, the maximum annual assessment may be increased above 10% by a vote of at least a majority of members who are voting in person or by proxy, at a meeting duly called for this purpose.

(c) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

SECTION 4. Payable Annual Assessment. The Board of Directors shall fix the payable annual assessment at an amount not in excess of the maximum annual assessment, subject to the provisions of Sections 5, 6, 7 and 8 of this Article.

SECTION 5. Special Assessments for Capital Improvements. In addition to the annual assessment authorized above, the Association (acting by and through the Board) may levy, in any calendar year, a special assessment applicable to that year only for the purpose of defraying in whole or in part, the costs of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of a majority of the votes of Members who are voting in person or by proxy at a meeting duly called for this purpose. All special assessments shall be fixed at a uniform rate for all Units and may be collected on a monthly basis, without additional fee or cost to such members paying on a monthly basis.

SECTION 6. Rate of Annual Assessment. Annual assessment must be fixed at a uniform rate for all Units and may be collected on a monthly basis. The books and records for the Association will be kept in such a manner that it is possible to determine and ascertain (i) such sums as are expended by the Association for development, improvement, maintenance and upkeep of all recreational facilities of the Association, and (ii) such sums as are expended for other purposes.

SECTION 7. Date and Commencement of Annual Assessments; Due Dates. The annual assessments provided for herein shall commence as to all

Unit(s) on the first day of the month following the conveyance of the Common Area. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. At least thirty (30) days in advance of each annual assessment period, the Board of Directors shall fix the amount of the annual assessment to every Owner subject thereto. Written notice of such assessment shall be sent to every Owner subject thereto at least thirty (30) days in advance of each annual assessment period. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on specified Unit(s) have been paid. A properly executed certificate of the Association as to the status of the assessments on a Unit is binding upon the Association as of the date of its issuance.

SECTION 8. Effect of Nonpayment of Assessments; Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the then maximum applicable formula rate of interest legally chargeable under Title 47, Chapter 14, Sections 101 et seq., Tennessee Code Annotated, as it may be amended from time to time, on a per annum basis until reinstatement or the completion of foreclosure. The Association may bring an action at law against the Owner personally obligated to pay the same or foreclose the lien against the property, and interest, costs and reasonable attorney's fees of such action or foreclosure shall be added to the amount of such assessments. No owner may waive or otherwise escape liability for the assessment provided for herein by non-use of the Common Area or abandonment of his Unit.

SECTION 9. Subordination of the Lien to Mortgages. The liens provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Unit shall not affect the assessment lien or liens provided for in the preceding section. However, the sale or transfer of any Unit which is subject to any first mortgage or deed of trust, pursuant to a foreclosure thereof or any proceeding in lieu of foreclosure thereof, shall extinguish the lien of such assessments as the payment thereof which become due prior to such sale or transfer (provided, that such unpaid assessment shall be reallocated among the other Units). No such sale or transfer shall relieve such Unit from liability for any assessments thereafter becoming due or from the lien thereof.

SECTION 10. Exempt Property. All property dedicated to, and accepted by, a local public authority and all properties owned by a charitable or non-profit organization exempt from taxation by the laws of the State of Tennessee shall be exempt from the assessments created herein. However, no land or improvements devoted to dwelling use shall be exempt from said assessments in any case.

ARTICLE V

MAINTENANCE, REPAIRS AND REPLACEMENTS

Each Owner, at his own expense, shall furnish and be responsible for all maintenance of, repairs to and replacements within his own Unit or exclusively serving his own Unit ("Unit Fixtures") or the Board may cause the same to be done at the expense of the Owner. Maintenance of, repairs to and replacements to the Common Elements, except those referred to in the preceding sentence, shall be the responsibility of and shall be furnished by the Association. The cost of maintenance of, repairs to and replacements to the Common Elements shall be part of the common expenses, subject to the By-Laws, rules and regulations of the Association. The expenses for the maintenance, repair or replacement of Unit Fixtures shall be borne by the owner of the Unit to which such Unit Fixtures are appurtenant and at the discretion of the Board, maintenance of, repairs to and replacements within the other Unit Fixtures may be assessed in whole or in part to Owners benefitted thereby, and, further, at the discretion of the Board, the Board may direct Owners who stand to be benefitted by such maintenance of, repairs to and replacement of the Unit Fixtures to arrange for such maintenance, repairs and replacement in the name and for the account of such benefitted Owners, pay the cost thereof with their own funds, and procure and deliver to the Board such indemnities, lien waivers and contractor's and subcontractor's sworn statements as may be required to protect the Property from all furnishers', mechanics' or materialmen's lien claims that may arise therefrom. All decks, patios and backyards shall be the maintenance, repair and replacement responsibility of the individual Owner to which they attach.

If, due to the act or neglect of an Owner, or of his agent, servant, tenant, family member, invitee, licensee or household pet, damage shall be caused to the Common Elements or to a Unit or Units owned by others, or maintenance, repair or replacement are required which would otherwise be a common expense, then such Owner shall pay for such damage or such maintenance, repair and replacements, as may be determined by the Association, to the extent not covered by the Association's insurance or sufficient proceeds are not collected from the insurance carrier.

The authorized representative of the Association or the Board shall be entitled to reasonable access to the individual Units as may be required in connection with the preservation of any individual Unit in the event of an emergency, or in connection with maintenance of, repairs or replacements within the Common Elements or any equipment, facilities or fixtures affecting or serving other Units and the Common Elements or to make any alteration required by any governmental authority.

ARTICLE VI

PARTY WALLS

SECTION 1. General Rules of Law to Apply. Each wall which is built as a part of the construction of the homes upon the Properties and placed on the dividing line between Units shall constitute a party wall, and to the extent to which it is inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence, or willful acts or omissions shall apply thereto.

SECTION 2. Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in proportion to such use by each Owner.

SECTION 3. Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the other Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use by each Owner without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

SECTION 4. Weatherproofing. Notwithstanding any other provisions of this Article, an Owner who by his negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

SECTION 5. Right to Contribution Runs With Land. The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner's successors in title.

SECTION 6. Arbitration. In the event of any dispute arising concerning a party wall, or under the provisions of this Article, each party shall choose one arbitrator, and such arbitrators shall choose one additional arbitrator, and the decision shall be by a majority of all the arbitrators.

ARTICLE VII

INSURANCE

SECTION 1. Casualty Insurance on Insurable Area. The Association shall keep all insurable improvements and fixtures of the Common Area insured against loss or damage by fire for the full insurance replacement cost thereof, and may obtain insurance against such

other hazards and casualties as the Association may deem desirable. The Association may also insure any other property whether real or personal, owned by the Association, against loss or damage by fire and such other hazards as the Association may deem desirable, with the Association as the owner and beneficiary of such insurance. The insurance coverage with respect to the Common Area shall be written in the name of, and the proceeds thereof shall be payable to the Association. Insurance proceeds shall be used by the Association for the repair or replacement of the property for which the insurance was carried. Premiums for all insurance carried by the Association are Common Expenses included in the Common Assessments made by the Association.

In addition to casualty insurance on the Common Area, the Association, through the Board of Directors, shall obtain and continue in effect, on behalf of all Owners, adequate blanket casualty and fire insurance in such form as the Board of Directors deems appropriate in an amount equal to the full replacement value, without deduction for depreciation or coinsurance, of all of the Dwelling Units, including the structural portions and fixtures thereof, owned by such Owners. Insurance premiums from any such blanket insurance coverage, and any other insurance premiums paid by the Association shall be a common expense of the Association to be included in the regular Common Assessments of the Owners, as levied by the Association. The insurance coverage with respect to the Dwelling Units shall be written in the name of, and the proceeds thereof shall be payable to the Association as Trustee for the Homeowners.

