A Unit Owner's membership in the Association shall automatically terminate when he ceases to be a Unit Owner. Upon the conveyance or transfer of a Unit Owner's ownership interest to a new Unit Owner, the new Unit Owner shall simultaneously succeed to the former Unit Owner's membership in the Association.

Furthermore, neither the Declarant nor any other Person dealing with the Development Property shall have any duty to inquire as to the authorization of the Member casting the Vote for a Unit, but shall be entitled to rely upon the evidence of voting as conclusive evidence of such Member's authority to cast the Vote for such Unit.

4. Voting Rights. Any Member, who is delinquent in the payment of any Assessment, Common Expense, Imposition or other charge duly levied by the Association against Units(s) owned by such Member, shall not be entitled to Vote until all such Assessments, Common Expenses, Impositions and charges, including reasonable penalties, interest and costs of collection, as the Board may impose or incur, have been paid to the Association. In addition, the Board may after a hearing observing general due process requirements, suspend the right of such Member to use the Common Elements or any other facilities or services that the Association may provide until such delinquency is cured. Such hearing shall be held only after giving such Member not less than TEN (10) days prior written notice specifying the alleged violation and setting the time, place and date of such hearing. The forgoing rights of the Board shall be in addition to all other rights set forth herein or available at law or in equity with respect to a failure to pay Assessments, Common Expenses, Impositions and other duly levied charges.

5. Manner of Voting. Except as specifically provided elsewhere herein, the Board shall have the authority to regulate the procedural rules governing the voting of Members,

the acceptance of proxies from Members, the validity of voice Votes, ballot Votes or other manners of voting and any regulation of the solicitation of Votes or proxies.

6. First Annual Meeting. The first regular annual meeting of the Members for the election of Directors and such other business as shall come before the Members shall be held on a date to be selected by the Board following the expiration of the Development Period. 7. Management of Property. The Declarant during the Development Period and thereafter the Board shall have the authority to engage the services of an agent (herein sometimes referred to as the "Managing Agent") to maintain, repair, replace, administer and operate the Development Property and to manage the affairs of the Association to the extent deemed advisable by the Declarant during the Development Period and thereafter the Board. The Managing Agent shall be required to have fidelity bond coverage on its employees handling Association funds, and the cost of such services shall be a Common Expense of the Association.

8. Non-Liability of Declarant, Board and Officers. To the extent permitted by law, neither the Declarant, the Board or officers of the Association shall be personally liable to Unit Owners or the Association for any mistake of judgment or for any other acts or omissions of any nature whatsoever as such Declarant, Board member or officer, except for any acts or omissions found by a court to constitute gross negligence or actual fraud. Unit Owners and the Association shall indemnify and hold harmless the Declarant, the Board and the officers and their respective heirs, executors, administrators, successors and assigns.

9. Binding Determination. In the event of any dispute or disagreement between any Unit Owners relating to the Development Property; or the use, right to use or maintenance of any Common Element; or any other questions of interpretation or application of the provisions of this Declaration, the By-Laws or any Rule or Regulation, the determination thereof by the Declarant during the Development Period and thereafter the Board shall be final and binding on each and all Unit Owners.

10. Common Element Ownership. Each Unit is hereby allocated an undivided percentage of ownership interest in the Common Elements, which percentage shall be the result of a fraction, the numerator of which shall be equal to the number one and the denominator of which is the total number of Units shown on the Site Plan. The Common Elements shall be owned by the Unit Owners as tenants in common in accordance with the percentage of ownership interest allocated to each Unit. The percentage of ownership interest in the Common Elements allocated to each Unit at the time of recording this Declaration is as shown on Exhibit C attached hereto and made a part hereof. Such assigned percentage of ownership interest shall remain constant unless hereafter changed by Supplemental Instrument to this Declaration by the Declarant during the Development Period or by a Supplemental Instrument to this Declaration by the Unit Owners as provided

herein. The ownership of a Unit shall not be conveyed separate from the undivided ownership in the Common Elements appurtenant to such Unit. The undivided interest in the Common Elements appurtenant to any Unit shall be deemed conveyed or encumbered with that Unit, even though the legal description in the instrument conveying or encumbering such Unit may refer only to the fee title to that Unit. The Common Elements shall remain undivided and shall not be the subject of an action for partition.

ARTICLE IV. USE OF COMMON ELEMENTS

1. Common Elements. Each Unit Owner shall have the right and easement to use the Common Elements, except for Private Elements and Limited Common Elements, in common with all other Unit Owners and as may be required for the purposes of access, ingress, egress, use, occupancy and enjoyment of the Unit owned by such Unit Owner.

2. Private Elements. Each Unit Owner shall have the right to the exclusive use and possession of the Private Elements appurtenant to his Unit.

3. Limited Common Elements. Each Unit Owner shall have the sole and exclusive right and easement to the use, benefit, occupancy and enjoyment of the Limited Common Elements serving his Unit alone.

4. Delegation of Rights. Such rights to use the Common Elements, Private Elements and the Limited Common Elements shall extend not only to each Unit Owner but also to his family members, invitees, agents, representatives, tenants and licensees.

5. Limitation on Use. Such rights to use the Common Elements, Private Elements and the Limited Common Elements provided for herein shall be subject to and governed by the provisions of the Act, this Declaration, the By-Laws and the Rules and Regulations adopted and approved by the Board from time to time. In addition, the Association shall have the authority to grant concessions or easements with respect to parts of the Common Elements subject to the provisions of this Declaration and By-Laws. All income derived by the Association from concessions or other sources shall be held and used for the benefit of the Members of the Association pursuant to such rules, resolutions and regulations as the Board may adopt or prescribe.

ARTICLE V. COMMON EXPENSES AND ENFORCEMENT

1. Common Expenses. Each Unit Owner, by acceptance of a deed therefore, is deemed to covenant and shall pay his proportionate share of the Common Expenses as well as any Imposition or other duly levied charge as defined herein. The Board shall set the time and manner by which the Common Expenses, Impositions or other duly levied charges are paid.

