THIS INSTRUMENT IS A CONSTRUCTION MORTGAGE WITHIN THE MEANING OF TCA SECTION 47-9-334 (h). THIS INSTRUMENT ALSO IS A UNIFORM COMMERCIAL CODE FINANCING STATEMENT WHICH IS BEING FILED AS A FIXTURE FILING. MORTGAGOR IS THE RECORD OWNER OF THE REAL ESTATE, THE COLLATERAL IS DESCRIBED IN THIS INSTRUMENT AND CERTAIN OF THE COLLATERAL DESCRIBED HEREIN IS OR IS TO BECOME A FIXTURE OR FIXTURES ON THE REAL ESTATE HEREIN.

TO HAVE AND TO HOLD the aforesaid described real estate, together with all the hereditaments and appurtenances thereunto belonging or in any wise appertaining thereunto, for the benefit and on behalf of the Lender, its successors and assigns forever, in fee simple.

AND BORROWER COVENANTS that Borrower is lawfully seized and possessed of said property and has a good right to convey it and that it is unencumbered, and Borrower will warrant and forever defend unto Lender, its successors and assigns forever, against the lawful claims and demands of all persons whomsoever.

PURSUANT TO TENNESSEE CODE ANNOTATED SECTION 47-28-104, NOTICE IS HEREBY GIVEN THAT THIS DEED OF TRUST SECURES OBLIGATORY ADVANCES AND IS FOR COMMERCIAL PURPOSES. THIS DEED OF TRUST ALSO SECURES CERTAIN FUTURE ADVANCES WHICH ARE OPTIONAL AND NON-OBLIGATORY.

This conveyance is a Deed to Secure Debt made under the provisions of the existing Laws of the State of Tennessee, and any laws amendatory thereof, to secure an indebtedness evidenced by a note or notes of even date herewith, made by Borrower to the order of Lender, for the principal sum written above, together with any other indebtedness due Lender, now existing or hereafter created. Lender may make any future advance or advances to Borrower, and such advances shall be secured by this Deed. So long as this Deed is not canceled by Lender the debt secured hereby may be increased by advances to Borrower, or reduced by payment in whole or in part, but shall nevertheless remain in full force and effect and shall constitute a first and paramount lien on the property described herein until actually canceled by Lender. It is the purpose of this Deed to operate as a continuing Deed to Secure Debt, and shall secure any indebtedness in favor of Lender created at any time before this instrument is actually canceled.

AND BORROWER, for himself, his heirs, legal representatives, successors and assigns, hereby covenants and agrees with Lender, its successors in interest and assigns, as follows:

FIRST - That Borrower will pay and discharge the full amount of principal and interest due under the terms of said note or notes and will punctually pay all installments therein specified to be paid as they become due and payable, together with those of any future notes to be secured hereby.

SECOND - That so long as said indebtedness or any part thereof shall remain unpaid. Borrower will pay all taxes, assessments, and other charges that may be levied or assessed upon or against the said premises when due and payable according to law and before they become delinquent, and will, if so requested, furnish receipts showing payment of the same.

THIRD - That Borrower will keep all improvements erected on said premises in good order and repair and will not commit nor permit waste thereof or thereon.

FOURTH - That so long as said indebtedness shall remain unpaid in whole or in part, Borrower will keep the buildings and improvements now or hereafter erected on said premises insured against loss or damage to the extent of the balance secured hereby, with a company or companies acceptable to Lender and for its benefit, and will deliver the policies and renewals thereof to Lender, and, if so requested, furnish receipts showing payment of premiums thereon. If this Deed is foreclosed by exercising the power of sale as provided herein, any insurance policy or policies held by Lender shall become the property of Lender, provided the cash surrender value of said policy or policies is applied to the payment of the indebtedness secured by this Deed.

FIFTH - That if all or any part of the property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, excluding (a) the creation of a lien or encumbrance subordinate to this Deed, (b) the creation of a purchase money security interest for household appliances, or (c) a transfer by devise, descent, or by operation of law upon the death of a joint tenant, Lender may, at its option, require immediate payment in full of all sums secured by this Deed. If the sums secured hereby are declared to be immediately due and payable and are not immediately paid in full, Lender shall have the right, without further notice or demand (except as may be required by law) to exercise any and all of the remedies provided by this Deed and by law.

