A HORIZONTAL PROPERTY REGIME WITH PRIVATE ELEMENTS

THIS DECLARATION is made and entered into by CHARLOTTE PARKSIDE, INC., A TENNESSEE CORPORATION, hereinafter referred to as the "Developer".

WITNESSETH:

WHEREAS, the Developer is the record owner and holder of the legal title of a tract or parcel of real property located in Davidson County, Tennessee, and more particularly described on Exhibit A attached hereto and made a part hereof (the "Property");

WHEREAS, the Developer desires to submit the Property described on Exhibit A together with all buildings, structures, improvements, and other permanent fixtures of whatever kind thereon, and all rights and privileges belonging or in any way pertaining thereto, to the provisions of the Horizontal Property Act of the State of Tennessee as the same may be amended from time to time for the express purpose of establishing thereon a horizontal property regime with private elements to be known as CHARLOTTE PARKSIDE; and

WHEREAS, the Developer further desires to establish for its own benefit and for the mutual benefit of all future owners and/or occupants of the Property or any part thereof, certain rights, easements, and privileges in, over and upon the said premises and certain mutually beneficial restrictions and obligations with respect to the proper use, conduct and maintenance thereof, for the purpose of enhancing and perfecting the value, desirability and attractiveness of the Property.

The Units are identified by a letter or number (or combination thereof) on the Plat. Units identified with the letters "TH" and numbers designated on the Plat attached hereto as Exhibit B as "Townhome Private Elements" are hereinafter referred to in this Declaration and Bylaws as Townhome Units. All other Units, which are designated on the Plat attached hereto as Exhibit B as "Single Family Private Elements," are hereinafter referred to in this Declaration and Bylaws as Lots. As used in this Declaration and Bylaws, the term Unit or Units includes Townhome Units and Lots.

t) "Unit Owner" means the person or persons whose estates or interests, individually or collectively, aggregate fee simple ownership of a Unit, its respective Private Elements, Limited Common Elements, and of the undivided interest in the Association appurtenant thereto, and shall be deemed the same as "co-owner" under the Act. Unless specifically provided otherwise herein, Developer shall be deemed a Unit Owner so long as it is the legal title holder of any unit.

2. **Submission of Property to the Act.** The Developer does hereby submit and subject the Parcel and the Property to the provisions of the Horizontal Property Act of the State of Tennessee as amended from time to time and does hereby establish a Horizontal Property Regime to be known as CHARLOTTE PARKSIDE.

3. **Plat.** The Plat or site plan sets forth the numbers and location of each Unit and other data as required by the Act.

4. **Units.** For purposes of this Declaration, the term "Unit" shall equate to the same meaning as the term "apartment" in the Horizontal Property Act. The legal description of each Unit shall consist of the indentifying letter or number (or combination thereof) of each Unit as shown on the Plat. Any Unit may be jointly or commonly owned in any state recognized under applicable law. Every legal description in a deed, lease, mortgage, deed of trust, or other instrument describing a Unit by its description on the Plat shall be deemed good and sufficient for all purposes, as provided in the Act. Except as provided by the Act, no Unit Owner shall, by deed, plat, court decree or otherwise, subdivide or in any other manner cause a Unit to be separated into tracts or parcels different from the whole Unit as shown on the Plat.

