I grant to my executor the following powers, to be exercised as he or she deems to be in the best interests of my estate:

1) To retain property without liability for loss or depreciation.

2) To dispose of property by public or private sale, or exchange, or otherwise, and receive and administer the proceeds as a part of my estate.

6) To continue or participate in any business which is a part of my estate, and to incorporate, dissolve or otherwise change the form of organization of the business.

The powers, authority and discretion I grant to my executor are intended to be in addition to the powers, authority and discretion vested in him or her by operation of law by virtue of his or her office, and may be exercised as often as is deemed necessary or advisable, without application to or approval by any court.

Part 8. Payment of Debts

Except for liens and encumbrances placed on property as security for the repayment of a loan or debt, I want all debts and expenses owed by my estate to be paid in the manner provided for by the laws of Tennessee.
