A Unit includes both the portion of the Building so described and the air space so encompassed, excepting Common Elements. Any Unit may be jointly or commonly owned by more than one person. 2. Submission of Property to the Act. The Developer, by recording this Master Deed, hereby submits and subjects the Parcel and the Property to the provisions of the Act and hereby establishes a horizontal property regime as authorized and described in the Act and to be hereafter known as 3310 Elkins Avenue Condominium.

3. Plat. The Plat sets forth the numbers, areas, locations, and other data as required by the Act.

4. Units. The legal description of each Unit shall consist of the identifying street number and name of such Unit as shown on the Plat. The Unit descriptions shall be "Unit 3310 A Elkins Avenue" and "Unit 3310 B Elkins Avenue." Every deed, lease, deed of trust or other instrument shall legally describe a Unit by its identifying letter as shown on the Plat, and every such description shall be deemed good and sufficient for all purposes, as provided in the Act. No Unit Owner shall subdivide or cause his Unit to be separated into any tracts or parcels different from the whole Unit as shown on the Plat

5. (a) Association of Unit Owners and Administration and Operation of the Property. There shall be an unincorporated Association having the name 3310 Elkins Avenue Homeowners Association, which Association shall be the governing body for the Unit Owners, and shall be operated to provide for the maintenance, repair, replacement, administration, operation and care of the Property as provided in the Act, this Master Deed and Bylaws. The Bylaws for the Association shall be the Bylaws attached to this Master Deed as Exhibit "B" and made a part hereof. The Association shall not be deemed to be conducting a business of any kind. All activities undertaken by the Association shall be held and applied by it for the use and benefit of Unit Owners in accordance with the provisions of the Master Deed and Bylaws. Each Unit Owner shall be a member of the Association so long as he is a Unit Owner. A Unit Owner's membership shall automatically terminate when he ceases to be a Unit Owner. Upon the conveyance or transfer of a Unit Owner's ownership interest to a new Unit Owner, the new Unit Owner shall simultaneously succeed to the former Unit Owner's membership in the Association. The aggregate number of votes for all members of the Association shall be two (2) and shall be divided among the respective Unit Owners with one (1) vote granted to each Unit.

(b) Management of Property. The Association, or the Unit Owners jointly in their own names, shall have the authority to engage the services of an agent (herein sometimes referred to as the "Managing Agent") to maintain, repair, replace, administer and operate the Property, or any part thereof, to the extent deemed advisable by the Association.

(c) Use by Developer. During the period of sale by the Developer of any Unit, the Developer, and the Developer's agents, employees, contractors and subcontractors, and their respective agents and employees, shall be entitled to access, ingress to and egress from the Building and Property as may be required for purposes of sale of the Units.

(d) Use by Developer. During the period of sale by the Developer of any Units, the Developer, and the Developer's agents, employees, contractors and subcontractors, and their respective agents and employees, shall be entitled to access, ingress to and egress from the Buildings and Property as may be required for purposes of sale of the Units.

(e) Non-Liability of the Developer. The Developer shall be liable to the Unit Owners for any mistake of judgment or for any other acts or omissions of any nature whatsoever as such Developer, except for any acts or omissions found by a court to constitute gross negligence or fraud.

6. Ownership of the Common Elements. Each Unit Owner shall be entitled to the percentage of ownership in the Common Elements allocated to the respective Unit owned by such Unit Owner, with each Unit being allocated a fifty percent (50%) interest in the Common Elements. Such percentages of ownership interest shall remain constant unless hereafter changed by recorded amendment to this Master Deed consented to in writing by the Unit Owners, in accordance with the requirements hereinafter contained. Said ownership interest in the Common Elements shall be an undivided interest, and the Common Elements shall be owned by the Unit Owners as tenants in common in accordance with their respective percentages of Ownership. The ownership of each Unit shall not be conveyed separate from the percentage of

ownership in the Common Elements corresponding to said Unit. The undivided percentage of ownership in the Common Elements corresponding to any Unit shall be deemed conveyed or encumbered with that Unit, even though the legal description in the instrument conveying or encumbering said Unit may refer only to the fee title to that Unit.

