The Unit Owners shall each be members of the Association, with each Unit holding an undivided membership interest in the Association, which shall be appurtenant to such Unit, each such membership interest appurtenant to a Unit being in equal share, subject to the provisions concerning voting hereinafter set forth. Each Unit Owner shall be a member of the Association so long as such Owner is a Unit Owner. A Unit Owner's membership shall automatically terminate when such Owner ceases to be a Unit Owner. Upon the conveyance or transfer of a Unit Owner's

When more than one (1) person holds an interest in any Unit, all such persons shall be members. The vote for such Unit shall be exercised as they determine, but in no event shall more than one (1) vote be cast with respect to any Unit.

Class B. The Class B member shall be the Developer and shall be entitled to five (5) votes for each Unit owned. The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier:

(iii) when, in its discretion, the Developer so determines.

(c) Management of Property. The Board shall have the authority to engage the services of an agent (herein sometimes referred to as the "Managing Agent") to maintain, repair, replace, administer and operate the Property, or any part thereof, to the extent deemed advisable by the Board, subject to the provisions of subsection (d) below. (e) Use by Developer. During the period of sale by the Developer (and/or any Builder(s)) of any Units, the Developer (and/or any Builder(s)), and their agents, employees, contractors and subcontractors, and their respective agents and employees, shall have easements for access, ingress to and egress from the Buildings and Property as may be required for purposes of construction and sale of the Units and for the development of the Common Elements and work to be performed thereon. While the Developer (and/or any Builder(s)) owns any of the Units and until each Unit sold by it is occupied by the purchasers, the Developer (and/or any Builder(s)) and its employees may use and show one or more of such unsold or unoccupied Units as a model Unit or Units, or as a sales office, and may maintain customary signs in connection therewith.

(f) Non-Liability of the Directors, Board, Officers and Developer. Neither the directors, Board, officers of the Association, nor the Developer shall be personally liable to the Unit Owners for any mistake of judgment or for any other acts or omissions of any nature whatsoever as such directors, Board, officers, or Developer, except for any acts or omissions found by a court to constitute gross negligence or fraud. administrators, successors and assigns in accordance with the Charter of the Association and Bylaws.

(g) Interest of Association in Common Elements. Ownership of the Common Elements shall be vested in the Association pursuant to a conveyance of said Common Elements from the Developer to the Association.

7. Board's Determination Binding. In the event of any dispute or disagreement between any Unit Owners relating to the Property, or any questions of interpretation or application of the provisions of this Declaration or the Bylaws, the determination thereof by the Board shall be final and binding on each and all such Unit Owners.

8. Ownership of Interests in the Association. Subject to the provisions concerning voting rights hereinabove contained, each Unit shall be allocated an equal percentage ownership in the Association. The percentages of ownership interests shall remain constant unless hereafter changed by recorded amendment to this Declaration. Said ownership interest shall be an undivided interest, and the undivided membership interests in the Association shall be owned by the Unit Owners as tenants in common in accordance with their respective percentages of ownership. The ownership of each Unit shall not be conveyed separate from the percentage of ownership in the Association corresponding to said Unit. The undivided percentage of ownership in the Association corresponding to any Unit shall be deemed conveyed or encumbered with that Unit, even though the legal description in the instrument conveying or encumbering said Unit may refer only to the title to that Unit.

9. Use of the Common Elements. Except as hereinafter set forth, each Unit Owner shall have the right to use the Common Elements (except the Private Elements) in common with all other Unit Owners, and shall have easements for the purposes of access, ingress to, egress from, use, occupancy and enjoyment of the respective Unit owned by such Unit Owner. Such right to use the Common Elements shall extend to each Unit Owner, and such Owner's agents, servants, Tenants, family members, customers, invitees and licensees. However, each Unit Owner shall have the right to the exclusive use and possession of the Private Elements and limited common elements attributable to the Unit. Such rights to use the Common Elements shall be subject to and governed by the provisions of the Act, Declaration, Bylaws and any rules and regulations established by the Association. In addition, the Association shall have the authority to lease, grant concessions or grant easements with respect to parts of the Common Elements, subject to the provisions of this Declaration and the Bylaws. Any income derived by the Association from leases, concessions or other sources shall be held and used for the benefit of the members of the Association, pursuant to such rules, resolutions or regulations as the Board may adopt or prescribe.

10. Storage Areas and Parking Spaces. Any storage areas on the Property, except those inside the Units and those, which are Private Elements, shall be used by such Unit Owners in such manner and subject to such rules and regulations as the Board may prescribe. Parking spaces within the Parcel shall be used by such Unit Owners in such manner and subject to such rules and regulations as the Board may prescribe. Until changed by the Board, one parking space shall be reserved for the Owner of each unit. Initially, parking spaces are reserved as noted on Exhibit "B".

11. Common Expenses and Assessments.

(a) Common Expenses. The Association shall be responsible for the "Common Expenses" as defined herein. Each Unit Owner shall be assessed an equal share of the Common Expenses as described below. Common Expenses shall consist of the following:

(i) the cost of administration of the Association, and the administration, repair, maintenance, replacement and operation of the Common Elements; and

(ii) the cost of necessary maintenance, care, replacement of the following portions of the Buildings and the Units, including the Private Elements thereof: the exterior landscaping, walkways, porches, located upon or about each Unit, with the exception of elevated decks or balconies (the Association may contract with the Unit Owner of any Unit for the maintenance of such elevated decks balconies and for the maintenance of such other areas as the Board deems appropriate), painting, maintenance, and nonstructural repair of exterior building surfaces as the Board shall deem necessary and proper, including roofs, gutters, downspouts, exterior building surfaces, trees, shrubs, grass, walks, replacement of trim, caulking and other repairs to roof covers (to include the repair and replacement of all non-structural components of the roof of each Unit) and other miscellaneous repairs of a non-structural nature. Such exterior maintenance shall not include glass surfaces of any nature. The balance of the Units and the improvements located thereon shall be maintained by the Unit Owner of each particular Unit. In the event that a Unit Owner fails to satisfy his maintenance obligations as herein defined, the Association may make such repairs in accordance with paragraph 15.

