PARAGRAPH III
PLAT

The plat or survey of the Property is attached hereto as Exhibit C and sets forth the numbers, areas, locations, and other data, as required by the Act. The Plat may be amended or modified solely by Declarant by additional surveys and plats showing subdivision of Units and/or annexation of additional phases or otherwise, subject to the limitations and requirements imposed by the Act.

PARAGRAPH IV
UNITS; RESTRICTION ON USE

1. The legal description of each Unit shall consist of the identifying letter and/or number of such Unit as shown by corresponding unit letter and/or number on the plat as heretofore referenced. Every deed, lease, mortgage, deed of trust, or other instrument shall legally describe a Unit by its corresponding unit identifying letter and/or number as shown on the plat and every such description

Except as allowed by the Act, no Unit Owner shall, by deed, plat, court decree, or otherwise, subdivide or in any other manner cause a Unit to be separated into any units different from the whole Unit as shown on the plat. The aforementioned prohibition on subdividing shall not be applicable to Declarant as to any Unit Declarant may own; however, in exercising such right, Declarant shall be subject to the limitations and requirements imposed by the Act.

2. A Unit shall be used only for residential use.

Notwithstanding the Development Rights and Special Declarant Rights reserved, this Paragraph W shall not be subject to amendment unless by unanimous approval of all Unit Owners.

PARAGRAPH V
OWNERS' ASSOCIATION

1. Owners' Association and Administration and Operation of the Property. There has been or will be formed an Association having the name " **Townhomes of Hume Street and 7th Avenue** Homeowners' Association, Inc.," a Tennessee nonprofit corporation, which Association shall be the governing body for all of the Unit Owners. The Association shall be operated to provide for the maintenance, repair, replacement, administration, operation, and care of the Property as provided in the Act, this Declaration and Bylaws. The Unit Owners shall each be members of the Association which shall be appurtenant to such Unit, each such membership interest appurtenant to a Unit being in an equal share, subject to the provisions concerning voting hereinafter set forth. The Bylaws for the Association shall be the Bylaws attached to this Declaration as Exhibit B and made a part hereof. The Board of Directors of the Association shall be elected and shall serve in accordance with the provisions of the Bylaws. The fiscal year of the Association shall be determined by the Board within the confines of applicable law, and may be changed from time to time as the Board deems advisable. The Association shall not be deemed to be conducting a business of any kind. All activities undertaken by the Association shall be for the use and benefit of Unit Owners in accordance with the provisions of the Declaration and Bylaws. Each Unit Owner shall be a member of the Association so long as such Owner is a Unit Owner. A Unit Owner's membership shall automatically terminate when such Owner ceases to be a Unit Owner. Upon the conveyance or transfer of a Unit Owner's ownership interest to a new Unit Owner, the new Unit Owner shall automatically succeed to the former Unit Owner's membership in the Association. The aggregate number of votes for all members of the Association shall be divided among the respective Unit Owners, with one (1) vote granted to each Unit.

2. Management of Property. The Board shall have the authority to engage the services of an agent (herein sometimes referred to as the "Managing Agent") to maintain, repair, replace, administer, and operate the Property, or any part thereof, to the extent deemed advisable by the Board, subject to the provisions of Subsection 3 below. The Board shall require that such Managing Agent have fidelity bond coverage on its employees handling Association funds. Any vote of the Board to adopt any form of management of the Property without the services of a professional property management company shall be subject to the prior approval of a majority of all first lien deed of trust beneficiaries of Units.

3. Initial Management Contract. The first Board, appointed as provided herein, shall ratify and approve the Management Agreement between the Developer, on behalf of the Association, and a management corporation, to act as Managing Agent for the Property, for a teen as approved by the first Board, but not to exceed one (1) year.

