between the grantor and grantees of this Warranty Deed. Maintenance costs shall be born by the grantees, their heirs, successors, and assigns as detailed in the Private Roadway Easement referenced on the first page of this Deed.

As agreed in the Private Roadway Easement referenced on the first page of this Deed, landowner shall bear a prorata share of the maintenance and required improvements of the main driveway to the property, after its construction is complete. Landowner hereby grants an easement of a minimum thirty (30) feet in width and running across the property as shown on Map A of the Affidavit referenced on the first page of this Deed.

Landowners shall not allow their lots to be clear-cut of trees; except on the actual house or barn building site. TSI (culling of diseased or inferior trees to allow larger ones to thrive) is permitted where advised by a certified forester.
