(v) "Unit" ("apartment" as defined in Tennessee Code Annotated § 66-27-102) means that part of the Project intended for individual ownership and use. Each individual Unit shall consist of all the improvements and space therein within the boundary lines for that unit, as set out on the Plat, attached hereto as **Exhibit C**. Nothing contained herein shall be construed to include any of the Parcels as part of an individual Unit, however, because all of the Parcel is part of the Common Elements, as defined hereafter. The lower boundary of the Unit shall be the unfinished interior surface of the floors of the Unit. The upper boundary of the Unit shall be the unfinished interior surface of the sheetrock on the ceiling of the Unit. The lateral or perimetrical boundaries of the Unit shall be an irregular line which shall follow the unfinished interior surfaces of the sheetrock on the walls of the Unit (to include the sheetrock), and shall extend upward and downward to the limits of the improvements. Notwithstanding the above, each Unit includes, without limitation, such appliances and fixtures as may be located therein, the heating and cooling unit or units, whether contained within or without the unit, the panes of glass in the windows, fireboxes, all wall and floor finishes and all interior improvements, all other fixtures initially included thereon or added thereto and the exterior and interior of all exit doors of the Unit. Any components or installations of central utilities, or any part of the Building rationally of common use or necessary to the existence, upkeep and safety of the Building shall constitute a Common Element, though within the perimeter walls of a Unit. All pronouns used herein include the male, female and neuter genders and include the singular or plural number, as the case may be.

2. Submission of Property to the Act. Developer, as the legal title holder in fee simple of the Property, expressly intends to, and by recording this Declaration does hereby, submit and subject the Parcel and the rest of the Property to the provisions of the Horizontal Property Act of

Tennessee pursuant to the terms hereof. The Property shall be known and may be referred to as "Catalyst Nashville."

3. Plat. The Plat, which is incorporated herein by this reference thereto, sets forth the numbers, areas, locations and other data required by the Act.

4. Units. The legal description of each Unit shall consist of the identifying number or symbol of such Unit as shown on the Plat. Every deed, lease, mortgage, deed of trust or other instrument shall legally describe a Unit by its identifying number or symbol as shown on the Plat, and every such description shall be deemed good and sufficient for all purposes, as provided in the Act. Except as provided by the Act, no Unit Owner shall, by deed, plat, court decree or otherwise, subdivide or in any other manner cause his Unit to be separated into any tracts or parcels different from the whole Unit as shown on the Plat.

5. Association of Unit Owners and Administration and Operation of the Property.

a. The Association, which has been or will be incorporated, shall be the governing body for all of the Unit Owners, for the maintenance, repair, replacement, administration and operation of the Property, as provided in the Act, this Declaration and the Bylaws. The Bylaws for the Association shall be the Bylaws attached to this Declaration as **Exhibit B** and made a part hereof. The Board shall be elected and shall serve in accordance with the provisions of the Bylaws. The fiscal year of the Association shall be determined by the Board, and may be changed from time to time as the Board deems advisable. The Association shall not be deemed to be conducting a business of any kind. All activities undertaken by the Association shall be for the sole benefit of the Unit Owners, and all funds received by the Association shall be held and applied by it for the use and benefit of the Unit Owners in accordance with the provisions of the Act, this Declaration and the Bylaws. Each Unit Owner shall be a member of the Association so long as he is a Unit Owner. A Unit Owner's membership shall automatically terminate when he ceases to be a Unit Owner. Upon the conveyance or transfer of a Unit Owner's ownership interest, the new Unit Owner shall simultaneously succeed to the former Unit Owner's membership in the Association. The aggregate number of votes for all members of the association shall be equal to the number of Units.

(b) Management of Property. The Board shall have the authority to engage the services of an agent (sometimes herein referred to as the "Managing Agent") to maintain, repair, replace, administer and operate the Property, or any part thereof, to the extent deemed advisable by the Board, subject to the provisions of subparagraph (c), below. The Board may require that Managing Agent have fidelity bond coverage on its employees handling Association funds. The cost of such services shall be a common expense, as defined in paragraph 10, below.

(c) Initial Management Agreement. The first Board, appointed as provided in the Bylaws, shall have the obligation, to ratify and approve any management agreement between Developer, on behalf of the Association, and a management entity.

(d) Use by Developer. During the period of sale by Developer of any Units, Developer and Developer's agents, employees, contractors and subcontractors, and their

respective agents and employees, shall be entitled to access and ingress to and egress from the Property as may be required for purposes of said sale of Units. While Developer owns any of the Units and until each Unit sold by it is occupied by the purchasers, the Developer and its employees may rent, lease, use and show one or more of such unsold or unoccupied Units as a model Unit or Units, and may rent, lease or use one or more of such unsold or unoccupied Units as a sales office, and may maintain customary signs in connection therewith.

(e) Non-Liability of the Directors, Board, Officers, and Developer. Neither the Board, the individual members thereof, the officers of the Association, nor Developer shall be personally liable to the Unit Owners for any mistake of judgment or for any other acts or omissions of any nature whatsoever as such Board, members, officers or Developer, except for any acts or omissions found by a court to constitute gross negligence or fraud. The Unit Owners shall indemnify and hold harmless each of the Board its members, such officers and Developer, and their respective heirs, executors, administrators, successors and assigns, in accordance with the provisions of Article VII of the Bylaws.

6. Boards Determination Binding. In the event of any dispute or disagreement between any Unit Owners relating to the Property, or any agreement between any Unit Owners relating to the Property, or any questions of interpretation or application of the provisions of this Declaration or the Bylaws, the determination thereof by the Board shall be final binding on each and all such Unit Owners.

7. Ownership of the General Common Elements. Each Unit Owner shall be entitled to the percentage of undivided ownership in the General Common Elements allocated to the respective Unit owned by such Unit Owner, as set forth in **Exhibit D** hereto. The percentages of ownership interests set forth in **Exhibit D** shall remain constant unless hereafter changed by recorded amendment to this Declaration consented to in writing by the Unit Owners, in accordance with Paragraph 21, below. Said ownership interest in the General Common Elements shall be undivided interests, and the General Common Elements shall be owned by the Unit Owners as tenants in common in accordance with their respective percentages of ownership. The ownership of each Unit shall not be conveyed separate from the percentage of ownership in the General Common Elements corresponding to said Unit. The undivided percentage of ownership in the General Common Elements corresponding to any Unit shall be deemed conveyed or encumbered with that Unit, even though the legal description in the instrument conveying or encumbering said Unit may refer only to the fee title to that Unit. Such General Common Elements are not and shall not be the subject of any partition action.

8. Use of General Common Elements. Each Unit Owner shall have the right to use the General Common Elements in common with all other Unit Owners, as may be required for the purposes of access and ingress to, egress from, use, occupancy and enjoyment of the respective Unit owned by such Unit Owner. Such right to use General Common Elements shall extend not only to each Unit Owner, but also to his agents, customers, guests, visitors, invitees and licensees. Such rights to use the General Common Elements shall be subject to and governed by the provisions of the Act, this Declaration, the Bylaws and the rules and regulations of the Association. In addition, the Association shall have the authority to lease grant concessions or grant easements with respect to parts of the General Common Elements, subject to the provisions

of this Declaration and the Bylaws. All income derived by the Association from leases, concessions or other sources shall be held and used for the benefit of the members of the Association, pursuant to such rules, resolutions or regulations as the Board may adopt or prescribe.