During the period of sale by the Developer of any Units, the Developer, and the Developer's agents, employees, contractors and subcontractors, and their respective agents and employees, shall be entitled to access, ingress to and egress from the Buildings and Property as may be required for purposes of sale of the Units. While the Developer owns any of the Units and until each Unit sold by it is occupied by the purchasers, the Developer and its employees may use and show one or more of such unsold or unoccupied Units as a model Unit or Units, or as a sales office, and may maintain customary signs in connection therewith.

5. Non-Liability of the Directors Board Officers and Developer. Neither the directors, Board, officers of the Association, nor the Developer shall be personally liable to the Unit Owners for any mistake of judgment or for any other acts or omissions of any nature whatsoever as such directors, Board, officers, or Developer, except for any acts or omissions found by a court to constitute gross negligence or fraud. The Unit Owners shall indemnify and hold harmless each of the directors, Board, officers, or Developer, and their respective heirs, personal and legal representatives, successors and assigns in accordance with, and as provided in, the Articles of Incorporation of the Association and Bylaws.

6. Interest of Association in Common Elements. Ownership of the Common Elements shall be vested in the Association.

7. Board's Determination Binding. In the event of any dispute or disagreement between any Unit Owners relating to the Property, or any questions of interpretation or application of the provisions of the Declaration or Bylaws, the determination thereof by the Board shall be final and binding on each and all such Unit Owners.

PARAGRAPH VI
OWNERSHIP INTERESTS IN THE ASSOCIATION

Subject to the provisions concerning voting rights hereinabove contained, each Unit shall be allocated an equal percentage ownership in the Association. The percentages of ownership interests shall remain constant unless hereafter changed by recorded amendment to this Declaration consented to in writing by the Unit Owners, in accordance with the requirements hereinafter contained. Said ownership interest shall be an undivided interest, and the undivided membership interests in the Association shall be owned by the Unit Owners as tenants in common in accordance with their respective percentages of ownership. The ownership of each Unit shall not be conveyed separate from the percentage of ownership in the Association corresponding to said Unit. The undivided percentage of ownership in the Association corresponding to any Unit shall be deemed conveyed or encumbered with that Unit, even though the legal description in the instrument conveying or encumbering said Unit may refer only to the fee title to that Unit.

ARTICLE VII
USE OF COMMON ELEMENTS

Except as hereinafter set forth, each Unit Owner shall have the right to use the Common Elements, except the Limited Common Elements, in common with all other Unit Owners, as may be required for the purposes of access, ingress to, egress from, use, occupancy and enjoyment of the respective Unit owned by such Unit Owner. Such right to use the Common Elements shall extend to each Unit Owner, and such Owner's agents, servants, tenants, family members, customers, invitees and licensees. However, each Unit Owner shall have the right to the exclusive use and possession of the Private Elements attributable to the Unit and the right to exclusive use of the Limited Common Elements contiguous to and serving such Unit alone or with adjoining Units. Such rights to use the Common Elements shall be subject to and governed by the provisions of the Act, Declaration, Bylaws and any rules and regulations established by the Association. In addition, the Association shall have the authority to lease, grant concessions or grant easements with respect to parts of the Common Elements, subject to the provisions of the Declaration and Bylaws. All income derived by the Association from leases, concessions or other sources shall be held and used for the benefit of the members of the Association, pursuant to such rules, resolutions or regulations as the Board may adopt or prescribe.

