ARTICLE IV
ASSESSMENTS

Section 4.1 Liability, Lien and Enforcement. The Association is given the authority to administer the operation and the management of the Condominium Property, it being recognized that the delegation of such duties to one entity is in the best interest of the Owners of all Master Units. To provide the funds necessary for such proper operation, the Association is hereby granted the right to make, levy, and collect annual assessments against the Owners of all Master Units to pay Common Expenses and such other expenses which the Association is authorized to incur under the terms and conditions of this Declaration. The Association is also authorized to make, collect and levy assessments against Master Unit Owners for reimbursement of expenses the Association is caused to incur by reason of any act of the Owner, its guests, invitees or tenants for damages of any nature and for penalties for rules violations. In furtherance of said grant of authority to the Association to make, levy and collect assessments to pay the costs and expenses for the operation and management of the Condominium Property, the following provisions shall be effective and binding upon the Owners of all Master Units.

Section 4.2 Assessments.

(a) All assessments for the payment of Common Expenses shall be levied annually against the Owners of all Master Units, and unless specifically otherwise provided for in this Declaration, each Owner of a Master Unit and the Master Unit shall bear the same percentage share of such assessment as the percentage share of ownership for the undivided interest in the Common Elements appurtenant to such Master Unit. The assessments for Common Expenses shall be payable over the course of the year in advance monthly installments commencing for all Master Units on the date determined by Declarant after the date of sale of a

Master Unit or in such other installments and at such times as may be determined by the Board of Directors of the Association. To the extent the initial assessment includes charges for utilities and other costs which will not be incurred by the Association until a Master Unit or Sub Unit is initially occupied, then the Association may make an equitable reduction in the amount of the regular assessment due from such Master Unit relating to such utility services and other costs as provided in Section 5.4.

(b) Assessments for the payment of Limited Common Expenses shall be levied against the Owners of those Master Units to which the Limited Common Elements are appurtenant unless the Board of Directors determines that it would be as equitable and more efficient to include certain Limited Common Expenses in Common Expenses. The assessments for Limited Common Expenses, if any, shall be payable in such installments and at such times as may be determined by the Board of Directors of the Association.

(c) The Association may assess the Owners of Master Units for the repair and maintenance of various components of the Common Elements or Limited Common Elements based on the usage of any component of the Common Elements or Limited Common Elements. Such assessments shall not be included in the assessment for Common Expenses, but shall be payable in such manner and at such times as may be determined by the Board of Directors of the Association.

(d) In the event a Master Unit has been submitted to an additional declaration creating an additional condominium, all assessments assessed against a Master Unit shall be paid by the Sub Association created under such additional declaration.

Section 4.3 Annual Budget. Within sixty (60) days prior to the beginning of each calendar year, the Board of Directors of the Association shall adopt an annual budget for such calendar year, and such budget shall project the amount of funds for the forthcoming year which may be required for the proper operation, management and maintenance of the Condominium Property, and may include reasonable allowances for contingencies and reserves for replacements. The Association shall not be required to include reserves for repairs and replacement if the provision for such reserves will result in tax liability to the Association for such revenues in excess of expenses. The Association shall also have the right to refund any assessments in excess of actual expenditures to avoid tax liability on such excess amounts. The budget shall take into account any projected anticipated income which is to be applied in reduction of the amounts required to be collected as an assessment each year. Within thirty (30) days after adoption of such annual budget by the Board of Directors of the Association, copies of the budget shall be made available to each Master Unit Owner.

Should the Board of Directors at any time determine in the sole discretion of the Board of Directors that the assessments levied are or may prove to be insufficient for any reason including emergencies and non-payment of any Owner's assessment, the Board of Directors shall have authority to levy such additional assessments as it shall deem necessary in accordance with the applicable provisions of the Condominium Documents and the Act.

Section 4.4 Omission of Assessment. The omission by the Association, before the expiration of any year, to fix the assessments for that or the next year shall not be deemed a waiver or modification in any respect of the provisions of this Declaration, or a release of any Owner from the obligation to pay assessments or any installment thereof for that or any

subsequent year, but the assessment fixed for the preceding year shall continue until a new assessment is fixed.

Section 4.5 Detailed Records. The Association shall keep detailed, accurate records in chronological order of the receipts and expenditures affecting the Common Elements, specifying and itemizing the maintenance and repair expenses of the Common Elements, Limited Common Elements and any other expenses incurred. The Association shall make available to Owners, Mortgagees and lenders on any Master Unit or Sub Unit, the books, records and financial statements of the Association. The Association shall make available to prospective purchasers the most recent annual audited financial statement of the Association, if such is prepared. "Available" means available for inspection upon request, during normal business hours or under other reasonable circumstances.

Section 4.6 Payment of Common Expenses and Limited Common Expenses. All Master Unit Owners shall be obligated to pay any assessment for Common Expenses and Limited Common Expenses adopted by the Board of Directors pursuant to the terms of this Article IV. No Master Unit Owner may exempt himself from liability for his contribution toward Common Expenses or Limited Common Expenses by waiver of the use or enjoyment of any of the Common Elements, Limited Common Elements or by abandonment of his Unit. No Master Unit Owner shall be liable for the payment of any part of the Common Expenses or Limited Common Expenses assessed against his Master Unit subsequent to a sale or other conveyance by him of such Master Unit. The purchaser of a Master Unit shall be jointly and severally liable with the selling Master Unit Owner for all unpaid assessments against the latter up to the time of conveyance without prejudice to the purchaser's right to recover from the selling Master Unit Owner the amounts paid by the purchaser therefor. Whenever any Master Unit may be sold or mortgaged by the Owner thereof, which sale shall be concluded only upon compliance with the other provisions of this Declaration, the Association, upon written request of the Owner or purchaser of such Master Unit, shall furnish to the Owner, the purchaser or any proposed Mortgagee, a statement verifying the status of the payment of any assessment which shall be due and payable to the Association by the Owner of such Master Unit. Any purchaser or proposed Mortgagee may rely upon such statement in concluding the proposed lease, purchase or mortgage transaction and the Association shall be bound by such statement. In the event that a Master Unit is to be sold or mortgaged when any assessment is outstanding against the Owner of such Master Unit and such assessment due the Association is in default, the purchase or mortgage proceeds shall first be paid by purchaser or Mortgagee to the payment of any delinquent assessment or installment due the Association before the payment of the proceeds to or on behalf of the selling Master Unit Owner.

Section 4.7 Default in Payment of Assessments.

(a) The payment of any assessment or installment thereof due the Association shall be in default if such assessment or any installment thereof is not paid to the Association on or before the due date for such payment. When in default, the delinquent assessment or delinquent installment due the Association shall bear interest at the greater of (i) the maximum legal rate on judgments or (ii) 12%, but not to exceed the maximum rate allowed under applicable law (the "Interest Rate"), and such late fees and penalties provided in the Rules and Regulations of the Association, until such delinquent assessment or installment and all interest due thereon has been paid in full. The Association shall have a lien against Master Units for delinquent assessments. Such lien shall secure and does secure the monies due for all

assessments then or thereafter levied against the Master Unit, and such lien shall also secure interest, if any, which may be due on the amount of any delinquent assessment owing the Association. Such lien shall also secure all costs and expenses, including late penalties and attorneys' fees incurred by the Association in collecting delinquent assessments and enforcing the lien upon any Master Unit and its appurtenant undivided interest in the Common Elements. The lien granted to the Association may be foreclosed in the same manner as real estate mortgages in the State of Tennessee but the Association shall give reasonable advance notice of its proposed action to the Master Unit Owner, the Mortgagee and all other lienholders of record of the Master Unit. The lien granted to the Association shall further secure such advances for taxes and payment on account of superior mortgages, liens or encumbrances which may be required to be advanced by the Association in order to protect and preserve its lien, and the Association shall further be entitled to interest at the Interest Rate on any such advance made for such purpose. Subject to the provisions of Section 4.7(b), all persons, firms or corporations who shall acquire, by whatever means, any interest in the ownership of any Master Unit or who may be given or acquire a mortgage, lien or other encumbrance thereon are hereby placed on notice of the lien rights granted to the Association and shall acquire such interest in any Master Unit expressly subject to the lien.

(b) If any Master Unit has been submitted to an additional declaration resulting in the creation of Sub Units, the Association's lien for delinquent assessments and related expenses shall not attach to the Sub Unit of any Sub Unit Owner who makes timely payment of his share of the assessments assessed by the Association against the Master Unit containing such Sub Unit.

(c) The lien herein granted to the Association shall be effective upon the recording of this Declaration in the Register's Office for Davidson County, Tennessee. No further recordation of any claim of lien for assessment under this section is required, Such lien shall include assessments, late fees, penalties and other charges imposed by the Association for violations of this Declaration, the By-Laws and the Rules and Regulations, and shall include interest, costs, attorneys' fees, advances to pay taxes and prior encumbrances and interest thereon, all as above provided.

Section 4.8 Election of Remedies. Institution of a suit at law to collect payment of any delinquent assessments shall not be deemed to be an election by the Association which shall prevent it from thereafter seeking enforcement of the collection by foreclosure of any sums remaining owing to the Association. Nor shall proceeding by foreclosure to effect such collection be deemed to be an election precluding the institution of a suit at law to collect any sum then remaining owing to the Association. The Association shall be entitled to bid at any sale held in connection with the foreclosure of the assessment lien and may apply as a cash credit against its bid all sums secured by the lien enforced.

Section 4.9 Power of Sale to Enforce Assessment Lien.

(a) For and in consideration of the privileges, protections, mutual enjoyment and use of the Common Elements and the Limited Common Elements, the assumption of the obligations of Master Unit Owners set forth in this Declaration by Master Unit Owners, their successors and assigns, the receipt of which is hereby acknowledged, and to secure the payment of assessments for Common Expenses, and other assessments, assessed against a Master Unit Owner by the Association as provided in this Declaration and By-Laws, interest, late charges and

attorney fees as provided herein, hereinafter collectively referred to as the "Secured Charges," a lien is expressly retained in favor of the Association on each and every Master Unit Owner's Unit and pro rata interest in the Common Elements.

(b) For the purpose of better and more effectually securing the Secured Charges, rendering unnecessary court proceedings for the enforcement of said lien in the event of the nonpayment of the Secured Charges, and for the consideration of one dollar paid in cash, receipt of which is acknowledged, the Master Unit Owners, their heirs, successors, administrators, and assigns, hereinafter referred to as Trustors, hereby transfer and convey unto J. Bryan Echols, Trustee, a resident of Williamson County, Tennessee, his successors and assigns, their respective Master Units with the appurtenances, estate, title and interest thereto belonging upon the uses and trusts set forth in this Section 4.9.

(c) Trustors agree (i) to pay the Secured Charges when due, as provided in this Declaration; to pay, discharge, or remove, any and all liens (except a first mortgage or deed of trust) which may be hereafter placed against their Unit and which shall adversely affect the lien of this instrument or enforcement of the terms and provisions hereof; (iii) to keep their respective Master Units in good repair and preservation; (iv) to comply with all of the terms and conditions of this Declaration and By-Laws and all rules and regulations of the Association; and (v) to pay upon demand of Trustee or the Association, all the costs and expenses, together with reasonable attorneys' fees, of any court appearance or other proceedings required by Trustee, his successors or the Association to enforce any provision of this Declaration and By-Laws or any rule and regulation of the Association. If any Trustor fails to do any of these things, then Trustee or the Association may do any or all of these things, and the amounts so paid shall bear interest at the highest rate allowed under applicable laws in effect from time to time from the day of payment and shall become a part of the Secured Charges secured hereby.

(d) If a Trustor shall pay the Secured Charges when due, then this trust conveyance shall be of no further force or effect with respect to such Trustor's Master Unit. If the Secured Charges with respect to any Master Unit or any portion thereof are not paid promptly when due, this trust conveyance shall remain in full force and effect, and the said Trustee, or his successor in trust, is hereby authorized and empowered, upon giving twenty days' notice by three publications in any newspaper, daily or weekly, published in Davidson County, Tennessee to sell said Master Unit, subject to the provisions of Section 4.7(a) hereof, at the front door of the Court House in said County to the highest bidder for cash, at public outcry, free from the statutory right of redemption, the equity of redemption, homestead, dower and all exemptions and rights of every kind, which are hereby expressly waived; and the said Trustee, or his successor in trust, is authorized and empowered to execute and deliver a deed to the purchaser. The Association may bid at any sale under this trust conveyance. The Association may, at any time after default in the payment of any of the Secured Charges, enter and take possession of said property, and shall only account for the net rents actually received by it. It is further agreed that, in the event the Association fails, before instructing Trustee to sell said Master Unit, as herein provided, to enter and take possession thereof, the purchaser shall be entitled to immediate possession thereof upon the delivery to him by the Trustee of a deed for said property. In case of sale hereunder, the proceeds will be applied by the Trustee as follows:

(i) First, to the payment of all costs, charges and expenses of executing this conveyance and enforcing said lien as herein provided, including reasonable attorneys' fees and expenses incurred for instituting or defending any

litigation which may arise on account of the execution of this conveyance, or the enforcement of said lien;

(ii) Second; to the payment of all unpaid Secured Charges with respect to such Master Unit;

(iii) Third, the residue, if any, will be paid to the Master Unit Owner of such Master Unit, his order, representatives or assigns;

(e) In the case of the death, absence, inability, or refusal to act of said Trustee at any time when action under the foregoing power and trusts may be required or for any other reason, the Association is hereby authorized and empowered to name and appoint a successor to the Trustee by an instrument in writing to be recorded in the Register's Office for Davidson County, Tennessee, and the title herein conveyed to the above named Trustee shall be vested in said successor.

(c) The Association acting through the Board of Directors also shall be responsible for all structural repair or replacement of balconies, patios or terraces. The expense

of such repairs shall be charged to the Owner of the Master Unit containing such balcony, patio or terrace.

(d) If a Master Unit Owner fails to maintain and repair his Master Unit or any Limited Common Element as required by this Declaration, the Association may perform such maintenance and repair and assess the Master Unit Owner for all expenses incurred, together with up to a twenty percent (20%) service charge for the Association's services.

(e) The Association shall inspect the Condominium Property at least annually for repair and maintenance requirements, and shall promptly undertake the repair and maintenance thereof.

The cost of repair for any damage so caused by the Master Unit Owner, or Sub Unit Owners of such Master Unit, their guests, invitees, lessees or licensees, shall be a special assessment against the Master Unit Owner or if applicable only to a Sub Unit Owner, then the assessment shall be a lien only on such Sub Unit. To the extent insurance proceeds from insurance policies maintained by the Association or by any Owner are available for the repair of any such damage, then any Owner otherwise liable for damage and repair expenses under the terms of this Section 5.1(h) shall be relieved to the extent of such insurance proceeds from such liability.

Section 5.2 Each Owner's Obligation to Repair.

(a) Except for those portions of the Master Units which the Association is required to maintain and repair, each Owner shall, at such Owner's expense, maintain his Master Unit in good tenantable condition and repair, and shall be responsible for the repair, maintenance and replacement, if necessary, of the following items in his Master Unit:

(b) The Owner of a Master Unit shall also maintain and repair all Limited Common Elements appurtenant to such Master Unit, except as specifically provided otherwise in this Declaration. The Master Unit Owners shall maintain their balconies, patios or terraces in an orderly and clean condition.