The Board shall have the authority to and shall obtain insurance for the Property, exclusive of the additions within, improvements to and decorating of the Units by the Owners, against loss or damage by fire, vandalism, malicious mischief and such other hazards as are covered under standard extended coverage provisions for the full insurable replacement cost of the Common Elements and the Units, and against such other hazards and for such amounts as the Board may deem advisable. Insurable replacement cost shall be deemed the cost of restoring the Common Elements, Units or any part thereof to substantially the same condition in which they existed prior to damage or destruction. Such insurance coverage shall be written in the name of, and the proceeds thereof shall be payable to, the Board of the Association, as the trustee for each of the Owners in direct ratio to said Owner's respective percentage of ownership in the Association, as set forth in the Declaration, and for the holders of mortgages on his Unit, if any. The policy of insurance should also contain, if possible, a waiver of subrogation rights by the insurer against individual Owners. The premiums for such insurance shall be a common expense. However, at the option of the Board, and upon written notice to all Owners, premiums for such insurance shall be separately billed to each Owner for his Unit and his corresponding percentage of ownership in the Association.

In the event of damage to or destruction of any Building as a result of fire or other casualty covered by insurance proceeds (unless more than 2/3rds of any Building requires reconstruction) the Board shall, in its sole and absolute discretion, determine, and without intervention of any Owner arrange for the prompt repair and restoration of the damaged portions of all Units, Buildings and Common Elements substantially in accordance with the original plans and specifications therefor. Where the insurance indemnity is insufficient to cover the cost of such repairs and restoration, the deficit shall be paid by all Owners directly affected by the damage, in a fair proportion deemed by the Board in its absolute discretion. In its absolute discretion, the Board shall determine which Owners are "directly affected" by the casualty, as long as its determination bears a reasonable relation to actual events. The Board shall not be responsible for the repair, replacement or restoration of any improvements, betterments, wall, ceiling or floor decorations or covering or furniture, furnishings, fixtures, appliances or equipment installed in the Unit by an Owner or Occupant unless insurance therefor is specifically provided for in the insurance policy obtained by the Board.

Reconstruction shall not be compulsory where the whole or more than two-thirds (2/3) of all the Buildings and/or Common Elements are destroyed or damaged by fire or other casualty, as determined by the Board. In such case, and unless otherwise unanimously agreed upon by the Owners, the insurance proceeds shall be delivered to the Owners or their Mortgagees, as their interests may appear, in proportion to the percentage interest of each Owner in the Common Elements; and the Board, as soon as reasonably possible and as agent for the Owners, shall sell the Property, in its then condition, free from the effect of this Declaration, which shall terminate upon such sale, on terms satisfactory to the Board, and the net proceeds of such sale, and the net proceeds of all insurance policies shall thereupon be distributed to the Owners or their Mortgagees, as their interest may appear, in proportion to the percentage interest of each Owner in the Common Elements. If the Board fails to consummate a sale pursuant to this paragraph within twenty-four (24) months after the destruction or damage occurs, then the Board shall, or if they do not, any Owner or Mortgagee may, record a sworn declaration setting forth such decision and reciting that under the provisions of this Declaration the prohibition against judicial partition provided for in this Declaration has terminated and that judicial partition of the Property may be obtained pursuant to the laws of the State of Tennessee. Upon final judgment of a court of competent jurisdiction decreeing such partition, this Declaration shall terminate.

Reconstruction also shall not be compulsory where the whole or more than two-thirds (2/3) of any single Building is destroyed as determined by the Board. In such case, and unless otherwise unanimously agreed upon by the Owners and first mortgagees

affected, the net proceeds of insurance policies shall be divided among all the Owners and first mortgagees affected by the casualty in proportion to their respective interests as determined in the sole discretion of the Board, after paying from the share of each affected Owner or first mortgagee, as their interest may appear, the just amount of any unpaid lien on his Unit, in the order of priority of such liens. Provided, however, that no such disbursement of the aforesaid insurance proceeds to any Owner shall occur, unless simultaneously with such disbursement each affected Owner delivers to the Board a recordable deed quitclaiming his interest in his Unit or affected portion thereof to the Board (as trustee for the remaining Owners) and also delivers to the Board a recordable release of any liens on his Unit or affected portion thereof. Upon the recording of the aforesaid deeds and releases each such Unit or affected portion thereof shall be deemed thereafter to be Common Elements. Upon the withdrawal of any Unit or portion thereof, the percentage of interest in the Common Elements appurtenant to such Unit or portion thereof shall be reallocated among the remaining Units on the basis of the percentage of interest of each remaining Unit. If only a portion of a Unit is withdrawn, the percentage of interest appurtenant to that Unit shall be reduced accordingly, as determined by the Board. After the Board has effected any such withdrawal, the responsibility for the payment of future assessments for any such withdrawn Unit or portion thereof shall cease.

In the event of substantial damage to or destruction of any Unit or any part of the Common Elements, the institutional holder of any first deed of trust or mortgage on a Unit will be entitled to timely written notice of any such damage or destruction and no provision of any document establishing the Property will entitle the owner of a Unit or other party to priority over such institutional holder with respect to the distribution to such Unit of any insurance proceeds.

The Association shall have a duty to maintain in effect casualty and liability insurance and fidelity bond coverage, as specified in Sections 501 through 504 of the FNMA Conventional Home Mortgage Selling Contract Lending Guide (herein referred to as the "FNMA Lending Guide").

The Board shall also have authority to and shall obtain comprehensive public liability insurance, in such amounts as it deems desirable, and workmen's compensation insurance and other liability insurance as it deems desirable, insuring each Owner, mortgagee of record, if any, the Association, its officers, directors, Board and employees from liability in connection with the Common Elements. The premiums for such insurance shall be a common expense. However, at the option of the Board, and upon written notice to all Owners, premiums for such insurance shall be separately billed to each Owner for his corresponding percentage of ownership in the Association. The Board shall retain in safe-

keeping any such public liability policy for fifteen (15) years after the expiration date of the policy.

The Board shall also have authority to and shall obtain such insurance as it deems desirable, in such amounts, from such sources and in such forms as it deems desirable, insuring the Property against casualty and any loss (including loss of rents) and each member of the Board and officer of the Association, and member of any committee appointed pursuant to the By-Laws of the Association from liability arising from the fact that said person is or was director or officer of the Association, or a member of such a committee. The premiums for such insurance shall be a common expense.

Each Owner shall be responsible for obtaining his own insurance on the contents of his own Unit and the Unit Fixtures serving his Unit, as well as his additions and improvements thereto, decorating, furnishings, fixtures, and personal property therein, and personal property stored elsewhere on the Property. In addition, in the event an Owner desires to insure against his personal liability and loss or damage by fire or other hazards above and beyond the extent that his liability, loss or damage is covered by the liability insurance and insurance against loss or damage by fire and such other hazards obtained by the Board for all of the Owners as part of the common expenses, as above provided, said Owner may, at his option and expense, obtain additional insurance.