5. **Association and Management of the Property.**

a) Association of Unit Owners and Administration and Operation of the Property. There has been formed an Association having the name CHARLOTTE PARKSIDE HOMEOWNERS ASSOCIATION, INC., a Tennessee not-for-profit corporation, which Association shall be the governing body for all Unit Owners, and shall be operated to provide guidelines for the maintenance, repair, replacement, administration, and operation of the property, as provided in the Act, this Declaration and the Bylaws. The Unit Owners shall be members of the Association, with each Unit holding an undivided membership interest appurtenant to a Unit being in an equal share, subject to the provisions concerning voting hereinafter set forth. The Bylaws for the Association shall be the Bylaws attached to this Declaration as Exhibit C and made a part hereof. Except as otherwise provided herein, the Board of Directors of the Association shall be elected and serve in accordance with the provisions of the Bylaws. The fiscal year of the Association shall be determined by the Board, and may be changed from time to time as the Board deems advisable. The Association shall not be deemed to be conducting a business of any kind. All activities undertaken by the Association shall be for the sole benefit of the Unit Owners, and any funds received by the Association shall be held and applied by it for the use and benefit of Unit Owners, in accordance with the provisions of this Declaration and Bylaws. A Unit Owner's membership shall automatically terminate when he ceases to be a Unit Owner. Upon the conveyance or transfer of a Unit Owner's ownership interest to a new Unit Owner, the new Unit Owner shall simultaneously succeed to the former Unit Owner's membership in the Association. The aggregate number of votes for all members of the Association shall be divided among the respective Unit Owners with one (1) vote granted to each Unit (except that the Developer shall have three (3) votes per Unit as provided below).

b) Voting Membership.

Class A. Class A members shall be all Unit Owners, with the exception of the Developer, and shall be entitled to one (1) vote for each Unit owned. When more than one person holds any interest in any Unit, all such persons shall be members. The vote for such Unit shall be exercised as they determine, but in no event shall more than one (1) vote be cast with respect to any Unit.

Class B. The Class B member shall be the Developer and shall be entitled to three (3) votes for each Unit owned. The Class B membership shall cease upon the earlier of: (i) the date when 100% of the Units have been transferred to others, or (ii) three (3) years after the date the first Unit is transferred to a Unit Owner who is not affiliated with the Developer; or earlier if the Developer so determines, in its sole discretion (hereinafter referred to as the "Developer Control Period").

(c) Management of the Property. The Board shall have the authority to engage the services of an agent (the "Managing Agent") to maintain, repair, replace, administer and operate the Property, or any part thereof, to the extent deemed advisable by the Board, subject to the provisions of subparagraph (d) below. The Managing Agent shall be required to maintain fidelity bond coverage on its employees handling Association funds. The cost of said services shall be a Common Expense, which may be assessed directly by the Association as part of a recurring general assessment, or assessed and collected on behalf of the Association, indirectly, by the Managing Agent, in the form of transfer fees if approved by the Board.

(d) Initial Management Contract. The management agreement between the Developer (on behalf of the Association) and a Managing Agent for the Property may not exceed three (3) years.

(e) Board During Developer Control Period. Notwithstanding anything to the contrary herein or in the Bylaws, during the Developer Control Period, the Board will have only one (1) Director, who shall be appointed by the Developer.

(f) Non-Liability of the Directors, Board, Officers and Developer. To the extent permitted by law, neither the directors nor officers of the Association, including the Developer, shall be personally liable to Unit Owners for any mistake of judgment or for any other acts or omissions of any nature whatsoever as such directors or officers, except for any acts or omissions found by a court to constitute gross negligence or fraud. Unit Owners shall indemnify and hold harmless each of the directors or officers and their respective heirs, executors, administrators, successors and assigns in accordance with the Charter of the Association and Bylaws.

6. **Board's Determination Binding.** In the event of any dispute or disagreement between any Unit Owners relating to the Property, or any questions of interpretation or application of the provisions of this Declaration or Bylaws, the determination thereof by the Board shall be final and binding on all Unit Owners.

7. **Ownership of the Common Elements and the Association.** Ownership of the Common Elements shall be vested in the Association. Subject to the provisions concerning voting rights herein above contained, each Unit is hereby allocated an equal percentage of ownership in the Association and respective interest in the Common Elements, as set forth on Exhibit D. The percentage of ownership shall remain equal unless hereafter changed by recorded amendment to the Declaration consented to in writing by the Unit Owners affected by such change. Said ownership interest shall be an undivided interest, which shall be owned by the Unit Owners as tenants in common with each other. The ownership of a Unit shall not be conveyed separate from the undivided ownership in the Association appurtenant to such Unit. The undivided interest in Association appurtenant to any Unit shall be deemed conveyed or encumbered with the Unit, even though the legal description in the instrument conveying or encumbering such unit may refer only to the description of the Unit.

