The ownership of each Unit shall not be conveyed separate from the undivided ownership in the Common Elements appurtenant to such Unit.

The Ownership Percentages described in Exhibit C, have been computed and determined on the basis of the ratio which the square footages of each Unit bears to the total square footage of all of the Units in the Building. The square footages shown on Exhibit C and resulting Ownership Percentages are based on pre-construction estimates and Declarant hereby disclaims any representation or warranty regarding the accuracy thereof. Declarant hereby reserves the right, at its option, to (i) amend this Declaration to revise and replace Exhibit C based upon the actual as-built measurements of the Units determined by Declarant's architect, and (ii) adjust each Owner's Ownership Percentage accordingly. Notwithstanding anything contained herein to the contrary, no consent of any Unit Owners, or any lenders or Mortgagees (as defined in Article XVII) of such Unit Owners shall be required to effectuate said amendment to this Declaration.

4.3 Nature of Ownership of Common Elements. Each Unit Owner may use the elements held in common in accordance with the purposes for which they are intended. Any transfer, conveyance or encumbrance of an individual Unit shall be deemed also to transfer, convey and encumber the undivided interest of the Unit Owner in the Common Elements belonging to and appertaining to said Unit, without specifically or particularly referring to the same. No Unit Owner shall have any right to transfer, convey or mortgage his Unit without also transferring, conveying or mortgaging as an incident

thereto, his undivided interest in the Common Elements; conversely, no Unit Owner shall have any right to transfer, convey or mortgage any part of his undivided interest in such Common Elements without also transferring, conveying or mortgaging his Unit to which his undivided interest in such Common Elements is incident. 4.4 Use of the Common Elements. Each Unit Owner shall have the right to use the Common Elements (except the Limited Common Elements and portions of the Property subject to leases made by or assigned to the Board) in common with all other Unit Owners, as may be required for the purposes of access, ingress to, egress from, use, occupancy and enjoyment of the respective Unit owned by such Unit Owner except as may be expressly limited herein. The use, maintenance and operation of the Common Elements shall not be obstructed, damaged or unreasonably interfered with by any Unit Owner, and shall be subject to any lease, concession or easement, presently in existence or entered into by the Board at some future time, affecting any part of all of said Common Elements. Such right to use the Common Elements shall extend not only to each Unit Owner, but also to his agent, servants, tenants, customers, invitees and licenses. No cars may be parked in the surface parking area for more than forty-eight (48) consecutive hours, except on weekends and holidays. While such parking is made available to the Commercial Unit Owners' guests, customers, employees and invitees on a non-exclusive, first-come basis, no Commercial Unit Owner shall have the right to regularly utilize parking spaces in excess of the number equal to the product obtained by multiplying (i) the total number of parking spaces in the surface parking area by (ii) a fraction whose numerator is the square footage of the Commercial Unit and whose denominator is to total of the square footage of all of the Commercial Units. In the event that the Association (or the Declarant prior to the Turnover Date), determines that any Unit Owner is regularly utilizing more parking spaces in the surface parking area than are properly attributable to said Unit, then it shall first send written notice identifying such violation to said Unit Owner, and the Unit Owner shall thereafter have ten (10) days to remedy the same; provided, no such notice shall be required if said Unit Owner has been previously notified of a similar violation within the prior twelve (12) months. If such violation of this provision is not remedied with said ten (10) day period, or immediately in the event the Unit Owner has previously received a notice violation within the prior twelve (12) months, the Association (or the Declarant prior to the Turnover Date), may, without limiting any other rights or remedies to which it may be entitled, take any of the following actions: (i) attach violation stickers or notices to said car(s), (b) charge the Unit Owner forty and no/100 dollars ($40.00) per day per car parked in violation of the terms of this section, and/or (c) have such car(s) physically removed from the parking areas at the Unit Owner's expense without any liability whatsoever. Upon request by the Association, each Unit Owner shall furnish a complete list of the license numbers of all automobiles regularly parking on the property by said Unit Owner guests, customers, invitees and/or its employees. The Association's Board of Directors, without membership vote, is hereby authorized to reassign such parking spaces upon written application of the Unit Owner for whose exclusive right to use such parking spaces and storage areas is reserved, which shall be accomplished by an amendment to this Master Deed, and shall not require the approval of other Unit Owners.

5.3 Certain Limited Common Elements. Without limiting the generality of the definition of Limited Common Elements contained herein, certain specific Limited Common Elements and the Unit(s) to which they are assigned are:

ARTICLE VI
ADMINISTRATION AND OPERATION OF THE PROPERTY

6.1 Association. There has been or will be formed an Association having the name "85 White Bridge Road Condominium Association, Inc.," a Tennessee not-for-profit corporation, which Association shall be the governing body for all Unit Owners, and shall be operated to provide for the maintenance, repair, replacement, administration and operation of the Property, as provided in the Act and the Condominium Documents. The Board of Directors of the Association shall be elected and serve in accordance with the provisions of the Bylaws. The fiscal year of the Association shall be determined by the Board, and may be changed from time to time as the Board deems advisable. The Association shall not be deemed to be conducting a business of any kind. All activities undertaken by the Association shall be for the sole benefit of the Unit Owners, and all funds received by the Association shall be held and applied by it for the use and benefit of the Unit Owners, in accordance with the provisions of Condominium Documents. Each Unit Owner shall be a member of the Association and a Unit Owner's membership shall automatically terminate when he ceases to be a Unit Owner. Upon conveyance or transfer of a Unit Owner's ownership interest to a new Unit Owner, the new Unit Owner shall simultaneously succeed to the former Unit Owner's membership in the Association.

6.2 Membership and Voting Rights. The Association shall have two classes of voting membership:

(a) CLASS "A". Class "A" members shall be all Unit Owners, with the exception of the Declarant, and shall be entitled to one (1) vote for each 1,000 square feet contained in each Unit owned, provided that if a Unit contains less than 1,000 square feet it shall still be entitled to one (1) vote. No fractional votes shall be provided if the Unit does not contain a round number of square feet and such total square feet shall not be rounded up. When more than one (1) person holds an interest in any Unit, all such persons shall be members. The vote for such Unit shall be exercised as they determine, but in no event shall the total of votes cast exceed the total votes allocated to such Unit.

(b) CLASS "B". Class "B" members shall be the Declarant and shall be entitled to three (3) votes for each 1,000 square feet contained in each Unit owned, provided that if a Unit contains less than 1,000 square feet it shall still be entitled to three (3) votes. No fractional votes shall be provided if the Unit does not contain a round number of square feet and such total square feet shall not be rounded up.. The Class "B" membership shall cease and be converted to Class "A" membership on the happening of either of the following events, whichever occurs later (the "Turnover Date"), unless the Declarant voluntarily terminates this right, in writing:

(1) 120 days after the date by which Seventy-Five percent (75%) of the Units have been conveyed to unit purchasers, or

(2) On the last day of the month occurring five (5) years following the first conveyance of a Unit by Declarant.

6.3 Management of Property. The Board shall have the authority to engage the services of an agent (herein sometimes referred to as the "Managing Agent") to maintain, repair, replace, administer and operate the property, or any part thereof, to the extent deemed advisable by the Board. The Board may require that such Managing Agent have fidelity bond coverage on its employees handling Association funds. The cost of such services shall be a common expense, as defined in Section 7.1 hereof.

6.4 Non-Liability and Indemnity of Directors and Officers. The Directors, Officers and committee members of the Association shall be entitled to the limitations on liability and the indemnifications set forth in Article IX of the Bylaws.