9. Storage Areas. Any storage areas on the Property, except those inside the Units and those that are Private Elements, shall be part of the General Common Elements and shall be allocated and re-allocated, from time to time, to the respective Unit Owners in such manner and subject to such rules and regulations as the Board may prescribe, and storage areas not so allocated may be rented in such manner as the Board may prescribe.

10. Common Expenses. Each Unit Owner, specifically excluding Developer, shall pay his proportionate share of the expenses of the administration and operation of the General Common Elements and of any other expenses incurred in accordance with this Declaration and the Bylaws (which expenses are herein sometimes referred to as "common expenses"), including, but not limited to, the maintenance and repair of the General Common Elements and any and all replacements and additions thereto. Such proportionate share of the common expenses for each Unit Owner shall be in accordance with his percentage of ownership in the General Common Elements. Payment of common expenses, including any prepayment thereof required by a contract for sale of a Unit, shall be in such amounts and at such times as determined in the manner provided in the Bylaws. No Unit Owner shall be exempt from payment of his proportionate share of the common expenses by waiver of the use or enjoyment of the General Common Elements or by abandonment of his Unit. If any Unit Owner shall fail or refuse to make any such payment of common expenses when due, the amount thereof, together with the interest thereon at the maximum allowable rate at law per annum from the date that said common expenses become due and payable, plus reasonable attorneys' fees incurred by the Association in the collection thereof or the enforcement of the lien herein provided, shall constitute a lien on the interest of such Unit Owner in his Unit and in the Property as provided in the Act. The sale or conveyance of a Unit shall in all cases be subject to all unpaid assessments against the Unit Owner thereof for his pro rata share in the common expenses, and if the same are not paid by the owner thereof prior to any sale or conveyance, shall be a lien against the Unit and shall be payable by the new Unit Owner thereof. Likewise, all taxes and other levies and assessments by governmental taxing bodies shall be a lien against individual Units.

Notwithstanding the foregoing, Developer or Owner shall not be required to pay any assessments for the common expenses. Developer or Owner shall have no responsibility for the maintenance, repair or replacement of any of the General Common Elements except for its responsibilities as a Unit Owner as provided herein; however, should Developer or Owner advance any of their own funds for such expenses, they shall be entitled to a credit for all sums so paid against the assessments that it is required to pay as a Unit Owner.

11. Mortgages and Deeds of Trust. Each Unit Owner shall have the right, subject to the provisions hereof, to make separate mortgages and deeds of trust for his respective Unit together with his respective ownership interest in the General Common Elements. No Unit Owner shall have the right or authority to grant, make or create, or cause to be granted, made or created, any mortgage, deed of trust or other lien on or affecting the Property or any part thereof, except only

to the extent of his own Unit and the respective percentage interest in the General Common Elements corresponding thereto.

12. Separate Real Estate Taxes. Real estate taxes shall be separately taxed to each Unit Owner for his Unit and his corresponding percentage of ownership in the General Common Elements, as provided in the Act. In the event that such taxes for any year are not separately taxed to each Unit Owner, but rather are taxed on the Property as a whole, then each Unit Owner shall pay his proportionate share thereof in accordance with his respective percentage of ownership interest in the General Common Elements, and, in said event, such taxes shall be a common expense.

13. Insurance. The Board shall have the authority to and shall obtain insurance for the Property, exclusive of the additions within, improvements to and decorating of the Units or by the Unit Owners, against loss or damage by fire, vandalism, malicious mischief and such other hazards as are covered under standard extended coverage provisions for the full insurable replacement cost of the Property, and against such other hazards and for such amounts as the Board may deem advisable. Insurable replacement cost shall be deemed to be the cost of restoring the General Common Elements, the Units and/or any part thereof to substantially the same condition in which they existed prior to damage or destruction. Such insurance coverage shall be written in the name of, and the proceeds thereof shall be payable to, the Board, as the trustee for each of the Unit Owners in direct proportion to said Unit Owner's respective percentage of ownership in the General Common Elements, as set forth in this Declaration, and for the holders of mortgages on his Unit as loss payee, if any. The policy of insurance shall also contain, if possible, a waiver of subrogation rights by the insurer against individual Unit Owners. The premiums for such insurance shall be a common expense. However, at the option of the Board, and upon written notice to all Unit Owners, premiums for such insurance shall be separately billed to each Unit Owner for his Unit and his corresponding percentage of ownership in the General Common Elements.

In the event of damage to or destruction of all or any part of the Buildings as a result of fire or other casualty covered by insurance maintained by the Board pursuant hereto (unless more than two-thirds of such Buildings require reconstruction), the Board shall, in its sole and absolute discretion, determine, and without intervention of any Unit Owner, arrange for the prompt repair and restoration of the damaged portions of all Units, Buildings and General Common Elements substantially in accordance with the original plans and specifications therefore. Where the insurance proceeds are insufficient to cover the cost of such repairs and restoration, the deficit shall be paid by all Unit Owners directly affected by the damage, in proportion to each such Unit Owner's percentage of ownership in the General Common Elements. The Board shall not be responsible for the repair, replacement or restoration of any wall, ceiling or floor decorations or covering or furniture, furnishings, fixtures, appliances or equipment installed in the Unit by a Unit Owner or Occupant unless insurance therefore is specifically provided for in the insurance policy obtained by the Board. The Board in its sole discretion shall determine which Unit Owners are directly affected by the damage.

Reconstruction shall not be compulsory where the whole or more than two-thirds (2/3) of all the Buildings and General Common Elements are destroyed or damaged by fire or other

casualty, as determined by the Board. In such case, and unless otherwise unanimously agreed upon by the Unit Owners, the insurance proceeds shall be delivered to the Unit Owners or their mortgagees, as their interests may appear, in proportion to the percentage interest of each Unit Owner in the General Common Elements; and the Board, as soon as is reasonably practicable and as agent for the Unit Owners, shall sell the Property, in its then condition, free from the effect of this Declaration, which shall terminate upon such sale, on terms satisfactory to the Board, and the net proceeds of such sale and of all insurance policies shall thereupon be distributed to the Unit Owners or their mortgagees, as their interest may appear, in proportion to the percentage interest of each Unit Owner in the General Common Elements. If the Board fails to consummate a sale pursuant to this paragraph within twenty-four (24) months after the destruction or damage occurs, then the Managing Agent or the Board shall, or if it does not, any Unit Owner or mortgagee may, record a sworn declaration setting forth such decision and reciting that under the provisions of this Declaration the prohibition against judicial partition provided for in this Declaration has terminated and that judicial partition of the Property may be obtained pursuant to the laws of the State of Tennessee. Upon final judgment of a court of competent jurisdiction decreeing such partition, this Declaration shall terminate.