8. **Use of the Common Elements.** Each Unit Owner or Occupant shall have the right to use the Common Elements, as may be required for the purposes of access, ingress to, egress from, use, occupancy and enjoyment of the Unit and for such other purposes incidental to use of the Unit. Such right to use the Common Elements shall extend to guests, agents, servants, tenants, family members, customers, invitees, and licenses. Such rights to use the Common Elements, including Limited Common Elements, shall be subject to and governed by this Declaration, Bylaws and Rules and Regulations of the Association. The Association shall have authority to lease or grant other rights or easements to parts of the Common Elements, subject to this Declaration and Bylaws. All income derived by the Association from such leases, grants or easements upon Common Elements shall be held and used for the benefit of the Association. The use, maintenance and operation of the Common Elements shall not be obstructed, damaged or unreasonably interfered with.

9. **Common Expenses.**

a) Common Expenses and Enforcement. Except as specifically provided otherwise herein, each Unit Owner shall be responsible for paying his equal proportionate share of the expenses of the administration and operation of the Association, the Common Elements and of any other expenses incurred for the mutual benefit of the Unit Owners as approved by the Board pursuant to this Declaration and Bylaws (which expenses are herein sometimes referred to as "Common Expenses"), which shall be assessed and become due in such amounts, including late fees and interest, if any, as determined by the Board. There shall exist a lien in favor of the Association and against each Unit and Unit Owner for accrued, unpaid assessments. No Unit Owner shall be exempt from assessments by waiver or nonuse of enjoyment of the Common or Limited Common Elements or by abandonment of his Unit. Each Unit Owner shall be personally liable for assessments accrued during ownership of a Unit, and shall remain personally liable for such assessments even after he is not the owner of the Unit; however, said personal obligation shall not pass to successors in title unless assumed by them or as required by Tennessee Code Annotated, Section 66-27-101, et seq, provided that, the lien for accrued, unpaid assessments against a Unit as above described shall not be affected by transfer of a Unit.

The Developer shall not be required to expend from its own funds any sums of money for maintenance, improvements, or any other expenses of the administration of the Common Elements, and no Unit owned by the Developer shall be assessed for Common Expenses, or

otherwise, until such time as construction of such Unit is completed and the Unit is occupied by a tenant of Developer or is transferred by the Developer to a Unit Owner who is not affiliated with the Developer. This paragraph may not be modified or amended without the unanimous written consent of all Unit Owners.

a) Mortgage and Deed of Trust Protection. The lien against a Unit for Common Expenses shall be subordinate to the lien of a recorded first mortgage or deed of trust on the interest of such Unit Owner, except for the amount of the proportionate share of Common Expenses which become due and payable from and after the date on which the mortgagee or beneficiary thereunder either takes possession of the Unit encumbered thereby, accepts a conveyance of any interest therein (other than as security) or forecloses its mortgage or deed of trust. This subparagraph shall not be amended, changed, modified, or rescinded without the prior written consent of all mortgagees of record.

c) **Townhome Unit Common Expenses. In addition to the general and any special assessments for Common Expenses, the Association shall assess Townhome Units (and the Unit Owners of the Townhome Units shall pay) for common expenses applicable only to Townhome Units as a distinct group of units, including insurance for appurtenant Limited Common Elements, and maintenance and repair of the Townhome Units, for which the Association is responsible pursuant to this Declaration, operating expenses, and adequate reserves for future expenses and/or capital improvements for the Townhome Units, and any other expenses incurred by the Association for the mutual benefit of the Townhome Units, for example, costs for special trash removal for the Townhome Units, or charges for utilities that are separately metered and/or sub-metered for the Townhome Units, and the cost for administration thereof.**

10. **Mortgages and Deeds of Trust.** Each Unit Owner shall have the right, subject to the provisions herein, to mortgage his Unit together with his appurtenant interest in the Association. No Unit Owner shall have the right or authority to grant a mortgage, deed of trust or other lien on the Property or any part thereof, except his own Unit and appurtenant interest in the Association.

