ARTICLE II
BEQUEST OF PERSONAL EFFECTS AND SPECIFIC BEQUESTS

2.1. I may leave a letter, designating my desires as to certain articles of personal property being given to certain persons. In such event, it is my request that my Executor honor this letter, and that my beneficiaries and family members abide by the designations set forth in such letter. Any items mentioned in such letter, and not treated as set forth in such letter, shall pass as provided below in this Article.

ARTICLE V
POWERS OF FIDUCIARIES

5.1. My Executor and Trustee shall have all the powers enumerated in Tennessee Code Annotated Section 35-50-110, and the introductory paragraph and all subparagraphs thereof, which to the extent not inconsistent with the express provisions hereof are hereby incorporated herein by reference as fully as though copied herein verbatim, except that subparagraphs 1 through 4 of such Section shall apply only to my Executor.

5.2. The fiduciaries shall be authorized to maintain funds on deposit, whether as checking or savings accounts, certificates of deposit, money market accounts, or otherwise, in any banking institution, the deposits of which are insured by the Federal Deposit Insurance Corporation, or similar government-sponsored insurance in the future, regardless of whether the amount of such funds so deposited may exceed the amount of such insurance available at such banking institution.

5.3. The fiduciaries shall have the right, consistent with the provisions of Tennessee Code Annotated Section 35-3-117, and regardless of any other provisions of this will or of any law, now or hereafter in effect, to invest in any form of assets or investments, including, but not limited to, stocks, bonds, mutual funds, money market accounts and real and personal property. The Trustee shall have the right to retain any assets, including without limitation real property, notes, deeds of trust or mortgages, distributed into the Trust or arising from such assets distributed into the Trust, regardless of whether such assets would otherwise fit the criteria for inclusion in a trust.

5.4. I recognize that my Executor or Trustee may not be a professional fiduciary and in order to induce such person to serve in such capacity, I hereby direct that the assets of the

Estate, and any Trust of which such person is a Trustee, be used to indemnify and hold my Executor, or such Trustee, harmless with respect to any and all acts, except for fraud or bad faith, of such person, in connection with: (i) the administration of my Estate, or any Trust or Trust Share held hereunder, or (ii) the investment of the assets with respect to my Estate, or any Trust or Trust Share.

5.5. My Executor and any Trustee shall have the power to hire persons, including, accountants, attorneys, auditors, investment advisors, or other agents, even if they are associated or affiliated with my Executor or Trustee, to advise or assist my Executor or Trustee in the performance of administrative duties. This power shall include, but not be limited to, attorneys, accountants or other professionals who may be partners of or associates with my Executor or Trustee in the practice of law, accounting or other professions.

5.6. It is my intention that my fiduciaries shall have the right to be properly compensated for their service. Any corporate fiduciary shall be entitled to charge for fees and expenses in amounts consistent with those generally charged by reputable corporate fiduciaries for such services in the area where such corporate fiduciary is located. Any individual fiduciary shall be entitled to charge for fees and expenses in amounts consistent with those generally charged by reputable corporate fiduciaries in the area where such individual fiduciary's office is located.

5.7. Whenever under this Will, any fiduciary, including, but not limited to an Executor or Trustee, is granted the right to take action in such fiduciary's "discretion", then such "discretion" shall mean the sole and absolute discretion of such fiduciary, except as limited by the specific language of this Will and specific provisions of law applicable to such decisions. It is my intention that the term "discretion" as used herein shall be interpreted as broadly as possible,

except as limited by the specific language of this Will and specific provisions of law applicable to such decisions.

5.8. The powers granted to an Executor or Trustee under this Will, including, without limitation, powers to distribute or accumulate income and to encroach upon principal, shall not constitute a general power of appointment. The powers granted to an Executor or Trustee under this Will, including, without limitation, powers to distribute or accumulate income and to encroach upon principal, shall not include any power which would cause the inclusion of any of such income or principal in the gross estate of such Executor or Trustee pursuant to Sections 2036, 2037, 2038 or 2041 of the Internal Revenue Code, or its successor provisions. No Executor or Trustee shall have the right under this Will to participate in any decision to distribute or accumulate income or to encroach for the benefit of such Executor or Trustee, the creditors of such Executor or Trustee, the estate of such Executor or Trustee, the creditors of the estate of such Executor or Trustee, or to satisfy the legal obligations of such Executor or Trustee. Further, no Executor or Trustee shall participate in any decision to distribute or accumulate income, or to encroach, for the benefit, or to satisfy the legal obligations of support, of such Executor or Trustee.