ARTICLE VIII
ASSESSMENTS

1. Common Expenses. Except as specifically provided otherwise herein, each Unit Owner shall pay an equal share of the expenses of the administration and operation of the Common Elements and of any other expenses incurred in conformance with the Declaration and Bylaws (which expenses are herein sometimes referred to as "common expenses"), including, but not limited to, the maintenance and repair thereof and any and all replacements and additions thereto. Payment of common expenses, including any prepayment thereof required by any contract for a sale of a Unit, shall be in such amounts and at such times as determined in the manner provided in the Bylaws. No Unit Owner shall be exempt from payment of such Unit Owner's proportionate share of the common expenses by waiver or non-use of enjoyment of the Common Elements, or by abandonment of such Owner's Unit. If any Unit Owner shall fail or refuse to make any such payment of the common expenses when due, the amount thereof, together with interest thereon at the rate of ten (10) percent per annum, after said common expenses become due and payable, shall constitute a lien on the interest of such Unit Owner in the Unit as provided in the Act. Each assessment for common expenses against a Unit shall also be the personal obligation of the Unit Owner at the time the assessment is due. A successor in title to a Unit shall not be personally obligated to pay any unpaid assessments for common expenses which have been levied against a Unit unless such successor in title expressly assumes the payment of the same, provided, however, any lien encumbering a Unit as above described shall not be affected by transfer of a Unit.

The Developer shall not be required to expend from its own funds any sums of money for maintenance, improvements, or any other expenses of the administration of the Common Elements, and no Unit owned by the Developer shall be assessed for common expenses, or otherwise, until such time as construction of such Unit is completed and occupied by a tenant of Developer, or is sold

by the Developer. This subsection 1 may not be modified or amended without the unanimous written consent of all Unit Owners.

2. Enforcement. In the event any Unit Owner fails to maintain such Owner's Unit, including its Private Elements, or the Limited Common Elements attributable to such Unit, or in the event any Unit Owner fails to pay such Owner's proportionate share of any common expense when such is due, then in any such event the Board may after ten (10) days' notice to the defaulting Unit Owner, perform such maintenance, advance and pay such sums, or do any other reasonable act necessary to cure such default. The Association shall have a lien against the Unit of the defaulting Unit Owner securing payment of the sums expended or advanced, and shall be entitled to enforce such lien by filing suit in a court of competent jurisdiction. In the event the Association is successful in such suit, it shall be entitled to recover reasonable attorney fees and costs incurred in such suit and enforcement of its rights.

3. Deed of Trust Protection. The lien for common expenses payable by a Unit Owner shall be subordinate to the lien of a recorded deed of trust on the interest of such Unit Owner, except for the amount of the proportionate share of common expenses which become due and payable from and after the date on which the beneficiary thereunder either takes possession of the Unit encumbered thereby, accepts a conveyance of any interest therein (other than as security) or forecloses on its deed of trust. This subsection 3 shall not be amended, changed, modified or rescinded without the prior written consent of all deed of trust beneficiaries of record.

4. Special Assessments. In addition to the annual assessments for common expenses authorized above, the Association may levy a special assessment for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of capital improvements upon the Conn-non Elements, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of Unit Owners.

Declarant shall have the following Development Rights:

The right of the Declarant in Paragraph IX 2(g) of this Declaration to appoint or remove any officer of the Association or any master association or any member of the Board of Directors (the "Declarant Control Period") shall continue in favor of the Declarant as long as Declarant owns at least One (1) of the Units; provided, however, such Declarant Control Period may terminate sooner under the provisions of T.C.A. § 66-27-403 (c)(1) and (d) of the Act, incorporated herein by reference.

PARAGRAPH XI
PARTITION OR DIVISION PROHIBITED

The common and/or limited common areas and facilities shall remain undivided and no Unit Owner shall bring any action for partition or division.

The undivided interest in the common areas and facilities shall not be separated from the Unit to which it appertains and shall be deemed conveyed or encumbered with the Unit even though such interest is not expressly mentioned or described in the conveyance or other instrument.

PARAGRAPH XII COMPLIANCE

Each Unit Owner shall comply with the provisions of this Declaration, the By-Laws, decisions, and resolutions of the Association or its representatives as lawfully amended from time to time, and failure to comply with any such provisions, decisions, or resolutions, shall be grounds for an action to recover sums due for damages, or for injunctive relief.

PARAGRAPH XIII
WAIVER OF USE PROHIBITED

No Unit Owner may exempt himself from liability for his contribution toward the common expenses by waiver of the use or enjoyment of any of the common areas and facilities or by the abandonment of his Unit.

