LAST WILL AND TESTAMENT

I, MARY ALICE JOUSTRA of 15 Berkley Drive, Lockport, New York being of sound mind and memory, do make, publish and declare this to be my Last Will and Testament, as follows:

FIRST: I direct that all my just debts and funeral expenses be paid.

SECOND: I hereby make the following bequests:

A. I leave the property located at 15 Berkley Drive, Lockport, New York, the Coaching Stop oil painting Meyerheim (sic), 2 Burr Nicholas paintings, in white frames, any vehicle that I own and all of my late husband's jewelry, stamp and coin collections to my son JAMES G. JOUSTRA, JR;

B. I leave all of my personal belongings, including my silverware, china, crystal, furs, jewelry and clothing, but not limited to these, which are located in any house or property which I may own at the time of my death, to my daughter, JANA ANN JOUSTRA;

C. I leave one-half of all other furnishings and antiques to my two children JANA ANN JOUSTRA and JAMES G. JOUSTRA JR., as they agree;

D. I leave $25,000.00 to each of my step-children GEORGE JOUSTRA and CAROL KINZLY.

E. I leave $25,000.00 to my grandson ANDREW JOUSTRA and $25,000 to any grandchild born or adopted after the execution of this Will.

If anyone who is receiving a specific bequest requests an accounting of the estate, their bequest shall lapse and be forfeited and that specific bequest will go into the residuary estate for the benefit of my children.

THIRD: I give, devise and bequeath all the rest, residue and remainder of my estate, both real and personal and wheresoever situate to my children, JAMES G. JOUSTRA, JR. and JANA ANN JOUSTRA in equal shares per stirpes.

If any of my children should predecease me and if none of his or her issue are living on the date of my death, I direct that the remainder of my estate shall be distributed in the manner stated above as though his or her name has been omitted from the list of beneficiaries. If any of my children should predecease me and leave issue who shall survive me, I give the share of my estate which my said child would have taken if he or she had survived me, in equal shares per stirpes, to the issue of my deceased child who shall survive me.

FOURTH: If any of the persons named or described in the above paragraph shall be entitled to receive a portion of my estate and shall be under the age of twenty-five (25) at the time when distribution is made, I give the entire interest of any such person in my estate to my trustee to hold, administer and distribute as follows:

A. To set up a trust for each of my beneficiaries who shall be under the age of twenty-five (25). My trustee shall, however, have the power to use funds, securities and real and personal property from the trust for investment purposes.

B. To accumulate the income from the trust which is not immediately needed for the purposes herein stated.

C. To apply, in my trustee's sole discretion, current and accumulated income and portions or all of the principal to provide for the support, maintenance, medical and dental expenses, training, general education and general welfare of the beneficiary of each trust. It is also my intention that the trustee shall use the trust funds for the entire college education of any of my children who desire to attend college. I want my trustee to use the widest discretion in using money belonging to a trust for the benefit of any of my children who may be beneficiaries thereunder. I want my trustee to feel free to use money for their education and training and also to help them to get a start in life. The last sentence shall not be construed as a limitation of the use of the trust, it is merely an illustration of ways in which a trust can be used for the benefit of the beneficiary.

D. When a beneficiary becomes twenty-five (25) years of age, I direct that the balance of the trust, if any, shall be divided into equal shares per stirpes and that their portion of the balance be turned over to him or her.

E. If a beneficiary should die before becoming twenty five (25) years of age and if his or her portion of the trust has not been exhausted, I direct that their funeral expenses be paid from his or her portion of the balance, if any, of the trust. I give the balance of his or her portion, if any, of the trust in equal shares to the issue of said trust beneficiary who shall survive him or her. If no issue survives the trust beneficiary and if he or she shall leave a Will which shall be probated, I direct that the balance of his or her portion of the trust shall be paid to his or her estate. If no issue survives and if no Will of the beneficiary is probated, I give the balance to the persons who would be the beneficiary of the deceased trust beneficiary according to the Laws of Intestacy of the State of New York. If there is a trust in operation under the terms of this Will for any person who is entitled to share in the distribution of the remainder of a trust as stated in the last sentence, I direct that the share of said person be added to his or her trust.

F. All references in this Will to my children are intended to include children born after the execution of this my Last Will and Testament as well as any children adopted by me or by any descendants of such adopted person.

FIFTH: I hereby nominate JANA ANN JOUSTRA Trustee of any trust created under this my Last Will and Testament. In the event said JANA ANN JOUSTRA predecease me or fails to qualify or having qualified is unable for any reason to continue as Trustee then I nominate, constitute and appoint JAMES G. JOUSTRA JR.. All references to my Trustee hereunder shall be construed to apply to substitute, successor or additional trustee or trustees where the context permits. I direct that no bond or other securities shall be required in any jurisdiction of any trustee herein named.

SIXTH: I nominate, constitute and appoint JAMES G. JOUSTRA, JR. and JANA ANN JOUSTRA, Co-Executors of this Will. Said Executor to serve without bond.

IN WITNESS WHEREOF, I have hereunto subscribed my name this 6th day of January, Two Thousand and Six
