LAST WILL AND TESTAMENT

OF

WILLIAM ANDERSON SNEED

I, WILLIAM ANDERSON SNEED, a resident of Davidson County, Tennessee, hereby make, declare and publish this my Last Will and Testament revoking all former Wills and Codicils heretofore made by me.

BOOK 10461 PG 592

ITEM ONE: I nominate and appoint THE BANK OF NASHVILLE, Nashville, Tennessee as my Executor. I nominate and appoint my wife, PATRICIA LEE SNIDER SNEED and THE BANK OF NASHVILLE as Co-Trustees of the WILLIAM A. SNEED FAMILY TRUST and the WILLIAM ANDERSON SNEED MARITAL DEDUCTION TRUST established hereinbelow. I nominate and appoint BRADFORD S. PROCTER Trustee of the WILLIAM A. SNEED QTIP TRUST established hereinbelow. If a vacancy arises in any fiduciary capacity hereunder (other than due to the exercise of the power of removal granted in ITEM TEN below) , my wife, if living, otherwise a majority of the group composed of the adult beneficiaries and Guardians of any minor beneficiaries hereunder, may appoint a substitute or successor Executor and/or Trustee which shall be an individual of her or their choice (other than one of them or any beneficiary of a trust hereunder in the case of the appointment of a substitute Trustee) or a bank or trust company having power to serve and combined agency and trust assets of at least One Hundred Million Dollars ($100,000,000.00). Alternatively, such vacancy may be left unfilled (so long as at least one Trustee, other than a beneficiary of the trust is then serving, in case of a vacancy in the position of Trustee) and the other fiduciary may serve alone with all powers and discretions. I excuse all Executors and Trustees and their alternates or successors from bond in all events. If administration of my estate is required or

WILLIAM ANDERSON SNEED

appropriate in any jurisdiction other than Tennessee, I empower my Executor and its successors or substitutes to qualify therein or to designate one or more individuals or a bank or trust company having power to act as Executor to serve as Co-Executor or sole Executor as the case may be and I empower my Executor to excuse such appointee from bond. I give all non-resident Executors or Trustees the power to appoint a resident Executor or Trustee if required by statute.

BOOK 10461 PG 593

ITEM TWO: I hereby give my spouse, PATRICIA LEE SNIDER SNEED, if she survives me, all of my tangible personal effects, including furniture, clothing, jewelry, silver, books, pictures, china, automobiles, and their equipment, and all articles of personal or household use or adornment, together with any policies of insurance on such property which I may own on my death, other than money, securities and the like. If my spouse fails to survive me, I give such items in equal shares to such of my children as shall survive my death, to be divided as they shall agree, and if they fail to agree, my Executor shall decide the method of dividing said assets and such decision of the Executor shall be final. I expressly authorize the Executor in its discretion, to sell any part or all of said property not wanted by the beneficiary, or inappropriate for the beneficiary to whom it is given hereinabove, and to make the proceeds thereof a part of my residuary estate.

ITEM THREE: At my death, I give, devise and bequeath to BRADFORD S. PROCTER as Trustee of the WILLIAM A. SNEED QTIP TRUST any capital stock of WASCO, INC. owned by me at my death in excess of the number of shares of such stock required to be sold by my estate pursuant to that certain ~~Stock Purchase~~ FOR PURCHASE AND SALE OF STOCK Agreement, dated February 4, 1992 between myself and the WILLIAM A. SNEED GRANDCHILD 1991 IRREVOCABLE TRUST. Such stock shall be held as follows:

WAS JVC KH

WILLIAM ANDERSON SNEED

WILLIAM A. SNEED QTIP TRUST

The Trustee and any successor Trustee shall hold, manage, invest and reinvest and dispose of the Trust assets as follows:

During the life of my wife, PATRICIA LEE SNIDER SNEED, the Trustee shall distribute to my said wife the entire net income of the Trust in convenient installments, at least as frequently as quarter-annually.

BOOK 10461 PG 594

The Trustee shall have the power and discretion to encroach upon as much or all of the principal of the trust as the Trustee in his sole discretion believe desireable for the support, maintenance, education, health care and funeral expenses of my wife. If my said wife is at any time or times incapacitated to attend to business, the Trustee may expend for one or more of the foregoing purposes, both the net income and principal as the Trustee deems appropriate.