Reconstruction also shall not be compulsory where the whole or more than two-thirds (2/3) of any one of the Buildings is destroyed, as determined by the Board. In such case, and unless otherwise unanimously agreed upon by the Unit Owners directly affected, the net proceeds of insurance policies shall be divided among all the Unit Owners directly affected by the casualty in proportion to their respective common interests as determined in the sole discretion of the Board, after paying from the share of such affected Unit Owner the just amount of any unpaid liens on his Unit, in the order of priority of such liens. Notwithstanding the foregoing, no such disbursement of the aforesaid insurance proceeds shall occur unless simultaneously with such disbursement each affected Unit Owner delivers to the Board a recordable deed quit claiming his interest in his Unit or affected portion thereof to the Association and also delivers to the Board a recordable release of any liens on his Unit or the affected portion thereof. Upon the recording of the aforesaid deeds and releases, each such Unit or affected portion thereof shall be deemed withdrawn and thereafter to be General Common Elements. Upon the withdrawal of any Unit or portion thereof, the percentage interest in the General Common Elements allocable to such Unit shall be reallocated among the remaining Units on the basis of the percentage of interest of each remaining Unit. If only a portion of a Unit is withdrawn, the percentage of interest appurtenant to that Unit shall be reduced accordingly, as determined by the Board. After the Board has effectuated any such withdrawal, the responsibility for the payment of assessments for any such withdrawn Unit or portion thereof shall cease.

The Board also shall have authority to obtain comprehensive public liability insurance, in such amounts as it deems desirable, and worker's compensation insurance and other liability insurance as it deems desirable, insuring each Unit Owner, the mortgagee(s) of Record, if any, the Association, its officers, directors, Board and employees, Owner, Developer and any Managing Agent, from (i) liability in connection with the General Common Elements, and (ii) liability arising out of legal proceedings relating to employment contracts to which the Association is a party (to the extent such insurance is reasonably available). The premiums for such insurance shall be a common expense; however, at the option of the Board, and upon

written notice to all Unit Owners, premiums for such insurance shall be separately billed to each Unit Owner in proportionate amounts corresponding to such Unit Owner's percentage of ownership in the General Common Elements. The Board shall retain in safe-keeping any such public liability policy for twenty-three (23) years after the expiration date of the policy.

The Board, in its sole discretion, also shall have authority to and may obtain such other insurance and bonds as it deems desirable, in such amounts, from such sources and in such forms as it deems desirable, insuring the Property and each member of the Board and officer of the Association, and each member of any committee appointed pursuant to the Bylaws of the Association, from liability arising from the fact that said person is or was director or officer of the Association, or a member of any such committee. The premiums for such insurance and bonds shall be a common expense.

Each Unit Owner shall be responsible for obtaining his own insurance on the contents of his own Unit and the Private Elements contained within his Unit, as well as his additions and improvements thereto, all decorations, furnishings and personal property therein, and any personal property stored elsewhere on the Property. In addition, in the event a Unit Owner desires to insure against his personal liability and loss or damage by fire or other hazards above and beyond the extent that his liability loss or damage is covered by the liability insurance and insurance against loss or damage by fire and such other hazards obtained by the Board for the benefit of all of the Unit Owners as part of the common expenses, as above provided, said Unit Owner may at his option and expense, obtain additional insurance.

14. Maintenance, Repairs and Replacements. Each Unit Owner, at his own expense, shall furnish and be responsible for all maintenance of, repairs to and replacements within his own Unit. Maintenance of, repairs to and replacements within the General Common Elements shall be the responsibility of and shall be furnished by the Association. The cost of maintenance of, repairs to and replacements within the General Common Elements shall be part of the common expenses, subject to the provisions of this Declaration, the Bylaws and the rules and regulations of the Association. The expenses for the maintenance of, repair to or replacement within a Unit's water heater, furnace, air conditioner, heating and air conditioning ducts, plumbing and electrical wiring serving only such Unit shall be borne by the Unit Owner(s) of the Unit(s) to which such items are appurtenant, and at the discretion of the Board, maintenance of, repairs to and replacements may be assessed in whole or in part to the Unit Owners benefited thereby, and, further, at the discretion of the Board, the Board may direct Unit Owners who stand to be benefited by such maintenance of, repairs to and replacement(s) within the Private Elements to arrange for such maintenance, repairs and replacement in the name and for the account of such benefited Unit Owners, pay the cost thereof with their own funds, and procure and deliver to the Board such lien waivers and contractor's and sub-contractor's sworn statements as may be required to protect the Property from all mechanics' or materialmen's lien claims that may arise therefrom; provided, however, that if, in order to maintain, repair or replace the electrical wiring, plumbing or other utilities of a Unit, it shall become necessary to gain entry to another Unit, it shall be the responsibility of the Association to provide such maintenance, repair or replacement, but the cost of such maintenance, repair or replacement may be assessed to the Unit Owners benefited thereby, as hereinabove provided.

If, due to the act or neglect of a Unit Owner, or of his agent, invitee or licensee, damage shall be caused to the General Common Elements or to a Unit or Units owned by others, or maintenance, repair or replacement are required that would otherwise be a common expense, then such Unit Owner shall pay for such damage or such maintenance, repair and replacement, as may be determined by the Association, to the extent not covered by the Association's insurance or sufficient proceeds are not collected from the insurance carrier.

The authorized representatives of the Association, Board or of the Managing Agent with approval of the Board shall be entitled to reasonable access to the individual Units and Private Elements as may be required in connection with the preservation of any individual Unit or Private Elements in the event of an emergency, or in connection with any maintenance, repairs or replacements within the General Common Elements or any equipment, facilities or fixtures affecting or serving other Units and General Common Elements, or to make any alteration required by any governmental authority.

15. Alterations, Additions or Improvements. Expect as provided in Paragraph 16 herein, no alteration of any General Common Elements, or any additions or improvements thereto, shall be made by any Unit Owner without the prior written consent of the Board. The Board may authorize and charge as common expenses alterations, additions and improvements of the General Common Elements as provided in the Bylaws. Any Unit Owner may make non-structural alterations, additions or improvements within the Unit of the Unit Owner without the prior written approval of the Board, but such Unit Owner shall be responsible for any damages to other Units, the Common Elements, the Property, or any part thereof, resulting from such alterations, additions or improvements.

16. Decorations; Cleaning. Each Unit Owner, at his own expense, shall furnish and be responsible for all decorations and cleaning within his own Unit and the Private elements serving his Unit, as may be required from time to time, including painting, wall papering, washing, cleaning, paneling, floor covering, draperies, window shades, curtains, lighting and other furnishings and decorations. Each Unit Owner shall be entitled to the exclusive use of the interior surfaces of the perimeter walls, floors and ceiling of his Unit All windows and screens forming part of a perimeter wall of a Unit shall be cleaned and washed at the expense of the Unit Owner of that Unit.

17. Encroachments. If any portions of the General Common Elements shall actually encroach upon any Unit, or if any Unit shall actually encroach upon any portions of the General Common Elements, or if any Unit shall actually encroach upon another Unit, as the General Common Elements and Units are shown by the Plat, there shall be deemed to be mutual easements in favor of the General Common Elements and the respective Unit Owners involved, to the extent of such encroachments, so long as the same shall exist.

18. Use and Occupancy Restrictions. Subject to the provisions of the Bylaws, no part of the Property may be used for purposes other than as allowed by municipal zoning laws.