(iii) Any other expenses determined by the Board to be Common Expenses.

(b) Lien of Assessment. In order to secure payment of assessments, both monthly or annual and special, as the same become due, there shall arise a continuing lien and charge against each Unit, the amount of which shall include interest at the rate of (10%) Ten percent per annum, costs of collection, and reasonable attorney's fees. Each such assessment, together with such interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Unit Owner of the Unit at the time the assessment became due; provided that this personal obligation shall not pass to successors in title unless expressly assumed by them. The lien provided for herein, however, shall be subordinate to the lien of any first Deed of Trust (sometimes hereinafter called "mortgage") on any Unit. The sale or transfer of any Unit shall not affect any assessment lien. The sale or transfer of any Unit that is subject to any first mortgage, pursuant to a foreclosure thereof or under power of sale or any proceeding in lieu of obligation of any former title holder, as to payments that became due prior to such sale or transfer and subsequent to the recordation of the first mortgage that has been foreclosed, but the Association shall have a lien upon the proceeds from foreclosure or of sale junior only to the lien of the foreclosed first mortgage. No sale or transfer shall relieve such Unit from liability for any assessment thereafter becoming due or from the lien thereof:

(c) Levy of Assessments. The commencement date for monthly assessments shall be the first day of the second full month following the conveyance of a unit to a unit owner. The amount of the initial annual assessment will be set by the Board prior to the sale of any units. Thereafter, monthly or annual assessments shall be levied by the Board, by action taken on or before December of each year for the ensuing year. The Board, in its discretion, may provide for the periodic payment of such assessments at some intervals other than monthly. Special assessments may be levied in any year for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Elements or such other portion of the Property for which the Association is obligated to maintain and repair, if any, including

fixtures and personal property related thereto; provided that the same are approved by the Board of Directors of the Association, by a two-thirds (2/3) vote at a meeting of the Board duly held for that purpose. A twenty day written notice of the Board meeting to consider subsequent monthly, annual or special assessment shall be mailed (by U.S. first class mail) to every Unit Owner subject thereto. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Unit have been paid and the amount of any delinquencies. The Association shall not be required to obtain a request for such certificate signed by the Unit Owner, but may deliver such certificate to any party who in the Association's judgment has a legitimate reason for requesting the same.

(d) Annual Assessment and Capital Assessment.

(1) Except as specifically provided otherwise herein, each Unit Owner shall be responsible for paying his equal proportionate share of the expenses of the administration and operation of the Common Elements and of any other expenses incurred in conformance with this Declaration and By-Laws (which expenses are herein sometimes referred to as "Common Expenses"), including, but not limited to, the maintenance and repair of the Property and any and all replacements and additions thereto. The payment of Common Expenses shall be in such amounts and shall be payable at such times as determined by the Board. No Unit Owner shall be exempt from payment of his equal share of the Common Expenses by waiver or nonuse of enjoyment of the Common or Limited Common Elements or by abandonment of his Unit.

(2) The Board may establish an initial capital assessment on each unit at the time of purchase in order to provide funding for the Association.

(e) Rate of Assessment. All Units in the development shall commence to bear their assessments upon the initial sale of the Unit, except that Units owned by the Developer do not accrue liability for assessments of any nature while owned by the Developer.

(f) Effect of Non-Payment of Assessments and Remedies of the Association. In addition to any other remedy available to the Association under this Declaration or applicable law, any assessment not paid within thirty (30) days after the due date shall be subject to a monthly late fee equal to the greater of ten dollars ($10.00) or ten percent (10%) of the outstanding balance owed. Unpaid assessments shall also bear interest from the due date at Ten percent (10%) per annum. The Association, its agent or representative, may bring an action at law against the Unit Owner personally obligated to pay the same or foreclose the lien against the Unit to which the assessment relates, and interest, costs, and reasonable attorney's fees for such action or foreclosure shall be added to the amount of such assessment. No Unit Owner may avoid liability for the assessments provided for herein by non-use of the Common Elements or abandonment of his Unit.

(g) Mortgage and Deed of Trust Protection. The lien for common expenses payable by a Unit Owner shall be subordinate to the lien of a recorded First Mortgage or First Deed of Trust on the interest of such Unit Owner, except for the amount of the proportionate share of common expenses which become due and payable from and after the date on which the mortgagee or beneficiary thereunder either takes possession of the Unit encumbered thereby, accepts a conveyance of any interest therein (other than as security) or forecloses its mortgage or deed of trust. This subsection (c) shall not be amended, changed, modified or rescinded without the prior written consent of all mortgagees and Deed of Trust beneficiaries of record.

12. Mortgages and Deeds of Trust. Each Unit Owner shall have the right, subject to the provisions herein, to make separate mortgages and deeds of trust for such Unit Owners' respective Unit, including such Unit Owners respective ownership interest in the Association. No Unit Owner shall have the right or authority to make or create, or cause to be made or created, from the date hereof, any mortgage, Deed of Trust or other lien on or affecting the Property or any part thereof, except only to the extent of such Owners Unit and the interest in the Association corresponding thereto.

13. Separate Real Estate Taxes. Real estate taxes shall be separately taxed to each Unit Owner for such Owner's Unit and including the corresponding percentage of ownership in the Association, as provided in the Act. In the event that such taxes for any year are not separately taxed to each Unit Owner, but rather are taxed on the Property as a whole, then each Unit Owner shall pay such Owner's proportionate share thereof in accordance with such Owner's respective percentage of ownership interest in the Association, and, in said event, such taxes shall be a Common Expense.