PARAGRAPH XIV
PERSONS AND CONVEYANCES SUBJECT HERETO

Any sale or lease of any Unit shall be subject to the terms and conditions of the Declaration and By-Laws.

PARAGRAPH XV

If the Property subject to the plan of condominium ownership is totally or substantially damaged or destroyed, then the repair, reconstruction, or disposition of the Property shall be by agreement of seventy-five percent (75%) of the votes cast at a duly called meeting of the Association.

PARAGRAPH XVI
LIEN FOR ASSESSMENTS

Where a mortgagee or other purchaser of a Unit obtains title by reason of foreclosure, such acquirer of title, his successors, or assigns, shall not be liable for assessments by the Association which became due prior to the acquisition of title by such acquirer, it being understood, however, that the above shall not be construed to prevent the Association from filing and claiming liens for such assessments and enforcing same as provided by law, and that such assessment liens shall be subordinate to such mortgage.

PARAGRAPH XVII
INSURANCE AND DAMAGE

The Board shall have the authority to and shall obtain insurance for the Property, including the Units and Private Elements, and the Common Elements, exclusive of the additions within, improvements to and decorating of the Units by the Unit Owners, against loss or damage by fire, vandalism, malicious mischief and such other hazards as are covered under standard extended coverage provisions for the full insurable replacement cost of the Common Elements and the Buildings, and against such other hazards and for such amounts as the Board may deem advisable. Such insurance shall, if possible, include all or any portion of all Limited Common Elements. Insurable replacement cost shall be deemed to be the cost of restoring the Common Elements, Units or any part thereof to substantially the same condition in which they existed prior to damage or destruction. Such insurance coverage shall be written in the name of, and the proceeds thereof shall be payable to, the Board of the Association, as the trustee for each of the Unit Owners in direct ratio to said Unit Owner's respective percentage of ownership in the Association, as set forth in the Declaration, and for the holders of deeds of trust on his Unit, if any. The policy of insurance should also contain, if possible, a waiver of subrogation rights by the insurer against individual Unit Owners. The premiums for such insurance shall be a common expense. However, at the option of the Board, and upon written notice to all Unit Owners, premiums for such insurance shall be separately billed to each Unit Owner for such Owner's Unit and such Owner's corresponding percentage of ownership in the Association.

In the event of damage to or destruction of any Buildings or Common Elements as a result of fire or other casualty covered by insurance proceeds, unless more than two-thirds (2/3) of the Buildings require reconstruction, the Board shall, in its discretion, with the prior written approval of a majority of the deed of trust beneficiaries of the Units affected, determine and, without intervention of any Unit Owner, arrange for the prompt repair and restoration of the damaged portions of all Units, Buildings and Common Elements substantially in accordance with the original plans and

specifications therefor. Where the insurance indemnity is insufficient to cover the cost of such repairs and restoration, the deficit shall be paid by all Unit Owners directly affected by the damage, in. proportion to each Unit's percentage of ownership in the Association. The Board shall not be responsible for the repair, replacement or restoration of any wall, ceiling or floor decorations or covering, or furniture, furnishings, fixtures, appliances or equipment installed in the Unit by a Unit Owner or Occupant unless insurance therefor is specifically provided for in the insurance policy obtained by the Board.