SECTION 2. Deficiency Assessment. In the event of damage to or destruction of a Unit or of any part of the Common Area Improvements, the Association shall repair or replace the same from the insurance proceeds available. If such insurance proceeds are insufficient to cover the costs of repair or replacement of the property damaged or destroyed, the Association may make a Reconstruction Assessment against the Owners directly affected by the casualty (as determined in the sole discretion of the Board) or against all Owners to cover the additional cost of repair or replacement not covered by the insurance proceeds, in addition to any other Common Assessments made against such Owner. In the event that the Association is maintaining blanket casualty and fire insurance on the Dwelling Units, the Association shall repair or replace the same from the insurance proceeds available.

SECTION 3. Annual Review of Policies. All insurance policies shall be reviewed at least annually by the Board of Directors in order to ascertain whether the coverage contained in the policies is sufficient to make any necessary repairs or replacement of the property which may have been damaged or destroyed.

SECTION 4. Notice to First Mortgagees. In the event of substantial damage to or destruction of any Unit or any part of the Common Elements, the institutional holder of any first deed of

trust or mortgage on a Unit will be entitled to timely written notice of any such damage or destruction and no provision of any document establishing the Property will entitle the owner of a Unit or other party to priority over such institutional holder with respect to the distribution to such Unit of any insurance proceeds.

SECTION 5. Federal National Mortgage Association ("FNMA" Coverage). The Association shall also have a duty to maintain in effect casualty and liability insurance and fidelity bond coverage, as specified in Sections 501 through 504 of the FNMA Conventional Home Mortgage Selling Contract Lending Guide (herein referred to as the "FNMA Lending Guide"), a summary of which follows:

.01 **General.** Each hazard insurance policy must be written by an insurance carrier acceptable to FNMA and which falls into a financial category, as designated in Best's Key Rating Guide, of Class VI or better. In lieu of Class VI or better designation, a Seller/Servicer may accept a reinsurance arrangement to be entered into whereby an insurer with a classification lower than Class VI is covered by reinsurance of a company that does meet FNMA's minimum requirements. This may be accomplished by having both insurance carriers execute and attach to each mortgagor's policy an Assumption of Liability Endorsement, FNMA Form 858, or an equivalent endorsement that provides for one hundred percent (100%) reinsurance of the policy and ninety (90) days notice of reinsurance termination.

Where a reinsurer wishes to limit its per policy exposure, it may insist upon a dollar limitation being stated in the reinsurance endorsement. Such a limitation is acceptable to FNMA, provided the amount of insurance written under the policy does not exceed the limitations stated in the reinsurance endorsement.

In all cases, the primary insurer and the reinsuring company, association or organization must be specifically authorized by law or licensed by the jurisdiction to transact business within the state or territory where the property is located. In addition, policy contracts shall not provide that contribution or assessments may be made against FNMA or may become a lien on the

property superior to the lien of FNMA's mortgage.

.02 **Insurance Required by FNMA for Unit Mortgages:** The following insurance is required on property covered by a home mortgage on the date of submission to FNMA:

Property insurance affording protection against loss of damage from fire and other hazards covered by the standard extended coverage endorsement in an amount at least sufficient to pay the mortgage balance. A lesser amount is permitted only where the appraisal made in connection with the mortgage loan provides separate valuations for the land and improvements, and in such instances the insurance must cover the full replacement cost of the improvements;

Policies containing a deductible clause of the higher of $250 or one percent (1%) of the original loan amount, unless a higher maximum amount is required by state statute, applicable to either Fire or Extended Coverage, or both, will be accepted for single-family properties. For 2-4 family properties, the maximum deductible amount is the lesser of one percent (1%) of the loan amount or $1,000.

.03 **Mortgage Clauses.** All policies of property (hazard) insurance submitted with home mortgages, including mortgages financing unit properties located in the Property, must contain or have attached thereto a "standard" or "union" mortgage clause (without contribution) in the form customarily used in the area in which the property is located. The effect of such clause must be that the coverage of the mortgagee under the insurance policy will not be adversely affected or diminished by an act or neglect of the mortgagor, unless such coverage is prohibited by law of the jurisdiction in which the property is located. A mortgage clause which amounts to a mere loss payable clause is not acceptable. FNMA does not require that it be named on mortgage clauses; however, if FNMA is not named, the Seller shall be named as mortgagee followed by the phrase "its successors and assigns".

.04 **Planned Unit Development ("PUD") Projects: Perils Covered.** The insurance policy shall afford, as a minimum, protection against the following:

a. loss or damage by fire and other perils normally covered by the standard extended coverage endorsement;

b. all other perils which are customarily covered with respect to projects similar in construction, location and use, including all perils normally covered by the standard "all risk" endorsement, where such is available.

.05 **Amount of Insurance.** The policy shall be in an amount equal to 100% of current replacement cost of the common areas in the Property, exclusive of land, foundation, excavation and other items normally excluded from coverage.

.06 **Named Insured and Loss Payable.** The name of the insured under such policies must be set forth therein substantially as follows:

"Association of Owners of the **Savannah PLace Homeowner's Association** for the use and benefit of the individual owners."

The policies may also be issued in the name of an authorized representative of the Association for the use and benefit of the individual owners. Loss payable shall be in favor of the Association, as a trustee for each Owner and each such Owner's mortgagee. Each Owner and each such Owner's mortgagee, if any, shall be beneficiaries of the policy in the percentage of common ownership or on the basis of another appropriate formula set out in the Declaration. Evidence of insurance shall be issued to each Owner and mortgagee upon request.

.07 **Unacceptable Policies.** Policies are unacceptable where (a) under the terms of the insurance carrier's charter, bylaws, or policy, contributions or assessments may be made against the Association, borrowers, FNMA, or the designee of FNMA, or (b) by the terms

of the carrier's charter, bylaws or policy, loss payments are contingent upon actin by the carrier's board of directors, policyholders, or members, or (c) the policy includes any limiting clauses (other than insurance conditions) which could prevent FNMA or the borrowers from collecting insurance proceeds.

.08 **Notice of Cancellation or Modification.** Policies may not be canceled or substantially modified without at least 10 days' prior written notice to the Association and to each holder of a first mortgage which is listed as a scheduled holder of a first mortgage in the insurance policy.

.09 **Property Insurance - Special Endorsements.**

a. **Projects.** Policies must provide for the following: a waiver of the right of subrogation against Owners individually; the insurance is not prejudiced by any act or neglect of individual Owners which is not in the control of such Owners collectively; and the policy is primary in the event the Owner has other insurance covering the same loss. The requirements stated in this paragraph are generally provided by the insurer in the form of a "Special Condominium or PUD Endorsement" or its equivalent.

b. **PUD Projects:**

(1) **Agreed Amount and Inflation Guard Endorsement** is required, if available.

(2) **Construction Code Endorsements** (such as a Demolition Cost Endorsement, a Contingent Liability from Operation of Building Laws Endorsement and an Increased Cost of Construction Endorsement) may be required if the Property is subject to a

construction code provision which would become operative and require changes to undamaged portions of the building(s), thereby imposing significant costs in the event of partial destruction of the project by an insured peril.

(3) **Steam Boiler Coverage (if applicable)** is required for loss or damage resulting from steam boiler equipment accidents in an amount not less than $50,000 per accident per location or such greater amount as deemed prudent based on the nature of the property.

.10 **Flood Insurance:** Where the Property is located within an area which has special flood hazards and for which flood insurance has been made available under the National Flood Insurance Program (NFIP), the following requirements apply:

(1) Flood insurance requirements for unit properties located in the Property are the same as those for other home mortgages.