14. Insurance. The Board shall have the authority to and shall obtain insurance for the Property, including the Units and Private Elements, and the Common Elements, exclusive of the additions within improvements to and decorating of the Units by the Unit Owners, against loss or damage by fire, vandalism, malicious mischief and such other hazards as are covered under standard extended coverage provisions for the full insurable replacement cost of the Common Elements and the Units, and against such other hazards and for such amounts as the Board may deem advisable. Such insurance shall, if possible, include all or any portion of all limited Common Elements. Insurable replacement cost shall be deemed to be the cost of restoring the Common Elements, Units or any part thereof to substantially the same condition in which they existed prior to damage or destruction. Such insurance coverage shall be written in the name of, and the proceeds thereof shall be payable to, the Board of the Association, as the trustee for each of the Unit Owners in direct ratio to said Unit Owner's respective percentage of ownership in the Association, as set forth in the Declaration, and for the holders of mortgages and Deeds of Trust on his Unit, if any. The policy of insurance shall also contain, if possible, (1) a waiver of subrogation rights by the Insurer against individual Unit Owners, (2) an inflation guard endorsement, (3) a building ordinance endorsement and (4) (i) a guaranteed replacement cost endorsement or (ii) a replacement cost endorsement and, where available an agreed amount endorsement. The premiums for such insurance and funds to cover deductible amounts shall be a Common Expenses. Liability Insurance limits for the Common Elements shall be a minimum of One Million and 00/100 ($1,000,000.00) per occurrence.
In the event of damage to or destruction of any Buildings or Common Elements as a result of fire or other casualty covered by insurance proceeds (unless more than two-thirds (2/3) of the Buildings require reconstruction) the Board shall, in its discretion, with the prior written approval of a majority of the mortgagees of the Units affected, determine and, without intervention of any Unit Owner arrange for the prompt repair and restoration of the damaged portions of all Units, Buildings and Common Elements substantially in accordance with the original plans and specifications therefore. Where the insurance indemnity is insufficient to cover the cost of such repairs and restoration, the deficit shall be paid by all Unit Owners directly affected by the damage, in proportion to the value of their respective apartments. The Board shall not be responsible for the repair, replacement or restoration of any wall, ceiling or floor decorations or covering, or furniture, furnishings, fixtures, appliances or equipment installed in the Unit by a Unit Owner or Occupant unless insurance therefore is specifically provided for in the insurance policy obtained by the Board.

Reconstruction shall not be compulsory where the whole or more than two-thirds (2/3) of all the Buildings are destroyed or damaged by fire or other casualty, as

determined by the Board. In such case, and unless otherwise unanimously agreed upon by the Unit Owners and their mortgagees, the insurance proceeds shall he delivered to the Unit Owners or their mortgagees, as their interests may appear, in proportion to the respective interests of the Unit Owners, as computed by dividing the square footage of each Unit by the total square footage of all Units taken together; and the Board, as soon as reasonably possible and as agent for the Unit Owners, shall sell the property, in its then condition, free from the effect of this Declaration, which shall terminate upon such sale, on terms satisfactory to the Board, and the net proceeds of such sale and the net proceeds of all insurance policies shall thereupon be distributed to the Unit Owners or their mortgagees, as their interests may appear, in proportion to the percentage interest of each Unit Owner in the Association. If the Board fails to consummate a sale pursuant to this section within twenty-four (24) months after the destruction or damage occurs, then the Managing Agent, or the Board, shall, or if they do not, any Unit Owner or Mortgagee may, record a sworn Declaration setting forth such decision and reciting that under the provisions of this Declaration the prohibition against judicial partition provided for in this Declaration has terminated and that Judicial Petition of the property may be obtained pursuant to the laws of the State of Tennessee. Upon final judgment of a court of competent jurisdiction decreeing such partition, this Declaration shall terminate.

The Board shall also have authority to and shall obtain comprehensive public liability insurance, in such amounts as it deems desirable, and worker's compensation insurance and other liability insurance as it deems desirable, insuring each Unit Owner, mortgagees of record, if any, the Association, its officers, directors, Board and employees, the Developer, and the Managing Agent, if any, from liability in connection with the Common Elements. The premiums and funds to cover deductibles for such insurance shall be Common Expenses. Board shall retain in safekeeping any such public liability policy for six (6) years after the expiration date of the policy.

The Board shall also have authority to and may obtain such insurance as it deems desirable, in such amounts, from such sources and in such forms as it deems desirable, insuring the Property and each member of the Board and officers of the Association, and members of any committee appointed pursuant to the Bylaws of the Association from liability arising from the fact that said person is or was director or officer of the Association, or a member of such a committee.

Each Unit Owner shall be responsible for obtaining his own insurance on the contents of such Unit Owner's Unit, as well as additions and improvements thereto, decorations, furnishings and personal property therein, and personal property stored elsewhere on the Property as well as improvements and replacements required by paragraph Fifteen (15). In addition, in the event a Unit Owner desires to insure against such Unit Owner's personal liability and loss or damage by fire or other hazards above and beyond the extent that such Unit Owner's liability, loss or damage is covered by the liability insurance and insurance against loss or damage by fire and such other hazards obtained by the Board for all of the Unit Owners as part of the common expenses, as above provided. Said Unit Owner may, at such Unit Owners option and expense, obtain additional insurance. To the extent that insurance coverage purchased by an individual Unit Owner is coextensive with insurance coverage purchased by the Association, the Association's insurance policy shall be primary.

15. <u>Maintenance, Repairs and Replacements.</u>

(a) Obligations of Unit Owners. Each Unit Owner, at such Owner's expense, shall furnish and be responsible for all maintenance of, repairs to and replacements within the interior of such Owner's Unit, including plumbing, pipes, wiring, appliances, and structural components of the Unit. In addition each Unit Owner shall be responsible for all exterior glass, windows, including storm windows, screens, and doors, including storm doors, and all portions of the Unit for which

the Association is not responsible. In the event that a Unit Owner fails to satisfy his maintenance obligations as herein defined. The Association may after approval by two-thirds vote of the Board, enter onto said Unit and perform such necessary maintenance, repair or replacement, the cost of such work to be added to and become a part of the assessment to which said Unit is subject. Provided, however, that a Unit Owner against whose Unit such an assessment is levied shall be entitled to ten (10) days notice, a hearing before the Board and a reasonable opportunity to perform the necessary maintenance or repair work prior to the Board causing such work to be performed and the Unit being levied with such an assessment.

Other items of maintenance repair, and replacement in the Units shall be the responsibility of the Unit Owner. The cost of maintenance of, repairs to and replacements, which are the responsibility of the Association, shall be part of the Common Expenses, subject to the terms of this Declaration, the Bylaws, rules and regulations of the Association.

