Except as provided by the Act, no Unit Owner shall, by deed, plat, court decree or otherwise, subdivide or in any other manner cause its Unit to be separated into tracts or parcels different from the whole Unit as shown on the Plat.

5. **Association and Management of the Property.**

a) Association of Unit Owners and Administration and Operation of the Property. There has been formed an Association having the name HOMES AT 4201 KIRTLAND ROAD HOA, Inc., a Tennessee not-for-profit corporation, which Association shall be the governing body for all Unit Owners, and shall be operated to provide guidelines for the maintenance, repair, replacement, administration, and operation of the property, as provided in the Act, this Declaration and the By-Laws. The Unit Owners shall be members of the Association, with each Unit holding an undivided membership interest appurtenant to a Unit being in an equal share, subject to the provisions concerning voting

hereinafter set forth. The By-Laws for the Association shall be the By-Laws attached to this Declaration as Exhibit C and made part hereof. The Board of Directors of the Association shall be elected and serve in accordance with the provisions of the By-Laws. The fiscal year of the Association shall be determined by the Board, and may be changed from time to time as the Board deems advisable. The Association shall not be deemed to be conducting a business of any kind. All activities undertaken by the Association shall be for the sole benefit of the Unit Owners, and any funds received by the Association shall be held and applied by it for the use of benefit or Unit Owners, in accordance with the provisions of this Declaration and By-Laws. A Unit Owner's membership shall automatically terminate when he ceases to be a Unit Owner. Upon the conveyance or transfer of a Unit Owner's ownership interest to a new Unit Owner, the new Unit Owner shall simultaneously succeed to the former Unit Owner's membership in the Association. The aggregate number of votes for all members of the Association shall be divided among the respective Unit Owners with one (1) vote granted to each Unit (except that the developer shall have three (3) votes per Unit as provided below).

b) Voting Membership.

Class A. Class A members shall be Unit Owners, with the exception of the Developer, and shall be entitled to one (1) vote for each Unit owned. When more than one person holds any interest in any Unit, all such persons shall be members. The vote for such Unit shall be exercised as they determine, but in no event shall more than one (1) vote be cast with respect to any unit.

Class B. The Class B Member shall be the Developer and shall be entitled to three (3) votes for each Unit owned. The Class B membership shall cease the earlier of (i) when 100% of the Units are sold or (ii) three years from the date of the first Unit is sold.

c) Management of the Property. The Board shall have the authority to engage the services of an agent (the "Managing Agent") to maintain, repair, replace, administer, and operate the property, or any part thereof, to the extent deemed advisable by the Board, subject to provisions of subparagraph (d) below. Said agent shall be required to maintain fidelity bond coverage on its employees handling Association Funds. The cost of said services shall be a common expense.

d) Initial Management Contract. The first Board, appointed as provided herein, may ratify and approve the Management Agreement between the Developer (if applicable) on behalf of the Association, and a management corporation, to act as Managing Agent for the Property, for a term as approved by the first Board, but not to exceed one year.

e) Use by the Builder. During the period of sale by the Developer (and or any builders of any Units), the Developer and/or any such builder or their agents, employees, contractors, etc. shall be entitled to access, ingress, egress, from the buildings and property may be required for purposes of sale of the Units.

f) Non-Liability of the Directors, Board, Officers, and Developer. To the extent permitted by law, neither the directors nor officers of the Association shall be personally liable to Unit Owners for any mistake of judgment or for any other acts or omissions of any nature whatsoever as such directors or officers, except for any acts or omissions found by a court to constitute gross negligence or fraud. Unit Owners shall indemnify and hold harmless each or the directors or

officers and the respective heirs, executors, administrators, successors and assigns in accordance with the Charter of the Association and By-Laws.

6. **Board's Determination Binding.** In the event of any dispute or disagreement between any Unit Owners relating to the Property or any questions of interpretation or application of the provisions of this Declaration or By-Laws the determination thereof by the Board shall be final and binding on all Unit Owners.

7. **Ownership of the Common Elements.**

   a) Ownership of the Common Elements shall be vested in the Association.

   b) Subject to the provisions concerning voting rights herein above contained, each Unit is hereby allocated an equal percentage ownership in the Association. The percentage of ownership interest shall remain constant unless hereafter changed by recorded amendment to the Declaration consented. Said ownership interest shall be an undivided interest, and the individual interest in the Association shall be owned by the Unit Owners as Tenants in Common in accordance with their respective percentages of ownership. The ownership of a Unit shall not be conveyed or encumbered with the Unit, even though the legal description in the instrument conveying or encumbering such unit may refer only to the fee title to that Unit.