THE PARTIES HERETO FURTHER AGREE:

(A) Borrower hereby waives and renounces all homestead and exemption rights arising under and by virtue of the Constitution and laws of the State of Tennessee, and of the United States.

(B) Should Borrower fail to make payment of any taxes, assessments, insurance premiums, or other charges payable by Borrower in connection with said premises, Lender may, at its option, make payments thereof, and any amount so paid, with interest thereon at the rate required by the note secured hereby, shall be added to and become a part of the principal debt secured by this Deed without waiver of any rights arising from the breach of the covenants herein, and for such payment with interest and charges as may be applicable thereto, the premises herein described, as well as Borrower, shall be bound to the same extent as they are bound for the payment of the indebtedness secured by this Deed.

(C) It is understood and agreed between the parties hereto that Lender herein shall be subrogated to all of the rights of any parties to whom the proceeds of this loan, or advances or increases to the indebtedness secured by this Deed, are paid for the purpose of discharging prior liens against the property described above.

(D) When by the terms of this Deed a day is named or a time is fixed for the payment of any sum of money or the performance of any agreement, the time stated enters into the consideration and is the essence of the whole contract.

(E) Should Borrower fail to pay any installment due according to the terms of any indebtedness secured hereby as the same may become due and payable, or to pay any taxes, assessments, insurance premiums or other charges, or to perform any covenants herein expressed to be performed by Borrower, then the entire indebtedness remaining unpaid and secured by this Deed, with all arrearages of interest thereon, shall at once become due and payable, if Lender so elects, and all notice of such election is hereby waived.

(F) To further secure the indebtedness hereunder, Borrower hereby sells, assigns and transfers to Lender all of the rents which shall hereafter become due or be paid on the above described property, but Lender agrees that this rent assignment will not be enforced so long as no default on the part of Borrower exists under the terms and conditions of this Deed, and while no such default exists, Lender waives its rights to collect said rents, but upon any default in the performance of any agreement or covenants to be performed by Borrower under the terms of this Deed, Borrower agrees that Lender may enter upon said property and collect the rents therefrom, and hereby constitutes and appoints Lender as Borrower's agent to declare the existence of a default and thereupon collect said rents pursuant to this assignment, and Borrower hereby agrees that any tenant in said property or any renting agent in charge thereof shall, and is hereby authorized and directed, when a default shall be so declared to exist, to pay any such rents to Lender to be applied toward the payment of the indebtedness secured hereby or as provided by law.

(G) Should default occur in payment of any portion of the indebtedness secured hereby, or taxes, or insurance premiums herein mentioned, or in the performance of any obligation or condition recited herein, then and in that event Lender shall be at liberty immediately to apply for and shall be entitled as a matter of right, without regard to the value of the property above described, or to the solvency or insolvency of Borrower, to the appointment of a receiver to collect the rents and profits of said property and with the power to sell said property under order of Court and apply the net proceeds of the sale toward the payment of the debt secured by this Deed.

(H) When and if Lender, because of any default or breach of covenant, shall have declared the unpaid balance of the indebtedness secured hereby to be immediately due and payable, together with all interest and charges due thereon pursuant to the conditions of this indenture or of any indebtedness secured hereby, Lender, its assigns, attorneys, agents or representatives thereunto duly authorized, shall have the right to and may enter upon said premises and collect the rents, revenues and profits thereof, and may sell and dispose of the said property in one or more sales (the power of sale is not to be exhausted until all of said property has been sold or the entire indebtedness secured hereby shall have been paid in full as provided herein) at public auction at the usual place of conducting sales before the Courthouse door of the county in which said premises are located (in the event the property described herein is located in two or more counties, Lender may elect any one of said counties in which to advertise and sell said property) to the highest bidder for cash, after first giving notice of the time and place of said sale or sales by advertisement thereof once a week for four weeks in the newspaper in which the Sheriff's advertisements for such county are published, all other notice except as required by law being hereby waived by Borrower; and thereupon Lender may execute and deliver to the purchaser at such sale a good and sufficient conveyance of said premises in fee simple, which conveyance shall contain recitals as to the happening of any default upon which the exercise of the power of sale depends and said recitals shall be presumptive evidence that all preliminary acts prerequisite to said sale and deed were in all things duly complied with, and shall be binding and conclusive upon Borrower, Borrower's heirs, legal representatives, successors and assigns. Lender, its

agents, representatives, successors or assigns, may bid and purchase at any such sale, and shall collect the proceeds thereof, reserve therefrom the entire amount of principal and interest then due, together with the amount of all taxes, assessments, insurance premiums, and other charges heretofore paid by Lender, with interest at the rate called for in the note from date of payment, together with all costs and charges for advertising and commissions incurred or expended in and about the selling of said property, with fifteen (15%) percent of the principal and interest then due and owing also due as attorney's fees, and pay over any excess to the person or persons legally entitled to it .