(c) Loss Attributable to Unit Owner. Notwithstanding any provision of this Declaration to the contrary, if the need for maintenance or repair that would otherwise result in a Common Expense that was the obligation of the Association is caused by the willful or negligent conduct or act of a Unit Owner, his household pet, family, guest, invitees or other Person using or occupying said Unit Owner's Unit with express or implied permission, the cost of such repair or maintenance shall be assessed against such Unit Owner and shall be due and payable thirty (30) days from the date of notice thereof, such assessment to be collected and enforced as provided in this Declaration for the collection of assessments. Such assessment shall not require approval of any of the Members; provided, however, that a Unit Owner against whose Unit such an assessment is levied shall be entitled to ten (10) days notice, a hearing before the Board and a reasonable opportunity to perform the necessary maintenance or repair work prior to being levied with such an assessment.

(d) Access to Units. The authorized representative of the Association, Board or of the Managing Agent with approval of the Board shall be entitled to reasonable access to the individual Units and Private Elements as may be required in connection with the preservation of any individual Unit or Private Elements in the event of an emergency, or in connection with maintenance of, repairs or replacements within the Common Elements, Private Elements or any equipment, facilities or fixtures affecting or serving the other Units, Common Elements or Private Elements or to make any alteration required by any governmental authority. The construction shall be done expeditiously. Upon completion of the construction, the Unit Owner shall restore, as is reasonably practicable, the adjoining Unit to as near the same condition which prevailed on or before the commencement of the construction; (iv) The right of any Unit Owner to contribution from any other Unit Owner under this Section shall be appurtenant to the land and shall pass to the Unit Owner's successors in title; (v) If any Unit Owner desires to sell his Unit, he may, in order to assure a prospective purchaser that no adjoining Unit Owner(s) has a right of contribution as provided in this Article, request that the adjoining Unit Owner(s) provide a certification that no right of certification as to whether there is any pending claim of contribution immediately upon request and without charge.

16. Architectural Control, Alterations, Additions or Improvements.

(a) Architectural Control. No structure may be erected, placed or altered on any Private Elements, and no building permit may be obtained, until the construction plans and building specifications and a plan showing: (i) the location of improvements on the Private Elements; (ii) the grade elevation (including rear, front and side elevations); (iii) the type of exterior material and roof material (including delivery of samples thereof); (iv) the color of paint or stain to be applied to any exterior surfaces and the color of the roof material (including delivery of samples thereof); and (v) the location and size of any wood deck or patio (which shall be broom finish concrete, unless otherwise approved by Developer), shall have been approved in writing by the Architectural Control Committee which shall be appointed (a) by the Developer until such time as the Developer has sold and developed all of its Units and thereafter (b) designated by the Board.

(b) Alterations, Additions or Improvements. Except as provided specifically herein, no alteration of any Common Elements or Private Elements, or any additions or improvements thereto, shall be made by any Unit Owner without the prior written approval of the Board after review and approval by the Architectural Control Committee. The Board may authorize and charge as common expenses alterations, additions, and improvements of the Common Elements and Private Elements as provided in the Bylaws. The expense of such charges shall be paid out of the reserves established in the Association's annual budget, which shall be funded by a portion of the annual assessments applicable to each Unit. Any Unit Owner may make non-structural alterations, additions or improvements within the Unit of the Unit Owner without the prior written approval of the Board, but such Unit Owner shall be responsible for any damage to other Units, the Common Elements, the Private Elements, the Property, or any part thereof, resulting from such alterations, additions or improvements.

17. Decorating. Each Unit Owner, at such Owner's expense, shall furnish and be responsible for all decorating within such Owner's Unit and Private Elements serving such Unit.

18. Encroachments and Easements. If any portions of the Common Elements shall actually encroach upon any Unit or Private Elements, or if any Unit or Private Elements shall actually encroach upon any portions of the Common Elements, or if any Unit or Private Elements shall actually encroach upon another Unit or Private Elements, as the Common Elements, Units and Private Elements are shown by the Plat, there shall be deemed to be mutual easements in favor of the owners of the Common Elements and the respective Unit Owners involved, to the extent of such encroachments, so long as the same shall exist.

The Association shall have the right to grant permits, licenses, and easements over the Common Elements for utilities, roads, and other purposes reasonably necessary or useful for the proper maintenance or operation of the horizontal property regime.

19. Association's Right to Purchase at a Foreclosure Sale. The Board shall have the power and authority to bid and purchase, for and on behalf of any Unit, or interest therein at sale pursuant to a Deed of Trust or mortgage foreclosure, a foreclosure of the lien for common expenses under the Act, or an order or direction of a court, or at any other involuntary sale, upon the consent or approval of Unit Owners owning not less than three-fifths (3/5) of the total votes of the Unit Owners. Such consent shall set forth a maximum price, which the Board or its duly authorized agent may bid and pay for said Unit.

The Board shall have authority to make such mortgage arrangements and special assessments proportionately among the respective Unit Owners, and other such financing arrangements as the Board may deem desirable, in order to close and consummate the purchase or lease of a Unit, or interest therein, by the Association. However no such financing arrangement may be secured by an encumbrance on any interest in the Property other than the Unit, or interest therein, to be purchased or leased, and the percentage interest in the Association appurtenant thereto.

20. Use and Occupancy Restrictions. Subject to the provisions of the Bylaws, no part of the Property may be used for purposes other than housing and the related common purposes for which the Property was designed and as allowed by municipal zoning laws. Each Unit shall be used as a residence or such other use permitted by this Declaration and for no other purposes except that professional and quasi-professional people may use their residence, which does not generate vehicular or pedestrian traffic, and (not in violation of municipal zoning laws) as an ancillary or secondary facility to an office established elsewhere. The foregoing restrictions as to residence shall not, however, be construed in such manner as to prohibit a Unit Owner from: (a) maintaining a personal professional library; (b) keeping personal business or professional records or accounts; or (c) handling personal business or professional telephone calls or correspondence. Such uses are expressly declared customarily incident to the principal residential use and not in violation of said restrictions or municipal zoning law.