3. Commencement and Allocation. Commencing with the date of ownership of his Unit, each Unit Owner shall be responsible for paying his share of the Common Expenses of the Association in the same proportion as his percentage of ownership interest in the Common Elements as well as any Imposition or other duly levied charge. No Unit Owner shall be exempt from payment of his proportionate share of the Common Expenses, Impositions or other duly levied charges of the Association by waiver or non-use of enjoyment of the Common Elements or by abandonment of his Unit.

4. Declarant Responsibility. During the Development Period, Declarant may elect either: (a) to make an periodic contributions to the Association sufficient to defray the costs of the Association that cannot be funded from the Common Expenses levied on Units that have been sold to purchasers other than Declarant; or (b) to have Units owned by Declarant assessed in the same manner as the Units that have been sold to purchasers other than the Declarant. After the termination of the Development Period, Units owned by Declarant shall be assessed in the same manner as the Units that have been sold to purchasers other than the Declarant, and the obligation of the Declarant to fund any deficit in the operations of the Association or the thereafter accruing shall terminate and be of no further force and effect. Except for its responsibilities as a Unit Owner as provided herein, Declarant shall have no responsibility for the maintenance, repair or replacement of any part of the Common Elements or Limited Common Elements after the date this Declaration is recorded; provided, however, in the event Declarant expends any of its own funds for the repair, replacement or maintenance of any of the Common Elements or Limited Common Elements, Declarant shall be entitled to reimbursement from the Association or a credit for

such sums against any Common Expense Declarant might be required to pay by virtue of being a Unit Owner. Declarant will not be obligated to pay any operating fund deficiencies that are due to non-payment of Common Expenses by Unit Owners other than the Declarant, and nothing contained in this Paragraph shall be deemed to relieve or release any Unit Owner from the obligation of that Unit Owner to pay that Unit Owner's share of any Common Expense or any Assessment, Imposition or other duly levied charge. The obligation of the Declarant to fund any deficit provided for herein may be satisfied in the form of a cash substitute or by "in kind" contribution of materials and substances or a combination thereof. All "in kind" contributions of services and materials shall be valued at the reasonable market value of such service or materials.

5. Special Assessments. In addition to the Common Expenses authorized herein, the Board may levy a Special Assessment in addition to Common Expenses applicable to a particular year. Special Assessments shall be due and payable on the date which is fixed by the resolution authorizing such Special Assessment and each Unit Owner shall be responsible for paying his share of the Special Assessment in the same percentage of the Common Expenses as described on Exhibit C.

The Association may bring an action at law against the Unit Owner personally obligated to pay same or foreclose the lien against the Unit. Except as provided herein, the lien for non-payment of Common Expenses, Assessments, Impositions and other duly levied charges shall not be affected by any sale or transfer of the Unit, and any sale or transfer of a Unit shall be subject to any such lien. If the lien is not paid prior to any sale or transfer of the encumbered Unit, then the lien shall remain against the Unit and shall be payable by the new Unit Owner thereof.

8. Mortgage Protection. Each Unit Owner shall have the right, subject to the provisions herein, to mortgage his Unit, its Private Elements, the Limited Common Elements appurtenant thereto and his percentage of ownership interest in the Common

Elements. From the date hereof, no Unit Owner shall have the right or authority to make, create or cause to be made or created any Mortgage, deed of trust or other lien on or affecting the Development Property or any part thereof, except to the extent of his own Unit, its Private Elements, the Limited Common Elements appurtenant thereto and his percentage of ownership interest in the Common Elements. The Common Expense or other Assessment lien payable by a Unit Owner shall be subordinate to the lien of any first recorded Mortgage or deed of trust held by a Mortgagee on the Unit, its Private Elements, the Limited Common Elements appurtenant thereto and his percentage of ownership interest in the Common Elements except for the amount of the proportionate share of any Common Expense which becomes due and payable from and after the date on which the Mortgagee or beneficiary thereunder either takes possession of the Unit encumbered thereby, accepts a conveyance of any interest therein (other than as security) or forecloses its Mortgage or deed of trust. The Association shall have a lien upon the proceeds from foreclosure or sale junior only to the lien of the foreclosed first Mortgage. Any delinquent Common Expenses that are extinguished by virtue of the foreclosure of, or other exercise of remedies under, any such Mortgage or deed of trust may be reallocated by the Board and assessed equally to all of the Units governed by the Association.

9. Separate Real Estate Taxes. Real estate taxes shall be separately taxed to each Unit Owner for his Unit, its Private Elements, the Limited Common Elements appurtenant thereto and his percentage of ownership interest in the Common Elements as provided in the Act. In the event that such taxes for any year are not separately taxed to each Unit Owner, but rather are taxed on the Development Property as a whole, then each Unit Owner shall pay his proportionate share thereof in accordance with his respective percentage of ownership interest in the Common Elements, and, in said event, such taxes shall be a Common Expense.

10. Separate Utility Charges. Utility services for Units shall be separately metered, and all utility charges for the Units shall be assessed to and shall constitute the sole responsibility of the respective Unit Owners thereof. In the event that such utility charges are not separately metered and charged to each Unit Owner, but rather are charged on the Development Property as a whole, then each Unit Owner shall pay his proportionate share thereof in accordance with his respective percentage of ownership interest in the Common Elements, and, in said event, such utility charges shall be a Common Expense.

Any alteration, addition, improvement or maintenance made by a Unit Owner to the exterior of his Unit: (a) shall be in strict conformity with the architectural style and design of the Unit as originally constructed and shall be compatible with other improvements constructed on the Development Property as determined by the Declarant during the Development Period and thereafter the Board in its sole discretion; and (b) shall not be constructed, placed, or maintained on the Development Property until the Plans and specifications therefor showing the nature, kind, shape, height, materials, color, location and any other information required by the Declarant during the Development Period and thereafter the Board have been submitted to and approved in writing by the Declarant during the Development Period and thereafter the Board.

