Upon the conveyance or transfer of a Unit Owner's ownership interest to a new Unit Owner, the new Unit Owner shall simultaneously succeed to the former Unit Owner's membership in the Association.

(b) Voting Rights. The owner of each unit shall be entitled to one (1) vote. In the case of multiple owners of the same Unit, the owners shall have a collective one (1) vote.

Unit Owners shall indemnify and hold harmless each of the directors, the Board, the officers, or the Developer, and their respective heirs, executors, administrators, successors and assigns in accordance with the provisions of Article VII of the By-Laws.

6. Ownership of the Common Elements. Each Unit is hereby allocated an undivided percentage interest in the Common Elements (if any), which percentage shall be a fraction, the numerator of which is the number one and the denominator of which is the total number of Units shown on the Plan. Said ownership interest in the Common Elements shall be an undivided interest, and the Common Elements shall be owned by the Unit Owners as tenants in common in accordance with the percentage of interest allocated to each Unit. The percentage of interest in the Common Elements allocated to each Unit at the time of recordation of this Declaration is as shown on Exhibit "E" attached hereto and made a part hereof. Except in the case of expansion of the horizontal property regime by the Developer as provided in paragraph 32, below, the assigned percentages of interest shall remain constant unless hereafter changed by recorded amendment to this Declaration consented to in writing by Unit Owners in accordance with paragraph 20 hereof. The ownership of a Unit shall not be conveyed separate from the undivided ownership in the Common Elements appurtenant to such Unit. The undivided interest in the Common Elements

appurtenant to any Unit shall be deemed conveyed or encumbered with that Unit, even though the legal description in the instrument conveying or encumbering such Unit may refer only to the fee title to that Unit.

7. Use of the Common Elements; Exclusive Use of Limited Common Elements. Each Unit Owner shall have the right and easement to use the Common Elements (except the Limited Common Elements and portions of the Property subject to leases made by or assigned to the Board) in common with all other Unit Owners, as may be required for the purposes of access, ingress to, egress from, use, occupancy and enjoyment of the respective Unit owned by such Unit Owner. Such right to use the Common Elements shall extend not only to each Unit Owner, but also to his agent, servants, tenants, family members, customers, invitees and licensees. Each Unit Owner shall have the sole and exclusive right and easement to the use and possession of the Limited Common Elements contiguous to and serving such Unit alone for purposes of access, ingress to, egress from, use, occupancy and enjoyment of such Unit; except that as to any privacy fences built and placed by the Developer, or by the adjoining Unit Owners, on a dividing line between Limited Common Elements, the right and easement of use and enjoyment for such shall be shared between the Unit Owners served by such privacy fences. Such rights to use the Common Elements and the Limited Common Elements, shall be subject to and governed by the provisions of the Act, Declaration, By-Laws, and rules and regulations of the Association. In addition, the Association shall have the authority to lease, grant concessions or grant easements with respect to parts of the Common Elements, subject to the provisions of this Declaration and By-Laws. All income derived by the Association from leases, concessions or other sources shall be held and used for the benefit of the members of the Association, pursuant to such rules, resolutions and regulations as the Board may adopt or prescribe.

8. Board's Determination Binding. In the event of any dispute or disagreement between any Unit Owners relating to the Property, or any questions of interpretation or application of the provisions of this Declaration or the By-Laws, the determination thereof by the Board shall be final and binding on all Unit Owners. If a dispute arises from or relates to these covenants or to the breach thereof, which dispute cannot be settled through direct discussions, the parties agree to endeavor to settle the dispute either by mediation administered by the American Arbitration Association under its Commercial Mediation Rules or by another mediator mutually agreed upon by the parties, before resorting to arbitration. Any unresolved controversy or claim arising from or relating to these restrictions and covenants, or any other dispute under this Declaration, shall be settled by arbitration administered by the American Arbitration Association in accordance with its Commercial Mediation Rules or by another arbitrator mutually agreed upon by the parties, and judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction thereof. If the parties agree, a mediator involved in the parties' mediation may be asked to serve as the arbitrator. All expenses in connection with any such mediation and/or arbitration, including court costs and attorney's fees and other fees and expenses and all damages, liquidated or otherwise, together with interest thereon at the highest rate allowed by applicable law or such other uniform lawful rate as the Board shall determine, until paid, shall be charged to and assessed against such non-prevailing Unit Owner.

9. Assessment by the Association for Expenses; Reserve Fund. Each Unit Owner, by

acceptance of a deed therefor is deemed to covenant and shall pay his proportionate share of the expense of the administration and operation of the Common Elements and of any other expenses incurred in conformance with this Declaration and By-Laws (which expenses are herein sometimes referred to as 'common expenses") including, but not limited to, the maintenance and repair of the Common Elements and any and all replacements and additions thereto. Except for its responsibilities as a Unit Owner, as provided herein, Developer shall not have any responsibility for the maintenance, repair or replacement of any part of the Common Elements after the date the Declaration is recorded; provided, however, in the event Developer expends any of its own funds for the repair, replacement or maintenance of any of the Common Elements, Developer shall be entitled to a credit for such sums against any common expenses Developer might be required to pay by virtue of being a Unit Owner. Except as to Units owned by the Developer, commencing with the date of ownership of his Unit, each Unit Owner shall be responsible for paying common expenses in the same proportion as his percentage of ownership in the Common Elements. As to Units owned by the Developer, the assessments shall commence as to each Unit when said Unit is completed and ready for occupancy. Assessments for the payment of common expenses shall be in such amounts and shall be payable at such times as determined in the manner provided in the By-Laws. No Unit Owner shall be exempt from payment of his proportionate share of the common expenses by waiver or nonuse or enjoyment of the Common Elements or Limited Common Elements or by abandonment of his Unit. If any Unit Owner shall fail to make such payment of assessments for common expenses when due, the amount thereof, together with any reasonable late charge established by the Board and together with interest at the rate of ten percent (10%) per annum, and costs and reasonable attorney's fees, after said assessments become due and payable, shall constitute a continuing lien on the Unit against which the assessment is made, as provided in the Act. Each Unit Owner shall be personally liable for his portion of each assessment made while he is the owner of a Unit. The Association may bring an action at law against the Unit Owner personally obligated to pay the same, or foreclose the lien against the Unit and there shall be added to the amount of such assessment the costs, including reasonable attorneys fees, of bringing such action or foreclosure. Except as provided herein, the lien for non-payment of common expenses shall not be affected by any sale or transfer of the Unit.

An adequate reserve fund for the maintenance, repair and replacement of items to be maintained, repaired or replaced by the Association pursuant to this Declaration and the Bylaws shall be established and funded by the regular monthly assessments. In order to assist the funding and establishment of this reserve fund, two (2) months' monthly assessments, to be held in said reserve fund, shall be collected at the closing of the purchase of a Unit.

10. Mortgages; Mortgage and Deed of Trust Protection. Each Unit Owner shall have the right, subject to the provisions herein, to mortgage his Unit together with his respective ownership interest in the Common Elements. No Unit Owner shall have the right or authority to make or create, or cause to be made or created, from the date hereof, any mortgage deed of trust or other lien on or affecting the Property or any part thereof, except to the extent of his own Unit and its respective percentage interest in the Common Elements.

