DISPOSITION OF ESTATE

Distribution of Residue

10. To receive any gift or property under this Will a beneficiary must survive me for thirty (30) days. Beneficiaries of my estate residue will receive and share all of my property and assets not specifically bequeathed or otherwise required for the payment of any debts owed, including but not limited to, expenses associated with the probate of my Will, the payment of taxes, funeral expenses or any other expense resulting from the administration of my Will. The entire estate residue is to be divided between my designated beneficiaries with the beneficiaries receiving a share of the entire estate residue. All property given under this Will is subject to any encumbrances or liens attached to the property.

11. I direct my Executor to divide the residue of my estate into as many equal shares as there shall be children of mine then alive at my death, subject to the provisions hereinafter specified and to pay and transfer one such share to each of those surviving children. If any child of mine shall die before becoming entitled in accordance with the terms of this my Will, to receive the whole of his or her share of my estate, but such child has a child or children which survive me, that child of mine shall be deemed to have survived me for the purposes of this division and the share of that

child of mine shall be distributed according to the provisions hereinafter provided.

12. Provided however, that if any child of mine shall die before becoming entitled in accordance with the terms of this my Will, to receive the whole of his or her share of my estate, I direct that such share or the amount remaining of that share will be divided and transferred in equal shares to each of the then surviving children of that deceased child of mine. And if any of such children of my deceased child dies before receiving the whole of his or her share of my estate, that share or the amount remaining thereof will be divided in equal shares amongst the then surviving children of that child of mine. But if that deceased child of mine leaves no surviving children, then that share or the amount remaining of that share will be divided amongst my surviving children in equal shares.

13. In all cases where a child or grandchild of mine is a minor at the time that a gift is provided under my Will, and where a guardian, custodian, or trustee is not already identified under this my Will, that share will be held by my Executor in trust for each of those surviving children who is a minor child, as specified in provision 'j' under Powers of My Executor above.

14. If none of my named beneficiaries survives me or does not leave an heir or issue who survives me, then I give, devise, and bequeath all of the rest, residue, and remainder of my estate, of whatever kind and character, and wherever located, according to the order of intestate succession in the State of Texas.

I name my Executor(s) as trustee (the "Trustee") of any and all Testamentary Trusts required in this my Will. Any property left by me to any minor beneficiary in this my Will shall be given to my Executor(s) to be managed until that minor beneficiary reaches the age of majority.

Trust Administration

16. The Trustee shall manage the Testamentary Trust as follows:

    a. The assets and property will be managed for the benefit of the minor until the minor reaches the age set by me for final distribution;

    b. Upon the minor reaching the age set by me for final distribution, all property and assets remaining in the trust will be transferred to the minor beneficiary as quickly as possible; and

    c. Until the minor beneficiary reaches the age set by me for final distribution, my Trustee will keep the assets of the trust invested and pay the whole or such part of the net income derived therefrom and any amount or amounts out of the capital that my Trustee may deem advisable to or for the support, health, maintenance, education, or benefit of that minor beneficiary.

17. The Trustee may, in the Trustee's discretion, invest and reinvest trust funds in any kind of real or personal property and any kind of investment, provided that the Trustee acts with the care, skill, prudence and diligence, considering all financial and economic considerations, that a prudent person acting in a similar capacity and familiar with such matters would use.

18. No bond or other security of any kind will be required of any Trustee appointed in this my Will.

Trust Termination

19. The Testamentary Trust will end after any of the following:

purpose of exercising any powers herein expressly or impliedly given to my Trustee with respect to any property belonging to the trust;

l. Without the consent of any persons interested in trusts established hereunder, to compromise, settle or waive any claim or claims at any time due to or by the trust in such manner and to such extent as my Trustee considers to be in the best interest of the trust beneficiary, and to make an agreement with any other person, persons or corporation in respect thereof, which shall be binding upon such beneficiary;

If any beneficiary under this Will contests in any court any of the provisions of this Will, then each and all such persons shall not be entitled to any devises, legacies, bequests, or benefits under this Will or any codicil hereto, and such interest or share in my estate shall be disposed of as if that contesting beneficiary had not survived me.