8. **Use of the Common Elements.** Each Unit Owner shall have the right to use the Common Elements (and not the Private Elements) in common with all other Unit Owners, as may be required for the purposes of access, ingress to, egress from, use, occupancy and enjoyment of the respective Unit owned by such Unit Owner. Such right to use the Common Elements shall extend not only to each Unit Owner, but also to his agents, servants, tenants, family members, customers, invitees, and licenses. However, each Unit Owner shall have the right to the exclusive use and possession of the Private Elements and Limited Common Elements, and shall be used by such Unit Owner(s) subject to the Rules and Regulations of the Association.

9. **Storage Areas and Parking Spaces.** Storage and parking areas shall be reserved for priority use by the Unit Owners in proportion to their interest in the Association, or as otherwise prescribed by applicable rules and regulations adopted by the Board.

10. **Common Expenses.**

   a) Common Expenses and Enforcement. Except as specifically provided otherwise herein, each Unit Owner shall be responsible for paying his equal proportionate share of the expenses of the administration and operation of the Common Elements and of any other expenses incurred in conformance with this Declaration and By-Laws (which expenses are herein sometimes referred to as "Common Expenses"), including, but not limited to, the maintenance and repair of the Property and any and all replacements and additions thereto. The payment of Common Expenses shall be in such amounts and shall be payable at such times as determined in the manner provided in the By-Laws. No Unit Owner shall be exempt from payment of his equal share of the Common Expenses by waiver or nonuse of enjoyment of the Common or Limited Common Elements or by abandonment of his Unit. If any Unit Owner shall fail or refuse to make any such payment for common expenses when due, the remaining Unit Owner(s) may pay said payment and the amount thereof together with interest at the rate of Ten (10%) percent per annum, after said payments

become due and payable, shall constitute a lien on the Unit for which benefit the payment is made on behalf of the remaining Unit Owners. Each Unit Owner shall be personally liable for his portion of payments accrued while he is the owner of the Unit, and shall remain personally liable for such payments even after he is no longer the owner of the Unit; however, said personal obligation shall not pass to successors in title unless assumed by them or as required by Tennessee Code Annotated, Section 66-27-101, *et seq*, provided that, any lien encumbering a Unit as above described shall not be affected by transfer of a Unit.

The Developer shall not be required to expend from its own funds any sums of money for maintenance, improvements, or any other expenses of the administration of the Common Elements, and no Unit owned by the Developer shall be assessed for Common Expenses, or otherwise, until such time as construction of such Unit is completed and the Unit is occupied by a tenant of Developer or is sold by the Developer. This paragraph of Section 10(a) may not be modified or amended without the unanimous written consent of all Unit Owners.

b) Mortgage and Deed of Trust Protection. The lien against a Unit Owner for Common Expenses shall be subordinate to the lien of a recorded first Mortgage or Deed of Trust on the interest of such Unit Owner, except for the amount of the proportionate share of common expenses which become due and payable from and after the date of which the Mortgagee or Beneficiary thereunder either takes possession of the Unit encumbered thereby, accepts a conveyance of any interest therein (other than security) or forecloses its Mortgage or Deed of Trust. This subparagraph shall not be amended, changed, modified, or rescinded without prior written consent of all Mortgagees or Deed of Trust Beneficiaries of record.

11. **Mortgages and Deeds of Trust.** Each Unit Owner shall have the right, subject to the provisions herein, to mortgage his Unit together with his respective ownership interest in the Common Elements Association. No Unit Owner shall have the right or authority to mortgage or place a lien on the property or any part thereof, except to the extent of his own Unit and its appurtenant interest in the Common Elements Association.

12. **Separate Real Estate Taxes.** Real estate taxes should be separately taxed to each Unit Owner for his Unit, its Private Elements, its appurtenant interest in the Common Elements and Limited Common Elements, and its corresponding interest in the Association, as provided in the Act. In the event that such taxes for any year are not separately taxed to each Unit Owner, but rather are taxed on the property as a whole, then each Unit Owner shall pay its proportionate share, in accordance with such unit owner's respective percentage of ownership interest in the Association, of the total tax obligation, and, in said event, such taxes shall be deemed a Common Expense.

13. **Insurance, Damage and Reconstruction.** The Board may obtain insurance for the Property and the Common Elements, exclusive of the Units, Private Elements, against loss or damage by fire, vandalism, malicious mischief and such other hazards as are covered under standard extended coverage provisions, for the full insurable replacement cost of the Property and the Common Elements, and against such other hazards and for such amounts as the Board may deem advisable. Insurable replacement cost shall be deemed the cost of restoring the Property and the Common Elements, or any part thereof, to substantially the same condition in which they existed prior to damage or destruction. Such insurance coverage shall be written in the name of, and the proceeds thereof shall be payable to, the Boards, as the Trustee of the Unit Owner in proportion to the Unit Owner's respective percentages of ownership in the Property and the Common Elements, as set forth

in this Declaration, and for the holders of mortgages on the Units, if any. The policy of insurance should also contain, if possible, a waiver of subrogation rights by the insurer against the Unit Owners. The premiums for such insurance shall be a common expense; however, premiums for such insurance shall be separately billed equally to Unit Owners.