The lien for assessments payable by a Unit Owner shall be subordinate to the lien of a

recorded first mortgage or deed of trust on the interest of such Unit Owner, except for the amount of the proportionate share of common expenses which become due and payable from and after the date on which the mortgagee or beneficiary thereunder either takes possession of the Unit encumbered thereby, accepts a conveyance of any interest therein (other than as security) or forecloses its Mortgage or Deed of Trust. This paragraph shall not be amended, changed, modified or rescinded without the prior written consent of all mortgagees and beneficiaries of record.

11. Separate Real Estate Taxes. Real estate taxes shall be separately taxed to each Unit Owner for his Unit and its corresponding percentage interest in the Common Elements, as provided in the Act. In the event that such taxes for any year are not separately taxed to each Unit Owner, but rather are taxed on the Property as a whole, then each Unit Owner shall pay his proportionate share thereof in accordance with his respective percentage of ownership interest in the Common Elements, and, in said event, such taxes shall be a common expense.

12. Association Insurance. The Board may, in its sole and absolute discretion, obtain insurance for the Common Elements and the Limited Common Elements against loss or damage by file, vandalism, malicious mischief and such other hazards as are covered under standard extended coverage provisions, for the full insurable replacement cost of the Common Elements and the Limited Common Elements, and against such other hazards and for such amounts as the Board may deem advisable. Insurable replacement cost shall he deemed the cost of restoring the Common Elements and the Limited Common Elements, or any part thereof, to substantially the same condition in which they existed prior to damage or destruction. Such insurance shall comply with all applicable insurance laws and shall at a minimum be in an amount at least equal to that which is commonly required by prudent institutional investors in the area. Such insurance coverage shall be written in the name of, and the proceeds thereof shall be payable to, the Board, as the trustee for the Unit Owners in proportion to the Unit Owners' respective percentages of ownership in the Common Elements, as set forth in this Declaration, and for the holders of mortgages on the Units, if any, and shall include a standard mortgage clause or equivalent endorsement. The policy of insurance shall provide that it may not be canceled or substantially modified without at least ten (10) days' written notice to the Association and each of the mortgagees listed in the book entitled "Mortgages of Units" as must be established pursuant to the By-laws. The policy of insurance shall be a "blanket" or "master" type of policy and should also contain a Special Condominium Endorsement including a waiver of subrogation rights by the insurer against the Unit Owners. The premiums for such insurance shall be a common expense. However, at the option of the Board, and upon written notice to all Unit Owners, premiums for such insurance shall be separately billed to Unit Owners based upon their respective percentages of ownership in the Common Elements.

In the event of damage to or destructions of any of the Common Elements and the Limited Common Elements as a result of fire or other casualty covered by insurance proceeds the Board shall, in its sole and absolute discretion, determine and without intervention of any Unit Owner arrange for the prompt repair and restoration of the damaged portions of the Common Elements substantially in accordance with the original plans and specifications therefor. Where the insurance indemnity is insufficient to cover the cost of such repairs and restoration, the deficit

shall be paid by all Unit Owners with each Unit Owner to bear a proportion thereof based upon his percentage of ownership in the Common Elements.

The Board shall also obtain comprehensive public liability insurance, in such amounts as it deems desirable, for bodily injury, including deaths of persons and property damage arising out of a single occurrence, and workmen's compensation insurance and other liability insurance in such amount as it deems desirable, insuring the Developer, the Association, its members, officers, directors and employees, and the Managing Agent, if any, from liability in connection with the Common Elements and the rights, duties and responsibilities of the Association under this Declaration, the Bylaws or the Act. The premiums for such insurance shall be a common expense. The policy shall provide that it may not be canceled or substantially modified without at least ten (10) days' written notice to the Association and each of the mortgagees listed in the book entitled "Mortgages of Units" as must be established pursuant to the By-Laws. However, at the option of the Board, and upon written notice to all Unit Owners, premiums for such insurance shall be separately billed to each Unit Owner with each Unit Owner to bear a proportion thereof based upon his percentage of ownership in the Common Elements. The Board shall retain in safekeeping any such public liability policy for six (6) years after the expiration date of the policy.

The Board may also obtain fidelity coverage covering officers, directors, and employees who handle or are responsible for handling Association funds. Such coverage shall be in such amounts as the Board in its best business judgment may determine, but in no event less than the greater of (i) three (3) months' aggregate assessments on all Units, plus reserve funds, or (ii) the estimated maximum of funds, including reserve funds, in the custody of the Association, or the Managing Agent, as the case may be, at any given time during the term of each bond, and shall contain waivers of any defense based upon the exclusion of persons serving without compensation. The fidelity coverage policy shall provide that it may not be canceled or substantially modified without at least ten (10) days' written notice to the Association and each of the mortgagees listed in the book entitled "Mortgages of Units" as must be established pursuant to the By-Laws.

The Board shall also obtain such other insurance as it deems desirable, in such amounts, from such sources and in such forms as it deems desirable, insuring the Common Elements and each member of the Board and officer of the Association, and each member of any committee appointed pursuant to the By-Laws of the Association, from liability arising from the fact that said person is or was a director or officer of the Association, or a member of such a committee. The premiums for such insurance and bonds shall be a common expense.

All insurance obtained by the Board shall provide that there may be named as an insured, on behalf of the Association, the Association's authorized representative who shall have exclusive right to negotiate settlements and to perform such other functions as necessary to accomplish this purpose. The Association or its authorized representative shall act as attorney-in-fact for each Unit Owner under each policy obtained by the Board for all purposes and to the extent permitted by law. All insurance obtained shall be purchased through generally acceptable insurance carriers. Said carriers shall comply with the specific requirements of the FNMA

Conventional Home Mortgage Selling Contract Supplement and the FHLMC Sellers Guide.

13. Unit Owner Insurance. Each Unit Owner shall be responsible for obtaining hazard insurance which includes general liability coverage on his/her unit, the contents thereof and the Private Elements and Limited Common Elements serving his/her unit as well as his/her additions and improvements thereto, and those parts of the Unit for which the responsibility of maintenance and repair is that of the Unit Owner, and for decorations, furnishings and personal property therein and personal property stored elsewhere on the property if any. Each Unit Owner shall be required to list the Association as an additional insured on said Unit's hazard insurance policy.

14. Maintenance, Repairs and Replacements; Use of Assessments. Each Unit Owner, at his/her/its own expense, shall furnish and be responsible for all maintenance of, repairs to and replacements within his own Unit and all maintenance of, repairs to and replacements of all the Limited Common Elements and Private Elements attributable to his Unit, including but not limited to all walkways, driveways, drainage facilities, utility service pipes or lines or other improvements. Each Unit Owner shall maintain his Unit the Limited Common Elements and the Private Elements attributable to that Unit in good order and repair, including but not limited to the seeding, watering and mowing of the lawn, the pruning and cutting of all trees and shrubbery, and the painting (or other appropriate external care) of his Unit, in a manner and with such frequency as is consistent with good property management. The cost of reasonable repair and maintenance of a privacy fence built and placed by the Developer, or by adjoining Unit Owners, on a dividing line between Limited Common Elements shall be shared by the Unit Owners served by such privacy fence. At the discretion of the Board, the Board may direct Unit Owners who stand to be benefitted by such maintenance of, repairs to, and replacements within the Limited Common Elements to arrange for such maintenance, repairs and replacements in the name and for the account of such benefited Unit Owners and pay the cost thereof with their own funds. Upon request by the Board, each Unit Owner shall procure and deliver to the Board such lien waivers and contractor's and subcontractor's sworn statements as may be required to protect the property from all mechanics' or materialmen's lien claims that may arise therefrom. If any Unit Owner fails to maintain, repair or replace any items required herein to be maintained, repaired or replaced by said Unit Owner, then the Association shall have the right, but not the duty, at its option, to carry out such maintenance, repair or replacement, the cost of which shall be added to and become a part of the assessment to which such Unit shall be subject under this Declaration and the Bylaws.

