the Association, and the proceeds thereof shall be payable to the Board, as the trustee for the Association, and the policy shall include a standard mortgage clause or equivalent endorsement. The policy of insurance shall be a "blanket" or "master" type of policy and should also contain, if possible, a waiver of subrogation rights by the insurer against individual Owners. The premiums for such insurance shall be a Common Assessment.

b. Units, Private Elements and Limited Common Elements. EACH OWNER SHALL BE RESPONSIBLE FOR OBTAINING INSURANCE FOR THAT OWNER'S UNIT, PRIVATE ELEMENTS, AND LIMITED COMMON ELEMENTS, the ownership, possession, enjoyment, benefit, and use of which are reserved exclusively to such Owner against loss or damage by fire, vandalism, malicious mischief, and such other hazards as are covered under standard extended coverage provisions for the full insurable replacement cost of the Unit, the Private Elements, Limited Common Elements, and any personal property of the Owner stored in the Unit or elsewhere on the Development Property. In addition, each Owner shall be responsible for obtaining his own insurance insuring said Owner personally from liability in connection with the ownership, possession, use, and occupancy of his Unit and the Private Elements. Such insurance shall not be the responsibility of the Association and by acceptance of a deed to a Unit, each Owner acknowledges that such insurance is and shall be the sole responsibility of said Owner.

c. Fidelity Coverage. To the extent reasonably obtainable, the Association may obtain and keep in full force and effect at all times a fidelity policy or bond providing fidelity coverage against dishonest acts on the part of the Managing Agent, directors, officers, employees, and volunteers of the Association responsible for handling funds collected and held for the benefit of the Owners or otherwise belonging to or administered by the Association.

d. General Provisions. Insurance obtained by the Association may contain such deductible provisions as good business practice may dictate. Insurance obtained by the Association shall, to the extent reasonably possible without undue cost, contain a waiver of rights of subrogation as against the Association and each Owner as against any officer, director, agent, or employee of any of the foregoing. To the extent reasonably possible, and provided Declarant reimburses the Association for any additional premium payable on account thereof, insurance obtained by the Association shall name Declarant and any Managing Agent as an additional insured and contain a waiver of rights of subrogation as against Declarant, the Managing Agent, and any officer, director, agent, or employee of Declarant or Managing Agent. Casualty, fire, and extended coverage insurance may be provided under blanket policies covering the Development Property and/or property of Declarant. Each Owner hereby irrevocably appoints the Association as attorney-in-fact for the purpose of purchasing and maintaining such insurance, including: (a) the collection and appropriate disposition of the proceeds thereof; (b) the negotiation of losses and execution of release of liability; (c) the execution of all documents; and (d) the performance of all other acts necessary to accomplish such purpose.

e. Premiums. The premiums for insurance procured pursuant to this Declaration shall be a Common Assessment.

12. Easements. The Association shall have the power to grant permits and licenses, as well as easements for access, utilities, drainage, water facilities, and other matters, in, on, over, across, or under Development Property and any Common Elements, as may be reasonably necessary or useful for the proper maintenance of the Development Property or otherwise benefit the Association.

a. Common Elements. Each Owner shall have the right and easement to use the Common Elements, except for Private Elements and Limited Common Elements, in common with all other Owners and as may be required for the purposes of access, ingress, egress, use, occupancy, and enjoyment of the Unit owned by such Owner.

b. Private Elements and Limited Common Elements. Each Owner shall have the right to the exclusive ownership, use, and possession of the Private Elements appurtenant to his Unit. Each Owner shall have the sole and exclusive right and easement to the use, benefit, occupancy, and enjoyment of the Limited Common Elements serving his Unit alone.

c. Encroachment. If any portions of the Common Elements, including the Limited Common Elements, shall actually encroach upon any Unit or its Private Elements, or if any Unit or its Private Elements shall actually encroach upon any portions of the Common Elements as shown on the Site Plan due to engineering errors, errors in original construction, settlement, or shifting of a Building or any similar cause, there shall be deemed to be mutual easements in favor of the respective Owners involved to the extent of such encroachments so long as same exists; provided, however, in no event shall an easement for encroachment be created in favor of a Owner, if said encroachment occurred due to the willful act of said Owner.

d. Public and Private Utilities. Easements for installation and maintenance of public and private utilities and drainage facilities are reserved as shown on any Plat or Plan concerning Development Property and as otherwise shown by public records. A blanket, perpetual, and non-exclusive easement in, upon, over, across, and through the Common Elements is hereby reserved for the purpose of the installation, maintenance, repair, service, and replacement of all sewer, water, power, telephone, cable television systems, pipes, mains, conduits, poles, or transformers as well as any and all other equipment or machinery necessary or incidental to the proper functioning of any utilities systems servicing the Development Property, which easement shall be for the benefit of the Declarant, the Association, and any governmental agency, utility company, or other entity (public or private) which requires same for the purpose of furnishing one or more of the foregoing services.

e. Declarant. During the Appointment Period, an easement is reserved to Declarant in, upon, under, and through the Common Elements in order to maintain such facilities and perform such operations as in the sole discretion of Declarant may be reasonably required, convenient, or incidental to the construction and maintenance of Improvements of any kind, including, without limitation, a business or sales office(s), storage area(s), construction yards and signs.

f. Association. A blanket, perpetual, and non-exclusive easement of unobstructed ingress and egress in, upon, over, across, and through the Common Elements is hereby reserved to the Association, the Board, Managing Agent, or their respective agents or employees for the purpose of maintaining, repairing, and replacing the Common Elements, or any equipment, facilities, or fixtures affecting or servicing same as well as to remedy any violations of the provisions of this Declaration, the By-Laws, or any Rules and Regulations of the Association; provided that requests for entry to any Unit or upon any Private Element or Limited Common Element be made in advance and that any such entry is at a time reasonably convenient to the Owner. In the case of an emergency or the Owner's uncooperative or untimely response to such request, the right of entry shall be immediate, whether the Owner or Occupant is present at the time or not.

g. Federal, State, and Local Entity. An easement is hereby established for the benefit of any applicable federal, state, or local entity over all portions of the Development Property for the setting, removing, and reading of water meters; for maintaining and replacing water, sewage, and drainage facilities; for police protection, fire fighting, and garbage collection; and rendering of such other services as are appropriate and necessary for the use and enjoyment of the Development Property.

13. Condemnation: Common Elements. In the event of a taking in condemnation or by eminent domain of a part of the Common Elements, the award made for such taking shall be payable to the Board for and on behalf of the Association. Any and all notices related to or concerning such taking in condemnation or by eminent domain of a part of the Common Elements shall be addressed and sent to the Association's principal office of record in the Office of the Secretary of State for the State of Tennessee, unless and until notice of an alternative address is given in writing to all Owners. The Board shall disburse the net proceeds of such award on a fair and reasonable basis to the Mortgagees directly affected by the condemnation and the balance to the Owners directly affected thereby. The decision of the Board as to the fairness and reasonableness shall be binding upon all parties, if such decision reasonably relates to the given facts.

14. Condemnation: Units. If a Unit or Units are acquired by a taking in condemnation or by eminent domain so as to leave the Owner(s) with a remnant which may not practically or lawfully be used for any purpose permitted by this Declaration, upon acquisition by the condemning authority, unless the decree provides otherwise, each affected Unit or Units' Common Assessment liability shall be automatically reallocated to the remaining Units. Any remnant of a Unit remaining shall thereafter be a Common Element.

15. Rules and Regulations. The Association, acting through the Board, or other appointed committee, may from time to time adopt, amend, repeal, and enforce Rules and Regulations as may be deemed necessary or desirable with respect to the interpretation and implementation of this Declaration or any Supplemental Declaration, the operation of the Association, and the use and enjoyment of Development Property. Any such Rules and Regulations shall be uniformly applied, but the applicability of a particular rule to a particular situation shall be in the sole discretion of the Board. Each Owner shall comply

with such Rules and Regulations. In the event of any conflict between the Rules and Regulations and the provisions of this Declaration, the provisions of this Declaration shall prevail.