11. **Separate Real Estate Taxes.** Real estate taxes shall be separately taxed to each Unit Owner for his Unit. In the event that such taxes for any year are not separately taxed to each Unit Owner, but rather are taxed on the Property as a whole or a portion thereof, then the Unit Owners shall pay equal shares in proportion to the number of Units encumbered by the total tax obligation, and, in said event, such taxes shall be deemed a common expense.

12. **Insurance, Damage and Reconstruction.** The Board may obtain insurance against loss or damage to the Property and the Common Elements, exclusive of the Units, by fire, vandalism, malicious mischief and such other hazards as are covered under standard extended coverage provisions, and against such other hazards and for such amounts as the Board may deem advisable. Such insurance coverage shall be written in the name of, and the proceeds thereof shall be payable to, the Board, as the Trustee for the Unit Owners in proportion to their interest in the Common Elements, as set forth in this Declaration, and for the holders of mortgages on the Units, if any. The policy of insurance should also contain, if possible, a waiver of subrogation rights by the insurer against the Unit Owners. The premiums for such insurance shall be a common expense, allocable as provided in this Declaration or in the Bylaws; further, premiums for such insurance may be separately billed equally to Unit Owners.

In the event of damage to or destruction of any of the Buildings or Common Elements as a result of fire or other casualty covered by insurance proceeds (unless more than two-thirds (2/3) of all Buildings require reconstruction), the Board shall, in its sole and absolute discretion, and without intervention of any Unit Owner, arrange for the prompt repair and restoration of the damage substantially in accordance with the original plans and specification therefor. If the insurance indemnity is insufficient to cover the cost of such repairs and restoration, the deficit shall be paid in equal shares by all Unit Owners whose Units are in a Building that is affected by the damage, which may be assessed by the Association in the form of a special assessment. In the event of damage to or destruction of any Private Elements or Limited Common Elements, the Board shall not be responsible for repair, replacement or restoration thereof, except to the extent of insurance covering the damage. The responsibility for such damage is that of the affected Unit Owner or Unit Owners.

The Board may also obtain comprehensive public liability insurance, in such amounts as it deems desirable, and workmen's compensation insurance and other liability insurance in such amounts as it

deems desirable, insuring each Unit Owner, mortgagee of record, the Association, its officers, directors, and employees, Developer, and the Managing Agent, if any, from liability in connection with the Property. The premiums for such insurance shall be Common Expenses; however, premiums for such insurance may be separately billed equally to Unit Owners.

The Board may also obtain fidelity coverage covering officers, directors and employees who handle or are responsible for handling Association funds. Such bonds shall be in such amounts as the Board may determine, but in no event less than one hundred fifty percent (150%) of the monthly operating expenses of the Association, and shall contain waivers of any defense based upon the exclusion of persons serving without compensation.

The Board may also obtain such other insurance as it deems desirable, in such amounts, from such sources and in such forms as it deems desirable, insuring the Property and each member of the Board and officer of the Association, and each member of any committee appointed pursuant to the Bylaws of the Association, from liability arising from the fact that said person is or was a director or officer of the Association, or a member of such a committee.

Each Unit Owner shall maintain hazard insurance which includes liability coverage on his Unit, the contents of his Unit and Private Elements, and the Limited Common Elements serving his Unit, as well as additions and improvements thereto, and those parts of the Unit for which the responsibility of maintenance and repair is that of the Unit Owner, and for decorations, furnishings, and personal property therein, and personal property stored elsewhere on the Property, if any. **Upon request by the Association, each Unit Owner shall name the Association as an additional insured on his insurance policy.**