The Association shall be responsible for, and the assessments levied by the Association shall be used:

(a) To promote the recreation, health, safety, and welfare of the Unit Owners;

(b) To Provide for the maintenance, repair and replacement of, and additions to the Common Elements (exclusive of the Limited Common Elements) including but not limited to drainage facilities, lawn maintenance, walkways, driveways, sidewalks, landscaping, and recreational facilities;

(c) To provide, in the Board's discretion, supplemental maintenance to the unpaved portions of the dedicated roads and rights-of-way as shown on any Plan in the form of landscaping, mowing and beautification, sidewalk maintenance, which supplemental maintenance shall be over and above that standard of maintenance rendered by the Metropolitan Government of Nashville and Davidson County, Tennessee.

(d) To pay the fees of any management agent the Association may employ to manage the affairs of the Association; and,

(e) To Pay such other reasonable and necessary expenses of the Association required or reasonably related to the carrying out of the rights, duties and responsibilities of the Association as provided by this Declaration, the Bylaws or the Act.

If, due to the act or neglect of a Unit Owner, or of his agent, servant, tenant, family member, invitee, licensee or household pet, damage shall be caused to the Common Elements or to a Unit or Units owned by others, or maintenance, repairs or replacements are required which would otherwise be a common expense, then such Unit Owner shall pay for such damage or such maintenance, repairs and replacements, as may be determined by the Board, to the extent not covered by the Association's insurance.

The authorized representatives of the Association, the Board, or of the Managing Agent with approval of the Board, shall be entitled to reasonable access to the Limited Common Elements as may be required in connection with the preservation of the Limited Common Elements in the event of an emergency, or in connection with maintenance of, repairs to, or replacement of the Common Elements, Limited Common Elements, or any equipment, facilities or fixtures affecting or serving other Units, Common Elements and Limited Common Elements, or to make any alteration required by any governmental authority.

15. Alterations, Additions or Improvements to Common Elements. No alteration of any Common Elements (other than Limited Common Elements), or any additions or improvements thereto, shall be made by any Unit Owner without the prior written approval of the Board. The Board may authorize and charge as common expenses alterations, additions, and improvements of the Common Elements as provided in the By- Laws.

16. Alterations, Additions or Improvements to Units and Limited Common Elements; Architectural Control. No building, fence, wall, outside antenna, satellite dish or other structure or improvement shall be commenced, erected or maintained upon a Unit or any Limited Common Element; nor shall any Unit Owner alter or add to the drives, walkways, sidewalks, drainage facilities or other improvements installed by the Developer or the Association within the Limited Common Elements; nor shall any Unit Owner alter or add to the plantings, shrubbery or other landscaping installed by the Developer or the Association within the Limited Common Elements (ordinary lawn maintenance excepted); nor shall any Unit Owner alter or add to his building and appurtenances to his Building (ordinary exterior maintenance and interior decorations excepted) if such alteration or addition would change the external appearance of the

Unit and appurtenances as installed by the Developer on the Building; until plans and specifications showing the nature, kind, shape, height, materials, and location of the same or the exterior paint color thereof, have been submitted to and approved in writing as to harmony of external design, location and color in relation to surrounding improvements, structures and topography by the Board of Directors of the Association or by an architectural committee composed of three (3) or more representatives appointed by said Board of Directors. Construction, installation, alterations or additions which must be approved as provided herein include, by way of illustration and not limitation, moving or altering a privacy fence, changing exterior lighting, building a swimming pool, garage or gazebo, planting shrubs, trees or other plants, changing the location of driveways or walkways, or changing or altering the landscaping.

In the event said Board of Directors, or its designated architectural committee, falls to approve or disapprove such construction, installation, alteration or addition within thirty (30) days after said plans and specifications have been submitted to it and the Unit Owner has received a written receipt reflecting such submission to said Board of Directors or architectural committee, approval will not be required and this paragraph 16 will be deemed to have been fully complied with.

Work done by the Developer on the Property shall not be subject to the provisions of this paragraph 16.

Notwithstanding anything to the contrary set forth elsewhere in this Declaration, the Association shall not be responsible for the maintenance, repair and replacement of any construction, installation, alterations or additions not made in compliance with the provisions of this paragraph.

17. Easements.

(a) Easements for installation and maintenance of public and private utilities and drainage facilities are reserved as shown on the Plan and as otherwise shown by the public records. Within these easements, no structure, plant or other materials shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities, or which may change the direction or flow of drainage channels in the easements, or which may obstruct or retard the flow of water through drainage channels in the easements. The easement area within the Limited Common Elements and all improvements in it shall be maintained continuously by the Unit Owner to which such Limited Common Elements are attributable, except for those improvements for which a public authority or utility company is responsible. A right of access by way of a driveway or open lawn area shall also be granted across the Limited Common Elements, from the front Lot line to the rear Lot line, to any private or public utility having an installation in the easement.

(b) An easement is reserved to the Developer to enter the Common Elements (including the Limited Common Elements) during the period of construction and sale of the Property in order to maintain such facilities and perform such operations as in the sole opinion of Developer may be reasonably required, convenient or incidental to the construction of residences,

including, without limitation, a business office, sales office, storage area, construction yards, signs and model Units, and thereafter in order to make any necessary repairs to improvements on the Property which developer may deem necessary.

(c) In accordance with the specifications of the governmental body or agency having jurisdiction over the construction of public roads, the right is hereby expressly reserved to the Developer to construct all streets, roads, alleys, or other public ways as now, or hereafter may be shown on any plan at such grades or elevations as Developer in its sole discretion may deem proper; and for the purpose of constructing such streets, roads, alleys or public ways, Developer additionally shall have an easement, not exceeding ten feet in width, upon and along the Common Elements (including the Limited Common Elements) for the construction of proper bank slopes and no Unit Owner shall have any right of action or claim for damages against anyone on account of the grade or elevation at which such road, street, alley or public way may hereafter be constructed, or on account of the bank slopes constructed within the limits of said ten foot easement. It shall be obligatory upon all Unit Owners to construct or place any driveways, culverts or other structures, or gradings, which are within the limits of any dedicated roadways, in strict accordance with specifications therefore, as set forth on any plan, in order that the roads or streets which may be affected by such placement or construction may not be disqualified for acceptance into the road system of the local governmental having jurisdiction over such roadways.

(d) Each Lot shall be subject to, and there is hereby reserved, an easement along the zero lot line of said Lot for such encroachments onto said Lot created by the construction, settling and overhangs of the building on the adjoining Lot as constructed by the Developer, and any permissible repairs, construction, or alteration thereto. Each Lot shall be subject to, and there is hereby reserved, an easement of ten (10) feet in width along the zero lot line of said Lot for the use and benefit of the adjoining Unit Owner, the Developer or the Association, as the case may be, for the purpose of construction, maintenance, repair or replacement of the Unit on the adjoining Lot that is contiguous to the zero lot line of said Lot.