16. Enforcement. The Association shall have the power to enforce the provisions of this Declaration, any Supplemental Declaration, and the provisions of the Rules and Regulations and shall take such action as the Board deems necessary or desirable to cause such compliance by each Owner. Without limiting the generality of the foregoing, the Association shall have the power to enforce the provisions of this Declaration, any Supplemental Declaration, and the Rules and Regulations by any one or more of the following means: (a) by commencing and maintaining actions and suits to restrain and enjoin any breach or threatened breach of the provisions of this Declaration, any Supplemental Declaration, or the Rules and Regulations, by mandatory injunction or otherwise; (b) by commencing and maintaining actions and suits to recover damages for breach of any of the provisions of this Declaration, any Supplemental Declaration, or the Rules and Regulations and for all expenses incurred in connection therewith, including reasonable attorney's fees; (c) by levying and collecting reasonable and uniformly applied fines and penalties established for breach of this Declaration, any Supplemental Declaration, or the Rules and Regulations; (d) by taking such action as reasonably necessary to bring a Unit and any Improvements thereon into compliance with this Declaration, any Supplemental Declaration, or the Rules and Regulations, the costs of which shall be at the Owner's sole expense; and (e) by exercising any remedy for nonpayment of Assessments as provided herein. The Association shall have a lien on any Unit and any Improvement thereon to secure payment of the amounts described in this Paragraph, and such lien may be enforced in the same manner and with the same priority as that of a lien for Assessments as provided herein.

17. No Waiver. The failure by the Declarant or the Board to enforce any covenant, restriction, or Rule and Regulation provided in or by this Declaration, Supplemental Declaration, Articles of Incorporation, By-Laws, or Rules and Regulations of the Association shall in no event be deemed a waiver of the right to do so thereafter.

18. General Corporate Powers. The Association shall have all of the ordinary powers and rights of a Tennessee nonprofit corporation, including without limitation, the power and right to enter into partnerships and other agreements, subject only to such limitations upon such powers as may be set forth in this Declaration or in the Articles of Incorporation or the By-Laws. The Association shall also have the power to do any and all lawful things which may be authorized, required, or permitted to be done under this Declaration, under any Supplemental Declaration, or under the Articles of Incorporation, By-Laws, or Rules and Regulations, and to do and perform any and all acts which may be necessary or desirable for or incidental to, the exercise of any of the express powers or rights of the Association under this Declaration, under any Supplemental Declaration, or under the Articles of Incorporation, By-Laws, or Rules and Regulations.

## ARTICLE VI
## ASSESSMENTS

1. Covenant to Pay and Commencement. Each Owner, by acceptance of a deed to his Unit, whether or not it shall be so expressed in such deed, is thereby deemed to covenant and agree to pay to the Association: (a) Common Assessments, (b) Working Capital Fund Assessments; (c) Special Assessments, (d) Supplemental Assessments, (e) Reimbursement Assessments, and (f) fines or charges which may be imposed against such Unit in accordance with the provisions of this Declaration. An Owner's obligation to pay Assessments and any other duly levied charge shall commence on the first day of the first month following the date of the Recording of the first deed conveying the Unit from Declarant to the first non-Declarant Owner. The Assessments for the then current Assessment Year shall be prorated on the basis of the number of months remaining in such Assessment Year.

2. Common Assessment. The Board shall have the power and authority to levy a "Common Assessment" to fund the annual or other periodic costs of operating the Association, including expenses incurred in connection with any Administrative Function and other expenses duly incurred by or on behalf of the Association which are to be paid by each Owner to the Association. Expenses which may be duly incurred on behalf of the Association in connection with the performance of Administrative Functions include, without limitation, the following:

a. Expenses of maintenance, operation, repair, replacement, and security of the Common Elements, including, without limitation, costs of labor, equipment, and materials incurred in connection therewith.

b. Other expenses as may be determined from time to time by the Board to be incurred necessarily or appropriately for the performance of Administrative Functions, including, without limitation, taxes, insurance premiums, utility charges, and government charges not separately assessed against Units.

c. The establishment and maintenance of a reasonable reserve fund or funds for *(i)* maintenance, repair, and replacement of those portions of the Development Property and Improvements thereon that are the responsibility of the Association and that must be maintained, repaired, or replaced on a periodic basis; and *(ii)* to cover unforeseen operating contingencies or deficiencies arising from unpaid Assessments or liens, as well as from emergency expenditures and other matters, all as may be authorized from time to time by the Board.

3. Common Assessment Calculation. Prior to commencement of each Assessment Year, the Board shall fix the amount of the Common Assessment by preparing a Budget for the Administrative Functions to be provided by the Association in the coming Assessment Year. The proposed Budget is to show, in reasonable detail, the categories of expenses and anticipated amounts of expenses for which Common Assessments are determined by the Board to be necessary or desirable, and shall reflect any expected

income and estimated sources and amounts thereof for such Assessment Year as well as any expected surplus from the prior Assessment Year. Each Owner's liability for Common Assessments allocated to each Unit is set forth on Exhibit C attached hereto and made a part hereof, as same may be amended from time to time. At the office of the Association or its agent, copies of the proposed Budget and the Budget for the current Assessment Year will be made available by the Association to any Person requesting a copy thereof upon payment of the reasonable expense of copying same.

4. Assessment Notice. Notice of any Assessment set forth herein shall be sent by prepaid U.S. Mail, FedEx, UPS, or other reputable private carrier, facsimile transmission, or electronic transmission to the address or other contact information provided to the Board by the Owner for notices provided herein or in the event no separate address or other contact information has been provided, then by prepaid U.S. Mail or hand delivery to the Owner's Unit. Such notice shall state the type of Assessment being levied, the amount to be paid, payment frequency (annual, quarterly, monthly, or as otherwise set by the Board), and the payment due date(s) as well as any other required information. Notices will be given to Owners in a reasonable period of time prior to the payment or first installment due date.

5. Delinquent Payment. All Assessments or other duly levied charge or fine under this Declaration shall be due and payable on date set forth in the notice related thereto. Any Assessment or any portion thereof not paid when due shall be deemed delinquent. Any Assessment delinquent for a period of more than ten (10) days shall incur a late charge in an amount as may be determined by the Board from time to time and shall bear interest from the date due at 10% per annum until paid.

6. Failure to Establish Common Assessments. The failure by the Board to levy Common Assessments for any Assessment Year shall not be deemed a waiver or modification of any of the provisions of this Declaration or a release of liability of any Owner to pay Common Assessments, or any installment thereof, for that or any subsequent Assessment Year. In the event of such failure, the amount of the Common Assessment for that Assessment Year shall be, until subsequently modified by the Board, the same as for the most recent year for which Common Assessments shall have been levied.

7. Exempt Property. Assessments created under this Article shall not apply to Units owned by the Declarant during the Appointment Period so long as the Declarant has elected to make contributions pursuant to option "(a)" as set forth in the following paragraph. Development Property or any portion thereof that is dedicated to and accepted by a local public authority, that is granted to or used by a utility company, or is designated as part of the Common Elements shall be exempt from Assessments.

8. Developer Responsibility. Pending the termination of the Appointment Period, to the extent that the Association is unable to pay all costs of the Administrative Functions, Declarant may elect either: (a) loan monies to the Association on an interest free basis to fund any such deficits; or (b) to have Units owned by Declarant assessed in the same manner as the those that have been sold to purchasers other than the Declarant. After the

termination of the Appointment Period, Units owned by Declarant shall be assessed in the same manner as those that have been sold to purchasers other than the Declarant, and the obligation of Declarant to fund any deficit in the operations of the Association thereafter accruing shall terminate and be of no further force and effect. In the event Declarant expends any of its own funds for Administrative Functions, Declarant shall be entitled to reimbursement from the Association or a credit for such sums against any Assessment that Declarant might be required to pay by virtue of being an Owner. Declarant will not be obligated to pay any operating fund deficiencies that are due to non-payment of Assessment by Owners other than Declarant, and nothing contained in this Paragraph shall be deemed to relieve or release any Owner from the obligation of that Owner to pay Assessments. The obligation of Declarant to fund any deficit provided for herein may be satisfied in the form of a cash substitute or by "in kind" contribution of materials and substances or a combination thereof. All "in kind" contributions of services and materials shall be valued at the reasonable market value of such service or materials.

9. Working Capital Fund Assessment. Each Owner shall pay a "Working Capital Fund Assessment" in to the Association at the closing of the sale of a completed Unit in such amount as is set by the Board. The Working Capital Fund Assessment will apply to the first sale of a Unit and to every subsequent sale of such Unit. The Working Capital Fund Assessment shall not be considered as advance payment of any Assessment or other duly levied charge. The Working Capital Fund Assessment shall be held and disbursed for the following purposes in the order of priority:

a. To fund costs of maintenance of the Common Elements and the Administrative Functions of the Association that cannot be funded by Assessments.

b. To reimburse the Declarant for all amounts loaned by Declarant to the Association to fund any operating deficits.

c. To assure that the Association will have cash available to meet unforeseen expenditures or to acquire additional equipment or services deemed necessary or desirable by the Board.