Reconstruction shall not be compulsory where the whole or more than two-thirds (2/3) of all the Buildings are destroyed or damaged by fire or other casualty, as determined by the Board. In such case, and unless otherwise unanimously agreed upon by the Unit Owners and their deed of trust beneficiaries, the insurance proceeds shall be delivered to the Unit Owners or their deed of trust beneficiaries, as their interests may appear, in proportion to the respective interests of the Unit Owners, as computed by dividing the square footage of each Unit by the total square footage of all Units taken together; and the Board, as soon as reasonably possible and as agent for the Unit Owners, shall sell the Property, in its then condition, free from the effect of this Declaration, which shall terminate upon such sale, on terms satisfactory to the Board, and the net proceeds of such sale and the net proceeds of all insurance policies shall thereupon be distributed to the Unit Owners or their deed of trust beneficiaries, as their interests may appear, in proportion to the percentage interest of each Unit Owner in the Association. If the Board fails to consummate a sale pursuant to this paragraph within twenty-four (24) months after the destruction or damage occurs, then the Managing Agent, or the Board, shall, or if they do not, any Unit Owner or deed of trust beneficiary may, record a sworn declaration setting forth such decision and reciting that under the provisions of this Declaration the prohibition against judicial partition provided for in this Declaration has terminated and that judicial partition of the Property may be obtained pursuant to the laws of the State of Tennessee. Upon final judgment of a court of competent jurisdiction decreeing such partition, this Declaration shall terminate.

The Board shall also have authority to and shall obtain comprehensive public liability insurance, in such amounts as it deems desirable, and workers' compensation insurance and other liability insurance as it deems desirable, insuring each Unit Owner, deed of trust beneficiaries of record, if any, the Association, its officers, directors, Board and employees, the Developer, and the Managing Agent, if any, from liability in connection with the Common Elements. The premiums for such insurance shall be a common expense. However, at the option of the Board, and upon written notice to all Unit Owners, premiums for such insurance shall be separately billed to each Unit Owner for such Owner's corresponding percentage of ownership in the Association. The Board shall retain in safekeeping any such public liability policy for six (6) years after the expiration date of the policy.

The Board shall also have authority to and may obtain such insurance as it deems desirable, in such amounts, from such sources and in such forms as it deems desirable, insuring the Property and each member of the Board and officers of the Association, and members of any committee appointed pursuant to the Bylaws of the Association from liability arising from the fact that said person is or was director or officer of the Association, or a member of such a committee.

Each Unit Owner shall be responsible for obtaining his own insurance on the contents of such

Owner's Unit, as well as additions and improvements thereto, decorations, furnishings and personal property therein, and personal property stored elsewhere on the Property. In addition, in the event a Unit Owner desires to insure against such Owner's personal liability and loss or damage by fire or other hazards above and beyond the extent that such Owner's liability, loss or damage is covered by the liability insurance and insurance against loss or damage by fire and such other hazards obtained by the Board for all of the Unit Owners as part of the common expenses, as above provided, said Unit Owner may, at such Owner's option and expense, obtain additional insurance.

ARTICLE XVIII
MAINTENANCE, REPAIRS, AND REPLACEMENT

1. Obligations of Unit Owners. Each Unit Owner, at such Owner's expense, shall furnish and be responsible for all maintenance of, repairs to and replacements within the interior of such Owner's Unit, including plumbing, pipes, wiring, appliances, and structural components of the Unit. In addition each Unit Owner shall be responsible any porch, deck and/or balcony which is a part of their Unit and all exterior glass, windows, including storm windows, screens, and doors, including storm doors.

2. Obligations of Association. The Association shall be responsible for maintenance of, repairs to and replacements within the Common Elements, including landscaping and yard maintenance, and on the Units and Private Elements the Association shall be responsible for exterior landscaping, walkways, painting and non-structural maintenance and repair of roofs, gutters, down-spouts, trim, caulking and other exterior repairs of a non-structural nature, provided that such exterior maintenance responsibilities shall not include glass, windows, including storm windows, screens and doors, including storm doors, which shall be the responsibility of the Unit Owner. Other items of maintenance repair and replacement in the Units shall be the responsibility of the Unit Owner. The cost of maintenance of, repairs to and replacements which are the responsibility of the Association shall be part of the common expenses, subject to the Bylaws, rules and regulations of the Association.