5.9. The Trustee shall not be required to provide notice, including any notice as provided in Tenn. Code Ann. § 35-15-813, as to any Trust created herein to any present or contingent beneficiary, any provision of law to the contrary notwithstanding.

5.10. If at any time any fiduciary is uncertain as to the interpretation of this document, as to such fiduciary's authority under this document, as to the appropriate actions to take or any other matter arising in such fiduciary's administration (whether or not involving the fiduciary's discretion), the fiduciary shall have the authority to file appropriate pleadings, at the expense of

the Estate or Trust, as applicable, in the court having jurisdiction of such estates or trusts to obtain a decision by such court as to any such matter.

5.11. At any time when it shall become necessary to divide assets between any of the beneficiaries herein named, or within any Trust or Trust Share created herein, or to distribute any of said assets, such division or distribution shall be made in such manner as the Executor or Trustee, as the case may be, deems proper and may be made in cash or in kind, or partly in cash and partly in kind. The judgment of the Executor or Trustee, as the case may be, on the relative value of assets shall be binding and conclusive on all parties interested. Further, in making distribution of assets the Executor or Trustee, as the case may be, shall not be required to distribute a particular asset pro rata to all beneficiaries entitled to receive a distribution, and the Executor or Trustee, as the case may be, may make division and distribution of assets without regard to the basis of such assets for Federal or state income tax purposes.

5.12. My fiduciaries are authorized and requested, but not required, to exercise their discretion to minimize the income taxes payable on the income received by the estate or trust, or its beneficiaries, as applicable. Such discretion shall include, without limitation, consideration of the levels of taxable income at which the estate or trust will be taxed at a higher rate than an individual, or at a higher rate than another form of entity, as a taxpayer. Such discretion may include, but is not limited to, creation or consideration of alternate forms of entities to receive distributions.

5.13. The Trustee is further authorized and requested, but not required, to exercise his discretion to minimize the income taxes payable on the income received by the Trust, or by its beneficiaries, as applicable. The Trustee shall have full power and authority to determine, in his absolute discretion, what shall constitute principal of the trust estate, gross income therefrom and

net income distributable under the terms of this trust, and to make allocations as to trust accounting income, except as herein otherwise specifically provided, and the determination of the Trustee with respect to all such matters shall be conclusive upon all persons howsoever interested in this trust. Such discretion shall further include, without limitation, the right to allocate distributions to capital gains or assets, the right to allocate capital gains or assets to income or the right to distribute capital gains or assets as a part of a distribution of income.

5.14. To the extent that charitable bequests are funded from my Estate, then I direct my fiduciaries to first use assets subject to Code Section 691, if any, in funding such bequests.

5.15. Any Trust created under this Will is created in the State of Tennessee. The laws of the State of Tennessee shall govern the validity, construction, and interpretation of its provisions, the validity of the Trust or Trust Shares created herein, and the administration of the accounting for such Trust or Trust Shares for so long as the Trustee does not change the situs of this Trust (or any Trust Share created herein) to another state.

ARTICLE VI
PAYMENT OF DEBTS, EXPENSES AND TAXES

6.1. I direct that all of my legally enforceable debts, including funeral and testamentary expenses and expenses of my last illness, be paid as soon as may be convenient after my death; provided however that for real estate encumbered by mortgages or other security instruments or liens ("**Secured Debt**"), my beneficiary of the Real Property in **Article II** may elect to either 1) retain the real estate and pay the remaining Secured Debt with the beneficiary's own personal assets, or 2) the beneficiary may elect to sell the real estate to satisfy the Secured Debt and keep the remaining proceeds. In the event my real estate passes to my Residuary beneficiaries, said Secured Debt may be paid off or retained in the discretion of my Executor. I

further direct that all estate, inheritance and other taxes of the same nature (except any generation-skipping taxes imposed by the Internal Revenue Code or by any state) which are payable because of my death, including any interest or penalties thereon, with respect to the property comprising my estate for such tax purposes, whether or not such property passes under this Will and whether such taxes are payable by my estate or by any recipient or beneficiary of any such property, shall be paid entirely out of my Residuary Estate as an expense of administration and without apportionment, and with no right of reimbursement from any recipient or beneficiary of any such property.