10. Special Assessments. The Board may levy one or more Assessments to be know as "Special Assessments" for the purpose of raising funds, not provided by Common Assessments to: (a) construct or reconstruct, repair, remodel, replace, or maintain Improvements upon Development Property, including necessary personal property related thereto, and to pay ad valorem taxes and insurance on Development Property; (b) add to the Development Property; (c) provide for necessary facilities and equipment to offer the services authorized in this Declaration; (d) repay any loan made to the Association to enable it to perform any duty or function authorized in this Declaration; or (e) pay for any other cost or expense as determined by the Board. The amount of Special Assessment to be paid by each Owner shall be calculated in the same manner as Common Assessments and may be made payable in installments over a period that may extend beyond the Assessment Year in which the resolution was adopted. In addition to the other information required to be set forth in Assessment notices, a Special Assessment notice

shall state the purpose of the Special Assessment.

11. Supplemental Assessments. In any Assessment Year, if the Board determines that the important and essential functions of the Association may not be fully funded by the Common Assessment received or receivable for that Assessment Year, the Board may levy one or more Assessments to be know as "Supplemental Assessments," applicable to that year only, by resolution authorizing same. The amount of Supplemental Assessment to be paid by each Owner shall be calculated in the same manner as Common Assessments and may be made payable in installments over a period that may extend beyond the Assessment Year in which the resolution was adopted. In addition to the other information required to be set forth in Assessment notices, a Supplemental Assessment notice shall state the amount of the deficit and the reasons therefor.

12. Reimbursement Assessment. Subject to the provisions hereof, the Board may levy an Assessment, known as a "Reimbursement Assessment" against any Owner(s) to reimburse the Association for any loss sustained by reason of the willful or negligent failure of such Owner(s) to comply with this Declaration, any Supplemental Declaration, the Articles of Incorporation, the By-Laws, or the Rules and Regulations which resulted in the expenditure of funds by the Association to remedy a problem or to cause such compliance. In addition to the other information required to be set forth in Assessment notices, a Reimbursement Assessment notice shall state the reason(s) therefor.

13. Enforcement: Liens and Personal Obligation. In order to secure payment of Assessments, fines, or other duly levied charges assessed against any Unit within the Development Property pursuant to this Declaration as same become due, there shall arise a continuing lien and equitable charge ("Assessment Lien") in favor of the Association for all such sums, together with court costs, reasonable attorney's fees, late charges, any other collection costs, and interest thereon as provided herein (collectively, "Non-compliance Damages"). If any Assessment, fine, or other duly levied charge remains unpaid for sixty (60) days from the original due date, the Association may, as the Board shall determine, institute suit to collect Noncompliance Damages, foreclose its Assessment Lien, or both. The Assessment Lien shall be in favor of the Association and each Owner, by acceptance of a deed to a Unit vests in the Association or its agents the right and power to sue or otherwise proceed against such Owner for the collection of Noncompliance Damages and/or to foreclose the Association's Assessment Lien. The Association shall have the power to bid on the Unit at any such foreclosure sale and to acquire, hold, lease, mortgage, and convey same except that the amount the Association may bid at any such sale may not exceed the total amount owed to the Association by the delinquent Owner. The Noncompliance Damages shall also be the personal obligation of the Person who was the Owner at the time the Assessment, fine, or other duly levied charge became due. Such personal obligation shall not pass to successors in title unless expressly assumed by them. Any sale or transfer described herein shall not relieve such Unit from liability for any Assessments accruing after such sale or transfer.

14. Priority of Assessment Lien. The Assessment Lien described in the preceding Paragraph shall be superior to all other liens and encumbrances on such Unit except for:

(a) liens of ad valorem taxes; and (b) a lien for all sums unpaid on a first Mortgage, on any secondary purchase money Mortgage, or on any Mortgage to Declarant, and all amounts advanced pursuant to any such Mortgage and secured thereby in accordance with the terms of such instrument; provided, however, that the subordination of the Assessment Lien to the foregoing Mortgages shall apply only to Assessments that shall have become due and payable prior to a sale or transfer of such Unit pursuant to a foreclosure. Further, notwithstanding the foregoing, any Mortgage held by a party related to, affiliated with, or controlled by the Owner of the Unit on which such Mortgage exists shall not be entitled to such priority unless such Mortgagee obtains the written agreement of the Association that it will be entitled to such priority before making such Mortgage. All Persons acquiring other liens or encumbrances on any Unit after the recording of this Declaration shall be deemed to consent that such liens or encumbrances shall be inferior to such future equitable charges and liens for Assessments as provided herein, whether or not such prior consent shall be specifically set forth in the instruments creating such liens or encumbrances.

15. No Offsets. All Assessments shall be payable in the amounts specified in the notice related thereto, and no offsets or reductions shall be permitted for any reason, including, without limitation, any claim of non-use of Development Property or any claim that the Association, the Board, or any committee of the Board is not properly exercising its duties and powers under this Declaration.

16. Estoppel Certificate. Upon the payment of such reasonable fee as may be determined from time to time by the Board and upon the written request of any Owner or any Mortgagee or Person intending to acquire any right, title, or interest in the Unit of such Owner, the Association shall furnish a written statement setting forth the amount of any Assessments or other amounts, if any, due and owing to the Association and then unpaid with respect to such Unit and/or the Owner thereof as well as the amount of any assessment levied against such Unit which is not yet due and payable. Such statement shall, with respect to the Person to whom it is issued, be conclusive against the Association to establish that no greater or other amounts were then due or accrued and unpaid and that no other Assessments were then levied and unpaid against such Unit.

17. Records of Assessments. The Association shall cause to be maintained in the office of the Association or its Managing Agent a record of all Owners, their Unit(s), and the Assessments, fines, and/or other duly levied charges applicable thereto that shall be open to inspection by any Owner.

## ARTICLE VII
## ALTERATIONS AND IMPROVEMENTS

1. Common Elements. No Owner shall make any alteration, addition, or improvement to, or place any Improvement upon the Common Elements, or any portion thereof, without the prior written approval of the Declarant and thereafter the Board. The Declarant and thereafter the Board may authorize and charge as part of the Common Assessments any such alteration, addition, or improvement.

2. Designation of Committee. The Association may have an Improvement Review Committee ("IRC"), which may consist of up to three (3) members. During the Appointment Period, the Declarant shall appoint the members of the IRC, who shall be subject to removal at any time by Declarant. Declarant in its sole discretion, may alone constitute the IRC and until the IRC is so appointed, all references herein to the IRC shall mean the Declarant. After the termination of the Appointment Period, the members of the IRC shall be appointed and shall be subject to removal at any time by the Board. After the termination of the Appointment Period, the Board alone may constitute the IRC and until the IRC is so appointed, all references herein to the IRC following the termination of the Appointment Period shall mean the Board. The IRC shall designate an individual as its secretary, and all communications with the IRC shall be conducted through the secretary.

3. Function of Improvement Review Committee. No Improvement shall be erected, constructed, placed, maintained, or permitted to remain on any portion of the Development Property until the Plans and specifications therefor showing the nature, kind, shape, height, materials, color, location, and any other information required by the IRC have been submitted to and approved in writing by the IRC. The IRC shall determine in its sole discretion whether or not the proposed Improvement, and all features thereof, is consistent with the overall development scheme for CARVER CREEK BUSINESS CENTER and otherwise compatible with other Improvements constructed within the Development Property. The IRC shall be the sole judge and arbiter of such consistency and compatibility. As a prerequisite to consideration for such approval, and prior to commencement of proposed work, the Owner, Builder, or any agent thereof shall make the necessary submissions as required by the IRC, together with the applicable fee(s), if any, to be charged by the IRC to defray its costs incurred in considering and acting upon any proposed Plans that may require changes for approval, including costs incurred in relation to an architect's review of the proposed Plans, if necessary. The IRC may refuse approval of any Plans that in its sole judgment are inconsistent with the overall purpose and aesthetic values of the Development Property or the architectural standards described in the Design Guidelines, if any. The IRC shall be the sole arbiter of submitted Plans and may withhold its approval for any reason, including purely aesthetic reasons. The IRC has the authority to waive the requirements set forth in this Article or any portion thereof.

4. Design Guidelines. The IRC may, in its discretion, promulgate Design Guidelines specifying acceptable architectural styles, permissible materials, and acceptable locations for the construction of all Improvements within the Development Property. All Plans for Improvements must be consistent with such Design Guidelines, which may be amended from time to time by the Declarant during the Appointment Period and thereafter the Board.