(2) The Association must be required by the terms of the constituent documents hereof to obtain and pay, as a common expense, the premiums upon a policy of flood insurance on buildings and any other common property covered by the required form of policy (herein "insurable property"), in an amount deemed appropriate, but not less than the following:

The lesser of: (a) the maximum coverage available under the NFIP for all buildings and other

insurable property within any portion of the common areas located within a designated flood hazard area, or; (b) 100% of current "replacement cost" of all such buildings and other insurance property.

.11 **Liability Insurance.**

a. **General.** The Association must be required either by the terms of the constituent documents or by applicable law, to maintain comprehensive general liability insurance coverage covering all of the common areas, public ways of the project, and commercial spaces owned by the Association, whether or not they are leased to some third party.

b. **Amount and Scope of Insurance.** Coverage limits shall be in amounts generally required by private institutional mortgage investors for projects similar in construction, location and use. However, such coverage shall be for at least $1,000,000 for bodily injury, including deaths of persons and property damage arising out of a single occurrence. Coverage under this policy shall include, without limitation, legal liability of the insureds for property damage, bodily injuries and deaths of persons in connection with the operation, maintenance or use of the Units and common areas, and legal liability arising out of law suits related to employment contracts of the Association.

c. **Notice of Cancellation or Modification.** Such policies must provide that they may not be canceled or substantially modified, by any party, without at least 10 days' prior written notice to the Association and, to each holder of a first mortgage which is listed as a

scheduled holder of a first mortgage in the insurance policy.

d. **Supplemental Coverage.** Additional coverages may be required to include protection against such other risks as are customarily covered with respect to projects similar in construction, location and use, including but not limited to, host liquor liability, contractual and all-written contract insurance, employers liability insurance and comprehensive automobile liability insurance.

.12 **Fidelity Bonds.**

a. **General.** By the terms of the appropriate constituent document, blanket fidelity bonds shall be required to be maintained by the Association for all officers, directors, trustees and employees of the Association and all other persons handling or responsible for funds of or administered by the Association.

SECTION 6. Other Insurance. The Board shall also have authority to and shall obtain any other insurance coverage, including comprehensive public liability insurance, in such amounts as it deems desirable, and workmen's compensation insurance and other liability insurance as it deems desirable, insuring each Owner, mortgagee of record, if any, the Association, its officers, directors, Board and employees from liability in connection with the Units and Common Elements. The premiums for such insurance shall be a common expense. However, at the option of the Board, and upon written notice to all Owners, premiums for such insurance shall be separately billed to each Owner for his corresponding percentage of ownership in the Association.

ARTICLE VIII

EASEMENTS

Easements for installation and maintenance of utilities and drainage facilities are reserved as shown on the survey. Within these easements no structure, planting or other material shall be placed or permitted to remain which may interfere with the installation and maintenance of utilities, or which may change the

direction of flow of drainage channels in the easements, or which may obstruct or retard the flow of water through drainage channels in the easements.

ARTICLE IX

GENERAL PROVISIONS

SECTION 1. Enforcement. The Association, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of the Declaration. Failure by the Association or any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

SECTION 2. Severability. Invalidation of any one of the covenants or restrictions by judgment or court order shall in no way affect any other provisions which shall remain in full force and effect.

If any provision of the Declaration or By-Laws, or any section, sentence, clause, phrase, word, or the application thereof in any circumstance, is held invalid, the validity of the remainder of this Declaration and the By-Laws and of the application of any such provision, section, sentence, clause, phrase or word in any other circumstances shall not be affected thereby and the remainder of this Declaration or the By-Laws shall be construed as if such invalid part was never included therein.

SECTION 3. Amendment. The covenants and restrictions of this Declaration shall run with and bind the land for a term of thirty (30) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten years. This Declaration may be changed, modified or rescinded during the first thirty (30) year period by an instrument in writing, setting forth such change, modification or rescission, signed by not less than all of the Owners, and acknowledged, and thereafter, by an instrument signed by all of the Owners, provided that no amendment shall alter any obligation to pay ad valorem taxes or assessments for public improvements as herein provided, or affect any lien for the payment thereof established herein, and provided that all lien holders of record have been notified by certified mail of such change, modification or rescission, and an affidavit by the secretary of the Association certifying to such mailing is made a part of such instrument. Any amendment must be properly recorded.

However, if the Declaration or the By-Laws require the consent or agreement of all Owners or of all lien holders for any action specified in this Declaration, then any instrument changing, modifying or rescinding any provision of this Declaration with

respect to such action shall be signed by all the Owners or all lien holders or both as required by the Declaration. The change, modification or rescission, whether accomplished under either of the provisions of these paragraphs, shall be effective upon recording of such instrument in the Office of the Register of Deeds of Davidson County, Tennessee.

SECTION 4. Encroachment. It is understood that Units which adjoin each other and have a party wall built as a part of the construction of the homes which is placed upon the Private Element dividing line between adjoining Units may encroach on such adjoining Units due to construction or other reasons. Accordingly, an easement is reserved for such encroachments as are contained in the buildings, whether the same now exist or may be caused or created by construction, settlement, or movement of the building, or by permissible repairs, construction or alteration. With regard to any differences which may exist on the Plat and the actual party walls and Limited Common Element lines which exist on the properties, the Limited Common Element lines and party walls which actually exist shall control over discrepancies in the Plat.

If any portions of the Common Elements shall actually encroach upon any Unit or any Limited Common Elements of any Unit, or if any Unit or any Limited Common Elements of any Unit shall actually encroach upon any portions of the Common Elements, or if any Limited Common Elements of any Unit or Unit shall actually encroach upon another Unit, as the Common Elements, Limited Common Elements, and Units are shown on the Plat, these shall be deemed to be mutual easements in favor of the Association and the respective Owners involved, to the extent of such encroachments, so long as the same shall exist.

SECTION 5. Alterations, Additions or Improvements. Anything herein to the contrary notwithstanding, alterations of the exterior of any Unit or Common Elements, or any additions or improvements thereto, may be made by any Owner without the prior written approval of the Board. The Board may authorize and charge as common assessments, alterations, additions and improvements of the Unit or Common Elements as provided in the By-Laws.

SECTION 6. Decorating. Each Owner, at his own expense, shall furnish and be responsible for all decorating within his own Unit (and the Limited Common Elements serving the same) and Unit Fixtures serving his Unit, as may be required from time to time, including painting, wall papering, washing, cleaning, paneling, floor covering, draperies, window shades, curtains, lighting and other interior furnishings and fixtures. Drapes shall be lined to the satisfaction of the Board. Each Owner shall be entitled to the exclusive use of the interior surfaces of the perimeter walls, floor and ceilings of his Unit, and such Owner shall maintain said interior surfaces in good condition at his sole expense, as may be required from time to time. Said maintenance and use of interior surfaces shall be subject to the rules and regulations of the Association, but each such Owner shall have the right to decorate

such interior surfaces from time to time as he may see fit and at his sole expense.

SECTION 7. Non-Liability of the Directors, Board and Officers. Neither the directors, Board, nor the officers of the Association, shall be personally liable to the Owners for any mistake of judgment or for any other acts or omissions of any nature whatsoever as such directors, Board, or officers, except for any acts or omissions found by a court to constitute gross negligence or actual fraud. The Owners shall indemnify and hold harmless each of the directors, Board, or officers, and their respective heirs, executors, administrators, successors and assigns in accordance with the By-Laws.

SECTION 8. [Intentionally left blank].