7. Use of the Common Elements. Except as hereinafter set forth each Unit Owner shall have the right to use the Common Elements, (except the Limited Common Elements) in common with all other Unit Owners, as may be required for the purposes of access, ingress to, egress from, use, occupancy and enjoyment of the respective Unit owned by such Unit Owner. Such right to use the Common Elements shall extend to each Unit Owner, and such Owner's agents, servants, tenants, family members, customers, invitees and licensees. However, each Unit Owner shall have the right to the exclusive use and possession of the Limited Common Elements serving each respective Unit. Such rights to use the Common Elements, including the Limited Common Elements, shall be subject to and governed by the provisions of the Act, Master Deed, Bylaws and any rules and regulations established by the Association

8. (a) Common Expenses. Each Unit Owner, and the Developer, shall pay his or her proportionate share of the expenses of the administration and operation of the Common Elements excluding the Limited Common Elements, and of any other expenses incurred in conformance with the Master Deed and Bylaws (which expenses are herein sometimes referred to as ``common expenses''), including, but not limited to, the maintenance and repair thereof and any and all replacements and additions thereto and including all insurance premiums for hazard and liability insurance attributable to the respective Units, whether under a condominium owner's policy or otherwise. Such proportionate share of the common expenses for such Unit Owner shall be in accordance with such Owner's percentage of ownership in the Common Elements. Payment of common expenses shall be in such amounts and at such times as determined in the manner provided in the Bylaws. No Unit Owner shall be exempt from payment of such Owner's proportionate share of the common expenses by waiver or non-use of enjoyment of the Common Elements or by abandonment of his Unit. If any Unit Owner shall fail or refuse to make any such payment of the common expenses when due, the amount thereof, together with interest thereon at the highest rate then allowed by applicable law, after said common expenses become due and payable, shall constitute a lien on the interest of such Unit in the Property as provided in the Act. Each assessment for common expenses against a Unit shall be the personal obligation of the Owner of the Unit at the time the assessment is due.

(b) Enforcement. In the event any Unit Owner fails to maintain such Owner's Unit, or the Limited Common Elements attributable to such Unit, including the lawn area attributable to his Unit or in the event any Unit Owner fails to pay any common expense when such is due, including expenses for hazard and liability insurance on the Property, whether under a condominium owners policy or otherwise, then in any such event any other Unit Owner after ten (10) days' notice to the defaulting Unit Owner, may perform such maintenance, advance and pay such sums, or do any other reasonable act necessary to cure such default. The non-defaulting Unit Owner shall have a lien against the Unit of the defaulting Unit Owner securing payment of the sums expended or advanced, and shall be entitled to enforce such lien by filing suit in a court of competent jurisdiction. In the event the non-defaulting Unit Owner is successful in such suit,

he shall be entitled to recover reasonable attorneys' fees and costs incurred in such suit and enforcement of his rights.

(c) Deed of Trust Protection. The lien provided for in the preceding paragraph shall be subordinate to the lien of a recorded deed of trust on the interest of such Unit Owner, except for the amount of the proportionate share of common expenses that become due and payable from and after the date on which the beneficiary thereunder takes possession of the Unit encumbered thereby, accepts a conveyance of any interest therein (other than as security) or forecloses on its deed of trust. This Subsection (c) shall not be amended, changed, modified or rescinded without the prior written consent of all deed of trust beneficiaries of record.

9. Deeds of Trust. Each Unit Owner shall have the right, subject to the provisions herein, to make separate deeds of trust for his respective Unit together with his respective ownership interest in the Common Elements. No Unit Owner shall have the right or authority to make or create, or cause to be made or created, from the date hereof, any deed of trust or other lien on or affecting the Property or any part thereof, except only to the extent of his own Unit and the Common Elements corresponding thereto.