5. Submission of Plans. Any Owner, Builder, or any agent thereof desiring to construct an Improvement upon any Unit Pad shall first have detailed Plans prepared for such Improvement, which shall be prepared by a licensed architect or approved designer acceptable to the IRC. The scaled Plans to be submitted for IRC review shall include at a minimum the following: (a) plot plan, survey or copy of the recorded site plan / plat showing the dimensions and proposed location of all Improvements to be placed upon the Unit Pad; (b) elevation drawings of the front, sides, and rear of any new structure included

within the Improvements, together with all exterior color selections / schemes and building materials to be used; (c) a landscaping plan, if applicable; and (d) such other information as may be necessary or otherwise requested by the IRC.

6. Approval of Plans. The IRC will certify its approval or disapproval of the Plans within thirty (30) days of the IRC's acknowledged receipt of the Plans, specifications, review fee, and/or other requested information and/or materials. In its sole and uncontrolled discretion, the IRC may grant or withhold its approval of the Plans. By the purchase of property within the Development Property, every Owner shall be conclusively presumed to have consented to the exercise of discretion by the IRC. The IRC's approval of Plans for any Improvement shall be effective for a period of six (6) months only; and if construction of the proposed Improvements shall not have commenced within that time period, the approval shall no longer be valid. In the event written approval is not received within thirty (30) days after the Plans, specifications, review fee, and all requested additional information have been submitted and acknowledged as received by the IRC, then the request for approval shall be deemed DENIED.

7. Unit Interiors. Owners shall be permitted to make any alteration, addition, or improvement to the interior of his Unit without the prior written approval of the Board for so long as such alteration, addition, or improvement does not impair the structural integrity or mechanical systems thereof. However, such Owner shall be responsible for any damage to other Units, the Private Elements, and Limited Common Elements appurtenant thereto, the Common Elements, the Development Property or any part thereof resulting from such alteration, addition, or improvement.

8. Construction Compliance. If the IRC approves Improvement Plans, the Owner shall make a construction compliance security deposit or post a bond, letter of credit, or other acceptable collateral in such amount in the sole discretion of the IRC ("Construction Deposit") in order to insure compliance with the Plans by the Owner, his representatives and/or agents. Upon Owner's completion of construction, including the removal of all trash and debris, Owner shall notify the Board of same so that the completed construction and clean-up may be inspected, confirmed, and approved. Once the completed construction and clean-up have been inspected and approved, the Construction Deposit shall be refunded or released to the Owner; provided, however, the Board shall be entitled to deduct from the Construction Deposit any costs incurred by Declarant or the Association to repair any damage to Common Areas, Limited Common Areas, Common Elements, and/or other Improvements within the Development Property and otherwise to maintain same in a clean and orderly fashion free of mud, dirt, or other debris. Further, the Board shall be entitled to deduct from the Construction Deposit the full amount of any fine assessed against the Owner by the Board for non-compliance with the approved Plans and/or covenants set forth herein.

9. Construction of Improvements. Once the IRC approves the Plans and the Owner has made the Construction Deposit, the Owner, Builder, or any agent thereof shall construct the Improvements in substantial conformity with the approved Plans. Actual construction shall be the responsibility of the Owner and shall commence before the

expiration of the IRC's approval as provided herein above. At all times during the construction of any Improvement, the Declarant during the Appointment Period and thereafter the Board or an authorized agent thereof shall have access to same the purpose of inspection and confirmation that the construction is in substantial accordance with the Plans as approved by the IRC and in compliance with this Declaration or any Supplemental Declaration. If the construction is found not to be in substantial accordance with the Plans as approved by the IRC and/or in compliance with this Declaration, then the Declarant during the Appointment Period and thereafter the Board or an authorized agent thereof shall give written notice to the Owner of such non-compliance and the basis therefor. If the violation is not brought into compliance or a satisfactory resolution is presented in writing by the Owner and accepted by the Declarant during the Appointment Period and thereafter the Board within five (5) business days of the delivery of this written notice, then the Declarant during the Appointment Period and thereafter the Board shall be authorized: (i) to stop construction and all activities related thereto concerning any Improvement until same is made compliant; (ii) to assess reasonable fines related to the non-compliance; and (iii) to make the necessary corrections or to take necessary action to make the Improvements compliant at the Owner's expense.

10. Setback Restrictions. No Unit, Building, structure, or any part thereof shall be located nearer to the front line, rear line, or any side line than the minimum building setback lines required by any applicable governing authority, and as may be shown on the recorded Plat. No encroachment upon any utility easements reserved on the Plat shall be authorized or permitted.

11. Limited Effect of Plan Approval. The approval by the IRC of an Owner's Plans for the construction of an Improvement is not intended to be an approval of the structural stability, integrity, or design of a completed Improvement, the safety of any component therein, or the compliance thereof with the regulatory requirements or any federal, state, or local law, regulation, or ordinance. This approval by the IRC is required solely for the purpose of insuring compliance with the covenants contained herein and further to insure the harmonious and orderly architectural and aesthetic development and improvement of CARVER CREEK BUSINESS CENTER. Notice is hereby given to any future Owner and/or occupant of any completed Improvement and all invitees and other persons who may from time to time enter or go on or about such completed Improvement that no permission or approval granted by the IRC, the Declarant, or the Association with respect to the construction of any Improvement pursuant to this Declaration shall constitute or be construed as an approval of the structural stability, integrity, or design of a completed Improvement, the safety of any component therein or the compliance thereof with the regulatory requirements or any federal, state, or local law, regulation, or ordinance. As such, no liability shall accrue to the Declarant, the IRC, or to the Association in the event that any such construction shall subsequently prove to be defective or not in compliance with such requirements.

12. Compliance and Penalty. Failure to comply with any provision of this Article, Declarant during the Appointment Period and thereafter the Board may take such action as necessary to achieve compliance therewith, including, without limitation, assessment

of fines that may be debited against the Construction Deposit. The Owner shall, upon demand, immediately reimburse Declarant or other performing party for all expenses incurred in so doing, including reasonable attorney's fees. Declarant and thereafter the Association shall have a lien on the Lot and the Improvements thereon to secure the repayment of such amounts. Such lien may be enforced in the same manner and with the same priority that the lien for Assessments may be enforced.

13. Declarant / Association. Improvements made and/or work performed by the Declarant or the Association shall not be subject to the provisions of this Article. Notwithstanding anything to the contrary set forth elsewhere in this Declaration, Declarant and the Association shall not be responsible for the maintenance, repair, and replacement of any construction, installation, alterations, or additions not made in compliance with the provisions of this Article.

## ARTICLE VIII
## USE RESTRICTIONS

1. General. The following use restrictions apply to all Units and Improvements constructed thereon within the Development Property.

2. Commercial Business Structure. Each Unit shall be used for legal commercial business purposes and purposes incidental and necessary thereto consistent with this Declaration, and not otherwise. In addition, real estate sales offices and construction trailers are permitted on the Development Property by or on behalf of the Declarant or authorized Owner or Builder for purposes of construction and development of the Development Property and the Units located or to be located thereon.

3. Unit Lease. No Unit, or interest therein, shall be leased by a Owner except by a written lease. The Lessee under such lease shall be bound by and subject to all of the terms, conditions, restrictions, rights and obligations of this Declaration, By-Laws, and the Rules and Regulations, which shall be expressly provided in the lease. Failure to comply with the Declaration and By-Laws shall be a default under such lease. No Owner may lease less than the whole of a Unit. This restriction shall not be deemed to prohibit Mortgagee who takes title to a Unit pursuant to the terms of its security instrument from leasing a Unit for a limited time until the Mortgagee can find a buyer for the Unit.

4. Codes. Each Owner shall observe all governmental building codes, health restrictions, zoning restrictions, and other regulations applicable to his Unit. In the event of any conflict between any provision of such code, regulation, or restriction and any provision of this Declaration, the more restrictive provision shall apply.

5. Use of Common Elements. The Common Elements shall be used by Owners and Occupants and their guests, agents, servants, and invitees for access, ingress to and egress from their respective Units, and for such other purposes incidental to the use of the Units; provided, however, areas designed for a specific use shall be used for the purposes approved by the Board. The use, maintenance, and operation of the Common Elements

shall not be obstructed, damaged, or unreasonably interfered with by any Owner or Occupant and shall be subject to any lease, concession, or easement affecting any part or all of said Common Elements, presently in existence or entered into by the Board.