(iv) Not to make any addition or alteration to the Master Unit, or to the Common Elements, or Limited Common Elements or do any act that would impair the structural soundness, safety or overall design scheme of any part of the Condominium Property or that would impair any easement or right of a Master Unit Owner without the prior written consent of the Association and all Master Unit Owners affected thereby;

(e) The Association shall be obligated to answer any request by a Master Unit Owner for any required approval of a proposed addition, alteration or improvement (by painting or otherwise) within forty-five (45) days after such request, but its failure to do so within the stipulated time shall not constitute a consent of the Association to the proposed addition, alteration or improvement. Any application to any governmental authority for a permit to make an addition, alteration or improvement in or to any Master Unit shall be executed by the Association, without, however, it incurring any liability on the part of the Board of Directors or any of them or the Association to any contractor, subcontractor or materialman on account of such addition, alteration or improvement, or to any person having any claim of injury to a person or damage to property arising therefrom. The review by the Association under this Section 5.2 shall in no way make the Association liable for any alterations, additions, or improvements by any Master Unit Owner. Rather, such review is for purposes of aesthetics and control only. The Board of Directors shall have the right to appoint a committee to make recommendations to the Board regarding any request for review; however, the Board is not obligated to appoint a committee and is not obligated to follow the recommendation of the Committee. Section 5.3 Alterations, Additions and Improvements by the Association. Except in the case of loss or damage to the Common Elements or Limited Common Elements as contemplated by Article VIII of the Declaration, the Association shall not make any material structural alterations, capital additions or capital improvements to the Common Elements or Limited Common Elements with a cost in excess of $100,000 (such sum to be increased by the cumulative percentage increase, from the date of recording this Declaration, in The Consumer Price Index published by the Bureau of Labor Statistics of the United States Department of Labor, US City Average, All Items or if such index is not available a comparable index selected by the Board of Directors of the Association (the "CPI Factor")) (other than for the purpose of replacing, restoring or rehabilitating portions of the Common Elements or Limited Common Elements in accordance with the Declaration) unless the same is authorized by the Board of Directors of the Association and ratified by the affirmative vote of the voting members casting not less than 75% of the total votes of the members of the Association present at any regular or special meeting of the Master Unit Owners called for that purpose at which a quorum is present. The cost of the foregoing shall be assessed against the Owners of Master Units as provided in Article IV hereof except as otherwise provided in this Section 5.3. Where any alterations or additions as aforesaid are exclusively or substantially exclusively for the benefit of the Master Unit Owners requesting the same, then the cost of such alterations or additions shall be assessed against and collected solely from the Master Unit Owners exclusively, or substantially exclusively, benefiting therefrom, and the assessment shall be levied in such proportions as may be determined to be fair and equitable by the Board of Directors of the Association. Where such alterations or additions exclusively, or substantially exclusively, benefit Master Unit Owners requesting the same, said alterations and additions shall be made only when authorized by the Master Unit Owners exclusively, or substantially exclusively, benefiting therefrom. Alterations, improvements or repairs of an emergency nature may he made upon authorization by a vote of

Section 5.4 Utilities. Each Master Unit Owner shall be required to pay all charges for utilities serving his Master Unit, including electricity, water, sewer, gas, cable television, telephone service, and other technological services used or consumed in his Master Unit. The utilities only serving the Common or Limited Common Elements shall be separately metered to the extent reasonably practical, and paid by the Association as a Common or Limited Common Expense. The Association shall have authority, however, with regard to any utility, to use a common meter, pay the cost of such utilities used or consumed in the Master Units, and have the costs thereof apportioned among the Master Units based upon the Common or Limited Common Expense liability, use of the utility, or any other formula the Association may deem appropriate.

ARTICLE VI

Section 6.1 Rules and Regulations of the Association. The Association is authorized to promulgate, amend and enforce Rules and Regulations concerning the operation and use of the Condominium; provided that such Rules and Regulations are not contrary to or inconsistent with the Act, the Land Condominium Documents and the Condominium Documents. The Association may promulgate enforcement provisions for violation of any Rule or Regulation by a Master Unit Owner or Sub Unit Owner, their family members, guests, invitees, lessees or renters, including the payment of penalties for such violations. (f) No Owner shall permit anything to be done or kept in his Master Unit or in the Common Elements or Limited Common Elements which will result in any increase of fire or hazard insurance premiums or the cancellation of insurance on any part of the Condominium Property, or which would be in violation of any law. No waste shall be committed to the Common Elements or Limited Common Elements.

(g) No sign of any kind shall be displayed to the public view on or from any part of the Condominium Property, without the prior written consent of the Board of Directors of the Association, except (i) signs temporarily used by the Declarant in the selling or leasing of the Master Units or by any Declarant under any additional declaration creating Sub Units or (ii) signs on the Retail Unit or in other locations on the Condominium Property approved by Declarant and in compliance with applicable law.

(h) No noxious or offensive activities shall be carried on, nor shall anything be done, on any part of the Condominium Property which in the judgment, of the Board of Directors of the Association, may be or become an unreasonable annoyance or nuisance to the other Owners; provided, however, with respect to the Retail Unit, noise, odors and activities in connection with uses permitted under Section 6.2 shall not be deemed a nuisance.

(i) No Owner shall cause or permit anything to be placed on the Common Elements or Limited Common Elements immediately surrounding the Master Unit, except occupants of the Retail Units shall have the right to use adjacent sidewalks in a manner approved

in writing by the Board of Directors. No sign, awning, canopy, window air conditioning unit, shutter, or other fixture shall be affixed to or placed upon the exterior walls or roof of any building or the Limited Common Elements or any part of the Common Elements, without the prior written consent of the Board of Directors of the Association, except as permitted pursuant to Section 6.2(f). The location of any satellite television dishes is subject to the provisions of the Rules and Regulations.

(j) No clothes, sheets, blankets, laundry of any kind, flags, banners, holiday lights or lighted signage or other articles shall be hung out or exposed from or on any part of the Common Elements or Limited Common Elements, except the Retail Unit shall be entitled to signage in compliance with applicable law and as approved by the Declarant. The Common Elements, Limited Common Elements, Master Units and Sub Units shall be kept clear of rubbish, debris and other unsightly materials.

(i) Applicable building codes require that any clothes dryer installed in the Master Units must have specified venting characteristics. Accordingly, Master Unit Owners may replace their clothes dryers only with dryers meeting the required building code specifications. Master Unit Owners must comply with the Rules and Regulations regarding clothes dryers.

Section 6.3 Right of Access. Each Master Unit Owner grants a right of access to his Master Unit to the Association, and any other person authorized by the Association for the purpose of making inspections and for the purpose of correcting any condition originating in his Master Unit and threatening other Master Units, Common Elements or Limited Common Elements, or for the purpose of performing installations, alterations or repairs to the mechanical or electrical services or other Common Elements within his Master Unit, if any, or to enforce any provision of the Condominium Documents, provided that requests for entry are made in advance and that such entry is at a time reasonably convenient to the Master Unit Owner. In case of an emergency, such right of entry shall be immediate whether the Master Unit Owner is present at the time or not. Each Master Unit Owner further grants an easement and right of access to his Master Unit to the Declarant or his agent, or other authorized representative who is not Declarant's agent, for the purpose of (i) making all repairs required by any warranty delivered to the Master Unit Owner or any Sub Unit Owner at the closing of any such Unit or to resolve any claim of such Owner; and (ii) making repairs to other Master Units or to the Common Elements or Limited Common Elements. To the extent that damages are inflicted on the Common Elements, Limited Common Elements or any Master Unit or Sub Unit through which access is taken, the Master Unit Owner, Declarant or the Association, if it caused the same, shall be liable for the prompt repair thereof.

Section 6.4 Limitation of Liability. The Association shall not be liable for any failure of water or power supply, telephone, security, fire protection or other service to be obtained by the Association or paid for out of the Common Expense funds, for problems resulting from the operation or lack of operation of sewer lines servicing the Condominium Property, or for injury or damage to a person or property caused by the natural elements or resulting from electricity, water, snow or ice which may leak or flow from any portion of the Common Elements, Limited Common Elements or from any wire, pipe, drain, conduit, appliance or equipment, however, this provision does not relieve the Association from maintenance responsibility or for damage to the Master Units or Limited Common Elements arising from or related to water intrusion from the Common Elements on account of maintenance or lack thereof. The Association shall not be

liable to the Owner of any Master Unit or Sub Unit for loss or damage, by theft or otherwise, of articles which may be stored upon any of the Common Elements or Limited Common Elements. The Association does not warrant security or control of access to the Condominium. No diminution or abatement of the Common Expense assessments, as herein elsewhere provided, shall be claimed or allowed for inconvenience or discomfort arising from the making of repairs or improvements to the Common Elements, Limited Common Elements or to any Master Unit or Sub Unit, or from any action taken by the Association to comply with any law or ordinance or with the order or directive of any municipal or other governmental or judicial authority or for the dispossession of the Master Unit Owner or Sub Unit Owner by reason of fire or other casualty, except to the extent covered by insurance.

Section 6.5 Abatement of Violations. The violation of any Rule or Regulation adopted by the Board of Directors of the Association or breach of the provisions of the Condominium Documents, shall give the Declarant, the Association or any Master Unit Owner the right, in addition to any other right or remedy elsewhere available, to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any such breach. All expenses of such actions or proceedings against a defaulting Owner, including court costs, attorneys' fees and other fees and expenses, and all damages, liquidated or otherwise, together with interest thereon at the highest lawful rate on judgments until paid, shall be charged to and assessed against such defaulting Owner, and the Association shall have a lien for all of the same upon the Unit of such defaulting Owner. Nothing herein contained shall prevent an Owner from maintaining such an action or proceeding against the Association and the expense of any action to remedy a default of the Association shall be a Common Expense if a court of competent jurisdiction finds the Association to be in default as alleged in such action or proceeding. If a Master Unit has been submitted to an additional Declaration, any action permitted to be taken under this Declaration by a Master Unit Owner shall be taken by the Sub Association.

Section 6.6 Failure of the Association to Insist on Strict Performance; No Waiver. Failure of the Association to insist in any one or more instances upon the strict performance of any of the terms, covenants, conditions or restrictions of this Declaration, or to exercise any right or option herein contained, or to serve any notice or to institute any action shall not be construed as a waiver or a relinquishment from the future performance of such term, covenant, condition or restriction, but such term, covenant, condition or restriction shall remain in full force and effect. The receipt by the Association of any assessment from an Owner with knowledge of the breach of any covenant hereof shall not be deemed to be a waiver of such breach and no waiver by the Association of any provision hereof shall be deemed to have been made unless expressed in writing and approved by the action of the Board of Directors of the Association.

Section 6.7 Use by Declarant and Declarants Under Additional Declarations.

(a) Subject to the rights of the Mortgagees hereunder, neither the Owners nor the Board of Directors of the Association nor their use of the Condominium Property or application of this Declaration shall interfere with the completion of the contemplated improvements and sales of the Master Units or any Sub Units in the Condominium. Subject to the rights of the Mortgagees hereunder, the Declarant and the declarants under any additional declaration submitting a Master Unit to a condominium regime (a "Sub Declarant") may make such use of the Master Unit and any unsold Sub Units owned by such party, the Limited Common Elements and the Common Elements as may facilitate such completion and sale, for sales and promotional events, maintenance of a sales office, management office and model units,

the showing of the Condominium Property and the Master Units and Sub Units therein, the display of signs thereon and therein. These special Declarant rights exist so long as Declarant or any Sub Declarant holds any Sub Unit in the Condominium for sale in the ordinary course of business. The Declarant expressly reserves the right to lease any Master Unit or Sub Unit which it may own in the Condominium Property on such terms as it may deem proper and desirable and may transfer Master Units or Sub Units subject to such leases.

(b) The Owner of the Garage Unit reserves the right to assign parking spaces to Owners of Master Units and Sub Units and to charge such Owners for the assignment of such parking spaces. The right to use such assigned spaces may be further assigned by such Owners only to Owners of Master Units or Sub Units. Notice of any such assignments of parking spaces must he delivered in writing to the Association. Declarant shall have the right to use any storage spaces or parking spaces that have not been assigned by Declarant to other parties. The Owner of the Garage Unit may lease such unassigned parking spaces on an hourly, daily, monthly or other basis to any party, whether or not such party is an Owner. The Owner of the Garage Unit may assign all of its rights to any unassigned parking spaces to any party on such terms as determined by The Owner of the Garage Unit.

(c) Declarant reserves the Communications Easement described in Section 2.5(o).

Section 6.8 No Smoking. Notwithstanding any other provision of the Rules and Regulations or this Declaration, smoking is prohibited in all Master Units and portions thereof, including individual Units, and in the Common Elements and Limited Common Elements. This prohibition shall not apply to outdoor areas on porches within the Residential Unit that serve individual dwellings and within the Retail Unit including the outdoor Limited Common Elements of the Retail Unit to the extent that such smoking complies with all governmental statutes, laws and ordinances.

ARTICLE VII
RIGHTS OF MORTGAGEES

Section 7.1 Notification of Mortgagees Required. Upon written request to the Association identifying the name and address of the Mortgagee and the Master Unit or Sub Unit, any Mortgagee shall have the right to be given written notification by the Association of (a) any sixty (60) day default by the Owner of the Master Unit or Sub Unit covered by the Mortgage in the payment of assessments or in any other provision of the Condominium Documents; (b) any material loss to or taking of the Common Elements or Limited Common Elements; (c) material damage to a Master Unit or Sub Unit covered by the Mortgage; (d) any condemnation of all or a portion of the Condominium Property; (e) a lapse or cancellation or material modification of any insurance policy or fidelity bond maintained by the Association; (f) any proposed action that requires the consent of a specified percentage of Mortgagees if such Mortgagee has given notice to the Association of its interest in the Condominium; and (g) any proposed amendment of the Master Condominium Documents effecting a change in (i) the boundaries of any Master Unit or the exclusive easement rights appertaining thereto, (ii) the interests in the Common Elements or Limited Common Elements appertaining to any Master Unit or the liability for Common Expenses appertaining thereto, (iii) the number of votes in the Association appertaining to any Master Unit or (iv) the purposes to which any Master Unit or the Common Elements are restricted.

Section 7.2 Right of Inspection. Mortgagees shall have the right to examine the Condominium Documents, the books and records of the Association or the Condominium Property and to receive annual reports, other financial data, and, upon request, an annual audited statement, within ninety (90) days following the end of any fiscal year of the Association. Such information shall be available for inspection upon request, during normal business hours or under other reasonable circumstances. Additionally, upon the written request of the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Veteran's Administration or the Department of Housing and Urban Development, the Association shall prepare and furnish within a reasonable time an audited financial statement of the Association for the immediately preceding fiscal year.

Section 7.3 Priority of Mortgagees.

(a) Any lien which is or may be created hereunder upon any Master Unit or Sub Unit, including, but not limited to, the lien created for assessments under Section 4.7 hereof and the right to foreclose the same is and shall be subject and subordinate to and shall not affect the rights of the holder of the indebtedness secured by any first Mortgage upon such interest made in good faith and for value and recorded, provided that after the foreclosure of any such mortgage there may be a lien created pursuant to Section 4.7 hereof on the interest of the purchaser as an Owner after the date of such foreclosure sale to secure all assessments hereunder. After the date of such foreclosure sale, said lien, if any, shall be claimed and shall have the same effect and be enforced in the same manner provided herein. Notwithstanding the above, the lien created pursuant to Section 4.7 hereof is prior to any first Mortgage to the extent of the Common Expense assessments based on the annual budget which would have become due in absence of acceleration during the six months immediately preceding institution of an action to enforce the lien. Also, such lien shall be prior to any Mortgage to the extent of amounts secured by such lien prior to the recording of the Mortgage.

(b) No provision of this Declaration, the Charter, the By-Laws or the Rules and Regulations shall be construed to grant to any Master Unit Owner, Sub Unit Owner or to any other party any priority over any rights of the Mortgagees of the Master Units and Sub Units pursuant to their Mortgages in the case of distribution to Master Unit Owners or Sub Unit Owners of the insurance proceeds or condemnation awards for losses or a taking of Master Units, Sub Units, the Common Elements, the Limited Common Elements or any portion thereof.

(c) As provided in the Act, all assessments, property taxes and other charges imposed by any taxing authority which may become liens prior to a Mortgage, shall be separately assessed against and collected on each Master Unit or Sub Unit as a single parcel, and not on the Condominium Property as a whole.

(d) No breach of the covenants, conditions or restrictions herein contained shall defeat or render invalid the lien of any Mortgage made in good faith and for value, but all of said covenants, conditions and restrictions shall be binding upon and effective against any Owner whose title is derived through foreclosure or otherwise.