6.5 Board's Determination Binding. In the event of any dispute or disagreement between any Unit Owners relating to the property, or any questions of interpretation or application of the provisions of this Master Deed or Bylaws, the determination thereof by the Board shall be final and binding on all Unit Owners.

ARTICLE VII
COMMON EXPENSES

7.1 Common Expenses. Except as set forth below, or elsewhere in the Condominium Documents, each Unit Owner, other than the Declarant, shall pay a pro-rata share (based upon such Unit Owner's Ownership Percentage) of the expenses of the administration and operation of the Common Elements and of any other expenses incurred in conformance with this Master Deed and Bylaws (which expenses are herein sometimes referred to as "common expenses"), including, but not limited to, the maintenance and repair of the Property and any and all replacements and additions thereto

(a) Notwithstanding anything to the contrary stated herein, any common expenses that are incurred through or occasioned by the use or enjoyment of any Common Elements that benefit or are intended to benefit less than all of the Units, shall not be assessed against all of the Units pursuant to this Section 7.1, but shall be specifically assessed equitably among those Units that are so benefited or intended to be benefited. Additionally, to the extent that any Limited Common Elements or other services provided to the Property are utilized by one Unit Owner or type of Unit Owner in a manner that exceeds the customary usage of other Owners, the Board of the Association shall have the right to charge appropriate amounts to such Unit Owner or type of Unit Owners as determined by the Board of the Association in its reasonable discretion, including, without limitation, excessive or special painting, trash removal and/or maintenance of improvements.

(b) If the Declarant holds one or more unfinished Units for sale in the ordinary course of business, the Declarant shall not be assessed for common expenses for such Units prior to such Units' completion. Completion of a Unit shall be deemed to occur when the title to such Unit is conveyed by the Declarant to a subsequent Unit Owner that is not a successor Declarant or when a final Use and Occupancy permit for such Unit is issued by the Metropolitan Nashville Department of Codes Administration, whichever occurs first. If the Declarant holds one or more Units for sale in the ordinary course of business after their completion, the Declarant shall not be assessed as a Unit Owner for capital improvements without written approval from the Declarant, although the Declarant may be assessed for common expenses as a Unit Owner for the Unit(s) he holds after the Unit is completed.

7.2 Payment of Assessments. Assessments for the payment of common expenses shall be in such amounts and shall be payable at such times as determined in the manner provided in the Bylaws. No Unit Owner shall be exempt from payment of his share in the common expenses by waiver of non-use of enjoyment of the Common or Limited Common Elements or by abandonment of his Unit. If any Unit Owner shall fail to make payment of assessments for common expenses when due, the amount thereof together with any reasonable late charge established by the Board, and together with interest at the Interest Rate, after said assessments become due and payable shall constitute a continuing lien on the Unit against which the assessment is made, as provided in the Act. Each Unit Owner shall be personally liable for his portion of each assessment made while he is owner of a Unit; however, said personal obligation shall not pass to successors in title unless assumed by them or as required by the Act.

7.3 Separate Real Estate Taxes. Real estate taxes shall be separately taxed to each Unit Owner for his Unit and its appurtenant interest in the Common Elements, as provided in the Act. In the event that such taxes for any year are not separately taxed to each Unit Owner, but rather are taxed on the property as a whole, then each Unit Owner shall pay a share thereof equal to said Owner's ownership percentage (define) and, in said event, such taxes shall be a common expense.

ARTICLE VIII
INSURANCE

8.1 Insurance.

(a) Property Insurance. The Board shall obtain insurance for the Property (exclusive of any improvements and betterments made by the Unit Owner(s) and any finished surfaces of the interior walls, floors or ceilings of Units), against loss or damage by fire, vandalism, malicious mischief and such other hazards as are covered under standard extended coverage provisions, for the full insurable replacement cost thereof, and against such other hazards and for such amounts as the Board may deem advisable. Insurable replacement cost shall be deemed the cost of restoring the Common Elements, Units, or any parts thereof, to substantially the same condition in which they existed prior to damage or destruction exclusive of any improvements and betterments made by the Unit Owner(s) and any finished surfaces of the interior walls of Units. Such insurance coverage shall be written in the name of, and the proceeds thereof shall be payable to, the Board, as the Trustee for the Unit Owners equally and for the holders of mortgages on the Units, if any. The policy of insurance should also contain, if obtainable on commercially reasonable terms, a waiver or subrogation of rights by the insurer against the Unit Owners. The premiums for such insurance shall be a common expense. However, at the option of the Board, and upon written notice to all Unit Owners, premiums for such insurance shall be separately billed to Unit Owners.

(b) Liability Insurance. The Board shall also obtain comprehensive public liability insurance, in such amounts as it deems desirable, and workman's compensation insurance and other liability insurance in such amounts as it deems desirable, insuring each Unit Owner, mortgagee of record, the Association, its Officers, Directors, and employees, Owner, and the Managing Agent, if any, from liability in connection with the property. The premiums for such insurance shall be a common expense. However, at the option of the Board, and upon written notice to all Unit Owners, premiums for such insurance shall be separately billed equally to each of the Unit Owners.

(c) Fidelity Insurance. The Board may also obtain fidelity coverage covering Officers, Directors, and employees who handle or are responsible for handling Association funds. Such bonds shall be in such amounts as the Board may determine, but in no event less than one hundred and fifty percent (150%) of the monthly operating expenses of the Association and shall contain waivers of any defense based upon the exclusion of persons serving without compensation. The premiums for such insurance shall be a common expense.

(d) Other Insurance. The Board shall also obtain other such insurance as it deems desirable, in such amounts, from such sources and in such forms as it deems desirable, insuring the property and each member of the Board and Officer of the Association and each member of any committee appointed pursuant to the Bylaws of the Association from liability arising from the fact that said person is or was a Director or Officer of the Association or a member of such a committee. The Board shall require such fidelity bond coverage as it deems necessary for any person or Board member handling Association funds. The premiums for such insurance and bonds shall be a common expense.

(e) Association Insurance Requirements. All policies of insurance maintained or obtained by the Association shall be written with a company licensed to do business in the State of Tennessee. The company issuing such insurance policies shall provide insurance certificates to each owner or their mortgagee upon request.

(f) Unit Owner Obligations to Maintain Insurance. Each Unit Owner shall be responsible for obtaining his own insurance on the contents of his Unit and the Limited Common Elements serving his Unit, as well as his improvements and betterments thereto, and those parts of the Unit for which the responsibility of maintenance and repair is that of the Unit Owner, and for decorations, furnishings and personal property therein, and personal property stored elsewhere on the Property, if any. Each Unit Owner shall furnish a copy of such insurance policy or policies to the Association upon request. In addition, in the event a Unit Owner desires to insure against his personal liability, loss or damage by fire or other hazards above and beyond the extent that his liability, loss or damage is covered by the liability insurance and insurance against loss of damage by fire and such other hazards obtained by the Board for all of the Unit Owners as part of the common expenses, as above provided, said Unit Owner may, at his option and expense, obtain additional insurance.