3. Limited Effect of Plan Approval. The approval by the Declarant during the Development Period and thereafter the Board of a Unit Owner's Plans for the construction of an Improvement is not intended to be an approval of the structural stability, integrity or design of a completed improvement, the safety of any component therein, or the compliance thereof with DAVIDSON COUNTY regulatory requirements or any federal, state or local law, regulation or ordinance. This approval by the Board is required solely for the purpose of insuring compliance with the covenants contained herein and to insure the harmonious and orderly architectural and aesthetic development and improvement of the Development Property. Notice is hereby given to any future Unit Owner and/or occupant of any completed improvement and all invitees and other persons who may from time to time enter or go on or about such completed improvement that no permission or approval granted by the Declarant, the Board or the Association with respect to the construction of any improvement pursuant to this Declaration shall constitute or be construed as an approval of the structural stability, integrity or design of a completed improvement, the safety of any component therein or the compliance thereof with DAVIDSON COUNTY regulatory requirements or any federal, state or local law, regulation or ordinance. As such, no liability shall accrue to the Declarant, the Board or to the Association in the event that any such construction shall subsequently prove to be defective or not in compliance with such requirements.

4. Declarant / Association: Improvements made and/or work performed by the Declarant or the Association shall not be subject to the provisions of this Article. 2. Units, Private Elements and Limited Common Elements. Each Unit Owner, at his own expense, shall furnish and be responsible for all maintenance of, repairs to and replacements within his Unit, its Private Elements and the Limited Common Elements appurtenant thereto. If any Unit Owner fails to maintain, repair or replace any items required herein to be maintained, repaired or replaced by said Unit Owner, then the Association shall have the right, but not the duty, in its sole discretion, to carry out such maintenance, repair or replacement, the cost of which shall be added to and become a part of the Common Expense attributable to such Unit.

3. Unit Owner Responsibility for Damage. If the negligent act or inaction of a Unit Owner or of his family members, invitees, agents, representatives, tenants, licensees or household pet causes damage to or necessitates the maintenance, repair or replacements of the Common Elements, which would otherwise be a part of the Common Expenses, then such Unit Owner shall pay for such damage or such maintenance, repair and replacement, as may be determined by the Board, to the extent not covered by the Association's insurance. If the act or inaction of a Unit Owner or of his family members, invitees, agents, representatives, tenants or licensees that causes damage to or necessitates the maintenance, repair or replacements of Common Elements is intentional, reckless or grossly negligent, then such Unit Owner shall pay for such damage or maintenance, repair and replacement as may be determined by the Board irrespective of the extent of the Association's insurance coverage.

4. Decorations and Cleaning. Each Unit Owner, at his own expense, shall furnish and be responsible for all decorating and routine cleaning and maintenance within his Unit, the Limited Common Elements appurtenant thereto as may be required from time to time, including painting, wallpapering, washing, cleaning, paneling, carpeting, floor covering, draperies, window shades and curtains, window and door glass panes, lighting / plumbing fixtures and other furnishings / decorating. Each Unit Owner shall be entitled to the exclusive use of the interior surfaces of the perimeter walls, floors and ceilings of his Unit, and such Unit Owner shall maintain said interior surfaces in good condition at his sole expense. Said maintenance and use of interior surfaces shall be subject to the Rules and Regulations of the Association, but each Unit Owner shall have the right, at his sole expense, to decorate such interior surfaces from time to time as he may see fit. All windows, doors and screens, including storm windows and doors, forming part of a perimeter wall of a Unit shall be cleaned and washed, and any damage thereto repaired, at the expense of the Unit Owner of that Unit.

2. Public and Private Utilities. 3. Declarant. During the Development Period, an easement is reserved to Declarant in, upon, over, under, across and through the Common Elements, including the Private Elements and the Limited Common Elements, in order to maintain such facilities and perform such operations as in the sole opinion of the Declarant may be reasonably required, convenient or incidental to the construction and maintenance of the Units, the Private Elements, the Limited Common Elements and the Common Elements, including, without limitation, a business or sales office, storage area, construction yards and signs.

4. Encroachment. If any portions of the Common Elements, including the Limited Common Elements, shall actually encroach upon any Unit or its Private Elements, or if any Unit or its Private Elements shall actually encroach upon any portions of the Common Elements as shown on the Plat due to engineering errors, errors in original construction, settlement or shifting of a Building or any similar cause, there shall be deemed to be mutual easements in favor of the respective Unit Owners involved to the extent of such encroachments so long as same exists; provided, however, in no event shall an easement for encroachment be created in favor of a Unit Owner, if said encroachment occurred due to the willful act of said Unit Owner.

5. Association. A blanket, perpetual and non-exclusive easement of unobstructed ingress and egress in, upon, over, across and through the Common Elements, including the Private Elements and the Limited Common Elements, is hereby reserved to the Association, the Board, Managing Agent or their respective agents or employees for the purpose of maintaining, repairing, and replacing the Common Elements, the Limited Common Elements or any equipment, facilities or fixtures affecting or servicing or the Common Elements as well as to remedy any violations of the provisions of this Declaration, the By-Laws or any Rule and Regulation of the Association; provided that requests for entry are made in advance and that any such entry is at a time reasonably convenient to the Unit Owner. In the case of an emergency or the Unit Owner's uncooperative or untimely response to such request, the right of entry shall be immediate, whether the Unit Owner is present at the time or not.

ARTICLE IX. USE AND OCCUPANCY RESTRICTIONS

1. General. The following restrictions on the use and occupancy of the Development Property, or any part thereof, are made a part of this Declaration to which each Unit Owner shall be subject.

2. Single Family Residence. Each Unit shall be used only for private, single-family residential purposes and purposes incidental and necessary thereto consistent with this Declaration, and not otherwise. The foregoing restriction shall not, however, be construed in such a manner as to prohibit a Unit Owner from: (i) keeping his personal business or professional records or accounts; or (ii) handling his personal business or professional calls or correspondence from his Unit. Such uses are expressly declared customarily incident to the principal residential use and not in violation of said restriction. Further, the foregoing restriction shall not preclude real estate sales offices and construction trailers from being maintained on the Development Property by or on behalf of the Declarant for purposes of construction, development and sale of the Development Property and the Units located or to be located thereon.