(e) The Limited Common Elements shall be subject to, and there is hereby reserved, for the use and benefit of the Association, a right and easement to enter onto the Limited Common Elements for the purpose of maintaining, repairing and replacing the lawn and all trees, shrubs, plants, walks, drives, drainage facilities and other landscaping and improvements which make up a part of the Limited Common Elements in the event any Unit Owner shall fail to maintain said Limited Common Elements.

(f) In the event any Unit Owner shall fail to maintain his Unit in such a manner as provided by this Declaration and Bylaws, upon approval by two-thirds vote of the Board, the Association shall have a right and easement, through its agents and employees, to enter upon said Unit and to repair, maintain and restore the Unit and the exterior of the building which is a part of said Unit. The cost of such exterior maintenance shall be added to and become a part of the assessment to which such Unit is subject under this Declaration and the Bylaws.

18. Use and Occupancy Restrictions; Leases. The following restrictions on the use and

occupancy of the Property, or any part thereof, are made a part of this Declaration, to which each Unit Owner shall be subject:

(a) Land Use and Building Type. No Unit shall be used except for residential purposes; provided, however, this shall not preclude the temporary use of a Unit by the Developer, its successors or assigns, for a showcase model Unit or a temporary real estate sales office.

(b) Nuisances. No noxious or offensive activities shall be carried on or in any Unit, the Limited Common Elements, or any of the Property or any public street shown on a Plan, nor shall anything be done thereon, which may be or may become an annoyance or nuisance to the neighborhood.

(c) Temporary and Incomplete Structures. No temporary structure or incomplete structure may be used on the Property at any time temporarily or permanently, as a residence. Specifically, no tent, shack, outbuilding, barn, camper, mobile home, motor home, basement, or dwelling not substantially completed may be used. Provided, however, that this shall not serve to prohibit the Developer, its successors or assigns, from maintaining a temporary structure for the purposes of a sales and/or construction office during development of and construction on the Property.

(d) Signs. Except for signs provided by the Developer or the Association, no signs of any kind shall be displayed to the public view on the Property, except professionally lettered builders or realtors signs in good taste.

(e) Livestock and Poultry. No animals, livestock or poultry of any kind shall be raised, bred or kept on the Property, except that dogs, cats or other household pets may be kept provided they are confined to the Units, of their owners, or the Limited Common Elements attributable thereto, by leash or fence; provided that such dogs, cats or other household pets are not kept, bred or maintained for any commercial purposes and further provided they are not kept in such numbers as to become a nuisance.

(f) Garbage and Refuge Disposal. The Property shall not be used or maintained as a dumping ground for rubbish. Trash, garbage or other waste shall not be kept except in sanitary containers. AU incinerators or other equipment for the storage or disposal of such materials shall be kept in a clean and sanitary condition and shall be concealed under ground or screened from the view of neighbors or the public.

(g) Clothes lines. Clothes lines will not be permitted.

(h) Vehicles. Junk vehicles, inoperable vehicles, unlicensed vehicles not for immediate use, or vehicles of any kind in disrepair, may not be kept or parked on the Property or any public street. Moreover, no Unit Owner shall permit any motor vehicles (operable or inoperable) owned by such Unit Owner, or by any person occupying his Unit) or by any person on his premises as guest or invitee) to remain parked on the public streets for more than forty-

eight (48) hours. Vehicles may not be assembled, disassembled or serviced on the Property or any public street unless completely hidden from public view. No mobile home, bus, truck of over one ton, tractor/trailer rig (separate or in combination), or house trailer may be parked or stored on the Property or any public street. No boat, trailer, camper or recreational vehicle shall be kept, stored or parked on any public street for more than forty-eight (48) hours.

(i) Water Supply; Sewerage Disposal. No Unit shall be occupied and used unless the same shall be connected with, and served with, water and sewerage from the water and sanitary sewer supply mains provided for the Property.

(j) Sight Distance at Intersection. On corner Lots adjoining two streets, no fence, wall, hedge, planting or structure between a height of two and one-half feet and ten feet above the centerline grades of the intersecting streets shall be erected, placed or maintained within the triangular area formed by the Lot lines abutting such street and a straight line joining such Lot lines at points that are ten feet distant from the intersection thereof as measured thereon. In the case of a rounded corner at intersecting streets, such measurements shall be made from the point of intersection of the tangents of the curb constituting the rounding. On any Unit having a driveway, no fence, wall, hedge, planting or structure between a height of two and one-half feet and ten feet above the centerline grades of the adjoining street and the driveway shall be erected, placed, or maintained within the triangular area formed by the Lot line abutting the adjoining street and the driveway and the straight line adjoining such Lot line and driveway at points that are ten feet distant from the point of intersection thereof as measured thereon. In the case of a rounded corner at the intersection of a street and driveway, such measurement shall be made from the point of intersection of the tangents of the curve constituting a rounding.

(k) Common Elements. The Common Elements (if any) shall be used only by Unit Owners and their agents, servants, tenants, family members, customers, invitees and licensees for access, ingress to and egress from their respective Units and for such other purposes incidental to the use of the Units; provided, however, recreational facilities and other areas designed for a specific use shall be used for the purposes approved by the Board. The use, maintenance and operation of the Common Elements shall not be obstructed, damaged or unreasonably interfered with by any Unit Owner, and shall be subject to any lease, concession, or easement, presently in existence or entered into by the Board or the Developer at such future time, affecting any part or all of said Common Elements.

(l) No Unit Owner shall have the right to attach or affix anything to, or to in any manner make use of, any portion of the building located on an adjoining Lot, notwithstanding that said building may be contiguous to the zero lot line of such Unit Owner's Lot or may encroach onto such Unit Owner's Lot.

(m) No Unit Owner shall cause or permit any structure, trees, shrubs, plants or other materials or improvements to be placed on the Limited Common Elements attributable to his Unit within the easement reserved under paragraph 17(d) above that will obstruct, interfere with or prevent the adjoining Unit Owner, the Developer, or the Association, as the case may be, from making use of such easement for the purposes for which it is reserved, or that will interfere with

the quiet use and enjoyment by the adjoining Unit Owner of his Unit, or that might affect the health and safety of the adjoining Unit Owner. The cost of removal of such structure, trees, shrubs, plants or other materials or improvements shall be the responsibility and obligation of the Unit Owner on whose Limited Common Elements they exist. In the event of the failure or refusal of such Unit Owner to effect such removal, the Association may effect such removal, the cost of which shall be added to and become a part of the assessment to which the Unit Owned by such Unit Owner shall be subject under this Declaration and the Bylaws.

(n) Lease. No Unit, or interest therein, shall be leased by a Unit Owner except by a written lease. The Lessee under such lease shall be bound by and subject to all of the obligations under this Declaration and Bylaws of the Unit Owner making such lease and the lease shall expressly so provide. Failure to comply with the Declaration and Bylaws shall be a default under such lease. No Unit Owner may lease less than the entire Unit, nor lease his Unit for transient or hotel purposes. A copy of all such leases shall be furnished to the Board. No lease shall have an initial term of less than thirty (30) days.