Section 7.4 Request for Protection by Mortgagees. Whenever the holder of any Mortgage desires the benefit of the provisions of this Article VII to be applicable to it, it shall serve written notice of such fact upon the Association, by registered or certified mail, addressed to the Association, and actually mailed to its address stated herein, identifying the Master Unit or

Sub Unit upon which it holds a Mortgage or identifying any Master Units or Sub Units owned by it, together with sufficient pertinent facts to identify any Mortgage which may be held by it. Said notice shall designate the place to which the notices are to be given by the Association to such Mortgagee.

ARTICLE VIII
CASUALTY LOSS AND INSURANCE

Section 8.1 Responsibility of Owners; Separate Insurance Coverage.

(a) The Owner of each Master Unit or Sub Unit may, at his expense, obtain insurance coverage for loss of or damage to any furniture, furnishings, personal effects, any improvements and additions to the Master Unit or Sub Unit made by such Owner after the initial sale of the Master Unit or Sub Unit, and other property belonging to such Owner, and may, at his expense, obtain insurance coverage against personal liability for injury to the person or property of another while within such Owner's Unit or upon the Common Elements or Limited Common Elements. Risk of loss of or damage to any furniture, furnishings and personal property belonging to or carried on the person of the Owner, or which may be stored in any Master Unit or Sub Unit, or in or upon Common Elements or Limited Common Elements, shall be borne by the Owner of each Unit. All furniture, furnishings and personal property constituting a portion of the Common Elements or Limited Common Elements and held for the joint use and benefit of all Owners of Master Units shall be covered by such insurance as shall be maintained in force and effect by the Association as hereinafter provided. Each Owner shall be required to notify the Association of all improvements made by the Owner to his Master Unit or Sub Unit, the value of which is in excess of $1,000. All insurance obtained by the Owner of each Master Unit or Sub Unit shall, whenever such provisions shall be available, provide that the insurer waives its right of subrogation as to any claims against other Owners, the Association or Declarant, and their respective servants, agents, employees and guests.

(b) Any Owner who obtains an individual insurance policy covering any portion of the Condominium Property other than personal property belonging to such Owner shall be required to file a copy of such individual policy or policies with the Association within thirty (30) days after the purchase of such insurance. In the event casualty insurance maintained by an Owner causes a decrease in the amount of the insurance coverage maintained by the Association for the benefit of all Owners on a casualty loss to the Condominium Property by reason of proration or otherwise, the Owner so maintaining such insurance shall be deemed to have assigned to the Association the proceeds collected on such policy for loss or damage to the Condominium Property and such proceeds shall be paid directly to the Association by the insurer. Any such insurance proceeds shall be applied and distributed by the Association in accordance with this Article VIII.

Section 8.2 Insurance to be Maintained by the Association.

(a) Hazard Insurance. The Association shall obtain and maintain at all times a policy or policies of multi-peril type hazard insurance, including insurance for such other risks of a similar or dissimilar nature, as are or shall hereafter customarily be covered with respect to other condominium projects similar in construction, design and use, insuring the Condominium Property against loss or damage by the perils of fire, lightning and those perils contained in extended coverage, vandalism and malicious mischief endorsements, and if the Condominium

Property is located in an area identified by the Secretary of Housing and Urban Development as having special flood hazards, the Board shall, to the extent obtainable, insure the insurable property included in the Condominium Property against the perils of flood under the National Flood Insurance Act of 1968 and acts amendatory thereto. The amount of insurance coverage shall be determined on a replacement cost basis in an amount not less than 100% of the then current replacement cost of the improvements which constitute the Condominium Property, including the Common Elements, Limited Common Elements and the Master Units and Sub Units as initially sold by Declarant or any Sub Declarant (but excluding land, foundations, excavations and other items usually excluded from such insurance coverage). Such insurance coverage shall be written in the name of, and the proceeds thereof shall be payable to, the Association or the Insurance Trustee (hereinafter defined), as trustee for the use and benefit of the Sub Associations, individual Owners (without naming them), and their Mortgagees, as their interest may appear. Periodically, prior to the renewal of any such policy or policies of insurance, the Association may obtain an opinion or an appraisal from a qualified appraiser for the purpose of determining the full replacement cost of the Common Elements, the Limited Common Elements and the Master Units for the amount of insurance to be obtained pursuant hereto. The cost of any such opinion or appraisal shall be a Common Expense. All such policies of insurance shall comply with the provisions of Section 8.3 hereof and shall (i) contain standard mortgagee clause endorsements in favor of the Mortgagee or Mortgagees of each Master Unit and Sub Unit, if any, as their respective interest may appear; and (ii) provide that the insurance shall not be invalidated by any act or neglect of any Owner.

(b) Public Liability and Property Damage Insurance. The. Association shall obtain and maintain at all times a comprehensive policy or policies of public liability and property damage insurance in such amount (but not less than $1,000,000) and in such form as shall be deemed appropriate by the Board of the Association to protect said Association and the Owners of all Master Units and Sub Units. Such policy shall provide coverage for bodily injury and property damage resulting from the operation, maintenance or use of the Common Elements and Limited Common Elements and for legal liability resulting from employment contracts to which the Association is a party.

(c) Workmen's Compensation Insurance. The Association shall obtain and maintain at all times a policy or policies of workmen's compensation insurance to meet the requirements of the laws of the State of Tennessee.

(d) Fidelity Bonds. The Association shall obtain and maintain fidelity bonds for any person who either handles or is responsible for funds held or administered by the Association naming the Association as the obligee. The amount of the fidelity bond should cover the maximum funds that will be in the custody of the Association, but not less than the sum of three months' assessments on all Master Units.

(e) Other Insurance. The Association shall obtain and maintain such other insurance coverage as the Board of Directors of the Association, in its sole discretion, may determine from time to time to be in the best interest of the Association and the Owners of all Master Units.

Section 8.3 Governing Provisions. All insurance obtained and maintained by the Association as provided in Section 8.2 above shall be governed by the following provisions:

(a) All policies shall (i) comply with the hazard and casualty insurance requirements of the Federal Home Loan Mortgage Corporation and the Federal National Mortgage Association as they shall apply to condominium loans; and (ii) be written with a company licensed to do business in the State of Tennessee and, to the extent practical and available, holding a financial rating of Class V or better and a general policyholders rating of "A" or better by Best's Insurance Reports or other then comparable rating. To the extent that the provisions of this Declaration with respect to the maintenance of insurance shall conflict with the hazard and casualty insurance requirements of the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association, then the requirements of the Federal Home Loan Mortgage Corporation and the Federal National Mortgage Association shall control and such requirements shall be complied with by the Association.

(b) Exclusive authority to adjust all claims under the policies hereafter in force on the Condominium Property shall be vested in the Association or its authorized representatives.

(c) In no event shall the insurance coverage obtained and maintained by the Association hereunder be brought into contribution with the insurance purchased by the individual Owners or their Mortgagees.

(d) The Association shall be required to make every effort to secure insurance policies that will provide for the following:

(i) A waiver of subrogation by the insurer as to any claims against the Association, the Board of Directors, the Declarant or the Owners;

(ii) An agreement by the insurer that the insurance coverage cannot be terminated or materially changed without thirty (30) days prior written notice to the Association and the Mortgagee of each Master Unit or Sub Unit;

(iii) The insurance coverage will be primary, even if a Master Unit Owner or Sub Unit Owner has other insurance that covers the same loss; and

(iv) No act or omission by any Master Unit Owner or Sub Unit Owner, unless acting within the scope of his authority on behalf of the Association, will void the policy or be a condition to recovery under the policy.

Section 8.4 Premiums and Deductibles. Premiums for insurance policies purchased by the Association shall be paid by the Association and the cost of all hazard insurance shall be allocated to the Master Units according to the respective cost of obtaining hazard insurance covering each Master Unit, as determined by the Association. The cost of any other insurance shall be allocated to the Master Units on the basis of the respective cost of such insurance to the extent such allocation may be determined by the Association. All other insurance costs shall be assessed as Common Expenses; except that the amount of increase over the usual premium occasioned by the use, misuse, occupancy or abandonment of a Master Unit or Sub Unit or its appurtenances or of the Common Elements or Limited Common Elements by an Owner shall be assessed against that Owner. Any deductible incurred by reason of a loss or claim under any insurance policy purchased under this Article VIII shall be paid by the Owners of the Master Unit affected by the loss and if the loss affects more than one Master Unit, such deductible shall

be allocated between such Master Units in proportion to the size of their respective losses, as determined by the Association. All other deductibles shall be paid by the Association, unless such loss or claim was caused by any Master Unit Owner or Sub Unit Owner, lessee or guest or invitee thereof or resulted from the use, misuse, occupancy, negligence or abandonment of a Master Unit or Sub Unit or any portion thereof as determined by the Association. In such event the Owner from whose Master Unit or Sub Unit Owner the cause originated, will be responsible for the deductible under the Association's insurance policy.

Section 8.5 Insurance Trustee. The Association may engage the services of a bank or trust company authorized to do trust business in the State of Tennessee and having a capital and surplus of not less than $50,000,000 to act on its behalf as an insurance trustee ("Insurance Trustee") and to receive and disburse the insurance proceeds in accordance with the provisions of this Declaration. In the event the lowest of two bids from reputable contractors for making all repairs required by any such loss shall exceed $100,000, as increased by the CPI Factor, the Association upon written demand of the Mortgagee of any Master Unit or Sub Unit shall engage the services of a bank or trust company to act as Insurance Trustee as aforesaid. The Association, as a Common Expense, shall pay a reasonable fee to the Insurance Trustee for its services rendered hereunder, and shall pay such costs and expenses as said Insurance Trustee may incur in the performance of any duties and obligations imposed upon it hereunder. The Insurance Trustee shall be liable only for its willful misconduct, bad faith or gross negligence, and then for only such money which comes into the possession of the Insurance Trustee. Whenever the Insurance Trustee may be required to make distribution of insurance proceeds to Owners of Master Units, Sub Units and their Mortgagees, as their respective interests may appear, or to any other party for repair, replacement or reconstruction of property, the Insurance Trustee may rely upon a certificate of the President and Secretary of the Association, executed under oath, which certificate will be provided to said Insurance Trustee upon request made to the Association. Such certificate is to certify unto said Insurance Trustee the name of the Owner of each such Unit, the name of the Mortgagee who may hold a Mortgage encumbering each such Unit, and the respective percentages of any distribution which may be required to be made to the Owner of any such Unit, and his respective Mortgagee, as their respective interests may appear, or to certify the name of the party to whom payments are to be made for repair, replacement or reconstruction of all or a portion of the Condominium Property. The rights of the Mortgagee of any such Unit under any standard mortgage clause endorsement to such policy shall, notwithstanding anything to the contrary therein or in any Mortgage contained, at all times be subject to the provisions hereof with respect to the application of insurance proceeds to reconstruction of the damaged Condominium Property. No provision hereof shall entitle an Owner or any other party to any priority over a Mortgagee with respect to the distribution of any insurance proceeds with respect to any such Unit.

Section 8.6 Loss to Common Elements Only. In the event of the loss of or damage to only Common Elements, real or personal, by reason of fire or other casualties, which loss or damage is covered by fire and casualty insurance, the proceeds paid to the Association or the Insurance Trustee, as the case may be, to cover such loss or damage shall be applied to the repair, replacement or reconstruction of such loss or damage. If the insurance proceeds are in excess of the cost of the repair, replacement or reconstruction of such Common Elements, then such excess insurance proceeds shall be paid by the Insurance Trustee to the Owners of all Master Units, the distribution to be separately made to the Owner of each Master Unit and his respective Mortgagee, as their interests may appear, in such proportion that the share of such

excess insurance proceeds paid to the Owner of each Master Unit and his Mortgagee shall bear the same ratio to the total excess insurance proceeds as the undivided interest in the Common Elements appurtenant to each Master Unit bears to the total undivided interest in the Common Elements appurtenant to all Master Units. If a Master Unit has been submitted to an additional declaration then such excess insurance proceeds shall be paid to the Sub Association. If there is no insurance coverage for such loss or damage, or if it appears that the insurance proceeds covering the fire or casualty loss or damage payable to the Association or the Insurance Trustee are not sufficient to pay for the repair, replacement or reconstruction of the loss or damage, or that the insurance proceeds when collected will not be so sufficient, then the Association shall pay, or shall deposit with the Insurance Trustee or the Association, as the case may be, a sum, which together with the insurance proceeds received or to be received, if any, will enable said Insurance Trustee to completely pay for the repair, replacement or reconstruction of any loss or damage, as the case may be. The Association may levy and collect an assessment against the Owners of all Master Units in an amount which shall provide the funds required to pay for said repair, replacement or reconstruction.

Section 8.7 Loss to Common Elements, Limited Common Elements and/or Units. In the event of loss of or damage to Common Elements, Limited Common Elements or any Master Unit by reason of fire or other casualty, which loss or damage is covered by fire and casualty insurance, the proceeds paid to the Association or Insurance Trustee, as the case may be, to cover such loss or damage, shall be first applied to the repair, replacement or reconstruction of the Common Elements, then to the repair, replacement or reconstruction of the Limited Common Elements and any remaining insurance proceeds shall be applied to the repair, replacement or reconstruction of any Master Unit which may have sustained any loss or damage so covered. If the insurance proceeds are in excess of the cost of the repair, replacement or reconstruction of the Common Elements, the Limited Common Elements and any Master Units sustaining any loss or damage, then such excess insurance proceeds shall be paid and distributed by the Insurance Trustee to the Owners of all Master Units, and to their Mortgagees, as their respective interests may appear. If a Master Unit has been submitted to an additional declaration then such excess insurance proceeds shall be paid to the Sub Association. Such distributions are to be made in the manner and in the proportions as are provided for the distribution of insurance proceeds under Section 8.6 above. If there is no insurance coverage for such loss or damage, or if it appears that the insurance proceeds covering the fire and casualty loss or damage payable to the Association or the Insurance Trustee, as the case may be, are not sufficient to pay for the repair, replacement or reconstruction of the loss or damage, or that the insurance proceeds when collected will not be sufficient, then the Board of Directors of the Association shall, based on reliable and detailed estimates obtained by it from competent and qualified parties, determine and allocate the cost of repair, replacement or reconstruction among the Common Elements, the Limited Common Elements and any Master Units sustaining any loss or damage. If the proceeds of said fire or casualty insurance, if any, are sufficient to pay for the repair, replacement or reconstruction of any loss of or damage to the Common Elements and Limited Common Elements, but are not sufficient to repair, replace or reconstruct any loss of or damage to any Master Units sustaining damage, then the Association shall levy and collect an assessment from the respective Owners of the Master Units sustaining any loss or damage, and the assessment so collected from said Owners shall be deposited with the Association or the Insurance Trustee, if applicable, so that the sum on deposit with said Insurance Trustee or the Association shall be sufficient to completely pay for the repair, replacement or reconstruction of all Common Elements, Limited Common Elements, and Master Units. In said latter event, the assessment to be levied and

collected from the Owners of the Master Units shall be apportioned among such Owners in such manner that the assessment levied against each Owner of a Master Unit shall bear the same proportion to the total assessment levied against all of said Owners of Master Units sustaining loss or damage as the cost of repair, replacement or reconstruction of each Owner's Master Unit bears to the cost applicable to all Master Units sustaining loss or damage. If the fire or casualty insurance proceeds, if any, payable to the Association or the Insurance Trustee are not an amount which will pay for the complete repair, replacement or reconstruction of the Common Elements and Limited Common Elements, it being recognized that such insurance proceeds are to be first applied to the payment for repair, replacement or reconstruction of said Common Elements and Limited Common Elements before being applied to the repair, replacement or reconstruction of any Master Unit sustaining loss or damage, then the cost to repair, replace, or reconstruct said Common Elements and Limited Common Elements in excess of available fire and casualty insurance proceeds shall be levied and collected as an assessment from the Owners of all Master Units in the same manner as would be levied and collected had the loss or damage sustained been solely to the Common Elements and Limited Common Elements and the fire or casualty insurance proceeds had been insufficient to cover the cost of repair, replacement or reconstruction. The cost of repair, replacement or reconstruction of each Master Unit sustaining loss or damage shall then be levied and collected by assessment against the Owners of the Master Units sustaining the loss or damage in the same manner as is above provided for the apportionment of such assessment between Owners of the Master Units sustaining loss or damage.