ARTICLE IX
CASUALTY AND CONDEMNATION

9.1 Casualty. In the event of damage to or destruction of any buildings or Common Elements as a result of fire or other casualty covered by insurance proceeds (unless more than two-thirds (2/3) of the Building requires reconstruction), the Board shall, in its sole and absolute discretion, determine and without intervention of any Unit Owner arrange for the prompt repair and restoration of the damaged portions of the Buildings, and Common Elements substantially in accordance with the original plans and specifications therefore as the same may have been modified with the approval of the Board, exclusive of any improvements and betterments made by the Unit Owner(s) and any finished surfaces of the interior walls of Units. Where the insurance indemnity is insufficient to cover the cost of such repair and restoration, the deficit shall be paid by all Unit Owners directly affected by the damage in proportion to each such Unit's Ownership Percentage. If more than two-thirds (2/3) of the Building requires reconstruction, unless otherwise unanimously agreed upon by the Unit Owners, the insurance indemnity shall be delivered pro rata to the Unit Owners entitled to it in accordance with the applicable provisions of the Bylaws or in accordance with a decision of three-fourths (3/4) of the Unit Owners if no Bylaw provisions are applicable. In the event that the Building is not restored in accordance with this section, the Board shall endeavor to sell the Property, in its then condition, free and clear from this Master Deed, and the net proceeds of such sale shall thereupon be distributed to the Owners in proportion to their respective Ownership Percentages. The Board shall not be responsible for the repair, replacement or restoration of any wall, ceiling or floor decorations or covering, or any other part of a Unit for which the responsibility of maintenance and repair is that of a Unit Owner, or for furniture, furnishings, fixtures, appliances or equipment installed in the Unit by a Unit Owner or occupant unless insurance therefor is specifically provided for in the insurance policy obtained by the Board.

9.2 Condemnation.

(a) Whole Taking of Unit. If a Unit is acquired by eminent domain, or if part of a Unit is acquired by eminent domain leaving the Unit Owner with a remnant which may not practically or lawfully be used for any purpose permitted by this Master Deed, the award must compensate the Unit Owner for his Unit and its interest in the Common Elements, whether or not any Common Elements are acquired. Upon acquisition, unless the decree otherwise provides, that Unit's Ownership Percentage shall be automatically reallocated to the remaining Units in proportion to the respective Ownership Percentages of those Units before the taking, and the Association shall promptly prepare, execute, and record an

amendment to the Master Deed reflecting the reallocations. Any remnant of a Unit remaining after part of a Unit is taken under this subsection is thereafter a Common Element.

(b) Partial Taking of Unit. Except as provided in subsection (a), if part of a Unit is acquired by eminent domain, the award must compensate the Unit Owner for the reduction in value of the Unit and its interest in the Common Elements, whether or not any Common Elements are acquired. Upon acquisition, unless the decree otherwise provides, (1) that Unit's Ownership Percentages shall be reduced in proportion to the reduction in the size of the Unit, and (2) the portion of the Ownership Percentage divested from the partially acquired Unit shall be automatically reallocated to that Unit and the remaining Units in proportion to the respective Ownership Percentages of those Units before the taking, with the partially acquired Unit participating in the reallocation on the basis of its reduced Ownership Percentage.

(c) Taking of Common Elements. In the event of a taking of part of the Common Elements in condemnation or eminent domain, the award made for such taking shall be payable to the Association. If a majority of the Board, in their sole and absolute discretion, approve the repair and restoration of such Common Elements, the Board shall arrange for the repair and restoration of such Common Elements, and the Board shall disburse the proceeds of such award to the contractors engaged in such repair and restoration in appropriate progress payments. In the event the Board does not approve the repair and commence restoration of such Common Elements within one hundred and twenty (120) days after taking by the public or private authority, the Board shall disburse the net proceeds of such award to the Unit Owners in proportion to their respective Ownership Percentages.

ARTICLE X
MAINTENANCE, REPAIRS AND REPLACEMENTS

10.1 Maintenance, Repairs and Replacements. Each Unit Owner, at his own expense, shall furnish and be responsible for all maintenance of, repairs to and replacements within his Unit as may be required to keep the same in good order and condition. Except to the extent hereinafter set forth, maintenance of, repairs to and replacements within the Common Elements shall be the responsibility of and furnished by the Association, and the cost thereof shall be part of the common expenses, subject to the Bylaws and Rules and Regulations of the Association. The expenses for maintenance, repair or replacement of a Unit's water heater, furnace, air conditioner, heating and air conditioning ducts, plumbing and electrical wiring serving only such Unit shall be borne by the Owner of the Unit to which such Limited Common Elements are appurtenant; and, at the discretion of the Board, maintenance of, repairs to and replacements within other Limited Common Elements may be assessed in whole or in part to the Unit Owners benefited thereby. Further, at the discretion of the Board, the Board may direct Unit Owners who stand to be benefited by such maintenance of, repairs to and replacements within the Limited Common Elements to arrange for such maintenance, repairs and replacements in the name of and for the account of such benefited Unit Owners, pay the cost thereof with their own funds, and procure and deliver to the Board such lien waivers and contractor's and subcontractor's sworn statements as may be required to protect the Property from all mechanic's or materialman's lien claims; provided, the Board shall first give such Unit Owners written notice of the need for the same and a reasonable opportunity to effectuate such work (except in the case of emergency). In the event that it shall become necessary, in the course of maintenance, repairs or replacements within the Common Elements of one or more Units, to gain entry to another Unit, it shall be the responsibility of the Association to provide such maintenance, repair or replacement, but the cost of such maintenance, repair or replacement may be assessed to the Unit Owners benefited thereby, as hereinafter provided.

10.2 Repairs due to Damage and Neglect. If, due to the act of neglect of a Unit Owner or of his agent, servant, tenant, customers, invitee or licensee, damage shall be caused to the Common Elements or to a Unit or Units owned by others, or maintenance, repairs or replacements are required

which would otherwise be a common expense, then such Unit Owner shall pay for such damage or such maintenance, repairs and replacements, as may be determined by the Board, to the extent not covered by the Association's insurance.

10.3 Association Access. The authorized representatives of the Association, Board or Managing Agent, with approval of the Board, shall be granted reasonable access to the individual Units and Limited Common Elements as may be required in connection with the preservation of any individual Unit or Limited Common Elements in the event of an emergency, or in connection with the maintenance of, repairs to or replacements within the Common Elements, Limited Common Elements or any equipment, facilities or fixtures affecting or serving other Units, Common Elements or Limited Common Elements, or to make any alteration required by any governmental authority.

10.4 Heating in Colder Months. In order to prevent breakage of water pipes during colder month of the year, resulting in damage to any portion of the Property, increased common expenses, the thermostats within the Units shall be maintained with the heat in an "on" position and at a minimum temperature setting of 55 degrees Fahrenheit whenever the temperature is forecasted to or does reach thirty two degrees Fahrenheit or below.

10.5 Rubbish, Pest Control and Debris. Trash, garbage and other waste shall be kept only in sanitary containers and shall be disposed of in a clean and sanitary manner as prescribed in the Rules and Regulations. Pest control services for all of the Units may be provided by the Association and charges for such services shall be a common expense. Articles of personal property belonging to any Unit Owner shall not be stored or kept in the common areas of the Property.

ARTICLE XI
ALTERATIONS, ADDITIONS AND IMPROVEMENTS

11.1 Alterations, Additions or Improvements. Except as expressly permitted in this section and Section 11.2, no alteration of any Common Elements (or Limited Common Elements used for parking), or any additions or improvements thereto, shall be made by any Unit Owner without the prior written approval of (i) the Declarant prior to the Turnover Date, and (ii) the Board of the Association after the Turnover Date. The Board may authorize and charge as common expenses alterations, additions and improvements of the Common Elements as provided by the Bylaws. Any Unit Owner may make interior, non-structural alterations, additions or improvements within his Unit without the prior written approval of the Board; provided, that (i) the same are done in accordance with all applicable laws, codes or ordinances, (ii) the same do not affect the structural integrity of the building or the mechanical, electrical, or plumbing systems serving the Building, (iii) the same do not disturb the other Occupants of the Building, (iv) the same do not involve any penetrations of the Unit boundaries, and (v) such Unit Owner shall be responsible for any damage to other Units, the Common Elements, the Property, or any part thereof, resulting from such alterations, additions or improvements.