19. Remedies. In the event of any violation of the provisions of the Act, this Declaration, the Bylaws or the rules and regulations of the Board or the Association by any Unit Owner (either by

his own conduct or by the conduct of any other Occupant of his Unit or any invitee or licensee thereof) the Association, or its successors or assigns, or the Board, or its agent, shall have each and all of the rights and remedies that may be provided for in the Act, this Declaration, the Bylaws or said rules and regulations, or that may be available at law or in equity, and may prosecute an action or other proceedings against such defaulting Unit Owner and/or other Occupant for enforcement of any lien and the appointment of a receiver for the Unit and ownership interest of such Unit Owner, or for damages or injunction or specific performance, or for judgment for payment of money and collection thereof, or for any combination of remedies, or for any other relief. All expenses of the Board in connection with any such actions or proceedings, including court costs and attorneys' fees and other fees and expenses and all damages, liquidated or otherwise, together with interest, thereon at the maximum allowed rate by law per annum until paid, shall be charged to and assessed against such defaulting Unit Owner, and shall be added to and deemed part of his respective share of the common expenses, and the Association shall have a lien for all of the same, as well as for non-payment of his respective share of the common expenses, upon the Unit and ownership in interest in the General Common Elements of such defaulting Unit Owner and upon all of his additions and improvements thereto and upon all of his personal property in his Unit or located elsewhere on the Property; provided, however, that such lien shall be subordinate to the lien of a recorded first mortgage or deed of trust on the interest of such Unit Owner, except for the amount of the proportionate share of said common expenses that become due and payable from and after the date on which the beneficiary of said mortgage or deed of trust either takes possession of the Unit, accepts a conveyance of any interest therein (other than as a security) or forecloses its deed of trust. In the event of any such default by any Unit Owner, the Board and the manager or Managing Agent, if so authorized by the Board, shall have the authority to correct such default and to do whatever may be necessary for such purpose, and all expenses in connection therewith shall be charged to and assessed against such defaulting Unit Owner and secured by the lien hereinabove provided. Any and all such rights and remedies may be exercised at any time and from time to time, cumulatively or otherwise, by the Board. This paragraph shall not be amended, changed, modified or rescinded without the prior consent of all holders of mortgage and deed of trust liens against Units whose respective interests appear of Record.

The violation of any restriction or condition or regulation adopted by the Board or the breach of any covenant or provision herein contained shall give the Association, acting through the Board, the right, in addition to any other rights provided for in this Declaration: (a) to enter (either peaceably or forcibly without liability to such Unit Owner for such entry) upon the Unit, or any portion of the Property upon which or as to which such violation or breach exists, and summarily to abate and remove, at the expense of the defaulting Unit Owner, any structure, thing or condition that may exist thereon contrary to the intent and meaning of the provisions hereof, and the Board, or its employees or agents, shall not thereby be deemed guilty in any manner of trespass; or (b) to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any breach; or (c) to take possession (either peaceably or forcibly without liability to such Unit Owner for such entry) of such Unit Owner's interest in the Property and to maintain an action for possession of such Unit in the manner provided by law.

If any Unit Owner (either by his own conduct or the conduct of any other Occupant of his Unit or any invitee or licensee thereof) shall violate the Act, or any of the covenants, restrictions

or provisions of this Declaration or any of the rules and regulations adopted by the Board, and if such default or violation shall continue for ten (10) days after notice to the Unit Owner in writing from the Board, or shall occur repeatedly during any ten (10) day period after such written notice or request to cure such violation from the Board, then the Board shall have the power to issue to said defaulting Unit Owner a notice in writing terminating the rights of the said defaulting Unit Owner to continue as a Unit Owner and to continue to occupy, use or control his Unit, and thereupon an action in equity may be filed by the Association, acting through the Board, against said defaulting Unit Owner for a decree of mandatory injunction against such defaulting Unit Owner or Occupant, or in the alternative, for a decree declaring the termination of said defaulting Unit Owner's right to occupy, use or control the Unit owned by him on account of said violation, and ordering that all right, title and interest of said defaulting Unit Owner in the Property shall be sold (subject to the lien of any existing deed of trust or mortgage) at a judicial sale upon such notice and terms as the court shall determine, except that the court shall enjoin and restrain the said defaulting Unit Owner from reacquiring his interest at such judicial sale. The proceeds of any such judicial sale shall first be paid to discharge court costs, court reporter charges, reasonable attorneys' fees and all other expenses of proceeding and sale, and all such items shall be taxed against said defaulting Unit Owner in said decree. Any balance of proceeds, after satisfaction of such charges and any unpaid assessments or liens hereunder, shall be paid to said defaulting Unit Owner. Upon the confirmation of such sale, the purchaser shall thereupon be entitled to a deed to the Unit and the Unit Owner's corresponding percentage of ownership in the General Common Elements, and to immediate possession of the Unit sold, and may apply to the court for a writ of assistance for the purpose of acquiring such possession, and it shall be a condition of any such sale, and the decree shall so provide, that the purchaser shall take the interest in the Unit ownership sold subject to this Declaration.

20. Amendment. The provisions of this Declaration may be changed, modified or rescinded by an instrument in writing, setting forth such change, modification or rescission, signed by two thirds (2/3) of the Unit Owners and acknowledged; provided, however, that all lien holders of Record shall have been notified by certified mail of such change, modification or rescission and an affidavit by the secretary of the Association certifying to such mailing shall be made a part of such instrument.

Notwithstanding the foregoing, if the Act, this Declaration or the Bylaws require the consent or agreement of all Unit Owners or of all lien holders for any action specified in the Act or in this Declaration, then any instrument changing, modifying or rescinding any provision of this Declaration with respect to such action shall be signed by all Unit Owners or all lien holders or both as required by the Act of this Declaration. The change, modification or rescission, accomplished under either of the provisions of this paragraph 20, shall be effective upon the Recording of such instrument; provided, however, that no provisions in the Declaration may be changed, modified or rescinded so as to conflict with the provisions of the Act.

21. Notices. Notices provided for in the Act, this Declaration or the Bylaws shall be in writing, and shall be addressed to the Association, the Board or any Unit Owner, as the case may be. The Association or Board may designate a different address or addresses for notices by written notice of such change of address to all Unit Owners. Any Unit Owner may designate a different address for notices to him by giving written notice to the Association. Notices

addressed as above shall be deemed delivered when mailed by the United States registered or certified mail, or when delivered in person with written acknowledgement of the receipt thereof.

Upon written request to the Board, the holder of any recorded mortgage or deed of trust encumbering any Unit shall be given a copy of all notices permitted or required by this Declaration to be given to the Unit Owner or Owners whose Unit is subject to such mortgage or deed of trust.

22. Severability. If any provision of this Declaration or the Bylaws, or any section, sentence, clause, phase or word, or the application thereof in any circumstance, is held invalid, the validity of the remainder of this Declaration and the Bylaws and the application of any such provisions, section, sentence, clause, phrase or word in any other circumstances shall not be affected thereby, and the remainder of this Declaration or the Bylaws shall be construed as if such invalid part was never included therein.

23. Rights and Obligations. Each grantee of Owner, by the acceptance of a deed of conveyance with respect to any part of the Property, accepts the same subject to all restrictions, conditions, covenants, reservations, liens and charges of, and the jurisdiction, rights and powers created or reserved by, this Declaration. All future Unit Owners and Occupants shall be subject to and shall comply with the provisions of this Declaration. Any restrictions or rules in the Bylaws that are more than administrative in nature such as, but not limited to, reservations in favor of and future rights of Developer, are hereby incorporated into and made a part of this Declaration by reference. All rights, benefits and privileges of every character hereby imposed shall be deemed and taken to be covenants running with the land, and shall bind any person having at any time any interest or estate in the Property, and shall inure to the benefit of such grantee in like manner as though the provisions of this Declaration were recited and stipulated at length in each and every such deed of conveyance or contract for conveyance.