In the event of damage to or destruction of any of the Property or any Common Elements as a result of fire or other casualty covered by insurance proceeds (unless more than two-thirds (2/3) of all buildings require reconstruction), the Board shall, in its sole and absolute discretion, determine and without intervention of any Unit Owner arrange for the prompt repair and restoration of the damaged portions of the Property and all Common Elements substantially in accordance with the original plans and specification therefor. Where the insurance indemnity is insufficient to cover the cost of such repairs and restoration, the deficit shall be paid by all Unit Owners with each Unit Owner to bear an equal proportion thereof. Notwithstanding the above, unless the Board shall not be responsible for the repair, replacement or restoration of any Unit or Private Elements for which the responsibility or maintenance and repair is that of a Unit Owner, or for furniture, furnishings, fixtures, appliances, or equipment installed in the Unit by a Unit Owner or occupant.

The Board may also obtain comprehensive public liability insurance, in such amounts as it deems desirable, and workmen's compensation insurance and other liability insurance in such amounts as it deems desirable, insuring each Unit Owner, mortgage of record, the Association, its officers, directors and employees, Owner, and the Managing Agent, if any, from liability in connection with the Property. The premiums for such insurance shall be Common Expenses; however, premiums for such insurance shall be separately billed equally to each Unit Owner.

The Board may also obtain Fidelity Coverage covering officers, directors and employees who handle or are responsible for handling Association funds. Such bonds shall be in such amounts as the Board may determine, but in no event less than one hundred fifty percent (150%) of the monthly operating expenses of the Association, and shall contain waivers of any defense based upon the exclusion of persons serving without compensation.

The Board may also obtain such other insurance as it deems desirable, in such amounts, from such sources and in such forms as it deems desirable, insuring the Property and each member of the Board and officer of the Association, and each member of any committee appointed pursuant to the By-Laws of the Association, from liability arising from the fact that said person is or was a director or officer of the Association, or a member of such committee.

In the event the Board does not maintain insurance, each Unit Owner shall be responsible for obtaining hazard insurance which includes liability coverage on his Unit, the contents of his Unit and Private Elements, and the Limited Common Elements serving his Unit, as well as additions and improvements thereto, and those parts of the Unit for which the responsibility of maintenance and repair is that of the Unit Owner, and for decorations, furnishings, and personal property therein, and personal property stored elsewhere on the property, if any. **Each Unit Owner shall be required to list the Association as an additional insured on said Unit's hazard insurance policy.**

14. **Maintenance, Repairs, Replacements and Easements.** Each Unit Owner, at his own expense, shall furnish and be responsible for all maintenance of, repairs to and replacements within and to the exterior of his Unit and its private elements and Limited Common Elements. Except to the extent hereinafter set forth, maintenance of, repairs to and replacements within the General Common

Elements shall be the responsibility of and shall be furnished by the Association, and the cost thereof shall be part of the Common Expenses, subject to Item No. 10(a) herein and further subject to the By-Laws, and Rules and Regulations of the Association. The expenses of the maintenance, repair, or replacement of a Unit's water heater, furnace, air conditioner, heating and air conditioning ducts, and plumbing and electrical wiring and other items including, but not limited to the Limited Common Elements, serving only such Unit, shall be borne by the Owner of the Unit to which such Limited Common Elements are appurtenant. The Board shall direct Unit Owners who stand to be benefited by maintenance of, repairs to, and replacements of the exterior said Unit, its private elements and/or within the Limited Common Elements to arrange for such maintenance, repairs, and replacements in the name and for the account of such benefited Unit Owners, pay the cost thereof with their own funds, and procure and deliver to the Board such lien waivers and contractor's and subcontractor's sworn statements as may be required to protect the property from all mechanic's or materialmen's lien claims that maintain, repair, or replace the electrical wiring, plumbing, or other utilities of a Unit. Should the benefited Unit Owner fail or refuse to maintain, repair and/or replace, as directed by the Board, the exterior of the benefited Unit, its private elements, and/or within its Limited Common Elements, the Board or any other Unit Owner (or Owners) may cause said maintenance of, repairs to and/or replacements be made to the exterior of said Unit, its Private Elements and/or within its Limited Common Elements, and perfect remedies as recited in Article No. 19 hereinafter recited.

If, due to act or neglect of a Unit Owner, or of his agent, servant, tenant, family member, invitee, licensee, or household pet, damage shall be caused to the Private Elements owned by others, or if general maintenance of utility lines, etc. are required and such repair or damage is on another Unit Owner's Private Elements, then the Unit Owner which requires said utility services shall pay for such damage or such maintenance, repairs and replacements.