SECTION 9. Notices. Notices provided for in the Declaration or By-Laws shall be in writing, and shall be addressed to the Association or Board, or any Unit Owner, as the case may be, at their respective street addresses on 4225 and 4227 Savannah Place, Nashville, Tennessee 372__, or at such other address as hereinafter provided. The Association or Board may designate a different address or addresses for notices to them, respectively, by giving written notice of such change of address to all Owners. Any Owner may designate a different address for notices to him (other than to his or her Unit) by giving written notice to the Association. Notices addressed as above shall be deemed delivered when mailed by United States registered or certified mail, or when delivered in person with written acknowledgment of the receipt thereof.

Upon written request to the Board, the holder of any recorded mortgage or trust deed encumbering any Unit shall be given a copy of all notices permitted or required by this Declaration to be given to the Owner or Owners whose Unit is subject to such mortgage or trust deed.

Upon written request to the Association, identifying the name and address of the holder, insurer or guarantor and the Unit estate number or address, any such eligible mortgage holder or eligible insurer or guarantor will be entitled to timely written notice of:

(a) Any condemnation loss or any casualty loss which affects a material portion of the project or any unit estate on which there is a first mortgage held, insured, or guaranteed by such eligible mortgage holder or eligible insurer or guarantor, as applicable;

(b) Any delinquency in the payment of assessments or charges owed by an owner of a unit estate subject to a first mortgage held, insured or guaranteed by such eligible holder or eligible insurer or guarantor, which remains uncured for a period of 60 days;

(c) Any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association;

(d) Any proposed action which would require the consent of a specified percentage of mortgage holders.

SECTION 10. Transfer of a Unit - Notice to Association.

A. **Unrestricted Transfers.** An Owner may, without restriction under this Declaration, sell, give, devise, lease or otherwise transfer his Unit, or any interest therein, to any person.

B. **Association's Right to Purchase at a Foreclosure Sale.** The Board shall have the power and authority to bid and purchase, for and on behalf of the remaining Owners, any Unit, or interest therein, at a sale pursuant to a deed of trust or mortgage foreclosure, a foreclosure of the lien for common expenses, or an order or direction of a court, or at any other involuntary sale, upon the consent or approval of a majority of Owners.

C. **Financing of Purchase by Association.** The Board shall have authority to make such mortgage arrangements and special assessments proportionately among the respective Owners, and other such financing arrangements, as the Board may deem desirable, in order to close and consummate the purchase or lease of a Unit, or interest therein, by the Association. However, no such financing arrangement may be secured by an encumbrance on any interest in the Property other than the Unit*, or interest therein, to be purchased or leased, and the percentage interest in the Association appurtenant thereto.

D. **Miscellaneous.** (a) A transfer or lease of a Unit, or interest therein, by or to the Board or the holder of any deed of trust or mortgage (or purchaser at foreclosure) on a Unit which comes into possession of the mortgaged Unit pursuant to remedies provided in such deed of Trust or mortgage, or pursuant to foreclosure of such deed of trust or mortgage, or pursuant to a deed (or assignment) in lieu of foreclosure of such deed of trust or mortgage, shall not be subject to the provisions of this Paragraph. The provisions of this Paragraph shall in no way impair the rights of a first mortgagee to any of the following:

1. Foreclose or take title to a unit pursuant to the remedies provided in the mortgage, or

2. Accept a deed (or assignment) in lieu of foreclosure in the event of default by a mortgagor, or

3. Sell or lease a unit acquired by the mortgagee.

The Association shall hold title to or lease any Unit, pursuant to the terms hereof, in the name of the Association, or a nominee thereof delegated by the Board, for the sole benefit of all remaining Owners. The Board shall have the authority at any time to sell, lease or sublease said Unit on behalf of the Association upon such terms as the Board shall deem desirable, but in no event shall a Unit be sold for less than the amount paid by the Association to purchase said Unit unless Owners owning at least fifty (50%) percent of the total ownership of the Association first authorize the sale for such lesser amount.

(b) All notices referred to or required under this Paragraph shall be given in the manner provided in this Declaration for the giving of notices.

(c) The provisions of this Paragraph with respect to the Association's right shall be and remain in full force and effect until the Property as a whole shall be sold unless the provisions of this Paragraph are sooner rescinded or amended by the Owners.

(d) The Board may adopt rules and regulations, from time to time, not inconsistent with the provisions of this Paragraph, for the purpose of implementing and effectuating said provisions.

(e) If any transfer or lease of a Unit is made or attempted without complying with the provisions of this Paragraph, such transfer or lease shall be subject to each and all of the rights of, and remedies and actions available to, the Association hereunder and otherwise.

SECTION 11. Perpetuities and Restraints on Alienation. If any of the options, privileges, covenants or rights created by this Declaration shall be unlawful, void or voidable for violation of the rule against perpetuities, then such provision shall continue only until twenty-one (21) years after the death of the survivor of the now living descendants of the Governor of Tennessee, Don Sundquist.

SECTION 12. Rights and Obligations. Each Grantee of the Declarants, by the acceptance of a deed of conveyance accepts the same subject to all restrictions, conditions, covenants, reservations, liens and charges, and the jurisdiction, rights and powers created or reserved by this Declaration. All future Owners and Occupants shall be subject to and shall comply with the provisions of this Declaration. All rights, benefits and privileges of every character hereby imposed shall be deemed and taken to be covenants running with the land, and shall bind any person having at any time any interest or estate in said land, and shall inure to the benefit of such grantee in like manner as though the provisions of this Declaration were recited and stipulated at length in each and every deed of conveyance or contract for conveyance.

All present and future Owners, tenants and Occupants of a Unit shall be subject to, and shall comply with, the provisions of the By-Laws appended hereto and recorded herewith. The acceptance of a deed of conveyance devise or of a lease to a Unit, or the entering into occupancy of any Unit shall constitute an agreement that the provisions of the said By-Laws and any Rules and Regulations promulgated thereunder, as they may be amended from time to time, are assumed, accepted and ratified by such Owner, tenant or occupant, and all of such provisions shall be deemed and taken to be covenants running with the land and shall bind any person having at any time any interest or estate in such Unit, as though such provisions were recited and stipulated at length in each and every deed, conveyance or lease, thereof.

The terms and conditions of the Declaration, By-Laws and Rules and Regulations may be incorporated by reference in, and become part of, the agreement between any first mortgagee and any present or future Owner who enters into such an agreement with a first mortgagee. When so incorporated, any default in the terms and conditions of the Declaration, By-Laws and Rules and Regulations may be considered as a default by the first mortgagee, whereupon said first mortgagee, after exercising its option to declare a default, shall then have all of the rights and privileges arising as a result of a default under its agreement with said Owner.

SECTION 13. Separate Real Estate Taxes. Real estate taxes shall be separately taxed to each Owner for his Unit and his corresponding percentage of ownership in the Association. In the event that such taxes for any year are not separately taxed to each Owner, but rather are taxed on the Property as a whole, then each Owner shall pay his proportionate share thereof in accordance with his respective percentage of ownership interest in the Association.

