Last Will and Testament

OF

EDDIE ELI REDMON

ARTICLE I: OVERTURE

Name, Residence, Family. I, Eddie Eli Redmon, a resident of Nashville, Davidson County, Tennessee, declare this to be my Will, and I revoke any and all wills and codicils previously made by me.

I am unmarried. I have one (1) child, Janice Kaye Crowell. Whenever I use the term "child" in my Will, I am referring to this child, as well as to any future born or adopted children.

ARTICLE II: APPOINTMENT OF FIDUCIARIES

Executor. I appoint my son-in-law, Kenneth E. Crowell, as Executor of my Will, to serve without bond.

ARTICLE III: SPECIAL BEQUESTS

Personal Property. I give to my daughter, Janice Kaye Crowell, all of my personal and household effects, including automobiles, furniture, jewelry, clothing, and similar personal property, together with all policies of insurance on such personal property.

ARTICLE IV: DISPOSITION OF RESIDUARY ESTATE

Residuary Estate to Daughter. I give the entire residue of my estate, including property of every kind which I may own or have an interest in at the time of my death, real, personal or mixed and wherever situated, including the proceeds of any policies of insurance on my life which may be payable to my estate, to my daughter, Janice Kaye Crowell.

ARTICLE V: GENERAL WILL PROVISIONS

Qualified Disclaimer. Any person entitled to receive property under the terms of my Will may disclaim all or any portion of the

property otherwise passing to him or her by complying with the statutory requirements of Section 2518 of the Code, and the federal regulations thereunder, and Section 31-1-103 of Tennessee Code Annotated, as these statutory provisions presently exist or may subsequently be amended. Unless otherwise provided in my Will, such disclaimed property shall be distributed pursuant to the terms of my Will as if the disclaiming person had predeceased me.

ARTICLE VI: PAYMENT OF DEBTS, EXPENSES AND TAXES

Payment of Debts and Expenses. I authorize my Executor to pay my debts, funeral expenses, and the expenses incurred in the administration of my estate.

Payment of Death Taxes. All transfer, estate, inheritance, succession and other death taxes, and any interest or penalties thereon, which shall become payable by reason of my death, whether with respect to property passing under my Will or outside of my Will (exclusive of any tax imposed as a result of Section 2044 or Chapter 13 of the Code, or a corresponding provision of state law), shall be paid out of my residuary estate.

ARTICLE VII: GENERAL FIDUCIARY POWERS

Authorization of Fiduciaries. Without diminishing or restricting the powers vested by law or elsewhere in my Will, and subject to all of the provisions of my Will, I authorize and empower my Executor without having to obtain any judicial authorization or approval, and in the application of his best judgment and discretion on behalf of the beneficiaries of my Will, to exercise all or any of the following powers:

1. Incorporation of State Law Powers. I authorize my Fiduciary to exercise the powers specifically enumerated in Section 35-50-110, Tennessee Code Annotated. These powers, as set out in this statute on the date of the execution of my Will, are granted, notwithstanding that this statute may have been amended or repealed at the time of my death.

2. Power to Allocate Assets. My Fiduciary shall, in his sole discretion, make reasonable allocations of the property comprising my estate in satisfying any bequest made herein and in allocating the residue of my estate as directed.

3. Distributions to Incapacitated Beneficiaries. If, pursuant to this Will, any property shall be payable outright to a person who is a minor, or is under any other legal, mental or physical disability, my Fiduciary shall have the power, exercisable in his absolute discretion and without court approval, either to defer payment of such property, or to pay such property, in whole or in part, to such person, to a parent, guardian, or conservator of such person, to a custodian for such person under a Gifts to Minors Act, or to any adult with whom such person shall reside. The recipient of such property shall not be required to furnish bond or file any accountings with respect to such property, unless my Fiduciary should direct otherwise; and the receipt of such property by the recipient shall discharge my Fiduciary from any further responsibility or liability with respect to such property. If my Fiduciary shall elect to defer payment of any such property, I authorize my Fiduciary to hold such property as a Trustee for the benefit of such person, with all the powers given to my Fiduciary in this Will and by law, and to pay or apply so much, all, or none of the income and principal of such property for the benefit of such person as my Fiduciary shall deem advisable. When such person attains capacity, whether legal, mental or physical, the balance of such property then remaining shall be distributed to him or her. If such person shall die before attaining capacity, the balance of such property remaining at his or her death shall be distributed to his or her estate.

4. Tax Elections and Consents. In addition to all other powers, and notwithstanding any other provision of my Will, my Fiduciary shall have full discretion to claim the deductions allowable to my estate for debts, expenses, taxes, claims and losses, either for federal income tax or estate tax purposes, in such manner as my Fiduciary shall deem advisable, in order to minimize the total state and federal income and death taxes payable by my estate or as a

result of my death. Such allocation may be made regardless of whether its effect is to favor one beneficiary or class of beneficiaries over another, or whether such expenses shall be charged to income or principal for distribution purposes.

5. Payment of Fiduciary Expenses. My Fiduciary shall be specifically authorized, in his sole discretion, to employ and to pay the compensation of such agents, accountants, custodians, experts and counsel, legal, investment or otherwise, as my Fiduciary shall deem advisable, and to delegate discretionary powers to, and rely upon information furnished by, such individuals or entities. Compensation paid for such services, as well as other administrative expenses and compensation paid to my Fiduciary for his services, shall be paid out of estate assets in such manner as my Fiduciary shall deem advisable.

6. Administration of Real Property by Fiduciary. All real property in which I may have any interest at the time of my death shall be deemed to be part of my probate estate for purposes of administering my estate, and as such, shall be subject to the control of my Fiduciary during the administration of my estate.

7. Rights and Duties of Successor Fiduciary. Any successor fiduciary, whether individual or corporate, shall succeed to all of the rights and duties of his predecessor, shall not be required to post bond or other security, and shall not be accountable for any of the acts or transactions of such predecessor.

ARTICLE VIII: MEANING OF TERMS

Throughout this Will, the masculine gender shall be deemed to include the feminine, and vice versa, and the singular shall include the plural, and vice versa. Whenever a provision has been made in my Will for any child to take his or her deceased parent's share, in the event such child is also deceased, it is intended that his or her share shall pass to his or her issue, per stirpes. The term "Code" as used in my Will shall refer to the Internal Revenue Code of 1954, as amended, unless otherwise indicated.
