It is my further directive that the payment of my debts and the expenses of my last illness, funeral and cremation shall be paid from my estate as administrative expenses as soon after my death as conveniently may be done.

THIRD: In addition to the powers granted by law, my Executor shall have the following powers, exercisable, without leave of Court and shall continue until final distribution is made:

a) To retain any property owned by me at my death, including stock of a corporate fiduciary, and to invest in any form of property without restriction to legal investment for fiduciaries including any common trust fund of a corporate fiduciary, all without regard to any principal of diversification;

b) To subscribe for stock, bonds, or other investments; exercise any stock option or similar right; join in any plan of lease, mortgage, merger, consolidation, reorganization, foreclosure or voting Trust and deposit securities thereunder; to vote at any corporate meeting in person or by proxy, to delegate powers with respect thereto; and, generally exercise all the rights of security holders of any corporation;

j) To make distribution in cash or in kind or partly in each.

FOURTH: All estate, inheritance, succession and other death taxes imposed or payable by reason of my death, and interest and penalties thereof if any, with respect to all property comprising my gross estate for death tax purposes, whether or not such property passes under this Will, shall be paid out of the principal of my residuary estate as if such taxes were administration expenses, without apportionment or right of reimbursement. Such taxes shall be paid at such time or times as may be deemed advisable.