All present and future Unit Owners, tenants and occupants of a Unit shall be subject to, and shall comply with, the provisions of the Bylaws, as they may be amended from time to time. The acceptance of a deed of conveyance, devise of or lease to a Unit, or the entering into occupancy of any Unit, shall constitute an agreement that the provisions of the Bylaws and any rules and regulations promulgated thereunder, as they may be amended from time to time, are assumed, accepted and ratified by such Unit Owner, tenant or occupant, and all of such provisions shall be deemed and taken to be covenants running with the land and shall bind any person having at any time any interest or estate in such Unit, as though such provisions were recited and stipulated at length in each and every deed, conveyance or lease thereof.

The terms and conditions of this Declaration, the Bylaws and the rules and regulations promulgated thereunder may be incorporated by reference in, and become part of any agreement between any first mortgagee and any Unit Owner who enters into such agreement with a first mortgagee. When so incorporated, any default, in the terms and conditions of this Declaration, the Bylaws or the said rules and regulations may be considered as a default by the first mortgagee, whereupon said first mortgagee, after exercising its option to declare a default, shall then have all of the rights and privileges arising as a result of a default under its agreement with said Unit Owner.

24. Trustee as Unit Owner. In the event title to any Unit is conveyed to a land title holding trust, under the terms of which all powers of management, operation and control of the Unit remain vested in the trust beneficiary or beneficiaries, then the beneficiary or beneficiaries thereunder shall be considered Unit Owners for all purposes and they shall be responsible for payment of all obligations, liens or indebtedness and for the performance of all agreements, covenants and undertakings chargeable or created under this Declaration against such Unit. No claim shall be made against any such title holding trustee personally for payment of any lien or obligation created hereunder, and such trustee shall not be obligated to sequester funds or trust property to apply in whole or in part against such lien obligation. The amount of any such lien or obligation shall continue to be a charge or lien upon the Unit and the beneficiaries of such trust, notwithstanding any transfers of the beneficial interest of any such trust or any transfer of title to such Unit.

25. Condemnation. In the event of a taking in condemnation or by eminent domain of a part of the General Common Elements, the award made for such taking shall be payable to the Board for and on behalf of the Association. If a majority of the Board, in its sole and absolute discretion, approve the repair and restoration of such General Common Elements, the Board shall arrange for the repair and restoration of such General Common Elements, the Board shall disburse the proceeds of such award to the contractor(s) engaged in such repair and restoration in appropriate progress payments. In the event that the Board does not approve the repair and commences restoration of such General Common Elements within one hundred twenty (120) days after taking by the public or private authority, the Board shall disburse the net proceeds of such award on the basis of each Unit's percentage of ownership in the General Common Elements.

26. Compliance. Attached hereto and incorporated herein as **Exhibit E** is an Attorney's Opinion Letter verifying that this Declaration and the Project comply with the provisions of the Act.

27. Rights Reserved. The Unit Owners' rights of enjoyment in the General Common Elements shall be subject to:

(a) The right of the Association, as provided in its Bylaws, to suspend the enjoyment rights of any member in utilities, ingress and egress, and all other rights in the General Common Elements for any period during which any Assessment remains unpaid, and for such period as it considers appropriate for any infraction to its published rules and regulations; and

(b) The right of the Association to charge reasonable fees for the use of designated parts of the General Common Elements; and

(c) The right of the Association to diminish in any way or to dedicate or transfer all or any part of the General Common Elements to any public agency or authority for such purposes and subject to such conditions as may be agreed to by the members entitled to vote thereon, provided that no such diminution or dedication or transfer, nor any determination as to the purposes or conditions thereof, shall be effective unless Developer (or its successors or

assigns) and members of the Association entitled to cast two-thirds of the total votes of all classes of members entitle to vote thereon have approved such dedication, transfer, purpose or condition; and

(d) The right of Developer, at its sole expense, to relocate, expand, modify, reduce, enlarge or extend existing driveways, parking areas and yard and to construct, relocate, expand, modify, reduce, enlarge or extend sewers, utility lines or service connections in order to serve the existing Building; and

(e) The right of the Association to grant such licenses, permits, easements and rights-of-way to such utility companies or public agencies or authorities as it shall deem necessary for the proper servicing, maintenance and operation of the General Common Elements and the individual Units.

28. Captions. The captions herein are inserted only as a matter of convenience, and in no way define, limit or describe the scope of these provisions or the intent of any provision hereof.

29. Gender and Number. The use of the masculine or neuter gender in this Declaration and in the Bylaws shall be deemed to include the masculine, feminine and neuter gender whenever the context so requires, and the use of the singular shall be deemed to include the plural whenever the context so requires, and vice versa.

Bylaws

BYLAWS
OF
CATALYST NASHVILLE
HOMEOWNERS' ASSOCIATION, INC.

Article I. Office

Section 1. Principal Office. The principal office of the Association shall be maintained at 1812 Broadway, Nashville, Tennessee 37203, or at such other locations as the Board of Directors may designate.

Section 2. Place of Meetings. All meetings of the Association shall be held at its principal office unless some other place is stated in the call.

Article II. Association of Unit Owners

Section 1. Annual Meeting. The annual meeting of the Association (except for the first annual meeting) shall be held on the second Tuesday of each July.

Section 2. Special Meetings. Special meetings may be held at any time upon the call of the President or upon the call of any one Unit Owner. Upon receipt of such call, the Secretary shall send out notices of the meeting to all members of the Association.

Section 3. Notice of Meetings. A written or printed notice of every meeting of the Association, stating whether it is an annual meeting or special meeting, the authority for the call of the meeting, the place, day and hour thereof and the purpose therefore, shall be given by the Secretary or the person or persons calling the meeting at least ten (10) days before the date set for such meeting. Such notice shall be given to each member in any of the following ways: (a) by any manner permitted under the Declaration, or (b) by leaving the same with him personally, or (c) by leaving the same at the residence or usual place of business of such member, or (d) by mailing it, postage prepaid, addressed to such member at his address as it appears on the records of the Association. If notice is given pursuant to the provisions of this section, the failure of any member to receive actual notice of the meeting shall in no way invalidate the meeting or any proceedings at such meeting. Upon written request for notices, mailed by certified mail, addressed to the Secretary of the Association at the address of the Association, the holder of any duly recorded first mortgage or deed of trust against any Unit may obtain a copy of any and all

notices permitted or required to be given, and any such mortgagee requesting such notice shall thereafter receive all notices sent to the members from and after receipt of said request until said request is withdrawn or said mortgage is discharged of Record.

Section 4. Waiver of Notice. The presence of all the members, in person or by proxy, at any meeting shall render the same a valid meeting, unless any member shall, at the opening of such meeting, object to the holding of the same for noncompliance with the provisions of Section 3 of this Article II. Any meeting so held without objection shall, notwithstanding the fact that no notice thereof was given, or that the notice given was improper, be valid for all purposes, and at such meeting any general business may be transacted and any action may be taken; provided, however, that where a member has pledged his vote by mortgage, deed of trust or agreement of sale, only the presence of the pledgee will be counted in determining whether notice is waived with regard to business dealing with such matters upon which the member's vote is so pledged.