Section 8.8 Estimates of Repair; Plans and Specifications; Payment of Assessments. In the event of loss or damage to Condominium Property, the Association shall, within sixty (60) days after any such occurrence, obtain reliable and detailed estimates of the cost of restoring damaged property to a condition as good as that which prevailed before such loss or damage. The estimate of repair shall be based upon the plans and specifications of the original buildings, as reflected on Exhibit D to this Declaration as the same may from time to time be amended, or such other plans and specifications as may be approved by the Board of Directors of the Association, by all of the Owners of the damaged Master Units, and by not less than seventy-five percent (75%) of the Owners of all Master Units including the Owners of damaged Master Units and by the approval of Mortgagees representing fifty-one percent (51%) of the total allocated votes of the Master Units subject to Mortgages held by Mortgagees. If a Master Unit has been submitted to an additional declaration, then the approval of the Sub Association shall constitute the approval of the Owner of a Master Unit. The Association shall be appointed as attorney-in-fact for each Master Unit Owner for the purpose of representing the Master Unit Owners in any proceeding, negotiation, settlement, or agreement arising from any loss or damage to the Condominium Property. Such estimates are to contain and include the cost of any professional fees and premiums for such bonds as the Board of Directors of the Association may deem to be in the best interest of the membership of said Association. Whenever it shall appear that the insurance proceeds payable for such loss or damage will not be sufficient to defray the cost of repair, replacement or reconstruction thereof, the additional money required to completely pay for such repair, replacement or reconstruction of said loss or damage whether to be paid by all of the Owners of Master Units or only by the Owners of Master Units sustaining loss or damage, or both, as herein provided, shall be paid to the Association and deposited with the Insurance Trustee, if any, not later than thirty (30) days from the date on which the Association or the Insurance Trustee, as the case may be, shall receive the monies payable from the policies of fire and casualty insurance.

Section 8.9 Reallocation of Interest in Common Elements After Partial Destruction. No reallocation of ownership interests in the Common Elements resulting from a partial destruction of the Condominium Property may be effected without the approval of Mortgagees representing fifty-one percent (51%) of the total allocated votes of Master Units subject to Mortgages held by Mortgagees.

ARTICLE IX
CONDEMNATION

Section 9.1 Condemnation Considered a Casualty Loss. The taking of a portion of a Master Unit, the Common Elements or the Limited Common Elements by eminent domain shall be deemed to be a casualty, loss, and except as otherwise provided in Section 9.2 below, the awards for such taking shall be deemed to be proceeds from insurance on account of the casualty and shall be applied and distributed by the Association in accordance with the provisions of Article VIII. Even though the awards may be payable to the Owners, the Owners shall deposit the awards with the Association or Insurance Trustee, as the case may be; and in the event of failure to do so, in the discretion of the Board of Directors of the Association, a special assessment shall be made against a defaulting Owner in the amount of his award, or the amount of such award shall be set off against the sums hereinafter made payable to such Owner. If any Master Unit or portion thereof is made the subject matter of any condemnation or eminent domain proceeding or is otherwise sought to be acquired by a condemning authority, the Mortgagee of such Master Unit shall be entitled to timely written notice of any such proceeding or proposed acquisition as provided in Section 7.1, and no provision hereof shall entitle the Owner of such Master Unit or other party to priority over such Mortgagee with respect to the distribution of any award or settlement to the Owner of the Master Unit.

Section 9.2 Partial Condemnation. In the event that the Condominium Property is not to be terminated and one or more Units are taken in part, the taking shall have the following effects:

(a) If the taking reduces the size of a Master Unit and the remaining portion of that Master Unit can be made tenantable, the award for the taking for a portion of the Master Unit shall be used for the following purposes in the order stated, and the following changes shall be effected in the Condominium Property:

(i) The Master Unit shall be made tenantable and if the cost of such work exceeds the amount of the award, the additional funds shall be assessed against the Owner of the Master Unit.

(ii) The balance of the award, if any, shall be distributed to the Owner of the Master Unit and the Mortgagee of the Master Unit, as their respective interests may appear.

(iii) If there is a balance of the award distributed to the Owner and the Mortgagee, the share of the Common Elements appurtenant to the Master Unit shall be equitably reduced. This shall be done by reducing such share by the proportion which the balance of the award so distributed bears to the market value of the Master Unit immediately prior to the taking, and then recomputing the shares of all Owners in the Common Elements as percentages of the total of their shares as reduced by the taking.

(b) If the taking destroys or so reduces the size of a Master Unit so that it may not be made tenantable, the award for the taking of the Master Unit shall be used for the following purposes in the order stated, and the following changes shall be effected in the Condominium Property:

(i) The market value of such Master Unit immediately prior to the taking, shall be paid to the Owner of the Master Unit and to each Mortgagee of the Master Unit, as their respective interests may appear.

(ii) The remaining portion of such Master Unit, if any, shall become a part of the Common Elements and shall be placed in condition for use by all of the Owners, in the manner approved by the Board of Directors of the Association; provided, however, that if the cost of such work shall exceed the balance of the fund from the award for the taking, such work shall be approved in the manner required for further improvement of the Common Elements under Section 5.3 above.

(iii) The shares in the Common Elements appurtenant to the Units which continue as a part of the Condominium Property shall be equitably adjusted to distribute the ownership to the Common Elements among the reduced number of Owners. This shall be done by recomputing the shares of such continuing Owners in the Common Elements as percentages of the total of the shares of such Owners as they exist prior to the adjustment.

(iv) If the amount of the award for taking is not sufficient to pay the market value of the condemned Master Unit to the Owner and to restore the remaining portion of the Master Unit in condition for use as a part of the Common Elements, the additional funds required for such purposes shall be raised by assessments against all of the Owners who will continue as Owners of the Master Units after the changes in the Condominium Property affected by the taking. Such assessment shall be made in proportion to the share of such Owners in the Common Elements after the changes affected by the taking.

(c) If the market value of a Master Unit prior to the taking cannot be determined by agreement between the Owner and the Mortgagee and the Association within thirty (30) days after notice by any such party that agreement cannot be reached, such value shall be determined by three independent qualified appraisers with one appraiser to be selected by the Association, one appraiser to be selected by the Owner and Mortgagee; and the third appraiser to be selected by the two appraisers so appointed, and the fair market value of the Unit shall be deemed to be the average of the two appraisals of the fair market value of the Unit made by said appraisers having the least difference in amount. The cost of such appraisal shall be assessed against all Owners in the shares of the Owners in the Common Elements as they existed prior to the changes affected by the taking.

(d) Changes in the ownership of the Common Elements and in the share of liability for Common Expenses which are affected by eminent domain, shall be evidenced by an amendment of this Declaration which must be approved only by a majority of the Board of Directors of the Association.

ARTICLE X
TERMINATION

Section 10.1 Destruction of the Condominium Property.

(a) Notwithstanding anything to the contrary contained in this Declaration, if the Board of Directors shall determine that either of the following conditions exist:

(i) Master Units with two-thirds (2/3) or more of the Common Elements appurtenant thereto shall have been destroyed or substantially damaged by fire or other casualty (including condemnation); or

(ii) The Condominium Property has been in existence in excess of forty (40) years and substantially all of the Units in the structure have substantially deteriorated and have been rendered substantially obsolete;

then the Board of Directors may call a meeting of the members of the Association to consider and vote upon whether to restore, repair and/or rebuild the Condominium Property, and if not, whether to terminate the Declaration and remove the Condominium Property from the provisions of the Act. If the termination of the Declaration and the removal of the Condominium Property from the provisions of the Act is approved by the affirmative vote of at least eighty percent (80%) of the votes of the Association and by Mortgagees of Master Units or Sub Units owning at least sixty-seven percent (67%) of the Common Elements after notice given as provided in Section 7.1 hereof, the Declaration and plan of condominium ownership established herein shall be subject to termination as provided in the Act and the Association shall be authorized to file on behalf of and in the name of the Master Unit Owners a petition for such termination and removal with the Circuit Court of Davidson County, Tennessee. If less than eighty percent (80%) of the Owners of all Master Units and/or less than sixty-seven percent (67%) of the Mortgagees vote in favor of terminating the Condominium Property as herein required, the Condominium Property shall be restored, repaired and/or rebuilt in accordance with the provisions of Sections 8.6, 8.7 and 8.8 above.

(b) In the event that the Circuit Court of Davidson County shall grant the petition for termination of this Declaration and the plan of condominium ownership as provided in subparagraph (a) above, all of the Owners of Master Units shall be and become tenants in common as to ownership of the Land and any then remaining improvements thereon. The undivided interest in the Land and remaining improvements held by the Owner of each Master Unit shall be the same as the undivided interest in the Common Elements which were formerly appurtenant to such Master Unit, and the lien of any Mortgage or other encumbrance upon each Master Unit shall attach to the percentage of undivided interest of the Owner of a Master Unit in the Land and then remaining improvements as above provided. Upon termination of this Declaration and the plan of condominium ownership established herein, the Owners of all Master Units and Sub Units still inhabitable shall, within sixty (60) days from the date of grant of the petition, deliver possession of their respective Units to the Association. Upon such delivery of possession, the Owners of inhabitable Units and their respective Mortgagees, as their interests may appear, shall become entitled to participate proportionately together with all Owners of uninhabitable Units in the distribution of proceeds in the possession of the Association or the Insurance Trustee. Upon such termination of this Declaration and the plan of condominium

ownership established herein, the Association or the Insurance Trustee, as the case may be, shall distribute any insurance indemnity which may be due under any policy of casualty insurance to the Owners of the Units and their Mortgagees as their respective interests may appear, such distribution to be made to the Owner of each respective Unit in accordance with his then undivided interest in the Land and remaining improvements as herein provided. The Land and any remaining improvements thereon shall be subject to all easements of record, except the easements created in the Condominium Documents. The assets of the Association upon termination of the plan of condominium ownership created by this Declaration shall then be distributed to the Owner of each respective Unit and his Mortgagee, as their respective interests may appear, in the same manner as is above provided for the distribution of any final insurance indemnity.

Section 10.2 Termination by Consent. Except in the event of this Declaration and plan of condominium ownership established herein being terminated as provided above, this Declaration and said plan of condominium ownership may only be otherwise terminated by the consent of all of the Owners of all Master Units and Sub Units and all parties holding Mortgages, liens or other encumbrances, against any of said Units in which event the termination of the Condominium Property shall be evidenced by a deed in compliance with the Act, executed in writing by all of the aforesaid parties in recordable form, and such instrument shall be recorded in the Register's Office for Davidson County, Tennessee.

Section 10.3 The Association Appointed as Attorney-In-Fact for Unit Owners. The Association shall be appointed as attorney-in-fact for each Master Unit Owner and each Sub Unit Owner for the purpose of representing such Unit Owners in any proceeding, negotiation, settlement or agreement arising from the termination of this Declaration and plan of condominium ownership established herein.

ARTICLE XI
AMENDMENT

Section 11.1 Amendments by Declarant. Without limiting the rights of the Declarant to alter the plans as described in Section 2.2 above, and notwithstanding any other provision herein contained, the following provisions shall be deemed to be in full force and effect, none of which shall be construed as to relieve the Declarant from any obligations as a Master Unit Owner to pay assessments as to Master Units owned by it in accordance with the Condominium Documents.

(a) The Declarant reserves the right to amend the By-Laws of the Association until such time as Declarant relinquishes control of the Association as provided in Section 12.1 below.

(b) The Declarant reserves the right to amend this Declaration so long as there is no Master Unit Owner or Sub Unit Owner other than the Declarant.

(c) The Declarant reserves the right at any time to amend this Declaration without the consent of other Owners if required by any Mortgagee as a condition of making a loan secured by an interest in a Master Unit or a Sub Unit in order to meet the requirements of the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association; provided that any such changes or amendments requested by a Mortgagee shall not materially

affect the rights of the Master Unit Owners or Sub Unit Owners or the value of the Master Unit or Sub Unit or the undivided interest in the Common Elements attributable to each Master Unit Owner or Sub Unit Owner.

Section 11.2 Amendments by Unit Owners. At such time as there is a Master Unit Owner or Sub Unit Owner other than the Declarant, then, in addition to the amendments permitted under Section 11.01 above, the Declaration may be amended in the following manner:

(a) A proposal to amend this Declaration may be considered at any meeting of the members of the Association called for that purpose in accordance with the provisions of the By-Laws; provided that the Association provides prior written notice of such meeting to the Mortgagees as provided in Section 7.1 above. The proposal to amend the Declaration must be approved by the affirmative vote of the members representing not less than sixty-seven percent (67%) of the total allocated votes of the Association and by the affirmative vote of the Mortgagees representing fifty-one percent (51%) of the total allocated votes of the Master Units subject to Mortgages to the extent the approval of Mortgagees are required for such amendment by the then requirements of the Federal Home Loan Mortgage Corporation, the Federal National .Mortgage Association or the Department of Housing and Urban Development.

(b) Notwithstanding the foregoing, no amendment to the Declaration under this Article XI shall:

(i) change a Master Unit, including the ownership in Common Elements, responsibility for Common Expenses and voting rights, without the prior written approval of the Master Unit Owner or Owners so affected and prior written approval of the holders of record of any mortgage or other liens on the Master Unit or Sub Units so affected; or

(ii) change, impair or prejudice the rights of Declarant or change the provisions of this Declaration with respect to the Declarant's rights hereunder without Declarant's prior written approval.

The Members of Pine Street Master Condominium Association, Inc., a Tennessee not-for-profit corporation (the "Association"), shall consist of the respective Master Unit Owners and any Sub Unit Owners (the "Owners") of the Property known as Pine Street Master Condominium, located at 1055 Pine Street, Nashville, Tennessee 37203 (the "Property"), in accordance with the respective percentages of ownership interest in the Common Elements of the Property owned by the respective Master Unit and Sub Unit Owners (these and other terms are used in these By-Laws as they are defined in the Declaration for Pine Street Master Condominium, which Declaration is recorded in the Register's Office for Davidson County, Tennessee. The words "member" or "members" as used in these By-Laws means and shall refer to "Master Unit Owner" or "Sub Unit Owners," as the case may be, as defined in the Declaration). If an Owner is a trust, then the member shall be a beneficiary of such trust, and if an Owner or such a beneficiary is a corporation, partnership or limited liability company, the member may be an officer, partner, manager, member or employee of such Owner or beneficiary.

Section 2. Succession. The membership of each Owner shall terminate when he/she/it ceases to be a Master Unit Owner or a Sub Unit Owner, and upon the sale, transfer or other disposition of his/her/its ownership interest in the Property, his/her/its membership in the Association shall automatically be transferred to the new Owner succeeding to such ownership interest.

Section 3. Regular Meetings. The first regular annual meeting of Owners (the "First Meeting") may be held, subject to the terms hereof, on any date, at the option of the Board, provided, however, that said First Meeting shall be held not less than sixty (60) days after the Termination of Control, as hereinafter defined. Subsequent to the First Meeting, there shall be a regular annual meeting of Owners held each year within ninety (90) days of the anniversary of the First Meeting. All such meetings of Owners shall be held at such place in Davidson County, Tennessee, and at such time as specified in the written notice of such meeting which shall be delivered to all Owners at least twelve (12) days prior to the date of such meeting.

Section 4. Special Meetings. Special Meetings of the Owners may be called by the President or by a majority of the directors of the Board, or by Owners having at least fifty percent (50%) of the votes entitled to be at such meeting. If a Master Unit has not been submitted to an additional declaration and if the Master Unit Owner consists of more than one person, the voting rights of such Master Unit Owner shall not be divided but shall be exercised as if the Master Unit Owner consisted of only one person in accordance with the proxy or other designation made by the persons constituting such Master Unit Owner. If a Master Unit has been submitted to an additional declaration, the voting rights of all of the Owners of the Sub Units comprising such Master Unit shall be exercised by the President of the Sub Association or such other officer designated by the Board of Directors of the Sub Association. No Owner of a Master Unit in default in the payment of his assessments hereunder shall be entitled to exercise his right to vote hereunder until he has cured such default. A Master Unit Owner shall be deemed to be in default if he has not paid his assessments to the Board, or their agent, within fifteen (15) days after receipt of notice of assessment. A Master Unit Owner may protest the amount of the assessment, but it still must be paid during the pendency of the protest to the Board.