11.2 Interior Improvements. Each Unit Owner, at his own expense, shall furnish and be responsible for all interior improvements within his Unit and Limited Common Elements serving his Unit, as may be required from time to time, including painting, wallpapering, washing, cleaning, paneling, floor covering, draperies, window shades, curtains, lighting and other furnishings and decorating. Each Unit Owner shall be entitled to the exclusive use of the interior surfaces of the perimeter walls, floors and ceilings of his Unit, and such Owner shall maintain said surfaces in good condition at his sole expense, as may be required from time to time. Said maintenance and use of interior surfaces shall be subject to the Rules and Regulations of the Association, but each Unit Owner shall have the right to decorate such interior surfaces from time to time as he may see fit and at his sole expense. Decorating of the Common Elements (other than interior surfaces within the Units as above provided and

other than of Limited Common Elements) and any redecorating of Units, to the extent such redecorating of Units is made necessary by damage to the Units caused by maintenance, repairs or replacement of the Common Elements by the Association, shall be furnished by the Association as part of the common expenses. All windows and screens forming part of a perimeter wall of a Unit shall be cleaned and washed, and any damage thereto repaired, at the expense of the Unit Owner of that Unit.

ARTICLE XII
SIGNS

12.1 Signage. All signs, lettering, placards, window displays, decorations and advertising media that are visible from the exterior of the Unit shall conform in all respects to all applicable laws, codes and ordinances and the sign criteria for the Property set forth in Exhibit D. Such items shall also be subject to the approval of (i) the Declarant prior to the Turnover Date, and (ii) the Board of the Association after the Turnover Date, as to method of attachment. All signage shall be maintained in a good, neat, attractive and operating condition at all times. By acceptance of a deed for a Unit, such Unit Owner agrees that no other signage will be installed, placed or painted on or about the Property. Any damage to the Property caused by the installation or removal of any signage expressly permitted hereunder shall promptly be repaired by the Unit Owner causing such damage, at such Unit Owner's sole cost and expense.

ARTICLE XIII
ENCROACHMENTS

13.1 Encroachments. If any portions of the Common Elements or Limited Common Elements encroach upon any Unit, or if any Unit shall encroach upon any portions of the Common Elements or Limited Common Elements, or if any Unit shall actually encroach upon another Unit, as the Common Elements, Limited Common Elements and Units are shown on the Plat, there shall be deemed mutual easements in favor of the owners of the Common Elements, Limited Common Elements and the respective Unit Owners involved, to the extent of such encroachments, so long as the same shall exist.

ARTICLE XIV
USE RESTRICTIONS

14.1 Use and Occupancy Restrictions. Subject to the provisions of the Bylaws, no part of the Property may be used for any other use or purpose other than the following:

Floor	Use
First Floor	Commercial, Retail, or Office Uses
Second Floor	Office Uses
Third Floor	Office Uses

14.2 Prohibited Uses. Notwithstanding anything contained herein to the contrary, the Units may only be used for purposes permitted by and in compliance with all applicable laws, codes and ordinances, and the following uses and activities shall be prohibited throughout the Property: (i) nuisances (public and private); (ii) activities that create offensive odors, fumes, vibrations, dust, smoke, radiation, noises or pollution that materially interfere with the use of other portions of the Property; (iii) the exterior storage of goods or materials, excluding the temporary storage of construction materials and equipment during the development, renovation or repair of the Property; (iv) recreational vehicle parking; (v) dumping, storage, disposal, incineration, treatment, processing or reduction of garbage or refuse; (vi) flea markets; (vii) fire sales, bankruptcy sales (unless pursuant to a court order), and auction houses; (vii) funeral homes, mortuaries, cemeteries, and other similar activities; (viii) the sale, rental, repair or storage

The Building is a "No Smoking" building and no smoking of tobacco products shall be permitted anywhere in the Building.

14.3 Pets. The Board of the Association may adopt rules and regulations concerning pets located on the Property.

ARTICLE XV
BREACH AND REMEDIES

In the event of any violation of the provisions of the Act, this Master Deed, Bylaws or Rules and Regulations of the Association by any Unit Owner (either by his own conduct or by the conduct of any Occupant of his Unit), the Association or its successors or assigns shall have each and all of the rights and remedies which may be provided for in the Act, this Master Deed, Bylaws or said Rules and Regulations, or which may be available at law or in equity, and may prosecute an action or other proceedings against such defaulting Unit Owner and/or others for enforcement of any lien and the appointment of a receiver for the Unit and ownership of such Unit Owner, or for damages or injunction specific performance, or for judgment for payment of money and collection thereof, or the right to take possession of the Unit and to sell the same as provided hereinafter in this Article XV, or for any combination of remedies, or for any other relief. All expenses of the Board in connection with any such actions of proceedings, including court costs and attorney's fees and other fees and expenses and all damages, liquidated or otherwise, together with interest thereon at the Interest Rate, until paid, shall be charged to and assessed against such defaulting Unit Owner, and shall be added to and deemed part of his respective share of the common expenses, and the Board shall have a lien for all of the same, as well as for nonpayment of common expenses, upon the Unit, and its appurtenant interest in the Common Elements of such defaulting Unit Owner and upon all his additions and improvements thereto and upon all of his personal property in his Unit or located elsewhere on the Property; provided, however, that such lien shall be subordinate to the lien of a recorded first mortgage or deed of trust on the Unit, to the extent set forth in Article XVII. In the event of any such default by any Unit Owner, the Board and the manager or managing agent, if so authorized by the Board, shall have the authority to correct such default and to do whatever may be necessary for such purpose, and all expenses in connection therewith shall be charged to and assessed against such defaulting Unit Owner. Any and all such rights and remedies may be exercised at any time and from time to time, cumulatively or otherwise, by the Board. This paragraph shall not be amended, changed, modified, or rescinded without the prior consent of all holders of record of mortgage and deed of trust liens against the Units.

The violation of any restriction or condition or regulation adopted by the Board or the breach of any covenant or provision herein contained, shall give the Board the right, in addition to any other rights provided for in this Master Deed: (a) to enter (either peaceably or forcibly without liability to such Unit Owner for such entry) upon the Unit, or any portion of the property upon which or as to which such violation or breach exists, and to summarily abate and remove, at the expense of the defaulting Unit Owner, any structure, thing or condition that may exist thereon contrary to the intent and meaning of the provisions hereof, and the Board, or its employees or agents, shall not thereby be deemed guilty in any

manner of trespass; or (b) to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any breach; or (c) to take possession (either peaceably or forcibly without liability to such Unit Owner for such entry) of such Unit Owner's interest in the property and to maintain an action for possession of such Unit in the manner provided by law.