10. Separate Real Estate Taxes. Real estate taxes shall be separately taxed to each Unit Owner for his Unit and his corresponding percentage of ownership in the Common Elements, as provided in the Act. In the event that such taxes for any year are not separately taxed to each Unit Owner, but rather are taxed on the Property as a whole, then each Unit Owner shall pay his proportionate share thereof in accordance with such Owner's respective percentage of ownership interest in the Common Elements, and, in said event, such taxes shall be a common expense.

11. Insurance and Damage. The Association or the Unit Owners in their own names shall obtain insurance for the Property and Common Elements, exclusive of the additions within, improvements to and decorating of the Units by the Unit Owners, against loss or damage by fire, vandalism, malicious mischief and such other hazards as are covered under standard extended coverage provisions for the full insurable replacement cost of the Common Elements and the Units, and against such other hazards and for such amounts as the Board or Unit Owners may deem advisable. Such insurance shall be written in the name of, and proceeds thereof shall be payable to, the Association, as trustee for each of the Unit Owners, or directly to the Unit Owners, in direct ratio to said Unit Owner's respective percentage of ownership in the Common Elements, as set forth in the Master Deed, and for the holders of deeds of trust on his Unit, if any. The policy of insurance should also contain, if possible, a waiver of subrogation rights by the insurer against individual Unit Owners. The premiums for such insurance shall be a common expense or may be paid individually by the Unit Owners, as the Unit Owners may determine. Premiums for such insurance shall be separately billed to each Unit Owner for his Unit and his corresponding percentage of ownership in the Common Elements.

In the event of damage to or destruction of any Buildings or Common Elements as a result of fire or other casualty covered by insurance proceeds, the Unit Owners may, in their discretion, with the prior written approval of all of the mortgagees of the Units, arrange for the prompt repair and

restoration of the damaged portions of the Property, substantially in accordance with the original plans and specifications therefor.

In the event the Unit Owners determine that reconstruction in unfeasible, then the insurance proceeds shall be delivered to the Unit Owners or their mortgagees, as their interests may appear, in proportion of each Unit Owner in the Common Elements.

The Association shall also have authority to and may obtain such insurance as it deems desirable, in such amounts, from such sources and in such forms as it deems desirable, insuring the Property and each member of the Board and officers of the Association, and members of any committee appointed pursuant to the Bylaws of the Association from liability arising from the fact that said person is or was director or officer of the Association. The Board may require such fidelity bond coverage as necessary for any person or Board member handling Association funds. The premiums for such insurance and bonds may be a common expense.

Each Unit Owner shall be responsible for obtaining his own insurance on the contents of such Owner's Unit, as well as additions and improvements thereto, decorations, furnishings and personal property therein, and personal property stored elsewhere on the Property.

12. Maintenance, Repairs and Replacements. Each Unit Owner, at his expense, shall furnish and be responsible for all maintenance of, repairs to, and replacements within his Unit and the Limited Common Elements attributable to his Unit, as defined in Section 1(i) hereinabove. Maintenance of, repairs to and replacements within the General Common Elements shall be the responsibility of, and shall be furnished by, the Association or the Unit Owners jointly. The cost of maintenance of, repairs to and replacements within the General Common Elements shall be part of the common expenses, subject to the Bylaws, rules and regulations of the Association.

To illustrate the foregoing, but not in limitation thereof, each individual Unit Owner shall have responsibility for maintenance and repair of the following items:

(i) the interior of his Unit.

(ii) the windows and doors of his Unit.

(iii) the appliances, including hot water, plumbing pipes and fixtures, central heat and air conditioning system, electrical lines, and fuse boxes for his Unit.

(iv) The painting and maintenance of exterior trim and gutters on the portion of the Building enclosing his Unit.

(v) The exterior of the portion of the Building attributable to his Unit.