SECTION 14. Condemnation. In the event of a taking in condemnation or by eminent domain of a part of the Common Elements, or Unit, the award made for such taking shall be payable to the Board for and on behalf of the Association and the Owner of the Unit directly affected thereby, as their interest may appear. If a majority of the Board in their sole and absolute discretion approve the repair and restoration of such Unit(s) or Common Elements the Board shall arrange for the repair and restoration of such Unit(s) or Common Elements, and the Board shall disburse the proceeds of such award to the contractors engaged in such repair and restoration in appropriate progress payments. In the event that the Board does not approve the repair and commence restoration of such Unit(s) or Common Elements within 120 days after taking by the public or private authority, the Board shall disburse the net proceeds of such award on a fair and reasonable basis to the mortgagees directly affected by the condemnation and the balance to the Owner of the Unit directly affected. The decision of the Board as to fairness and reasonableness shall be binding upon all parties if such decision reasonably relates to the given facts.

If any Unit or portion thereof or the common elements or any portion thereof is made the subject matter of any condemnation or eminent domain proceeding or is otherwise sought to be acquired by a condemning authority, then the institutional holder of any first deed of trust or mortgage on a Unit will be entitled to timely written notice of any such proceeding or proposed acquisition and no provision of any document establishing the Property will entitle the owner of a Unit or other party to priority over such institutional holder with respect to the distribution to such Unit of the proceeds of any award or settlement.

SECTION 15. Rights Reserved. The Owner's right of enjoyment in the property commonly owned by the Association as herein created shall be subject to:

(a) The right of the Association (acting by and through the Board), as provided in its By-Laws, to suspend the enjoyment rights of any member for any period during which any assessment remains unpaid, and for such period as it considers appropriate for any infraction of its published rules and regulations; and

(b) The right of the Association (acting by and through the Board) to charge reasonable fees for the maintenance and/or use of the parts of the Common Elements.

SECTION 16. Remedies. In the event of any violation of the provisions of the Declaration, By-Laws or rules and regulations of the Board or Association by any Owner (either by his own conduct or by the conduct of any other occupant of his Unit) the Association, or its successors or assigns, or the board, or its agent, shall have each and all of the rights and remedies which may be provided for in the Declaration, By-Laws, or said rules and regulations, or which may be available at law or in equity, and may prosecute an action or other proceedings against such defaulting Owner and/or others for enforcement of any lien and the appointment of a receiver for the Unit and ownership interest of such Owner, or for damages or injunction or specific performance, or for judgment for payment of money and collection thereof, or the right to take possession of the Unit and to sell the same as provided hereinabove and as provided hereinafter, or for any combination of remedies, or for any other relief. All expenses of the Board in connection with any such actions or proceedings, including court costs and attorneys' fees and other fees and expenses and all damages, liquidated or otherwise, together with interest thereon at the then maximum applicable formula rate of interest legally chargeable under Title 47, Chapter 14, Sections 101 et seq., Tennessee Code Annotated, as it may be amended from time to time, on a per annum basis until reinstatement or the completion of foreclosure or at the then highest contract rate of interest then legally collectible in Tennessee, shall be charged to and assessed against such defaulting Owner, and shall be added to and deemed part of his respective share of the common expenses, and the Board shall have a lien for all of the same, as well as for nonpayment of his

respective share of the common expenses, upon the Unit and ownership interest in the Association of such defaulting Owner and upon all of his additions and improvements thereto and upon all of this personal property in his Unit or located elsewhere on the Property, provided, however, that such lien shall be subordinate to the lien of a recorded first mortgage or deed of trust on the interest of such Owner, except for the amount of the proportionate share of said common expenses which become due and payable from and after the date on which the said mortgage or deed of trust owner or holder accepts a conveyance of any interest therein (other than as a security) or forecloses the lien of its mortgage or deed of trust. In the event of any such default by any Owner, the Board shall have the authority to correct such default, and to do whatever may be necessary for such purpose and all expenses in connection therewith shall be charged to and assessed against such defaulting Owner. Any and all such rights and remedies may be exercised at any time and from time to time, cumulatively or otherwise, by the Board. This paragraph shall not be amended, changed, modified or rescinded without the prior consent of all holders of record of mortgage and deed of trust liens against Units in the Building.

The violation of any restriction or condition or regulation adopted by the Board or the breach of any covenant or provision herein contained, shall give the Board the right, in addition to any other rights provided for in this Declaration; (a) to enter (either peaceably or forcibly without liability to such Owner for such entry) upon the Unit, or any portion of the property upon which, or as to which such violation or breach exists and to summarily abate and remove, at the expense of the defaulting Owner, any structure, thing or condition that may exist thereon contrary to the intent and meaning of the provisions hereof, and the Board, or its employees or agents, shall not thereby be deemed guilty in any manner of trespass; or (b) to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any breach; or (c) to take possession (either peaceably or forcibly without liability to such Owner for such entry) of such Owner's interest in the property and to maintain an action for possession of such unit in the manner provided by law.

If any Owner (either by his own conduct or by the conduct of any other occupant of his Unit) shall violate any of the covenants or restrictions or provisions of this Declaration or the regulations adopted by the Board, and if such default or violation shall continue for ten (10) days after notice to the Owner in writing from the Board, or shall occur repeatedly during any ten (10) day period after such written notice or request to cure such violation from the Board, then the Board shall have the power to issue to said defaulting Owner a notice in writing terminating the rights of the said defaulting Owner to continue as an Owner and to continue to occupy, use or control his Unit, and thereupon an action in equity may be filed by the Board against said defaulting Owner for a decree of mandatory injunction against such defaulting Owner or

Occupant, or in the alternative, for a decree declaring the termination of said defaulting Owner's right to occupy, use or control the Unit owned by him on account of said violation, and ordering that all the right, title and interest of said defaulting Owner in the Unit and the Association shall be sold (subject to the lien of any existing deed of trust or mortgage) at a judicial sale upon such notice and terms as the court shall determine, except that the court shall enjoin and restrain the said defaulting Owner from reacquiring his interest at such judicial sale. The proceeds of any such judicial sale shall first be paid to discharge court costs, court reporter charges, reasonable attorneys' fees and all other expenses of the proceeding and sale, and all such items shall be taxed against said defaulting Owner in said decree. Any balance of proceeds, after satisfaction of such charges and any unpaid assessments hereunder or any liens, shall be paid to said defaulting Owner. Upon the confirmation of such sale, the purchaser shall thereupon be entitled to a deed to the Unit and the Owner's corresponding percentage of ownership in the Association, and to immediate possession of the Unit sold and may apply to the court for a writ of assistance for the purpose of acquiring such possession, and it shall be a condition of any such sale, and the decree shall so provide, that the purchaser shall take the interest in the Unit Ownership sold subject to this Declaration. An aggrieved Owner or first mortgagee may bring an action in law or equity to require the enforcement of this Declaration and the By-Laws by the Board, or may bring an action to enjoin or specifically require a party to perform what is required of him or it hereunder.

As one of its remedies in the event the Board finds that there is excessive noise in one Unit which it characterizes to be a nuisance, the Board may require that walls and/or floors between the unit wherein the excessive noise originates and adjacent Units, be insulated at the sole cost of the Owner of the Unit wherein the excessive noise originates and the cost thereof shall be deemed to be a maintenance expense allocable solely to the Owner of the Unit wherein the excessive noise originates, and shall be assessed against the Owner. The Board may cause such insulation to be installed without the consent of the said Owner and work may be done on or about such Unit wherein the excessive noise has originated, as an easement through and over the Unit of the offending Owner for such purpose.

SECTION 17. Federal Home Loan Mortgage Corporation Regulations, etc. Notwithstanding anything to the contrary contained in this Declaration, or in the By-Laws which are attached hereto, all terms, conditions and regulations which are now existing, or which may be amended from time to time, by the Federal Home Loan Mortgage Corporation pertaining to planned unit developments are hereby incorporated as terms and conditions of the Declaration and By-Laws and such shall be governing upon the Property and the Association.