Notwithstanding the foregoing, to the extent not covered by the Association's insurance, the expenses for the maintenance, repair or replacement of Private Elements shall be borne by the Owner of the Unit to which such Limited Common Elements are appurtenant and at the discretion of the Board, maintenance of; repairs to and replacements within the other Common Elements may be assessed in whole or in part to Unit Owners benefited thereby, and, further, at the discretion of the Board, the Board may direct Unit Owners who stand to be benefited by such maintenance of, repairs to and replacement within the Private Elements or Common Elements to arrange for such maintenance, repairs and replacement in the name and for the account of such benefited Unit Owners, pay the cost thereof with their own funds, and procure and deliver to the Board such lien waivers and contractors' and subcontractors' sworn statements as may be required to protect the Property from all mechanics' or materiamen's lien claims that may arise therefrom.

3. Loss Attributable to Unit Owner. Notwithstanding the foregoing, if, due to the act or neglect of a Unit Owner, or the agent, servant, tenant, family member, invitee, licensee or household pet thereof, damage shall be caused to the Common Elements or to a Unit or Units owned by others,

or maintenance, repair or replacement are required which would otherwise be a common expense, then such Unit Owner shall pay for such damage or such maintenance, repair and replacements, as may be determined by the Association, to the extent not covered by the Association's insurance or sufficient proceeds are not collected from the insurance carrier.

The authorized representative of the Association, Board or of the Managing Agent with approval of the Board shall be entitled to reasonable access to the individual Units, Private Elements and Limited Common Elements as may be required in connection with the preservation of any individual Unit, Private Elements or Limited Common Elements in the event of an emergency, or in connection with maintenance of, repairs or replacements within the Common Elements, Limited Common Elements or any equipment, facilities or fixtures affecting or serving the other Units, Common Elements, Limited Common Elements or Private Elements, or to make any alteration required by any governmental authority.

ARTICLE XIX

There shall be no gardening or landscaping on the Common Elements by Owners or occupants without the prior written consent of the Board. In the event the Board gives consent to an Owner to landscape the area immediately adjacent to the Owner's Unit, the cost of such and the continued maintenance and upkeep shall be the responsibility of the Owner. However, the Board shall have the power to revoke the approval and to take any action the Board seems necessary in the event the landscaping is improperly installed or maintained. This subparagraph shall not apply to Grantor, for so long as Grantor shall own a Unit for sale.

(g) Fences. No fence or fencing-type barrier of any kind shall be placed, erected, allowed or maintained upon any portion of the Property, except original installation required by zoning conditions or perimeter fencing established by Grantor during construction of the development.

(h) Flags. Flags and flagpoles are prohibited on the Properties.

(i) Yard Sales. Yard sales, flea markets, or similar activities are prohibited unless approved in writing by the Board of Directors.

(j) Lighting. Exterior lighting visible from the street shall not be permitted except for: (1) approved lighting as originally installed on a Unit; (2) street lights in conformity with an established street lighting program for the Property.

(k) Parking. Boats, trailers, jet-skis and trailers for same, panel trucks, buses, trucks with a load capacity of one (1) ton or more, vans (excluding vans used by handicapped persons, mini-vans or sport utility vehicles used as passenger vehicles and receiving a "car" or "passenger vehicle" classification by the Tennessee Department of Motor Vehicles), recreational vehicles (RVs and motor homes), vehicles used primarily for commercial purposes, and vehicles with commercial writings on their exteriors other than Sheriffs, Marshals or police officers' vehicles marked as such, are also prohibited from being parked on the Property, except in designated parking areas for

particular types of vehicles. Notwithstanding the above, trucks, vans, commercial vehicles and vehicles with commercial writings on their exterior shall be allowed temporarily on the Property during normal business hours for the purpose of serving any Unit or Common Element; provided, however, no such vehicle shall remain on the Common Elements overnight or for any purpose unless prior written consent of the Board is first obtained.