If any Unit Owner (either by his own conduct or by the conduct of any other Occupant of his Unit) shall violate the Act, or any of the covenants or restrictions or provisions of this Master Deed, the Bylaws, or the regulations adopted by the Board, and if such default or violation shall continue for thirty (30) days after notice to the Unit Owner in writing from the Board, or shall occur repeatedly during any thirty (30) day period after such written notice or request to cure such violation from the Board, then, in addition to any other remedy permitted hereunder, the Board shall have the power to issue to said defaulting Unit Owner a notice in writing terminating the rights of said defaulting Unit Owner to continue as a Unit Owner and to continue to occupy, use or control his Unit, and thereupon an action in equity may be filed by the Board against said defaulting Unit Owner for a decree of mandatory injunction against such defaulting Owner or Occupant, or in the alternative, for a decree declaring the termination of said defaulting Owner's right to occupy, use or control the Unit owned by him on account of said violation, and ordering that all the right, title and interest of said defaulting Unit Owner in the Property shall be sold (subject to the lien of any existing deed of trust or mortgage) at a judicial sale upon such notice and terms as the court shall determine, except that the court shall enjoin and restrain the said defaulting Unit Owner from reacquiring his interest at such judicial sale. The proceeds of any such judicial sale shall first be paid to discharge court costs, court reporter charges, reasonable attorney's fees and all other expenses of the proceeding and sale, and all such items shall be taxes against said defaulting Unit Owner in said decree. Any balance of proceeds, after satisfaction of such charges and unpaid assessments hereunder, or any liens, shall be paid to said defaulting Unit Owner. Upon the confirmation of such sale, the purchaser shall thereupon be entitled to a deed to the Unit and the Unit Owner's corresponding Ownership Percentage in the Common Elements, and to immediate possession of the Unit sold and may apply to the court for a writ of assistance for the purpose of acquiring such possession, and it shall be a condition of any such sale, and the decree shall so provide, that the purchaser shall take the interest in the Unit Ownership sold subject to this Master Deed.

ARTICLE XVI
AMENDMENTS

16.1 Amendments. Subject to the other rights of the Declarant set forth in Section 4.2, the provisions of this Master Deed may be amended in the first year following the first sale of a Unit by Declarant to an unrelated third party for any reason by a vote of two-thirds (2/3) of the Board of Directors. After the first anniversary date of the following the first sale of a Unit by Declarant to an unrelated third party, the provisions of this Master Deed may be amended by an instrument in writing, setting forth such amendment, signed by two-thirds (2/3) of the Unit Owners.

However, if the Act, this Master Deed or the Bylaws require the consent or agreement of all Unit Owners or of all lien holders for any action specified in the Act or this Master Deed, then any instrument amending any provision of this Master Deed with respect to such action shall be signed by all Unit Owners and/or lien holders or both as required by the Act or this Master Deed. Any amendment shall be effective upon the recording of such instrument in the Office of the Register of Davidson County, Tennessee; provided, however, that no provisions in the Master Deed may be amended so as to conflict with the provisions of the Act.

ARTICLE XVII
MORTGAGE PROVISIONS

17.1 Mortgages. Each Unit Owner shall have the right, subject to the provisions herein, to mortgage his Unit together with his respective ownership interest in the Common Elements. No Unit Owner shall have the right or authority to mortgage or place a lien on the Property or any part thereof, except to the extent of his own Unit and its appurtenant interest in the Common Elements.

17.2 Mortgage and Deed of Trust Protection. The lien for assessments payable by a Unit Owner shall be subordinate to the lien of a recorded first mortgage or deed of trust or similar security instrument (collectively, a "Mortgage") on the interest of such Unit Owner, except for the amount of the proportionate share of common expenses which become due and payable from and after the date on which the holder or beneficiary thereunder (a "Mortgagee") either takes possession of the Unit encumbered thereby, accepts a conveyance of any interest therein (other than as security) or forecloses its Mortgage. This Section 17.2 shall not be amended, changed, modified, or rescinded without the prior written consent of all Mortgagees of record.

17.3 Miscellaneous. The following declarations shall be controlling over any terms of the Condominium Documents which are in conflict therewith. Any portions of the Condominium Documents which are in conflict with this paragraph are hereby superseded and the following rights of Mortgagees are itemized as follows:

(a) A Mortgagee of a Unit at its request is entitled to written notification from the Association of any default by the mortgagor of such Unit in the performance of such mortgagor's obligations under this Master Deed, Bylaws or any of the documents related to the condominium regime established hereunder, which is not cured within thirty (30) days.

(b) Any Mortgagee of a Unit who comes into possession of the Unit pursuant to the remedies provided in the Mortgage or by foreclosure of the Mortgage shall take the property free of any claims for unpaid assessments or charges against the mortgaged Unit which accrue prior to the time such holder comes into possession of the Unit (except for claims for a pro rata share of such assessments or charges resulting from a pro rata reallocation of such assessments or charges to all Units including the mortgaged Unit).

(c) Unless all of the Mortgagees (based upon one (1) vote for each Mortgage owned) of Units have given their prior written approval, the Association shall not be entitled to:

(1) Except as set forth in Section 4.2, change the pro rata interest or obligations of any Unit for (a) purposes of levying assessments or charges or allocating distributions of hazard insurance proceeds or condemnation awards, and for (b) determining the pro rata share of each Unit in appurtenant real estate and any improvements thereon which are owned by Unit Owners in undivided pro rata interests;

(2) Use hazard insurance proceeds for losses to the property (whether to Units or Common Elements) for other than the repair, replacement or reconstruction of such improvements, except as provided by T.C.A. Section 66-27-118, in case of substantial loss to the Units and/or Common Elements.

(d) Mortgagees shall have the right to examine the books and records of the Association.

(e) An adequate reserve fund for the replacement of Common Elements may be established and funded by regular monthly payments rather than by special assessments.

(f) As set forth in T.C.A. Section 66-27-120, all taxes, assessments and charges which may become liens prior to the Mortgage under the laws of the State of Tennessee shall relate only to the Unit and not to the property as a whole.

(g) No Unit Owner or any other party shall have priority over any rights of the Mortgagees of Units in case of a distribution to Unit Owners or insurance proceeds or condemnation awards for losses to or a taking of Units and/or Common Elements.

(h) Any agreement for professional management of the property, whether it be by Declarant, its successors and assigns or any other person or entity, may be terminated on ninety (90) days' written notice, and the terms of any such contract shall so provide and shall not be a duration in excess of three (3) years.

(i) The interest of a Mortgagee in a mortgaged Unit shall be superior to the interests of any person, group, partnership, corporation or entity of any kind, including any interest the Association or any Unit Owner may have in any portion of the Property, regardless of the nature of the interest or the manner in which it is acquired.

(j) Notwithstanding the above, any Mortgagee shall have all of the rights granted to a Mortgagee herein, and in addition shall have all of the rights granted to an institutional first mortgagee under its deed of trust and under the laws of the State of Tennessee.

ARTICLE XVIII

All such meetings of Unit Owners shall be held at such place in Davidson County, Tennessee, and at such time as specified in the written notice of such meeting which shall be delivered to all Unit Owners at least ten (10) days prior to the date of such meeting.

Notices of meetings shall be delivered at least ten (10) days prior to the date of such meeting, either personally or by mail to Unit Owners at the addresses given to the Board or Managing Agent by Unit Owners for such purpose, or to a Unit Owner's Unit if no separate address for such purpose has been given to the Board.

Section 5. Voting. Each Unit, other than those Units owned by the Declarant, shall have only one (1) vote. If any Unit Owner consists of more than one (1) Person, the voting rights of such Unit Owner shall not be divided, but shall be exercised as if the Unit Owner consisted of only one (1) Person in accordance with the proxy or other designation made by the persons constituting such Unit Owner. In the event of disagreement among such persons and an attempt by two or more of them to cast a vote, such persons shall not be recognized, and such vote shall not be counted.

Section 6. Suspension for Non-payment. Without limiting the remedies otherwise available to the Association, a Unit Owner who has not paid his assessments to the Board or the Managing Agent within fifteen (15) days after the due date thereof shall not be entitled to exercise his right to vote until he has cured such default. The term of the Directors shall be for three (3) years, except that until such time as the first meeting of the members is held the Directors (hereinafter called "members of the First Board") shall be appointed by the Declarant. Those candidates for election as Director receiving the greatest number of votes cast either in person or by proxy at the meeting shall be elected. Every Director, except for members of the First Board,

Section 3. Subsequent Board of Directors.