On the death of my wife, following my death, or my death if she does not survive me (or if she disclaims her interest in this Trust), the trust will be apportioned so as to provide one (1) equal share for each then living child of mine and one (1) equal share collectively for the family group composed of the then living issue of any then deceased child of mine. Such equal shares shall be administered and disposed of as follows:

(1) An equal share apportioned to a beneficiary who is then twenty-one (21) years or older shall be distributed to that beneficiary outright and free of trust. An equal share apportioned to a beneficiary who is then less than (21) years of age, shall, though vested, be held in a separate trust with

W A Sneed

WILLIAM ANDERSON SNEED

discretion in the Trustee to use the net income or principal or both, of such portion for the support, maintenance, education, health care, and funeral expenses, of the beneficiary until the twenty-first (21st) birthday or earlier death of the beneficiary when it shall be delivered to the beneficiary, or shall pass as the property of the beneficiary under his or her Will, or by intestacy as the case may be.

(2) An equal share apportioned to the then living descendants of a then deceased child of mine shall be divided per stirpes among such descendants and the portion going to each descendant then twenty-one (21) years of age or older shall vest in and be paid over and delivered to the descendant free of the Trust, whereas the portion going to any descendant then under twenty-one (21) years of age shall, though vested, be held in a separate trust with discretion in the Trustee to use the net income or principal, or both, of such trust for the support, maintenance, education, health care and funeral expenses of the descendant until the twenty-first (21st) birthday or earlier death of the descendant when it shall be delivered to the descendant, or shall pass as the property of the descendant under his or her Will or by intestacy as the case may be.

Only assets which qualify for the Federal Estate Tax and Tennessee Inheritance Tax Marital Deduction are to be allocated by the Executor to fund this Trust. My wife shall have the unrestricted power to require the Trustee to convert, within a reasonable time, any property held in this Trust which is unproductive of income into property which is productive of income or to make such property productive of income.

If my wife, PATRICIA LEE SNIDER SNEED, survives me, she may choose to disclaim all or some portion of her interest in

WAS Sneed

WILLIAM ANDERSON SNEED

this Trust. In making such decision, I recommend, but do not require, that my wife consult with my attorneys, accountants, bankers and other advisers. If she does choose to disclaim any such interest, such disclaimed assets will continue to be held by the Trustee hereunder for the benefit of the remaindermen designated herein as though my wife had predeceased me and administered under the other provisions hereof.

BOOK 10461 PG 596

This Trust is intended to qualify as a "qualifying income interest for life", as that term is defined in Section 2056(b)(7) of the Internal Revenue Code of 1986, as amended, or any successor thereto. Under applicable law the Executor of my estate may make an election which can result in the whole or any portion of the value of this Trust being allowed as a Federal Estate Tax and/or Tennessee Inheritance Tax Marital Deduction. It is my primary intent that my Executor make the aforementioned election in such manner as will minimize the federal and state death taxes imposed as a result of my death and that of my spouse at her later death, but it is my overriding desire that the Executor shall make the election in a manner which it, in its sole discretion, considers to be in the best interests of both my estate and my beneficiaries.

ITEM FOUR: All the rest and residue of my estate of every kind and wherever located, including all lapsed or void legacies, I give, devise and bequeath as follows:

(i) If my wife, PATRICIA LEE SNIDER SNEED, does not survive me, the entire residue of my estate shall be allocated to the WILLIAM A. SNEED FAMILY TRUST and administered and disposed of as provided in Paragraph A. hereinbelow.

W A Sneed

WILLIAM ANDERSON SNEED

(ii) If my said wife, PATRICIA LEE SNIDER SNEED, survives me, the entire residue of my estate shall be allocated between the WILLIAM A. SNEED FAMILY TRUST and WILLIAM A. SNEED MARITAL DEDUCTION TRUST described below as follows:

A. WILLIAM A. SNEED FAMILY TRUST

The Executor will first allocate to a trust to be known as the WILLIAM A. SNEED FAMILY TRUST, the largest amount which would pass free of federal estate tax by reason of the unified credit and the state death tax credit (provided use of this credit does not require an increase in state death taxes payable) allowable to my estate but no other credit and after taking into account all property passing under or outside this Will which is includable in my gross estate and does not qualify for the marital deduction, the charitable deduction or any other available deduction and after taking account of charges to principal that are not allowed as deductions in computing federal estate tax. The Executor shall also distribute to such Trust any of my property coming into my Executor's hands which is not includable in my Gross Estate for Federal Estate Tax and Tennessee Inheritance Tax purposes. For purposes of funding the Family Trust:

(i) Property allocated in kind shall be valued at its fair market value as of the date of its allocation to the Family Trust; and

(ii) All property or proceeds of property with respect to which the Federal Estate Tax Marital Deduction would not be allowable, if distributed outright to my spouse, shall be allocated to this Family Trust.

