WILL

OF

MELVIN RYAN

I, MELVIN RYAN, a resident of Nashville, Davidson County, Tennessee, being of sound mind and disposing memory, do hereby make, publish, and declare this to be my Will, hereby revoking all Wills and Codicils heretofore made by me.

ARTICLE I
FAMILY MEMBERS

My wife's name is MABLE B. RYAN and she is referred to in this will as "my spouse." We have one (1) adult child; his name is DAVID M. RYAN.

ARTICLE II

PAYMENT OF DEBTS, TAXES AND ADMINISTRATION EXPENSES

A. Debts and Administration Expenses. I direct that all of my just debts (except debts secured by mortgages or other security instruments, which may be paid off without contribution by my spouse or retained in the discretion of my personal representative), including funeral expenses and expenses of my last illness, and all expenses in connection with the administration of my estate be paid as soon as may be convenient after my death.

B. Estate and Inheritance Taxes. I further direct that all estate and inheritance taxes (including interest and penalties, if any), payable in any jurisdiction by reason of my death (including those taxes payable with respect to assets which do not pass under this Will) shall be paid out of and charged generally against the principal of my residuary estate, without apportionment. I waive any right of reimbursement for, recovery of, or

contribution toward the payment of those taxes and administration expenses, except my personal representative shall, to the maximum extent permitted by law, seek reimbursement for, recovery of, or contribution toward the payment of federal or state estate tax attributable to property in which I have a qualifying income interest for life, over which I have a power of appointment, or which is included in my gross estate by reason of Section 2036 of the Code, and which tax is not otherwise paid or payable.

C. Real Estate. I incorporate any and all interests in real property owned by me at my death into my probate estate and such real property shall be considered a probate asset and subject to the control of my personal representative for purposes of estate administration. I expressly grant to my personal representative the power and authority to sell any and all such interests in real property without the approval of any Court and to add the proceeds to my probate estate.

D. Life Insurance Proceeds. Although it is not my intent to waive any exemption from the claims of my creditors for the proceeds of any life insurance, I direct that the proceeds of any life insurance payable to my estate or to my personal representative may be used for the payment of death taxes, administration expenses and debts.

ARTICLE III
SPECIFIC GIFTS

A. Personal Effects and Household Goods. Any furniture, household furnishings, automobiles, personal effects and all other items of tangible personal property (other than cash on hand or on deposit) which I own at the time of my death, I give to my spouse, if my spouse survives me, or if my spouse shall fail to survive me, to DAVID M. RYAN; if he survives me, or if DAVID M. RYAN shall fail to survive me, to LORILEE RYAN, if she survives me, or if LORILEE RYAN shall fail to survive me, to the then-living descendants of DAVID M. RYAN, per stirpes; provided, further, that if any

descendant of mine who is a beneficiary under this Article has not reached legal age under the law of the jurisdiction in which that descendant is domiciled at the time set for distribution under this Article or is then otherwise disabled, then I authorize and empower my personal representative, in my personal representative's sole discretion, to transfer that descendant's share of tangible personal property to the guardian of such descendant or the person with whom such descendant resides and to accept the receipt of such person in full satisfaction of this gift; and all such determinations shall be in my personal representative's sole discretion and shall be conclusive and binding upon all parties interested in my estate.

B. Memorandum. I may leave a memorandum (which is not to be a part of this Will) listing some of the items described in Paragraph A of this Article that I wish certain persons to have and request (but do not require) that my wishes as set forth in the memorandum be observed.

C. Costs. I direct that any expenses incurred in obtaining possession, appraising, safeguarding, insuring, packing, storing and delivering such property be paid from my estate as an administration expense.

ARTICLE IV

GIFT OF RESIDUE

A. Residuary Estate Distribution if Spouse Survives. If my spouse survives me, I give to my spouse, outright and free of trust, all the rest, residue and remainder of my property, of every kind and nature and wheresoever situated, whether real or personal, but excluding any property over which I have power of appointment (my "residuary estate"). I understand that leaving my residuary estate to my spouse makes these assets her assets. I understand that being her assets, she can dispose of those assets in any manner she wishes. I have no problem with giving my spouse absolute control over the distribution of these assets.