No Unit or Common Elements may be used in violation of the restrictions and provisions contained in the Bylaws. No building or other structure shall be erected, altered, or permitted to remain as part of any Unit except in conformance with this Declaration.

The Common Elements shall be used only by the Unit Owners and their agents, servants, Tenants, family members, customers, invitees and licensees for access, ingress to and egress from the respective Units and for such other purposes incidental to use of the Units; provided, however, that any areas designed for a specific use shall be used for the purposes approved by the Board. The use, maintenance and operation of the Common Elements shall not be obstructed, damaged or unreasonably interfered with by any Unit Owner, and shall be subject

to any lease, concession or easement, presently in existence or entered into by the Board at some future time, affecting any part or all of said Common Elements.

In addition to the above, the following restrictions shall apply:

(a) Approval of Plans. No construction. Reconstruction, remodeling, alteration, or addition of or to any structure, building, fence, wall or improvement of any nature shall be constructed without obtaining prior written approval of the Architectural Control Committee established as provided in Section 16 (a) as to the location, plans, and specifications therefore. As a prerequisite to consideration for approval and prior to the commencement of the contemplated work, two (2) complete sets of building plans and specifications shall be submitted. The Architectural Control Committee shall be the sole arbiter of such plans and may withhold its approval for any reasons, including purely aesthetic reasons. It is expressly acknowledged that construction undertaken by (i) the Developer and (ii) any Builder who purchases Unit(s) from the Developer shall be conclusively deemed to comply with the foregoing, it being declared that construction of Units) by (i) the Developer and (ii) any Builder who purchases Unit(s) from the Developer shall be exempt from Architectural Control Committee review and from any limitations on construction existing under this Declaration or the Association's Bylaws. Upon giving approval, construction shall be started and prosecuted to completion promptly and in strict conformity with such plans.

At such time as Developer divests itself of all Units within the development, and Developer has not assigned its right to a successor, the right of approval of plans for further construction, reconstruction, remodeling, alterations, and additions shall thereafter rest exclusively in the Association and in its Board of Directors, which Board shall thereafter appoint the membership of the Architectural Control Committee.

Developer, and the Architectural Control Committee and the individual members thereof shall not be liable for any act or omission in performing or purporting to perform the functions delegated hereunder. In the event that the Architectural Control Committee fails to indicate its approval or disapproval within sixty (60) days after the receipt of the required documents, approval will not be required and the related covenants set out herein shall be deemed to have been fully satisfied. Approval or disapproval by the Architectural Control Committee shall not be deemed to constitute any warranty or representation by it including, without limitation, any warranty or representation as to fitness, design or adequacy of the proposed construction or compliance with applicable statutes, codes and regulations. Anything contained in this section, or elsewhere in this Declaration to the contrary notwithstanding, Developer and the Architectural Control Committee are hereby authorized and empowered, at their sole and absolute discretion, to make and permit reasonable modifications or deviations from any of the requirements of this Declaration relating to the type, kind, quantity or quality of the building materials to be used in the construction of any building or improvement on any Unit and of the size and location of such building or improvement when, in their sole and final judgment, such modifications and deviations in such improvements will be in harmony with existing structures and will not materially detract from the aesthetic appearance of the Properties and the improvements as a whole; provided, however, such modifications and deviations must remain within all applicable ordinances and regulations established by the governing authority.

21. Miscellaneous.

(a) Improvements and Setback Restrictions. No building or structure, or any part thereof, shall be located on any Unit so that the improvements exceed the boundaries of the Unit. No encroachment upon any utility easement reserved on the Plat shall be authorized or permitted.

(b) Re-subdivision or Re-combination of Units. No Unit shall be re-subdivided or recombined, nor shall any building be erected or placed on any such re-subdivided Unit, unless such re-subdivision is approved by the Association, as well as any governmental authority having jurisdiction. Developer, however, shall have the right, but not the obligation, to re-subdivide into Units, by recorded plat or in any other lawful manner, all or any part of the properties contained within the outer boundaries of the Plat, and the properties described in Exhibit A and B and such Units, as re-platted, shall be subject to this Declaration as if such Units were originally included herein. Any such re-plat must comply with pertinent re-platting ordinances, statutes, regulations, and requirements.

(c) Walls, Fences and Hedges. All walls, fences or hedges shall be erected or maintained only as approved and directed by the Architectural Control Committee.

(d) Roofing Material. The roof of any building shall be constructed or covered with roofing material as permitted and approved in the sole discretion of the Architectural Control Committee.

(e) Parking. Unit ownership shall entitle the owner thereof to the exclusive use of one (1) assigned parking space, and the non-exclusive use of one additional unassigned space including on-street parking space. Spaces within the property shall be provided by the Association on the Common Elements and Limited Common Elements and which spaces shall be as near and convenient to said Unit as reasonably possible, together with the right of ingress and egress in and upon said parking area. Unit Owners or Occupants may not keep more than two (2) vehicles on the Property. Commercial vehicles, tractors, motor homes, recreational vehicles, trailers (either with or without wheels), campers, camper trailers, boats and other watercraft, and boat trailers shall not be parked for a period of no more than twenty-four (24) hours or such shorter time within which the owner thereof can find storage or parking space for such vehicle other than the Townhome site, unless a parking area is provided by the Declarant for such vehicles. The Board of Directors may impose rules and regulations not inconsistent with this Declaration with respect to the maintenance and use of parking spaces provided on the Common Elements and the uses, operating and control of motor vehicles thereon.

(f) Exterior Finish. Units shall be constructed with an exterior finish as designated by the Architectural Control Committee. No Unit shall be authorized to vary its exterior from that approved by the Architectural Control Committee.

(g) Common Mailbox Style. The Association reserves the right to designate the style and material of all mailboxes.

(h) Storage Tanks and Refuse Disposal. No exposed above-ground tanks or receptacles shall be permitted for the storage of fuel, water, or any other substance, except for refuse produced through normal daily living and of a nature which is satisfactory for pick-up by the Department of Public Works or its equivalent. Incinerators for garbage, trash, or other refuse shall not be used or permitted to be erected or place on or adjacent to any Unit. All equipment, coolers, and garbage cans shall be concealed from the view of neighboring lots, roads, streets, and open areas.

