ENTERED IN WILL BOOK 26, PAGE 116
DEC 10 2013

I, JEAN HOLT STEVENSON, a resident of Davidson County, Tennessee, being of sound mind and disposing memory, do hereby make, publish and declare this as my Last Will and Testament, hereby revoking all Wills and Codicils heretofore made by me.

1. Appointment of Executor. I nominate and appoint my son, Jimmy Russell Stevenson, as Executor of this my Last Will and Testament, and I direct that no bond shall be required. In the event my son ceases or fails to serve, then I nominate and appoint my daughter-in-law, Donna L. Stevenson, as Executor, without bond. Whenever the term "Executor" is used herein, it shall be deemed to apply to the party or parties acting, and any reference to such party or parties in one gender shall be deemed to mean the proper gender.

2. Ancillary Administration. If the appointment of an Executor of my estate is necessary or desirable in any jurisdiction in which the Executor named herein is unable or unwilling to act, I appoint as my Executor in that jurisdiction such person or corporation as may be designated in an instrument signed by the Executor named herein, to serve without security or any bond, and to have all the powers with respect to my estate in that jurisdiction that my Executor named herein is given with respect to my domiciliary estate (including the power to sell real or personal property at public or private sale for any purpose), to be exercisable without the joinder of any beneficiary or the approval of any court.

3. Administration of Real Property. I give to my Executor all real property which I may own at the time of my death and direct my Executor to hold, administer and distribute my real property as a part of my probate estate. It is my intention that my Executor have possession and control of my real property during the period of administration, including the power to sell, lease, encumber and otherwise convey all or any portions of such real property or interests therein without the joinder of any beneficiary of my estate or the approval of any court.

4. Payment of Debts and Taxes. I direct that all of my legally enforceable debts, funeral expenses, and expenses in connection with the administration of my estate be paid as soon as may be convenient after my death, except that any debt secured by a mortgage, pledge, or similar encumbrance on property owned by me at the time of my death may be retained in the discretion of my Executor and such property shall pass subject to such mortgage, pledge, or similar encumbrance. I further direct that all transfer, estate, inheritance and other death taxes (but not any generation-skipping transfer taxes) which are payable because of my death, including any interest or penalties thereon, with respect to the property comprising my estate for such tax purposes, whether or not such property passes under this Will and whether such taxes are payable by my estate or by any recipient or beneficiary of any such property, shall be paid entirely out of my residuary estate without apportionment and with no right of reimbursement from any recipient or beneficiary of any such property; provided that I authorize my Executor to call upon the trustee of the revocable trust heretofore executed by me on 4/14, 2000, and naming me as Trustee (the "Revocable Trust"), to obtain the funds necessary to pay any part or all of such debts, expenses and taxes.

I direct that the proceeds of any life insurance payable to my estate or to my Executor may be used for the payment of debts or taxes.

5. Allocation of GST Exemption. I direct my Executor to allocate my "GST Exemption", as provided for by Section 2631(a) of the Internal Revenue Code of 1986, as amended (or any successor section of the Internal Revenue Code), which remains unused immediately prior to my death in a manner which is, in the discretion of my Executor, most beneficial to my children and my more remote issue. I anticipate that my Executor will allocate such unused GST Exemption in the following order of priority: first, to any property which is a direct skip occurring at my death; and second, to the property to be held in accordance with The Jimmy Russell Stevenson GST-Exempt Trust established under the Revocable Trust. However, if my Executor, in my Executor's discretion, determines that another allocation of such unused GST Exemption will be more beneficial to my son and my more remote issue, then my Executor is authorized to make such other allocation.

6. Disposition of Residuary Estate. I give all of the rest and residue of my estate, real, personal and mixed, of whatever kind and nature and wherever situated, to the then acting

Trustee of the Revocable Trust, hereinabove described (as amended by me from time to time), as Trustee of said Trust, to be added to the trust estate held thereunder and to be held, administered, and distributed as provided therein.

7. Powers of Executor. In addition to all powers given under applicable law, my Executor shall have all the powers enumerated in Section 35-50-110, Tennessee Code Annotated; and the introductory paragraph and all subparagraphs thereof, to the extent not inconsistent with the express provisions hereof, are hereby incorporated herein by reference.

8. Miscellaneous.

(a) Adopted Persons Included. For all purposes under this instrument, persons who are adopted prior to attaining twenty-two (22) years of age shall be deemed to be persons who are natural-born descendants of the persons adopting them.

(b) "Per Stirpes" Distributions. Whenever property is to be divided "per stirpes" among the then living issue of an individual, said property shall be divided into as many equal shares as there are children of that individual then living and children of that individual then deceased with issue then living, and each share for the then living issue of each deceased child shall be redivided in the same manner into shares for that deceased child's then living issue.

9. Waiver of Requirement of Inventory and Accountings. I hereby expressly excuse my Executor from filing any inventory, interim accountings, and final accounting which might otherwise be required pursuant to applicable law, unless such reports are specifically requested by any beneficiary of my residuary estate.

IN WITNESS WHEREOF, I have hereunto set my hand on this 14 day of April, 2000, to this my Last Will and Testament, and have subscribed each of the foregoing two (2) pages at the bottom thereof for the purpose of identification.