(vi) Any deck or patio adjacent to his Unit.

(vii) The lawn area, including shrubbery, trees, driveway and fences, within the area shown on the Plat as part of the Limited Common Elements for his Unit.

(viii) The entire Building enclosing the Unit, including the foundation, framing, roof, interior walls and ceilings, floor joists, attic beams, and other structural components of the portion of the Building attributable to his Unit, and the ground under the Unit, except for the common wall with the adjacent Unit.

If, due to the act or neglect of a Unit Owner, or the agent, servant, tenant, family member, invitee, licensee or household pet thereof, damage shall be caused to the Common Elements or to a Unit or Units owned by others, or the Limited Common Elements attributable to such other Unit, or maintenance, repair or replacement are required which would otherwise be a common expense, then such Unit Owner shall pay for such damage or such maintenance, repair and replacement, to the extent sufficient proceeds are not collected from the insurance carrier.

Each respective Unit Owner shall be entitled to reasonable access to the individual Units, and Limited Common Elements attributable thereto, as may be required in connection with the preservation of either Unit, or Limited Common Elements attributable thereto, in the event of an emergency, or in connection with maintenance, repairs or replacements on the Property, or to make any alteration required by any governmental authority.

13. Alterations, Additions or Improvements. No alteration of any General Common Elements shall be made by any Unit Owner without the prior written approval of the adjoining Unit Owner. Any Unit Owner may make alterations, additions or improvements within his Unit and the Limited Common Elements attributable to the Unit, without the prior written approval of the adjacent Unit Owner, but such Unit Owner shall be responsible for any damage to the adjacent Unit, the Common Elements, the Property, or any part thereof, resulting from such alterations, additions or improvements. No Unit Owner shall change the exterior paint color, or otherwise alter the exterior appearance of the portion of the Buildings for which such Unit Owner bears responsibility without the prior written consent of the other Unit Owners.

14. Decorating. Each Unit Owner, at his own expense, shall furnish and be responsible for all decorating within his own Unit and Limited Common Elements serving his Unit.

15. Encroachments and Easements. If any portions of the Common Elements shall actually encroach upon any Unit, or in any Unit shall actually encroach upon any portions of the Common Elements, or if any Unit shall actually encroach upon the other Unit, as the Common Elements and Units are shown by the Plat, there shall be mutual easements in favor of each of the Unit Owners, to the extent of such encroachments, so long as the same shall exist. Similarly, there shall be mutual easements in favor of each of the Unit Owners for any utility lines or services serving one or both Units which may encroach upon the other Unit, or the Limited Common Elements attributable therto.

16. Use and Occupancy Restrictions. Each Unit shall be used as a residence and for no other purpose. The foregoing restrictions as to residence shall no, however, be construed in such manner as to prohibit a Unit Owner from: (a) maintaining his personal professional library; (b) keeping his personal business or professional records or accounts; or (c) handling his personal business or professional telephone calls or correspondence. Such uses are expressly declared customarily incident to the principal residential use and not in violation of said restrictions.

17. Remedies. In the even of any violation of the provisions of the Act, Master Deed, Bylaws or rules and regulations of the Association by a Unit Owner (either by his own conduct or by the conduct of any other Occupant of his Unit) the other Unit Owners shall have all of the rights and remedies which may be provided in the Act, Master Deed, Bylaws, or rules and regulations, or which may be available at law or in equity, and may prosecute an action or other proceeding against such defaulting Unit Owner and/or others for enforcement of any lien, and the appointment of a receiver for the Unit and ownership interest of such Unit Owner, or for damages or injunctive relief or specific performance, or for a money judgment and collection thereof, or the right to sell the Unit through judicial process as provided hereinbefore, or for any combination of remedies, or for any other relief allowed by applicable law.