(I) For the purpose of carrying out and effectuating the power of sale herein given, Lender, its legal representatives, successors or assigns, or either of them, as the case may be, are hereby constituted and appointed the true and lawful attorney-in-fact for Borrower to sell the above premises, as herein provided, and to convey the same to the purchaser at said sale in as full and ample manner as Borrower could do in person. Borrower further covenants that the possession of said premises during the existence of said indebtedness by Borrower shall be that of a tenant under Lender or its assigns, during the due performance of all the obligations herein, and that in the case of any sale as herein provided, Borrower, or any person in possession, shall then be and become tenants holding over and shall forthwith deliver possession to the purchaser at any such sale, or be summarily dispossessed in accordance with the provisions of law applicable to tenants holding over. The foregoing powers and remedies herein granted are cumulative of any other remedies for the collection of said indebtedness and the enforcement of said security to which Lender, its successors or assigns, may be entitled by law or in equity. The powers herein granted and conferred are coupled with an interest and are irrevocable by death or otherwise.

(J) Any forbearance by Lender in exercising any right or remedy under this Deed shall not be a waiver of or preclude the exercise of any right or remedy under this Deed.

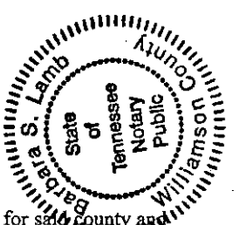

(K) In this deed, wherever the words Grantor, Grantee, Borrower, Lender or Purchaser are used, the same shall include the heirs, executors, administrators, successors, representatives, and assigns of the same, whether voluntary by act of the parties, or involuntary by operation of law, and further, wherever the context so requires, the masculine gender includes the feminine and/or neuter, and the singular number includes the plural. The items dealt with in this paragraph shall include but not be limited to those shown on any plans and specifications furnished to Lender in connection with the making of the loan hereby secured. Any items dealt with in this paragraph not actually attached to the building or improvements where located shall be deemed to be constructively attached and all items herein dealt with, whether actually or constructively attached, are agreed to be fixtures constituting a part of the realty above-described (all of the foregoing shall be referred to herein as the "Property").

Together with all of Grantor's present and future right, title and interest and claim to the Property.

TO HAVE AND TO HOLD the aforesaid described Property together with all the hereditaments and appurtenances thereunto belonging or in any wise appertaining thereunto, unto Trustee, his successors and assigns forever in trust, with power of sale, to secure the payment of all indebtedness and obligations presently or hearafter owed by Grantor to Beneficiary.

AND BORROWER COVENANTS that Borrower is lawfully seized and possessed of said property and has a good right to convey it and that it is unencumbered, and Borrower will warrant and forever defend unto Lender, its successors and assigns forever, against the lawful claims and demands of all persons whomsoever.

AMENDED AND RESTATED DEED OF TRUST. This Deed of Trust amends and restates in their entirety the terms and provisions of the Prior Deed of Trust. This Deed of Trust is given in amendment, restatement, renewal, extension and rearrangement, and not in extinguishment of the Prior Deed of Trust. All liens, assignments and security interests contained herein shall relate back to the date of the recording of the Prior Deed of Trust.

This conveyance is a Deed of Trust made under the provisions of the existing Laws of the State of Tennessee, and any laws amendatory thereof, to secure an indebtedness evidenced by the Note, made by Borrower to the order of Lender, for the principal sum written above, together with any other indebtedness due Lender, now existing or hereafter created. Lender may make any future advance or advances to Borrower, and such advances shall be secured by this Deed of Trust. So long as this Deed of Trust is not canceled by Lender the debt secured hereby may be increased by advances to Borrower, or reduced by payment in whole or in part, but shall nevertheless remain in full force and effect and shall constitute a first and paramount lien on the property described herein until actually canceled by Lender. It is the purpose of this Deed of Trust to operate as a continuing Deed of Trust, and shall secure any indebtedness in favor of Lender created at any time before this Deed of Trust is actually canceled.

