Parties of the first part, Midgett, hereby agree that they have no right, title, interest, claim or demand in or to the parcels or tracts (Map 15, Parcels 99, and/or 178, and/or 271) bounded by said boundary line, situated generally to the west of, and beyond the line described and agreed upon in this Agreement. Parties of the second part, Jones, and third part, Bunce, hereby agree that they have no right, title, interest, claim or demand in or to the parcel or tract (Map 15, Parcel 100) bounded by said boundary line, situated generally to the east of, and beyond the line described and agreed upon in this Agreement.

It is further hereby agreed by and between the parties hereto that they shall execute quitclaim deeds incorporating this Agreement as to the location and description of the common boundary line, by reference and attachment thereto, contemporaneously with this Agreement, and hereby specifically agree that this Agreement and all accompanying or related deeds, or corrections to deeds, and any other related documents, shall be recorded in the Register's Office for Davidson County, Tennessee as soon as practical following their execution; and, in any event, prior to the execution and recording of any other closing documents, deeds, deeds of trust, mortgages, or other documents, affecting, involving, or in any manner relating to the said agreed common boundary line.

It is hereby further agreed by and between the parties hereto that this Agreement shall inure to the benefit of, and be binding upon them, their heirs, assigns, representatives, executors, and administrators, and that they shall hereafter fully respect the said agreed boundary line so located, each free to utilize the property up to the agreed boundary without notice to the other as each may wish, according to law.