Section 7. Quorum. A quorum of Master Unit Owners for any meeting shall be constituted by Master Unit Owners represented in person, by proxy or by the authorized representative of a Sub Association and holding fifty percent (50%) of the votes entitled to be cast at such meeting.

Directors shall be deemed to be elected at the regular annual meeting of Association members by the vote of the Master Unit Owners, except that the first directors (hereinafter called "members of the First Board") and any vacancies occurring in the First Board shall be appointed by the Declarant. The First Board shall serve until the Termination of Control as provided in Section 12.1 of the Declaration. Subject to the last sentence of this Section, after the Termination of Control, the Board shall consist of the following: (i) four (4) members selected by the Master Unit Owner of the Residential Unit or if the Residential Unit has been submitted to an additional declaration, such four (4) Board members shall be the President and Vice President of the Sub Association and two (2) other representatives of the Sub Association selected by the Board of the Sub Association; (ii) one (1) member selected by the Master Unit Owner of the Retail Unit or if the Retail Unit has been submitted to an additional declaration, such board member shall be the President of the Sub Association or a representative of the Sub Association selected by the Board of the Sub Association. Section 2. Qualification. Members of the Board are not required to be Owners of Master Units or Sub Units.

Section 3. Vacancies. Special Meetings of the Board shall be held upon a call by the President or by a majority of the Board on not less than forty-eight (48) hours' notice in writing to each director, delivered personally or by mail or telegram. Any director may waive notice of a meeting, or consent to the holding of a meeting without notice, or consent to any action proposed to be taken by the Board without a meeting. A director's attendance at a meeting shall constitute his waiver of notice of said meeting.

Only the Declarant may remove a member of the First Board or other director appointed by Declarant.

ARTICLE IV
ASSESSMENTS

Section 1. Annual Budget. The Board shall cause to be prepared an estimated annual budget for each fiscal year of the Association. Such budget shall take into account the estimated common expenses and cash requirements for the year including but not limited to salaries, wages, payroll taxes, legal and accounting fees, working capital requirements, supplies, materials, parts, services, maintenance, repairs, replacements, landscaping, insurance; fuel, power, and all other common expenses. To the extent that the assessments and other cash income collected from the Master Unit Owners during the preceding year shall be more or less than the expenditures for such preceding year, the surplus or deficit, as the case may be shall also be taken into account. The annual budget shall provide for a reserve for contingencies for the year in reasonable amounts as determined by the Board.

Section 2. Assessments. The estimated annual budget for each fiscal year shall be approved by the Board, and copies thereof shall be furnished by the Board to each Master Unit Owner and Sub Association, if applicable, not later than thirty (30) days prior to the beginning of such year. On or before the first day of the first month and of each succeeding month of the year covered by the annual budget, each Master Unit Owner shall pay, as his respective monthly assessment for the Common Expenses, one-twelfth (1/12) of his proportionate share of the Common Expenses for such year as shown by the annual budget. Except as provided in the

Declaration and in these By-Laws, such proportionate share for each Master Unit Owner shall be in accordance with his respective ownership interest in the Common Elements. The Board may determine different allocations with respect to a part of such charges whenever it appears to the Board that such an allocation would be unfair. The allocations shall be applied uniformly to all Owners of like situations. The allocation of the Board shall be final and binding upon all parties. The Board shall allocate Limited Common Expenses, maintenance expenses, insurance premium expenses and other costs as provided in the Declaration. In the event that the Board shall not approve an estimated annual budget or shall fail to determine new monthly assessments for any year, or shall be delayed in doing so, each Master Unit Owner shall continue to pay each month the amount of his respective monthly assessment as last determined. Each Master Unit Owner shall pay his monthly assessment on or before the first day of each month to the Managing Agent or as may be otherwise directed by the Board. No Master Unit Owner shall be relieved of his obligation to pay his assessment by abandoning or not using his Master Unit, the Common Elements, or the Limited Common Elements. If a Master Unit has been submitted to an additional declaration, the assessments owed by such Master Unit shall be paid by the Sub Association as required in these By-Laws.

Section 3. Partial Year or Month. For the first fiscal year, the annual budget shall be as approved by the First Board. If such first fiscal year, or any succeeding fiscal year, shall be less than a full year, then the monthly assessments for each Master Unit Owner shall be proportionate to the number of months and days in such period covered by such budget. Commencing with the date of recording the deed to a Master Unit or any additional declaration, each Master Unit Owner or applicable Sub Association, shall pay the assessment for the following month or fraction of a month, which assessment shall be in proportion to his respective ownership interest in the Common Elements and the number of months and days remaining of the period covered by the current annual budget, and which assessment shall be as computed by the Board.

Section 4. Annual Report. Within forty-five (45) days after the end of each fiscal year covered by an annual budget, or as soon thereafter as shall be practicable, the Board shall cause to be furnished to each Master Unit Owner or applicable Sub Association a statement for such year so ended, showing the receipts and expenditures and such other information as the Board may deem desirable.

Section 5. Supplemental Budget. In the event that during the course of any year, it shall appear to the Board that the monthly assessments, determined in accordance with the estimated annual budget for such year, are insufficient or inadequate to cover the estimated common expenses and limited common expenses for the remainder of such year, then the Board shall prepare and approve a supplemental budget covering the estimated deficiency for the remainder of such year, copies of which supplemental budget shall be furnished to each Master Unit Owner or applicable Sub Association, and thereupon a supplemental assessment shall be made to each Master Unit Owner or applicable Sub Association for the proportionate share of such supplemental budget.

Section 6. Contracts. The Board shall not enter into any contract for professional management without the right to cancel such contract upon ninety (90) days or less notice without penalty.

Section 7. Records and Statement of Account. The Board shall cause to be kept detailed and accurate records in chronological order of the receipts and expenditures affecting

the Common Elements and Limited Common Elements, specifying and itemizing the Common Expenses and Limited Common Expenses incurred. The Board shall keep separate records of the Garage Costs. Payment vouchers may be approved in such manner as the Board may determine. The Board shall, upon receipt of ten (10) days written notice to it or the Association and upon payment of a reasonable fee, furnish to any Master Unit Owner or applicable Sub Association a statement of his account setting forth the amount of any unpaid assessments or other charges due and owing from such party.

Section 8. Discharge of Liens. The Board may cause the Association to discharge any mechanic's lien or other encumbrance which in the opinion of the Board may constitute a lien against the Property or the Common Elements, rather than a lien against only a particular Master Unit. When less than all the Master Unit Owners are responsible for the existence of any such lien, the Master Unit Owners responsible shall be jointly and severally liable for the amount necessary to discharge the same and for all costs and expenses, including attorneys' fees, incurred by reason of such lien.

Section 9. Holding of Funds. All funds collected hereunder shall be held and expended for the purposes designated herein, and (except for such special assessments as may be levied hereunder against less than all the Master Unit Owners and for such adjustments as may be required to reflect delinquent or prepaid assessments) shall be deemed to be held for the benefit, use and account of all the Master Unit Owners in the ownership percentages of the Master Unit Owners in the Common Elements as from time to time existing.

ARTICLE V
CONTRACTUAL POWERS

Section 1. No contract or other transaction between this corporation and one or more of its Directors or between this corporation and any corporation, firm or association in which one or more of the Directors of this corporation are directors, or are financially interested, is void or voidable because such Director or Directors are present at the meeting of the Board or a committee thereof which authorizes or approves the contract or transaction or because his or their votes are counted, if the circumstances specified in either of the following subparagraphs exists:

(a) the fact of the common directorship or financial interest is disclosed or known to the Board or committee and noted in the minutes and the Board or committee authorizes, approves or ratifies the contract or transaction in good faith by a vote sufficient for the purpose without counting the vote or votes of such Director or Directors; or

(b) the contract or transaction is just and reasonable as to the corporation at the time it is authorized or approved.

(c) Common or interested Directors may be counted in determining the presence of a quorum at a meeting of the Board or a committee thereof which authorizes, approves or ratifies a contract or transaction.

ARTICLE VI
AMENDMENTS

Section 1. These By-Laws may be amended or modified from time to time as provided in the Declaration or by action or approval of Master Unit Owners holding two-thirds (2/3) of the total ownership of the Common Elements. If a Master Unit has been submitted to an additional Declaration, then the Board of Directors of the Sub Association shall have the authority to approve amendments to these By-Laws on behalf of all owners of such Master Unit. Such amendments shall be recorded in the Register's Office for Davidson County, Tennessee.

ARTICLE VII
INDEMNIFICATION

Section 1. General. The Association shall indemnify and hold harmless each of its directors and officers, each member of any committee appointed pursuant to the Declaration or the By-Laws of the Association, and the Board and Declarant, against all contractual and other liabilities to others arising out of contracts made by or other acts of such directors, Board, officers, committee members or Declarant, on behalf of the Master Unit Owners, or arising out of their status as directors, Board, officers, committee members or Declarant, unless any such contract or act shall have been made fraudulently or with gross negligence or criminal intent. It is intended that the foregoing indemnification shall include indemnification against all costs and expenses (including, but not limited to, counsel fees, amounts of judgments paid and amounts paid in settlement) reasonably incurred in connection with the defense of any claim, action, suit or proceeding, whether civil, criminal, administrative or other, in which any such director, officer, Board, committee member or Declarant may be involved by virtue of such persons being or having been such director, officer, Board, committee member, or Declarant; provided, however, that such indemnity shall not be operative with respect to:

(a) any matter as to which such person shall have been finally adjudged in such action, suit or proceeding to be liable for gross negligence or fraud in the performance of his duties as such director, officer, Board, committee member, or Declarant, or

(b) any matter settled or compromised, unless, in the opinion of independent counsel selected by or in a manner determined by the Board, there is not reasonable ground for such persons being adjudged liable for gross negligence or fraud in the performance of his duties as such director, officer, Board, committee member, or Declarant.

Section 2. Success on Merits. To the extent that the Declarant or a member of the Board of Directors or an officer of the Association or a member of any committee appointed pursuant to the By-Laws of the Association has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in Article VII, Section 1, or in defense of any claim, issue or matter therein, he shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him in connection therewith.

Section 3. Advance Payment. Expenses incurred in defending a civil or criminal action, suit or proceeding may be paid by the Association in advance of the final disposition of such action, suit or proceeding as authorized by the Board of Directors in the specific case upon

receipt of an undertaking by or on behalf of the person or entity seeking such indemnification or payment in advance to repay such amount unless it shall ultimately be determined that he is entitled to be indemnified by the Association as authorized in this Article VII.

Section 4. Miscellaneous. The Association and the Board shall have the power to raise and the responsibility for raising, by special assessment or otherwise, any sums required to discharge its obligations under this Article, provided, however, that the liability of any Master Unit Owner arising out of any contract made by or other acts of the directors, Board, officers, members of such committees, or Declarant, or out of the aforesaid indemnity in favor of the directors, Board, officers, members of such committees, or Declarant, shall be limited to such proportion of the total liability hereunder as such Master Unit Owner's percentage of interest in the Common Elements bears to the total percentage interest of all the Master Unit Owners in the Common Elements. Every agreement made by the directors, Board, officers, members of such committees, Declarant or by the Managing Agent on behalf of the Master Unit Owners shall provide that the directors, Board, officers, members of such committees, Declarant or the Managing Agent, as the case may be, are acting only as agents for the Master Unit Owners' and shall have no personal liability thereunder (except as Master Unit Owners), and that each Master Unit Owner's liability thereunder shall be limited to such proportion of the total liability thereunder as his percentage of interest in the Common Elements bears to the total percentage interest of all Master Unit Owners in the Common Elements. The indemnification provided by this Article VII shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any statute, agreement, vote of members of the Association or disinterested members of the Board of Directors or otherwise, both as to action in his official capacity and as to action in another capacity while holding such office. Such right to indemnification shall continue as to a person or entity who has ceased to be Declarant or a member of the Board of Directors, officer of the Association or a member of such committee, and shall inure to the benefit of the heirs, executors, administrators, successors and assigns of such person or entity.

ARTICLE VIII
MORTGAGES

Section 1. Notice to Board. A Master Unit Owner or Sub Unit Owner who mortgages his Unit shall notify the Board of the name and address of his mortgagee and shall file a conformed copy of the deed of trust or mortgage with the Board; the Board shall maintain such information in a book entitled "Mortgages of Units."

Section 2. Notice of Unpaid Common Charges. The Board whenever so requested in writing by a mortgagee of a Master Unit or Sub Unit, shall promptly report any then unpaid common charges due from, or any other default by the owner of the mortgaged Unit,

Section 4. Examination of Books. Each Unit Owner and each mortgagee of a Unit shall be permitted to examine the books of account of the Condominium at reasonable times on business days but not more often than once a month.

ARTICLE IX

Section 2. The term "member" as used in these By-Laws, means "Master Unit Owner" and "Sub Unit Owner" as defined in the Declaration.

ARTICLE X

Section 1. These By-Laws are set forth to comply with the requirements of Chapter 27 of Title 66, Tennessee Code Annotated as it may be amended from time to time, and to allow the By-Laws to control in specific situations where such law allows. In case any of the By-Laws conflict with the provisions of said statute or of the Declaration, the provisions of said statute or of the Declaration, as the case may be, shall control.

Separate Rules and Regulations shall govern the use of the Retail Unit

Section 2. Use. Except as provided in the Declaration, the Units shall only be used for private residential use. The foregoing restrictions as to use shall not, however, be construed in such manner as to prohibit a residential Unit Owner from:

(a) Maintaining a personal or professional library in his or her Unit;

(c) Handling personal business or professional telephone calls or correspondence therefrom.

Such uses are expressly declared customary and incidental to the principal residential use and shall not be deemed a violation of these restrictions. Section 3. The Common Elements shall be used only for access, ingress and egress to and from the respective Units by the persons residing therein and their respective family members, guests, invitees, household help and other authorized visitors, and for other purposes incidental to the designated use of the respective Common Elements. The sidewalks, driveways and parking areas must not be obstructed or encumbered or used for any purpose other than access, ingress, egress and for parking. Bicycles, tricycles and skateboards shall not be stored or used on the Common Elements or Limited Common Elements, except for egress and ingress, and except in areas, if any, designated by the Association for this purpose. The Association, the Board of Directors and their authorized employees, agents and representatives shall have such access to any Unit as may be necessary for the repair, maintenance, replacement, alteration, care or protection of the Common Elements or Limited Common Elements, the Units or any portion thereof. Any alteration or repair of the Common Elements or Limited Common Elements is the responsibility of the Association, except for those matters which are stated in the Declaration to be the responsibility of the Unit Owner. No part of the Common Elements or Limited Common

Elements shall be used for commercial activities of any character, including solicitation of business.

Section 4. Nuisances. No unlawful, immoral, noxious or offensive activities shall be carried on in any Unit, the Common Elements, the .Limited Common elements, or elsewhere on the Condominium Property, nor shall anything be done therein or thereon which shall constitute a nuisance or which shall in the judgment of the Board of Directors cause unreasonable noise, light or other disturbance to others. Offensive or strong odors, including cigar and cigarette smoke, shall not be allowed to permeate the property to the extent that they constitute a nuisance to any Unit Owner, but rather offensive or strong odors should be properly and effectively ventilated, as shall be determined at the discretion of the Board of Directors. All radios, televisions, phonographs, musical instruments or other items which cause noise shall be maintained at a level that does not annoy or interfere with other Unit Owners' or tenants' enjoyment of the Property.

Section 5. Maintenance and Repair. Each Unit Owner shall maintain his Unit in good condition and in good order and repair and shall not do or allow anything to be done therein which may increase the rate or cause the cancellation of insurance on any Unit or the Common Elements. No structural alteration, construction, addition or deletions of any Unit, the Limited Common Elements or the Common Elements shall be made by the Unit Owners except with the prior written consent of the Board of Directors. Proposed alterations in the residential Units which cost $1,000 or more shall first require that a deposit in the amount of $1,000 be posted with the Management Company, which will be applied toward any damage to the Common Elements or Limited Common Elements, in addition to a copy of the proper building permits from the applicable authorities, as required, and proof of contractor liability insurance. All work, except for work performed by the Declarant and its affiliates, shall be performed during the hours of Monday through Friday, 8:00 a.m. to 5:00 p.m.