A joint and mutual easement hereby exists for any installation, maintenance, repair, and replacement of any and all pipes, wires, conduits, or other utility lines running through or around any Unit's Private Elements or Common Elements, if applicable. An easement exits for ingress and egress and maintenance in favor of any public utility providing utility services to the Units and to each Unit Owner if necessary to maintain their unit by accessing the other Unit's Private Elements. Reasonable notice to access the adjoining Unit's Private Elements shall be given to the affected Unit Owner unless access is required due to emergency circumstances.

The authorized representatives of the Association, Board, or of the Managing Agent with approval of the Board, shall be entitled to reasonable access to the Private Elements as may be required in connection with the preservation of any individual Unit or Limited Common Elements in the event of an Emergency, or in connection with maintenance of, repairs to, or replacements within the common Elements, Limited Common Elements, Private Elements or any equipment, facilities, or fixtures affecting or serving other Units, its Private Elements, Common Elements and Limited Common Elements, or to make any alteration required by governmental authority.

15. **Alterations, Additions, or Improvements.** Except as provided in paragraph No 16 herein, no alteration of any Common Elements, or any additions or improvements thereto, shall be made by any Unit Owner without the prior written approval of the Board. The Board may authorize alterations, additions, and improvements in the Common Elements as provided by the By-Laws. Any Unit Owner may make alterations, additions, or improvements within his Unit without prior written approval of the Board, but such Unit Owner shall be responsible for any damage other Units, the Common Elements, the Property, and any part thereof, resulting from such alterations, additions and

improvements. Any alteration and/or maintenance made by a Unit Owner to the exterior of his Unit shall be in strict conformity to the architectural design scheme of the Unit as of the date of this instrument unless approved by the unanimous agreement of the Unit Owners.

16. **Decorating.** Each Unit Owner, at his own expense, shall furnish and be responsible for all decorating within his Unit and Limited Common Elements serving his Unit, as may be required from time to time, including painting, wallpapering, washing, cleaning, paneling, floor covering, draperies, window shades, curtains, lighting, and other furnishings and decorating. Each Unit Owner shall be entitled to the exclusive use of the interior surfaces of the perimeter walls, floors and ceilings of his Unit and such Unit Owner shall maintain said interior surfaces in good condition at his sole expense, as may be required from time to time. Said maintenance and use of interior surfaces shall be subject to the Rules and Regulations of the Association, but each Unit Owner shall have the right to decorate such interior surfaces from time to time as he may see fit and at his sole expense. All windows and screens of a Unit shall be cleaned and washed, and any damage thereto repaired, at the expense of the Unit Owner of the Unit.

17. **Encroachments.** If any portion of the Common Elements shall actually encroach upon any Unit or its Private Elements, or if any Unit or its Private Elements or Limited Common Elements shall actually encroach upon any portions of the Common Elements, there shall be deemed to be mutual easements in favor of the owners of the Common Elements and the respective Unit Owners involved, to the extent of such encroachments, so long as the same shall exist.

18. **Use and Occupancy Restrictions.** Subject to the provisions of the By-Laws, no part of the property may be used for purposes other than housing and the related common purposed for which the Property was designed and as allowed by zoning laws. Each Unit shall be used as one single family residence or such other use permitted by this Declaration, and for no other purpose, except that professional and quasi-professional people may use their residence (not in violation of municipal zoning laws) as an ancillary or secondary facility to an office established elsewhere. No Unit may be offered by its owner to the public at large for temporary transient accommodations; however, nothing in this Section shall prohibit Unit Owners from leasing their Units to others to be used as residence. The foregoing restrictions shall not, however, be constructed in such manner as to prohibit a Unit Owner from: (a) maintaining his personal professional library; (b) keeping his personal business or professional records or accounts; or (c) handling his personal business or professional telephone calls or correspondence. Such uses are expressly declared customarily incident to the principal residential use and not in violation of said restrictions.

    The Common Elements, if applicable shall be used only by Unit Owners and their agents, servants, tenants, family members, customers, invitees, and licensees for access, ingress to, and egress from the respective Units and for such other purposes incidental to the use of the Units. The use, maintenance and operation of the Common Elements shall not be obstructed, damaged or unreasonably interfere with by any Unit Owner.