19. Remedies.

(a) In the event of any violation of the provisions of the Act, this Declaration, By-Laws, or rules and regulations of the Association by any Unit Owner (either by his own conduct or by the conduct of any Occupant of his Unit), the Association, or its successors or assigns, and any other Unit Owner aggrieved thereby, including the Developer, shall have each and all of the rights and remedies which may be provided for in the Act, this Declaration, By-Laws, or said rules and regulations, or which may be available at law or in equity, and may prosecute an action or other proceeding against such defaulting Unit Owner and/or others for enforcement of any lien and the appointment of a receiver for the Unit and ownership interest of such Unit Owner, or for damages or injunction or specific performance, or for judgment for payment of money and collection thereof, or the right to take possession of the Unit and to seal the same as provided hereinafter in this paragraph 19, or for any combination of remedies, or for any other relief. All expenses of the Board in connection with any such actions or proceedings, including court costs and attorney's fees and other fees and expenses and an damages, liquidated or otherwise, together with interest thereon at the rate of ten percent (10%) per annum or such other uniform lawful rate as the Board shall determine, until paid, shall be charged to and assessed against such defaulting Unit Owner, and shall be added to and deemed part of his respective share of the common expenses, and the Board shall have a lien for all of the same, as well as for nonpayment of common expenses, upon the Unit, and its percentage interest in the Common Elements, of such defaulting Unit Owner and upon all of his additions and improvements thereto and upon all of his personal property in his Unit or located elsewhere on the Property; provided, however, that such lien shall be subordinate to the lien of a recorded first mortgage or deed of trust on the Unit, to the extent hereinabove set forth in paragraph 10 hereof. In the event of any such default by any Unit Owner, the Board and the Manager or Managing Agent, if so authorized by the Board, shall have the authority to correct such default, and to do whatever may be necessary for such purpose and all expenses in connection herewith shall be charged to and assessed against such defaulting Unit Owner. Any and all such rights and remedies may be exercised at any time and from time to time, cumulatively or otherwise, by the Board. This

paragraph shall not be amended, changed, modified or rescinded without the prior consent of all holders of record of mortgage and deed of trust liens against the Units.

The violation of any restriction or condition or regulation adopted by the Board or the breach of any covenant or provision herein contained, shall give the Board the right, in addition to any other rights provided for in this Declaration: (a) to enter (either peaceably or forcibly without liability to such Unit Owner for such entry) upon the Unit or the Limited Common Elements, or any portion of the Property upon which or as to which such violation or breach exists, and to summarily abate and remove, at the expense of the defaulting Unit Owner(s), any structure, thing or condition that may exist thereon contrary to the intent and meaning of the provisions hereof, and the Board, or its employees or agents, shall not thereby be deemed guilty in any manner of trespass; or (b) to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any breach; or (e) to take possession (either peaceably or forcibly without liability to such Unit Owner for such entry) of such Unit Owner's interest in the Property and to maintain an action for possession of such Unit in the manner provided by law.

If any Unit Owner (either by his own conduct or by the conduct of any other Occupant of his Unit) shall violate the Act, or any of the covenants or restrictions or provisions of this Declaration, the By-Laws, or the Rules and Regulations adopted by the Board, and if such default or violation shall continue for ten (10) days after notice to the Unit Owner in writing from the Board or shall occur repeatedly during any ten (10) day period after such written notice or request to cure such violation from the Board, then the Board shall have the power to issue to said defaulting Unit Owner a notice in writing terminating the right of said defaulting Owner to continue as a Unit Owner and to continue to occupy, use, or control his Unit, and thereupon an action in equity may be filed by the Board against said defaulting Unit Owner for a decree of mandatory injunction against such defaulting Unit Owner or Occupant, or in the alternative, for a control the Unit owned by him on account of said violation, and ordering that all the right, title and interest of said defaulting Unit Owner in the Project shall be sold (subject to the lien of any existing deed of trust or mortgage) at a judicial sale upon such notice and terms as the court shall determine, except that the court shall enjoin and restrain the said defaulting Unit Owner from reacquiring his interest at such judicial sale. The proceeds of any such judicial sale shall first be paid to discharge court costs, court reporter charges, reasonable attorney's fees and all other expenses of the proceeding and sale, and all such items shall be taxes against said defaulting Unit Owner in said decree. Any balance of proceeds, after satisfaction of such charges and any unpaid assessments hereunder, or any liens, shall be paid to said defaulting Unit Owner. Upon the confirmation of such sale, the purchaser shall thereupon be entitled to a deed to the Unit and the Unit Owner's corresponding percentage of ownership in the Common Elements, and to immediate possession of the Unit sold and may apply to the court for a writ of assistance for the purpose of acquiring such possession, and it shall be a condition of any such sale, and the decree shall so provide, that the purchaser shall take the interest in the Unit Ownership sold subject to this Declaration.

In the event of any violation of the provisions of the Act, this Declaration, By-Laws, or rules and regulations of the Association by the Association itself or the Board, any Unit Owner

aggrieved thereby shall have all rights and remedies provided for in the Act, the Declaration, By-Laws, or said rules and regulations, or which may be available at law or in equity.

The failure by the Board, or its successors or assigns, or any Unit Owner, including the Developer, to enforce any covenant or restriction, or Rule and Regulation, provided in or by this Declaration, the Bylaws or the Act shall in no event be deemed a waiver of the right to do so thereafter.

(b) In the event that the Association, or any successor organization, shall at any time fail to maintain the Common Elements in a reasonable order and condition in accordance with the adopted Master Development Plan for 2109 Scott Avenue approved by the Planning Commission for the Metropolitan Government of Nashville and Davidson County, Tennessee ("Metro"), the zoning administrator for Metro may serve written notice upon such organization and/or the Unit Owners and hold a public hearing. If such deficiencies and maintenance of the Common Elements in question are not corrected within thirty (30) days, then the zoning administrator shall have the right to call upon any public or private agency to maintain the Common Elements in question for a period of one (1) year. Thereafter, if the zoning administrator determines that such organization is not prepared for the maintenance of the Common Elements in question, such agency shall continue maintenance for yearly periods. The cost of such maintenance by such agency shall be assessed proportionately against the Units that have the responsibility for such maintenance of the Common Elements in question and shall become a lien on said Unit.

20. Amendment. Except in the case of expansion of this horizontal property regime provided for in paragraph 32, below, the provisions of this Declaration may only be amended by an instrument in writing, setting forth such amendment, signed by Unit Owners owning not less than seventy-five percent (75%) of the Units; provided, however, that all lien holders of record have been notified by certified mail of such amendment, and an affidavit by the Secretary of the Association certifying to such mailing is made a part of such instrument. Except in the case of expansion of this horizontal property regime provided for in paragraph 32, above, in addition to the foregoing approval by Unit Owners:

(i) in the case of any amendment to this Declaration described in paragraph 25(a)(I), below, the approval of at least fifty-one percent (51%) of the first mortgagees who have requested notice under paragraph 25(a), below, is required for any such amendment, and

(ii) in the case of any amendment to this Declaration which would change the pro rata interest or obligations of any Unit for the reasons set forth in paragraph 25(c)(I), below, such approval by first mortgagees of Units as is set forth in paragraph 25(c), below, is required for any such amendment.