(l) Private Streets. The Private Street and parking areas shall be subject to the Declaration and By-laws regarding use of Common Elements. Additionally, Owners of Units and other permitted users of the Private Street and parking areas shall be obligated to refrain from any actions which would deter from or interfere with the use and enjoyment of the Private Streets and parking areas by authorized users. Prohibited activities shall include, without limitation, obstruction of the Private Street and Parking Areas. All vehicular traffic on the Private Street and in parking areas shall be subject to the provisions of the state and local laws concerning operation of motor vehicles on public streets. The Association is hereby authorized to promulgate, administer, and enforce reasonable rules and regulations governing modifications of those in force on public streets, within the Property. The Association shall be entitled to enforce same by establishing such enforcement procedures as it deems appropriate, including levying fines for the violation thereof. In the event of a conflict between such provisions of state and local laws and such rules and regulations promulgated by the Association, to the extent such rules and regulations of the Association are more restrictive than such state and local laws, the rules and regulations of the Association shall govern. Only drivers properly licensed to operate motor vehicles on the public roads within the State of Tennessee may operate any type of motor vehicles within the Property. All vehicles of any kind and nature which are operated on the Private Street in the Property shall be operated in a careful, prudent, safe and quiet manner and with due consideration for the rights of all Owners and occupants.

(m) Prohibition of Damage, Nuisance and Noise. Without the prior written consent of the Board of Directors, nothing shall be done or kept on the Property, which would increase the rate of insurance on the Property or any Unit or part thereof, which would be in violation of any statute, rule, ordinance, regulation, permit or other validly imposed requirements of any governmental body, or which would increase the Common Expenses.

The Units in the Property are built in close proximity to one another, resulting in the sharing of common walls. As a result, noise and vibration may be detectable between Units or between Units and the Common Elements. Therefore, an Owner or occupant shall not conduct activities within a Unit or use a Unit in a manner that interferes with or causes disruption to the use and quiet enjoyment of another Unit by its respective Owner and occupant.

Furthermore, noxious, destructive or offensive activity shall not be carried on within any portion of the Property. No Owner or occupant of a Unit may use or allow the use of the Unit or any portion of the Property at any time, in any way or for any purpose which may endanger the health, unreasonably annoy or disturb or cause embarrassment, or discomfort to other Owners or occupants, or in such a way as to constitute, in the sole opinion of the Board of Directors, a nuisance. In addition, no Owner or occupant of a Unit may use or allow the use of a Unit or the Common Elements in any mariner which creates disturbing noises, including, without limitation, use of stereo speakers or equipment that will in the sole discretion of the Board of Directors interfere with the rights, comfort or convenience of the other Owners or occupants. Nothing herein, however, shall be construed to affect the rights of an aggrieved Owner to proceed individually for

relief from interference with his or her property or personal rights.

No Owner, occupant or agent of such Owner or occupant shall do any work which, in the reasonable opinion of the Association's Board of Directors or its designee, would jeopardize the soundness or safety of the Property or any structure created thereon, would reduce the value thereof, or would impair any easement or other interest in real property thereto, without in every such case the unanimous, prior written consent of all members of the Association and their Mortgagees.

No damage to or waste of the Common Elements, or any part thereof, shall be permitted by any Owner or member of his or her family or any invitee of any Owner. Each Owner shall indemnify and hold the Association and the other Owners harmless against all loss to the Association or other Owners resulting from any such damage or waste caused by such Owner, members of his or her family, guests, invitees, or occupants of his or her Unit.