B. Residuary Estate Distribution if Spouse Predeceases. If my spouse does not survive me, I give my residuary estate to DAVID M. RYAN, if he survives me; or if he fails to survive me, to LORILEE RYAN, if she survives me; or if she fails to survive me, to the then-living descendants of DAVID M. RYAN, per stirpes.

ARTICLE V

PERSONAL REPRESENTATIVE NOMINATION AND POWERS

A. Appointment of Personal Representative. I nominate and appoint my spouse as personal representative of this, my will. In the event my spouse shall fail to survive me, shall decline to act, or having qualified shall, for any reason thereafter, ceases to act, then I nominate and appoint DAVID M. RYAN and JAMES R. THOMAS as personal representatives of this, my Will. In the event DAVID M. RYAN or JAMES R. THOMAS shall fail to survive me, shall decline to act, or having qualified shall, for any reason thereafter, ceases to act, then I nominate and appoint the surviving named individual as sole personal representative of this, my Will. Whenever the term "personal representative" is used herein, it shall be deemed to apply to the party or parties then acting. No personal representative of this Will shall be required to furnish bond or other security as personal representative in any jurisdiction.

B. Ancillary Personal Representative. If the appointment of a personal representative is necessary or desirable in any jurisdiction in which no personal representative herein named is able and willing to act, I name as my personal representative in that jurisdiction such person or corporation as may be designated in an instrument signed by the first person or entity designated in the preceding paragraph who is able and willing to so designate.

C. Personal Representative's Powers. I give my personal representative, wherever acting:

1. In addition to all powers given under applicable law, all the powers enumerated in Section 35-50-110, Tennessee Code Annotated; and the introductory paragraph and all subparagraphs thereof, to the extent not inconsistent with the express provisions hereof (including the power to sell real or personal property at public or private sale for any purpose and to hold title to property in the name of a nominee), and are hereby incorporated herein by reference;

2. Power to disclaim, in whole or in part, any property or interest therein which passed to me or which was created for my benefit, for any reason, including, but not limited to, a concern that such property could cause potential liability under any federal, state or local environmental law;

3. Power to distribute to the beneficiary of a trust under this will any property or portion thereof given to the trustee of that trust if, pursuant to the terms of that trust, the property would immediately be subject to final distribution directly to the beneficiary with no discretion in the trustee to withhold it (because of age or disability), and the receipt of the beneficiary shall discharge my personal representative; and

4. Power, during the administration of my estate, to make distributions of the income of the estate to the same persons, and in the same proportions, as might be made if the administration were completed.

D. Powers Exercisable Without Court Order. The powers granted to my personal representative hereunder shall be exercisable in the discretion of my personal representative and without court order.

E. Tax Elections. My personal representative shall make such elections and allocations under the tax laws as my personal representative considers advisable (whether or not the election or allocation relates to property passing under this Will), without regard to, or adjustments between, principal and income or the relative interests of the beneficiaries. Any decision to exercise tax elections or make allocations hereunder shall be made by my domiciliary personal representative, if any, in preference to any ancillary personal representative, and shall be binding and conclusive on all persons.

F. Distributions to Beneficiary under Age Twenty-One (21). If any portion of my estate is distributable to a beneficiary who is then under the

age of twenty-one years, my personal representative may distribute that beneficiary's share, without further responsibility, either directly to that beneficiary, to a qualified individual or trust company designated by my personal representative as custodian for that beneficiary under an applicable Uniform Transfers to Minors Act or similar law, or to the individual having personal custody of that beneficiary (whether or not court-appointed), and the receipt of the distributee shall discharge my personal representative

ARTICLE VI

WAIVER OF REQUIREMENT OF INVENTORY AND ACCOUNTING

I hereby expressly excuse my personal representative from filing an inventory or an accounting of my estate as would otherwise be required pursuant to applicable law unless such inventory or accounting is specifically requested by any beneficiary of my residuary estate.