(a) In the event that the Turnover Date has not occurred prior to the annual meeting following the date upon which at least fifteen percent (15%) or more of the Units are conveyed to unit purchasers that are not affiliates of Declarant, the Unit Owners other than the Declarant shall be entitled to elect one (1) of the Directors of the Association at such annual meeting.

(b) In the event that the Turnover Date has not occurred prior to the annual meeting following the date which is three (3) years after fifty percent (50%) of the Units have been conveyed to Unit purchasers that are not affiliates of Declarant, the Unit Owners other than the Declarant shall be entitled to elect two (2) of the Directors of the Association at such annual meeting.

(c) The Declarant shall be entitled to elect at least one (1) member of the Board of Directors of the Association as long as the Declarant holds for sale in the ordinary course of business at least five percent (5%) of the Units in the Building.

Section 4. Turnover. At the time that Unit Owners other than the Declarant elect a majority of the members of the Board of Directors of the Association, the Declarant shall relinquish control of the Association, and the Unit Owners shall accept control of the Association. Simultaneously, or not more than ninety (90) days thereafter, the Declarant shall deliver to the Association, at Declarant's expense, all property of the Unit Owners and of the Association held or controlled by the Declarant.

In the case of a Unit Owner that is a corporation, a limited liability company or partnership, the person designated in writing to the Secretary of the Association as the representative of such corporation, a limited liability company or partnership shall be eligible to serve as a Director.

Section 7. Nomination. Nomination for election to the Board shall be made by a nominating committee which shall consist of three (3) members appointed by the Board to serve from the close of one (1) annual meeting to the close of the succeeding annual meeting. Such appointment shall be announced at the annual meeting. The nominating committee may nominate any number of qualified individuals, but no less than the number of Directors to be elected. Any Director may waive notice of a meeting or consent to the holding of a meeting without notice or consent to any action proposed to be taken by the Board without a meeting. A Director's attendance at a meeting shall constitute his waiver of notice of said meeting.

The presiding officer of the meetings of the Board shall be the President of the Association; if the President of the Association is not present, the Vice-President shall preside. The order of business at all meetings of the Board of Directors shall be:

(1) Roll call.

(p) represent the Association in connection with the fulfilling its rights and responsibilities allocable to the Property by virtue of the Property's being subject to the Declaration of Covenants, Conditions, Restrictions and Easements for Bedford Commons recorded as Instrument No. 20050406-0038094; and

(q) to exercise all powers and duties of Unit Owners as a group referred to in the Horizontal Property Act of the State of Tennessee or in the Master Deed or these Bylaws.

Section 13. Power to Take Any Action. Whenever in these Bylaws the Association is given the power to take any action, it is the intention of these Bylaws that the Board shall act for the Association in all cases, except and to the extent that it is expressly provided that the action be taken upon vote of the Unit Owners.

Section 14. Non-Delegation. Nothing in these Bylaws shall be considered to grant to the Board, the Association or to the officers of the Association any powers or duties which, by law, have been delegated to Unit Owners.

Section 15. Declarant Rights. Notwithstanding the above, if the Declarant holds Units for sale in the ordinary course of business, the Association may not take any action that would be detrimental to the sales of Units by the Declarant, unless the Declarant approves such action, in writing; provided that, an increase in assessments for common expenses without discrimination against the Declarant shall not be deemed to be detrimental to the sales of Units.

ARTICLE IV
OFFICERS

Section 1. Designation. At each regular annual meeting of the Board, the Directors present at such meeting shall elect the following officers of the Association by a majority vote:

(a) a President, who shall be a Director, and shall preside over meetings of the Board and of Unit Owners, and who shall be chief executive officer of the Association;

(b) a Vice-President, who shall be a Director, and, when the President is not available, shall preside over meetings of the Board and of Unit Owners and shall serve, in the absence of the President, as the chief executive officer of the Association.

(c) a Secretary/Treasurer, who shall not be required to be a Director and shall keep the minutes of all meetings of the Board and of Unit Owners, financial records, and who shall, in general, perform all the duties incident to the office of the Secretary/Treasurer;

(d) such additional officers as the Board shall see fit to elect.

Section 2. Powers. The respective officers shall have the general powers usually vested in such officers; provided that the Board may delegate any specific powers to any other officer or impose such limitations or restrictions upon the powers of any officer as the Board may see fit.

Section 3. Term of Office. Each officer shall hold office for the term of one (1) year and until his successor shall have been appointed or elected and qualified.

Section 4. Vacancies. Vacancies in any office shall be filled by the Board by a majority vote of the remaining members thereof at a special meeting of said Board. Any Director so elected to fill a vacancy shall hold office for a term equal to the unexpired term of the officer he succeeds. Any officer may be removed for cause at any time by vote of two-thirds (2/3) of the total membership of the Board at a special meeting thereof.

Section 5. Compensation. The officers shall receive no compensation for their services as officers unless expressly provided for in a resolution adopted by Unit Owners.

Section 6. Removal. All officers and committees appointed or elected by the Board shall be subject to removal, with or without cause at any time by action of the Board of Directors.

ARTICLE V
ASSESSMENTS

Section 1. Annual Budget. The Board shall establish an annual budget to provide for the needs of the Association. Such budget shall take into account the estimated common expenses and cash requirements for the year, including, but not limited to, salaries, wages, payroll taxes, legal and accounting fees, working capital fund, supplies, materials, parts, services, maintenance, repairs, replacements, landscaping, insurance, fuel, power and all other common expenses, as well as the estimated net available cash income for the year, if any, from the lease, operation or use of the Common Elements. The annual budget shall provide for a reserve for contingencies for unanticipated repairs and replacements for the year, in reasonable amounts as determined by the Board.

Section 2. Assessments. The estimated annual budget for each fiscal year shall be approved by the Board, and copies thereof shall be furnished by the Board to each Unit Owner, not later than thirty (30) days prior to the beginning of such year. On or before the first day of the first month following the conveyance of such Unit from the Declarant, and of each succeeding month of the year covered by the annual budget, each Unit Owner shall pay, as his respective monthly assessment for the common expenses, one-twelfth (1/12) of his proportionate share of the common expenses for such year as shown by the annual budget. In the event that the Board shall not approve an estimated annual budget or shall fail to determine new monthly assessments for any year, or shall be delayed in doing so, each Unit Owner shall continue to pay each month the amount of his respective monthly assessment as last determined. Each Unit Owner shall pay his monthly assessment on or before the first day of each month to the Managing Agent or otherwise as directed by the Board. No Unit Owner shall be relieved of his obligation to pay any assessment by abandoning or not using his Unit, the Common Elements or the Limited Common Elements.

Section 3. Additional Charges. In addition to the Assessments described herein, the Board, in its reasonable discretion, shall have the right to assess Unit Owners or types of Unit Owners additional charges as set forth in Section 7.1 of the Master Deed.

Section 4. Partial Year or Month. Commencing with the date of taking title to his Unit from Declarant, each Unit Owner shall pay his assessment for the following month or fraction of a month, which assessment shall be in proportion to his respective Ownership Percentage in the Common Elements and the number of months and days remaining of the period covered by the current annual budget, and which assessment shall be computed by the Board.