WILLIAM ANDERSON SNEED

The Trustees and any successor Trustee shall hold, manage, invest, sell, reinvest and dispose of the trust assets as follows:

During the life of my wife, PATRICIA LEE SNIDER SNEED, the Trustee, other than my wife, shall pay to or for the benefit of my wife for her life all of the net income from the trust at convenient intervals and at least quarter-annually. The Trustee, other than my wife, shall have the discretion to encroach upon principal and to pay over such encroachments to or for the benefit of my wife for her support, maintenance, education, health care and funeral expenses. Any undistributed income shall be added to principal from time to time. If my wife is at any time or times incapacitated to attend to business, the Trustee, other than my wife, may expend for one or more of the foregoing purposes, for such beneficiary, the net income and principal as the said Trustee deems appropriate.

On the death of my wife following my death, or on my death, if she does not survive me, the Trust shall continue and the Trustees shall pay to or for the benefit of such child or children of mine as shall survive me and the descendants of any deceased child of mine, in that order and as a group, so much of the net income and principal as the Trustees from time to time believe desireable for the support. maintenance, education, health care, and funeral expenses of such child or children of mine as shall survive me and the descendants of any deceased child of mine without being held to observe any rule of equality of benefits as between individual beneficiaries, until there is no child of mine alive and under the age of twenty-one (21) years, at which time the trust estate shall be apportioned so as to provide one (1) equal share for each then living child of mine, and one (1) equal share collectively for the family group

WILLIAM ANDERSON SNEED

composed of the then living issue of any then deceased child of mine, and such equal shares shall be administered and disposed of as follows:

(1) An equal share apportioned to a living child of mine shall continue in trust. The Trustees will pay over to or for the benefit of such child at least quarter-annually the net income from the Trust. The Trustees shall have the power and discretion to encroach upon the principal of the Trust and to pay over such enroachments to or expend the same for the support, maintenance, education, health care and funeral expenses, of said living child. If the child is at any time or times unable to transact business, the Trustees may expend or apply for the benefit of such beneficiary any income or principal or both which might otherwise have been paid to such child. After the child's thirtieth (30th) birthday, the child shall have the right to demand in writing and to receive from the Trustees a maximum of one-third (1/3) of the Trust estate. After the child's thirty-fifth (35th) birthday, the child shall have the right to demand in writing and to receive from the Trustees one-half (1/2) of the remaining trust estate. After the child's fortieth (40th) birthday, the child shall have the right to demand in writing and to receive from the Trustees the entire remaining balance of the trust estate. The child's failure to exercise a right of withdrawal at the ages specified shall not prejudice the child's right to exercise the right thereafter. The child shall have the further power by the child's own Last Will and Testament duly proved and allowed and by specific reference therein to the limited power herein granted, to appoint the trust estate remaining at the child's death to or among the child's spouse and descendants either absolutely or in trust, and the assets not thus appointed shall vest per stirpes in the child's then living descendants, or if none, then per stirpes in my then living

WA Sneed

WILLIAM ANDERSON SNEED

descendants, provided that if the estate and inheritance taxes imposed on such child's estate are increased by reason of the existence of the power of appointment or right of withdrawal, the Trustees are authorized and directed to pay from the assets not appointed the increase, if any, of such taxes owing by the child's estate as the result of the existence of such power of appointment or right of withdrawal.

BOOK 10461 PG 600

(2) An equal share apportioned to the then living descendants of a deceased child of mine shall be divided per stirpes among such descendants and the portion going to each beneficiary then twenty-one (21) years or older shall vest in and be paid over and delivered to the beneficiary free of the Trust, whereas the portion going to any beneficiary then under twenty-one (21) years of age shall, though vested, be held in trust with discretion in the Trustee to use the net income or principal or both, of such portion for the support, maintenance, education, health care and funeral expenses of the beneficiary until the twenty-first (21st) birthday or earlier death of the beneficiary when it shall be delivered to the beneficiary, or shall pass as the property of the beneficiary under his or her Will, or by intestacy as the case may be.

B. WILLIAM A. SNEED MARITAL DEDUCTION TRUST

The Trustees and any successor Trustee shall hold, manage, invest and reinvest and dispose of the Trust assets as follows:

During the life of my wife, PATRICIA LEE SNIDER SNEED, the Trustees shall distribute to my said wife the entire net income of the Trust in convenient installments, at least as frequently as quarter-annually.