3. Unit Lease. No Unit, or interest therein, shall be leased by a Unit Owner except by a written lease. The Lessee under such lease shall be bound by and subject to all of the terms, conditions, restrictions, rights and obligations of this Declaration, By-Laws and the Rules and Regulations, which shall be expressly provided in the lease. Failure to comply with the Declaration and By-Laws shall be a default under such lease. No Unit Owner may lease less than the whole of a Unit. This restriction shall not be deemed to prohibit Mortgagee who takes title to a Unit pursuant to the terms of its security instrument from leasing a Unit for a limited time until the Mortgagee can find a buyer for the Unit.

4. Good Condition and Order. Each Unit Owner shall maintain his Unit, its Private Elements and Limited Common Elements appurtenant thereto in good condition and in good order and repair, at his own expense. Each Unit Owner shall not do or allow anything to be done or kept within his Unit, its Private Elements, the Limited Common Elements or the Common Elements which may increase the cost or cause the cancellation of insurance on other Units, their Private Elements or the Limited Common Elements appurtenant thereto or the Common Elements.

5. Nuisances. No unlawful, noxious or offensive activities shall be carried on or in

any Unit, its Private Elements or the Limited Common Elements appurtenant thereto; the Common Elements; or elsewhere within the Development Property. Nothing shall be done therein or thereon, which may be or may become a nuisance or which shall in the judgment of the Board cause unreasonable noise and disturbance to others.

6. Animals. No animals, livestock or poultry of any kind shall be raised, bred or kept on or within the Development Property; except that dogs, cats or other household pets may be kept, provided they are confined to the Units, their Private Elements, the Limited Common Elements appurtenant thereto. However, such dogs, cats or other household pets shall not be kept, bred or maintained for any commercial purposes, and they shall not be kept in such numbers as to become a nuisance to others. Further, such dogs, cats or other household pets shall be kept in strict accordance with any Rules and Regulations relating to household pets from time to time may be adopted by the Association.

7. Garbage Disposal. The Development Property shall not be used or maintained as a dumping ground for rubbish. Trash, garbage or other waste shall not be kept except in sanitary containers and shall be disposed of in a clean and sanitary manner. No garbage cans, trash containers, recycling bins nor any other such garbage receptacle shall be permitted in public view except for a twenty-four (24) hour period surrounding the designated date and time for pickup as set by the provider of said services

8. Clotheslines and Lighting. No clotheslines, clothes hanging devices or the like upon any Unit or its Private Elements shall be permitted. Outside lights at eaves and door entrances, flood lights and spot lights shall be permitted; provided, however, these lights must be adjusted so that the rays of any beam or floodlight shall not interfere with neighboring Units and their Private Elements. Exterior flashing lights or spot/flood lights on the exterior that shine on or into adjacent Units and their Private Elements shall be prohibited. Walkway, driveway or landscape lighting shall be of low intensity. Seasonal decorative lighting shall be permitted only during the holiday season. Any lighting inconsistent with these restriction must be approved by Declarant during Development Period and thereafter the Board.

9. Fences. No chain link or barbed wire fences shall be permitted.

10. Codes. Each Unit Owner shall observe all governmental building codes, health restrictions, zoning restrictions and other regulations applicable to his Unit and its Private Elements. In the event of any conflict between any provision of such governmental code, regulation or restriction and any provision of this Declaration, the more restrictive provision shall apply.

11. Vehicles. Junk vehicles, inoperable vehicles, unlicensed vehicles, vehicles not for immediate use or vehicles of any kind in disrepair may not be kept, parked, serviced or assembled in public view on the Development Property. "Serviced" for purposes of this subparagraph shall not be deemed to include the cleaning, washing or polishing of a vehicle; the changing of oil, lubricants, anti-freeze or other fluids; nor the replacing of air, oil or other filters used in the vehicle.

12. Use of Common Elements. The Common Elements shall be used by Unit Owners and their family members, invitees, agents, representatives, tenants and licensees for such purposes incidental to the use of the Units; provided, however, areas designed for a specific use shall be used for the purposes so designated as approved by the Board. The use, maintenance and operation of the Common Elements shall not be obstructed, damaged or unreasonably interfered with by any Unit Owner.

13. Personal Property. Articles of personal property belonging to any Unit Owner and their family members, invitees, agents, representatives, tenants and licensees, such as bicycles, wagons, toys, furniture, clothing and other articles shall be stored or kept in the Unit, garage or other storage facility.

14. Additional Prohibited Activities. The Board may from time to time reasonably prohibit certain activities on or within the Development Property and such prohibition shall be final and binding on all Unit Owners.

15. Declarant Use. During the Development Period, the Declarant and its agents, employees, contractors and subcontractors, and their respective agents and employees, shall be entitled to such access, ingress to and egress from the Units, their Private Elements and the Development Property as may be required for purposes of the construction and sale of Units. While the Declarant owns any Unit(s), the Declarant and its employees and agents may use and show any unsold or unoccupied Unit as a model Unit and may use such unoccupied Unit as a construction or sales office.

16. Limitation on Use. The rights to use the Units, Private Elements, Common Elements, Limited Common Elements, the Development Property or any portion thereof as provided for herein shall be subject to and governed by the provisions of the Act, this Declaration, the By-Laws and the Rules and Regulations adopted and approved by the Board from time to time. In addition, the Association shall have the authority to grant concessions or grant easements with respect to parts of the Common Elements subject to the provisions of this Declaration and By-Laws. All income derived by the Association from concessions or other sources shall be held and used for the benefit of the Members of the Association pursuant to such rules, resolutions and regulations as the Board may adopt or prescribe.

17. Binding Determination. In the event of any dispute or disagreement between any Unit Owners relating to the Development Property, the use, right to use or maintenance of any Limited Common Elements, or any other questions of interpretation or application of the provisions of this Declaration or the By-Laws, the determination thereof by the Board shall be final and binding on each and all such Unit Owners and Occupants.

