1. **Permitted and Prohibited Uses.**

(a) Except as provided otherwise in this Exhibit B, the Real Property and any improvements now or hereafter thereon (collectively, the "Property") may be used and occupied for any purpose permitted by applicable laws, codes and regulations.

(b) In no event shall the Property or any part thereof be used for the following activities without the prior consent of HTI MEMORIAL HOSPITAL CORPORATION, a Tennessee corporation d/b/a TriStar Skyline Medical Center located at 3441 Dickerson Pike, Nashville, Tennessee 37207 or any successor health care facility that replaces TriStar Skyline Medical Center (the "Hospital"), as evidenced by the written consent of either: (i) the Chief Executive Officer of the Hospital or (ii) so long as the Hospital is owned and operated by HCA Holdings, Inc., the Vice President-Real Estate of HCA Holdings, Inc., which consent may be granted or denied in its sole and absolute discretion: (i) the provision or operation of any "Ancillary Medical Care Service or Facility" (as hereinafter defined); and (ii) the operation of an acute care general hospital, a specialty hospital, a rehabilitation center, an extended care facility or nursing home, an outpatient or inpatient clinic, surgical center, emergency center, a home health service, a health maintenance organization or similar direct care provider, an ambulance service, a birthing center or an inhalation or physical therapy center.

(c) As used herein, an "Ancillary Medical Care Service or Facility" shall mean and include, (i) any form of testing for diagnostic or therapeutic purposes, provision or operation of a laboratory (including, without limitation, a pathology laboratory or a clinical laboratory), diagnostic imaging services, which include, without limitation, the following testing facilities: fluoroscopy; x-ray; plane film radiography; computerized tomography (CT); ultrasound; radiation therapy; mammography and breast diagnostics; nuclear medicine testing and magnetic resonance imaging (MRI); physical therapy services; and respiratory therapy service and (ii) the provision of any medical or related service to or for any person that is in addition to the examination and diagnosis of patients performed directly by a licensed physician (a "Physician") or by other health care professionals under the direct supervision of a Physician, or a facility operated for the provision of any such service. Notwithstanding the foregoing, the provision of laboratory services, x-ray services, ultrasound services, physical therapy services and respiratory therapy services shall not be deemed an "Ancillary Medical Care Service or Facility" to the extent such services are the kind usually and customarily provided in a physician's office, are provided to such Physician's own patients who are not referred to such Physician for the sole purpose of receiving the same, and are merely ancillary and incidental to such Physician's primary medical practice and do not constitute the Physician's primary medical practice or specialty or constitute the predominant services rendered by the Physician to the Physician's patients.

2. **Covenants Running with the Land; Enforcement and Remedies.** The covenants, agreements, rights, options and restrictions set forth in this Exhibit B shall be effective upon the date of this Deed and shall be covenants running with the land and shall be binding upon Grantee, its/his/hers heirs, successors and assigns, and all persons or entities claiming by, through or under Grantee or its/his/her heirs, successors and assigns, and shall inure to the benefit of Hospital and its heirs, successors and assigns. and restrictions set forth in this Exhibit B, and, therefore, Hospital shall be entitled to relief by way of injunction or specific performance to enforce the provisions of this Exhibit B, as well as any other relief available at law or equity. The failure of Hospital, in any one or more instances, to insist upon compliance with any of the terms and conditions of this Exhibit B, or to exercise any right or privilege conferred in this Exhibit B, shall not constitute or be construed as the waiver of such or any similar restriction, right, option, or privilege, but the same shall continue and remain in full force and effect as if no such forbearance had occurred.