19. **Remedies.** In the event of any violations of the provisions of the Act, this Declaration, By-Laws, or Rules and Regulations of the Association by any Unit Owner (either by his own conduct or by the conduct of any Occupant of his Unit), the Association, or is successors or assigns, shall have each and all of the rights and remedies which may be provided for in the Act, this Declaration, By-Laws, or said Rules and Regulations, or which may be available at law or in equity, and may prosecute an action or other proceedings against such defaulting Unit Owner and/or others for enforcement of any lien and

the appointment of a receiver for the Unit and ownership interest of such Unit Owner, or for damages or injunction of specific performance, or for judgment for payment of money and collection thereof, or the right to take possession of the Unit and to sell the same as provided hereinafter in this Paragraph No. 19, or for any combination of remedies, or for any other relief. All expenses in connection with any such actions or proceedings, including court costs and attorney's fees and other fees and expenses and all damages, liquidated or otherwise, together with interest thereon at the rate of fifteen (15%) percent per annum or such other uniform lawful rate as the Board shall determine, until paid, shall be charged to and assessed against such defaulting Unit Owner, and shall be added to and deemed part of his respective share of the common expenses, and the Board or Paying Unit Owner shall have a lien for all of the same, as well as for nonpayment of common expenses, upon the Unit, and its appurtenant interest in the Common Elements of such defaulting Unit Owner and upon all of his additions and improvements thereto and upon all of his personal property in his Unit or located elsewhere on the Property; provided, however, that such lien shall be subordinate to the lien of a recorded first mortgage or deed of trust on the Unit, to the extent herein set forth in Paragraph No. 10(b) hereof. In the event of any such default by a Unit Owner, the Board and/or Paying Unit Owner shall have the authority to correct such default, and to do whatever may be necessary for such purpose and all expenses in connection therewith shall be charged to and assessed against such defaulting Unit Owner. Any and all such rights and remedies may be exercised at any time and from time to time, cumulatively or otherwise, by the Board. This paragraph shall not be amended, changed, modified, or rescinded without the prior consent of all holders of records of mortgage and deed of trust liens against the Units.

The violation of any restriction or condition or regulation adopted by the Board or the breach of any covenant or provision herein contained, shall give the Board the right, in addition to any other rights provided for in this declaration: (a) to enter (either peaceably or forcibly without liability to such Unit Owner for such entry) upon the Unit in any portion of the Property upon which or as to which such violation or breach exists, and to summarily abate and remove, at the expense of the defaulting Unit Owner, any structure, thing or condition that may exist thereon contrary to the intent and meaning of the provisions hereof, and the Board, or its employees or agents, shall not thereby be deemed guilty in any manner of trespass; or (b) to enjoin, abate or remedy by appropriate legal proceedings, wither at law or in equity, the continuance of any breach: or (c) to take possession (either peaceably or forcibly without liability to such Unit Owner for such entry) of such Unit Owner's interest in the property and to maintain an action of such Unit in the manner provided by law.

If any Unit Owner (either by his own conduct or of any other Occupant of his Unit) shall violate the Act, or any of the covenants or restrictions or provisions of this Declaration, the By-Laws, or the regulations adopted by the Board, and if such default or violation shall continue for ten (10) days after notice to the Unit Owner in writing from the Board or Paying Unit Owner, or shall occur repeatedly during any ten (10) day period after such written notice or to request to cure such violation from the Board, the Board shall have the power to issue to said defaulting Owner a notice in writing terminating the rights of said defaulting Owner to continue as a Unit Owner and to continue to occupy, use, or control his Unit, and thereupon an action in equity may be filed by the Board against said defaulting Owner for a decree declaring the termination of said defaulting Owner or Occupant, or in the alternative, for a decree declaring the termination of said defaulting Owner's rights to occupy, use, or control the Unit owned by him on account of said violation, and ordering that all the right, title and interest of said defaulting Owner in the Property shall be sold (subject to the lien of any existing deed of trust or mortgage) at a judicial sale upon such notice and terms as the court shall determine, except that the court shall enjoin and restrain the said defaulting Unit Owner from reacquiring his interest at

such judicial sale. The proceeds of any such judicial sale shall be first paid to discharge court costs, court reporter charges, reasonable attorney's fees, and all other expenses of the proceeding sale, and all such items shall be taxes against said defaulting Unit Owner in said decree. Any balance of proceeds, after satisfaction of such charges and any unpaid assessments hereunder, or any liens, shall be paid to said defaulting Unit Owner. Upon the confirmation of such sale, the purchaser shall thereupon be entitled to a deed to the Unit and the Unit Owner's corresponding percentage of ownership in the Common Elements, and to immediate possession of the Unit sold and may apply to the court for a writ of assistance for the purpose of acquiring such possession, and it shall be a condition of any such sale, and the decree shall so provide, that the purchaser shall take the interest in the Unit Ownership sold subject to this Declaration.

20. **Amendments.** The provisions of this Declaration may be amended by an instrument in writing, setting forth such amendment, signed by sixty-seven (67%) percent of the Unit Owners; provided, however, that all lien holders of record may have been notified by certified mail of such amendment, and an affidavit by the Secretary of the Association certifying to such mailing is made a part of such instrument.

