LAST WILL AND TESTAMENT
OF
LYNN RENE ANDERSON

I, Lynn Rene Anderson, also formerly known as Lynn Anderson Stream, a resident of, and domiciled in, Taos, New Mexico, do make, publish and declare this to be my Last Will and Testament, hereby revoking all Wills and Codicils heretofore made by me. However, the foregoing revocation is not intended to revoke any document commonly known as a "Living Will."

ITEM I

I direct that all of my legal debts (excluding debts secured by mortgages or other security instruments) my funeral expenses, and the costs of administration of my estate be paid as soon as practicable and convenient after my death. My Personal Representative, in his sole discretion, may pay from my domiciliary estate all or any portion of the costs of ancillary administration and similar proceedings in other jurisdictions.

ITEM II

I am currently unmarried and I have three (3) children who are Lisa L. Sutton, William Gray Stream and Melissa Kirkman Stream. I have no deceased children who have left surviving descendents.

It is my intention that if Lisa L. Sutton survives me that she be the only one of my children to receive my residuary estate. While I love and cherish all of my children equally, I have made the distribution of my estate as set forth herein on the basis of the potential financial assets and needs of my children. Specifically, I have made the assumption that the financial needs of William Gray Stream and Melissa Kirkman Stream, and any children which either of them may have, will be provided for by the trust funds established by their father's family.

Accordingly, wherever used in this instrument, the terms child, children, and descendants shall include persons born before and after the date of execution of this Will, and the terms beneficiary, beneficiaries, grandchild and grandchildren shall be deemed to mean the children born to Lisa L. Sutton after the date of execution of this Will. Throughout this Will, the

masculine gender shall be deemed to include the feminine, and the singular shall include the plural, and vice versa.

ITEM III

I may leave a written memorandum or list with regard to the desired distribution of some of my personal property, and other property owned by me, and discovered within thirty (30) days of my death. It is my direction that this memorandum or list be followed as closely as possible by my Personal Representative in making the final distribution of my Estate. I hereby give, devise and bequeath to the persons named therein the property of my estate as described in such memorandum or list.

ITEM IV

I hereby give, devise and bequeath to my daughter, Lisa L. Sutton, all of the rest, residue and remainder of the property that I may own at the time of my death, real and personal, tangible and intangible, of whatsoever nature and wheresoever situated, including but not limited to, the real property known as 555 Forest Service Road, No. 1, Taos, New Mexico; Lots 108 and 109, Angel Fire Country Club, Unit 1-B, Angel Fire, New Mexico; 520 Don Nicolas Road, Canon (Taos), New Mexico; approximately 3 acres, Leiper's Fork, Tennessee; and 952 Clayton Avenue, Nashville, Tennessee.

ITEM V

In the event that Lisa L. Sutton does not survive me, and at the time of her death she has children living, who would be my grandchildren, then I give, devise, and bequeath all the rest, residue and remainder of the property that I own at the time of my death, real and personal, tangible and intangible, of whatsoever nature and wheresoever situated, to the Trustee named hereinafter to be held and administered in trust for the use and benefit of my grandchildren, under the following terms and for the following purposes:

1. As long as there are any living grandchildren of mine under the age of twenty-seven (27) years, the Trustee shall from time to time distribute all or so much of the net income or principal or both of the trust as the Trustee in his uncontrolled discretion deems appropriate for the health, support, maintenance, or education of any one of my grandchildren, both over or

under the age of twenty-seven (27) years. Any income not so distributed shall be accumulated. During the term of the trust, the Trustee shall not be obligated to maintain equality among the beneficiaries with respect to distributions of either principal or income. Distribution of principal or income to or on behalf of my grandchildren may be made in any one or more of the following ways: (1) directly to the beneficiary if the Trustee shall deem advisable; (2) to the guardian of the person of the beneficiary; or (3) by expending such income or principal directly for the health, support, maintenance, or education of the beneficiary.

2. As a guide to the Trustee in making distributions of income or principal, but without in any way intending to limit or control his discretion, I offer the following expressions of intent as to the purposes of this trust. My primary objective is to help provide for the support and health needs of my grandchildren during the term of this trust. A second important objective is to help provide sufficient funds for the education of my grandchildren. Disparate needs may and probably will arise both with respect to medical expenses and educational expenses. The Trustee should not hesitate to make unequal distributions if in his sole discretion he deems it appropriate to do so. It is my desire that the Trustee shall administer the trust with relation to my grandchildren as he believes I would do, if I were alive.

