SPECIAL WARRANTY DEED

This **SPECIAL WARRANTY DEED** is made effective March 31st, 2016, between **WAL-MART REAL ESTATE BUSINESS TRUST**, a Delaware statutory trust, with an address of 702 S.W. 8th Street, Bentonville, AR 72716 ("Grantor"); and **CHM RIVERGATE, LLC,** a Tennessee limited liability company, with an address of 6312 Kingston Pike, Suite C, Knoxville, TN 37919 ("Grantee").

W I T N E S S E T H:

THAT GRANTOR, for and in consideration of the sum of Ten Dollars ($10.00) and other good and valuable consideration, to it in hand paid by Grantee, the receipt whereof is hereby acknowledged, does hereby forever grant, bargain, sell, convey and confirm to Grantee, and its successors and assigns, a certain tract of land situated, lying, and being in the City of Madison, Davidson County, Tennessee, as more particularly described to wit:

See Exhibit "A" attached hereto and made a part hereof ("Property");

TO HAVE AND TO HOLD said land unto Grantee, and its successors and assigns, forever, with all tenements, appurtenances and hereditaments thereunto belonging, subject to easements, conditions, restrictions and other matters of record. Notwithstanding the foregoing, Grantor hereby reserves unto Grantor, and its successors and assigns, all of Grantor's present and reversionary rights, titles and interests in and to all of the oil, gas, coal and other minerals in, on

and under or that may be produced from the Property ("**Grantor's Retained Minerals**"). Grantor hereby agrees to waive and does hereby waive any and all rights to go on or about or use the surface of the property for the exploration, production or development of oil, gas, coal or other minerals, and Grantor does hereby agree, in conducting exploration for, and production, processing, transportation, and marketing of oil, gas, coal or other minerals from the Property, not to use or occupy any portion of the surface of any part of the Property or place any fixtures, equipment, buildings or structures thereon; provided, however, this waiver shall not be construed as waiving, releasing, or relinquishing any of Grantor's right, title or interest in and to the oil, gas, coal and other minerals that may be produced from the Property or the right of Grantor to explore, develop or produce such oil, gas, coal and other minerals by means which do not include the use of the surface of the Property, including, without limitation, directional wells drilled under any part of the Property from a site off the Property or by pooling or unitization of the Property with other lands and (ii) shall not be construed as waiving, releasing, relinquishing any right, title or interest of a third party who obtained surface or subsurface rights prior to the acquisition of the Property by Grantor. The term **"minerals"** as used herein means minerals of every kind and character, including, without limitation, oil, gas, casinghead gas, liquid and gaseous hydrocarbons, sulphur, coal, lignite, quartz, brine, salt, peat, coal seam gas, coal bed methane, metals, ores, uranium, vanadium and other fissionable source materials and spatially associated materials, and geothermal energy (including entrained methane, hydrostatic pressure and thermal energy).

In addition, in respect of the Grantor's Retained Minerals all future leases or conveyances of all or any part of the Grantor's Retained Minerals shall be subject to and burdened by the surface waiver provisions set forth in the preceding paragraph of this Deed and automatically shall be construed to contain a contractual waiver by the lessee or grantee (as applicable) of the right to use any portion of the surface of the Property for the exploration, production or development of oil, gas or other minerals. Without limiting the foregoing but in furtherance thereof, and in further confirmation of the covenants and agreements set forth above, Grantor shall use reasonable commercial efforts to assure that any and all oil, gas, coal or mineral leases executed by Grantor or Grantor's successors or assigns shall require that the lessee under such oil, gas or mineral leases expressly agree to comply with such covenants and agreements notwithstanding that such lessee may have directly or indirectly then or thereafter acquire leases or rights in the oil, gas, coal or other minerals in, under or that may be produced from the Property from other persons who are not restricted against surface use, and to the maximum extent permitted under applicable law, such covenants and agreements shall be deemed to be incorporated in any and all such leases with any person having actual or constructive notice (pursuant to any recording statute or otherwise) of this agreement and the surface use restrictions set forth herein. No person having or claiming any rights by, though or under Grantor shall be permitted to circumvent directly or indirectly the surface use restrictions set forth herein by virtue of holding surface rights derived from any other mineral interest owners in the Property. The foregoing provisions shall be covenants running with the Property binding upon all or any part of the Grantor's Retained Minerals and inuring to the benefit of, and enforceable by, Grantee and any future owners of all or any part of the surface estate of the Property. If any one or more of the foregoing provisions, or the applicability of any such provision to a specific situation, shall be held invalid or unenforceable, such provision shall be modified to the minimum extent necessary to make it or its application valid and enforceable, and the validity

and enforceability of all other of the foregoing provisions and all other applications of any such provision shall not be affected thereby.