However, if the Act, this Declaration or the By-Laws require the consent or agreement of all Unit Owners or of all lien holders for any action specified in the Act or in this Declaration, then any instrument amending any provision of this Declaration with respect to such action shall be signed by all Unit Owners and/or all lien holders or both is required by the Act of this Declaration. Any amendment shall be effective upon the recording of such instrument in the Office of the Register of Deeds of Davidson County, Tennessee; provided, however, that no provisions in this Declaration may be amended so as to conflict with the provisions of the Act.

Notwithstanding the above, the Developer shall have the right to make and record any necessary amendment to this instrument for the express purpose of completion of development or correction of clerical errors, or as may be required to obtain FHA/VA, FNMA, FHLMC or other desired approval for the horizontal property regime.

21. **Perpetuities and Restraints on Alienation.** If any of the options, privileges, covenants, or rights created by this Declaration shall be unlawful, void or voidable for violation of the rule against perpetuities, then such provisions shall continue only until twenty-one (21) years after the death of the survivor of the now living descendants of the Governor of Tennessee holding office as of the date of this Declaration.

22. **Rights and Obligations.** Each Grantee of Developer, by the acceptance of a deed of conveyance, accepts the same subject to all restrictions, conditions, covenants, reservations, liens, and charges, and the jurisdiction, rights, and powers created or reserved by this Declaration. All future Unit Owners and Occupants shall be subject to and shall comply with the provisions of this Declaration. Any restrictions or rules in the By-Laws which are more than administrative in nature such as, but not limited to, reservations and future rights of Developer are hereby incorporated into and made a part of this Declaration by reference. All rights, benefits, and privileges hereby imposed shall be deemed and taken to covenants running with the land, and shall bind any person having at any time any interest or estate in said land, and shall inure to the benefit of such grantee in like manner as though the provisions of this Declaration were recited and stipulated at length in each and every deed of conveyance or contract for conveyance.

All present and future Unit Owners and Occupants shall be subject to, and shall comply with, the provisions of the By-Laws appended hereto and recorded herewith, pursuant to Tennessee Code Annotated, Section 66-27-111, as they may be amended from time to time. The acceptance of a deed of conveyance, devise, or lease to a Unit, or the entering into occupancy of any Unit shall constitute an agreement that the provisions of the By-Laws, and any Rules and Regulations promulgated thereunder, as they may be amended from time to time, are assumed, accepted and ratified by such Unit Owner or Occupant, and all of such provisions shall be deemed and taken to be covenants running with land and shall bind any person having at any time any interest or estate in such Unit, as though such provisions were recited and stipulated at length in each and every deed, conveyance or lease thereof.

The terms and conditions of the declaration, By-Laws, and rules and regulations of the association may be incorporated by reference in, and become part of, the agreement between any first mortgage and any present or future Unit Owner who enters into such an agreement with a first mortgage. When so incorporated, any default in the terms and conditions of this Declaration, By-Laws, and rules and regulations may be considered by the first mortgagee as a default, whereupon said mortgagee, after exercising its option to declare a fault, shall then have all of the rights and privileges arising as a result of a default under its agreement with said Unit Owner.

23. **Condemnation.** In the event of a taking part of the Common elements in condemnation or by eminent domain, the award made for such taking shall be payable to the Association. If a majority of the Board in their sole and absolute discretion approves the repair and restoration of such Common Elements, the Board shall arrange for the repair and restoration of such Common Elements and the Board shall disburse the proceeds of such award to the contractors engaged in such repair and restoration in appropriate progress payments. In the event the Board does not approve the repair and commence restoration of such Common elements within one hundred twenty (120) days after taking by the public or private authority, the Board shall disburse the net proceeds of such award on the basis of such Unit's percentage of ownership in the Common Elements.

24. **Rights Reserved.** Unit Owner's right of enjoyment in the Common Elements shall be subject to:

a) The right of the Association, as provided in its By-Laws or rules and regulations, to suspend the enjoyment rights of any member for any period during which any assessment remains unpaid, and for such period as it considers appropriate for any infraction of its published rules and regulations;

b) The right of the Association to charge reasonable fees for the use of any part or parts of the Common Elements;

c) The right of the Association to diminish in any way or to dedicate or transfer all or any part of the Common Elements to any public agency or authority for such purposes and subject to such conditions as may be agreed to by the members entitled to vote thereon, provided that no such diminution or dedication or transfer or determination as to the purposes or as to the conditions thereof, shall be effective unless both members of the Association have agreed to such dedication, transfer, purpose, or condition, and

d) The right of the Association to grant such easements and rights-of-way to such utility companies or public agencies or authorities as it shall deem necessary for the proper servicing and maintenance of the Common Elements and the Units.