Section 6. Trash Disposal. Trash, garbage and other waste shall be disposed of only in designated areas and in containers and bags specified from time to time by the Board or Management Company. All refuse shall be disposed of in a clean and sanitary manner in sealed, waterproof bags, so as to avoid leakage in route to the refuse receptacles.

Section 7. Rights of Declarant. Until all of the Units have been sold and occupied by Purchasers or tenants, the Declarant may use and show one or more of such unsold or unoccupied Units as model Units or sales office, may maintain customary signs in connection therewith notwithstanding the provisions of Section 9 of these Rules and Regulations, and may use the Common Elements or Limited Common Elements for sales and marketing functions and events.

Section 8. Storage. Except for items stored in storage areas assigned by Declarant, articles of personal property belonging to any Unit Owner, such as baby carriages, bicycles, wagons, toys, furniture, firewood, clothing and other articles, shall not be stored or kept in the Common Elements or Limited Common Elements. All storage will be confined to the Unit and storage areas assigned by Declarant. No flammable materials may be stored in any portion of the buildings. Hanging baskets, wind chimes or any other such items shall not be hung on the ceiling, railing or walls of the balconies, patios or terraces of any Units and no ornaments, chairs, tables, benches, planters or statues will be allowed outside the entrance door of the Unit. No

Section 9. Pets. The maintenance, keeping, breeding, boarding and/or raising of animals, livestock or poultry of any kind, regardless of number, shall be and are hereby prohibited within any Unit, or upon any Common Elements, except that this shall not prohibit residents from keeping no more than two (2) well-behaved, orderly dogs or cats, provided they are not kept or maintained for commercial purposes or for breeding. Because of a natural propensity for some dog breeds to be more aggressive than others, the following breeds are hereby specifically excluded and prohibited from the Condominium Property: Pitbulls, German Shepherds, Rottweiler, Dobermans, and Chows, and any other aggressive breed as may be determined from time to time by the Board.

9.1. Pets shall not be allowed on any part of the Common Elements or Limited Common Elements unattended for any period of time.

9.2. Pets shall not be permitted upon the Common Elements or the Limited Common Elements of the Condominium Property unless they are carried or are on a leash and shall not be allowed on any of the Common Elements or Limited Common Elements inside the building except for purposes of ingress and egress as discussed herein.

9.3. Pet owners are responsible for cleaning where pets foul the Common Elements, Limited Common Elements or adjacent properties. Such fouling shall not be permitted to accumulate but shall be cleaned up immediately.

9.4. Any resident who has a pet on any portion of the Condominium Property shall indemnify and hold the Condominium Association and each of its members, their tenants, guests and employees, free and harmless from any loss, claim or liability of any kind or character whatever arising by reason of keeping or maintaining such pet within the Condominium Property.

9.5. Pets shall be registered with the Association through its Management Company, and shall be inoculated as required by local law. Further, any Unit Owner who allows pets to be maintained in the Unit, must be insured against any damage or personal injury caused by the pet(s). The Board of Directors of the Association shall have the right to order any person whose pet is a nuisance to remove such pet permanently from the premises upon three (3) days prior written notice.

Section 10. Signs. Except as provided in the Declaration, no signs of any character shall be erected, posted, or displayed upon, in, from or about any Unit or the Common Elements, including any window or door of a Unit, without the prior written consent of the Board of Directors.

11.2. No vehicle shall be parked on the Common Elements or Limited Common Elements except in an authorized and designated parking space.

11.3. No boats, campers, trailers, or oversized vehicles may be parked on the Common Elements or the Limited Common Elements. No vehicle may be parked on the roads or ramps providing ingress and egress on the Condominium Property except in those spaces which have been designated as parking areas. Any illegally parked vehicle will be towed away at the Owner's expense, and the Owner shall be subject to a fine. No motorized vehicle shall be operated on any walkway or other area except upon the driveways and parking areas designated by the Board for vehicular use.

11.4. No vehicle which cannot operate on its own power shall remain on the Common Elements or Limited Common Elements for more than twenty-four (24) hours without the express permission of the Board of Directors of the Association and no vehicle repair other than washing and waxing or the changing of a flat tire shall be made on the Condominium Property. A violation of this rule will result in the vehicle being towed away at the expense of the Owner and/or the imposition of a fine.

Section 12. Common Elements.

12.1. Only authorized maintenance personnel are allowed to adjust any Common Element equipment.

12.2. Any damage to the buildings or equipment, or other Common Elements or adjacent property caused by an Owner, his family members, guest, tenants, invitees or pets shall be repaired by the Association and the cost thereof shall be assessed against the Unit Owner as a special assessment.

12.3. No item of common ownership shall be removed or damaged by any resident or guest from the Common Elements or Limited Common Elements. Any Owner, resident, family member, guest, tenant or invitee violating this rule shall be sanctioned, fined or subject to criminal prosecution by the Association. The Owner of the Unit in which said resident resides or guest visits shall be held responsible for the cost of any item so removed or damaged.

Section 13. Association Management.

13.1. Complaints or suggestions regarding the management of the Condominium or regarding the actions of other Owners or residents shall be made in writing to the Board of Directors of the Association.

13.2. No Owner shall request or cause an employee of the Association, or of any management company employed by the Association, to do any private work during normal business hours in the Unit except as authorized in writing by the Association.

Section 14. Structures. No structures or appurtenances, such as a doghouse, tent, shack, treehouse, trailer, fence, aerial antenna or playground equipment, shall be placed or erected on any part of the Condominium Property, including the balconies, patios or terraces.

Outdoor clothes lines shall not be maintained upon any portion of the Common Elements or Limited Common Elements at any time.

Section 15. Window Treatment. Curtains, panels, shades or sheers may be used to cover windows. Any surface of window treatments visible from the building exterior shall be lined in white or off white. Individually slatted blinds, including mini-blinds, are not permitted as window treatments.

15.1. Window treatments may not be mounted into the doors, windows, and frames. Window treatments visible from the building exterior must extend vertically the full length of the window opening, from top rail to bottom rail. Horizontal edges of any window treatment which are visible from the building exterior shall be parallel to the horizontal rail of the window. Vertical edges of any window treatment which are visible from the building exterior shall be parallel to the vertical rail of the window.

Section 16. Access. The Board of Directors or its designated agent may request access to individual Units for use in emergency situations, and the Unit Owners must provide this access upon reasonable request.

Section 17. Rules and Regulations. There shall be no violation of any of these Rules and Regulations or of the terms and provisions of the Condominium Documents, or other supplemental Rules which may, from time to time, be adopted by the Board of Directors and promulgated among the membership in writing. Any consent or approval given under these Rules and Regulations may be added to, amended, or repealed at any time by resolution of the Board of Directors.

Section 18. Enforcement of Rules and Regulations. The Association is responsible for the notification of residents and/or Owners regarding violation of these Rules. A minimum fine of $250.00 will be assessed against any resident and Owner who violates or allows to be violated by his family members, guests, tenants, invitees or pets any Rule or Regulation. Also, fines may be assessed to cover costs of repairs and damages resulting from any violation. The amount of the fine may vary based on the severity of the violation and shall be determined by the Board. The Unit Owner against whom a penalty has been assessed may make objections and be heard by the Board if the Unit Owner notifies the Board of his objection within ten (10) days of the assessment of the penalty. All charges and fines imposed by the Association are due and payable on the first day of each month unless otherwise specified. Failure to pay the fine by the 15th of each month will result in a 10% late penalty per month, plus $5.00 per day. Payment shall be made at the Management Company's office by check or money order, payable to Pine Street Residential Condominium Association, Inc. Failure to pay any fine or assessment shall constitute a lien against the Unit of the Unit Owner.

Section 19. Monthly Condominium Assessments. All monthly Condominium assessments are due and payable on the first day of each month unless otherwise specified. Payment should be made directly to Pine Street Residential Condominium Association, Inc. at the address specified by the Association. Failure to pay by the 15th day of each month will result in a 10% late penalty per month that the assessment is late, plus $5.00 per day. After assessments are sixty (60) days late, the matter will be turned over to the Association's attorney who shall then institute collection procedures against the Unit Owner. The delinquent Unit Owner will be responsible for the payment of any attorney's fees and costs arising from the legal

action. Any fees related to returned checks or stop pay orders shall be charged to the Unit Owner responsible for such charges.

Section 20. Lease Agreements. Any Unit Owner who leases his or her Unit must use a lease agreement complying with these Rules and Regulations and approved by the Association, which may be subject to a processing fee to the Management Company. The lease agreement must also be reviewed by the Management Company prior to it becoming effective. The lease agreement must obligate the Unit Owner to provide a copy of the Condominium Documents and the Rules and Regulations to the Tenant at commencement of the lease. These may be provided by reference to a web site. An acknowledgement shall be signed by the Tenant acknowledging that Tenant intends to be bound by all of the Condominium Documents. The Unit Owner shall remain responsible for all actions or omissions by the Tenant throughout the term of the tenancy. No residential lease shall be for less than one (1) year and no more than one (1) family or two (2) people per bedroom shall occupy a Unit.

Section 21. Tenants. The Board of Directors shall have the authority to contact any Tenant in the Condominium and counsel or discuss any relevant issue concerning the Condominium Documents, Rules and Regulations or any violations thereof. Thereafter, should the Tenant violate or continue to violate the Condominium Documents or Rules and Regulations, the Unit Owner will take appropriate legal action to remedy the violations. The Unit Owner remains subject to fines for any violations by the Tenant.

Section 22. Elevators and Moving. The elevators shall be used for passenger use only. When moving items into the building, great care should be taken to avoid damage to the elevators, walls and doors. Each resident using a cart must return the cart to the location from which it was taken.

22.1. When moving furniture, boxes and large parcels (which are not related to moving in or out of the Condominium), the resident must schedule the delivery or removal with maintenance personnel so that an elevator may be properly protected with padding. The cost of repairing any damage to the elevator or the building by the delivery or removal will be assessed against the Unit Owner of the Unit in which the resident lives as a special assessment.

22.2. Any resident moving in or out of the Condominium Property must schedule such move with, and pay a $500.00 deposit to, the Management Company at least one (1) week in advance of the move. If a resident cancels a confirmed assigned moving time, $50.00 of the deposit will be forfeited and retained by the Association. Any costs incurred for returned checks or stop pay orders shall be charged to the Unit Owner responsible for such charges. Prior to the move, a walk-through of the general area of the move will be conducted by an appointed agent to determine the pre-existing condition of the Condominium Property. After the move, a walk-through of the general area of the move will be conducted by an appointed agent before any portion of the deposit will be returned. The cost to repair any damage caused by the move will be deducted from the $500.00 deposit. If the cost to repair any damage caused by the move exceeds the deposit, a special assessment will be made against the Unit Owner of the Unit in which the moving resident lives or lived.

Section 23. Construction or Improvements to Units. Prior to the commencement of any construction in any Unit or improvement to any Unit which cost exceeds $1,000.00, the Unit Owner must obtain the written approval of the Board of Directors of the Association. Prior written approval will only be given after submission of drawings or plans showing in detail the nature and extent of construction or improvement. The Unit Owner shall post a $1,000 damage deposit with the Management Company at least one (1) week before commencement of construction or improvement. A walk-through will be conducted of the Common Elements and Limited Common Elements in the general area of the construction prior to the commencement of construction to determine the preexisting condition of the area.

23.1. During construction, the contractors, workmen, suppliers and employees must cover the hallway floor on the floor where they are working to prevent dirt and dust to accumulate. Further, such contractors, workmen, suppliers and employees are not permitted on any other part of the Condominium Property and will be ejected if they are observed on any other portion of the Property. The Unit Owner shall be totally responsible for the contractors, workmen, suppliers and employees while they are on the Condominium Property, and the cost to repair any damage or loss to the Condominium Property caused by the contractors, workmen, suppliers and employees will be assessed as a special assessment against the Unit Owner hiring such contractors. The Common Elements of the Condominium must be cleaned each day after construction activities at the Unit Owner's expense. Construction activities are limited to Monday through Friday, 8:00 a.m. to 5:00 p.m., and Saturday through Sunday 9:00 a.m. to 5:00 p.m. and such activities may not interfere with the quiet enjoyment of the other Unit Owners. No portion of the Common Elements or Limited Common Elements may be altered in any way by any Unit Owner.

23.2. After the construction or improvements are completed, the Unit Owner must notify the Management Company, and a walk-through of the general area of the construction will be performed by an appointed agent of the Association before any portion of the damage deposit will be returned. The cost to repair any damage caused by the construction will be deducted from the $1,000 deposit. If the cost to repair any damage caused by the construction exceeds the deposit, a special assessment will be made against the Unit Owner.

23.3. This Rule and Regulation regarding construction in Units shall not apply to construction activities of Declarant or its Affiliates.

Section 24. Admission of Guests on Condominium Property.

24.1. No garage sales may be held on the Condominium Property.

24.2. Each Unit Owner is responsible for every person such Owner or resident admits onto the residential floors and controlled access areas of the Condominium Property, and such entry shall not be permitted except to invited or expected family members, guests and invitees. Any damage caused by the invited person or guest will be assessed against the Unit Owner, and the Unit Owner will be responsible for paying any fine assessed by reason of the tenant, invited guest or family member of the Unit Owner.

24.3. Any Owner who has his or her Unit for sale is responsible for any person on the Condominium Property viewing such Unit and is responsible for providing ingress and egress to such prospective purchaser or sales agent.

24.4. Any entry onto the Property by guests or invitees shall be made without revealing to anyone access codes or making available entry keys.

Section 25. Satellite Dish and Antenna Policy.

25.1. Definitions.

(a) Antenna. Any device that is used for the receipt of video programming services, including direct broadcast satellite (DBS), multipoint distribution service (MDS), and local television broadcast signals (TVBS); and any device used to receive or transmit fixed wireless signals (FWS). A mast, cabling, supports, guide wires, conduits, wiring, fasteners, or other accessories necessary for the proper installation, maintenance, and use of an antenna shall be considered part of the antenna.

(b) Common Elements. All portions of the condominium other than the Units and the limited common element(s) assigned to each Unit, as more specifically defined in the Association's Declaration. Common elements include, but are not limited to, open grassy areas, roofs and exterior walls (including exterior walls between the unit and the unit's patio or balcony).

(c) Exclusive-use Area. Limited common element, as defined in the Association's Declaration, in which the owner has a direct or indirect ownership interest and that is designated in the Declaration for exclusive use of owner. Limited common elements include, but are not limited to, the patio or balcony adjacent to a unit.

(d) Fixed Wireless Signals. Any commercial non-broadcast communications signal transmitted by wireless technology to and/or from a fixed customer location. Examples include wireless signals used to provide telephone service or high-speed internet access to a fixed location. The term "fixed wireless signals" does not include, among other things, AM/FM radio, amateur ("HAM") radio, Citizens Band ("CB") radio, and digital Audio Radio Services ("DARS") signals.

(e) Mast-Structure. To which an antenna is attached that raises the antenna height.

(f) Owner. Any Association unit owner or, for purposes of these Rules only, any tenant lawfully entitled to occupy a unit within the Condominium.

(g) Telecommunications Signals. Signals received or transmitted by DBS, TVBS, MDS, or FWS antennas.

25.2. Installation Requirements.

(a) Antenna Size and Type.

(i) DBS, MDS, and FWS Antennas. DBS, MDS, and FWS antennas that are one meter (39.37 inches) or less in diameter may be installed by a unit owner. DBS, MDS, and FWS antennas that are larger than one meter in diameter are prohibited.

(ii) Antennas that Transmit Signals. All antennas that are capable of transmitting signals, including FWS antennas, must be labeled to provide notice of radio frequency (RF) safety hazards and reference the applicable FCC-adopted limits on RF exposure; in addition, all such antennas must be professionally installed (see Section ILE.6. below).