13. **Maintenance, Repairs, Replacements and Easements.** Except as otherwise provided herein, each Unit Owner, at his own expense, shall furnish and be responsible for all maintenance of, repairs to and replacements within and to the exterior of his Unit and its Private Elements and/or Limited Common Elements. Maintenance of, repairs to and replacements within the Common Elements, excluding Limited Common Elements, shall be the responsibility of and shall be furnished by the Association, and the cost thereof shall be part of the Common Expenses, subject the terms hereof, the Bylaws, and Rules and Regulations of the Association. The expenses for the maintenance, repair, or replacement of a Unit's water heater, furnace, air conditioner, heating and air conditioning ducts, and plumbing and electrical wiring and other items including, but not limited to the Limited Common Elements, serving only such Unit, shall be borne by the Unit Owner or Unit Owners of the Unit or Units to which such Limited Common Elements are appurtenant. The Association shall direct the responsible Unit Owner or Unit Owners to pay the cost thereof with their own funds, and procure and deliver to the Board such lien waivers and contractor's and subcontractor's sworn statements as may be required to protect the Property from all mechanic's or materialmen's liens or claims. Should a Unit Owner fail or refuse to maintain, repair and/or replace the exterior of the Unit, its Private Elements and/or its Limited Common Elements, as directed by the Board, the Board may cause said maintenance of, repairs to and/or replacements be made, and exercise remedies set forth herein.

If, a Unit Owner, or his agent, servant, tenant, family member, invitee, licensee, or household pet, causes damage to a Unit, its Private Elements and/or its Limited Common Elements, then the Unit Owner(s) affected thereby or the Association may require the Unit Owner to pay for such damage or such maintenance, repairs and replacements occasioned thereby, and exercise remedies set forth herein.

A joint and mutual easement hereby exists for the benefit and burden of all Unit Owners for any installation, maintenance, repair and replacement of any and all pipes, wires, conduits, or other utility lines, running through or around any Common Elements and/or any Unit's Private Elements and/or Limited Common Elements, if applicable. An easement exists for ingress and egress and maintenance in favor of any public utility providing utility services to the Units and to each Unit Owner if necessary to maintain their unit by accessing the other Unit's Private Elements. Reasonable notice to access the adjoining Unit's Private Elements shall be given to the affected Unit Owner unless access is required due to emergency circumstances.

The authorized representatives of the Association, Board, or of the Managing Agent with approval of the Board, shall be entitled to reasonable access to the Private Elements as may be required in connection with the preservation of any individual Unit or Limited Common Elements in the event of an emergency, or in connection with maintenance of, repairs to, or replacements within the Common Elements, Limited Common Elements, Private Elements or any equipment, facilities or

fixtures affecting or serving other Units, its Private Elements, Common Elements and Limited Common Elements, or to make any alteration required by any governmental authority.

With respect to Townhome Units, the Association shall provide for the maintenance, care, repair, and replacement of the following portions of the Townhome Units: Maintenance and repair of exterior building surfaces as the Board shall deem necessary and proper, including roofs, gutters, downspouts, structural elements of exterior building surfaces, landscaping (except such landscaping installed by, or on behalf of, the Unit Owner and such landscaping enclosed by a fence), irrigation, walkways, porches (except elevated decks and/or balconies), windows, trim, caulking and roof covers (including the repair and replacement of all structural components of the roof of each Townhome Unit), and other miscellaneous exterior maintenance or repairs of a structural or nonstructural nature. Such responsibility for exterior maintenance shall not include cleaning glass surfaces (windows, storm windows, storm doors or sliding glass doors), or maintenance, repair or replacement of HVAC equipment, front or rear entry doors, garage doors, fences, screens, or patio covers. All other building components and improvements located on the respective Townhome Units shall be maintained by the Unit Owner. The Association shall have the right to contract with the respective Unit Owner for the maintenance of a Townhome Unit as the Board may deem appropriate.

(a) For the sole purpose of performing the exterior maintenance upon each Townhome Unit required by this Section, the duly authorized employees or agents of the Association shall have the right, after reasonable notice to the Unit Owner, to enter into any Townhome Unit at reasonable hours of any day.

(b) Notwithstanding any provision to the contrary in subsection (a) above, the duly authorized agents or employees of the Association shall have the right to enter in or upon any Townhome Unit or into any structure or located on a respective Townhome Unit, without notice to the Unit Owner thereof, when, in the judgment of the Association, acting through its Board of Directors, such entrance is necessary to prevent damage to such Townhome Unit or surrounding Townhome Units or Common Areas by fire, criminal act, natural disaster, or other similar emergency.

