Last Will + Testament

I Kenneth Neil Renales, being of sound mind + Body (well, sound-mind anyway) testify that life is good and I wouldn't change a thing (except to have been born to incredibly rich parents)

Id like my body donated to medical Research, organs donated to anyone who needs them, and the rest donated to that outfit in East TN. that leaves the Body outside to study how the Body decays

That comes to the house (not much of a house, but its mine) I leave to My Brother Gary Renales who has demonstrated through his financial help that despite our differences, Blood is thicker than water

If Gary declines the house. If he decides he has enough without it Id like the house to go to Simone Byrom a coworker who through her kindness + hardwork during the critical stages of my Cancer treatment has

won a place in my heart forever
She can be reached at Market St
Mercantile, a store - 251 4092 or
at Home 259 9953