WILLIAM ANDERSON SNEED

The Trustee, other than my wife, shall have the power and discretion to encroach upon as much or all of the principal of the trust as the Trustee, other than my wife, in its sole discretion believes desireable for the support, maintenance, education, health care and funeral expenses of my wife or for such other purpose as the said Trustee in its sole discretion determine to be desirable for my wife's needs, best interest and welfare, considering all circumstances and factors deemed pertinent by the said Trustee. If my said wife is at any time or times incapacitated to attend to business, the Trustee other than my wife may expend for one or more of the foregoing purposes, both the net income and principal as the said Trustee deems appropriate. My said wife shall have the right to demand in writing and to receive from the Trustees in each calendar year succeeding my death, but on a non-cumulative basis, as much as the greater of Five Thousand Dollars ($5,000) or five percent (5%) of the aggregate value of the principal of this WILLIAM A. SNEED MARITAL DEDUCTION TRUST determined at the end of each calendar year. By her own Last Will and Testament duly proved and allowed and by specific reference therein to the full and general power granted herein, my said wife may appoint at her death whatever then remains of the WILLIAM A. SNEED MARITAL DEDUCTION TRUST to or among such persons, firms or corporations, including her creditors, her estate, and creditors of her estate, as she shall choose, and either absolutely or in trust, and to the extent she fails to make a valid exercise of this power, the unappointed assets shall become part of the WILLIAM A. SNEED FAMILY TRUST to be administered as part thereof and as therein provided.

Upon the death of my spouse, the Trustees shall pay from the remaining principal of the trust, directly to the appropriate governmental authority or authorities or to the

WILLIAM ANDERSON SNEED

personal representative of my spouse's estate, as the Trustees deem advisable, without seeking reimbursement, recovery, or contribution from any person, the amount by which the estate, inheritance, and other death taxes (including interest and penalties, if any, but excluding any generation-skipping tax) payable in any jurisdiction by reason of my spouse's death shall be increased as a result of the inclusion of any part of this Trust in the gross estate of my spouse for such tax purposes, as certified in writing by the personal representative of my spouse's estate.

BOOK 10461 PG 602

Only assets which qualify for the Federal Estate Tax and Tennessee Inheritance Tax Marital Deduction are to be allocated by the Executor to fund this Trust. My wife shall have the unrestricted power to require the Trustees to convert, within a reasonable time, any property held in this Trust which is unproductive of income into property which is productive of income or to make such property productive of income.

If my wife, PATRICIA LEE SNIDER SNEED, survives me, she may choose to disclaim all or some portion of her interest in this Trust. In making such decision, I recommend, but do not require, that my wife consult with my attorneys, accountants, bankers and other advisers. If she does choose to disclaim any such interest, such disclaimed assets will be allocated to the WILLIAM A. SNEED FAMILY TRUST and administered under the provisions thereof.

ITEM FIVE: Neither the principal nor income of any trust created hereunder shall be pledged, assigned, transferred, sold, or in any manner whatsoever accelerated, anticipated, or encumbered by any beneficiary, nor shall any income or corpus of said trust estate be in any manner subject or liable in the hands

WILLIAM ANDERSON SNEED

of the Trustees for the debts, contracts or engagements of any beneficiary, or be subject to any assignment, or any other voluntary or involuntary alienation or disposition whatsoever. But on all distributions of income, principal or corpus the same shall be paid only to the beneficiary entitled, if living, and upon the receipt of such beneficiary, or to others for his or her benefit as herein provided.

BOOK 10461 PG 603

ITEM SIX: If at or after my death there is no person herein designated alive to have the benefit of any assets of my estate or any trust created hereunder, such assets shall be divided equally among those of the following who survive me: MRS. ROBERT R. SNEED and MARY AGNES HARRIS. If none of the above survive me, such assets shall vest in those persons and in the shares they would have taken such assets had they been part of my estate and had I died immediately following such failure of beneficiaries, a resident of the State of Tennessee and without having a Will.