Section 5. Quorum; Voting. At any meeting of the Association, fifty percent (50%) of all Unit Owners must be present or by proxy, to constitute a quorum, and, except as otherwise provided herein, in the Declaration, the concurring vote of fifty percent (50%) of the Unit Owners shall be valid and binding upon the Association. In the event a member has pledged his vote by mortgage, deed of trust or agreement of sale, the member's vote will be recognized in computing a quorum with respect to any business conducted concerning such matters upon which said member's vote is so pledged or mortgaged unless the mortgage, deed of trust or agreement of sale provides otherwise, in which event such instruments shall control. In the event of such mortgage or pledge, the Unit Owner shall provide the Association with a copy of the pledging or mortgaging instrument.

Section 6. Membership; Voting. Until all units are sold, and related deeds are recorded, the Developer shall maintain complete control over all common areas and all decisions related to the same. The Developer and Owner shall also maintain complete control and authority to pass restrictive covenants. Said covenants shall be binding on all units. Upon the recording of all deeds to all units, the Developer and Owner shall assign all of their rights in the common areas, and governance relating to the same, to the unit owners, as set forth in the Declaration of Covenants, Conditions and Restrictions.

Following the assignment from the Developer and Owner, any person or combination thereof owning any Unit duly recorded in his or her name, the ownership of which shall be determined by the records of the Register's Office for Davidson County, Tennessee, shall be a member of the Association, and either in person or by proxy entitled to a vote equivalent to one vote for each Unit so owned at all meetings of the Association. Any provision to the contrary notwithstanding, co-owners or joint owners shall be deemed one Unit Owner and one member. The authority given by a member to another person to represent such member at meetings of the Association shall be in writing, signed by such member (or if a Unit is jointly owned then by co-owners or joint owners, by all such co-owners or joint owners; or if such member is a corporation, by the proper officers thereof), and shall be filed with the Secretary, and unless limited by its terms, such authority shall be deemed good until revoked in a writing filed with the Secretary. An executor, administrator, guardian or trustee may vote in person or by proxy at any meeting of the Association with respect to any Unit owned or held by him in such capacity, whether or not the same shall have been transferred to his name by a duly recorded conveyance. In case such Unit shall not have so been transferred to his name, he shall satisfy the Secretary that he is the executor, administrator, guardian or trustee holding such Unit in such capacity. Whenever any such Unit is owned by two or more persons jointly according to the Record, the vote therefore may be exercised by any one of the owners present in the absence of protest by the other or others; PROVIDED, HOWEVER, that when the vote of an owner or owners has been pledged by mortgage or deed of trust of record, only the vote of the pledgee will be recognized upon those matters upon which the owner's or owners' vote is so pledged except as otherwise provided in Section 5.

Section 7. Adjournment. Any meeting of the Association may be adjourned from time to time to such place and time as may be determined by a vote of the majority of all members, without notice other than the announcement at the meeting. At any adjourned meeting at which a quorum is present, any business may be transacted that might have been transacted by a quorum at the meeting originally called.

Article III. Board of Directors

Section 1. Number and Qualification. The affairs of the Association shall be governed by a board of directors (the "Board of Directors" or the "Board") composed of five (5) persons, and all such directors shall be Unit Owners (or owners of an interest in a Unit).

Section 2. Powers and Duties. The Board of Directors shall have all of the powers and duties granted thereto in the Declaration and all other powers and duties necessary for the administration of the affairs of the Association, and may do all such acts and things as are not by law, by the Declaration or by these Bylaws directed to be exercised and done by the Unit Owners.

Section 3. Other Powers and Duties. In addition to duties imposed by the Declaration, these Bylaws or by resolutions of the Association, the Board of Directors shall have the following powers and duties:

(a) to administer the affairs of the Association and the Property;

(b) to engage the services of an agent (hereinafter sometimes called the "Managing Agent") to maintain, repair, replace, administer and operate the Property or any part thereof for all of the Unit Owners, upon such terms and for such compensation and with such authority as the Board may approve; provided, however, that any management agreement relating to the Property shall be terminable for cause upon thirty (30) days' notice and shall have a term of not less than one (1) year nor more than five (5) years, which term shall be renewable upon approval of the Board of Directors.

(c) to formulate policies for the administration, management and operation of the Property and the Common Elements, as defined in the Declaration, thereof;

(d) to adopt rules and regulations, with written notice to all Unit Owners, governing the administration, management, operation and use of the Property and the Common Elements, and to amend such rules and regulations from time to time;

(e) to provide for the surveillance, maintenance, repair and replacement of the General Common Elements

(f) to provide for the designation, hiring and removal of employees and other personnel, including accountants and attorneys, and to engage or contract for the services of others, and to make purchases for the maintenance, repair, replacement,

administration, management and operation of the Property and the General Common Elements, and to delegate any such powers to the Managing Agent (and any such employees or other personnel who may be the employees of a Managing Agent);

(g) to appoint committees of the Board and to delegate to such committees the Board's authority to carry out certain duties of the Board as provided in the Declaration and these Bylaws;

(h) to determine the fiscal year of the Association and to change said fiscal year from time to time as the Board deems advisable;

(i) to estimate the amount of the annual budget, and to provide the manner of assessing and collecting from the Unit Owners their respective shares of such estimated expenses, as hereinafter provided;

(j) to enter into any lease agreement for lease of premises suitable for use as custodian apartments, upon such terms as the Board may approve;

(k) unless otherwise provided herein or in the Declaration, to comply with the instructions of a majority of the Unit Owners as expressed in a resolution duly adopted at any annual or special meeting of the Association;

(l) to secure insurance policies as required by the Declaration and these Bylaws, and in this regard, annually to review the amounts of coverage afforded by such policies;

(m) to be responsible for and maintain all sidewalks, utilities, and any other services of a public nature that are classified as General Common Elements in the Declaration; and

(n) to exercise all other powers and duties of the board of administration or Unit Owners as a group that are provided in the Act, and all powers and duties of a board of managers or a board of directors referred to in the Declaration or these Bylaws.

Section 4. Manager or Managing Agent; Employees Generally. The Managing Agent shall perform such duties and services as the Board of Directors shall authorize, including, but not limited to, the duties listed in Section 3 of this Article. The duties conferred upon the Managing Agent by the Board of Directors may be at any moment revoked, modified or amplified by the vote of the Association in a duly constituted

meeting. The Board of Directors and/or the Managing Agent (with the approval of the Board of Directors) may employ any other employee or agents to perform such duties at such salaries as the Board of Directors may establish. The Board of Directors may enter into such service contracts on behalf of the Association as are necessary and appropriate and shall have authority, but not the obligation, to assume, on behalf of the Association, any initial service contracts entered into by Developer that comply with the requirements and limitations imposed herein.

Section 5. Election and Term of Office. The directors of the Association shall be comprised of the Unit Owners. The first annual meeting of the Association will be called by Developer at such time as, in its discretion, it deems best, but in no event shall it be later than thirty (30) days after all Units are occupied, or his nominee, shall act as President of the Association until the President has been named by the Board of Directors. At the first annual meeting of the Association, the terms of office for the first board of directors (the "First Board") shall be fixed.