6. Good Condition and Order. Each Owner shall maintain his Unit, Private Elements, and Limited Common Elements appurtenant thereto in good condition and in good order and repair, at his own expense. Each Owner shall not do or allow anything to be done or kept within his Unit, the Private Elements, and Limited Common Elements appurtenant thereto or the Common Elements which may increase the cost or cause the cancellation of insurance on other Units, the Private Elements, and Limited Common Elements appurtenant thereto or the Common Elements.

7. Temporary and Incomplete Structures. No temporary structure or incomplete structure may be used on or within the Development Property at any time temporarily or permanently as a commercial business structure. No structure of a temporary character, trailer, tent, shack, barn or other outbuilding shall be permitted on or within the Development Property at any time, temporarily or permanently; provided, however, that with the prior written consent of the Board, temporary structures may be erected for use in connection with the repair or rebuilding of a Unit, its Private Elements and Limited Common Elements, or any portion thereof. However, nothing in this Paragraph shall serve to prohibit the Declarant, its agents, representatives, successors or assigns from maintaining a temporary structure for the purposes of a sales and/or construction office during the development of and construction on the Development Property.

8. Garbage Disposal. Trash, garbage, or other waste shall be kept in sanitary containers and shall be disposed of in a clean and sanitary manner. All equipment for storage or disposal of such materials shall be kept in a clean and sanitary condition and shall be kept in the designated area serving the Unit in question.

9. Vehicles. Junk vehicles, inoperable vehicles, unlicensed vehicles not for immediate use or vehicles of any kind in disrepair, may not be kept or parked on any street or in public view on or within the Development Property.

10. Noise. No Owner shall cause or allow any use of his Unit or its Private Elements that results in noise which disturbs the peace and quiet of the Development Property. This restriction includes, without limitation, exterior music systems, public address systems, or other noise sources which disturb other Owners' ability to peacefully possess and enjoy their Unit.

11. Nuisances. Each Owner shall refrain from any act or use of his Unit or its Private Elements that could reasonably cause embarrassment, annoyance, or nuisance to neighboring Units. No noxious, offensive, or illegal activity shall be carried out upon any Unit or its Private Elements.

12. Signs. The following restrictions shall apply to signs:

a. Declarant and thereafter the Board shall have the right to erect and to approve the erection of reasonable and appropriate signs for use of Owners, Occupants, Builders and other parties engaged in commercial activities on the Development Property. Declarant shall have the right to remove any unapproved sign, billboard, poster, or advertising device that is placed on any Lot or Improvement thereon and in doing so shall not be subject to any liability for trespass or other course of action in connection therewith or arising from such removal.

b. No sign, billboard or poster of any kind of a permanent nature shall be erected, exhibited, maintained, or placed upon any Unit or its Private Elements and/or Limited Common Elements without the prior written approval of the Declarant and thereafter the Board. The IRC may, in its discretion, promulgate Sign Guidelines specifying acceptable types, permissible materials, and acceptable locations for signs upon any Unit or its Private Elements within the Development Property. All signs shall comply with regulations that may be adopted by the Association from time to time.

c. All Owners grant to Declarant and thereafter to the Association the right to remove all signs not in compliance with the sign restrictions and in doing so shall not be subject to any liability or criminal action for trespass, destruction of property, or other tort in connection therewith or arising from such removal.

13. Additional Prohibited Activities. The Board may from time to time reasonably prohibit certain activities on or within the Development Property and such prohibition shall be final and binding on all Owners.

14. Compliance and Penalty. Failure to comply with any provision of this Article, Declarant during the Appointment Period and thereafter the Board may take such action as necessary to achieve compliance therewith, including, without limitation, assessment of fines or corrective action to bring such violation into compliance. The Owner shall, upon demand, immediately pay the fine and/or reimburse Declarant or other performing party for all costs incurred, including reasonable attorney's fees. Declarant and thereafter the Association shall have a lien on the Unit and Improvements thereon to secure payment of fines and/or reimbursement for such costs. Such lien may be enforced in the same manner and with the same priority that the lien for Assessments may be enforced.

## ARTICLE IX
## ASSOCIATION PROPERTY MAINTENANCE

1. General Owner Use and Enjoyment Rights. Except as may be provided in a Supplemental Declaration, every Owner shall have a right and easement of enjoyment in and to the Development Property, which shall be appurtenant to and shall pass with the title to each Unit, subject to applicable law, provisions of this Declaration, any Supplemental Declaration, Charter, Bylaws, and Rules and Regulations. All Owners may use the Development Property, unless otherwise provided by law or in this Declaration or unless provided in Supplemental Declarations governing the Unit of such Owner.

2. No Partition. No Owner shall have the right to partition or seek partition of the Development Property or any part thereof.

3. Common Elements. Except as otherwise provided herein, maintenance of, repairs to and replacements within the Common Elements shall be the responsibility of and shall be furnished by the Association, the cost of which shall be part of the Common Assessment assessed to and paid by Owners benefitted thereby.

4. Units, Private Elements, and Limited Common Elements. Each Owner, at his own expense, shall furnish and be responsible for all maintenance of, repairs to and replacements within his Unit as well as to the Private Elements and Limited Common Elements appurtenant to his Unit. If any Owner fails to maintain, repair, or replace any items required herein to be maintained, repaired, or replaced by said Owner, then the Association shall have the right, but not the duty, in its sole discretion, to carry out such maintenance, repair, or replacement, the cost of which shall become a Reimbursement Assessment attributable to such Unit.

5. Owner Liability for Damage. Each Owner and any tenant, occupant, family member, guest, agent, servant, or invitee thereof shall be liable to the Association for any damage to the Development Property or for any expense or liability incurred by the Association, to the extent not covered by insurance, which may be sustained by reason of the negligence or willful misconduct of such Owner or tenant, occupant, family member, guest, agent, servant, or invitee of such Owner and for any violation by such Owner or tenant, occupant, family member, guest, agent, servant, or invitee of this Declaration, any Supplemental Declaration, the Articles of Incorporation, the Bylaws, or the Rules and Regulations. The Association shall have the power, as elsewhere provided herein to levy and collect Reimbursement Assessments against a Owner to cover the costs and expenses incurred by the Association on account of any such damage or any such violation of this Declaration, Bylaws, or Rules and Regulations, or for any increased insurance premiums directly attributable to any such damage or any such violation.

6. Damage Removal and Reconstruction. In the event of damage to Common Elements by fire or other casualty or in the event any governmental authority shall require any repair, reconstruction, or replacement of any Development Property, the Board shall promptly cause debris to be cleared and leave the same in a neat and orderly condition. The Board shall, in its sole and absolute discretion without intervention of any Owner, determine and arrange for prompt repair, restoration, and reconstruction of the damaged portion of such Common Elements and Limited Common Elements in substantial accordance with the original plans and specifications therefore. Any change or alteration must be approved by the Board. Where the insurance indemnity is insufficient to cover the cost of such repairs, restoration and reconstruction, the deficit shall be paid by all Owners directly affected by the damage or destruction in a fair proportion as determined by the Board in its sole and absolute discretion. The Board shall not be responsible for the repair, replacement or restoration of any Unit, the Private Elements or any furnishings, fixtures, appliances, equipment, decorations, or landscaping installed in or for the sole benefit of a Unit by its Owner.

7. Non-Compulsory Reconstruction. Reconstruction shall not be compulsory where the whole or more than two-thirds (2/3rds) of any single Building is destroyed or damaged by fire or other casualty as determined by the Board. In such case and unless otherwise unanimously agreed upon by the Owners directly affected by the casualty, the net proceeds of insurance policies shall be divided equally among such Owners and the Mortgagees of the Units directly affected by the casualty as determined in the sole discretion of the Board, after paying from the share of each affected Owner or Mortgagee, as their interests may appear: (a) the costs of removing debris and returning the site to a condition compatible with the overall appearance of the Development Property, including without limitation, landscaping, and (b) the just amount of any unpaid liens on any Unit in the order of priority of such liens. Provided, however, no such disbursement of the aforesaid insurance proceeds to any Owner or Mortgagee shall occur unless simultaneously with such disbursement each affected Owner delivers to the Board a recordable deed quit claiming his interest in his Unit and the Private Elements and Limited Common Elements appurtenant thereto to the Board, as trustee for the remaining Owners, and also delivers to the Board a recordable release of any liens on his Unit.