3. It is not my primary objective to provide a cash legacy for each of my grandchildren living at the termination of this trust. If, however, after the health and education needs and other needs of the beneficiaries have been met during the term of the trust, there is a fund remaining at the trust's end, well and good. The Trustee should not be conservative in making interim distribution of principal and income simply in order to provide lump sum gifts upon the trust's termination.

4. This trust shall terminate when there are no living grandchildren of mine under twenty-seven (27) years of age. Upon the termination of the trust, the Trustee shall distribute to each grandchild then living an equal share of the trust principal and income, without regard to any inequality in distributions during the term of this trust. If, however, any grandchild of mine dies before the termination of the trust, their share of the trust shall be divided equally among the remaining beneficiaries of the trust upon its termination.

5. No trust beneficiary shall have any right or power to anticipate, pledge, assign, sell, or encumber his or her interest in the trust, in any way; nor shall any such interest in any manner be liable for or subject to the debts, liabilities, or obligations of such beneficiary or claims of any sort against the beneficiary.

6. The Trustee shall have the continuing, absolute, discretionary power to deal with any property, real or personal, which is held in trust, as freely as I might in the handling of my own affairs. This power specifically includes the full authority and power to sell any portion of the trust estate, both real and personal property, and to invest and reinvest the proceeds of such sales as the Trustee shall deem proper to do so. The power granted the Trustee may be exercised independently and without the prior approval of any court, and no person dealing with the Trustee shall be required to inquire into the propriety of any of the Trustee's actions. Without limiting the generality of the foregoing, I hereby authorize and empower the Trustee of this trust herein created and any respective successors with all powers of fiduciaries set forth in New Mexico Statutes Annotated § 45-7-401, to the extent applicable, all of which sections of the act pertaining to the power of fiduciaries are hereby incorporated by reference.

7. I hereby appoint William Gray Stream as Trustee of the trust created herein. If for some reason the Trustee is unable or unwilling to serve or to continue to serve, I appoint Melissa Kirkman Stream, as the successor Trustee. The successor Trustee shall have the same powers and duties as the original Trustee.

8. The Trustee shall not be required to render any accounting to or be subject to the supervision of any court. The Trustee shall keep accurate records of accounts that the beneficiaries may inspect from time to time.

ITEM VII

In the event Lisa L. Sutton does not survive me, and at the time of her death she does not have any living children, then I give, devise and bequeath all the rest, residue and remainder of the real and personal property, tangible and intangible, of whatsoever nature and wheresoever situated, that I may own at the time of my death, to Mentor Ralph Williams. In the event he does not survive me, then I hereby give, devise and bequeath in equal one-half (1/2) shares all the rest, residue and remainder of the real and personal property that I may own at the time of my death to

William Gray Stream and Melissa Kirkman Stream. In the event one of these should predecease the other, the remainder of these two shall take the share that would have been distributed to such deceased individual.

ITEM VIII

I nominate and appoint Clarence S. Anderson, as Personal Representative of this my Last Will and Testament. If for any reason he shall be unable or unwilling to serve in that capacity, I nominate and appoint Lisa L. Sutton as Personal Representative of this my Last Will and Testament. I authorize my Personal Representative and any successor in that capacity (including any substitute personal representative) in the exercise of a reasonable discretion with respect to all property, real and personal, at any time forming part of my estate, to exercise any or all of the powers set forth in New Mexico Statutes Annotated §§ 45-3-711 and 45-3-715, to the extent applicable, including the authority to sell both real and personal property, all of which provisions and powers are incorporated herein by reference as fully as if copied herein verbatim. In addition, my Personal Representative and any successors are authorized to do any and all things which I might do if living and which my Personal Representative or any successors shall deem advisable for the proper protection and management of the assets of my estate during its administration.

ITEM IX

I direct that no inventory, accountings, bond or other security shall be required in any jurisdiction or any person named in this Will as Personal Representative or Trustee, or any successor in those capacities.

ITEM X

If in the absence of this Item of my Will, I would die intestate or a trust would fail for lack of a beneficiary, I then give, devise and bequeath my entire residuary estate or the remaining estate trust principal (including any accumulated income), as the case may be, to the National Association of Handicapped Riders of America, which is currently located in Denver, Colorado