At the expiration of the initial term of office of each respective director, his successor shall be elected and agreed upon by a majority of all Unit Owners constituting a quorum, for a term of one (1) year. The directors shall hold office until their successors have been elected and hold their first meeting.

Section 6. Vacancies. Vacancies in the Board of Directors caused by any reason other than the removal of a director by a vote of the Association shall be filled by vote of the majority of the remaining directors, even though they may constitute less than a quorum; and each person so elected shall be a director until a successor is elected at the next annual meeting of the Association.

Section 7. Compensation. No compensation shall be paid to directors for their services as directors. A director may not be an employee of the Association.

Section 8. Organizational Meeting. The first meeting of the newly elected Board of Directors shall be held within one (1) month of election at such place as shall be fixed by the directors at the meeting at which such directors were elected, and no notice shall be necessary to the newly elected directors in order legally to constitute such meeting, providing the whole board is present.

Section 9. Regular Meetings. Regular meetings of the Board of Directors may be held at such time and place as shall be determined, from time to time, by all of the directors. Notice of regular meetings of the Board of Directors shall be given to each director, personally or by mail, addressed to his residence, or by telephone, at least ten days prior to the day named for such meeting.

Section 11. Special Meetings. Special meetings of the Board of Directors may be called by the President on ten days notice to each director, given personally or by mail, addressed to his residence, or by telephone, which notice shall state the time, place (as hereinabove provided) and purpose of the meeting. Special meetings of the Board of Directors shall be called by the President or Secretary in like manner and on like notice on the written request of not less than one (1) director.

Section 12. Waiver of Notice. Before or at any meeting of the Board of Directors, any director may, in writing, waive notice of such meeting and such waiver shall be deemed equivalent to the giving of such notice. Attendance by a director at any meeting of the Board shall be a waiver of notice by him of the time and place thereof. If all the directors are present at any meeting of the board, no notice shall be required and any business may be transacted at such meeting.

Section 13. Board of Directors' Quorum. At all meetings of the Board of Directors, sixty percent (60%) of the directors shall constitute a quorum for the transaction of business, and the acts of a majority of the directors present at a meeting at which a quorum is present shall be the acts of the Board of Directors. If, at any meeting of the Board of Directors, there be less than a quorum present, the majority of those present may adjourn the meeting to a different time. At any such adjourned meeting, any business that might have been transacted at the meeting as originally called may be transacted without further notice.

Section 14. Bonds of Officers and Employees. The Board of Directors may, at its sole discretion, require that all officers and employees (including without limitation any management agent) of the corporation handling or responsible for corporate funds shall be covered by blanket fidelity bonds naming the Association as obligee, which bonds shall be in the amount equal to one hundred fifty percent (150%) of the estimated annual operating expenses of the Project. Each such bond shall contain an agreement to notify

the Board, the holder of a first mortgage or deed of trust on a Unit and every other person in interest who shall have requested such notice at least thirty (30) days' prior notice of any cancellation or material alteration of such bond. The premiums on such bonds shall be paid by the Association as a common expense of the Association.

Article IV. Officers

Section 1. Designation. The principal officers of the Association shall be a President and a Secretary, all of whom shall be elected by and from the Board of Directors. The directors may appoint a vice president, treasurer, assistant treasurer, assistant secretary, and such other officers as in their judgment may be necessary. An officer may serve in more than one capacity; provided, however, that there shall be no less than two (2) persons serving as officers; and further provided that no one person shall serve as both President and Secretary simultaneously.

Section 2. Election of Officers. The officers of the Association shall be elected annually by the Board of Directors at the organizational meeting of each new Board of Directors and shall hold office at the pleasure of the Board of Directors.

Section 3. Removal of Officers. Upon the affirmative vote of a majority of the members of the Board of Directors, any officer may be removed, either with or without cause, and his successor elected at any regular meeting of the Board of Directors, or at any special meeting of the Board of Directors for such purpose.

Section 4. President. The President shall be the chief executive officer of the Association. He shall preside at all meetings of the Association and of the Board of Directors. He shall have all of the general powers and duties that are usually vested in the office of president of an association, including but not limited to the power to appoint committees from among the Unit Owners from time to time as he may in his discretion decide is appropriate to assist in the conduct of the affairs of the Association.

Section 5. Vice President. The Vice President, if any, shall take the place of the President and perform his duties whenever the President shall be absent or unable to act. If neither the President nor the Vice President is able to act, the Board of Directors shall appoint some other member of the Board to do so on an interim basis. The Vice President shall also perform such other duties as shall from time to time be imposed upon him by

the Board of Directors. The Vice President shall also act as the treasurer and secretary, the duties of which are set forth herein below.

Section 6. Treasurer. The Treasurer, if any, shall have the responsibility for Association funds and securities and shall be responsible for keeping full and accurate accounts of all receipts and disbursements in books belonging to the Association. He shall be responsible for the deposit of all monies and other valuable effects in the name, and to the credit, of the Association in such depositories as may from time to time be designated by the Board of Directors.

Section 7. Secretary. The Secretary shall attend and keep the minutes of all meetings of the Board of Directors or of the Association; shall give all notices as provided by these Bylaws, and shall have other powers and duties as may be incidental to the office of Secretary, given him by these Bylaws or assigned to him from time to time by the directors. If the Secretary shall not be present at any meeting, the presiding officer shall appoint a secretary pro tempore who shall keep the minutes of such meeting and record them in the books provided for that purpose.

Section 8. Auditor. The Association may at any meeting appoint some person, firm or corporation engaged in the business of auditing to act as auditor of the Association and to perform such audits and fiscal duties as may be requested of him by the Association.

Article V. Obligations of the Unit Owners

Section 1. Expenses, Assessments. Every Unit Owner shall contribute, pro rata on the basis of his percentage interest in the Common Elements as set forth in the Declaration, toward the expenses of administration of the Property and the Association, including but not limited to all types of insurance and the costs of operation, maintenance, repair and replacement of the General Common Elements. The Association shall fix a monthly charge for each Unit in an amount sufficient to provide for its pro rata share of all such current expenses, reasonable reserves for future expenses of administration, reasonable reserves for the expenses of utilities, periodic maintenance, repair and replacement associated with the General Common Elements and such other expenses as the Association may deem proper, subject to adjustment from time to time as the Association may deem necessary. Such monthly charge shall be due and payable in

advance on the first day of every month, shall bear interest at the rate of twelve percent (12%) per annum from the date due until paid, and such charges, together with interest as aforesaid and reasonable attorney's fees of the Association (all as provided in the Declaration) shall be a lien on the Unit, assessed prior in right to all other charges whatsoever except assessments, liens and charges in favor of the State of Tennessee, the City of Nashville and Davidson County for taxes past due and unpaid on such Unit, and amounts and liabilities secured by first mortgage instruments duly Recorded. In the event any Unit Owner is delinquent in the payment of any monthly assessment for a period in excess of thirty (30) days, the Association is authorized to sever or disconnect all utility connections to his Unit, provided such severance or disconnection does not invalidate the Association's fire and casualty insurance, and to take such other actions as are authorized by the Declaration.