(c) The Association shall obtain and continue in effect adequate blanket all-risk casualty insurance, if reasonably available, in such form and coverage as the Board deems appropriate for the replacement cost of the portions of the Townhome Units for which the Association is responsible pursuant to this Section, excluding the replacement of any finishes, fixtures, appliances, flooring, and improvements installed or supplied by the Unit Owners, or their tenants, or personal property of the Unit Owners, or their tenants, guests, and invitees located within such Townhome Units. In the event of a loss affecting the Townhome Units, if the insurance indemnity for such loss is insufficient to cover the loss, the deficit shall be paid in equal shares by all Townhome Unit Owners whose Units are in a Building affected by the loss, which may be assessed by the Association in the form of a special assessment.

(d) Notwithstanding the obligations of the Association with respect to maintenance of certain portions of the exterior of such Townhome Units, the Association shall have no obligation to repair interior portions of any Townhome Unit that is lost or damaged as a result of construction defects, damage or maintenance issues of exterior portions of any Townhome Unit, including without limitation damage resulting from water leaks, foundational issues, or settling or structural matters, except to the extent of the Association's insurance coverage for such matters. The Association shall not be liable for any claims or causes of action of any kind whatsoever in law or in equity arising from or in any way relating to the construction of improvements in the Townhome Units that was performed by parties other than the Association, its agents, employees, subsidiaries or other affiliated entities.

(e) Each wall built as part of the original construction on the boundary between two Townhome Units shall constitute a party wall. The cost of reasonable repair and maintenance of a party wall shall be shared by the Unit Owners whose Units share the wall. If a party wall is destroyed or damaged by fire or other casualty, any Unit Owner whose Unit shares the wall may restore it, but all Unit Owners whose Units share the wall shall contribute to the cost of restoration thereof in equal proportions.

14. **Alterations, Additions or Improvements.** Except as provided herein, no alteration of any Common Elements, or any additions or improvements thereto, shall be made by any Unit Owner without the prior written approval of the Board. The Board may authorize alterations, additions, and improvements of the Common Elements as provided in the Bylaws. Any Unit Owner may make alterations, additions or improvements within his Unit without the prior written approval of the Board, but such Unit Owner shall be responsible for any damage to other Units, the Common Elements, the Property, or any part thereof, resulting from such alterations, additions and improvements.

15. **Decorating.** Each Unit Owner, at his own expense, shall furnish and be responsible for all decorating within his Unit and Limited Common Elements serving his Unit, as may be required from time to time, including painting, wallpapering, washing, cleaning, paneling, floor covering, draperies, window shades, curtains, lighting, and other furnishings and decorating. Each Unit Owner shall be entitled to the exclusive use of the interior surfaces of the perimeter walls, floors and ceilings of his Unit, and such Unit Owner shall maintain said interior surfaces in good condition at his sole expense, as may be required from time to time. Said maintenance and use of interior surfaces shall be subject to the Rules and Regulations of the Association, but each Unit Owner shall have the right to decorate such interior surfaces from time to time as he may see fit and at his sole expense. All window glass, doors and screens of a Unit shall be cleaned and washed, and any damage thereto repaired, at the expense of the Unit Owner of the Unit.

16. **Encroachments.** If any portion of the Common Elements shall actually encroach upon any Unit or its Private Elements, or if any Unit or its Private Elements or Limited Common Elements shall actually encroach upon any portions of the Common Elements, there shall be deemed to be mutual easements in favor of the owners of the Common Elements and the respective Unit Owners involved, to the extent of such encroachments, so long as the same shall exist.

17. **Use and Occupancy Restrictions.** Subject to the provisions of the Bylaws, no part of the Property may be used for purposes other than housing and the related common purposes for which the Property was designed and as allowed by zoning laws. Each Unit shall be used as one single family residence or such other use permitted by this Declaration, and for no other purpose, except that professional and quasi-professional people may use their residence (not in violation of municipal zoning laws) as an ancillary or secondary facility to an office established elsewhere. The foregoing restrictions shall not, however, be constructed in such manner as to prohibit a Unit Owner from: (a) maintaining his personal professional library; (b) keeping his personal business or professional records or accounts; or (c) handling his personal business or professional telephone calls or correspondence. Such uses are expressly declared customarily incident to the principal residential use and not in violation of said restrictions. No Unit may be offered or rented for temporary accommodations; however, nothing in this Section shall prohibit Unit Owners from leasing their Units to others to be used as a residence. **Offering or renting a Unit for a period of less than thirty (30) days will be construed as "temporary accommodations" for purposes of this Section.**