Any notice requesting the approval of any proposed amendment by any mortgage required under subparagraphs (i) and (ii) above shall advise the mortgage that the failure of the mortgagee to respond within thirty (30) days of the date of such notice shall be deemed to be the approval of

the proposed amendment by said mortgagee. The failure of any mortgagee to whom such notice is given to respond within said thirty (30) day period shall be deemed to be the approval of the proposed amendment by said mortgagee for purposes of subparagraphs (i) and (ii) above.

However, if the Act, this Declaration or the By-Laws require the consent or agreement of all Unit Owners or of all lien holders for any action specified in the Act or in this Declaration, then any instrument amending any provision of this Declaration with respect to such action shall be signed by all Unit Owners or all lien holders or both as required by the Act or this Declaration Deed.

Any amendment shall be effective upon the recording of such instrument in the Register's Office of Davidson County, Tennessee; provided, however, that no provisions in this Declaration may be amended so as to conflict with the provisions of the Act.

21. Perpetuities and Restraints on Alienation. If any of the options, privileges, covenants or rights created by the Declaration shall be unlawful, void or voidable for violation of the rule against perpetuities, then such provision shall continue only until twenty-one (21) years after the death of the survivor of the now living descendants of the President of the United States, Barack H. Obama.

22. Rights and Obligations. Each grantee of a Unit, by the acceptance of a deed of conveyance, accepts the same subject to all restrictions, conditions, covenants, reservations, liens and charges, and the jurisdiction, rights and powers created or reserved by this Declaration. All present and future Unit Owners and Occupants shall be subject to and shall comply with the provisions of this Declaration. Any restrictions or rules in the By-Laws which are more than administrative in nature such as, but not limited to, reservations and future rights of Developer, are hereby incorporated into and made a part of this Declaration by reference. All restrictions, conditions, covenants, reservations, liens, charges, rights, benefits and privileges hereby imposed shall be deemed and taken to be covenants running with the land, and shall bind any person having at any time any interest or estate in said land, and shall be binding upon and inure to the benefit of such person in like manner as though the provisions of this Declaration were recited and stipulated at length in each and every deed of conveyance or contract for conveyance.

All present and future Unit Owners and Occupants of a Unit shall be subject to, and shall comply with, the provisions of the By-Laws appended hereto and recorded herewith, pursuant to Tennessee Code Annotated, Section 66-27-111, as they may be amended from time to time. The acceptance of a deed of conveyance, devise, or lease to a Unit, or the entering into occupancy of any Unit, shall constitute an agreement that the provisions of the By-Laws, and any Rules and Regulations promulgated thereunder, as they may be amended from time to time, are assumed, accepted and ratified by such Unit Owner or Occupant, and all of such provisions shall be deemed and taken to be covenants running with the land and shall bind any person having at any time any interest or estate in such Unit, as though such provisions were recited and stipulated at length in each and every deed, conveyance or lease thereof.

The terms and conditions of the Declaration, By-laws, and Rules and Regulations of the

Association may be incorporated by reference in, and become part of, the agreement between any first mortgagee and any present or future Unit Owner who enters into such an agreement with a first mortgagee. When so incorporated, any default in the terms and conditions of this Declaration, By-Laws, and Rules and Regulations may be considered by the first mortgagee as a default, whereupon said first mortgagee, after exercising its option to declare a default, shall then have all of the right and privileges arising as a result of a default under its agreement with said Unit Owner.

23. Condemnation. In the event of a taking in condemnation or by eminent domain of part of the Common Elements in condemnation or by eminent domain, the award made for such taking shall be payable to the Association, to be held in trust for the Unit Owners and their first mortgage holders as their interests may appear. Such payments shall be administered in accordance with paragraph 25(c)(ii), below.

24. Rights Reserved. Any Unit Owner's right of enjoyment in the Common Elements, including the Limited Common Elements attributable to his Unit, shall be subject to:

(a) The right of the Association, as provided in its By-Laws or Rules and Regulations to suspend the enjoyment right of any member for any period during which any assessment remains unpaid, and for such period as it considers appropriate for any infraction of its published Rules and Regulations;

(b) The right of the Association to charge reasonable fees for the use of any part or parts of the Common Elements;

(c) The right of the Association to diminish in any way or to dedicate or transfer all or any part of the Common Elements to any public agency or authority for such purposes and subject to such conditions as may be agreed to by the members entitled to vote thereon, provided that no such diminution or dedication or transfer or determination as to the purposes or as to the conditions thereof, shall be effective unless members of the Association entitled to cast ninety percent (90%) of the total votes of the Association have agreed to such dedication, transfer, purpose, or condition;

(d) The right of Developer, at its sole expense, to relocate, expand, modify, reduce, or extend existing driveways, parking areas and yard, and to construct, expand, enlarge or relocate sewers, utility lines or service connections, in order to serve the existing Units; and

(e) The right of the Association to grant such easements and rights-of- way to such utility companies or public agencies or authorities as it shall deem necessary for the proper servicing and maintenance of the Common Elements and the Units.

(f) The right of the Developer to submit Additional Property to this Declaration as provided in paragraph 32, below, without the consent of any Unit Owner or mortgagee or beneficiary.

(g) The right of the Developer to subject the whole Property to such cross easements for access and utilities as may be necessary, or as may be required by the Metropolitan Government of Nashville and Davidson County, to serve the existing Property and Additional Property upon the submission of Additional Property to this Declaration as provided in paragraph 32, below.

25. Governmental Regulations. Notwithstanding anything to the contrary contained in the Declaration or in the By-Laws of the Association, all terms, conditions, regulations, and requirements which are now existing, or which may be amended from time to time by the Veterans Administration ("VA") pertaining to condominiums, are hereby incorporated as terms and conditions of this Declaration and By-Laws and such shall be governing upon the Project, Developer, and the Association, as long as such terms or conditions are not inconsistent with the laws of the State of Tennessee as found in Tennessee Code Annotated Section 66-27-101, et seq., as amended.

Specifically, without limitation upon the foregoing, the following declarations shall be controlling over any terms of this Declaration or By-Laws which are in conflict therewith. Any portions of this Declaration or By-Laws which are in conflict with this paragraph, or any portion of the regulations of the VA pertaining to Planned Unit Developments, are hereby deleted and the following rights of mortgagees are itemized as follows:

(a) In addition to the rights herein granted, a first mortgagee of a Unit upon written request to the Association (which request shall state the name and address of such mortgagee and the Unit number) shall be entitled to timely written notice of:

(i) Any proposed amendment of this Declaration effecting a change in (a) the boundaries of any Unit or the exclusive easement rights appertaining thereto, (b) the interests in the Common Elements or Limited Common Elements or the liability for common expenses appertaining thereto, (e) the vote in the Association of any Unit, or (d) the purposes to which any Unit or the Common Elements are restricted;

(ii) Any proposed termination of this Declaration and/or the Planned Unit Development created under this Declaration;

(iii) Any condemnation loss or any casualty loss which affects a material portion of the Project or any Unit in which such first mortgagee has an interest;

(iv) Any delinquency in or default (including any delinquency in the payment of assessments or charges owed) by the mortgagor of such Unit in the performance of such mortgagor's obligations under this Declaration, By-Laws or condominium documents which is not cured within thirty (30) days;

(v) Any lapse, cancellation, or material modification of any insurance policy maintained by the Association.