(i) Clotheslines. Outside clotheslines shall not be permitted.

(j) Signs and Advertisements. No sign, advertisement, billboard or advertising structure of any kind shall be erected upon or displayed or otherwise exposed to view on any Unit or any improvement thereon; provided that this requirement shall not preclude the installation by Developer and/or any Builder of signs identifying the entire residential development and provided further that this

requirement shall not preclude the placement by Owners of "For Sale" signs in the front of individual residences of such size, character, and number as shall from time to time be approved by the Architectural Control Committee. The Architectural Control Committee shall have the right to remove any such unapproved sign, advertisement, billboard or structure that is placed on said Units, and in doing so shall not be subject to any liability for trespass or other tort in connection therewith or arising from such removal.

(k) Use of Temporary Structures. No structure of a temporary character: mobile home, camper, trailer, tent, shack, barn or other outbuilding shall be erected or moved onto any Unit. No structure of any kind except a dwelling house may be occupied as a residence, and the outside of any building so occupied must be completed before occupancy, including landscaping. Temporary structures may be used as building or sales offices and for related purposes during the construction period by the Developer, any Builder, or their assigns.

(l) Storage of Automobiles, Boats, Trailers and Other Vehicles. No inoperative vehicles or recreational vehicles (including, but not limited to, campers, trailers, boats, boat trailers and travel trailers) may be stored on or in any Common or Private Elements. No tractor-trailers, buses, or other large commercial vehicles may be parked in parking areas or in streets adjacent to the Property. Overnight parking of any vehicle, trailer or other wheeled instrument or equipment on any street within the Properties shall not be permitted. The foregoing shall not apply to construction vehicles of the Developer or any Builder.

(m) Outside Lighting. Outside lights at eaves and door entrances shall be permitted. But no exterior flashing or high-intensity lights. Floodlights, or spotlights on the exterior of any building shall be permitted, except with the prior written approval of the Architectural Control Committee.

(n) Satellite Dishes and Antennae. Unless otherwise approved by Developers or the Architectural Control Committee. All television antennae, satellite dishes, dishes which receive video programming services via multipoint distribution services and any other device used for the reception of television broadcast signals, direct broadcast satellite services or multi-channel multipoint distribution (wireless cable) services must be one (I) meter or less in diameter, must be located to the rear of a Unit and not visible from the street (unless such location would preclude reception of an acceptable quality signal) and may not be affixed to any portion of the Common Elements.

(o) HVAC Units. All central air conditioning system units must be used, erected, placed, or maintained on the side or to the rear of the Unit. No window or wall type air conditioning units shall be permitted in any Unit.

(p) Recreational Equipment. All playground and recreational equipment must be used, erected, placed, or maintained within any Limited Common Element to the rear of all Units.

(q) Oil and Mining Operations. No oil drilling, oil development operations, oil refining quarrying or mining operations shall be permitted on any Unit, nor shall oil wells, tanks, tunnels, mineral excavations or shafts be permitted upon or in any Unit. No derrick or other structure designed for use in boring for oil or natural gas shall be erected, maintained, or permitted upon any Unit.

(r) Maintenance. All Units shall be maintained in a neat and attractive condition by their respective Owners or Occupants. No Unit shall be used for storage of material and equipment, except for normal residential requirements or incident to construction of improvements thereon as herein permitted. The accumulation of garbage, trash or rubbish of any kind and the burning (except as permitted by law) of any such materials is prohibited. In the event of default on the part of the Owner or Occupant of any Unit in observing the above requirements or any of

them, such default continuing after ten (10) days' written notice thereof, the Association may, subject to approval of its Board of Directors, enter upon said Unit, repair, maintain and restore the same, and remove or cause to be removed, such garbage, trash and rubbish or do any other thing necessary to secure compliance with these restrictions and to place said Unit in a neat, attractive, healthful and sanitary condition. In so doing, the Association shall not be subject to any liability for trespass or otherwise. All costs incurred in any such repair, maintenance, restoration or removal shall be charged against the Owner of such Unit as the personal obligation or such Owner and as a lien upon the Unit, enforceable and collectible in the same manner and to the same extent as a maintenance assessment. Any Occupant of such Unit shall be jointly and severally liable with the Owner for the payment of such costs.

(s) Landscape Maintenance. The Association shall contract with one (1) or more landscaping services to provide grass cutting, lawn maintenance, proper care for all trees, shrubbery and other landscaping, and other necessary maintenance services for the Common Elements and other portions of the Property for which the Association is responsible, provision for which shall be made in the monthly or annual assessments.

(t) Use of Premises. Each Unit shown on the Plat shall be used only for private, single-family residential purposes and not otherwise. Notwithstanding the foregoing, Developer and any Builder may maintain, as long as it owns the property in or upon such portion of the Properties as Developer or any Builder may determine, such facilities as in its sole discretion may be necessary or convenient, including, but without limitation, offices, storage areas, model units and signs, and Developer may use and permit Builders (who are at the relevant time building and selling Units in the development) to use, residential structures or accessory buildings for sales offices and display purposes, but all rights of Developer and of any Builder acting with Developer's permission under this sentence, shall be operative and effective only during the construction and sales period within the area, and their provision may not be amended, altered or repaired without the prior consent of the Developer. It is expressly declared that Developer and any Builder shall be permitted to construct, maintain and operate one or more model units.

(u) Animals and Pets. No animals, livestock, or poultry of any kind shall be raised, bred, pastured, or maintained in any Unit or on any Common Element except household pets such as dogs and cats which may be kept thereon in reasonable numbers as pets for the sole pleasure of the Owner or Occupant, but not for any commercial use or purpose and only for so long as such pets are not a nuisance to other unit owners.

