DERIVATION OF TITLE: Being the same property described in a deed conveyed from Victor T. Marshall, Trustee, as recorded in Book 9056, at page 943, and re-recorded in Book 9056, page 996, in the Register's Office of Davidson County, Tennessee.

The drafters of this deed, by virtue of its preparation, make no representations whatsoever regarding the status of title, encroachments, acreage, easements or other access, or the accuracy of the boundary calls for the real property described herein, this instrument being prepared solely from the directions, metes and bounds description and other information provided by the Grantor and the Grantee named in this deed.

TOGETHER WITH any and all rights, privileges, easements, improvements and appurtenances to the same belonging.

Grantee shall not use or permit the Property to be used by any person or entity for "retail banking purposes" (the "Use Restriction") from the date hereof through December 30, 2000 (the

"Restricted Period"). The term "retail banking purposes" shall include, without limitation, receiving deposits or making loans to the general public, whether done by a state bank, national bank, savings and loan association, credit union or other entity, whether by walk-up or drive-in teller facility or otherwise. In addition, during the Restricted Period: (i) there shall be no signage or advertising of any type placed or permitted upon any portion of the Property that relates to a financial institution, including Grantee (the "Signage Restriction"), and (ii) there shall be no public announcements, advertising, solicitations, business development, notices or other publications relating in any manner to the present or future operation of a financial institution, including Grantee, upon the Property (the "Advertising Restriction"). Notwithstanding anything to the contrary contained herein, the following activities performed after September 30, 2000, shall not be deemed a violation of the Signage Restriction or the Advertising Restriction: (1) a sign located within the Grantee's existing branch location (which is contemplated to be relocated to the Property), not visible from the outside, announcing the location (street address) of the Property as the new location, but not mentioning the Grantor's name, and (2) letters to federal and state regulators, and existing customers of the branch to be relocated, announcing the relocation. In the event of a violation of any of the aforesaid Restrictions, Grantor shall be entitled to pursue all remedies available at law or in equity, including, without limitation, injunctive relief. In addition, Grantor shall be entitled to recover from Grantee liquidated damages in the amount of $2,000.00 per day for any violation of the Use Restriction or Signage Restriction and $25,000.00 for each and every violation of the Advertising Restriction. The parties recognize and acknowledge that the foregoing liquidated damages are reasonable and do not constitute a penalty and are being imposed due to the difficulty of calculating the actual damages that would result from a violation of these Restrictions. In the event of any litigation relating to the enforcement of these Restrictions, the prevailing party shall be entitled to recover all costs and expenses, including reasonable attorneys' fees.

TO HAVE AND TO HOLD the Property, along with all of the hereditaments, appurtenances, improvements (if any), buildings (if any) on the Property, and all other estates, easements and interests that appertain to or run with the Property, over to Grantee and Grantee's, successors and assigns, forever.

Grantee hereby takes any improvements, (if any) on the Property "as is," and Grantor is not liable or bound in manner by any verbal or written statements or representations regarding such improvements or the operations, condition, character or quality of any such improvements on the Property.

IN WITNESS WHEREOF, the Grantor has executed this Quitclaim Deed on the 28 day of June, 2000.