8. Withdrawal of Destroyed Unit and Percentage Interest Reallocation. Upon recording of the deeds and releases referred to in the preceding paragraph as same relate to each such destroyed Unit, said Unit shall be deemed withdrawn and shall be thereafter deemed to be Common Elements. After the Board has affected any such withdrawal, the responsibility for the payment of future Common Assessments for any such withdrawn Unit shall cease.

## ARTICLE X
## MORTGAGEE RIGHTS AND PROTECTIONS

1. Actions Requiring Mortgagee Approval. Except as otherwise provided in the Act, without the prior written consent at least fifty-one percent (51%) of all recorded first Mortgagees of Units or beneficiaries thereunder (based upon one vote for each Unit upon which a Mortgage is owned), who have requested such notice, the Association shall not be entitled to:

a. By act or omission, seek to abandon or terminate the Planned Unit Development established hereby or to seek to abandon or terminate the restrictions herein.

b. Change the formula for determining each Unit's Common Assessment liability or allocating distributions of hazard insurance proceeds or condemnation awards.

c. By act or omission, seek to abandon, partition, subdivide, encumber, sell or transfer the Common Elements; provided that, the granting of easements for public utilities or for other public purposes consistent with the intended use of the Common Elements by the Development Property shall not be deemed to transfer within the meaning of this clause.

d. Use hazard insurance proceeds for losses to any Common Element for other than the repair, replacement, or reconstruction of such Improvements, except as provided by statute.

2. Voting Rights. In addition to the required Votes of the Owners necessary to approve a proposed amendment as set forth in this Declaration, unless a higher percentage Vote is required elsewhere in this Declaration or by the Act, written consent of at least fifty-one percent (51%) of all recorded first Mortgagees of Units or the beneficiaries thereunder (based upon one vote for each Unit upon which a Mortgage is owned), who have requested such notice, shall be required to approve any amendment to this Declaration or the By-Laws which would materially affect or change:

a. An Owners' voting rights, rights to use Common Elements, or the right to sell or transfer a Unit.

b. The method of assessment of Common Assessments or the priority of the lien of the Association for unpaid Common Assessments or other duly levied charges.

c. The requirement of a reserve fund for the repair or replacement of the Common Elements, and the responsibility for maintenance or repair of the Common Elements or Units.

d. Unit boundaries or method of determining when property will be reconstructed or repaired in the event of partial destruction or the conversion of a Unit to Common Elements or vice versa.

e. Any provision of this Declaration which expressly benefits any Mortgagee, insurer or guarantor.

3. Insurance Policy. Mortgagees shall have the right, upon written request, to receive notice from the Association of any lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained by the Association.

4. Condemnation and Casualty Loss. Mortgagees shall be entitled to timely written notice of any condemnation or casualty loss that affects either a material portion of the Common Elements or the Unit securing the Mortgagee's Mortgage, and no Owner or any other party shall have priority over any rights of Mortgagees in the case of a distribution to Owners of insurance proceeds or condemnation awards related to Units and/or Common Elements.

5. Mortgagee Consent. Mortgagees shall also have the right, upon written request, to receive written notice from the Association of any proposed action that requires the consent of a specified percentage of Mortgagees.

6. Mortgagor Default. Mortgagees, upon written request, shall be notified by the Association in writing of any default by the mortgagor of a Unit in the performance of such

mortgagor's obligations under the Development Property documents which is not cured within sixty (60) days from the date of such default.

7. Unit Disposition. This Declaration, the By-Laws, or any other constituent documents of the Development Property shall not impair the rights of any Mortgagee to: (a) foreclose or take title to a Unit pursuant to remedies provided in the Mortgage; (b) accept a deed (or assignment) in lieu of foreclosure in the event of default by a mortgagor; or (c) sell a Unit acquired by the Mortgagee.

8. Reserve Fund. Common Assessments shall include an adequate reserve fund for maintenance, repair, and replacement of those Common Elements, if any, that must be replaced on a periodic basis and shall be payable in regular installments rather than by Special Assessments.

9. General Notice. Mortgagees shall request notice of the matters set forth herein by making written request to the Association upon becoming an Mortgagee hereunder and requesting that the name and address of such Mortgagee and the Unit so encumbered be identified by the records of the Association. Any notice requesting approval of any Mortgagee as required herein shall advise said Mortgagee that failure to respond within sixty (60) days of said notice shall be deemed to be approval by said Mortgagee of the matter for which approval is being sought.

## ARTICLE XI
## AMENDMENTS

1. Owners. Except as otherwise provided herein, the provisions of this Declaration may be changed, modified, or amended by Supplemental Declaration or other written and properly recorded instrument setting forth such change, modification, or amendment, upon the affirmative Vote of not less than fifty percent (50%) of the Members present at a duly called meeting of the Association or the affirmative written consent of such percentage of the Members at which a quorum is present unless a higher percentage Vote is required elsewhere in this Declaration or applicable law. However, any such change, modification, or amendment that would change or delete any right, remedy, benefit, or privilege afforded to the Declarant under this Declaration shall require the verified written consent of the Declarant upon such instrument in order to be effective. In the event of a tie Vote, the President shall cast the deciding vote. Unless a higher percentage is required by law, revocation of this Declaration or the self-management of the Association shall require the affirmative Vote of not less than sixty-seven percent (67%) of the all the Members of the Association entitled to Vote at a duly called meeting of the Association or the affirmative written consent of such percentage of the Members at which a quorum is present. Any such change, modification, amendment, or revocation shall not become effective until the instrument evidencing such change has been recorded in the Register's Office for DAVIDSON County, Tennessee.

2. Declarant. The Declarant hereby reserves and shall have the right, power, privilege, and authority, in its sole discretion, to amend this Declaration and any Exhibit

hereto without the consent, joinder, or approval of the Association, the Board, Owner, any Person having a contractual right to purchase a Unit, any Mortgagee or beneficiary of any Mortgage or deed of trust on any Unit, or any other Person. Such right, power, privilege, and authority of Declarant shall expire two (2) years after the termination of the Appointment Period. Declarant shall be in no way obligated to amend this Declaration or any Exhibit hereto pursuant to this Paragraph.

3. Discrimination. No amendment shall discriminate against any Owner or against any group of Owners, unless the Owner(s) so affected shall consent. No amendment shall change the Voting rights provided herein unless the Owner(s) so affected shall consent.

## ARTICLE XII
## MISCELLANEOUS PROVISIONS

1. Duration. The covenants and restrictions of this Declaration shall run with and bind title to the Development Property, shall be binding upon and inure to the benefit of Declarant, the Association, and all Owners and Mortgagees, and their respective heirs, executors, legal representatives, successors, and assigns, and shall be and remain in effect until the twenty-fifth ($25^{th}$) anniversary of the date of the Recording of this Declaration, whereupon this Declaration shall automatically renew for successive terms of five (5) years unless Owners holding at least two-thirds of the Vote of all Owners entitled to cast a Vote elect to terminate the Declaration by vote taken at least six (6) months prior to the end of the current term. Notwithstanding the foregoing, any easements granted pursuant hereto or in any Supplemental Declaration are and shall be perpetual, except to the extent otherwise provided in the creation of such easement, and except that any dedication to and acceptance by an appropriate governmental authority or conveyance or grant to any public utility of the facilities that are the subject of any such easements shall terminate those easements if such dedication, conveyance, or grant so provides.

2. Perpetuities and Restraints on Alienation. If any of the options, privileges, covenants or rights created by this Declaration shall be unlawful, void, or voidable for violation of the rule against perpetuities, then such provision shall continue only until twenty-one (21) years after the death of the survivor of the now living descendants of the former President of the United States, George H. W. Bush.

3. Notice to Owners. Notice to any Owner set forth herein shall be sent by prepaid U.S. Mail, FedEx, UPS, or other reputable private carrier, facsimile transmission, or electronic transmission at the address or other contact information provided to the Board by the Owner or in the event no separate address or other contact information has been provided, then by prepaid U.S. Mail or hand delivery to the Owner's Unit. It shall be the obligation of every Owner to notify the Association in writing of any change in address. Any Person who becomes the Owner after the date on which notice was made upon such Owner's predecessor in title to the Unit shall be deemed to have received such notice.

4. Notice to Declarant or Association. The address of the Declarant or the Association for the purposes of furnishing notice(s) as provided in this Declaration or the

By-Laws shall be the Association's principal office of record in the Office of the Secretary of State for the State of Tennessee, unless and until notice of an alternative address is given in writing to all Owners. Notices addressed as above shall be delivered in person with written acknowledgment of the receipt thereof or sent by prepaid U.S. Mail, FedEx, UPS, or other reputable private carrier, receipt signature required.