Specifically, without limitation upon the foregoing, the following declarations shall be fully effective and controlling over any

terms of the Declaration or By-Laws which are in conflict. Any portions of such Declaration or By-Laws which are in conflict with this Section, or with any portion of Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association regulations pertaining to planned unit developments are hereby deleted, such regulations are substituted herefor and to the extent that it is necessary to amend this instrument so that the Seller's Warranties will be deemed to be true (as defined in the Sellers Guide, issued by the Federal Home Loan Mortgage Corporation, Part III, Subsection 3.207), then this instrument and the accompanying By-Laws shall be deemed to be so amended to conform thereto, and so that the legal guidelines and underwriting standards set forth in Sections 401 through 611 of the "FNMA Lending Guide" shall be incorporated herein by reference, and any conflicting provisions herein shall be deemed to be amended to conform thereto, anything herein to the contrary notwithstanding. The following additional rights of mortgagees are itemized as follows:

(a) A first mortgagee under a unit at his request is entitled to written notification from the Association of any default by the mortgagor of such Unit in the performance of such mortgagor's obligations under the Declaration, By-Laws, or any of the documents, which is not cured within thirty (30) days.

(b) Any first mortgagee of a Unit who comes into possession of the Unit pursuant to the remedies provided in the mortgage, deed of trust, foreclosure of the mortgage or deed of trust, or deed in lieu of foreclosure shall take the property free of any claims for any unpaid assessments or charges against the mortgaged Unit, which accrue prior to the time such holder comes into possession of the Unit (except for claims for a prorata share of such assessments or charges resulting from a prorata reallocation of such assessments or charges to all Units including the mortgaged Unit).

(c) Unless at least seventy-five (75%) percent of the first mortgagees (based upon one (1) vote for each mortgage owned) of Units have given their prior written approval, the Association shall not be entitled to:

(i) Change the prorata interest or obligations of any Unit for (a) purposes of levying assessments or charges or allocating distributions of hazard insurance proceeds or condemnation awards and for (b) determining the prorata share of each Unit in the Association.

(ii) Use hazard insurance proceeds for losses to any property (whether to individual Units or Common Elements) for other than the repair, replacement, or reconstructions of such improvements, in case of substantial loss to the Units and/or Common Elements.

(iii) Amend the Declaration, By-Laws or survey in such a manner as to adversely affect the rights or security enjoyed by a first mortgage lien holder.

(d) First mortgagees shall have the right to examine the books and records of the Association and/or the Property; and upon request, be permitted or entitled to receive an annual audited financial statement of the Property within 90 days following the end of any fiscal year of the Property; and written notice of all meetings of the Association and be permitted to designate a representative to attend all such meetings.

(e) An adequate reserve fund for the replacement of Common Elements and the Buildings' exteriors will be established and funded by regular monthly payments rather than by special assessments.

(f) All taxes, assessments and charges which may become liens prior to the first mortgage under the laws of the State of Tennessee shall relate only to the individual Unit and not to the project as a whole.

(g) No Owner, or any other party shall have priority over any rights of the first mortgagees of Units pursuant to their mortgages in the case of a distribution to Owners of insurance proceeds or condemnation awards for losses to or a taking of Units and/or Common Elements.

(h) The Association shall give to the Federal Home Loan Mortgage Corporation and the Federal National Mortgage Association or any lending institution servicing such mortgages as are acquired by the Federal Home Loan Mortgage Corporation and the Federal National Mortgage Association, notice in writing of any loss to or the taking of, the Units or the Common Elements of the project if such loss or taking exceeds Ten Thousand Dollars ($10,000). The Association may rely upon the information contained in the book entitled "Mortgages of Units" as must be established pursuant to the By-Laws, for a list of mortgagees to be notified hereby. All first mortgagees shall register with the "Book of Mortgages".

(i) The interest of a first mortgagee in a mortgaged Unit shall be superior to the interests of any other person, group, partnership, corporation or entity of any kind, including any interest the Board or any Owner may have in any portion of the premises, regardless of the nature of the interest or the manner in which it is acquired.

(j) Notwithstanding the above, any first mortgagee shall have all of the rights granted to a first mortgagee herein, and in addition shall have all of the rights granted to an institutional first mortgagee under its Deed of Trust, and under the Laws of the State of Tennessee.

(k) To the extent that the Federal National Mortgage Association shall have an interest in, or be the owner of, or participate in, any first mortgages or deeds of trust affecting any of the Units, then:

(1) Any lien of the Association resulting from nonpayment of assessments against a unit must be subordinate to the first mortgage or deed of trust lien against that unit.

(2) An adequate reserve fund for replacement of common element components must be established, which must be funded by monthly payments rather than extraordinary special assessments. A working capital fund shall be established for the initial months of the operation equal to at least a two months' established common expense charge for each unit. Each unit's share of the working capital fund must be collected and transferred to the Association at the time of closing of the sale of each unit and maintained in a segregated account for the use and benefit of the Association. The purpose of the fund is to insure that the Association's Board of Directors will have cash available to meet unforeseen expenditures, or to acquire additional equipment or services deemed necessary or desirable by the Board. Amounts paid into the fund are not to be considered as advance payment of regular assessments.

(3) The Association shall give the holders of first deeds of trust and mortgages prompt notice of any default in the unit mortgagor's obligations under the documents not cured within 30 days of default.

(4) The holders of first deeds of trust or mortgages shall have the right to examine the books and records of the Association and to require annual reports and other financial data.

(5) A reasonable method for dealing with any condemnation of the Property shall be provided, specifying written notice to first mortgagees of any such proceedings and not disturbing mortgagee's first lien priority.

(6) The Association shall have the right to maintain existing improvements regardless of any present or future encroachments of the common elements or a Unit upon another Unit.

(7) The unit shall not be subject to any unreasonable restraints on alienation which would adversely affect the title or marketability of the unit, or the ability of the mortgage holder to foreclose its

first mortgage lien and thereafter to sell or lease the mortgaged unit.

(8) Appropriate fidelity bond coverage must be required for any person or entity handling funds of the Association, including, but not limited to, employees of the professional managers.

SECTION 18. Adoption of Declaration. Accordingly, the Declarants hereby adopt this Declaration of Covenants, Conditions and Restrictions, and all Exhibits hereto attached, for purposes of implementing Title 66, Chapter 27, Section 103 of the Act, and simultaneously substitute the terms and conditions contained herein for the existing Horizontal Property Regime Documents.

"Common open space" shall be that certain common open space established by the adopted final Master Development Plan for the Planned Unit Development Zoning Ordinance to which the property is subject.

IN WITNESS WHEREOF, the undersigned Declarants have executed this instrument on this the day and year first above written.