Section 5. Assessments Against Declarant Owned Units. If the Declarant holds one or more unfinished Units for sale in the ordinary course of business, the Declarant shall not be assessed for common expenses for such Units prior to such Units' completion. Completion of a Unit shall be deemed to occur when the title to such Unit is conveyed by the Declarant to a subsequent Unit Owner that is not a successor Declarant or affiliate of the Declarant or when a final Use and Occupancy permit for such Unit is issued by the Metropolitan Nashville Department of Codes Administration, whichever occurs first. If the Declarant holds one or more Units for sale in the ordinary course of business after their completion, the Declarant shall not be assessed as a Unit Owner for capital improvements without written approval from the Declarant, although the Declarant may be assessed for common expenses as a Unit Owner for the Unit(s) he holds after such Units are completed.

Section 6. Annual Report. Within ninety (90) days of the close of each annual budget period, or as soon thereafter as practicable, the Board shall cause to be furnished to each Unit Owner a statement for such year, showing the receipts and expenditures and such other information as the Board may deem desirable.

Section 7. Supplemental Budget. In the event that, during the course of any year, it shall appear to the Board that the monthly assessments, determined in accordance with the estimated annual budget for such year, are insufficient or inadequate to cover the estimated common expenses for the remainder of such year, then the Board shall prepare and approve a supplement budget covering the estimated deficiency for the remainder of such year, copies of which supplemental budget shall be furnished to each Unit Owner, and thereupon a supplement assessment shall be made to each Unit Owner for his proportionate share of such supplemental budget.

Section 8. Special Assessments. The Board shall have the right to levy a special assessment ("Special Assessment") upon the occurrence of a casualty (including, but not limited to, drought, flood, casualty losses, natural disasters, vandalism, etc.) as necessary and in the amount necessary to repair or replace any portions of the Property installed or maintained by the Association to the extent that the other funds are not available for such repairs or replacement, unless a decision is made not to restore the such damage as provided in section 9.1 of the Master Deed. In addition, the Unit Owners, by 67% affirmative vote of the total Unit Owners entitled to vote, may levy a Special Assessment from time to time or at any time. Any Special Assessment levied hereunder shall be payable on or before thirty (30) days from the date of the Assessment, or such later date as may be specified by the resolution or consent of the Unit Owners approving such Special Assessmet, subject to the terms set forth in Section 5. of this Article.

Section 9. Working Capital Fund. The Declarant, on behalf of the Association, shall establish a working capital fund to meet unforeseen expenditures or to purchase any additional equipment or services. A non refundable contribution to the working capital fund of the Association shall be collected from the initial Unit purchaser from the Declarant in the amount of two months of the general assessment charged to such Unit. The Declarant shall not use the working capital funds to defray any of its expenses, or construction costs or to make up any budget deficits while it is in control of the Association. Notwithstanding the foregoing, no initial capital contribution shall be required if the Declarant conveys its Units to a successor Declarant or affiliate of the Declarant who intends to sell such units in the ordinary course.

Section 10. Expenditures. Except for the engagement of a Managing Agent described in Article III, Section 11(c) hereof and expenditures and contracts specifically authorized by the

Master Deed and Bylaws, the Board shall not approve any expenditures in an amount in excess of ten percent (10%) of the annual budget for the current year, unless required for emergency repair or protection or operation of the Common Elements or Limited Common Elements, nor shall the Board enter into any contract for more than three (3) years, without the prior approval of the Unit Owners owning at least two-thirds (2/3) of Ownership Percentages.

Section 11. Disclaimer of Warranties. Declarant hereby disclaims any warranty, express or implied, with respect to the Common Elements; provided, Declarant shall use commercially reasonable efforts to endeavor to assist the Association in the enforcement of the terms of any warranty against defects in materials and workmanship issued by the general contractor responsible for constructing the same, during the first year after substantial completion of the Common Elements; provided, in no event shall Declarant be required to institute any litigation in connection with such obligations. At the expiration of the warranty period, repairs and maintenance become the responsibility of the Association.

Section 12. Lien. It shall be the duty of every Unit Owner to pay his pro-rata share of the common expenses, as provided in the Master Deed, and as assessed in the manner provided. In addition to any other remedy available to the Association, if any Unit Owner shall fail or refuse to make any such payment when due, such delinquent payment shall be subject to a late charge in an amount established by the Board, and such delinquent payment, at the discretion of the Board, may also bear interest at the Interest Rate. Such delinquent payment, together with penalty and interest, if any, shall constitute a lien, as provided in the Horizontal Property Act and Master Deed, enforceable by the Board, on the interest of such Unit Owner in the property.

The Association, acting through the Board or its agents, shall have the right to maintain a suit to foreclose any such lien, and there shall be added to the amount due the costs of said suit and other fees and expenses, together with legal interest and reasonable attorney's fees, to be fixed by the court. Furthermore, if any Unit Owner shall fail or refuse to pay when due his proportionate share of the common expenses, the Association, acting through its Board, shall have the authority to exercise and enforce any and all rights and remedies as provided for in the Horizontal Property Act, the Master Deed or these Bylaws, or as otherwise available at law or in equity, for the collection of all unpaid assessments.

Section 13. Records and Statement of Account. The Board shall cause to be kept detailed and accurate records of its expenditures and receipts affecting the Common Elements, specifying and itemizing the common expenses incurred. Payment vouchers may be approved in such manner as the Board may determine.

Section 14. Discharge of Liens. The Board may cause the Association to discharge any mechanic's lien or other encumbrances which in the opinion of the Board may constitute a lien against the Property, rather than a lien against only a particular Unit. When less than all the Unit Owners are responsible for the existence of any such lien, the Unit Owners responsible shall be jointly and severally liable for the amount necessary to discharge the same and for all costs and expenses, including attorney's fees, incurred by reason of such lien.

Section 15. Holding of Funds. All funds collected hereunder shall be held and expanded for the purposes designated herein, and (except for special assessments as may be levied hereunder against less than all the Unit Owners and for such adjustments as may be required to reflect delinquent or prepaid assessments) shall be deemed to be held for the benefit, use and account of all the Unit Owners in proportionate amounts.

ARTICLE VI
USE AND OCCUPANCY RESTRICTIONS

Section 1. General. No unlawful, noxious or offensive activities shall be carried on in any Unit or elsewhere on the property, nor shall anything be done therein or thereon which shall constitute a nuisance or which shall, in the judgment of the Board, cause unreasonable noise or disturbance to others.

Each Unit Owner shall maintain his Unit in good condition and in good order and repair, at his own expense, and shall not do or allow anything to be done in his Unit which may increase the cost or cause the cancellation of insurance on other Units or on the Common Elements. No Unit Owner shall paint or decorate or adorn the outside of his Unit or install outside his Unit any canopy or awning, or outside radio or television antenna, or C.B. radio transmitters, or other equipment, fixtures or items of any kind, except with the prior written permission of the Board or of the Managing Agent acting in accordance with the Board's direction.

No structure of a temporary character, trailer, tent, shack, garage, barn or other outbuildings shall be permitted on the Property at any time, temporarily or permanently, except with the prior written consent of the Board; provided, however, that temporary structures may be erected for use in connection with the repair or rebuilding of the Buildings or any portion thereof. Notwithstanding the preceding, the Declarant may erect and maintain a construction or sales trailer on the property until such time as the completion, as defined in the Master Deed, of all Units in the Building.

Section 2. Electrical and Mechanical Systems. No Unit Owner shall overload the electrical wiring in the Building or operate any machines, appliances, accessories or equipment in such manner as to cause, in the judgment of the Board, an unreasonable disturbance to others, or to connect any machines, appliances, accessories or equipment to the heating or plumbing system without the prior written consent of the Board or the prior written consent of the Managing Agent, given in accordance with the Board's direction.