ITEM SEVEN: The Executor and Trustees and their successors shall have the following powers (in addition to all others possessed by them) which shall be exercisable in their discretion without application to any Court and until final distribution is made:

A. To hold and retain as investments of my estate or any trust pending distribution hereunder all investments and assets owned by me at my death or which shall thereafter be included in my estate or the trust; to sell and dispose of (for the purpose of paying my debts or making distribution or for any purpose whatever) any or all such investments and assets of whatever kind and all property of any kind at any time held by them or either of them at public or private sale and at such prices and upon such terms as they shall deem proper; to invest and reinvest in such assets as they shall deem prudent and in the best interests of the beneficiaries; to borrow money and to pledge assets comprising the trust; to compromise claims (including taxes) for or against my estate or the trust; to improve any real estate and to lease real estate as they choose, including power to give leases

W A Sneed

WILLIAM ANDERSON SNEED

for periods extending beyond the duration of the trust; to foreclose, extend, assign, partially release and fully discharge mortgages; to take any and all action respecting any form of property which an absolute owner could take; to employ agents and attorneys without change in their liability; to keep assets in the name of a nominee or nominees without mention of the fiduciary relation in any instrument of ownership; to make, execute and deliver all assignments, transfers, documents and other legal instruments conveying property free of the trust and without liability on any person dealing with them to inquire into their authority or to see to the application of any money or thing of value delivered to them; and all powers of the Executor and of the Trustees shall be exercisable without the necessity of application to any Court. I also authorize the Executor and Trustees to make any division or distribution in cash or in kind or partly in each and reasonably and in good faith to value assets and such valuation shall be conclusive upon all parties.

BOOK 10461 PG 604

B. In addition to the foregoing, I give all the powers recited in the introductory paragraph and thirty-two (32) subparagraphs of Tennessee Code Annotated Section 35-50-110, as if the language thereof were incorporated in this Will verbatim, except that no fiduciary hereunder shall be deemed to be given any of the powers contained in subparagraphs eighteen (18), nineteen (19) or thirty-one (31) with respect to any bequest or trust which qualifies for the Federal Estate Tax or Tennessee Inheritance Tax Marital Deduction, whether due to an election or otherwise, which powers shall be exercisable without application to any Court and until final distribution is made.

C. The Executor and Trustees shall be excused from filing an inventory or any interim or final accounting or otherwise making reports to any Court, but shall make reports to the beneficiaries at reasonable intervals.

D. The Trustees shall be under no obligation to perform annual inspections or have periodic appraisals made of any real estate held in any trust hereunder so long as such property is occupied or used by a beneficiary or beneficiaries of such trust and the Trustees may retain such property regardless of its lack of productivity of income except as otherwise provided above.

E. The Trustees shall have full power and discretion to determine whether any money or other property received by them is principal or income, and what expenses shall be charged to income or principal, and their decision shall be final.

F. Upon termination of any trust, the Trustees in their discretion may make distribution either in cash or in kind, or partly in cash and partly in kind. Upon termination of the trust, the powers of the Trustees to sell and transfer the corpus of the trust shall continue to the extent necessary in order to enable the Trustees to wind up the trust estate, pay the expenses thereof, and distribute the corpus thereof to the persons entitled thereto.

WILLIAM ANDERSON SNEED

G. All the rights, duties and obligations herein conferred upon the fiduciaries herein named shall pass to and vest in any successor fiduciary who may be appointed. Whenever the words "fiduciary", "Executor" or "Trustees" appear herein, it shall be construed as including any successor fiduciary, executors or trustees, as the case may be, and the singular form shall include the plural and the plural form shall include the singular unless a contrary intent is indicated by the context.

ITEM EIGHT: If the principal of any trust hereunder should be of a size or nature so as not to justify the creation or continuance of the Trust for economic reasons, the Trustees, other than my wife, in their sole discretion, may terminate such trust and distribute the principal and any undistributed income to the beneficiaries of such trust, or to a beneficiary's legal Guardian, if the beneficiary is under legal age, and such Guardian shall hold such assets as Custodian without bond under the Uniform Gifts to Minors Act. If the Trustees acting hereunder are at any time also acting as Trustees for the same beneficiary or beneficiaries under another instrument, by whomever established, the Trustees may commingle the trusts to the extent deemed feasible by the Trustees, other than my wife, notwithstanding minor differences of provisions, and thereafter administer the commingled trusts in accordance with the provisions of the trust instrument selected by the Trustees, other than my wife, for that purpose, but no trust for which a Federal Estate Tax Marital Deduction was taken shall be merged with a trust not qualifying for said Marital Deduction.

BOOK 10461 PG 605

In the event any federal exemption from the federal generation-skipping transfer tax is allocated to any property in any Trust created hereunder with respect to which I or my spouse shall be the transferor for purposes of such tax, the Trustees shall be authorized, but not directed, to divide such Trust at any time into separate trusts, in order that the federal generation-skipping transfer tax inclusion ratio for each separate trust shall be either zero or one. Each such separate

WILLIAM ANDERSON SNEED

Trust shall be held, administered and distributed in accordance with the provisions of this Agreement creating such Trust prior to its separation.