6.2. My Executor is specifically authorized, in my Executor's discretion, to apply the proceeds from any insurance policies on my life which are payable to my estate in paying debts, expenses of administration and taxes, notwithstanding the provisions of any state law to the contrary; provided, however, that this provision shall not be construed so as to make the proceeds of any insurance subject to debts, taxes or expenses, or to waive the exemption as provided in Tennessee Code Annotated Section 56-7-201, or successor provisions.

ARTICLE VII
PROVISIONS FOR COMMON DISASTER

7.1. In the event any legatee, devisee or other beneficiary under this Will and I shall die simultaneously or under circumstances which make it difficult to determine which of us died first, I direct that such beneficiary shall be deemed to have predeceased me for the purposes of this Will, and I direct further that the provisions of this Will be construed upon that assumption, irrespective of any provision of law establishing a contrary presumption or requiring survivorship for a fixed period as a condition of taking property by inheritance.

ARTICLE VIII
SPENDTHRIFT TRUST

8.1. Any Trust or Trust Share herein created shall be a spendthrift trust to the full possible extent allowed by law. I direct that no part of any Trust or Trust Share herein created, nor the income therefrom, is to be subject to execution or other legal process for any obligation of any beneficiary or subject to the claims of creditors of any beneficiary in any manner, nor shall any beneficiary have the power to sell or mortgage or encumber same, or any part thereof, nor anticipate the same, nor any part thereof, by assignment or otherwise. Likewise, no fiduciary hereunder shall be required to exercise any discretion herein granted to satisfy any obligation of any beneficiary to any third party.

ARTICLE IX
WAIVER OF FILINGS

9.1. I hereby waive the requirement that my Executor file an inventory or accounting of my estate with the court having probate jurisdiction over my estate. This waiver shall include, but not be limited to, the inventory as required by Tennessee Code Annotated Section 30-2-301, and the accounting as required by Tennessee Code Annotated Section 30-2-601, or any amendments or successors to such sections.

ARTICLE X
ADMINISTRATION OF REAL PROPERTY

10.1. I direct pursuant to Tennessee Code Annotated Section 31-2-103 that any interests in real property which I may own at my death be administered as part of my estate subject to the control of my personal representative, who shall have full power to grant, bargain, sell, convey, lease, encumber, manage, and otherwise deal in any lawful manner with said real property at any time during the administration of the estate, in the discretion of my personal representative,

without the approval or joinder of any beneficiary and without the necessity of any person or entity looking to the application of any proceeds that may or might result from any acts of my personal representative in the premises; provided, however, that the provisions of this Article shall not have the effect of revoking or varying any written agreement entered into during my lifetime as to the ownership, use, descent or rights in or to, any real property.

ARTICLE XI
DISCLAIMERS

11.1. Any beneficiary, or any beneficiary's personal representative, if such beneficiary shall fail to survive me for the time period granted for disclaimers by Tennessee Code Annotated Section 31-1-103, is hereby authorized to disclaim all or any part of such beneficiary's interest in my estate under this Will or otherwise. After any disclaimer or release, the interest disclaimed shall pass as though the disclaimant had predeceased me and shall be held, administered and distributed according to the terms and conditions as set forth therein.

ARTICLE XII
MISC.

12.1. Beneficiary Disputes. If any bequest requires that the bequest be distributed between or among two or more beneficiaries, then the specific items of property comprising the respective shares of the bequest shall be determined in the discretion of my Executor.

12.2. No Contest Provision. If any beneficiary under this Will contests this Will or any of its provisions, any share or interest in my estate given to the contesting beneficiary under this Will is revoked and shall be disposed of as if that contesting beneficiary had not survived me.

12.3. Severability. If any provision of this Will is held invalid, that shall not affect other provisions that can be given effect without the invalid provision.