ARTICLE X. RIGHTS AND OBLIGATIONS

1. General. Each grantee of a Unit, by the acceptance of a deed of conveyance,

accepts the same subject to all restrictions, conditions, covenants, reservations, liens and charges and subject to the jurisdiction, rights and powers created or reserved by this Declaration and the By-Laws. All present and future Unit Owners shall be subject to and shall comply with the provisions of this Declaration and the By-Laws. All restrictions, conditions, covenants, reservations, liens, charges, rights, benefits and privileges hereby imposed: (a) shall be deemed and taken to be covenants running with the land; (b) shall bind any Person having at any time any interest or estate in said land; and (c) shall be binding upon and inure to the benefit of such person in like manner as though the provisions of this Declaration were recited and stipulated at length in each and every deed of conveyance or contract for conveyance.

2. By-Laws. All present and future Unit Owners of a Unit shall be subject to and shall comply with the provisions of the By-Laws appended hereto and recorded herewith, pursuant to Tennessee Code Annotated, Section 66-27-111, as they may be amended from time to time. The acceptance of a deed of conveyance or devise or the entering into occupancy of any Unit shall constitute an agreement that the provisions of the By-Laws and any Rules and Regulations promulgated thereunder, as may be amended from time to time, are assumed, accepted and ratified by such Unit Owner. All such provisions shall be deemed and taken to be covenants running with the land and shall bind any person having at any time any interest or estate in such Unit, as though such provisions were recited and stipulated at length in each and every deed, conveyance or lease thereof.

3. Mortgagee. The terms and conditions of this Declaration, the By-Laws and the Rules and Regulations of the Association may be incorporated by reference in and become part of the agreement between any Mortgagee of a Unit and any present or future Unit Owner who enters into such an agreement with a Mortgagee of his Unit. When so incorporated, any default in the terms and conditions of this Declaration, the By-Laws and the Rules the and Regulations may be considered by the Mortgagee of a Unit as a default, whereupon said Mortgagee after exercising its option to declare a default shall then have all of the rights and privileges arising as a result of a default under its agreement with said Unit Owner.

4. Rights Reserved. In addition to any rights reserved elsewhere in this Declaration, the right and easement of use and enjoyment of the Common Elements provided for by this Declaration shall be subject to:

a. The right of the Declarant and thereafter the Association as provided herein, in the By-Laws or in the Rules and Regulations to suspend the use and enjoyment rights of any Unit Owner for any period during which any Common Expense or other charge remains unpaid and for such period as it considers appropriate for any infraction of its published Rules and Regulations.

b. The right of the Declarant and thereafter the Association to charge reasonable fees for the use of any part or parts of the Common Elements.

c. The right of the Declarant and thereafter the Association to diminish in any way

or to dedicate or transfer all or any part of the Common Elements to any public agency or authority for such purposes and subject to such conditions as may be agreed to by the Members entitled to Vote thereon; provided that no such diminution or dedication or transfer or determination as to the purposes or as to the conditions thereof shall be effective unless both Members of the Association have agreed to such dedication, transfer, purpose or condition.

d. The right of the Declarant and thereafter the Association, at its sole expense, to construct, expand, enlarge or relocate sewers, utility lines or service connections in order to serve the existing Units.

e. The right of the Declarant and thereafter the Association to grant such easements and rights-of-way to such utility companies or public agencies or authorities as it shall deem necessary for the proper servicing and maintenance of the Common Elements and the Units.

f. The right of the Declarant and thereafter the Association to subject the Development Property to such cross easements for ingress, egress, access and utilities as may be necessary or as may be required by appropriate governmental agency/authority to serve the Development Property.

ARTICLE XI. MORTGAGEE RIGHTS AND PROTECTIONS

1. Actions Requiring Mortgagee Approval. Without prior written consent of at least FIFTY-ONE PERCENT (51%) of all recorded first Mortgagees of Units or beneficiaries thereunder of record (based upon one vote for each Unit upon which a Mortgage is owned), who have requested such notice, the Association shall not be entitled to:

a. By act or omission, seek to abandon or terminate the horizontal property regime established hereby or to seek to abandon or terminate the restrictions declared herein.

b. Change the pro rata interest or obligations of any Unit for the purpose of levying Common Expenses or charges or allocating distributions of hazard insurance proceeds or condemnation awards or determining the pro rata share of ownership of each Unit in the Common Elements.

c. By act or omission, seek to abandon, partition, subdivide, encumber, sell or transfer the Common Elements or facilities; provided that, the granting of easements for public utilities or for other public purposes consistent with the intended use of the Common Elements by the Development Property shall not be deemed to transfer within the meaning of this clause.

d. Use hazard insurance proceeds for losses to any Common Element or facility for other than the repair, replacement or reconstruction of such Improvements, except as provided by statute.

2. Voting Rights. In addition to the required Votes of the Unit Owners necessary to approve a proposed amendment as set forth in this Declaration, unless a higher percentage Vote is required elsewhere in this Declaration or by the Act, written consent of at least FIFTY-ONE PERCENT (51%) of all recorded first Mortgagees of Units or the beneficiaries thereunder of record (based upon one vote for each Unit upon which a Mortgage is owned), who have requested such notice, shall be required to approve any amendment to this Declaration or the By-Laws which would materially affect or change:

a. Unit Owners' voting rights, percentage ownership interest in the Common Elements allocated to each Unit, rights to use Common Elements or the right to sell or transfer a Unit.

b. The method of assessment of Common Expenses or the priority of the lien of the Association for unpaid Common Expenses.

c. The requirement of a reserve fund for the repair or replacement of the Common Elements, and the allocation of responsibility for maintenance or repair of the Common Elements or Units.

d. The boundaries of a Unit or the method of determining when property will be reconstructed or repaired in the event of partial destruction or the conversion of a Unit to Common Elements or vice versa.

e. Any provision of this Declaration which expressly benefits any Mortgagee, insurer or guarantor.

3. Records Examination. Mortgagees shall have the right to examine the books, records and financial statements of the Association, as well as this Declaration, the By-Laws and other rules concerning the Development Property at reasonable times and upon reasonable notice.