AND BORROWER, for itself, and its successors and assigns, hereby covenants and agrees with Trustee and Lender, their successors in interest and assigns, as follows:

FIRST – That Borrower will pay and discharge the full amount of principal and interest due under the terms of said note or notes and will punctually pay all installments therein specified to be paid as they become due and payable, together with those of any future notes to be secured hereby.

SECOND – That so long as said Indebtedness or any part thereof shall remain unpaid, Borrower will pay all taxes, assessments, and other charges that may be leveled or assessed upon or against the said Property when due and payable according to law and before they become delinquent, and will, if so requested, furnish receipts showing payment of the same.

THIRD – That Borrower will keep all improvements erected on said Property in good order and repair and will not commit nor permit waste thereof or thereon.

FOURTH – That so long as said Indebtedness shall remain unpaid in whole or in part, Borrower will keep the buildings and improvements now or hereafter erected on said Property insured against loss or damage to the extent of the balance secured hereby, with a company or companies acceptable to Lender and for its benefit, and will deliver the policies and renewals thereof to Lender, and, if so requested, furnish receipts showing payment of premiums thereon. If this Deed of Trust is foreclosed by exercising the power of sale as provided herein, any insurance policy or policies held by Lender shall become the property of Lender, provided the cash surrender value of said policy or policies is applied to the payment of the Indebtedness secured by this Deed of Trust.

FIFTH – That if all or any part of the property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, excluding (a) the creation of alien or encumbrance subordinate to this Deed of Trust, (b) the creation of a purchase money security interest for household appliances, or (c) a transfer by devise, descent, or by operation of law upon the death of a joint tenant, Lender may, at its option, require immediate payment in full of all sums secured by this Deed of Trust. If the sums secured hereby are declared to be immediately due and payable and are not immediately paid in full, Lender shall have the right, without further notice or demand (except as may be required by law) to exercise any and all of the remedies provided by this Deed of Trust and by law.

BORROWER FURTHER AGREES AS FOLLOWS:

(A) Any sale of any or all of the Property pursuant to the power of sale or judicial sale provided for herein or in realization of the security interest granted herein shall be made free from the equity of redemption, statutory right of redemption, homestead, dower, curtesy, exemption rights, and all other rights and interests of Grantor, all of which are hereby expressly waived.

(B) Should Borrower fail to make payment of any taxes, assessments, insurance premiums, or other charges payable by Borrower in connection with said Property, Lender may, at its option, make payments thereof, and any amount so paid, with interest thereon at the rate required by the note secured hereby, shall be added to and become a part of the principal debt secured by this Deed of Trust without waiver of any rights arising from the breach of the covenants herein, and for such payment with interest and charges as may be applicable thereto, the Property herein described, as well as Borrower, shall be bound to the same extent as they are bound for the payment of the Indebtedness secured by this Deed of Trust.

(C) It is understood and agreed between the parties hereto that Lender herein shall be subrogated to all the rights of any parties to whom the proceeds of this loan, or advances or increases to

the Indebtedness secured by this Deed of Trust, are paid for the purpose of discharging prior liens against the property described above.

(D) When by the terms of this Deed of Trust, a day is named or a time is fixed for the payment of any sum of money or the performance of any agreement, the time stated enters into the consideration and is the essence of the whole contract.

(E) Should Borrower fail to pay any installment due according to the terms of any Indebtedness secured hereby as the same may become due and payable, or to pay any taxes, assessments, insurance premiums or other charges, or to perform any covenants herein expressed to be performed by Borrower, then the entire Indebtedness remaining unpaid and secured by this Deed of Trust, with all arrearages of interest thereon, shall at once become due and payable, if Lender so elects, and all notice of such election is hereby waived.