Section 3. Rules and Regulations. Unit Owners shall be subject to such further restrictions as may be contained in rules and regulations of the Association concerning the use of Units and the Common Elements which may be enacted from time to time by the Board. Such rules and regulations shall be binding rules and regulations of the Association, and copies of such rules and regulations and any amendments or additions thereto shall be furnished to all Unit Owners upon request.

ARTICLE VII
CONTRACTUAL POWERS

Section 1. No contract or other transaction between the Association and one (1) or more of its Directors, or between the Association and any corporation, firm or association in which one (1) or more of the Directors of the Association are directors or are financially interested is void or voidable because such Director or Directors are present at the meeting of the Board or a committee thereof which authorizes and approves the contract or the transaction or because his or their votes are counted, if the circumstances specified in either of the following subparagraphs exist:

(a) the fact of the common directorship or financial interest is disclosed or known to the Board or committee and noted in the minutes and the Board or committee

authorizes, approves or ratifies the contract or transaction in good faith by a vote sufficient for the purpose without counting the vote or votes of such Director or Directors; or

(b) the contract or transaction is just and reasonable as to the Association at the time it is authorized or approved.

Section 2. Common or interested Directors may be counted in determining the presence of a quorum at a meeting of the Board or a committee thereof which authorizes, approves or ratifies a contract or transaction.

ARTICLE VIII
AMENDMENTS

These Bylaws may be amended in the first year following the first sale of a Unit by Declarant to an unrelated third party for any reason by a vote of two-thirds (2/3) of the Board of Directors. After the first anniversary date of the following the first sale of a Unit by Declarant to an unrelated third party, the provisions of these Bylaws may be amended by an instrument in writing, setting forth such amendment, signed by two-thirds (2/3) of the Unit Owners. Such amendments shall be recorded in the Office of the Register of Davidson County, Tennessee.

ARTICLE IX
INDEMNIFICATION

Section 1. Mandatory Indemnification of Directors and Officers. To the maximum extent permitted by the provisions of Tennessee Code Annotated Sections 48-58-501, et seq., of the Tennessee Nonprofit Corporation Act, as amended from time to time (the "Nonprofit Corporation Act") (provided, however, that if an amendment to the "Nonprofit Corporation Act" in any way limits or restricts the indemnification rights permitted by law as of the date hereof, such amendment shall apply only to the extent mandated by law and only to activities of persons subject to indemnification under this Section which occur subsequent to the effective date of such amendment), the Association shall indemnify and advance expenses to any person who is or was a director or officer of the Association, or to such person's heirs, executors, administrators and legal representatives, for the defense of any threatened, pending, or completed action, suit or proceeding, whether civil, criminal, administrative, or investigative, and whether formal or informal (any such action, suit or proceeding being hereinafter referred to as the "Proceeding"), to which such person was, is or is threatened to be made, a named defendant or respondent, which indemnification and advancement of expenses shall include counsel fees actually incurred as a result of the Proceeding or any appeal thereof, reasonable expenses actually incurred with respect to the Proceeding, all fines, judgments, penalties and amounts paid in settlement thereof, subject to the following conditions:

(a) The Proceeding was instituted by reason of the fact that such person is or was a director or officer of the Association; and

(b) The director or officer conducted himself or herself in good faith, and he or she reasonably believed (i) in the case of conduct in his or her official capacity with the Association, that his or her conduct was in the best interests of the Association; (ii) in all other cases, that his or her conduct was at least not opposed to the best interests of the Association; and (iii) in the case of any criminal proceeding, that he or she had no reasonable cause to believe his or her conduct was unlawful. The termination of a proceeding by judgment, order, settlement,

conviction, or upon a plea of nolo contendere or its equivalent is not, of itself, determinative that the director or officer did not meet the standard of conduct herein described.

Section 2. Permissive Indemnification of Employees and Agents. The Association may, to the maximum extent permitted by the provisions of Section 48-58-501, et seq., of the Nonprofit Corporation Act, as amended from time to time (provided, however, that if an amendment to the Nonprofit Corporation Act in any way limits or restricts the indemnification rights permitted by law as of the date hereof, such amendment shall apply only to the extent mandated by law and only to activities of persons subject to indemnification under this Section which occur subsequent to the effective date of such amendment), indemnify and advance expenses in a Proceeding to any person who is or was an employee or agent of the Association, or to such person's heirs, executors, administrators and legal representatives, to the same extent as set forth in Section 1 of this Article IX above, provided that the Proceeding was instituted by reason of the fact that such person is or was an employee or agent of the Association and met the standards of conduct set forth in Subsection 1(b) of this Article IX above. The Association also may indemnify and advance expenses in a Proceeding to any person who is or was an employee or agent of the Association to the extent, consistent with public policy, as may be provided by the Charter, these Bylaws, by contract, or by general or specific action of the Board of Directors.

Section 3. Non-Exclusive Application. The rights to indemnification and advancement of expenses set forth in Sections 1 and 2 of this Article IX are contractual between the Association and the person being indemnified, and his or her heirs, executors, administrators and legal representatives, and are not exclusive of other similar rights of indemnification or advancement of expenses to which such person may be entitled, whether by contract, by law, by the Charter, by a resolution of the Board of Directors, by these Bylaws, by the purchase and maintenance by the Association of insurance on behalf of a director, officer, employee, or agent of the Association, or by an agreement with the Association providing for such indemnification, all of which means of indemnification and advancement of expenses are hereby specifically authorized.

Section 4. Non-Limiting Application. The provisions of this Article IX shall not limit the power of the Association to pay or reimburse expenses incurred by a director, officer, employee, or agent of the Association in connection with such person's appearing as a witness in a Proceeding at a time when he or she has not been made a named defendant or respondent to the Proceeding.

Section 5. Prohibited Indemnification. Notwithstanding any other provision of this Article IX, the Association shall not indemnify or advance expenses to or on behalf of any director, officer, employee, or agent of the Association, or any such person's heirs, executors, administrators or legal representatives:

(a) If a judgment or other final adjudication adverse to such person establishes his or her liability for any breach of the duty of loyalty to the Association, for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, or under Section 48-58-304 of the Nonprofit Corporation Act; or

(b) In connection with a Proceeding by or in the right of the Association in which such person was adjudged liable to the Association; or

(c) In connection with any other Proceeding charging improper personal benefit to such person, whether or not involving action in his or her official capacity, in which he or she was adjudged liable on the basis that personal benefit was improperly received by him or her.

Section 6. Repeal or Modification Not Retroactive. No repeal or modification of the provisions of this Article IX, either directly or by the adoption of a provision inconsistent with the provisions of this Article, shall adversely affect any right or protection, as set forth herein, existing in favor of a particular individual at the time of such repeal or modification.

ARTICLE X
MORTGAGES

Section 1. Notice to the Board. A Unit Owner who mortgages his unit shall notify the Board of the name and address of his mortgagee and shall file a conformed copy of the note and deed of trust or mortgage with the Board; and the Board shall maintain such information in a book entitled "Mortgages of Units."

Section 2. Notice of Default. The Board, whenever so requested in writing by a mortgagee of a Unit, shall promptly report any unpaid common charges due from, or any other default by, the owner of the mortgaged Unit, and the Board, when giving notice to a Unit Owner of a default in paying common charges or other default, shall send a copy of such notice to each holder of a mortgage covering such Unit whose name and address has been furnished to the Board.

Section 3. Examination of Books. Each Unit Owner and each mortgagee of a Unit shall be permitted to examine the books of account of the Association upon giving reasonable notice, at reasonable times, on business days, but not more often than once a month.

ARTICLE XI
CONFLICTS