4. Insurance Policy. Mortgagees shall have the right, upon written request, to receive notice from the Association of any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association.

5. Condemnation and Casualty Loss. Mortgagees shall be entitled to timely written notice of any condemnation or casualty loss that affects either a material portion of the Common Elements or the Unit securing the Mortgagee's Mortgage, and no Unit Owner or any other party shall have priority over any rights of Mortgagees in the case of a distribution to Unit Owners of insurance proceeds or condemnation awards for losses to or a taking of Units and/or Common Elements.

6. Mortgagee Consent. Mortgagees shall also have the right, upon written request, to receive written notice from the Association of any proposed action that requires the consent of a specified percentage of Mortgagees.

7. Mortgagor Default. Mortgagees, upon written request, shall be notified by the Association in writing of any default by the mortgagor of a Unit in the performance of such mortgagor's obligations under the Development Property documents which is not cured within SIXTY (60) days from the date of such default.

8. Unit Disposition. Any Mortgagee who obtains title to a Unit pursuant to remedies provided in the Mortgage or deed of trust, or upon foreclosure of the Mortgage or deed of trust, or upon receiving a deed (or assignment) in lieu of foreclosure, shall take the Unit free of any claims for unpaid Common Expenses and charges against the mortgaged Unit which accrued prior to the time such holder comes into possession of the Unit. Specifically, and without limitation upon the provisions of this subsection, this Declaration, the By-Laws or any other constituent documents of the Development Property shall not impair the rights of any Mortgagee to: (i) foreclose or take title to a Unit pursuant to remedies provided in the Mortgage; (ii) accept a deed (or assignment) in lieu of foreclosure in the event of default by a mortgagor; or (c) sell a Unit acquired by the Mortgagee.

9. Pre-Mortgage Liens. As set forth in Tennessee Code Annotated, Section 66-27-120, all taxes, Common Expenses and charges which may become liens prior to the first Mortgage under the laws of the State of Tennessee shall relate only to the Unit and not to the Development Property as a whole.

10. Reserve Fund. Common Expenses shall include an adequate reserve fund for maintenance, repair and replacement of those Common Elements, if any, that must be replaced on a periodic basis and shall be payable in regular installments rather than by special assessments.

11. General Notice. Mortgagees shall request notice of the matters set forth herein by making written request to the Association upon becoming an Mortgagee hereunder and requesting that the name and address of such Mortgagee and the Unit so encumbered be identified by the records of the Association to be established and maintained pursuant to the By-Laws. Any notice requesting approval of any Mortgagee as required herein shall advise said Mortgagee that failure to respond within sixty (60) days of said notice shall be deemed to be approval by said Mortgagee of the matter for which approval is being sought.

ARTICLE XII. REMEDIES AND ENFORCEMENT

1. General. In the event of any violation of the provisions of the Act, this Declaration, the By-Laws or the Rules and Regulations of the Association by any Unit Owner by his own conduct or by the conduct of any family member, invitee, agent, representative, tenant or licensee, the Association, its successors or assigns, any Unit Owner aggrieved thereby, and the Declarant shall have each and all of the rights and remedies which may be provided for in this Declaration, the By-Laws, Rules and Regulations and any right that may be available at law or in equity. The Association, its successors or assigns, and the Declarant may prosecute an action or other proceeding against such defaulting Unit Owner and/or others for the enforcement of any right or remedy; the enforcement of any lien; for damages, injunction or specific performance; for

judgment for payment of money and collection thereof; for any combination of remedies; or for any other relief available and appropriate.

2. Violation and Non-compliance Fines. In the event of any violation of the provisions of the Act, this Declaration, the By-Laws or the Rules and Regulations of the Association by any Unit Owner or any family member, invitee, agent, representative, tenant or licensee of his Unit, the Declarant during the Development Period and thereafter the Board or an authorized agent thereof shall give written notice to the Unit Owner of such non-compliance and the basis therefor. If the violation or non-compliance is not brought into compliance or a satisfactory resolution is presented in writing by the Unit Owner and accepted by the Declarant during the Development Period and thereafter the Board within TEN (10) business days of the delivery of this written notice, then the Declarant during the Development Period and thereafter the Board shall be authorized: (a) to assess reasonable fines related to the violation and/or non-compliance; and/or (b) to make the necessary corrections or to take necessary action to achieve compliance at the Unit Owner's expense. In the event of multiple or continuing violations, fines may be assessed against the Unit Owner without further notice or opportunity to cure, and the Board may make the necessary corrections or to take necessary action to achieve compliance at the Unit Owner's expense.

3. Enforcement Costs. All expenses of the Association and the Declarant in connection with any such actions or proceedings, including court costs and reasonable attorney's fees and other fees and expenses and all damages, liquidated or otherwise, together with interest thereon at the Delinquency Interest Rate or such other uniform lawful rate as the Board shall determine, until paid, shall be charged to, assessed against and paid by such defaulting Unit Owner. All such expenses of the Association, if not paid, shall be added to and deemed part of the Unit Owner's respective share of the Common Expenses, and the Association shall have a lien on the Unit, its Private Elements, Limited Common Elements appurtenant thereto and its percentage of ownership interest in the Common Elements. Provided, however, that such lien shall be subordinate to the lien of a recorded first Mortgage or deed of trust on the Unit to the extent set forth herein.

4. No Waiver. The failure by the Declarant, the Board or any Unit Owner to enforce any covenant or restriction or Rule and Regulation provided in or by this Declaration, the By-Laws or the Act shall in no event be deemed a waiver of the right to do so thereafter.

ARTICLE XIII. AMENDMENTS

1. Members. Except as otherwise provided herein, the provisions of this Declaration may be changed, modified or amended by supplemental declaration or other written and properly recorded instrument setting forth such change, modification or amendment, upon the affirmative Vote of not less than FIFTY-ONE PERCENT (51%) of the Members present at a duly called meeting of the Association or the affirmative written consent of such percentage of the Members at which a quorum is present unless a higher percentage Vote is required elsewhere in this Declaration. However, any such change, modification or amendment that would change or delete any right, remedy, benefit or

privilege afforded to the Declarant under this Declaration shall require the consent of the Declarant in order to be effective. Unless a higher percentage is required by law, revocation of this Declaration shall require the affirmative Vote of not less than SIXTY-SEVEN PERCENT (67%) of all the Members of the Association entitled to Vote at a duly called meeting of the Association or the affirmative written consent of such percentage of the Members at which a quorum is present. Any such change, modification, amendment or revocation shall not become effective until the instrument evidencing such change has been recorded in the Register's office for DAVIDSON COUNTY, Tennessee.