(F) To further secure the Indebtedness hereunder, Borrower hereby sells, assigns and transfers to Lender all of the rents which shall hereafter become due or be paid on the above-described property, but Lender agrees that this rent assignment will not be enforced so long as no default on the part of Borrower exists under the terms and conditions of this Deed of Trust, and while no such default exists, Lender waives its rights to collect said rents, but upon any default in the performance of any agreement or covenants to be performed by Borrower under the terms of this Deed of Trust, Borrower agrees that Lender may enter upon said property and collect the rents therefrom, and hereby constitutes and appoints Lender as Borrower's agent to declare the existence of a default and thereupon collect said rents pursuant to this assignment, and Borrower hereby agrees that any tenant in said property or any renting agent in charge thereof shall, and is hereby authorized and directed, when a default shall be so declared to exist, to pay any such rents to Lender to be applied toward the payment of the Indebtedness secured hereby or as provided by law.

(G) Should default occur in payment of any portion of the Indebtedness secured hereby, or taxes, or insurance premiums herein mentioned, or in the performance of any obligation or condition recited herein, then and in that event Lender shall be at liberty immediately to apply for and shall be entitled as a matter of right, without regard to the value of the property above-described, or to the solvency or insolvency of Borrower, to the appointment of a receiver to collect the rents and profits of said property and with the power to sell said property under order of Court and apply the net proceeds of the sale toward the payment of the debt secured by this Deed of Trust.

(H) When and if Lender, because of any default or breach of covenant, shall have declared the unpaid balance of the Indebtedness secured hereby to be immediately due and payable, together with all interest and charges due thereon pursuant to the conditions of this Deed of Trust, Trustee, at the request of Lender, its assigns, attorneys, agents or representatives thereon duly authorized, shall have the right to and may enter upon said Property and collect the rents, revenues and profits thereof, and may sell and dispose of the said property in one or more sales at public auction to the highest bidder for cash, after first giving notice of the time and place of said sale or sales by advertisement thereof at least three (3) different times in some newspaper published in the county in which the Property is located, the first of which publications shall be at least twenty (20) days prior to said sale, all other notice except as required by law being hereby waived by Borrower; and thereupon Lender may execute and deliver to the purchaser at such sale a good and sufficient conveyance of said Property in fee simple, which conveyance shall contain recitals as to the happening of any default upon which the exercise of the power of sale depends and said recitals shall be presumptive evidence that all preliminary acts prerequisite to said sale and deed were in all things duly complied with, and shall be binding and conclusive upon Borrower, Borrower's representatives, successors and assigns. Lender, its agents, representatives, successors or assigns, may bid and purchase at any such sale, and shall collect the proceeds thereof, reserve therefrom the entire amount of principal and interest then due, together with the amount of all taxes, assessments, insurance

premiums, and other charges heretofore paid by Lender, with interest at the rate called for in the note from date of payment, together with all costs and charges for advertising and commissions incurred or expended in and about the selling of said property, including without limitation attorney's fees, and pay over any excess to the person or persons legally entitled to it.

In the event of any sale under this Deed of Trust or pursuant to any order in any judicial proceedings or otherwise, the Property or any part thereof may be sold, in one parcel or in such parcels, manner or order as Beneficiary, in its sole discretion, may direct. At Beneficiary's option, a sale may be conducted alternately as a single parcel and in tracts, to be closed under whichever method yields a greater total price. If the Property is located in two or more counties, it may all be sold in one of the counties if Trustee so elects. Otherwise, the sale shall occur in the county in which the Property is located unless Trustee, in his reasonable discretion, elects to conduct the sale elsewhere. The sale shall be held at such location in the county as the foreclosure notice may specify. One or more exercises of the power of sale provided for herein shall not extinguish or exhaust said power until the entire Property has been sold or the Indebtedness has been paid in full. Trustee is hereby released from all obligations imposed by statute which can be waived, including any requirement of qualification or bond. It is agreed that Beneficiary, in the event of any sale of the Property, may bid and buy as any third person might, but Beneficiary shall not be required to present cash at the sale except to the extent, if any, by which Beneficiary's bid exceeds the amount of the Indebtedness, including all expenses of collection and sale provided for herein. Trustee may delegate, in his sole discretion, any authority possessed under this Deed of Trust, including the authority to conduct a foreclosure sale. Without limiting the foregoing, Trustee may retain a professional auctioneer to preside over the bidding, and the customary charge for the auctioneer's services shall be paid from sale proceeds as an expense of sale. If prior to or at any foreclosure sale a third party represents to the Trustee in writing that such party holds the next junior lien to this Deed of Trust (whether by judgment lien, junior deed of trust, or otherwise), the Trustee may disburse surplus proceeds to such third party in an amount not to exceed the amount of lien alleged by the third party in its written statement to the Trustee. A foreclosure sale may be adjourned by Trustee and may be reset at a later time and/or date by announcement at the time and place of the originally advertised sale and without any further publication. The foreclosure sale of the Property shall be conducted for cash to be tendered upon the conclusion of the bidding; provided, however, 1. Trustee may accept a check issued or certified by a local bank as consideration for the sale and 2. if, in his sole discretion, Trustee announces before or after bidding that, upon the failure of the high bidder to complete the sale for cash within one (1) hour, the Property may be sold to the second highest bidder, and if the high bidder should subsequently fail to complete the purchase within that time, then Trustee may, at his option, close the sale of the Property to the second highest bidder. Grantor further agrees that, in the event of any sale hereunder, it will at once surrender possession of the Property, will from the moment of sale be the tenant at will of the purchaser, will be removable by process and will be liable to pay said purchaser the reasonable rental value of said Property after such sale. Beneficiary or Trustee may, after default, advise third parties of the amount (or estimated amount) of principal, interest and expenses that will be outstanding as of the date of any foreclosure sale and may share any other available information regarding the Property. Following the occurrence of a default hereunder, any "release" provision included herein or in any other document whereby Beneficiary agreed to release all or part of the Property upon the payment of less than all of the Indebtedness shall become void and Beneficiary shall no longer be obligated to release any of the Property until the Indebtedness has been paid in full. Grantor agrees that Grantor will not bid at any sale hereunder and will not allow others to bid on Grantor's behalf unless, at the time of sale, Grantor has cash sufficient to pay at the sale the amount of his bid.