18. Amendment. The provisions of this Master Deed may be amended by an instrument in writing, setting forth such amendment, signed by all Unit Owners, and any mortgagees of a Unit if required hereinabove. No provision in this Master Deed may be amended so as to conflict with the provisions of the Act.

19. Notices. Notices provided for in the Act, Master Deed or Bylaws shall be in writing, and shall be addressed to the respective Unit Owners, at the addresses of the respective Units. Notices addressed as above shall be deemed delivered when mailed by United States registered or certified mail, or when delivered in person.

20. Severability. If any provision of the Master Deed or Bylaws is held invalid, the validity of the remainder of this Master Deed and the Bylaws shall not be affected thereby.

22. Rights and Obligations. Each grantee of the Developer, by the acceptance of a deed of conveyance, accepts the same subject to all restrictions, conditions, covenants, reservations, liens and charges, and the jurisdiction, rights and powers created or reserved by this Master Deed. All future Unit Owners and Occupants shall be subject to and shall comply with the provisions of this Master Deed and the Bylaws.

All of such provisions shall be deemed and taken to be covenants running with the land and shall bind any person having at any time any interest or estate in such Unit, as though such provision were recited and stipulated at length in each and every deed, conveyance or lease thereof.

23. Trustee as Unit Owner. In the event title to any Unit is conveyed to a land title holding trust, under the terms of which all powers of management, operation and control of the Unit remain vested in the trust beneficiary or beneficiaries, then the beneficiaries therunder shall be considered Unit Owners for all purposes and they shall be responsible for payment of all

obligations, liens, or indebtedness and for the performance of all agreements, covenants and undertakings chargeable or created under this instrument against such Unit. The amount of any such lien or obligation shall continue to be a charge or lien upon the Unit and the beneficiaries of such trust, notwithstanding any transfers of the beneficial interest of any such trust or any transfer of such Unit.

24. Condemnation. In the event of a taking by condemnation or eminent domain of a part or all of the Property, if the Unit Owners, in their discretion, with written consent of the mortgagees affected, approve the repair and restoration, the Unit Owners shall arrange for the repair and restoration. In the event that the Unit Owners and the Mortgagees do not approve the repair and commence restoration of such Common Elements within one hundred twenty (120) days after taking by public or private authority, the Board shall disburse the net proceeds of such award to the Unit Owners and the Mortgagees, as their interests may appear.

On or before the first day of the first month and of each succeeding month of the year covered by the annual budget, each Unit Owner shall pay, as his respective monthly assessment for the common expenses, one-twelfth (1/12) of his proportionate share of the common expenses for such year, if any, as shown by the annual budget. Each Unit Owner shall pay his monthly assessment on or before the first day of each month. No Unit Owner shall be relieved of his obligation to pay his assessment by abandoning or not using his Unit, the Common Elements, or the Limited Common Elements.

Section 3. Partial Year or Month. If the first fiscal year, or any succeeding fiscal year, shall be less than a full year, then the monthly assessments for each Unit Owner shall be proportionate to the number of months and days in such period covered by such budget. Commencing with the date of occupancy of his Unit, each Unit Owner shall pay his assessment for the following month or fraction of a month, which assessment shall be in proportion to his respective ownership interest in the Common Elements and the number of months and days remaining of the period covered by the current annual budget, and which assessment shall be as computed by the Board.

In the event that during the course of any year, it shall appear to the Board that the monthly assessments, determined in accordance with the estimated annual budget for such year, are insufficient or inadequate to cover the estimated common expenses and limited common expenses for the remainder of such year, then the Board shall prepare and approve a supplemental budget covering the estimated deficiency for the remainder of such year, and thereupon a supplemental assessment shall be made to each Unit Owner for his proportionate share of such supplemental budget.

Section 5. Records and Statement of Account. The Board shall cause to be kept detailed and accurate records in chronological order of the receipts and expenditures specifying and itemizing the common expenses incurred.

Section 6. Holding of Funds. All funds collected hereunder shall be held and expended for the purposes designated herein.