2. Declarant. The Declarant hereby reserves and shall have the right, power, privilege and authority, in its sole discretion, to amend this Declaration and any Exhibit hereto without the consent, joinder or approval of the Association, the Board, any Unit Owner, any person having a contractual right to purchase a Unit, any Mortgagee or beneficiary of any Mortgage or deed of trust on any Unit or any other Person. Such right, power, privilege and authority of Declarant shall expire TWO (2) years after the termination of the Development Period. Declarant shall be in no way obligated to amend this Declaration or any Exhibit hereto pursuant to this paragraph.

3. Discrimination. No amendment shall discriminate against any Unit Owner or against any Unit or class or group of Units, unless the Unit Owner(s) so affected shall consent. No amendment shall change the voting rights provided herein unless the Unit Owner(s) so affected shall consent.

4. Perpetuities and Restraints on Alienation. If any of the options, privileges, covenants or rights created by the Declaration shall be unlawful, void or voidable for violation of the rule against perpetuities, then such provision shall continue only until twenty-one (21) years after the death of the survivor of the now living descendants of the President of the United States, George W. Bush.

ARTICLE XIV. INSURANCE AND RECONSTRUCTION

1. Common Elements. The Board shall have the authority to and shall obtain insurance for the Common Elements (exclusive of the Units, its Private Elements and the Limited Common Elements appurtenant thereto), against loss or damage by fire, vandalism, malicious mischief and such other hazards as are covered under standard extended coverage provisions for the full insurable replacement cost of the Common Elements and against such other hazards and for such amounts as the Board may deem advisable. Insurable replacement cost shall be deemed the cost of restoring the Common Elements, or any part thereof, to substantially the same condition in which they existed prior to damage or destruction. Such insurance coverage shall be written in the name of, and the proceeds thereof shall be payable to, the Board, as the trustee for each of the Unit Owners, in direct ratio to said Unit Owners' respective percentage of ownership interest in the Common Elements and for the holders of Mortgages on each Unit, if any, and shall include a standard mortgage clause or equivalent endorsement. The policy of insurance shall be a "blanket" or "master" type of policy and should also contain, if possible, a waiver of subrogation rights by the insurer against individual Unit Owners. The premiums for such

insurance shall be a Common Expense; however, premiums for such insurance shall be separately billed equally to Unit Owners.

2. Units, Private Elements, Buildings, and Limited Common Elements. EACH UNIT OWNER SHALL BE RESPONSIBLE FOR OBTAINING INSURANCE FOR THAT UNIT OWNER'S UNIT, ITS PRIVATE ELEMENTS AND THE LIMITED COMMON ELEMENTS that are inseparable appurtenance thereto, the enjoyment, benefit or use of which is reserved exclusively to such Unit Owner against loss or damage by fire, vandalism, malicious mischief and such other hazards as are covered under standard extended coverage provisions for the full insurable replacement cost of the Unit, its Private Elements, the Limited Common Elements appurtenant thereto and any personal property of the Unit Owner stored elsewhere on the Development Property. In addition, each Unit Owner shall be responsible for obtaining his own insurance insuring said Unit Owner personally from liability in connection with the ownership, possession, use and occupancy of his Unit, its Private Elements and the Limited Common Elements appurtenant thereto. Such insurance shall not be the responsibility of the Association and by acceptance of a deed to a Unit, each Unit Owner acknowledges that such insurance is and shall be the sole responsibility of said Unit Owner.

3. Damage Removal and Reconstruction. Except as otherwise provided in the preceding two paragraphs, in the event of damage to or destruction of any Common Elements as a result of fire or other casualty covered by insurance proceeds, the Board shall promptly cause debris to be cleared and leave the same in a neat and orderly condition. The Board shall, in its sole and absolute discretion without intervention of any Unit Owner, determine and arrange for prompt repair, restoration and reconstruction of the damaged portion of such Common Elements in substantial accordance with the original plans and specifications therefore. Any change or alteration must be approved by the Board. Where the insurance indemnity is insufficient to cover the cost of such repairs, restoration and reconstruction, the deficit shall be paid by all Unit Owners directly affected by the damage or destruction in a fair proportion as determined by the Board in its sole and absolute discretion. The Board shall not be responsible for the repair, replacement or restoration of any Unit, its Private Elements, the Limited Common Elements appurtenant thereto or the Improvements, furnishings, fixtures, appliances, equipment, decorations, decks, patios or landscaping installed in or for the sole benefit of a Unit by its Unit Owner.

4. Non-Compulsory Reconstruction. Reconstruction shall not be compulsory where the whole or more than two-thirds (2/3) of any single Building is destroyed or damaged by fire or other casualty as determined by the Board. In such case and unless otherwise unanimously agreed upon by the Unit Owners directly affected by the casualty, the net proceeds of insurance policies shall be divided among all the Unit Owners and the Mortgagees of the Units directly affected by the casualty in proportion to their respective interests as determined in the sole discretion of the Board, after paying from the share of each affected Unit Owner or Mortgagee, as their interests may appear: (a) the costs of removing debris and returning the site to a condition compatible with the overall appearance of the Development Property, including without limitation, landscaping, and (b) the just amount of any unpaid liens on any Unit in the order of priority of such liens.

Provided, however, no such disbursement of the aforesaid insurance proceeds to any Unit Owner or Mortgagee shall occur unless simultaneously with such disbursement each affected Unit Owner delivers to the Board a recordable deed quitclaiming his interest in his Unit to the Board, as trustee for the remaining Unit Owners, and also delivers to the Board a recordable release of any liens on his Unit.