ITEM NINE: Any and all estate and inheritance taxes assessable by reason of my death, and whether based on transfers under my Will or outside it are charged against the WILLIAM A. SNEED FAMILY TRUST hereunder and shall not be apportioned or reimbursed by any beneficiary or transferee of assets whether passing hereunder or outside this Will. The fiduciaries hereunder may in their discretion, but need not, pay any debts owed jointly by me and my wife which are secured by mortgages or other security instruments, and if paid, shall be without right of contribution from my wife and shall be paid from the residue of my estate prior to the allocation required by ITEM FOUR. My fiduciaries shall be exonerated from liability to any beneficiary hereunder in the exercise or nonexercise of their discretion herein granted. All of my debts that I have incurred by borrowing against the cash surrender value of life insurance policies on my life and debts to the extent secured by the assignment of life insurance policies on my life shall be charged against my residuary estate prior to the allocation required by ITEM FOUR. I authorize and direct my Executor to pay from the principal of my residuary estate, without apportionment, any and all of my debts, expenses arising from my illness, funeral expenses, taxes arising from my death or otherwise, and expenses of administration of my estate prior to the allocation required by ITEM FOUR.

BOOK 10461 PG 606

ITEM TEN: My wife, PATRICIA LEE SNIDER SNEED, during her life, and thereafter a majority of the group composed of the adult beneficiaries and Guardian of any minor beneficiaries hereunder, shall have the power from time to time to remove any

WILLIAM ANDERSON SNEED

corporate Executor or corporate Trustee named, and the Davidson County Probate Court shall appoint a successor fiduciary which shall be a bank or trust company having power to serve and combined agency and trust assets under management of at least One Hundred Million Dollars ($100,000,000.00). Such successor shall be excused from bond as are the original fiduciaries and have the same powers and discretion as the original fiduciaries. This right shall not be exhausted by one exercise thereof. The appointment shall be by notarized writing with a copy to the replaced fiduciary and a copy to the new fiduciary. The successor fiduciary is excused from inquiring into the administration of the estate by the replaced Executor of the Trust by the replaced Trustee and shall not be liable for any acts of its predecessor. The replaced fiduciary shall, without Court proceedings or other formalities, make prompt settlement with and delivery of the assets to the successor fiduciary taking a receipt therefor and without requiring any indemnity from the successor fiduciary or any other party.

ITEM ELEVEN: The proceeds of any insurance on my life which are receivable by my Executor may be used, but only in the sole and uncontrolled discretion of the Executor, in satisfying obligations and taxes owing by my estate and to the extent not so used will pass under the disposing provisions of this Will.

BOOK 10461 PG 607

ITEM TWELVE: No person who is a beneficiary hereunder or is a beneficiary of any trust herein created and who shall at any time serve as one of the Trustees hereunder shall have the power as such a Trustee to take any discretionary action affecting the distribution or accumulation of income or principal or both for such person's own benefit, or for the benefit of his or her spouse or issue, or for the benefit of anyone to whom he or she owes a duty of support, such power and discretion being

WILLIAM ANDERSON SNEED

hereby vested in the fiduciaries other than said person, provided that this ITEM TWELVE shall not restrict my wife's power to disclaim all or a portion of any bequest or interest herein given to her.

ITEM THIRTEEN: Despite any other provisions of this instrument, no property shall be retained in trust hereunder for more than twenty-one (21) years after the death of the last to die of me, my wife and my descendants living on the date of my death and each share of the trust property, if any, still retained in trust at the end of that period shall be distributed immediately to the beneficiary in whom the share is vested, and if any share is not then vested such share shall be distributed immediately to the income beneficiary or beneficiaries of such trust.

BOOK 10461 PG 608

ITEM FOURTEEN: If my wife, PATRICIA LEE SNIDER SNEED, and I die in a common disaster or accident and it cannot be ascertained that our deaths were otherwise than simultaneous, it shall be conclusively presumed for all purposes of this Will that she survived me.

ITEM FIFTEEN: This Will is not made pursuant to any contract with my wife and there is no contract between us respecting either or both of our Wills.

WILLIAM ANDERSON SNEED

This Will is written on Eighteen (18) pages.

IN WITNESS WHEREOF, I have hereunto set my hand to this my Last Will and Testament and declared and published it as such in the presence of witnesses on this the 4th day of February, 19 91.