(iii) Prohibited Antennas. All antennas not specifically included within the definition of "antenna" set forth above, or otherwise covered by the FCC rule, are prohibited.

(b) Location.

(i) Inside Unit. If acceptable quality signals may be received by placing antennas inside a unit without unreasonable delay or unreasonable cost increase, then the antenna must be installed within the unit.

(ii) Acceptable Locations. Subject to the requirement in the prior paragraph, antennas shall be installed solely in the following locations (listed in decreasing order of preference):

(1) inside the owner's unit;

(2) within the boundaries of the owner's limited common element/exclusive-use areas, as designated in the Declaration and on the plats and plans of the Association (such as patios and balconies) (see Section 25.2(c) below); or

(3) subject to the prior written approval of the Association's Board of Directors in accordance with Section 25.2(c) below, on common elements.

(iii) Unacceptable Locations/Encroachments. Except as otherwise provided herein, antennas shall not encroach upon common elements, any other owner's individual unit or limited common element, or the air space of another owner's limited common element or air space of the common elements. For instance, an antenna cannot be installed so that it extends out beyond the balcony or patio and into, on, or over common elements. Except as otherwise provided in Section 25.2(b)(ii)(c) above, no antenna of any size may be placed or installed on the common

elements, even if an acceptable quality signal cannot be received from within a unit or exclusive-use area/limited common element.

(iv) Shielded From View. Antennas shall be located in a place shielded from view from outside the Condominium or from other units to the maximum extent possible; provided, however, that nothing in this rule requires installation where an acceptable quality signal cannot be received or in such a manner that unreasonably increases the cost of installation.

(c) Installation on Limited Common Elements/Exclusive Use Areas.

(i) In General. Antennas shall be no larger nor installed higher than is absolutely necessary for reception of an acceptable quality signal. Installation must comply with all applicable codes, take aesthetic considerations into account, and minimize the aesthetic and structural impact to the exterior and structure of the owner's unit, limited common elements or the common elements.

(ii) Do Not Damage Property. All installations shall be completed so that they do not materially damage the common elements, limited common elements, or individual units, or void any warranties of the Association or other owners, or in any way impair the integrity of buildings. Installation of antennas on a limited common element does not convert the limited common element to individual property.

(iii) Preferred Locations. To the extent an acceptable quality signal can be obtained, the following limited common element locations are the preferred locations and installation sites (listed in decreasing order of preference):

(1) On the floor of the balcony below the railing;

(2) Within the boundaries of the patio or balcony; or

(3) Attached to the balcony railings, but only in such a way that no part of the antenna extends beyond the boundaries of the balcony.

(d) Installer Qualifications. To protect the interests of the owner and the Association, it is recommended that any installer other than the owner should be licensed, bonded and insured. Insurance should meet the following minimum limits:

(i) Contractor's General Liability (including completed operations): $1,000,000; and

(ii) Workers' Compensation.

(1) Statutory Limits. It is recommended that the owner have the installer provide the Association with a copy of the

installer's license and insurance certificate prior to installation, if other than inside the unit. This recommendation is intended to ensure that antennas are installed in a manner that complies with building and safety codes and manufacturer's instructions, and to protect the interests of the Association. Improper installation could cause damage to structures or pose a safety hazard to the Condominium's residents and to Condominium or personal property.

(2) The Association's management agent maintains a list of installers who have indicated their ability to install antennas in compliance with all regulations and procedures. This list of installers is provided solely for the convenience of the owners and shall not be construed to indicate the Association's endorsement or recommendation of a particular installer.

25.3. Securing of Antennas. Antennas must be secured so they do not jeopardize the soundness or safety of any structure or the safety of any person at or near the antennas, including damage from wind Pine Street.

25.4. Drilling of Holes - Limited Common Elements. There shall be no holes drilled, made or put into structural components of limited common element/exclusive-use areas of the building unless this requirement prevents an acceptable quality signal or unreasonably increases the cost of antenna installation. The following devices shall be used unless their use would prevent an acceptable quality signal or unreasonably increase the cost of antenna installation, maintenance or use:

(a) Devices that permit the transmission of telecommunications signals through a glass pane without cutting or drilling a hole through the glass pane;

(b) Devices, such as ribbon cable, that permit the transmission of telecommunications signals into a residence though a window or door without penetrating the wall;

(c) The unit's existing cable entry path; or

(d) Existing unit wiring for transmitting telecommunications signals and cable service signals into the unit.

25.5. Drilling of Holes - Common Elements. No unit owner shall be permitted to drill, put or make holes into the exterior building walls or other common elements, or to otherwise penetrate through the common elements, without the prior written approval of the Board of Directors, and if approved, the penetration shall be properly waterproofed and sealed by the unit owner in accordance with applicable industry standards and building codes. This rule is intended to prevent structural damage to the building and residences from water and vermin or insect intrusion. The Owner shall be responsible for repair of all damages caused by their, or their agent's, installation, maintenance or

removal of the antenna and related equipment and/or any related penetration through common elements or limited common elements.

25.6. Use of Existing Coaxial Cable. If the owner currently subscribes to cable services and desires to use the unit's existing coaxial cable for the installation of the antenna, the Owner's use of the existing cable is at the Owner's sole risk and the Association shall not be responsible for any resulting damages or claims. The Owner must provide notice to the current cable service provider as required by the cable provider, currently believed to be at least seven days, before attempting to splice or connect to the existing cable, and must comply with the cable service provider's requirements.

25.7. Maintenance Requirements.

(a) Owner Responsibility. Unit Owners with antennas are responsible for all related maintenance, repair and replacement obligations, and associated costs, including, but not limited to, the following:

(i) Place (or replace), repair, maintain, and move or remove antennas, to include, without limitation, when needed for the Association to do required maintenance to limited common elements or common elements;

(ii) Repair damage to any property caused by antenna installation, existence, maintenance or use;

(iii) Pay medical expenses incurred by persons injured by antenna installation, existence, maintenance, or use;

(iv) Reimburse residents or the Association for damage caused by antenna installation, maintenance, or use or the failure to perform any necessary maintenance, repair or replacement;

(v) Restore building components at antenna installation sites to their original condition;

(vi) Maintain all seals for any penetrations created in relation to the installation of the antenna; and

(vii) Maintain, repair and replace any attachments associated with installation of the antenna.

(viii) Repaint or replace antenna if the exterior surface of the antenna deteriorates.

25.8. Maintenance Affecting Common Elements. Owners must obtain the prior permission of the Association's management agent prior to performing service or maintenance on the owner's antenna if such service or maintenance may potentially affect or involve the common elements.

25.9. No Safety Hazard. Owners shall not permit their antennas to fall into disrepair or become a safety hazard. Owners shall be responsible for antenna maintenance, repair and replacement, and the prompt correction of any safety hazard.

25.10. Repair of Detached Antennas. If antennas become fully or partially detached, owners shall remove or repair such antenna within 72 hours of the detachment. If the detachment threatens safety, the Association may remove the antenna immediately at the expense of the owner if the owner does not do so immediately.

25.11. Safety.

(a) Compliance Standards. Antennas shall be installed and secured in a manner that complies with all applicable county and state laws and regulations, and manufacturer's instructions. Owners shall, prior to installation or soon thereafter as reasonably possible, provide the Association with a copy of any applicable governmental permits that are required for safety reasons. In addition, upon request, the Owner shall make available to the Association a copy of the antenna manufacturer's instruction/safety manual.

(b) Proximity to Power Lines. Unless the above-cited laws and regulations require a greater separation, antennas shall not be placed within 10 feet of power lines (above-ground or buried). The purpose of this requirement is to prevent injury or damage resulting from contact with power lines.

(c) Obstructions. Antennas shall not obstruct access to or exit from any unit, walkway, ingress or egress from an area, electrical service equipment, or any other areas necessary for the safe operation of the Condominium. The purpose of this requirement is to ensure the safety of Condominium residents and personnel and the safe and easy access to the Condominium's physical plant.

(d) Grounding. Antennas shall be permanently grounded in accordance with the manufacturer's specifications to prevent electrical and fire damage.

(e) Professional Installation. Only professional installers shall install all antennas capable of transmitting signals, including FWS antennas. The purpose of this requirement is to minimize the possibility that the antenna will be placed in a location that is likely to expose Condominium residents and guests to the transmit signal at close proximity and for an extended period of time.

25.12. Antenna Camouflaging.

(a) Color. Owners shall purchase their antenna in a color, to the extent available, that most closely matches the color of the structure to which the antenna will be installed, or in the alternative, shall paint their antenna so that the antenna blends into the background against which it is mounted, so long as the painting of the antenna will not void any warranties or prevent the reception of an acceptable quality signal.

(b) Screening. Camouflaging antennas through inexpensive, visually attractive screening is required if antennas are visible from the street or other units, so long as such camouflaging does not prevent the reception of an acceptable quality signal.

(c) Wiring. Exterior antenna wiring shall be installed so as to be invisible, to the greatest extent possible, from other units, the common elements or the streets and parking areas, so long as this requirement does not impair the installation, maintenance or use of the antenna. For instance, the owner can hide the wiring by using vinyl tubing that matches the color of the surface on which the wiring is installed, or such other camouflaging tubing, devices, or methods consistent with all applicable industry standards and manufacturer's instructions and warranties.

25.13. Mast Installation.

(a) Height/Encroachments. Mast height may be no higher than absolutely necessary to receive acceptable quality signals. However, masts shall not encroach upon common elements, any other owner's individual unit or limited common element, or the air space of another owner's limited common element or air space of the common elements. For instance, a mast cannot be installed so that it extends out beyond the balcony or patio and into, on, or over common elements; as a further example, a mast cannot be so high as to extend beyond the upper boundary of the owner's unit and/or into the air space above the roof line.

(b) Prior Notification/Approval. A mast that is 6 feet high or less and is consistent with the requirements of Section 25.2(a) may be installed subject to the ordinary notification process addressed below. Masts that would violate Section 25.2(a), or that exceed 6 feet in height must be approved by the Board of Directors before installation due to safety concerns posed by wind loads and the risk of falling antennas and masts. Applications for masts requiring Board approval must include a detailed description of the structure and anchorage of the antenna and the mast, as well as an explanation of the need for the proposed mast. If the installation of a mast exceeding 6 feet in height (but which is otherwise consistent with Section 25.2(a) will pose a safety hazard to Association residents and personnel, then the Board may prohibit such installation, and the notice of rejection shall specify these safety risks. Nothing herein requires the Board to approve masts that violate Section 25.2(a).

(c) Professional Installation. Approved masts exceeding 6 feet in height must be installed by a licensed and insured contractor due to safety concerns posed by wind loads and the risk of falling antennas and masts.

25.14. Antenna Removal. If an owner's antenna is removed for any reason, then the owner must restore the property, at his/her expense, to the condition that existed prior to the installation of the antenna.

25.15. Association Maintenance of Locations Upon Which Antennas are Installed.

(a) In General. If antennas are installed on property that is maintained by the Association, the owner retains responsibility for antenna maintenance. Antennas must not be installed in a manner that will result in increased maintenance costs for the Association or for other residents. If increased maintenance or damage occurs, the owner is responsible for all such costs.

(b) Temporary Removal of Antenna. If maintenance or repair requires the temporary removal of an antenna, the Association shall provide the owner with 10 days' written notice of the need for temporary removal of the antenna. Owner shall be responsible for removing or relocating the antenna before maintenance begins and replacing the antenna afterward. If they are not removed in the required time, then the Association may do so at the owner's expense. The Association is not liable for any damage to antennas or any related equipment, seals or wires caused by the Association's removal. In an emergency, prompt removal may be required or may be done at the owner's cost.

25.16. Notification Process / Prior Approval.

(a) Prior Notification. Any owner desiring to install an antenna must submit prior written notification to the Board of Directors, care of the Association's management agent. The prior notification should be given as much in advance of installation as possible without unreasonably delaying the installation. The notification must include specific details regarding the intended placement of the antenna and related equipment and wiring, and must identify who (or what company) will be installing the antenna. Tenants must include their lease/rental agreement along with the written notice.

(b) Non-Routine Installations/Clarifications. If the installation is routine (i.e., conforming to all of the rules in this Resolution), the installation may begin immediately after submission of the notice. If the installation is other than routine for any reason or if the owner is unsure whether the installation will comply with these Rules, the owner and the Board of Directors (or the Association's management agent) must, prior to installation, establish a mutually convenient time to meet to discuss the proposed installation (usually within 72 hours after submission of the notice, if possible).

(c) Prior Approval For Common Elements. If an Owner desires to locate an antenna on the common elements in accordance with Section 25.2(b)(ii)(c) above, then the Owner must first obtain the prior written consent of the Board of Directors. The decision whether to allow placement of an antenna on common elements shall be in the sole discretion of the Board of Directors. The Board of Directors shall provide the Owner with a written decision as soon as reasonably possible, typically within 45 days after the Board receives the Owner's written application, which must contain a detailed description of the proposed antenna installation, a diagram of the proposed location, and an explanation why other permissible locations are unacceptable.

25.17. Installation by Tenants. These rules shall apply in all respects to tenants. The Association shall not be liable to any owner for a tenant's failure to comply with this provision. An owner shall be responsible for any damages caused by a tenant.

Section 26. Waterbeds and Aquariums. Due to weight load limitations and water damage concerns, no waterbeds shall be allowed in any Unit and no aquarium more than thirty (30) gallons in capacity shall be allowed in any Unit.

Section 27. No Grilling or Cooking on Balconies and Terraces. No grilling or cooking shall be allowed on balconies or terraces.

Section 28. Minimum and Maximum Thermostat Settings. In order to prevent damage within a Unit, including, but not limited to, cracks in finish materials, excess condensation, and breakage of water pipes resulting in damage to any portion of the Condominium Property, increased Common Expenses, and increased insurance premiums or cancellation of insurance policies due to numerous damage claims, the thermostats within the Units shall be maintained with the heat and air conditioning in an "on" or "auto" position with a minimum temperature setting of fifty eight degrees (58°) Fahrenheit and a maximum temperature setting of seventy eight degrees (78°) Fahrenheit. Owners and Occupants of Units shall take all reasonable steps on a timely basis to keep heating and air conditioning equipment, including, but not limited to, the thermostat, in good working order and repair. The Board may fine any Owner or Occupant and/or may cause the water service to the violator's Unit to be discontinued for violation of this subparagraph, in addition to any other remedies of the Association.

Section 29. No Changes to Exterior Appearance of Condominium; Window Tinting. Unit Owner's shall not make any changes, decorations or alterations of their Units that would affect the exterior appearance of any portion of the Condominium. Unit Owner's shall not decorate or tint the glass windows serving their Units or otherwise change the appearance of the windows as viewed from the exterior of the Units, except for window treatments, which must comply with the Rules and Regulations.

Section 30. Installation of Fasteners in Floors Slabs of Units. Fasteners installed in floor and ceiling slabs of Units must have a maximum embedment depth of three-quarters of an inch (3/4") into the concrete. All fasteners to be installed by Unit Owners or their contractors must be presented to the Manager of the condominium Association and approved prior to installation.

Section 31. Fitness Center Rules. All persons using the Fitness Center do so at their own risk. The Association is not responsible for any accident or injury in connection with the use of the Fitness Center or for any loss or damage to personal property. Persons using the Fitness Center agree not to hold the Association liable for any actions of whatever nature occurring at or in connection with the use of the Fitness Center.

31.1. No person under the age of fourteen (14) shall be permitted to use the Fitness Center.

31.5. Tobacco, spillable containers and glassware are not to be brought into the Fitness Center, except in such areas of the Fitness Center where same are expressly permitted.

31.6. The hours of operation of the Fitness Center shall be determined by the Board of Directors.

EXHIBIT H

DECLARANT RIGHTS REGARDING CONSTRUCTION

Notwithstanding any other terms to the contrary within the above Declaration, the following terms and conditions are hereby incorporated into the terms of the Declaration by this reference and shall control over any other inconsistent terms set forth therein. Unless otherwise defined below, all capitalized terms shall have the meaning ascribed to them in the Declaration and the Act. Without limiting any express right set forth herein, the Declarant shall have all rights set forth in the Act, as may hereafter be amended.