ARTICLE XI

ASSESSMENTS

Section 1. Obligation for Assessments. As more fully provided in the Declaration, each member is obligated to pay to the Association annual and special assessments which are secured by a continuing lien upon the property against which the assessment is made. Any assessments which are not paid within thirty (30) days after the due date, the assessment shall bear interest from the date of delinquency at the then highest maximum effective rate of interest paid per annum and the Association may bring an action at law against the Owner personally obligated to pay the same or foreclose the lien against the property, and interest, costs, and reasonable attorney's fees of any such action shall be added to the amount of such assessment. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

Section 2. Annual Budget. The estimated annual budget for each fiscal year shall be approved by the Board, and copies thereof shall be furnished by the Board to each Unit Owner, not later than thirty (30) days prior to the beginning of such year. On or before the first day of the first month and of each succeeding month of the year covered by the annual budget, each Unit Owner shall pay, as his respective monthly assessment for the common expenses, **one-twelfth (1/12)** of his proportionate share of the common expenses for such year as shown by the annual budget. Such proportionate share for each Unit Owner shall be in accordance with his respective ownership interest in the Common Elements. The

Board may determine different allocations with respect to a part of such charges whenever it appears to the Board that such an allocation would be unfair. The allocations shall be applied uniformly to all Owners of like situations. The allocation of the Board shall be final and binding upon all parties. In the event that the Board shall not approve an estimated annual budget or shall fail to determine new monthly assessments for any year, or shall be delayed in doing so, each Unit Owner shall continue to pay each month the amount of his respective monthly assessment as last determined.

Section 3. Partial Year or Month. For the first fiscal year, the annual budget shall be as approved by the First Board. If such first fiscal year, or any succeeding fiscal year, shall be less than a full year, then the monthly assessments for each Unit Owner shall be proportionate to the number of months and days in such period covered by such budget. Commencing with the date of occupancy of his Unit, each Unit Owner, shall pay his assessments for the following month or fraction of a month, which assessment shall be in proportion to his respective ownership interest in the Common Elements and the number of months and days remaining of the period covered by the current annual budget, and which assessment shall be as computed by the Board.

Section 4. Annual Report. Within forty-five (45) days after the end of each fiscal year covered by an annual budget, or as soon thereafter as shall be practicable, the Board shall cause to be furnished to each Unit Owner a statement for such year

so ended, showing the receipts and expenditures and such other information as the Board may deem desirable.

Section 5. Supplemental Budget. In the event that during the course of any year, it shall appear to the Board that the monthly assessments, determined in accordance with the estimated annual budget for such year, are insufficient or inadequate to cover the estimated common expenses for the remainder of such year, then the Board shall prepare and approve a supplemental budget covering the estimated deficiency for the remainder of such year, copies of which supplemental budget shall be furnished to each Unit Owner, and thereupon a supplemental assessment shall be made to each Unit Owner for his proportionate share of such supplemental budget.

Section 6. Expenditures. Except for expenditures and contracts specifically authorized by the Declaration and By-Laws, the Board shall not approve any expenditure in excess of Two Thousand Five Hundred Dollars ($2,500.00) unless required for emergency repair, protection or operation of the Common Elements, nor enter into any contract for more than three (3) years without a ninety (90) day cancellation clause without the prior approval of two-thirds (2/3) of the total membership of the Association, and without securing consents of mortgagees, if necessary.

Section 7. Discharge of Liens. The Board may cause the Association to discharge any mechanic's lien or other encumbrance which in the opinion of the Board may constitute a lien against the Property or the Common Elements, rather than a lien against only a particular Unit Ownership. When less than all the

Unit Owners are responsible for the existence of any such lien, the Unit Owners responsible shall be jointly and severally liable for the amount necessary to discharge the same and for all costs and expenses, including attorneys' fees, incurred by reason of such lien.

Section 8. Holding of Funds. All funds collected hereunder shall be held and expended for the purposes designated herein, and (except for such special assessments as may be levied hereunder against less than all the Unit Owners and for such adjustments as may be required to reflect delinquent or prepaid assessments) shall be deemed to be held for the benefit, use and account of al the Unit Owners in the percentages of the Unit Owners as from time to time existing.

ARTICLE XII

INDEMNIFICATION

Section 1. General. The Association shall indemnify and hold each of its directors and officers, each member of any committee appointed pursuant to the By-Laws of the Association, and the Board, against all contractual and other liabilities to others arising out of contracts made by or other acts of such directors, Board, officers or committee members, on behalf of the Unit Owners, or arising out of their status as directors, Board, officers or committee members, unless any such contract or act shall have been made in clear violation of the Declaration or these By-Laws, or fraudulently or with gross negligence or criminal intent. It is intended that the foregoing indemnification shall include

indemnification against all costs and expenses (including, but not limited to, counsel fees, amounts of judgments paid and amounts paid in settlement) reasonably incurred in connection with the defense of any claim, action, suit or proceeding, whether civil, criminal, administrative or other, in which any such director, officer, Board or committee member may be involved by virtue or such persons being or having been such director, officer, Board or committee member; provided, however, that such indemnity shall not be operative with respect to:

(a) any matter as to which such person shall have finally adjudged in such action, suit or proceeding to be liable for gross negligence or fraud in the performance of his duties as such director, officer, Board or committee member, or

(b) any matter settled or compromised, unless, in the opinion of independent counsel selected by or in a manner determined by the Board, there is not reasonable ground for such persons being adjudged liable for criminal (i.e., a felony) acts, or clearly violating the Declaration or these By-Laws, or for gross negligence or fraud in the performance of his duties as such director, officer, Board or committee member.

Section 2. Success on Merits. To the extent that a member of the Board of Directors or an officer of the Association

or a member of any committee appointed pursuant to the By-Laws of the Association has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in Section 1, or in defense of any claim, issue or matter therein, he shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him in connection therewith.

Section 3. Advance Payment. Expenses incurred in defending a civil or criminal action, suit or proceeding may be paid by the Association in advance of the final disposition of such action, suit or proceeding as authorized by the Board of Directors in the specific case, upon receipt of an undertaking satisfactory to the Board by or on behalf of the person or entity seeking such indemnification or payment in advance to repay such amount unless it shall ultimately be determined that he is entitled to be indemnified by the Association as authorized in this Article.

Section 4. Miscellaneous. The Association and the Board shall have the power to raise and the responsibility for raising, by special assessment or otherwise, any sums required to discharge its obligations under this Article, provided, however, that the liability of any Unit Owner arising out of any contract made by or other acts for the directors, Board, officers or members of such committees, or out of the aforesaid indemnity in favor of the directors, Board, officers or members of such committees, shall be limited to such proportion of the total liability hereunder as said Unit Owner's percentage of interest in the Association bears to the total percentage interest of all the Unit Owners in the Association. Every agreement made by the Managing Agent on behalf

of the Unit Owners shall provide that the directors, Board, officers, members of such committees, or the Managing Agent, as the case may be, are acting only as agents for the Association and shall have no personal liability thereunder (except as expressly set forth herein), and that such Unit Owner's liability thereunder shall be limited to such proportion of the total liability thereunder as his percentage of interest in the Association bears to the total percentage interest of all Unit Owners in the Association. The indemnification provided by this Article shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any statute, agreement, vote of members of the Association or disinterested members of the Board of Directors or otherwise, both as to action in his official capacity and as to action in another capacity while holding such office. Such right of indemnification shall continue as to a person or entity who has ceased to be a member of the Board of Directors, officer of the Association or a member of such committee, and shall inure to the benefit of the heirs, executors, administrators, successors and assigns of such person or entity. In no event shall this indemnity exceed coverage occasioned by officers' and directors' liability insurance coverage, which the Association shall be required to carry and maintain, to the extent that the same is reasonably available in the marketplace.

ARTICLE XIII

AMENDMENTS

Section 1. These By-Laws may be amended, at a regular or special meeting of the Board members, by a majority of Board members.

Section 2. In the case of any conflict between the Articles of Incorporation and these By-Laws, the Articles shall control; and in the case of any conflict between the Declaration and these By-Laws, the Declaration shall control.