(b) Any first mortgagee of a Unit who comes into possession of the Unit pursuant to the remedies provided in the mortgage, or deed of trust, or by foreclosure of the mortgage or deed of trust, or by deed in lieu of foreclosure, shall take the Unit free of any claims for unpaid assessments or charges against the mortgaged Unit which accrue prior to the time such holder comes into possession of the Unit (except for claims for a pro rata share of such assessments or charges resulting from a pro rata reallocation of such assessments or charges to all Units including the mortgaged Unit).

(c) Unless at least seventy-five percent (75%) of the first mortgagees (based upon one (1) vote for each mortgage owned) of Units have given their prior written approval, the Association shall not be entitled to:

(i) change the pro rata interest or obligations of any Unit for (a) purposes of levying assessments or charges or allocating distributions of hazard insurance proceeds or condemnation awards, and for (b) determining the pro rata share of each Unit in appurtenant real estate and any improvements thereon, which are owned by Unit Owners in undivided pro rata interests ("Common Elements");

(ii) use hazard insurance or partial condemnation proceeds for losses to the Project (whether to Units or Common Elements) for other than the repair, replacement, or reconstruction of such improvements, except as provided by Tennessee Code Annotated Section 66-27-118, in case of substantial loss to the Units and/or Common Elements;

(iii) terminate this Declaration and/or the Planned Unit Development created under this Declaration.

(d) First mortgagees shall have the right to examine the books and records of the Association. First mortgagees shall also have the right to require annual reports and other financial data within ninety (90) days of the fiscal year of the Association. Upon request, first mortgagees shall have the right to receive written notice of all meetings of the Association and be permitted to designate a representative to attend all such sessions.

(e) An adequate reserve fund for the maintenance, repair and replacement of Common Elements will be established and funded by regular monthly payments rather than by special assessments.

(f) As set forth in Tennessee Code Annotated Section 66-27-120, all taxes, assessments, and charges which may become liens prior to the first mortgage under the laws of the State of Tennessee shall relate only to the Unit and not to the Property as a whole.

(g) No Unit Owner, or any other party, shall have priority over any rights of the first mortgagees of Units in the case of a distribution to Unit Owners of insurance proceeds or condemnation awards for losses to or a taking of Units and/or Common Elements.

(h) Any agreement for professional management of the Property, whether it be by Developer, its successors and assigns, or any other person or entity, may be terminated on ninety (90) days' written notice, and for cause upon thirty (30) days' notice, and the terms of any such contract shall so provide and shall not be of a duration in excess of one (1) year. Prior written approval of each institutional first mortgagee shall be required in the event of any decision to terminate professional management and assume self-management of the Association.

(i) The Association shall give to each institutional first mortgagee notice in writing of any loss to or the taking of Common Elements if such loss or taking exceeds Ten Thousand ($10,000.00) Dollars. The Association may rely upon the information contained in the book entitled "Mortgages of Units" as must be established pursuant By-Laws, for a list of mortgagees to be notified hereby.

(j) The interest of a first mortgagee in a mortgaged Unit shall be superior to the interests of any other person, group, partnership, corporation or entity of any kind, including any interest the Association, Developer, or any other Unit Owner may have in any portion of the Property, regardless of the nature of the interest or the manner in which it is acquired.

(k) Notwithstanding the above, any first mortgagee shall have all of the rights granted to a first mortgagee herein, and in addition shall have all of the rights granted to an institutional first mortgagee under its deed of trust, and under the laws of the State of Tennessee.

26. Trustee as Unit Owner. In the event title to any Unit is conveyed to a land title-holding trust, under the terms of which all power of management, operation and control of the Unit remain vested in the trust beneficiary or beneficiaries, then the beneficiaries thereunder shall be considered Unit Owners for all purposes and they shall be responsible for payment of all obligations, liens, or indebtedness and for the performance of all agreements, covenants and undertakings chargeable or created under this Declaration against such Unit. No claim shall be made against any such title-holding trustee personally for payment of any lien or obligation hereunder created, and the trustee shall not be obligated to sequester funds or trust property to apply in whole or in part against such lien or obligation. The amount of any such lien or obligation shall continue to be a charge or lien upon the Unit and the beneficiaries of such trust, notwithstanding any transfers of the beneficial interest of any such trust or any transfer of title to such Unit.

27. Right of First Refusal. The Association shall in no event have any right of first refusal to purchase any Unit and no Unit Owner nor the Developer shall have the right to encumber any Unit to any right of first refusal or similar limitation on the sale, conveyance or transfer of any Unit.

28. Notices. Unless otherwise directed, notices provided for in the Act, Declaration or By-Laws shall be in writing, and shall be addressed to the Association or any Unit Owner, as the case may be, if to the Association to the address designated for the Registered Agent on file with the Tennessee Secretary of State, and, if to the Unit Owner, at the mailing address assigned to that Unit by the U.S. Postal Service, or at such other address as hereinafter provided. The Association may designate a different address or addresses for notices to it by giving written notice of such change of address to all Unit Owners. Any Unit Owner may designate a different address for notices to him by giving written notice to the Association. Notices addressed as above shall be deemed delivered when mailed by United States registered or certified mail, or when delivered in person with written acknowledgment of the receipt thereof.

Upon written request to the Board, the holder of any recorded mortgage or trust deed encumbering any Unit shall be given a copy of all notices permitted or required by this Declaration to be given to the Owner or Owners whose Unit is subject to such mortgage or trust deed.

29. Severability. If any provision of this Declaration or By-Laws, or any section, sentence, clause, phrase, word, or the application thereof in any circumstance, is held invalid, the validity of the remainder of this Declaration and the By-Laws and of the application of any such provision, section, sentence, clause, phrase or word in any other circumstances shall not be affected thereby, and the remainder of this Declaration or the By-Laws shall be construed as if such invalid part was never included therein.

30. Captions. The captions herein are inserted only as a matter of convenience, and in no way define, limit, or describe the scope of these provisions or the intent of any provision hereof.

31. Gender. The use of the masculine gender in this Declaration and in the By-Laws shall be deemed to include the feminine gender, and the use of the singular shall be deemed to include the plural whenever the context so requires.

32. Developer's Right to Expand the Planned Unit Development. Developer hereby explicitly reserves until the seventh anniversary of the recordation of this Declaration the right, without the consent of any Unit owner or any mortgagee or beneficiary of any mortgage or deed of trust on any Unit, to from time to time expand the horizontal property regime created by this Declaration, by submitting to this Declaration additional Property (the "Additional Property"); provided, however, that such expansion is in accord with the Master Development Plan of 2109 Scott Avenue as approved by the VA. This right to expand the Planned Unit Development created hereby may be terminated prior to such anniversary only upon the filing by Developer of an amendment to this Declaration terminating said option and right. Developer expressly reserves the right and option to add any or all portions of the Additional Property at any time, at different times, in any order, without limitation. There are no other limitations on the right of Developer to expand the horizontal property regime except as expressed in the Act, this paragraph or by rules and regulations imposed by the VA.

Developer makes no assurances as to the total number of Units which may result from the exercise of Developer's right to expand the Planned Unit Development provided by this paragraph.