(v) Nuisances and Unsightly Materials. No Unit or other structure on any Private Element shall be used for any business or commercial purpose. Each Owner or Occupant shall refrain from any act or use of his Unit, which could reasonably cause embarrassment, discomfort, annoyance, or nuisance to others. Animal behavior can be a nuisance as determined by the Board after a 10-day notice to the unit owner and a hearing before the Board. No noxious, offensive, or illegal activity shall be carried on upon any Unit or Private Element. No motorcycle, motorbike, motor scooter, or any other motorized vehicle (licensed or unlicensed) shall be permitted to be operated on or in the Common Elements. No Unit or Private Element shall be used, in whole or in part, for the storage of rubbish of any character whatsoever; nor shall any substance, thing, or material be kept upon any Unit or Private Element which will emit foul or noxious odors or which will cause any noise that will or might disturb the peace and quiet of the Owners or Occupants of surrounding Units or Private Elements.

(w) Hobbies and Activities. The pursuit of any inherently dangerous activity or hobby, including, without limitation, the assembly and disassembly of motor vehicles or other mechanical devices, the shooting of firearms, fireworks, or pyrotechnic devices of any type or size, and other such activities shall not be

pursued or undertaken on any part of any Unit or Private Element or upon the Common Elements without the consent of the Association.

(x) Governmental Restrictions. Each Owner shall observe all governmental building codes, health regulations, zoning restrictions, and other regulations applicable to his Unit. In the event of any conflict between any provision of any such governmental code, regulation or restriction and any provisions of this Declaration, the more restrictive provision shall apply.

22. Remedies. In the event of any violation of the provisions of the Act, this Declaration, the Bylaws or the rules and regulations of the Board or Association by any Unit Owner (either by the Unit Owner's own conduct or by the conduct of any other Occupant of such Owners Unit) the Association, or its successors or assigns, or the Board, or its agent, and any Unit Owner(s) shall have each and all of the rights and remedies which may be provided for in the Act, this Declaration, the Bylaws, or said rules and regulations, or which may be available at law or in equity, and may prosecute an action or other proceeding against such defaulting Unit Owner and/or others for enforcement of any lien and the appointment of a receiver for the Unit and ownership interest of such Unit Owner, for damages or injunction or specific performance, to have vehicles and/or other personal property parked or stored in violation of the Declaration or Rules and Regulations to be towed or removed from the property, or for judgment for payment of money and collection thereof, or the right to sell the Unit through judicial process as provided hereinbefore, or for any combination of remedies, or for any other relief. All expenses of the Association in connection with any such actions or proceedings, including court costs and attorneys' fees and other fees and expenses and all damages, liquidated or otherwise, together with interest thereon at the rate of ten (10%) percent per annum until paid, shall be charged to and assessed against such defaulting Unit Owner, and shall be added to and deemed part of such Owner's respective share of the common expenses, and the Board shall have a lien for all of the same, as well as for nonpayment of the Unit Owner's respective share of the common expenses, upon the Unit and ownership interest in the Association of such defaulting Unit Owner and upon all of such Owner's additions and Improvements thereto and upon all of such Owner's personal property in such Owners Unit or located elsewhere on the Property, provided, however, that such lien shall subordinate to the lien of a recorded First Mortgage or First Deed of Trust on the interest of such Unit Owner, except for the amount of the proportionate share of said common expenses which become due and payable from and after the date on which the said mortgage or deed of trust owner or holder either takes possession of the Unit, accepts a conveyance of any interest therein (other than as a security) or files suit to foreclose its mortgage or Deed of Trust. In the event of any such default by any Unit Owner, the Board and the manager or Managing Agent, if so authorized by the Board, shall have the authority to correct such default, and to do whatever may be necessary for such purpose and all expenses in connection therewith shall be charged to and assessed against such defaulting Unit Owner. Any and all such rights and remedies may be exercised at any time and from time to time, cumulatively or otherwise, by the Board.

The violation of any restriction or condition or regulation adopted by the Board or the breach of any covenant or provision herein contained, shall give the Board the right, in addition to any other rights provided for in this Declaration; (a) to enter (either peaceably or forcibly without liability to such Unit Owner for such entry) upon the Unit, or any portion of the Property upon which, or as to which such violation or breach exists and to summarily abate and remove, at the expense of the defaulting Unit Owner, any structure, thing or condition that may exist thereon contrary to the intent and meaning of the provisions hereof, and the Board, or its employees or agents, shall not thereby be deemed guilty in any manner of trespass; or (b) to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any breach; or (c) to take possession (either peaceably or forcibly without liability to such Unit Owner for such entry) of such

Unit Owner's interest in the Property and to maintain an action for possession of such Unit in the manner provided by law.

In addition to the other remedies provided for herein, in the event of a default by a Unit Owner in the payment of such Unit Owner's respective share of the common expenses which default continues for a period of ninety (90) days, the Board shall have the power and authority to place such Unit Owners name on a list of delinquent Unit Owners, which list may be posted at a place designated by the Board for notices.

23. Amendments. Except as specifically stated elsewhere herein, and except for this Section 23, any provisions of this Declaration may be changed, modified or rescinded by an instrument in writing, setting forth such change, modification or rescission, approved by Unit Owners owning not less than two-thirds (2/3) of the total Units, not including the votes or Units of the Developer, provided, however, all lien holders of record have been notified by certified mail of such change, modification or rescission, and an affidavit by the secretary of the Association certifying to such mailing is made a part of such instrument.

However, if the Act, the Declaration or the Bylaws require the consent or agreement of all Unit Owners or of all lien holders for any action specified in the Act or in this Declaration, then any instrument changing, modifying or rescinding any provision of this Declaration with respect to such action shall be approved by all Unit Owners or all lien holders or both as required by the Act or this Declaration. The change, modification or rescission, whether accomplished under the provisions of the preceding section, shall be effective upon recording of such instrument in the office of the Register of Deeds of Davidson County, Tennessee; provided, however, that no provision in this Declaration may be changed, modified or rescinded so as to conflict with the provisions of the Act.

Provided further, for so long as the property is subject to the interest of and/or restrictions of The Housing Fund, Inc. or the Our House Program, no amendment may be enacted which affects its interest without The Housing Fund, Inc. written consent.

Notwithstanding the above, the Developer shall have the right to make and record any necessary amendment to this instrument for the express purpose of completion of development or correction of clerical errors, or as may be required to obtain FHA/VA, FNMA, FHLMC or other desired approval for the horizontal property regime.