(l) For the purpose of carrying out and effectuating the power of sale herein given, Lender, its legal representatives, successors or assigns, or either of them, as the case may be, are hereby constituted and appointed the true and lawful attorney-in-fact for Borrower to sell the above Property, as herein provided, and to convey the same to the purchaser at said sale in as full and ample manner as Borrower could do in person. Borrower further covenants that the possession of said Property during the

existence of said Indebtedness by Borrower shall be that of a tenant under Lender or its assigns, during the due performance of all the obligations herein, and that in the case of any sale as herein provided, Borrower, or any person in possession, shall then be and become tenants holding over and shall forthwith deliver possession to the purchaser at any such sale, or be summarily dispossessed in accordance with the provisions of law applicable to tenants holding over. The foregoing powers and remedies herein granted are cumulative of any other remedies for the collection of said Indebtedness and the enforcement of said security to which Lender, its successors or assigns, may be entitled by law or in equity. The powers herein granted and conferred are coupled with an interest and are irrevocable by death or otherwise.

(J) Trustee shall be entitled to reasonable compensation for all services rendered, whether or not a foreclosure is held hereunder, and shall be reimbursed for all reasonable expenses, charges and attorneys' fees, including fees for legal advice concerning his duties and rights in the Property and title examinations.

(K) Beneficiary shall at all times have the irrevocable right to remove Trustee without notice or cause and to appoint Trustee's successor by a recorded instrument. If Trustee dies or resigns, Beneficiary shall have the right to appoint its successor by recorded instrument. Any Successor Trustee appointed pursuant to this paragraph shall be vested with title to the Property and shall possess all the powers, duties and obligations herein conferred on Trustee in the same manner and to the same extent as though he were named herein as Trustee.

(L) Any forbearance by Lender in exercising any right or remedy under this Deed of Trust shall not be a waiver of or preclude the exercise of any right or remedy under this Deed of Trust.

(M) In this Deed of Trust, wherever the words Grantor, Beneficiary, Borrower, Lender or Purchaser are used, the same shall include the heirs, executors, administrators, successors, representatives, and assigns of the same, whether voluntary by act of the parties, or involuntary by operation of law, and further, wherever the context so requires, the masculine gender includes the feminine and/or neuter, and the singular number includes the plural. Wherever herein a verb, pronoun or other part of speech is used in the singular, and there be more than one grantor, Beneficiary, borrower, lender, or purchaser, said singular part of speech shall be deemed to read as the plural, and each shall always be jointly and severally liable for the performance of every promise and agreement made herein.

(N) When and as Borrower fully discharges all obligations herein and set out for performance in the Note, notes and any other indebtedness secured hereby, Lender will cancel and discharge these presents in the manner and form as provided by the applicable laws of the State of Tennessee.