25. **Federal Home Loan Mortgage Corporation and Federal National Mortgage Association Regulations.** Notwithstanding anything to the contrary contained in this Declaration or in the By-Laws of the Association, all terms, conditions, regulations, and requirements which are now existing, or which may be amended from time to time by the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, or the Federal Home Loan Bank Board, pertaining to Planned Unit Developments, if applicable, and hereby incorporated as terms and conditions of this Declaration and By-Laws and such shall be governing upon the Property, Developer, and the Association, so long as such terms or conditions are not inconsistent with the laws of the State of Tennessee as found in T.C.A., Section 66-27-101. *et sq.*, as amended.

Specifically, without limitation upon the foregoing, the following declarations shall be controlling over any terms of this Declaration or By-Laws which are in conflict therewith. Any portions of this Declaration or By-Laws which are in conflict with this paragraph, or any portion of the regulations of the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, or the Federal Home Loan Bank Board, pertaining to apartments, are hereby deleted and the following rights of mortgagees are itemized as follows:

a) A first mortgage of a Unit at his request is entitled to written notification from the Association of any default by the mortgagor of such Unit in the performance of such mortgagor's obligations under this declaration, By-Laws, or any of the PUD documents, which is not cured within thirty (30) days.

b) Any first mortgagee of a Unit who comes into possession of the Unit pursuant to the remedies provided in the mortgage, or deed of trust, or by foreclosure of the mortgage or deed of trust, or by deed in lieu of foreclosure, shall take the property free of any claims for unpaid assessments or charges against the mortgaged Unit which accrue prior to the time such holder comes into possession of the Unit (except for claims for a pro rata share of such assessments or charges resulting from pro rata reallocation of such assessments or charges to all Units including the mortgaged Unit).

c) Unless all of the first mortgages (based upon one (1) vote for each mortgage owned) of Units have given their prior written approval, the Association shall not be entitled to:

i. Change the pro rata interest or obligations of any Unit for (a) purposes of levying assessments or charges or allocating distributions of hazard insurance proceeds or condemnation awards, and for (b) determining the pro rata share of each Unit in appurtenant real estate and any improvements thereon, which are owned by Unit Owners in undivided pro rata interests (Common Elements);

ii. Use hazard insurance proceeds for losses to the Common Elements for other than the repair, replacement, or reconstruction of such improvements, except as provided by T.C.A. Section 66-27-118. In case of substantial loss to the Common Elements.

d) First mortgages shall have the right to examine the books and records of the Association.

e) An adequate reserve fund or the replacement of the Common Elements will be established and funded by regular monthly payments rather than by special assessments.

f) As set forth in T.C.A., Section 66-27-120, all taxes, assessments, and charges which may become liens prior to the first mortgage under the laws of the State of Tennessee shall relate only to the Unit and not the Property as a whole.

g) No Unit Owner, or any other party, shall have priority over any rights of the first mortgages of Units in the case of a distribution to Unit Owners of insurance proceeds or condemnation awards for losses to or a taking of Units and/or Common Elements.

h) Any agreement for professional management of the Property, whether it is by Owner, its successors and assigns, or any other person or entity, may be terminated on ninety (90) days' written notice, and the terms of any such contract shall so provide and shall not be of duration in excess of three (3) years.

i) The association shall give to the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, or the Federal Home Loan Bank Board, or any lending institution servicing such mortgages as are acquired or insured by the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, or the Federal Home Loan Bank Board, notice in writing of any loss to or the taking of Common Elements if such loss or taking exceeds Ten Thousand ($10,000.00) Dollars. The Association may rely upon the information contained in the book entitles "Mortgage of Unit" as must be established pursuant to the By-Laws, for a list of mortgagees to be notified hereby.

j) The interest of a first mortgagee in a mortgaged Unit shall be superior to the interest of any person, group, partnership, corporation, or entity of any kind, including any interest the Association, Developer, or any Unit Owner may have in any portion of the Property, regardless of the nature of the interest or the manner in which it was acquired.

k) Notwithstanding the above, any first mortgage shall have all the rights granted to a first mortgage herein, and in addition shall have all the rights granted to an institutional first mortgagee under its deed of trust, and under the laws of the State of Tennessee.

26. **Trustee as Unit Owner.** In the event title to any unit is conveyed to a land title-holding trust, under the terms of which all powers of management, operation, and control of the Unit remain vested in the trust beneficiary or beneficiaries, then the beneficiaries thereunder shall be considered Unit Owners for all purposes and they shall be responsible for payment of all obligations, liens or indebtedness and for the performance of all agreements, covenants and undertakings chargeable or created under this Declaration against such Unit. No claim shall be made against any such title-holding trustee personally for payment of any lien or obligation hereunder created, and the trustee shall not be obligated to sequester funds or trust property to apply in whole or in part against such lien or obligation. The amount of any such lien or obligation shall continue to be a charge or lien upon the Unit and the beneficiaries of such trust, notwithstanding any transfers of the beneficial interest of any such trust or any transfer of title to such Unit.