5. Statute of Limitation. No action in contract, tort, or otherwise against the Association, the Board, or the Declarant for any action or inaction by the same or to challenge the validity of this Declaration, any Supplemental Declaration or other duly adopted amendment may be brought more than one (1) year after the occurrence of such action or inaction or the date this Declaration, the Supplemental Declaration, or other instrument is recorded.

6. Books and Records. Except for confidential, non-public information of the Association or that affecting the privacy rights of third parties or otherwise subject to confidentiality or non-disclosure protections or objections under any basis, the books and records of the Association is subject to inspection at the principal office of the Association by any Owner during reasonable business hours and upon ten (10) days prior written notice. Copies of such records may be purchased at a reasonable cost.

7. Right To Mortgage Information. Each Owner hereby authorizes any Mortgagee holding a Mortgage on such Owner's Unit to furnish information to the Board concerning the status of such Mortgage and the loan which it secures, to the extent such information is appropriate to assist the Association in determining if such loan is a valid first Mortgage or secondary purchase money Mortgage.

8. Limitation on Liability. The Association, Board, any other committee established by the Board, the Declarant, and any member of the Board or any committee, officer, agent, or employee of any of them (collectively the "Indemnitees") shall not be liable to any Person for any mistake of judgment, whether negligent or otherwise, or for any action or any failure to act under this Declaration or any Supplemental Declaration. In addition, the Board and the officers of the Association shall have no personal liability with respect to any contract or other commitment made by them, on behalf of the Association (except to the extent that such directors or officers may also be Owners) and the Association, as an Administrative Function, shall indemnify, hold harmless, and defend the Board and such officers from any and all expense, loss, or liability to others on account of any such contract or commitment. In addition, the Indemnitees shall be indemnified and held harmless by the Association, as an Administrative Function, from any expense, loss, or liability to others by reason of having served in such capacity, against all expenses, losses, and liabilities, including court costs and reasonable attorney's fees incurred by or imposed upon such Person in connection with any proceeding to which he may be a party or may have become involved by reason of holding such position, whether or not he holds such position at the time such expenses are incurred, except in cases in which the expenses, losses, and liabilities arise from a proceeding in which such Person is adjudicated guilty of willful misfeasance, gross negligence, or bad faith in the performance of his duties and for which indemnification is prohibited by law under the Tennessee Not For Profit Corporation Act.

In the event of a settlement of any such proceedings, the indemnification provided hereby shall apply only when the Board approves such settlement and reimbursement as being in the best interests of the Association. Any right of indemnification provided in this Paragraph shall not be exclusive of any other rights to which an Indemnitee may be entitled.

9. Land Outside Development Property. The restrictions created by this Declaration benefit and burden only the Development Property and no other land whatsoever. Notwithstanding any possible sharing of present or future facilities by other land, whether developed by Declarant or others, the general plan created by the restrictions of this Declaration extends only to the Development Property, and such restrictions are not intended to benefit any Persons other than those having an interest in the Development Property. No Person owning land or having an interest in land outside of the Development Property shall have any right whatsoever to enforce this Declaration for the benefit of such land, and neither the Association nor any Owner shall have the right to extend the enforcement of this Declaration to any real property not within the Development Property. Provided, however, nothing contained herein shall in any way preclude or limit the applicable governing bodies from enforcing the terms of this Declaration.

10. Governing Law. This Declaration shall be construed, governed, and enforced under and in accordance with the laws of the State of Tennessee.

11. Interpretation. The Board shall have the right, power, and authority to determine all questions arising under or in connection with this Declaration and to construe and interpret its provisions, and any determination, construction, or interpretation made in good faith by the Board shall be binding on all Owners. In all cases, the provisions set forth in this Declaration shall be construed, in the opinion of the Board, to best effect the intent of the general purposes of this Declaration. The provisions hereof shall be liberally interpreted to effectuate the purposes set forth herein, and, if necessary, they shall be so extended or enlarged by implication as to make them fully effective.

12. Remedies Cumulative. The rights, powers, and remedies provided in this Declaration shall be cumulative and not restrictive of other remedies at law or in equity, and the exercise by a Person of any particular right, power, or remedy shall not be deemed an election of remedies or to preclude such Person's resort to other rights, powers, or remedies available to it.

13. Partial Invalidity. Invalidation of any one or more of the provisions of this Declaration by judgment or court order shall not affect any other provision not expressly held to be void or the provisions so void in circumstances or applications other than those expressly invalidated, and all such remaining provisions shall remain in full force and effect together with the provisions ruled upon as they apply to circumstances other than those expressly invalidated.

14. Severability. If any provision of this Declaration, the By-Laws, or any section, sentence, clause, phrase, word or the application thereof in any circumstance is held

invalid; the validity of the remainder of this Declaration and the By-Laws and of the application of any such provision, section, sentence, clause, phrase or word in any other circumstances shall not be affected thereby, and the remainder of this Declaration or the By-Laws shall be construed as if such invalid part was never included therein.

15. Captions and Gender. The captions herein are inserted only as a matter of convenience, and in no way define, limit or describe the scope of these provisions or the intent of any provision hereof. The use of the masculine gender in this Declaration and in the By-Laws shall be deemed to include the feminine and neuter references, and the use of the singular shall be deemed to include the plural whenever the context so requires.

16. Exoneration of Declarant. Each Owner or any other party having an interest in any portion of the Development Property expressly agree that no duty or obligation is imposed upon the Declarant to enforce or attempt to enforce any of the covenants or restrictions contained herein, nor shall the Declarant be subject to any liability of any kind or nature whatsoever in respect to any claim that the Declarant has failed to enforce same.

17. Conflicts in Legal Documents. In case of conflicts between the provisions in this Declaration, the Articles of Incorporation, the Bylaws, or the Rules and Regulations, this Declaration shall control.

18. Effective Date of Declaration. The effective date of this Declaration shall be the date of its Recording in the Register's Office for DAVIDSON County, Tennessee.

# BY-LAWS OF CARVER CREEK BUSINESS CENTER OWNERS ASSOCIATION, INC.

## ARTICLE I
## DEFINITIONS

The words defined in the Declaration of Protective Covenants, Conditions, and Restrictions for CARVER CREEK BUSINESS CENTER of Record in the Register's Office for DAVIDSON County, Tennessee shall have the same meaning in these By-Laws.

## ARTICLE II
## NAME AND OFFICES

1. Name. The name of the corporation shall be CARVER CREEK BUSINESS CENTER OWNERS ASSOCIATION, INC. (the "Corporation").

2. Registered Office and Agent. The initial registered office of the Corporation is CARVER CREEK BUSINESS CENTER OWNERS ASSOCIATION, INC., 3738 Dickerson Pike, Nashville, Davidson County, Tennessee 37207, as may be relocated by the Board from time to time. The name of the initial registered agent of the Corporation is Terry Flatt, who may be located at the initial registered office.

3. Other Offices. The Corporation may also have offices at such other places both within and outside the State of Tennessee as the Board may from time to time determine or the business of the Corporation may require.

## ARTICLE III
## MEMBERS AND MEMBERSHIP PRIVILEGES

1. Eligibility and Membership. The Members of the Corporation shall consist of the Owners of a Unit within the Development Property. If an Owner is a trust, then the Member shall be a beneficiary of such trust; and if an Owner or such a beneficiary is a corporation or partnership, the Member may be an officer, partner, or employee of such Owner or beneficiary. No Member shall be required to pay any consideration whatsoever solely for membership in the Corporation.

2. Succession. The membership of each Owner shall terminate when he ceases to be an Owner, and upon sale, transfer, or other disposition of his ownership interest in the Development Property, his membership in the Corporation shall automatically be transferred to the new Owner succeeding to such ownership interest.

## ARTICLE IV
## MEETINGS OF MEMBERS

1. Annual Meetings. The first regular annual meeting of the Members may be held, subject to the terms hereof on any day, at the option of the Board; provided, however, that the first meeting may (if necessary to comply with Federal Regulations) be held no later than the earlier of the following events: (a) Four (4) months after all the Units within the Development Property have been sold by the Declarant; or (b) Three (3) years following conveyance of the first Unit within the Development Property by the Declarant. Each subsequent regular annual meeting of the Members shall be held within twenty-five (25) days of the anniversary of the first regular annual meeting each year thereafter at such time as set by the Board.