Section 2. Working Capital. A working capital fund shall be maintained by the Association during the initial months of the Property's operation. Each Unit's share of the working capital fund must be collected and transferred to the Association at the time of the closing of the sale of each Unit and maintained in an account for the use and benefit of the Association. The purpose of the working capital fund is to insure that the Association will have cash available to meet unforeseen expenditures, and/or to acquire additional equipment or services deemed necessary or advisable by the Board, and disbursements from such fund shall be made as directed by the Board. Amounts paid into the working capital fund shall in no event be considered advance payment(s) of monthly assessments.

Section 3. Maintenance and Repair.

(a) Every Unit Owner must perform promptly all maintenance and repair work within his Unit that, if omitted, would affect the Property in its entirety or a part belonging to other Unit Owners, and is responsible for the damages and liabilities that his failure to do so may cause.

(b) All the repairs of internal installations of a Unit such as water, light, power, sewage, telephone and sanitary installations, lamps and all other accessories belonging to the Unit area shall be maintained at the Unit Owner's expense.

(c) A Unit Owner shall reimburse the Association for any expenditure incurred in repairing or replacing any Common Elements damaged through his fault.

Section 4. Use of Units. All Units shall be used in accordance with the provisions of the Bylaws, the Declaration and the Rules and Regulations.

Section 5. Rules and Regulations. In order to assure the peaceful and orderly use and enjoyment of the Building and Common Elements of the Property, the Association may from time to time adopt, modify and revoke in whole or in part by a vote of not less than a majority of the members at any meeting duly called for the purpose, such reasonable rules and regulations, to be called Rules and Regulations, governing the conduct of persons in said Property as it may deem necessary. The Rules and Regulations, upon adoption, and every amendment, modification and revocation thereof, shall be delivered promptly to each Unit Owner and shall be binding upon all members and occupants of the Property.

Section 6. Deeds of Trust and Mortgages. Any holder of a deed of trust or mortgage with respect to a Unit may file a copy of such instrument with the Board of Directors through the Secretary, who shall be required to notify such holder or mortgagee of:

(1) Any condemnation loss or any casualty loss that affects a material portion of the Property or the Unit covered by such mortgage or deed of trust;

(2) Any delinquency in the payment of expenses or charges owed relating to the Unit that is covered by such mortgage or deed of trust that remains uncured for sixty (60) days, and that the holder or mortgagee may, at its option, pay such delinquent expenses;

(3) Any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association;

(4) Any proposed action that would require the consent of a specified percentage of deed of trust or mortgage lien holders.

Section 7. Insurance. The Board on behalf of the Association and its common expense shall at all times keep the General Common Elements insured against loss or

damage by fire with extended coverage in an insurance company authorized to do business in the State of Tennessee in accordance with the Declaration.

Article VI. Execution of Instruments

Section 1. Instruments Generally. All checks, drafts, notes, bonds, acceptances, contracts and all other instruments except conveyances shall be signed by such person(s) as shall be designated by resolution applicable thereto.

Article VII. Liability of Officers, Directors and Members

Section 1. Exculpation. No director or officer of the Association shall be liable for acts or defaults of any other officer or member or for any loss sustained by the Association or any member thereof, unless the same has resulted from his own willful misconduct or negligence.

Section 2. Indemnification. The Association shall indemnify and hold harmless each of its directors and officers, each member of any committee appointed pursuant to these Bylaws, the Board and/or Developer against all contractual and other liabilities to others arising out of contracts made by or other acts of such directors, Board, officers, committee members, Owner or Developer, on behalf of the Unit Owners, or arising out of their status as directors, officers, committee members, Owner or Developer, unless any such contract or act shall have been made fraudulently or with gross negligence or criminal intent. It is intended that the foregoing indemnification shall include indemnification against all costs and expenses (including, but not limited to, counsel fees, amounts of judgments paid and amounts paid in settlement) reasonably incurred in connection with the defense of any claim, action, suit or proceeding, whether civil, criminal, administrative or other, in which any such director, officer, Board, committee member, Owner or Developer may be involved by virtue of such person(s) being or having been such director, officer, committee member or Developer; provided, however, that such indemnity shall not be operative with respect to (a) any matter as to which such person shall have been finally adjudged in such action, suit or proceeding to be liable for gross negligence or fraud in the performance of his duties as such director, officer, committee member or Developer, or (b) any matter settled or compromised, unless, in the opinion of independent counsel selected by or in a manner determined by the Board, there is not reasonable ground for such person(s) being adjudged liable for gross

negligence or fraud in the performance of his or their duties as such director, officer, committee member or Developer.

Section 3. Success on Merits. To the extent that the Owner, Developer or a member of the Board of Directors or an officer of the Association or a member of any committee appointed pursuant to the Bylaws of the Association has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in Section 2 of this Article VII, or in defense of any claim, issue or matter therein, he shall be indemnified against expenses (including attorney's fees) actually and reasonably incurred by him in connection therewith.

Section 4. Advance Payment. Expenses incurred in defending a civil or criminal action, suit or proceeding may be paid by the Association in advance of the final disposition of such action, suit or proceeding as authorized by the Board of Directors in the specific case upon receipt of an undertaking by or on behalf of the person or entity seeking such indemnification or payment in advance to repay such amount unless it ultimately shall be determined that he is entitled to be indemnified by the Association as authorized in this Article VII.

Section 5. Miscellaneous. The Association and the Board shall have the power to raise and the responsibility for raising, by special assessment or otherwise, any sums required to discharge the Association's obligations under this Article; provided, however, that the liability of any Unit Owner arising out of any contract made by or other acts of the directors, Board, officers, members of such committees, Owner or Developer, or out of the aforesaid indemnity in favor of the directors, Board, officers, members of such committees, Owner or Developer, shall be limited to such proportion of the total liability hereunder as said Unit Owner's percentage of interest in the Common Elements bears to the total percentage interest of all of the Unit Owners in the Common Elements. Every agreement made by the directors, Board, officers, members of such committees, Owner, Developer or the Managing Agent on behalf of the Unit Owners shall provide that the directors, Board, officers, members of such committees, Owner, Developer or the Managing Agent, as the case may be, are acting only as agents for the Unit Owners and shall have no personal liability thereunder (except as Unit Owners), and that each Unit Owner's liability thereunder shall be limited to such proportion of the total liability

thereunder as his percentage of interest in the Common Elements bears to the total percentage interest of all Unit Owners in the Common Elements.

Article VIII. Amendment

Section 1. Amendment. These Bylaws may be amended, modified or revoked in any respect from time to time by vote of sixty six percent (66%) of the Unit Owners at a meeting duly called for the purpose; PROVIDED, HOWEVER, that the contents of these Bylaws shall always contain those particulars that are required to be contained herein by the Act; and PROVIDED, FURTHER, that no modification of or amendment to these Bylaws shall be valid unless set forth in an amendment to the Declaration.

Section 2. Conflict. In the event of any conflict between the provisions of these Bylaws and the provisions of the Declaration, the Declaration shall govern and apply.

A Horizontal Property Regime with Private Elements

Dear Catalyst Nashville, LLC:

It is our opinion that all legal documents required by the Horizontal Property Act as codified at Tennessee Code Annotated §66-37-101, et seq. As such, a planned unit development with private elements has been created under the Act.