18. **Remedies.** In the event of any violation of the provisions of the Act, this Declaration, Bylaws, or Rules and Regulations of the Association by any Unit Owner (either by his own conduct or by the conduct of any Occupant of his Unit), the Association shall have all of the rights and remedies which may be provided for in the Act, this Declaration, Bylaws, or said Rules and Regulations, or which may be available at law or in equity, and may prosecute an action or other proceedings against such defaulting Unit Owner and/or others for damages or injunction or specific performance, or for judgment for payment of money and collection thereof, or the right to take possession of the Unit and to sell the same as provided herein, or for enforcement of any lien and the appointment of a receiver for the Unit and ownership interest of such Unit Owner, or for any combination of remedies, or for any other relief. All expenses in connection with any such actions or proceedings, including court costs and attorney's fees and other fees and expenses and all damages, liquidated or otherwise, together with interest thereon at the maximum rate permitted by law, until paid, shall be charged to and assessed against such defaulting Unit Owner, and shall be added to and deemed part of his respective share of the Common Expenses. In the event of any such default by a Unit Owner, the Association shall have the authority to correct such default, and to do whatever may be necessary for such purpose and all expenses in connection therewith shall be charged to and assessed against such defaulting Unit Owner. The Association, and/or any Unit Owner who elects to pay sums owed by a defaulting Unit Owner, hereinafter referred to as the "Paying Unit Owner," shall have a lien against the Unit and defaulting Unit Owner for all sums paid on behalf of the defaulting Unit Owner; provided, however, that such lien shall be subordinate to the lien of a recorded first mortgage or deed of trust on the Unit, as set forth herein. Any and all such rights and remedies may be exercised at any

time and from time to time, cumulatively or otherwise, by the Board on behalf of the Association. This paragraph shall not be amended, changed, modified or rescinded without the prior consent of all holders of record of mortgage and deed of trust liens against the Units.

The violation of any restriction or condition or regulation adopted by the Board or the breach of any covenant or provision herein contained, shall give the Board the right, in addition to any other rights provided for in this Declaration: (a) to enter (either peaceably or forcibly without liability to such Unit Owner for such entry) upon the Unit, or any portion of the Property upon which or as to which such violation or breach exists, and to summarily abate and remove, at the expense of the defaulting Unit Owner, any structure, thing or condition that may exist thereon contrary to the intent and meaning of the provisions hereof, and the Board, or its employees or agents, shall not thereby be deemed guilty in any manner of trespass; or (b) to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any breach: or (c) to take possession (either peaceably or forcibly without liability to such Unit Owner for such entry) of such Unit Owner's interest in the Property and to maintain an action for possession of such Unit in the manner provided by law.

If any Unit Owner (either by his own conduct or by the conduct of any other Occupant of his Unit) shall violate the Act, or any of the covenants or restrictions or provisions of this Declaration, the Bylaws, or the regulations adopted by the Board, and if such default or violation shall continue for ten (10) days after notice to the Unit Owner in writing from the Board or another Unit Owner, or shall occur repeatedly during any ten (10) day period after such written notice or request to cure such violation from the Board or another Unit Owner, then the Board or another Unit Owner shall have the power to issue to said defaulting Owner a notice in writing terminating the rights of said defaulting Owner to continue as a Unit Owner and to continue to occupy, use, or control his Unit, and thereupon an action in equity may be filed by the Board or another Unit Owner against said defaulting Owner for a decree of mandatory injunction against such defaulting Owner or Occupant, or in the alternative, for a decree declaring the termination of said defaulting Owner's right to occupy, use, or control the Unit owned by him on account of said violation, and ordering that all the right, title and interest of said defaulting Owner in the Property shall be sold (subject to the lien of any existing deed of trust or mortgage) at a judicial sale upon such notice and terms as the court shall determine, except that the court shall enjoin and restrain the said defaulting Owner from reacquiring his interest at such judicial sale. The proceeds of any such judicial sale shall be first paid to discharge court costs, court reporter charges, reasonable attorney's fees, and all other expenses of the proceeding and sale, and all such items shall be taxes against said defaulting Unit Owner in said decree. Any balance of proceeds, after satisfaction of such charges and any unpaid assessments hereunder, or any liens, shall be paid to said defaulting Unit Owner. Upon the confirmation of such sale, the purchaser shall thereupon be entitled to a deed to the Unit and the Unit Owner's corresponding percentage of ownership in the Common Elements, and to immediate possession of the Unit sold and may apply to the court for a writ of assistance for the purpose of acquiring such possession, and it shall be a condition of any such sale, and the decree shall so provide, that the purchaser shall take the interest in the Unit Ownership sold subject to this Declaration.