5. Withdrawal of Destroyed Unit and Percentage Interest Reallocation. Upon recording of the deeds and releases referred to in the preceding paragraph as same relate to each such destroyed Unit, said Unit shall be deemed withdrawn and shall be thereafter deemed to be Common Elements. Upon the withdrawal of any Unit, the percentage of ownership interest in the Common Elements appurtenant to such Unit shall be reallocated upon the remaining Units on the basis of the percentage interest of each remaining Unit. After the Board has affected any such withdrawal, the responsibility for the payment of future Common Expenses for any such withdrawn Unit shall cease.

6. Comprehensive Public Liability Insurance. The Board shall also obtain comprehensive public liability insurance, in such amounts as it deems desirable, for bodily injury, including deaths of persons and property damage arising out of a single occurrence and workmen's compensation insurance and other liability insurance in such amount as it deems desirable to insure the Association, its Members, officers, directors, employees and Managing Agent, if any, from liability in connection with the Common Elements and the Limited Common Elements as well as the rights, duties and responsibilities of the Association under this Declaration, the By-Laws or the Act. The policy shall provide that it may not be canceled or substantially modified without at least THIRTY (30) days written notice to the Association. The premiums for such insurance shall be a Common Expense; however, premiums for such insurance shall be separately billed equally to Unit Owners.

7. Fidelity Insurance. The Board shall also obtain fidelity coverage for officers, directors and employees who handle or are responsible for handling Association funds. Such coverage policy shall be in such amounts as the Board in its best business judgment may determine, but in no event less than THREE (3) months aggregate Common Expenses on all Units, including reserve funds. Such coverage policy shall contain waivers of any defense based upon the exclusion of Persons serving without compensation. The fidelity coverage policy shall provide that it may not be canceled or substantially modified without at least THIRTY (30) days written notice to the Association. The premiums for such insurance shall be a Common Expense; however, premiums for such insurance shall be separately billed equally to Unit Owners.

8. Other Insurance. The Board shall also obtain such other insurance as it deems reasonably desirable or necessary, in such amounts, from such sources and in such forms as it deems desirable to insure the Common Elements, each member of the Board and officer of the Association, each member of any committee appointed pursuant to the By-Laws from liability arising from the fact that said person is or was a director or officer of the Association or a member of such a committee. The Board may (but shall not be required to) require of those performing any maintenance, repair or other work on the Development Property, for which the Association is responsible, such liability or other insurance,

including workmen's compensation, as it deems reasonably necessary or desirable given the nature, circumstances and amount of the work being performed. The premiums for such insurance shall be a Common Expense; however, premiums for such insurance shall be separately billed equally to Unit Owners.

9. Insured's Authorized Representative. All insurance obtained by the Board shall provide that there may be named as an insured on behalf of the Association, the Association's authorized representative who shall have exclusive right to negotiate settlements and to perform such other functions as necessary to accomplish this purpose. In the event that the Board does not approve the repair and commence restoration of such Common Elements within one hundred twenty (120) days after receipt of the award, the Board shall disburse the net proceeds of such award on a fair and reasonable basis to the Mortgagees directly affected by the condemnation and the balance to the Unit Owners directly affected thereby. The decision of the Board as to the fairness and reasonableness shall be binding upon all parties, if such decision reasonably relates to the given facts.

2. Units. If a Unit or Units are acquired by a taking in condemnation or by eminent domain so as to leave the Unit Owner(s) with a remnant which may not practically or lawfully be used for any purpose permitted by this Declaration, upon acquisition by the condemning authority, unless the decree provides otherwise, each affected Unit or Units' percentage of ownership interest in the Common Elements and its Common Expense liability shall be automatically reallocated by the Association to the remaining Units in proportion to their respective percentage interests and liabilities before the taking. Any remnant of a Unit remaining shall thereafter be a Common Element.

ARTICLE XVI. GENERAL PROVISIONS

1. Trustee as Unit Owner. In the event title to any Unit is conveyed to a land title-holding trust, under the terms of which all power of management, operation and control of the Unit remain vested in the trust beneficiary or beneficiaries, then the beneficiaries thereunder shall be considered Unit Owners for all purposes and they shall be responsible for payment of all Common Expenses, obligations, liens or indebtedness and for the performance of all agreements, covenants and undertakings chargeable or created under

Upon written request to the Board, the holder of any recorded Mortgage or trust deed encumbering any Unit shall be given a copy of all notices permitted or required by this Declaration to be given to the Unit Owner(s) to which such Mortgage or trust deed is subject.

4. Captions. The captions herein are inserted only as a matter of convenience, and in no way define, limit or describe the scope of these provisions or the intent of any provision hereof.

5. Severability. Invalidation of any provision of this Declaration by judgment or court order shall not affect any other provision not expressly held to be void or the provisions so void in circumstances or applications other than those expressly invalidated, and all such remaining provisions shall remain in full force and effect together with the provisions ruled upon as they apply to circumstances other than those expressly invalidated.

6. Gender. The use of the masculine gender in this Declaration and in the By-Laws shall be deemed to include the feminine and neuter references and the use of the singular shall be deemed to include the plural whenever the context so requires.

7. Exoneration of Declarant. Each Unit Owner or any other party having an interest in any portion of the Development Property expressly agree that no duty or obligation is imposed upon the Declarant to enforce or attempt to enforce any of the covenants or restrictions contained herein, nor shall the Declarant be subject to any liability of any kind or nature whatsoever in respect to any claim that the Declarant has failed to enforce same.

RE: Attorney Opinion Related To 19TH AVENUE ONE TOWNHOMES
A Horizontal Property Regime with Private Elements

Dear Mr. Streams:

It is our opinion that all legal documents required by the Horizontal Property Act as codified at Tennessee Code Annotated § 66-37-101, *et seq.* (the "Act") for the creation of a Planned Unit Development have been prepared in connection with the above-referenced development and substantially comply with said provisions of the Act. As such, a planned unit development with private elements has been created under the Act.

Sincerely,

TUNE, ENTREKIN & WHITE, P.C.