(O) Grantor hereby grants to Beneficiary a security interest in all fixtures and personal property presently or hereafter owned by Grantor and located on or used in the operation of the Property, including, but not limited to, all construction materials, goods, equipment, inventory, farm equipment, farm products and fixtures, and all accessions, additions and replacements thereof (except that no security interest is granted under this Paragraph or any other Paragraph hereof in household goods to secure a consumer credit transaction) and all presently owned and hereafter acquired contract rights, accounts and general intangibles pertaining to the Property or Grantor's operation of an enterprise thereon and any maintenance or management contract(s) and the right to use any name associated with the Property), together with all products and proceeds of the foregoing, including insurance proceeds (collectively the "Personalty"). Grantor warrants that the Personalty is unencumbered. Within five (5) days after request by Beneficiary, Grantor shall deliver to Beneficiary a schedule of all Personalty then in existence. This Deed of Trust shall serve as a financing statement with respect to the Personalty. The original of this Deed of Trust or a copy hereof may be recorded by Beneficiary as a financing statement in any appropriate public office, at Beneficiary's option and at Grantor's expense.

(P) Grantor warrants and represents to Beneficiary that while Beneficiary has any interest in or lien on the Property and the Personalty, the Property and the Personalty described herein are and at all times hereafter, will continue to be in full compliance with all applicable federal, state and local environmental laws, standards, ordinances and regulations, including but not limited to, the Comprehensive Environmental Response, Compensation and Liability Act, 42 USC § 9601 et seq., the Emergency Planning and Community Right-to-Know Act, 42 USC § 11001 et seq., the Resource Conservation and Recovery Act, 42 USC § 6901 et seq., the Clean Air Act, 42 USC § 7401 et seq., the Toxic Substances Control Act, 15 USC 2601 et seq., and the Federal Water Pollution Control Act, 33 USC § 1251 et seq. ("Environmental Laws"); and Grantor further warrants and represents to Beneficiary that:

(i) As of this date, the Property and the Personalty have not been used to treat, store or dispose of, oil, petroleum products, hazardous substances, extremely hazardous substances, hazardous wastes, regulated substances, toxic substances or hazardous air pollutants as defined or described by the Environmental Laws ("Hazardous Materials"); and that no such Hazardous Materials, (including without limitations, any materials containing asbestos), are located on, in or under the Property or Personalty or used or emitted in connection therewith; or

(ii) Grantor has fully disclosed to Beneficiary in writing the existence, extent and nature of any Hazardous Materials, on, in, or under the Property or the Personalty or used or emitted in connection therewith; and

(iii) Grantor has obtained and will maintain all licenses, permits and approvals required with respect thereto, and is in full compliance with all of the terms, conditions and requirements of such licenses, permits and approvals.

(Q) Any legend appearing on the face hereof and any affidavit that may be submitted to recording authorities herewith pursuant to any requirement of taxation or registration authorities is included for the benefit of such authorities only and does not affect the terms of Beneficiary's agreement with Grantor as provided by this Deed of Trust and by other documents pertaining to the Indebtedness or the priority of the lien of this Deed of Trust or any advances made hereunder.

(R) Time is of the essence of this Deed of Trust. The validity, construction, and enforcement of this Deed of Trust shall be governed by the laws of the State of Tennessee applicable to contracts executed and performed entirely within that state. Any amendment to or modification of this Deed of Trust may be made by and between Grantor and Beneficiary without necessity of joinder therein by Trustee. Any such amendment or modification, to be valid, must be made in writing, signed by Grantor and Beneficiary, and duly recorded. The rights of Trustee and Beneficiary arising under this Deed of Trust are in addition to all rights that Trustee or Beneficiary may have at law or equity. Without limiting the foregoing, all provisions of this Deed of Trust that pertain to the rights and duties of Trustee upon foreclosure of the Property shall be regarded as cumulative with the rights of Trustee otherwise available at law. No act of Trustee or Beneficiary, including the institution of suit to recover any part of the Indebtedness, shall be construed as an election to proceed under any one provision herein to the exclusion of any others or as an election of remedies to the bar of any other remedy allowed at law or in equity.

IN WITNESS WHEREOF, Borrower has caused this Deed of Trust to be signed on the day and year first above written.