19. **Amendments.** The provisions of this Declaration may be amended by an instrument in writing, setting forth such amendment, signed by sixty-seven (67%) percent of the Unit Owners; provided, however, that all mortgagees of record have been notified by certified mail of such amendment, and an affidavit by the Secretary of the Association certifying to such mailing is made a part of such instrument.

However, if the Act, this Declaration or the Bylaws require the consent or agreement of all Unit Owners for any action specified in the Act or in this Declaration, then any instrument amending any provision of this Declaration with respect to such action shall be signed by all Unit Owners as required by the Act or this Declaration. Any amendment shall be effective upon the recording of such instrument in the Office of the Register of Deeds of Davidson County, Tennessee: provided, however, that no provisions in this Declaration may be amended so as to conflict with the provisions of the Act.

Notwithstanding the above, the Association shall have the right to make and record any necessary amendment to this instrument for the express purpose of completion of development or correction of clerical errors, or as may be required to obtain FHA/VA, FNMA, FHLMC or other desired approval for the horizontal property regime.

20. **Perpetuities and Restraints on Alienation.** If any of the options, privileges, covenants, or rights created by this Declaration shall be unlawful, void or voidable for violation of the rule against perpetuities, then such provisions shall continue only until twenty-one (21) years after the death of the

survivor of the now living descendants of the Governor of Tennessee holding office as of the date of this Declaration.

21. **Rights and Obligations.** Each Grantee of Developer, by the acceptance of a deed of conveyance, accepts the same subject to all restrictions, conditions, covenants, reservations, liens, and charges, and the jurisdiction, rights, and powers created or reserved by this Declaration. All future Unit Owners and Occupants shall be subject to and shall comply with the provisions of this Declaration. Any restrictions or rules in the Bylaws which are more than administrative in nature such as, but not limited to, reservations and future rights of Developer are hereby incorporated into and made a part of this Declaration by reference. All rights, benefits and privileges hereby imposed shall be deemed and taken to be covenants running with the land, and shall bind any person having at any time any interest or estate in said land, and shall inure to the benefit of such grantee in like manner as though the provisions of this Declaration were recited and stipulated at length in each and every deed of conveyance or contract for conveyance.

    The terms and conditions of the Declaration, Bylaws, and Rules and Regulations of the Association may be incorporated by reference in, and become part of, the agreement between any first mortgagee and any present or future Unit Owner who enters into such an agreement with a first mortgage. When so incorporated, any default in the terms and conditions of this Declaration, Bylaws, and Rules and Regulations may be considered by the first mortgagee as a default, whereupon said first mortgagee, after exercising its option to declare a default, shall then have all of the rights and privileges arising as a result of a default under its agreement with said Unit Owner.

22. **Condemnation** In the event of a taking of part of the Common Elements in condemnation or by eminent domain, the award made for such taking shall be payable to the Association. Section 4. **Special Meetings.** Special meetings of the Unit Owners may be called by a majority of the Unit Owners or the Board. Special meetings shall be called by delivering written notice to all Unit Owners not less than ten (10) days prior to the date of the meeting, starting the date, time and place of the special meeting and the matters to be considered.