2. Special Meeting. Following the Appointment Period, special meetings of the Members, for any purpose or purposes, may be called by the President, a majority of the Board, or by Members having not less than sixty-seven percent (67%) of the total Vote entitled to be cast at such meeting, except as otherwise required by Tennessee statute, the Declaration, or these By-Laws. Business transacted at all special meetings shall be confined to the business stated in the notice of such meeting.

3. Place and Time of Meetings. Meetings of the Members of the Corporation may be held at a place and at such time to be determined by the Board within DAVIDSON County, Tennessee as specified in the written notice of such meeting.

4. Notice. By or at the direction of the Declarant, president, secretary, or officer or Person authorized to call the meeting, written notice shall be sent to every Member of the Association entitled to Vote at such meeting by prepaid U.S. Mail, FedEx, UPS, or other reputable private carrier, or facsimile or electronic transmission to the address or other contact information provided to the Board by the Owner or in the event no separate address or other contact information has been provided, then by prepaid U.S. Mail or hand delivery to the Owner's Unit not less than ten (10) nor more than sixty (60) days prior to the date of such meeting. Said notice shall state the place, day, and hour of the meeting and in the case of a special meeting, the purpose(s) for which the meeting is called.

5. Quorum. The presence in person or by proxy of at least thirty-five percent (35%) of the Votes entitled to be cast at a meeting of the Members shall constitute a quorum at all meetings of the Members for the transaction of business. If, however, the Members entitled to Vote in person or represented by proxy present at a meeting fail to satisfy a quorum, the Members present shall have the power to adjourn the meeting, without notice other than announcement at the meeting, until a quorum shall be present or represented. Further, if a quorum is not present, a subsequent meeting may be called, and the required quorum shall be reduced by half at such meeting. Such procedure may be repeated until a quorum is established, although in no event may the required quorum be less than ten percent (10%) of the Votes entitled to be cast at a meeting of the Members.

6. Majority Vote; Withdrawal of Quorum. When a quorum is present at any meeting, the majority Vote of Members present, in person or by proxy, and entitled to Vote shall decide any question brought before such meeting, unless the question is one upon which by express provision of an applicable Tennessee statute, the Declaration, or these By-Laws, a different Vote is required, in which case such express provision shall govern and control the decision of such question. The Members present at a duly organized meeting may continue to transact business until adjournment, notwithstanding withdrawal of enough Members to leave less than a quorum.

7. Method of Voting; Proxies. Each Member shall be entitled to cast one (1) Vote each Unit owned by such Member as further provided in the Declaration. The Vote of each Member may only be cast by such Member or by a proxy duly executed and given by such Member to his authorized representative as set forth on such proxy. No proxy shall be valid for more than one meeting and shall bear the signature of the Member making the proxy, the date of the meeting to which the proxy relates, and the name of the authorized representative to Vote on behalf of the Member. Such proxy may not be revoked except by actual notice to the Person presiding over the meeting for which the proxy relates; and such proxy is void, if it is not dated or purports to be revocable without notice. Such proxy shall be filed with the secretary of the Association prior to or at the time of the meeting. If title to any property ownership interest in a Lot of the Development Property entitling the Member to Voting rights as provided in the Declaration is in the name of two or more Persons as co-owners, all such Persons shall be Members of the Corporation, referred to herein as a "Joint Member." Any such Joint Member is entitled to one unanimous Vote per entitled Member as provided in the Declaration at any meeting of the Members of the Corporation, and such Vote shall be binding upon the Joint Member until written notice to the contrary has been received by the Board identifying the authorized manner in which the Joint Member's unanimous Vote is to be cast (in person or by proxy). In the event of disagreement among such Joint Member to cast a Vote, such Joint Member shall not be recognized, and such Vote shall not be counted.

8. Assessment Default: No Owner who is in default in the payment of any Assessment or other duly levied charge shall be entitled to exercise his right to Vote until he has cured such default. An Owner may protest the amount of any Assessment or other duly levied charge, but it still must be paid during the pendency of his protest to the Association or its agent.

9. Action Taken Without A Meeting. The Members shall have the right to take any action in the absence of a meeting which they could take at a meeting by obtaining the written consent of the number of members which would otherwise be required to approve such action. For instance, if an action required the approval of Members holding a majority of the total Voting rights of the members, then a writing signed by Members holding a majority of the total Voting rights of the Members would be effective as if such approval was given at a meeting duly called for such purpose. Any action so approved shall have the same effect as though taken at a properly called meeting of the Members.

## ARTICLE V
## BOARD OF DIRECTORS

1. Board Authority and Number. The affairs of the Association shall be managed by a Board of Directors. During the Appointment Period, the members of the Board, who need not be Members of the Association, shall be appointed by the Declarant and shall serve at the pleasure of the Declarant. After the Appointment Period, the Board shall consist of up to three (3) directors each of whom must individually be a member of the Association or be the Declarant, its assignee or officer, agent, or representative thereof.

2. Election. After the Appointment Period, the election of the members of the Board to be elected for a particular year shall occur at the annual meeting of the Members. The election of the Board by the Owners shall be based on the number of Persons receiving the highest number of Votes for as many candidates as there are Directors being elected at a meeting of the Owners at which a quorum is present. Cumulative Voting is not permitted.

3. Nomination. Nomination for election to the Board shall be made by a Nominating Committee. Nomination may also be made from the floor at the annual meeting. The Nominating Committee shall consist of a Chairman who shall be a member of the Board and two or more Members of the Association. The Nominating Committee shall be appointed by the Board prior to each annual meeting of the Members to serve from the close of such annual meeting until the close of the next annual meeting, and such appointment shall be announced at each annual meeting. The Nominating Committee shall make as many nominations for election to the Board as it shall in its discretion determine, but not less than the number of vacancies that are to be filled.

4. Term of Office. Directors shall be elected for terms of two (2) years or until their successor is elected. In addition, the initial Directors elected by the Members after the Appointment Period shall be grouped into two (2) separate classes so that approximately one-half of the existing total number of Directors are up for re-election each year. Thus, as to such initial Directors elected by the Members, certain Directors will serve for a one (1) year term and certain Directors shall serve for a two (2) year term as may be determined by the initial Directors elected by the Owners.

5. Vacancies. If any vacancy occurs in the Board, caused by death, removal from office, retirement, resignation or disqualification, a successor(s) shall be elected by majority vote of the remaining Directors for the unexpired term of his predecessor in office. Any Director who ceases to be a Member of the Association during such Director's term in office shall cease being a Director effective with such change, and such Director's successor shall be selected by the remaining Members of the Board.

6. Director Removal by Board Members. Any Director may be removed from office with or without cause by the majority vote of the Directors, who shall elect a successor Director for the unexpired term of his predecessor in office by majority vote.

7. Director Removal by Members. Notwithstanding any provision to the contrary in the Declaration or these By-Laws, any member of the Board other than a member appointed by the Declarant may be removed with or without cause by majority Vote of all the Members of the Association.

8. Place of Meetings. The Directors of the Corporation shall hold their meetings, both regular and special, DAVIDSON County, Tennessee or such other location as may be selected by unanimous consent of the Directors then elected and serving. Regular meetings of the Board may be held without notice at such time and place as shall from time to time be determined by the Board. Special meetings of the Board may be called by the president or a majority of the Directors upon three (3) days written notice to each Director, either personally, by mail, by facsimile, or by other electronic transmittal. Except as may be otherwise expressly provided by Tennessee statute, the Declaration, or these By-Laws, neither the business to be transacted nor the purpose of any special meeting need be specified in a notice or waiver of notice.

9. Quorum. At all meetings of the Board, the presence of a majority of the Directors shall be necessary and sufficient to constitute a quorum for the transaction of business. The act of a majority of the Directors present at any such meeting at which there is a quorum shall be the act of the Board. If a quorum shall not be present at any meeting of the Directors, the Directors present may adjourn the meeting by announcement at the meeting without notice until a quorum shall be present.

10. Action Taken Without a Meeting. The Directors shall have the right to take any action in the absence of a meeting which they could take at a meeting by obtaining the written approval of all the Directors. Any action so approved shall have the same effect as though taken at a meeting of the Directors.

11. Compensation. No Director shall receive compensation for any service he may render to the Association. However, any Director may be reimbursed for his actual expenses incurred in the performance of his duties.

12. Agents and Delegation of Powers. Except as otherwise prohibited by statute, the Declaration, or these By-Laws, the Board may delegate any of its powers to other Persons or Management Agent. Any such delegated powers shall be identified in writing maintained in the records of the Association.

## ARTICLE VI