At such time as the Planned Unit Development created by this Declaration is expanded pursuant to the provisions of this paragraph, the percentage of interest in the Common Elements allocated to each Unit shall be reallocated at that time in accordance with paragraph 6, above, and each Unit Owner's proportionate share of the expense of administration and operation of the Common Elements, and of any other expenses incurred in conformance with this Declaration and Bylaws, shall be reallocated to reflect the reallocation of his percentage of ownership in the Common Elements. Each Unit Owner, including the Developer, shall be entitled to the voting rights set forth in paragraph 5(b) above, resulting from such expansion, and the number of votes in the Association shall be increased as a result of the additional Units. The Common Elements of any Property at the time covered by this Declaration shall inure to the benefit of the Unit Owners of any additional Units which may become subjected to this Declaration pursuant to this paragraph, and the Common Elements of any Additional Property shall inure to the benefit of the Unit Owners recorded earlier, each to enjoy the Common Elements of the other and to have and to hold the same as if each Unit had been developed and subjected to this Declaration simultaneously, subject to each Unit Owner's exclusive right and easement of use and possession in and to the Limited Common Elements contiguous to and serving exclusively that Unit. Developer makes no assurances as to the buildings, including any Units, which will be a part of the Additional Property or their location within the area added, except that any improvements on the Additional Property shall be consistent with the initial improvements in this horizontal property regime in terms of quality of construction. Developer expressly reserves the right to create Limited Common Elements on the Additional Property and to designate Common Elements therein which may be subsequently assigned as Limited Common Elements. Developer makes no assurances as to type, size or maximum number of such Common Elements or Limited Common Elements.

Any Additional Property added to the horizontal property regime created by this Declaration shall be submitted to and become bound by this Declaration upon the recording of a document by the Developer subjecting such Additional Property to the provisions of this Declaration.

33. VA Approval. Except for the right to expand the horizontal property regime provided in paragraph 32 above, the horizontal property regime created hereby may not be merged with a successor horizontal property regime without the prior written approval of the VA. Additionally, for so long as there is a Class B membership with respect to voting rights, the prior approval of the VA shall be required for any amendments to this Declaration or Bylaws, except for amendments made by Developer in connection with its right of expansion under paragraph 32, above.

To the extent that the assessments and other cash income collected from Unit Owners during the preceding year shall be more or less than the expenditures for such preceding year, the surplus or deficit, as the case may be, shall also be taken into account. The annual budget shall all take into account the estimated net available cash income for the year from the lease, operation or use of the Common Elements. The annual budget shall provide for a reserve for contingencies for the year and replacements, in reasonable amounts as determined by the Board.

Section 2. Assessments. The estimated annual budget for each fiscal year shall be approved by the Board, and, except for the budget for the first fiscal year, copies thereof shall be

furnished by the Board to each Unit Owner, not later than thirty (30) days prior to the beginning of such year. On or before the first day of the first month and of each succeeding month of the year covered by the annual budget, each Unit Owner shall pay, as his respective monthly assessment for the common expenses, one-twelfth (1/12) of his proportionate share of the common expenses for such year as shown by the annual budget. The proportionate share for each Unit Owner shall be based upon his respective ownership interest in the Common Elements. Each Unit Owner shall pay his monthly assessment on or before the first day of each month to the Managing Agent or otherwise as directed by the Board. No Unit Owner shall be relieved of his obligation to pay any assessment by abandoning or not using his Unit, the Common Elements, or the Limited Common Elements.

Section 3. Partial Year or Month. For the first fiscal year, the annual budget shall be as approved by the First Board. If such first fiscal year, or any succeeding fiscal year, shall be less than a full year, then the monthly assessments for each Unit Owner shall be proportionate to the number of months and days in such period covered by such budget. Commencing with the date of ownership of his Unit, each Unit Owner shall pay his assessment for the following month or fraction of a month, which assessment shall be in proportion to his respective ownership interest in the Common Elements and the number of months and days remaining of the period covered by the current annual budget, and which assessment shall be computed by the Board.

Within ninety (90) days after the end of each fiscal year covered by an annual budget, or as soon thereafter as practicable, the Board shall cause to be furnished to each Unit Owner a statement for such year, showing the receipts and expenditures and such other information as the Board may deem desirable.

Section 5. Supplemental Budget. In the event that, during the course of any year, it shall appear to the Board that the monthly assessments, determined in accordance with the estimated annual budget for such year, are insufficient or inadequate to cover the estimated common expenses for the remainder of such year, then the Board shall prepare and approve a supplemental budget covering the estimated deficiency for the remainder of such year, copies of which supplemental budget shall be furnished to each Unit Owner, and thereupon a supplemental assessment shall be made to each Unit Owner for his proportionate share of such supplemental budget.

Section 6. Expenditures. Except for the Management Agreement described in Article 11, Section 9(c) hereof and expenditures and contracts specifically authorized by the Declaration and By-Laws, the Board shall not approve any non-budgeted expenditure in an amount in excess of ten percent (10%) of the annual budget for the then current year, unless required for emergency repair, protection or operation of the Common Elements or Limited Common Elements, nor enter into any contract for more than three (3) years, without the prior approval of two-thirds (2/3) of the votes of Association members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 7. Lien. It shall be the duty of every Unit Owner to pay his proportionate share of the common expenses as provided in the Declaration, and as assessed in the manner herein provided.

Such delinquent payment, together with penalty and interest, shall constitute a lien, as provided in the Act, enforceable by the Board, on the interest of such Unit Owner in the Property.

The Association, or its successors and assigns, acting through the Board or its agents, shall have the right to maintain a suit to foreclose any such lien, and there shall be added to the amount due the costs of said suit and other fees and expenses, together with legal interest and reasonable attorney's fees to be fixed by the court. Furthermore, if any Unit Owner shall fail or refuse to pay when due his proportionate share of the common expenses, and such Unit Owner withholds payment thereof after demand by the Association in writing setting forth the amount claimed, the Association shall have the right to possession of such Unit. The Association, acting through the Board, shall have the authority to exercise and enforce any and all rights and remedies as provided for in the Act, the Declaration, or these By-Laws, or as are otherwise available at law or in equity, for the collection of all unpaid assessments.

Section 8. Records and Statement of Account. The Board shall cause to be kept detailed and accurate records in chronological order of its receipts and expenditures affecting the common Elements, specifying and itemizing the common expenses incurred. Payment vouchers may be approved in such manner as the Board may determine.

The Board shall, upon receipt of ten (10) days' written notice to the Association and upon payment of a reasonable fee, furnish to any Unit Owner a statement of his account setting forth the amount of any unpaid assessment or other charges due and owing from such Unit Owner.

Section 9. Discharge of Liens. The Board may cause the Association to discharge any mechanic's lien or other encumbrance which in the opinion of the Board may constitute a lien against the Property or the Common Elements, rather than a lien against only a particular Unit. When less than all the Unit Owners are responsible for the existence of any such lien, the Unit Owners responsible shall be jointly and severally liable for the amount necessary to discharge the same and for all costs and expenses, including attorney's fees, incurred by reason of such lien.

Section 10. Holding of Funds. All funds collected hereunder shall be held and expended for the purposes designated herein, and (except for such special assessments as may be levied hereunder against less than all the Unit Owners and for such adjustments as may be required to reflect delinquent or prepaid assessments) shall be deemed to be held for the benefit, use and account of all the Unit Owners in the percentages set forth on Exhibit E to the Declaration.

ARTICLE VI