27. **Notices.** Notices provided for in Act, Declaration or By-Laws shall be in writing and shall be addressed to the Association or any Unit Owner, as the case may be, at HOMES AT 4201 KIRTLAND ROAD, Inc., 4201 KIRTLAND ROAD, Nashville, Tennessee 37215 or at such other address as hereinafter provided. The Association may designate a different address or addresses for notices to it by giving written notice of such change of address to all Unit Owners. Any Unit Owner may designate a different address for notices to him by giving written notice to the Association. Notices addressed as above shall be deemed deliverable when mailed by United States registered of certified mail, or when delivered in person with written acknowledgement of the receipt thereof.

    Upon written request to the Board, the holder of any recorded mortgage or trust deed encumbering any Unit shall be given a copy of all notices permitted or required by this Declaration to be given to the Owner or Owners whose Unit is subject to such mortgage or trust deed.

28. **Severability.** If any provision of this Declaration or By-Laws, or any section, sentence, clause, phrase, word, or the application thereof in any circumstance, is held invalid, the validity or the remainder of this Declaration and the By-Laws and of the application of any such provision, section, sentence, clause, phrase, or word in any other circumstances shall not be affected thereby, and the remainder of this Declaration of the By-Laws shall be construed as if such invalid part was never included therein.

29. **Captions.** The captions are inserted only as a matter of convenience, and in no way define, limit or describe the scope of these provisions or the intent of any provision hereof.

30. **Gender.** The use of the masculine gender in this Declaration and in the By-Laws shall be deemed to include the feminine gender and the use of singular shall be deemed to include the plural whenever the context so required.

31. **Attorney's Certificate.** The attorney's opinion as required under the terms of the TCA, Section 66-27-103 is attached hereto as Exhibit D and made a part hereof.

32. **Fences.** In no event shall any chain link fences be permitted unless erected by Developers or existing at the time of acquisition of the Property by Developers.

Community Character Manual
T3-RC - Suburban Residential Corridor

Policy Intent
Preserve, enhance, and create suburban residential corridors that support predominately residential land uses; are compatible with the general character of suburban neighborhoods in terms of their development pattern, building form, land use, and associated public realm; and move vehicular traffic efficiently while accommodating sidewalks, bikeways, and existing or planned mass transit.

General Characteristics
T3 Suburban Residential Corridors are prominent arterial-boulevard or collector-avenue corridors that feature residential land uses and are served by multiple modes of transportation. T3 Suburban Residential Corridors are intended to be "Complete Streets"—streets that are des-gned and operated to enable safe, attractive and comfortable access and travel for all users. T3 Suburban Residential Corridors are prominent due to their geographical location, size, scale, and/or accessibility by a variety of transportation modes. These corridors often provide the boundaries to suburban neighborhoods or communities. A variety of residential and institutional buildings combined with open space frame the corridor. The buildings are regularly spaced with moderate spacing between buildings and moderate to deep setbacks. Setbacks may be deeper to avoid environmentally sensitive features and to preserve existing natural landscaping along the corridor. The public realm and streetscape feature the infrequent use of lighting and significant green space along the corridor including both formal and informal landscaping. T3 Suburban Residential Corridors provide high access management and are served by moderately connected street networks, sidewalks, and existing or planned mass transit. The edges of T3 Suburban Residential Corridors are firm with clearly distinguishable boundaries identified by block structure and lot sizes of adjacent residential development.

Application
T3 Suburban Residential Corridor Policy is applied to prominent suburban arterial-boulevard and collector-avenue street corridors with adequate transportation capacity where there is an expressed interest in maintaining the residential use or creating residential uses along the corridor while providing opportunity for an evolving development pattern in regard to the size, scale, and density. T3 Suburban Residential Corridor Policy is appropriate to areas that are zoned residential, where the primary land use is residential, or that are envisioned to become or remain primarily residential.Commonly used boundaries to define T3 Suburban Residential Corridors include, but are not limited to: boundaries defined by evolving or intended development patterns (considering lot size, spacing of buildings), environmental features, human-made features (rail lines, major utility easements, prominent roads and streets), and transitional uses (open space, institutional). The depth of the T3 Suburban Residential Corridor Policy is determined, in part, by considering the depth of land that can reasonably be designed and developed to be oriented to the corridor. The application and boundary delineation of this policy are established during the Community Planning process.

Section 3. **Regular Meetings.** The first regular meeting of the Unit Owners (the "First Meeting") may be held, subject to the terms hereof on any date, at the option of the Board. No Unit Owner who is in default in the payment of his assessments hereunder shall be entitled to exercise his right to vote until he has cured such default. A Unit Owner shall be deemed to be in default if he has not paid his assessments to the Board, its agent, or a paying Unit Owner within fifteen (15) days after the