ARTICLE I
EASEMENT TO INSPECT AND RIGHT TO CORRECT

Section 1.1 Easement. Declarant reserves for itself, the General Contractor (defined below) and such other persons as each may designate, perpetual, non-exclusive easements throughout the Property to the extent reasonably necessary for the purposes of access, inspecting, testing, redesigning, correcting, modifying or improving any portion of the Property, including Master Units, the Common Elements and the Limited Common Elements. Pursuant to this Section and any express warranty provided by either party, Declarant and General Contractor shall have the unilateral right, at any time, to redesign, correct, modify or improve any part of the Property, including Master Units, the Common Elements and the Limited Common Elements, to the extent reasonably necessary to correct any design defect, construction-related defect or other construction-related problem, to improve the operational efficiency and structural integrity of any improvement located on the Property, and to otherwise provide a superior or enhanced housing product within the Property.

Section 1.2 Right of Entry. In addition to the above easement, Declarant for itself and General Contractor reserves a right of entry into any Master Unit or Limited Common Elements upon reasonable notice to the Master Unit Owner; provided, however, notice shall not be required in an emergency. Entry into a Master Unit shall be only after Declarant or General Contractor notifies the Master Unit Owner (or occupant) and agrees with the Master Unit Owner regarding a reasonable time to enter the Master Unit to perform such activities. Master Unit Owner agrees to cooperate in a reasonable manner with Declarant and General Contractor in their exercise of the rights provided to it by this Section. Entry onto the Common Elements and into any improvements and structures thereon may be made by Declarant or General Contractor at any time with advance notice to the Association; provided, however, in an emergency, such notice shall not be required and

(a) Declarant and General Contractor shall be permitted to enter upon any portion of the Property without advance notice or consent.

Section 1.3 Notice Requirement. Upon notice, observation, or suspicion of a design defect, construction-related defect or other construction-related problem with any improvement located on the Property, including the Common Elements, the Limited Common Elements and any Master Unit, the Association immediately shall notify Declarant and General Contractor of such issue in writing and, in the case of a condition posing an imminent threat of damage to person or property, telephonically. Upon such notice, Declarant or General Contractor shall have the right to come onto the Property to observe the defect or problem and unilaterally to undertake

any corrective measures that it deems appropriate without the additional consent or participation of the Association or the Master Unit Owner(s). The rights of notice, inspection and correction granted to Declarant and General Contractor pursuant to this Section shall be provided by the Association and any affected Master Unit Owner prior to the Association and any affected Master Unit Owner consulting with, hiring or retaining, in any capacity whatsoever, any third party to examine, correct, repair or improve any design defect, construction-related defect or other construction-related problem with the Property, any Common Element, Limited Common Element or Master Unit. Failure by the Association or any Master Unit Owner to provide Declarant and General Contractor with the above described notice, inspection and cure rights granted to it by this Section, automatically shall constitute an absolute and unconditional waiver of any legal claim or other claim or remedy whatsoever, including any warranty claims and any right to file a claim in arbitration, that the Association or the Master Unit Owner(s) otherwise may have regarding such defect or problem absent such waiver.

Section 1.4 Damage. Any damage to the Property, a Master Unit, the Limited Common Elements or the Common Elements resulting from the exercise of the easement and right of entry described in the above subsections of this Section promptly shall be repaired by, and at the expense of, the party exercising this easement; provided, however, the obligation to repair shall be limited to restoring the affected area to the same approximate condition and state of repair which existed prior to the undertaking of the work permitted by this easement and after taking into account the nature of any corrective work or improvement so performed by Declarant or General Contractor pursuant to this Section.

Section 1.5 No Implied Warranty and Enforcement. THE TERMS OF THIS SECTION SHALL NOT BE DEEMED TO PROVIDE ANY IMPLIED OR EXPRESS WARRANTY RIGHTS WHATSOEVER BY DECLARANT AND GENERAL CONTRACTOR TO THE ASSOCIATION OR ANY OWNER, AND DECLARANT AND GENERAL CONTRACTOR EXPRESSLY DISCLAIM ANY AND ALL IMPLIED WARRANTIES, INCLUDING, WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, TO THE FULLEST EXTENT PERMITTED BY TENNESSEE LAW.

(a) Declarant and General Contractor may seek enforcement of the rights afforded to each of them under this Section by filing an action at law or in equity, including specifically the remedy of specific performance, in the appropriate court of competent jurisdiction in the State of Tennessee and notwithstanding to the contrary any arbitration provision set forth in this Declaration or any other instrument whatsoever.

Section 1.6 General Contractor, Notices and Amendment. As used in this Section, the term "General Contractor" shall mean Cambridge Builders and Contractors, LLC and The Winter Construction Company, a Joint Venture, its employees, officers, directors, agents, subsidiaries, affiliates and assigns as well as all subcontractors hired by General Contractor (or subcontractors of such subcontractors) to perform work on the Property, the Common Elements, the Limited Common Elements and any Master Unit. Notices to General Contractor shall be delivered as follows: 6085 Barfield Road, Suite 200, Atlanta, Georgia 30328, such notice address may be amended from time to time by General Contractor upon the filing of a new notice address in the appropriate land records where the Condominium is located with cross-reference to this Declaration. General Contractor is an express beneficiary of the terms set forth in this Section, and the terms of this Section may not be amended in any manner whatsoever without

General Contractor's prior written consent. Declarant covenants with General Contractor that it immediately shall forward to General Contractor any notice whatsoever that Declarant receives from the Association or any Master Unit Owner regarding any alleged design defect, construction-related defect or other construction-related problem whatsoever regardless of whether or not such notice also shall be addressed to General Contractor and regardless of whether or not Declarant determines that such complaint is without merit.

ARTICLE II
ARBITRATION AND ACTIONS AGAINST THE GENERAL CONTRACTOR AND/OR DECLARANT

Section 2.1 Prerequisites to Actions Against Declarant or General Contractor. Prior to filing a civil action or arbitration claim of any nature whatsoever against Declarant or General Contractor (as defined below), and prior to consulting with, retaining or hiring in any capacity whatsoever, any third party consultant, advisor, property inspector, architect, engineer, contractor or repairmen to correct the problem or to examine, investigate, or advise the Association or any Master

(a) Unit Owner with respect to any suspected or reasonably inferable design defect, construction-related defect or other construction-related problem with the Property, Common Elements, the Limited Common Elements and any Master Unit, the Association and Master Unit Owner shall first notify Declarant and General Contractor of the alleged or suspected problem and shall first provide Declarant and General Contractor with a reasonable opportunity to inspect and repair the problem pursuant to the terms of Section 1 above. For the purposes of this Section, a minimum of sixty (60) days from first notice to Declarant or General Contractor shall be deemed a reasonable opportunity for Declarant and General Contractor to inspect and repair any alleged or suspected problem; provided, however, in certain circumstances, this period of time may be longer depending on the complexity of the condition and the length of time reasonably necessary to obtain parts and services from third parties as such additional time shall be communicated to the Association and Master Unit Owner by Declarant or General Contractor.

(b) After the above right to inspect and correct period elapses, the Association may bring an action against Declarant or General Contractor to recover damages resulting from construction defects in any of the Common Elements or Limited Common Elements only. Such action may be maintained by the Association only after doing the following, including, but not limited to, the following:

(i) The Association obtains the written approval of each Master Unit Owner whose interest in the Common Elements or Limited Common Elements will be the subject of the action;

(ii) The Association obtains the affirmative vote of the Master Unit Owners to which at least a majority of the votes of the members of the Association are allocated;

(iii) The full Board of Directors and, as applicable, the General Contractor and Declarant have met in person and conferred in a good faith attempt to

resolve the Association's Claim or the General Contractor and/or Declarant has definitively declined or ignored the requests to meet with the Board of Directors.

(c) At least three business days in advance of any vote to commence an action by the Association to recover damages resulting from construction defects in any of the Common Elements or Limited Common Elements, the attorney representing the Association shall provide to each Master Unit Owner a written statement that includes, in reasonable detail:

(i) The defects and damages or injuries to the affected Common Elements or Limited Common Elements;

(ii) The cause of the defects, if the cause is known;

(iii) The nature and the extent that is known of the damage or injury resulting from the defects;

(iv) The location of each defect within the affected Common Elements or Limited Common Elements, if known;

(v) A reasonable estimate of the cost of the action or mediation, including reasonable attorneys' fees and costs, expert fees, and the costs of testing; and

(vi) All disclosures that the Master Unit Owner is required to make upon the sale of the Master Unit.

(d) The Association or an attorney for the Association shall not employ a person to perform destructive tests to determine any damage or injury to a Unit, Common Element, or Limited Common Element caused by a construction defect unless:

(i) The person is licensed as a contractor pursuant to law;

(ii) The Association has obtained the prior written approval of each Master Unit Owner whose Master 'Unit or interest in the Common Element or Limited Common Element will be affected by such testing;

(iii) The person performing the tests has provided a written schedule for repairs;

(iv) The person performing the tests is required to repair all damage resulting from such tests in accordance with state laws and local ordinances relating thereto;

(v) The Association or the person so employed obtains all permits required to conduct such tests and to repair any damage resulting from such tests; and

(vi) Reasonable prior notice and opportunity to observe the tests is given to Declarant, General Contractor and any other party against whom an action may be brought as a result of the tests.

(e) The Association may commence an action only upon a vote or written agreement of the Master Unit Owners to which at least a majority of the votes of the members of the Association are allocated. In such a case, and at least 21 calendar days before the meeting, the Association shall provide written notice to the Master Unit Owner of each Master Unit of the meeting at which the commencement of an action is to be considered or action is to be taken.

(f) The Association may, without giving notice to the Master Unit Owners, employ a contractor and such other persons as are necessary to make such immediate repairs to a Master Unit or Common Element as are required to protect the health, safety, and welfare of the Master Unit Owners and Occupants.

(g) Similarly, prior to any Master Unit Owner(s) bringing any Claim against the Declarant or General Contractor, the affected Master Unit Owner(s) shall first notify the Association of their intent to do so, shall meet with the Association's Board of Directors to discuss the nature and merit of their Claim and whether such Claim concerns the Common Elements, and shall provide the Association with at least sixty (60) days (if requested by the Board) to obtain the consent of the Master Unit Owners for the Association to join-in such Claim against the Declarant or General Contractor with respect any affected Common Elements only.

Section 2.2 Notice. After first complying with the terms and conditions set forth above in Section 2.1, if the Association and/or a Master Unit Owner(s) (singularly or collectively as the context requires, the "Claimant") desires to pursue a legal claim of any nature whatsoever against General Contractor and/or Declarant (singularly or collectively as the context requires, the "Respondent"), then the Claimant shall, no later than ninety (90) days before initiating an action against Respondent, provide service of written notice of claim on Respondent (the "Notice of Claim"). The Notice of Claim shall state that the Claimant asserts a construction defect claim. The Notice of Claim shall describe the claim or claims in detail sufficient to explain the nature of the alleged construction defects and the results of the defects. In addition, the claimant shall provide to the General Contractor or Declarant any evidence that depicts the nature and cause of the construction defect, including expert reports, photographs, and videotapes, if that evidence otherwise would be discoverable under evidentiary rules.

(a) For purposes of clarification of the above terms and conditions, a Master Unit Owner may file a Claim against Respondent for problems or deficiencies with his or her Master Unit only; a Master Unit Owner may not file a Claim against Respondent for problems or deficiencies with the Common Elements as all Master Unit Owners covenant and agree that all such Claim rights are exclusively those of the Association. The Association only may file Claims against Respondent for problems or deficiencies with the Common Elements or for problems and deficiencies affecting more than 10% of all Master Units in the Property and, in such case, all Master Unit Owners covenant and agree that the Association shall serve in a representative capacity on behalf of all such affected Master Unit Owners should the Association elect to do so.

Section 2.3 Negotiation and Mediation. If the parties do not resolve the Claim amongst themselves in accordance with the notice and opportunity to cure provisions set forth above ("Termination of Negotiations"), then Claimant shall have thirty (30) additional days to submit the Claim to mediation under the auspices of an independent, mutually acceptable agency providing dispute resolution services in the Metropolitan Nashville, Tennessee area. .

(a) If Claimant does not submit the Claim to mediation within such time period, or does not appear for the mediation, Claimant shall be deemed to have absolutely, unconditionally and forever waived the Claim, and Declarant and General Contractor shall be released and discharged from any and all liability whatsoever to Claimant on account of such Claim.

(b) Any settlement of the Claim through mediation shall be documented in writing by the mediator and signed by the parties. If the parties do not settle the Claim within thirty (30) days after submission of the matter to mediation, or within such additional time as determined by the mediator, the mediator shall issue to all parties a written notice of termination of the mediation proceedings ("Termination of Mediation"). The Termination of Mediation notice shall set forth that the parties are at an impasse and the date that such mediation was terminated.

(c) Within five (5) days of the Termination of Mediation, the Claimant shall make a final written settlement demand ("Settlement Demand") to Respondent, and Respondent shall make a final written settlement offer ("Settlement Offer") to Claimant. If Claimant fails to make a Settlement Demand, Claimant's original Notice shall constitute the Settlement Demand. If Respondent fails to make a Settlement Offer, they shall be deemed to have made a "zero" or "take nothing" Settlement Offer.

Section 2.4 Final and Binding Arbitration. If the parties do not agree in writing to a settlement of the Claim within fifteen (15) days of the Termination of Mediation, then the Claimant shall have fifteen (15) additional days thereafter (i.e., thirty (30) days from the date of Termination of Mediation) to submit the Claim to arbitration before the American Arbitration Association pursuant to the Construction Industry Arbitration Rules of the American Arbitration Association.

(a) If not timely submitted to arbitration or if the Claimant fails to appear for the arbitration proceeding, then the Claim shall be deemed abandoned, and Respondent shall be released and discharged from any and all liability whatsoever to Claimant arising out of such Claim.

(b) This Section 2.4 is an agreement to arbitrate and is specifically enforceable under the Federal Arbitration Act, 9 U.S.C. § 2. The arbitration award (the "Award") shall be final and binding, and judgment may be entered upon it to the fullest extent permitted under the laws of the State of Tennessee.

Section 2.5 Allocation of Costs of Resolving Claims. Each party (regardless of the outcome of the arbitration proceeding) shall bear its own costs, including attorneys' fees, arbitration filing fees and arbitration case service fees. The parties shall share equally in all arbitrator compensation and expenses and compensation of the mediator and mediation service. Under no circumstances whatsoever shall one party be entitled to receive reimbursement from the other party for the above described costs, expenses and fees, including but not limited to attorneys' fees.

Section 2.6 Enforcement of Resolution. After resolution of any Claim, if any party fails to abide by the terms of any settlement agreement or Award, then any other party may file suit or initiate administrative proceedings to enforce such agreement or Award without the need

to again comply with the procedures set forth above. In such event, the party taking action to enforce the agreement or Award shall be entitled to recover from the noncomplying party (or if more than one non-complying party, from all such parties jointly and severally) all costs incurred in enforcing such agreement or Award, including, without limitation, attorneys' fees and court costs.

Section 2.7 General Contractor Beneficiary. General Contractor is an express beneficiary of the terms set forth in this Section, and the terms of this Section may not be amended in any manner whatsoever without General Contractor's prior written consent. THE TERMS OF THIS SECTION SHALL NOT BE DEEMED TO PROVIDE ANY IMPLIED OR EXPRESS WARRANTY RIGHTS WHATSOEVER BY DECLARANT AND GENERAL CONTRACTOR TO THE ASSOCIATION OR ANY OWNER, AND DECLARANT AND GENERAL CONTRACTOR EXPRESSLY DISCLAIM ANY AND ALL IMPLIED WARRANTIES, INCLUDING, WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, TO THE FULLEST EXTENT PERMITTED BY TENNESSEE LAW. Declarant and General Contractor may seek enforcement of the rights afforded to it under this Section by filing an action at law or in equity, including specifically the remedy of specific performance, in the appropriate court of competent jurisdiction in the State of Tennessee and notwithstanding to the contrary any arbitration provision set forth in this Declaration or any other instrument