This conveyance is expressly subject to the following conditions and restrictions:

(a) The Property shall only be used for purposes of the kind typically found in shopping centers, including, but not limited to, offices, restaurants, and retail shops;

(b) The Property shall not be used for or in support of the following: (i) a discount store including, but not limited to, a variety, general, or "dollar" type store in excess of eight thousand (8,000) square feet in floor size, wholesale membership/warehouse club, grocery store/supermarket, pharmacy/drug store; (ii) gas station, quick lube/oil change facility, automobile tire sales; (iii) movie theater or bowling alley; and (iv) health spa/fitness center greater than three thousand (3,000) square feet (the "Property Restrictions");

By way of example, a three thousand (3,000) square foot restaurant inline (or on an endcap) of a multi-tenant building shall have thirty-three (33) parking spaces; in the event the Property is used for a free-standing restaurant, there shall be not less than thirteen (13) parking spaces on the Property for every one thousand (1,000) square feet of floor building area thereon; there shall be maintained a parking ratio of eight (8) parking spaces for every one thousand (1,000) square feet of floor building area used for a health spa/fitness center three thousand (3,000) square feet or less; and for all other uses permitted hereunder there shall be not less than five (5) parking spaces per one thousand (1,000) square feet of floor building area on the Property. Notwithstanding the foregoing, Grantor agrees that a free-standing Zaxby's restaurant with eleven (11) parking spaces per one thousand (1,000) square feet of floor building area is and shall be permissible;

(f) (i) only signs advertising business located on the Property may be erected thereon; (ii) signs located on the Property shall not contain images or words that are offensive to the ordinary reasonable person (whether cloaked in images, words, or phrases carrying double meanings); (iii) the Property and all improvements erected or constructed thereon shall be maintained in good condition and repair; (iv) the exterior of any building constructed on the Property shall not be constructed of metal; and (v) trash enclosure shall be constructed of masonry materials;

If the Development Plan is disapproved, Grantor shall give the reasons for such disapproval, and Grantee shall resubmit to Grantor a revised Development Plan incorporating Grantor's suggested revisions within thirty (30) days from the date of Grantee's receipt of Grantor's disapproval, and the same time schedule as mentioned above shall be repeated until the Development Plan is approved;

(h) Grantor further reserves unto itself, its successors and assigns, a perpetual easement over, under and on the Property for the installation, maintenance, repair and placement of any existing access areas, utilities or storm water drainage, if and only if such access areas or utilities serve adjacent property at Closing, together with a non-exclusive right of ingress and egress for activities associated with Grantor's use of said easement area; and

(i) All such covenants, conditions, restrictions, the Property Restrictions, and approval rights shall remain in effect for a period of fifty (50) years from the recording of this Deed. No representations or warranties of any kind have been made by Grantor or anyone on its behalf to the Grantee as to the condition of the Property described herein or any improvements thereon erected, if any, and it is understood and agreed by the parties that the Property is sold **"AS IS, WHERE IS – WITH ALL FAULTS AND WITHOUT ANY REPRESENTATION OR WARRANTY WHATSOEVER, EXPRESS OR IMPLIED."**

Without limiting the foregoing, Grantee hereby covenants and agrees that Grantee accepts the property "AS IS" and "WHERE IS", and with all faults and defects, latent or otherwise, and that Grantor is making no representations or warranties, either expressed or implied, by operation of law or otherwise, with respect to the quality, physical conditions or value of the Property, the Property's habitability, suitability, merchantability or fitness for a particular purpose, the presence or absence of conditions on the Property that could give rise to a claim for personal injury, property or natural resource damages; the presence of hazardous or toxic substances, materials or wastes, substances, contaminants or pollutants on, under or about the Property, or the income or expenses from or of the Property.

AND SAID GRANTOR does hereby warrant the title to said Property, and will defend the same against the lawful claims of all persons claiming by, through and under Grantor, but none other, subject to the easements, encumbrances, restrictions, and other matters of record, the conditions and restrictions as stated herein, and subject to real property taxes for the year of 2016, and thereafter.