(n) Residential Use. Each Unit shall be used for residential purposes only, and no trade or business of any kind may be conducted in or from a Unit or any part of the Property, except that the Owner or occupant residing in a Unit may conduct ancillary business activities within the Unit so long as : the existence or operation of the business activity is not apparent or detectable by sight, sound, or smell from the outside of the Unit; the business activity does not involve visitation of the Unit by employees, clients, customers, suppliers or other business invitees in greater volume than would normally be expected for guest visitation to a residential Unit without business activity; the business activity does not unreasonably increase traffic in the Property in excess of what would normally be expected for residential Units in the Property without business activity (other than by a reasonable number of deliveries by couriers, express mail carriers, parcel delivery services and other such similar delivery services); the business activity does not increase the insurance premium paid by the Association or otherwise negatively affect the Association's ability to obtain insurance coverage; the business activity is consistent with the residential character of the Property and does not constitute a nuisance or a hazardous or offensive use, or threaten the security or safety of other residents of the Property, as determined in the Board's discretion; and the business activity does not result in a materially greater use of Common Elements or Association services.

The terms "business" and "trade" as used herein, shall have their ordinary, generally accepted meanings, and shall include, without limitation, any occupation, work, or activity undertaken on an ongoing basis which involves the provision of goods or services to persons other than the provider's family and for which the provider receives a fee, compensation, or other form of consideration, regardless of whether: (i) such activity is engaged in full or part-tune; (ii) such activity is intended to or does generate a profit; or (iii) a license is required therefore. Notwithstanding the above, the use of a Unit by an on-site management agent operating on behalf of the Association shall not be considered a trade or business within the meaning of this Paragraph.

(o) Rubbish, Trash and Garbage. All rubbish, trash, and garbage shall be regularly removed from the Unit and shall not be allowed to accumulate therein. No garbage or trash shall be placed in the Common Elements outside the Unit, temporarily or otherwise, except in trash receptacles that are stored within the Unit, except as provided herein. Rubbish, trash, and garbage shall be disposed of in proper receptacles designated by the Board for collection.

(p) Signs. Except as provided for herein or as may be required by legal proceedings, and except for signs which may be erected by Grantor related to the development and sale of Units, no

signs, advertising posters, flyers, political placards or billboards of any kind shall be erected, placed, or permitted or remain on the Property without the prior written consent of the Board or its designee, except that one (1) professional security sign not to exceed six inches (6") by six inches (6") in size may be displayed from within a Unit. The Board shall have the right to erect reasonable and appropriate signs on behalf of the Association.

(q) Unsightly and Unkempt Conditions. The pursuit of hobbies or other activities, including, but not limited to the assembly and disassembly of motor vehicles and other mechanical devices, which might tend to cause disorderly, unsightly, or unkempt conditions, shall not be pursued or undertaken on any part of the Property. Clothing, bedding, rugs, mops, appliances, indoor furniture, and other household items shall not be placed or stored outside the Unit.

(r) Vehicles, Limited Number. A Unit Owner, combined with every tenant and occupant of the Unit, shall be limited to keeping three (3) vehicles on the Property.

(s) Window Air-Conditioning Units. Window Air-Conditioning Units are prohibited.

(t) Window Treatments. All windows in Units must have window treatments unless approved by the Board. The color of all window treatments visible from the outside of the Unit must be white or off-white. Bed sheets shall not be used as window treatments.

ARTICLE VIII
AMENDMENTS

Section 1. By-Laws. These Bylaws may only be amended by the written consent of a majority of the members of the Board; provided, however, that no amendment shall be effective if it conflicts with the provisions of the Declarations.

Section 2. **Voting Power.** Voting power of the Unit Owners may be amended by amendment to these By-Laws, and such amendment shall be controlling over the provisions of said Declarations.

ARTICLE IX
MORTGAGEES

Section 1. Notice to Association. An Owner who mortgages his Unit shall notify the Association through the Management Agent, if any, or the President of the Board of Directors in the event there is no Management Agent, the name and address of his mortgagee; and the Association shall maintain such information in a book entitled "Mortgagees of Units".

Section 2. **Notice of Unpaid Assessments.** The Association shall at the request of a mortgagee of a Unit report any unpaid assessments due from the owner of such Unit.

ARTICLE X
COMPLIANCE

These By-Laws are set forth to comply with the requirements of the Tennessee Condominium Act of 2008.