24. Notices. Notices provided for in the Act, Declaration or Bylaws shall be in writing, and shall be addressed if to a Unit Owner, to the address of such Owner's Unit, and if to the Association or Board, as the case may be, to the registered office, as set forth in the Charter of the Association or to such other address as may be designated by the Association or Board from time to time, or at such other address as may be hereinafter provided. The Association or Board may designate a different address or addresses for notices to them, respectively, by giving written notice of such change of address to all Unit Owners. Any Unit Owner may designate a different address for notices by giving written notice to the Association. Notices addressed as above shall be deemed delivered when mailed by United States registered or certified mail, or when delivered in person with written acknowledgment of the receipt thereof.

Upon written request to the Board, the holder of any recorded mortgage or Trust Deed encumbering any Unit shall be given a copy of all notices permitted or required by this Declaration to be given to the Owner or Owners whose Unit is subject to such mortgage or Trust Deed.

25. Severability. If any provision of the Declaration or Bylaws, or any section, sentence, clause, phrase, word, or the application thereof in any

circumstance, is held invalid, the validity of the remainder of this Declaration and the Bylaws and of the application of any such provision, section, sentence, clause, phrase or word in any other circumstances shall not be affected thereby and the remainder of this Declaration or the Bylaws shall be construed as if such invalid part was never included therein.

26. Perpetuities and Restraints on Alienation. If any of the options, privileges, covenants or rights created by this Declaration shall be unlawful, void or voidable for violation of the rule against perpetuities, then such provision shall continue only until twenty-one (21) years after the death of the survivor of the now living descendants of the Governor of the State of Tennessee on the date of this Declaration.

27. Rights and Obligations. Each grantee of the Developer, by the acceptance of a deed of conveyance, accepts the same subject to all restrictions, conditions, covenants, reservations, liens and charges, and the jurisdiction, rights and powers created or reserved by this Declaration. All future Unit Owners and Occupants shall be subject to and shall comply with the provisions of this Declaration. All rights, benefits and privileges of every character hereby imposed shall be deemed and taken to be covenants running with the land, and shall bind any person having at any time an interest or estate in said land, and shall inure to the benefit of such grantee in like manner as though the provisions of this Declaration were recited and stipulated at length in each and every deed of conveyance or contract for conveyance.

All present and future Unit Owners, Tenants and Occupants of a Unit shall be subject to, and shall comply with, the provisions of the Bylaws and they may be amended from time to time. The acceptance of a Deed of conveyance, devise or of a lease to a Unit, or the entering into occupancy of any Unit shall constitute and agreement that the provisions of this Declaration, the Bylaws and any rules and regulations promulgated thereunder, as they may be amended from time to time, are assumed, accepted and ratified by such Unit Owner, Tenant or Occupant, and all of such provisions shall be deemed and taken to be covenants running with the land and shall bind any person having at any time any interest or estate in such Unit, as though such provisions were recited and stipulated at length in each and every deed, conveyance or lease thereof.

The terms and conditions of this Declaration, the Bylaws and the rules and regulations may be incorporated by reference in, and become part of, the agreement between any mortgagee and any present or future Unit Owner who enters into such an agreement with a mortgagee. When so incorporated, any default in the terms and conditions of the Declaration, Bylaws and rules and regulations may be considered as a default by the mortgagee, whereupon said mortgagee, after exercising its option to declare a default, shall then have all of the rights and privileges arising as a result of a default under its agreement with said Unit Owner.

28. Trustee as Unit Owner. In the event title to any Unit is conveyed to a land title holding trust, under the terms of which all powers of management, operation and control of the Unit remain vested in the trust beneficiary or beneficiaries, then the beneficiaries thereunder shall be considered Unit Owners for all purposes and they shall be responsible for payment of all obligations, liens, or indebtedness and for the performance of all agreements, covenants, and undertakings chargeable or created under this Declaration against such Unit. No claim shall be made against any such title holder trustee personally for payment of any lien or obligation hereunder created and the trustee shall not be obligated to sequester funds or trust property to apply in whole or in part against such lien or obligation. The amount of any such lien or obligation shall continue to be a charge or lien upon the Unit and the beneficiaries of such trust, notwithstanding any transfers of the beneficial interest of any such trust or any transfer of title to such Unit.

29. Condemnation. In the event of a taking in condemnation or by eminent domain of a part of the Common Elements, the award made for such taking shall be payable to the Board for and on behalf of the Association and all mortgagees affected. If a majority of the Board in their discretion, with written consent of a majority of the mortgagees affected, approve the repair and restoration of such Common Elements, the Board shall disburse the proceeds of such award to the contractors engaged in such repair and restoration in appropriate progress payments. In the event that the Board and the mortgagees do not approve the repair and commence restoration of such Common Elements within one hundred twenty (120) days after taking by the public or private authority, the Board shall disburse the net proceeds of such award on the basis of such Units percentage of ownership in the Association to the Unit Owners and the mortgagees as their Interests may appear.

30. Rights Reserved. The Unit Owners right of enjoyment in the property commonly owned by the Association as herein created shall be subject to:

(a) The right of the Association to suspend the enjoyment rights of any member for any period during which any assessment remains unpaid, and for such period as it considers appropriate for any infraction of its published rules and regulations; and

(b) The right of the Association to charge reasonable fees for the use of the parts of the Common Elements; and

(c) The right of the Association to diminish in any way or to dedicate or transfer all or any part of the Common Elements to any public agency or authority for such purposes and subject to such conditions as may be agreed to by the members entitled to vote thereon, provided that no such diminution, dedication or transfer, or determination as to the purposes or as to the conditions thereof, shall be effective unless the Developer (its successors or assigns) and members of the Association entitled to cast ninety percent (90%) of the total votes of members have been recorded, agreeing to such act.

(d) The Developer's reservation of right to unilaterally amend set out in Section 5.

(e) The right of the Association to grant such easements and rights-or-way to such utility companies or public agencies or authorities as it shall deem necessary for the proper servicing and maintenance of the Common Elements and the Units.
